(c) If any Permitted Transferee of any Securityholder to which Eligible Securities have been transferred ceases to be a Permitted Transferee of such Securityholder, such Permitted Transferee shall, and such Securityholder shall cause such Permitted Transferee to, transfer back to such Securityholder (or to another Permitted Transferee of such Securityholder) any Eligible Securities it owns on or prior to the date that such Permitted Transferee ceases to be a Permitted Transferee of such Securityholder. For the avoidance of doubt, Citicorp N.A. and its Affiliates shall be Permitted Transferees of CVC Asia II Limited so long as (i) Citicorp N.A. or one of its Affiliates is acting in its capacity as a secured lender under the CVC Asia Loan Agreement or (ii) Citicorp N.A. or one of its Affiliates holds Eligible Securities previously owned by CVC Asia II Limited as a result of Citicorp N.A. or one of its Affiliates exercising its remedies following an event of default under the CVC Asia Loan Agreement.

## ARTICLE 4

## TAG-ALONG RIGHTS; DRAG-ALONG RIGHTS; RIGHTS OF FIRST REFUSAL; PREEMPTIVE RIGHTS

Section 4.01. *Rights to Participate in Transfer*. (a) Subject to Sections 3.04, 3.05, 3.06, 4.01(h) and 4.03, if (i) any Institutional Securityholder proposes to Transfer any number of any class or series of Eligible Securities other than to its Permitted Transferees or (ii) any Other Securityholder proposes to sell Eligible Securities to a Third Party pursuant to Section 4.03 (any sale pursuant to clauses (i) and (ii) shall be referred to herein as, the "**Tag-Along Sale**," and any Securityholder proposing to Transfer Eligible Securities pursuant to a Tag-Along Sale shall be referred to herein as, the "**Tag-Along Seller**"), each Securityholder other than the Tag-Along Seller (each, an "**Eligible Securityholder**") may elect, at its option, to exercise its rights under this Section 4.01, *provided* that with respect to any such Transfer that is also governed by Section 4.03 hereof, the Company and the Securityholders having a right of first refusal under such Section shall have first been afforded the opportunity to acquire any Eligible Securities to be sold in a Tag-Along Sale in accordance with the provisions of Section 4.03.

In the event of such a proposed Transfer, the Tag-Along Seller shall, after such Securityholders and the Company have declined, or are deemed to have declined, to exercise their right of first refusal as provided in Section 4.03, provide each Eligible Securityholder written notice of the terms and conditions of such proposed transfer ("**Tag-Along Notice**") and

offer each Eligible Securityholder the opportunity to participate in such sale. The Tag-Along Notice shall identify the number and type of Eligible Securities subject to the offer ("**Tag-Along Offer**"), the cash price at which the Transfer is proposed to be made, and all other material terms and conditions of the Tag-Along Offer, including the form of the proposed agreement, if any.

From the date of the receipt of the Tag-Along Notice, each Eligible Securityholder shall have the right (a "**Tag-Along Right**"), exercisable by written notice ("**Tag-Along Response Notice**") given to the Tag-Along Seller within 15 Business Days of such Eligible Securityholder's receipt of the Tag-Along Notice (the "**Tag-Along Notice Period**"), to request that the Tag-Along Seller include in the proposed Transfer (any such Securityholder so requesting, a "**Tagging Person**") the number and type of Eligible Securities held by such Tagging Person as is specified in such notice, provided that, if the aggregate number of Eligible Securities proposed to be sold by the Tag-Along Seller and all Tagging Persons in such transaction exceeds the number of that series or class of Eligible Securities that can be sold on the terms and conditions set forth in the Tag-Along Notice, then the Tagging Seller and each Tagging Person shall be entitled to include in the Tag-Along Sale only its Tag-Along Portion of such series or class of Eligible Securities and such additional Eligible Securities as permitted by Section 4.01(d). Each Tagging Person that exercises its Tag-Along Rights hereunder shall deliver to the Tag-Along Seller, together with its Tag-Along Response Notice, a limited power-of-attorney authorizing the Tag-Along Seller to Transfer such Eligible Securities on the terms set forth in the Tag-Along Notice and, if the Eligible Securities are certificated, the certificate or certificates representing the Eligible Securities of such Tagging Person to be included in the Transfer. Any such securities so delivered shall be held in trust by the Tag-Along Seller for the benefit of the Tagging Person and shall not be commingled with the assets of the Tag-Along Seller. Delivery of the limited power-of-attorney authorizing the Tag-Along Seller to Transfer such Eligible Securities and, if the Eligible Securities are certificated, such certificate or certificates representing the Eligible Securities to be Transferred, shall constitute an irrevocable acceptance of the Tag-Along Offer by such Tagging Persons. Each Tag-Along Response Notice shall include wire transfer instructions for payment of the purchase price for each class or series of Eligible Securities to be sold in such Tag-Along Sale. The Tagging Persons shall (a) be required (i) to bear their proportionate share of any escrows, holdbacks or adjustments in purchase price and any transaction expenses and (ii) to make such customary representations, warranties and covenants and enter into such agreements as are customary for transactions of the nature of the Tag-Along Offer, in each case on terms no less favorable to the Tagging Persons than those disclosed in the Tag-Along Notice and (b) benefit from all of the same provisions of the definitive agreements as the Tag-Along Seller, it being understood that any liability of any Tagging Person for indemnification or similar post-closing obligations shall not exceed a proportional share of any such liability based on such Tagging Person's share of the aggregate consideration in the Tag-Along Sale.

If at the end of the 90-day period after delivery of the Tag-Along Notice (which 90-day period shall be extended if any of the transactions contemplated by the Tag-Along Offer are subject to regulatory approval until the expiration of five Business Days after all such approvals have been received, but in no event later than 180 days following receipt of the Tag-Along

Response Notice by the Tag-Along Seller), the Tag-Along Seller has not completed the Transfer of all such Eligible Securities on substantially the same terms and conditions set forth in the Tag-Along Notice, the Tag-Along Seller shall (i) return to each Tagging Person the limited power-of-attorney (and all copies thereof) together with all certificates representing the Eligible Securities that such Tagging Person delivered for Transfer pursuant to this Section 4.01(a) and (ii) not conduct any Transfer of Eligible Securities without again complying with this Section.

(b) Concurrently with the consummation of the Tag-Along Sale, the Tag-Along Seller shall notify the Tagging Persons thereof, shall remit to the Tagging Persons the total consideration (by wire transfer of immediately available funds or, if so requested by the Tagging Person, bank or certified check) then payable for the Eligible Securities of the Tagging Persons transferred pursuant thereto, less such Tagging Person's proportionate share of any escrows, holdbacks or adjustments in purchase price, and any transaction expenses, and shall, promptly after the consummation of such Tag-Along Sale, furnish such other evidence of the completion and time of completion of such transfer and the terms thereof as may be reasonably requested by any Tagging Person. The Tag-Along Seller shall promptly remit to all Tagging Persons any additional consideration payable upon the release of any escrows or holdbacks or the payment of any adjustments.

(c) If at the termination of the Tag-Along Notice Period any Eligible Securityholder shall not have elected to participate in the Tag-Along Sale, such Eligible Securityholder will be deemed to have waived its rights under Section 4.01(a) with respect to the Transfer of its securities pursuant to such Tag-Along Sale.

(d) If any Tagging Person elects to exercise its Tag-Along Rights with respect to less than such Tagging Person's Tag-Along Portion, the Tag-Along Seller and each other Tagging Person shall be entitled to Transfer, pursuant to the Tag-Along Offer, a number of Eligible Securities held by it equal to its Tag-Along Portion of such Tagging Person's Tag-Along Portion with respect to which Tag-Along Rights were not exercised.

(e) The Tag-Along Seller may Transfer, on behalf of itself and any Tagging Person who exercises the Tag-Along Rights pursuant to this Section 4.01(a), the Eligible Securities subject to the Tag-Along Offer and elected to be Transferred on the terms and conditions set forth in the Tag-Along Notice within 90 days after delivery of the Tag-Along Notice (or such longer period as extended under Section 4.01(a)) of the date on which all Tag-Along Rights shall have been waived, exercised or expire provided that, if such Tag-Along Sale is subject to regulatory approval, such 90-day period shall be extended until the expiration of five Business Days after all such approvals have been received, but in no event later than 180 days following receipt of the Tag-Along Response Notice by the Tag-Along Seller.

(f) Notwithstanding the requirements of this Section 4.01, a Tag-Along Seller may Transfer Eligible Securities at any time without complying with the requirements of paragraphs (a) and (b) of Section 4.01 so long as such Transfer is solely for cash and the Tag-Along Seller deposits into escrow with an independent third party at the time of Transfer that amount of the consideration received in the sale equal to the "Tag-Along Escrow Amount." The "**Tag-Along**

**Escrow Amount**" shall equal that amount of consideration that all the Eligible Securityholders would have been entitled to receive if each of the Eligible Securityholders had the opportunity to participate in the Transfer as a Tagging Person to the extent of its Tag-Along Portion, determined as if each such Eligible Securityholder (i) delivered a Tag-Along Response Notice to the Tag-Along Seller in the time period set forth in Section 4.01(a) and (ii) proposed to include all of its Eligible Securities which it would have been entitled to include in the Transfer.

No later than the date of the Transfer, the Tag-Along Seller shall notify the Company in writing of the proposed Transfer. Such notice (the "**Tag-Along Escrow Notice**") shall set forth the information required in the Tag-Along Notice, and in addition, such notice shall state the name of the escrow agent and the account number of the escrow account. The Company shall promptly, and in any event within ten days of the date the Company delivered or caused to be delivered, the Tag-Along Escrow Notice, deliver or cause to be delivered the Tag-Along Escrow Notice to each Eligible Securityholder.

An Eligible Securityholder may exercise the tag-along right described in this clause (f) by delivery to the Tag-Along Seller, within 15 days of the date the Company delivered or caused to be delivered the Tag-Along Escrow Notice, of (i) a written notice specifying the number of Eligible Securities it proposes to sell (which such number shall not exceed such Eligible Securityholder's Tag-Along Portion determined as provided in the first paragraph of this Section 4.01(f)), and (ii) the certificates representing such securities, with transfer powers duly endorsed in blank.

Promptly after the expiration of the 15th day after the Company has delivered or caused to be delivered the Tag-Along Escrow Notice, (i) the Tag-Along Seller shall purchase that number of Eligible Securities as the Tag-Along Seller would have been required to include in the sale had the Tag-Along Seller complied with the provisions of Section 4.01(a), (ii) the Company shall cause to be released from the escrow to the Eligible Securityholder from whom the Tag-Along Seller purchases Eligible Securities pursuant to clause (i) of this paragraph the applicable amount of consideration due to such Eligible Securityholder together with any interest thereon, and (iii) all remaining funds and other consideration held in escrow shall be released to the Tag-Along Seller.

(g) Notwithstanding anything contained in this Section 4.01, there shall be no liability on the part of the Tag-Along Seller to the Tagging Persons (other than the obligation to return any limited powers-of-attorney (and all copies thereof) together with all certificates (if any) evidencing Eligible Securities, as the case may be, received by the Tag-Along Seller) if the Transfer of Eligible Securities pursuant to Section 4.01 is not consummated for whatever reason. Whether to effect a Transfer of Eligible Securities pursuant to this Section 4.01 by the Tag-Along Seller is in the sole and absolute discretion of the Tag-Along Seller.

(h) The provisions of this Section 4.01 shall not apply to any proposed Transfer of any class of Eligible Securities by the Tag-Along Seller (A) in a Public Offering or pursuant to Rule 144 or (B) pursuant to Section 4.02.

(i) With regard to each class and series of Eligible Securities, this Section 4.01 shall terminate as to each class and series of Eligible Securities immediately following the date on which the Aggregate Ownership of the Institutional Securityholders falls below 35% of the aggregate Initial Ownership of such Institutional Securityholders for such class or series of Eligible Securities; *provided*, that any transactions or series of transactions that would cause any Institutional Securityholder to hold less than 35% of its Initial Ownership for such class or series of Eligible Securities shall be subject to this Section 4.01.

Section 4.02. *Right to Compel Participation in Certain Transfers*. (a) If the Institutional Securityholders together propose (i) to Transfer not less than 50% of each of their respective Initial Ownership of any class or series of Eligible Securities to a Third Party in a bona fide sale or (ii) a Transfer in which the Eligible Securities to be Transferred by the Institutional Securityholders, plus the Eligible Securities to be Transferred by the Other Securityholders pursuant to this Section 4.02(a), constitute more than 50% of the outstanding Eligible Securities in a particular class or series to a Third Party pursuant to a bona fide sale, or (iii) a sale of all or substantially all of the assets of the Company to a Third Party pursuant to a bona fide sale (any of (i), (ii) or (iii), a "**Compelled Sale**"), the Institutional Securityholders together may at their option require all Other Securityholders to vote all securities of the Company then held by such Other Securityholders in favor of such Compelled Sale and to Transfer the Drag-Along Portion of such class or series of Eligible Securities ("**Drag-Along Rights**") then held by every Other Securityholder, and in the case of a Compelled Sale involving Common Units (but subject to and at the closing of the Compelled Sale) to exercise such number of options or warrants (including the Warrant and including, at the option of Hynix, pursuant to Section 2(c) thereof) for Common Units held by every Other Securityholder as is required in order that a sufficient number of Common Units are available to Transfer the relevant Drag-Along Portion of each such Other Securityholder, for the same consideration per unit of the relevant class of Eligible Security and otherwise on the same terms and conditions as the Institutional Securityholders, provided that any Other Securityholder who holds options or warrants (including the Warrant) the exercise price per share of which is greater than the per share price at which the Common Units are to be Transferred to the Third Party may, if required by the Institutional Securityholders to exercise such options or warrants (including the Warrant), in place of such exercise, submit to irrevocable cancellation thereof without any liability for payment of any exercise price with respect thereto. If the Compelled Sale is not consummated with respect to any Common Units acquired upon exercise of such options or warrants (including the Warrant), or the Compelled Sale is not consummated, such options or warrants (including the Warrant) shall be deemed not to have been exercised or canceled, as applicable. The CVC US Securityholder Representative and the FP Securityholder Representative, on behalf of the Institutional Securityholders, shall provide written notice of such Compelled Sale to the Other Securityholders (a "**Compelled Sale Notice**") not later than the 15th day prior to the proposed Compelled Sale. The Compelled Sale Notice shall identify the transferee, in the case of a Compelled Sale pursuant to clauses (i) or (ii) of this Section 4.02(a), the number of Eligible Securities subject to the Compelled Sale, the consideration for which either a Transfer or a sale of all or substantially all of the assets of the Company, as appropriate, is proposed to be made (the "**Compelled Sale Price**") and all other material terms and conditions of the Compelled Sale.

The number of Eligible Securities to be sold by each Other Securityholder will be the Drag-Along Portion of the class of Eligible Securities that such Other Securityholder owns. Each Other Securityholder shall be required to participate in the Compelled Sale on the terms and conditions set forth in the Compelled Sale Notice and to tender all its Eligible Securities as set forth below. The price payable in such Transfer shall be the Compelled Sale Price. Not later than the tenth day following the date of the Compelled Sale Notice (the "**Compelled Sale Notice Period**"), each of the Other Securityholders shall deliver to a representative of the Institutional Securityholders designated in the Compelled Sale Notice certificates (to the extent the Eligible Securities are certificated), and in the case of options or warrants (including the Warrant), the applicable instrument, representing all Eligible Securities comprising the Drag-Along Portion held by such Other Securityholder, duly endorsed, together with all other documents required to be executed in connection with such Compelled Sale or, if such delivery is not permitted by applicable law, an unconditional agreement to deliver such Eligible Securities pursuant to this Section 4.02(a) at the closing for such Compelled Sale against delivery to such Other Securityholder of the consideration therefor. If an Other Securityholder should fail to deliver such certificates to the Institutional Securityholders, the Company (subject to reversal under Section 4.02(b)) shall cause the books and records of the Company to show that such Eligible Securities are bound by the provisions of this Section 4.02(a) and that such Eligible Securities shall be Transferred to the Third Party immediately upon surrender for Transfer by the holder thereof. The Other Securityholders shall (a) be required (i) to bear their proportionate share of any escrows, holdbacks or adjustments in purchase price and any transaction expenses, (ii) to make such representations, warranties and covenants and enter into such agreements as are customary for transactions of the nature of the Compelled Sale, in each case under the terms of any definitive agreements relating to such Compelled Sale, (b) benefit from all of the same provisions of the definitive agreements as the Institutional Securityholders, (c) with respect to each class of Eligible Securities to be Transferred in such Compelled Sale, have the right to receive the same form of consideration and same amount of consideration as each other holder of such class, and (d) if any holders of a class of Eligible Securities are given an option as to the form and amount of consideration received, each holder of such class of Eligible Securities shall be given the same option, it being understood that any liability of any Other Securityholder for indemnification or similar post-closing obligations shall not exceed the consideration such Other Securityholder receives in the Compelled Sale and shall be a proportional share of any such liability based on such Other Securityholder's share of the aggregate consideration in the Compelled Sale.

(b) The Institutional Securityholders shall have a period of 90 days from the date of receipt of the Compelled Sale Notice to consummate the Compelled Sale on the terms and conditions set forth in such Compelled Sale Notice, *provided* that, if such Compelled Sale is subject to regulatory approval, such 90-day period shall be extended until the expiration of five Business Days after all such approvals have been received, but in no event later than 180 days following the receipt of the Compelled Sale Notice by the Other Securityholders. If the Compelled Sale shall not have been consummated during such period, the Institutional Securityholders shall return to each of the Other Securityholders all certificates or other applicable instruments (including the Warrant) representing Eligible Securities that such Other

Securityholders delivered for Transfer pursuant hereto, together with any documents in the possession of the Institutional Securityholders executed by the Other Securityholders in connection with such proposed Transfer, and all the restrictions on Transfer contained in this Agreement or otherwise applicable at such time with respect to such Eligible Securities owned by the Other Securityholders shall again be in effect.

(c) Concurrently with the consummation of the Transfer of Eligible Securities pursuant to this Section 4.02, the CVC US Securityholder Representative and the FP Securityholder Representative, on behalf of the Institutional Securityholders, shall give notice thereof to the Other Securityholders, shall remit to each of the Other Securityholders who have surrendered their certificates or other applicable instruments the total consideration (the cash portion of which is to be paid by wire transfer of immediately available funds, or if requested by the Other Securityholders, bank or certified check) for the Eligible Securities Transferred pursuant hereto, less such Other Securityholder's proportionate share of any escrows, holdbacks or adjustments in purchase price, and any transaction expenses and shall furnish such other evidence of the completion and time of completion of such Transfer and the terms thereof as may be reasonably requested by such Other Securityholders. The Institutional Securityholders shall promptly remit any additional consideration payable upon the release of any escrows or holdbacks or the payment of any adjustments.

(d) Notwithstanding anything contained in this Section 4.02, there shall be no liability on the part of the Institutional Securityholders to the Other Securityholders (other than the obligation to return any certificates or other applicable instruments representing Eligible Securities received by the Institutional Securityholders) if the Transfer of Eligible Securities pursuant to this Section 4.02 is not consummated for whatever reason, regardless of whether the Institutional Securityholders have delivered a Compelled Sale Notice. Whether to effect a Transfer of Eligible Securities pursuant to this Section 4.02 by the Institutional Securityholders is in the sole and absolute discretion of the Institutional Securityholders.

(e) This Section 4.02 shall terminate upon the third anniversary of the First Public Offering.

Section 4.03. *Right of First Refusal.* (a) Subject to Sections 3.04, 3.05 and 3.06, if any of the Securityholders receives from or otherwise negotiates with a Third Party in a private transaction an offer to purchase for cash any or all of the Eligible Securities owned or held by such Securityholder (an "**Offer**") and such Securityholder (a "**Seller**") intends to pursue such Transfer of such Eligible Securities to such Third Party, such Seller shall provide the Institutional Securityholders (the "**Non-Selling Securityholders**"), and the Company written notice of such Offer (an "**Offer Notice**"). The Offer Notice shall identify the number and class of Eligible Securities subject to the Offer (the "**Offered Securities**"), the cash price per share at which a sale is proposed to be made (the "**Offer Price**") and all other material terms and conditions of the Offer.

(b) The receipt of an Offer Notice by the Company and the Non-Selling Securityholders from any Seller shall constitute an offer by such Seller to Transfer, to the

Company and such Non-Selling Securityholders, for cash in whole and not in part, with the Company having priority with respect to the acceptance of the Offer, all of the Offered Securities at the Offer Price. If the Company does not accept the offer, in whole and not in part, in accordance herewith, then such offer may be accepted at the Offer Price by each of the Non-Selling Securityholders on a pro rata basis based on each such Non-Selling Securityholder's Offer Pro Rata Portion unless the Non-Selling Securityholders shall agree to another allocation resulting in acceptance of the Offer with respect to all Offered Securities. Such offer shall be irrevocable for 15 days after receipt of such Offer Notice by the Company and each Non-Selling Securityholder. During such 15-day period, subject to the Company's priority right of exercise as set forth above, each Non-Selling Securityholder shall have the right to accept such offer (as provided above) within such period. The offer may be accepted by giving a written irrevocable notice of acceptance to such Seller prior to the expiration of such 15-day period.

If every Non-Selling Securityholder receiving the Offer Notice does not elect to purchase Offered Securities, the Seller shall not be required to sell any Offered Securities accepted pursuant to the offer, but shall, within five days of the expiration of the initial 15-day period, provide written notice to all Non-Selling Securityholders that did accept the initial offer, informing them that they have the right to increase the number of Offered Securities that they accepted pursuant to the initial offer. Each such Non-Selling Securityholder will then have a five-day period in which to accept such second offer, by giving written notice of acceptance to the Seller prior to the expiration of such five-day period, as to all of such Securityholder's portion of the Offered Securities not accepted pursuant to the initial offer (on the basis of such Securityholder's Offer Pro Rata Portion compared to the Offer Pro Rata Portion of all other Non-Selling Securityholders participating in the second offer).

If any Non-Selling Securityholder fails to notify the Seller prior to the expiration of the initial 15-day period or the second five-day period, as applicable, referred to above, it will be deemed to have declined the initial offer or second offer, as applicable.

For purposes of this Section 4.03 only, "**Offer Pro Rata Portion**" means the fraction that results from dividing (i) the Aggregate Ownership of the same class of Eligible Securities as the Offered Securities by such Non-Selling Securityholder by (ii) the Aggregate Ownership of such class of Eligible Securities by all Non-Selling Securityholders.

(c) If the Company and/or the Non-Selling Securityholders elect to purchase all the Offered Securities, the Company and/or the Non-Selling Securityholders, as the case may be, exercising their rights of first refusal as to the Offered Securities shall purchase and pay, by wire transfer of in immediately available funds, at the Offer Price for all Offered Securities within a 10-day period of the date on which all Offered Securities have been accepted, *provided* that, if the purchase and sale of such Offered Securities is subject to any prior regulatory approval, subject to Section 4.03(d)(iii), the time period during which such purchase and sale may be consummated shall be extended until the expiration of five Business Days after all such approvals shall have been received, but in no event shall such period be extended for more than an additional 90 days without the consent of the Company.

(d) Upon the earlier to occur of (i) full rejection of the offer by the Company and the Non-Selling Securityholders, (ii) the expiration of the initial 15-day period and the second five-day period without Non-Selling Securityholders electing to purchase all of the Offered Securities or (iii) the failure to obtain any required consent or regulatory approval for the purchase of all of the Offered Securities by the Company or the Non-Selling Securityholders within 90 days of full acceptance of the offer, Seller shall have a 90-day period during which to effect a Transfer to the Third Party making the Offer of any or all of the Offered Securities on substantially the same or more favorable (as to the Seller) terms and conditions as were set forth in the Offer Notice at a price in cash not less than the Offer Price, *provided* that (i) such Third Party shall have agreed in writing to be bound by the terms of this Agreement in the form of the Joinder, and to have such rights and obligations pursuant to this Agreement as those of an "Other Securityholder," (ii) the Transfer to such Third Party shall have been approved by the CVC US Securityholder Representative and the FP Securityholder Representative, such approval not to be unreasonably withheld or delayed and (iii) the Transfer to such Third Party is not in violation of applicable federal or state or foreign securities laws, and *provided*, *further*, that, if the Transfer is subject to regulatory approval, such 90-day period shall be extended until the expiration of five Business Days after all such approvals shall have been received, but in no event shall such period be extended for more than an additional 90 days without the consent of the Company. If the Seller does not consummate the Transfer of the Offered Securities in accordance with the foregoing time limitations, then the right of the Seller to Transfer such Offered Securities, and the rights of the Company and the Non-Selling Securityholders to purchase them pursuant to this Section 4.03, shall terminate and the Seller shall again comply with the procedures set forth in this Section 4.03 with respect to any proposed Transfer in accordance with Section 3.04, 3.05 and 3.06.

(e) The provisions of this Section 4.03 shall not apply to any Transfer (i) pursuant to a Public Offering, (ii) pursuant to Section 4.02, or (iii) to the Company.

(f) This Section 4.03 shall terminate upon the earlier to occur of (i) the First Public Offering and (ii) a Change of Control.

Section 4.04. *Preemptive Rights*. (a) The Company shall provide each Securityholder with a written notice (an "**Issuance Notice**") of any proposed issuance by the Company of any class or series of Eligible Securities to any then existing Institutional Securityholder or any of its Affiliates (the "**Purchasing Securityholder**") at least 20 days prior to the proposed issuance date. Such notice shall specify the price at which such class or series of Eligible Securities are to be issued, the class of such securities and the other material terms of the issuance. Subject to Section 4.04(e) below, if the Purchasing Securityholder proposes to purchase any such Eligible Securities from the Company, each Securityholder (other than the Purchasing Securityholder, the "**Preemptive Securityholders**") shall be entitled to purchase, at the price and on the terms at which the Purchasing Securityholder proposes to purchase such Eligible Securities and specified in such Issuance Notice, such Preemptive Securityholder's Issuance Pro Rata Portion (as hereinafter defined) of the class or series of Eligible Securities proposed to be issued. For the sake of clarity, it is understood and agreed that each Institutional Securityholder shall be entitled

to be a Preemptive Securityholder with respect to any issuance to the other Institutional Securityholder or its Affiliates pursuant to this Section 4.04 in accordance with the terms of this Section 4.04.

"**Issuance Pro Rata Portion**" means, with respect to any Preemptive Securityholder and any class or series of Company Securities proposed to be issued by the Company with respect to which Preemptive Securityholders shall be entitled to exercise their rights under this Section 4.04, the fraction that results from dividing (x) such Preemptive Securityholder's Aggregate Ownership of such class by (y) the Aggregate Ownership of such class of all Securityholders. To the extent that the class or series of Eligible Securities proposed to be issued are New Securities, "**Issuance Pro Rata Portion**" shall mean, the fraction that results from dividing (x) such Preemptive Securityholder's Aggregate Ownership of Common Units by (y) the Aggregate Ownership of Common Units of all Securityholders.

(b) A Preemptive Securityholder may exercise its rights under this Section 4.04 by delivering written notice of its election to purchase such Eligible Securities to the Company within 15 days of receipt of the Issuance Notice. A delivery of such a written notice (which notice shall specify the number (or amount) of Eligible Securities to be purchased by the Preemptive Securityholder submitting such notice) by such Preemptive Securityholder shall constitute a binding agreement of such Preemptive Securityholder to purchase, at the price and on the terms specified in the Issuance Notice, the number of shares (or amount) of Eligible Securities specified in such Preemptive Securityholder's written notice upon the consummation of the issuance of Eligible Securities to the Purchasing Securityholder. If at the termination of such 15-day period, any Preemptive Securityholder shall not have exercised its rights to purchase any of such Preemptive Securityholder's Issuance Pro Rata Portion of such Eligible Securities, such Preemptive Securityholder will be deemed to have waived any and all of its rights under this Section 4.04 with respect to the purchase of such Eligible Securities that were the subject of the Issuance Notice.

(c) If any Preemptive Securityholder receiving an Issuance Notice does not elect to purchase the securities offered thereunder, the Company shall, within five days prior to the proposed issuance, provide written notice to all participating Preemptive Securityholders that did elect to participate in such Issuance, informing them that they have the right to increase the number of securities that they elected to purchase pursuant to the Issuance Notice. Each such participating Preemptive Securityholder will then have a five day period in which to elect to participate in such second offer, by giving written notice of acceptance to the Company prior to the expiration of such five day period, as to all of such Preemptive Securityholder's portion of securities not accepted pursuant to the initial offer (on the basis of such Preemptive Securityholder's Issuance Pro Rata Portion compared to the Issuance Pro Rata Portion of all other Preemptive Securityholders accepting the second offer).

If any Preemptive Securityholder fails to notify the Company prior to the expiration of the initial 15-day period or the second five-day period, as applicable, referred to above, it will be deemed to have declined the initial offer or second offer, as applicable.

(d) The Company shall have 90 days from the date of the Issuance Notice to consummate the proposed issuance of any or all of such Eligible Securities that the Purchasing Securityholder and the Preemptive Securityholders have elected to purchase at the price and upon terms that are not materially less favorable to the Company than those specified in the Issuance Notice, *provided* that, if such issuance is subject to regulatory approval, such 90-day period shall be extended until the expiration of five Business Days after all such approvals have been received, but in no event later than 180 days from the date of the Issuance Notice. At the consummation of such issuance, the Company shall issue certificates representing the Eligible Securities to be purchased by each Purchasing Securityholder and each Preemptive Securityholder registered in the name of such Securityholder, against payment by such Securityholder of the purchase price for such Eligible Securities. If the Company proposes to issue any class or series of Eligible Securities to any Securityholder after such 90-day period, it shall again comply with the procedures set forth in this Section.

(e) Notwithstanding the foregoing, no Securityholder shall be entitled to purchase Eligible Securities as contemplated by this Section 4.04 to the extent Eligible Securities are issued (i) to officers, directors or employees of the Company or any Subsidiary pursuant to stock option plans or other equity incentive compensation plans or arrangements, on terms approved by the Board, (ii) to financing sources of the Company in connection with the issuance of debt or restructuring or recapitalization of existing debt, on terms approved by the Board, (iii) as a ratable dividend or distribution on Eligible Securities or any other class of capital stock of the Company then outstanding, or in connection with any ratable stock splits, reclassifications, recapitalizations, consolidations or similar events affecting the Eligible Securities or in any transaction in respect of a security that is available to all holders of such security on a pro rata basis, (iv) in connection with a business acquisition of the Company by a Third Party pursuant to a bona fide sale, whether by merger, consolidation, sale of assets or sale or exchange of capital stock or otherwise, to the extent approved by the Board, (v) in connection with or after the First Public Offering, (vi) to landlords, financial institutions or lessors in connection with commercial credit arrangements, commercial property transactions, leases, equipment financings or similar transactions, in each case in the ordinary course of business, on terms approved by the Board or (vii) upon conversion or exchange of any class of securities which were issued in compliance with the provisions of this Section 4.04. In addition to the foregoing, the preemptive rights set forth in this Section 4.04 shall not be applicable to any Securityholder if, at the time of such subsequent securities issuance, such Securityholder is not an "accredited investor," as that term in then defined in Rule 501(a) under the Securities Act or applicable state securities laws. The Company shall not be under any obligation to consummate any proposed issuance of Eligible Securities, nor shall there be any liability on the part of the Company to any Securityholder if the Company has not consummated any proposed issuance of Eligible Securities pursuant to this Section 4.04 for whatever reason, regardless of whether it shall have delivered an Issuance Notice in respect of such proposed issuance.

(f) The provisions of this Section 4.04 shall terminate upon the consummation of the First Public Offering. The rights of any Preemptive Securityholder with respect to any class or series of Eligible Securities under this Section 4.04 shall terminate at such time as such

Preemptive Securityholder's Aggregate Ownership of Common Units divided by its Initial Ownership of Common Units is less than 25%.

(g) Notwithstanding the requirements of this Section 4.04, the Company may issue Eligible Securities at any time without complying with the requirements of Section 4.04(a) through (d) (an "**Exempt Issuance**") so long as the Company reserves at the time of sale a portion of the Eligible Securities equal to the "Preemptive Escrow Amount." The "**Preemptive Escrow Amount**" shall equal that amount of Eligible Securities which the Preemptive Securityholders would have been entitled to receive if they had the opportunity to participate in the Exempt Issuance on a pro rata basis in accordance with Section 4.04(a), determined as if each Preemptive Securityholder (i) delivered written notice of its election to purchase to the Company in the time period set forth in Section 4.04(b) and (ii) proposed to purchase all of the Eligible Securities to which such Preemptive Securityholder would have been entitled to purchase pursuant to Section 4.04(a) had the Company given such Preemptive Securityholder an Issuance Notice.

Within 10 days after the date of the Exempt Issuance, the Company shall notify the Preemptive Securityholders in writing of the Exempt Issuance. Such notice (the "**Preemptive Escrow Notice**") shall set forth the terms and conditions upon which the Preemptive Securityholders may purchase Eligible Securities and the Issuance Pro Rata Portion that such Preemptive Securityholder is entitled to receive.

A Preemptive Securityholder may exercise the preemptive right by delivery to the Company, within 30 days of the date the Company mailed or caused to be mailed the Preemptive Escrow Notice, of a written notice specifying the number (or amount) of Eligible Securities it proposes to purchase of its Issuance Pro Rata Portion (the "**Preemptive Election**").

Promptly after the expiration of the 30th day after the Company has mailed or caused to be mailed the Preemptive Escrow Notice, (i) the Company shall sell to each Preemptive Securityholder that number (or amount) of Eligible Securities that each such Preemptive Securityholder proposed to purchase pursuant to its Preemptive Election and (ii) all remaining Preemptive Escrow Amount so reserved may be sold to the Institutional Securityholders upon the terms and conditions set forth in the Preemptive Escrow Notice.

Section 4.05. *Right to Compel the First Public Offering*.

(a) Notwithstanding anything to the contrary contained in this Agreement or otherwise, the securityholders of the Company can compel the Company to commence a First Public Offering by the affirmative vote of both the CVC US Designator and the FP Designator.

(b) The Institutional Securityholders agree, at the request of one of the Institutional Securityholders, to vote in favor of a First Public Offering if such offering can be completed on a basis such that the Total Equity Value (calculated as provided below based upon the IPO Valuation) is greater than or equal to the Threshold Price. The "**IPO Valuation**" means a valuation prepared in good faith by a nationally recognized independent investment banking firm

(which may be a proposed underwriter for such offering) reasonably acceptable to both the CVC Securityholder Representative and the FP Securityholder Representative, and establishing to the reasonable satisfaction of both the CVC Securityholder Representative and the FP Securityholder Representative that there is a reasonable certainty that the First Public Offering would be completed at a price per share implying a valuation of the Company that is at or above the Threshold Price. "**Threshold Price**" means $345,650,000 reduced by (i) any cash actually received by the Institutional Securityholders with respect to their Initial Ownership of Eligible Securities during the period from the Closing Date through the date of such IPO Valuation, (ii) any cash that the investment banking firm shows in its IPO Valuation is to be actually received by the Institutional Securityholders with respect to their Initial Ownership of Company Securities in connection with the First Public Offering and (iii) the liquidation preference of any Preferred Stock that is part of the Institutional Securityholders' Initial Ownership and that the investment banking firm shows in its IPO Valuation will remain outstanding after the First Public Offering. "**Total Equity Value**" means the value (based upon the IPO Valuation) of the Initial Ownership of Common Units of all Institutional Securityholders (excluding unexercised options and warrants and the Warrant, but including all Common Units that are to be acquired by the Institutional Securityholders upon the conversion of any of their Initial Ownership of Eligible Securities in connection with the First Public Offering).

ARTICLE 5

REGISTRATION RIGHTS

Section 5.01. *Demand Registration*. (a) If, at any time after the conclusion of the Applicable Holdback Period with respect to the First Public Offering, the Company shall receive a written request from (1) both the CVC US Securityholder Representative (on behalf of one or more of the entities comprising CVC US or their Permitted Transferees) and the FP Securityholder Representative (on behalf of one or more of the entities comprising FP or their Permitted Transferees) or (2) after the first anniversary of the First Public Offering, (A) either the CVC US Securityholder Representative (on behalf of one or more of the entities comprising CVC US or their Permitted Transferees) or the FP Securityholder Representative (on behalf of one or more of the entities comprising FP or their Permitted Transferees) or (B) the CVC Asia Pacific Securityholder Representative (on behalf of one or more of the CVC Asia Pacific Investors or their Permitted Transferees) (either of the foregoing, a "**Demand Registration**") that the Company effect the registration under the Securities Act of all or a portion of such Requesting Securityholder's Registrable Securities, and specifying the intended method of disposition thereof, then the Company shall promptly give written notice of such requested registration at least 15 days prior to the anticipated filing date of the registration statement relating to such Demand Registration to each Non-Requesting Securityholder. Upon the Company's giving notice of a requested registration, the Company will use its best efforts to effect, as expeditiously as possible, the registration under the Securities Act of:

(i) the Registrable Securities that the Company has been so requested to register by the Requesting Securityholders and, if they are not Requesting

Securityholders, any Institutional Securityholder, CVC Asia Pacific Investors, Peninsula, Hynix, and each of their respective Permitted Transferees participating in such registration, then held by the Requesting Securityholders and such participating Institutional Securityholder, and

(ii) subject to the restrictions set forth in Section 5.02, all other Registrable Securities of the same class or series as that requested to be registered by the Requesting Securityholders that are held by a Securityholder not covered by Section 5.01(a)(i) entitled to request the Company to effect an Incidental Registration pursuant to Section 5.02 (all such Securityholders, together with the Requesting Securityholders, the "**Holders**") have requested the Company to register by written request received by the Company within 15 days after the receipt by such Holders of such written notice given by the Company,

all to the extent necessary to permit the disposition (in accordance with the intended methods thereof as aforesaid) of the Registrable Securities so to be registered, *provided* that the Company shall not be obligated to effect a Demand Registration unless the gross aggregate proceeds expected to be received from the sale of the Common Units requested to be included in such Demand Registration equal or exceed $25,000,000 or, in the case of a Shortform Registration, $5,000,000. In no event will the Company be required to effect more than one Demand Registration hereunder within any six-month period and the CVC Asia Pacific Securityholder Representative shall not be entitled to make more than two requests for Demand Registrations.

"**Requesting Securityholder**" means the Securityholder or Securityholders exercising such Demand or on whose behalf such Demand is being exercised. "**Non-Requesting Securityholder**" means each Securityholder with respect to a Demand Registration that is not a Requesting Securityholder.

"**Shortform Registration**" means a registration with the SEC on Form S-3 or any successor form then in effect.

(b) Promptly after the expiration of the 15-day period referred to in Section 5.01(a)(ii) hereof, the Company will notify all the Holders to be included in the Demand Registration of the other Holders and the number of shares of Registrable Securities requested to be included therein. At any time prior to the effective date of the registration statement relating to such registration, the Requesting Securityholder(s) may revoke such request, without liability to any of the other Holders, by providing a written notice from the party authorized to initiate the Demand Registration on behalf of such Requesting Securityholder(s) pursuant to Section 5.01(a) to the Company revoking such request. A request, so revoked, shall be considered to be a Demand Registration unless (i) such revocation arose out of the fault of the Company (in which case the Company shall be obligated to pay all Registration Expenses in connection with such revoked request), or (ii) the Requesting Securityholders reimburse the Company for all Registration Expenses of such revoked request.

(c) The Company will be liable for and pay all Registration Expenses in connection with any Demand Registration, regardless of whether it is effected, except as provided in (b)(ii) above.

(d) A Demand Registration shall not be deemed to have occurred:

(i) unless the registration statement relating thereto (A) has become effective under the Securities Act and (B) has remained effective for a period of at least 120 days (or such shorter period in which all Registrable Securities of the Holders included in such registration have actually been sold thereunder), *provided* that such registration statement shall not be considered a Demand Registration if, after any registration statement requested pursuant to this Section 5.01 becomes effective, (x) such registration statement is interfered with by any stop order, injunction or other order or requirement of the SEC or other governmental agency or court and (y) less than 75% of the Registrable Securities included in such registration statement have been sold thereunder, or

(ii) if the Maximum Offering Size (as defined below) is reduced in accordance with Section 5.01(e) such that less than 75% of the Registrable Securities of the Requesting Securityholders sought to be included in such registration are included.

(e) If a Demand Registration involves an underwritten Public Offering and the managing underwriter shall advise the Company and the Requesting Securityholders that, in its view, the number of shares of Registrable Securities requested to be included in such registration (including any securities that the Company proposes to be included that are not Registrable Securities) exceeds the largest number of shares that can be sold without having an adverse effect on such offering, including the price at which such shares can be sold (the "**Maximum Offering Size**"), the Company will include in such registration, in the priority listed below, up to the Maximum Offering Size:

(A) first, all Registrable Securities requested to be registered by the Requesting Securityholders and, if they are not Requesting Securityholders, the Institutional Securityholders, the CVC Asia Pacific Investors, Peninsula, Hynix, and each of their respective Permitted Transferees (allocated, if necessary for the offering not to exceed the Maximum Offering Size, pro rata among such entities on the basis of the relative number of shares of Registrable Securities so requested to be registered), and

(B) second, any securities proposed to be registered for the account of any other Persons (including the Company), with such priorities among them as the Company shall determine.

(f) Upon written notice to each Requesting Securityholder, the Company may postpone effecting a registration pursuant to this Section 5.01 on one occasion during any period of 12 consecutive months for a reasonable time specified in the notice but not exceeding 90 days (which period may not be extended or renewed), if (1) an investment banking firm of recognized national standing shall advise the Company and the Requesting Securityholders in writing that effecting the registration would materially and adversely effect an offering of securities of such Company the preparation of which had then been commenced, (2) the Company is in possession of material non-public information the disclosure of which during the period specified in such notice the Company believes would not be in the best interests of the Company or (3) when the Requesting Securityholder is the CVC Asia Pacific Securityholder Representative, the Board determines that effecting such Demand Request would be inadvisable due to a pending or contemplated issuance of debt or equity securities by the Company; provided, that the Company may not defer a Demand Registration pursuant to clause (3) of Section 5.01(f) more than one time.

Section 5.02. *Incidental Registration*. (a) If, at any time after the First Public Offering, the Company proposes to register any Company Securities under the Securities Act (other than a registration on Form S-8 or S-4, or any successor or similar forms, relating to Common Units issuable upon exercise of employee stock options or in connection with any employee benefit or similar plan of the Company or in connection with a direct or indirect acquisition by the Company of another Person), whether or not for sale for its own account, it will each such time, subject to the provisions of Section 5.02(b), give prompt written notice at least 15 days prior to the anticipated effective date of the registration statement relating to such registration to each Securityholder, which notice shall set forth such Securityholder's rights under this Section 5.02 and shall offer such Securityholder the opportunity to include in such registration statement the number of Registrable Securities of the same class or series as those proposed to be registered as each such Securityholder may request (an "**Incidental Registration**"), subject to the provisions of 5.02(b). Upon the written request of any such Securityholder made within five days after the receipt of notice from the Company (which request shall specify the number of Registrable Securities intended to be disposed of by such Securityholder), the Company will use all reasonable efforts (subject to Section 5.02(b)) to effect the registration under the Securities Act of all Registrable Securities that the Company has been so requested to register by all such Securityholders, to the extent required to permit the disposition of the Registrable Securities so to be registered, provided that (i) if such registration involves an underwritten Public Offering, all such Securityholders requesting to be included in the Company's registration must sell their Registrable Securities to the underwriters selected as provided in Section 5.04(f) on the same economic terms and conditions as apply to the Company or the Requesting Securityholder, as applicable, and (ii) if, at any time after giving written notice pursuant to this Section 5.02(a) of its intention to register any securities for its own account but not in connection with any Demand Registration (except as set forth in Section 5.01) and prior to the effective date of the registration statement filed in connection with such registration, the Company shall determine for any reason not to register such securities, the Company shall give written notice to all such Securityholders and, thereupon, shall be relieved of its obligation to register any Registrable Securities in connection with such registration. No registration effected under this Section 5.02 shall relieve

the Company of its obligations to effect a Demand Registration to the extent required by Section 5.01. The Company shall pay all Registration Expenses in connection with each registration of Registrable Securities requested pursuant to this Section 5.02.

(b) If a registration pursuant to this Section 5.02 involves an underwritten Public Offering (other than any Demand Registration, in which case the provisions with respect to priority of inclusion in such offering set forth in Section 5.01(e) shall apply) and the managing underwriter advises the Company that, in its view, the number of Registrable Securities that the Company and such Securityholders intend to include in such registration exceeds the Maximum Offering Size, the Company will include in such registration, in the following priority, up to the Maximum Offering Size:

(i) first, so much of the securities proposed to be registered for the account of the Company as would not cause the offering to exceed the Maximum Offering Size,

(ii) second, all Registrable Securities requested to be included in such registration by the Institutional Securityholders, CVC Asia Pacific Investors, Peninsula, Hynix, and each of their Permitted Transferees (allocated, if necessary for the offering not to exceed the Maximum Offering Size, pro rata among such entities or persons on the basis of the relative number of shares of Registrable Securities so requested to be included in such registration),

(iii) third, any securities proposed to be registered for the account of any other Persons with such priorities among them as the Company shall determine.

Section 5.03. *Holdback Agreements*. If any registration of Registrable Securities shall be in connection with a Public Offering, each Securityholder and the Company agree not to effect any public sale or distribution, including any sale pursuant to Rule 144 or Rule 144A under the Securities Act, or any successor provisions, of any Registrable Securities, and not to effect any such public sale or distribution of any other security of the Company or of any stock convertible into or exchangeable or exercisable for any Common Stock (in each case, other than as part of such Public Offering) during the 14 days prior to the effective date of the applicable registration statement (except as part of such registration) or during the period after such effective date equal to the lesser of (i) such period of time as the Company and the lead managing underwriter shall agree, which period of time shall be the holdback period applicable to all Securityholders, and (ii) 180 days (such lesser period, the "**Applicable Holdback Period**").

Section 5.04. *Registration Procedures*. Whenever Securityholders request that any Registrable Securities be registered pursuant to Section 5.01 or 5.02 hereof, subject to the provisions of such Sections, the Company will use its best efforts to effect the registration and the sale of such Registrable Securities in accordance with the intended method of disposition thereof as quickly as practicable, and in connection with any such request:

(a) The Company will as expeditiously as possible prepare and file with the SEC a registration statement on any form reasonably acceptable to the Requesting Securityholders for which the Company then qualifies or that counsel for the Company shall deem appropriate and which form shall be available for the sale of the Registrable Securities to be registered thereunder in accordance with the intended method of distribution thereof, and use its best efforts to cause such filed registration statement to become and remain effective for a period of not less than 180 days, or in the case of a shelf registration statement, one year (or such shorter period in which all of the Registrable Securities of the Holders included in such registration statement shall have actually been sold thereunder).

(b) Prior to filing a registration statement or prospectus or any amendment or supplement thereto, the Company will, if requested, furnish to each participating Securityholder and each underwriter, if any, of the Registrable Securities covered by such registration statement copies of such registration statement as proposed to be filed, and thereafter the Company will furnish to such Securityholder and underwriter, if any, such number of copies of such registration statement, each amendment and supplement thereto (in each case including all exhibits thereto and documents incorporated by reference therein), the prospectus included in such registration statement (including each preliminary prospectus and any summary prospectus) and any other prospectus filed under Rule 424 or Rule 430A under the Securities Act and such other documents as such Securityholder or underwriter may reasonably request in order to facilitate the disposition of the Registrable Securities owned by such Securityholder. Each of the CVC US Securityholder Representative, the FP Securityholder Representative and the CVC Asia Pacific Securityholder Representative shall have the right to request that the Company modify any information contained in such registration statement, amendment and supplement thereto pertaining to such Institutional Securityholder or any of the CVC Asia Pacific Investors or their Permitted Transferees, as the case may be, and the Company shall use all reasonable efforts to comply with such request, provided, however, that the Company shall not have any obligation so to modify any information if so doing would cause the prospectus to contain an untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading.

(c) After the filing of the registration statement, the Company will (i) cause the related prospectus to be supplemented by any required prospectus supplement, and, as so supplemented, to be filed pursuant to Rule 424 under the Securities Act, (ii) to comply with the provisions of the Securities Act with respect to the disposition of all Registrable Securities covered by such registration statement during the applicable period in accordance with the intended methods of disposition by the sellers thereof set forth in such registration statement or supplement to such prospectus and (iii) promptly notify each Securityholder holding Registrable Securities covered by such registration statement of any stop order issued or threatened by the SEC or any state securities commission under state blue sky laws and take all reasonable actions required to prevent the entry of such stop order or to remove it if entered.

(d) The Company will use all reasonable efforts to (i) register or qualify the Registrable Securities covered by such registration statement under such other securities or blue

sky laws of such jurisdictions in the United States as any Securityholder holding such Registrable Securities reasonably (in light of such Securityholder's intended plan of distribution) requests and (ii) cause such Registrable Securities to be registered with or approved by such other governmental agencies or authorities as may be necessary by virtue of the business and operations of the Company and do any and all other acts and things that may be reasonably necessary or advisable to enable such Securityholder to consummate the disposition of the Registrable Securities owned by such Securityholder, *provided* that the Company will not be required to (A) qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify but for this paragraph (d), (B) subject itself to taxation in any such jurisdiction or (C) consent to general service of process in any such jurisdiction.

(e) The Company will immediately notify each Securityholder holding such Registrable Securities covered by such registration statement, at any time when a prospectus relating thereto is required to be delivered under the Securities Act, of the occurrence of an event requiring the preparation of a supplement or amendment to such prospectus so that, as thereafter delivered to the purchasers of such Registrable Securities, such prospectus will not contain an untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading and promptly prepare and make available to each such Securityholder and file with the SEC any such supplement or amendment.

(f) (i) (A) The CVC US Securityholder Representative and the FP Securityholder Representative, together, in the case of a Demand Registration made pursuant to clause (1) of Section 5.01(a), or (B) either the CVC US Securityholder Representative, the FP Securityholder Representative or CVC Asia Pacific Securityholder Representative, in the case of a Demand Registration made pursuant to clause (2) of Section 5.01(a) by such Institutional Securityholder or the CVC Asia Pacific Securityholder Representative, as applicable, will have the right, in their sole discretion, to select an underwriter or underwriters in connection with any Public Offering resulting from the exercise of a Demand Registration by such Securityholders, which underwriter or underwriters may include any Affiliate of any Institutional Securityholder, and (ii) the Company will select an underwriter or underwriters in connection with any other Public Offering. In connection with any Public Offering, the Company will enter into customary agreements (including an underwriting agreement in customary form) and take such other actions as are reasonably required in order to expedite or facilitate the disposition of such Registrable Securities in any such Public Offering, including the engagement of a "qualified independent underwriter" in connection with the qualification of the underwriting arrangements with the NASD.

(g) Upon execution of confidentiality agreements in form and substance reasonably satisfactory to the Company, the Company will make available for inspection by any Securityholder and any underwriter participating in any disposition pursuant to a registration statement being filed by the Company pursuant to this Section 5.04 and any attorney, accountant or other professional retained by any such Securityholder or underwriter (collectively, the "**Inspectors**"), all financial and other records, pertinent corporate documents and properties of the Company (collectively, the "**Records**") as shall be reasonably necessary or desirable to

enable them to exercise their due diligence responsibility, and cause the Company's officers, directors and employees to supply all information reasonably requested by any Inspectors in connection with such registration statement. Records that the Company determines, in good faith, to be confidential and that it notifies the Inspectors are confidential shall not be disclosed by the Inspectors unless (i) the disclosure of such Records is necessary to avoid or correct a misstatement or omission in such registration statement or (ii) the release of such Records is ordered pursuant to a subpoena or other order from a court of competent jurisdiction. Each Securityholder agrees that information obtained by it as a result of such inspections shall be deemed confidential and shall not be used by it or its Affiliates as the basis for any market transactions in the Company Securities unless and until such is made generally available to the public. Each Securityholder further agrees that, upon learning that disclosure of such Records is sought in a court of competent jurisdiction, it will give notice to the Company and allow the Company, at its own expense, to undertake appropriate action to prevent disclosure of the Records deemed confidential.

(h) The Company will furnish to each such Securityholder and to each such underwriter, if any, a signed counterpart, addressed to such Securityholder or underwriter, of (i) an opinion or opinions of counsel to the Company and (ii) a comfort letter or comfort letters from the Company's independent public accountants, each in customary form and covering such matters of the kind customarily covered by opinions or comfort letters, as the case may be, as a majority of such Securityholders (determined by Aggregate Ownership of Common Units) or the managing underwriter therefor reasonably requests.

(i) The Company will otherwise use its best efforts to comply with all applicable rules and regulations of the SEC, and make available to its securityholders, as soon as reasonably practicable, an earnings statement or such other document covering a period of 12 months, beginning within three months after the effective date of the registration statement, which earnings statement shall satisfy the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder.

(j) The Company may require each such Securityholder promptly to furnish in writing to the Company such information regarding the distribution of the Registrable Securities as the Company may from time to time reasonably request and such other information as may be legally required in connection with such registration.

(k) Each such Securityholder agrees that, upon receipt of any notice from the Company of the happening of any event of the kind described in Section 5.04(e) hereof, such Securityholder will forthwith discontinue disposition of Registrable Securities pursuant to the registration statement covering such Registrable Securities until such Securityholder's receipt of the copies of the supplemented or amended prospectus contemplated by Section 5.04(e) hereof, and, if so directed by the Company, such Securityholder will deliver to the Company all copies, other than any permanent file copies then in such Securityholder's possession, of the most recent prospectus covering such Registrable Securities at the time of receipt of such notice. In the event that the Company shall give such notice, the Company shall extend the period during which such

registration statement shall be maintained effective (including the period referred to in Section 5.04(a) hereof) by the number of days during the period from and including the date of the giving of notice pursuant to Section 5.04(e) hereof to the date when the Company shall make available to such Securityholder a prospectus supplemented or amended to conform with the requirements of Section 5.04(e) hereof.

(l) The Company will use its best efforts to list all Registrable Securities covered by such registration statement on any securities exchange or quotation system on which any of the Registrable Securities are then listed or traded.

(m) The Company will provide and cause to be maintained a transfer agent and registrar for all Registrable Securities covered by such registration statement from and after a date not later than the effective date of such registration statement.

Section 5.05. *Indemnification by the Company*. The Company agrees to indemnify and hold harmless each Securityholder holding Registrable Securities covered by a registration statement, its officers, directors, employees, partners and agents, and each Person, if any, who controls such Securityholder within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act from and against any and all losses, claims, damages and liabilities caused by any untrue statement or alleged untrue statement of a material fact contained in any registration statement or prospectus relating to the Registrable Securities (as amended or supplemented if the Company shall have furnished any amendments or supplements thereto) or any preliminary prospectus, or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as such losses, claims, damages or liabilities are caused by any such untrue statement or omission or alleged untrue statement or omission so made based upon information furnished in writing to the Company by such Securityholder or on such Securityholder's behalf expressly for use therein, provided that, with respect to any untrue statement or omission or alleged untrue statement or omission made in any preliminary prospectus, or in any prospectus, as the case may be, the indemnity agreement contained in this paragraph shall not apply to the extent that any such loss, claim, damage, liability or expense results from the fact that a current copy of the prospectus (or such amended or supplemented prospectus, as the case may be) was not sent or given to the Person asserting any such loss, claim, damage, liability or expense at or prior to the written confirmation of the sale of the Registrable Securities concerned to such Person if it is determined that the Company has provided such prospectus to such Securityholder and it was the responsibility of such Securityholder to provide such Person with a current copy of the prospectus (or such amended or supplemented prospectus, as the case may be) and such current copy of the prospectus (or such amended or supplemented prospectus, as the case may be) would have cured the defect giving rise to such loss, claim, damage, liability or expense. The Company also agrees to indemnify any underwriters of the Registrable Securities, their officers and directors and each person who controls such underwriters on substantially the same basis as that of the indemnification of the Securityholders provided in this Section 5.05.

Section 5.06. *Indemnification by Participating Securityholders*. Each Securityholder holding Registrable Securities included in any registration statement agrees, severally but not jointly, to indemnify and hold harmless the Company, its officers, directors and agents and each Person, if any, who controls the Company within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act to the same extent as the foregoing indemnity from the Company to such Securityholder, but only (i) with respect to information furnished in writing by such Securityholder or on such Securityholder's behalf expressly for use in any registration statement or prospectus relating to the Registrable Securities, or any amendment or supplement thereto, or any preliminary prospectus or (ii) to the extent that any loss, claim, damage, liability or expense described in Section 5.05 results from the fact that a current copy of the prospectus (or such amended or supplemented prospectus, as the case may be) was not sent or given to the Person asserting any such loss, claim, damage, liability or expense at or prior to the written confirmation of the sale of the Registrable Securities concerned to such Person if it is determined that it was the responsibility of such Securityholder to provide such Person with a current copy of the prospectus (or such amended or supplemented prospectus, as the case may be) and such current copy of the prospectus (or such amended or supplemented prospectus, as the case may be) would have cured the defect giving rise to such loss, claim, damage, liability or expense. Each such Securityholder also agrees to indemnify and hold harmless underwriters of the Registrable Securities, their officers and directors and each Person who controls such underwriters on substantially the same basis as that of the indemnification of the Company provided in this Section 5.06. As a condition to including Registrable Securities in any registration statement filed in accordance with Article 5 hereof, the Company may require that it shall have received an undertaking reasonably satisfactory to it from any underwriter to indemnify and hold it harmless to the extent customarily provided by underwriters with respect to similar securities. No Securityholder shall be liable under this Section 5.06 for any loss, claim, damage, liability or expense in excess of the net proceeds realized by such Securityholder in the sale of Registrable Securities of such Securityholder to which such loss, claim, damage, liability or expense relates.

Section 5.07. *Conduct of Indemnification Proceedings*. In case any proceeding (including any governmental investigation) shall be instituted involving any Person in respect of which indemnity may be sought pursuant to this Article 5, such Person (an "**Indemnified Party**") shall promptly notify the Person against whom such indemnity may be sought (the "**Indemnifying Party**") in writing and the Indemnifying Party shall assume the defense thereof, including the employment of counsel reasonably satisfactory to such Indemnified Party, and shall assume the payment of all fees and expenses, *provided* that the failure of any Indemnified Party so to notify the Indemnifying Party shall not relieve the Indemnifying Party of its obligations hereunder except to the extent that the Indemnifying Party is materially prejudiced by such failure to notify. In any such proceeding, any Indemnified Party shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party unless (i) the Indemnifying Party and the Indemnified Party shall have mutually agreed to the retention of such counsel or (ii) in the reasonable judgment of such Indemnified Party representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood that, in connection with

any proceeding or related proceedings in the same jurisdiction, the Indemnifying Party shall not be liable for the reasonable fees and expenses of more than one separate firm of attorneys (in addition to any local counsel) at any time for all such Indemnified Parties, and that all such fees and expenses shall be reimbursed as they are incurred. In the case of any such separate firm for the Indemnified Parties, such firm shall be designated in writing by the Indemnified Parties. The Indemnifying Party shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent, or if there be a final judgment for the plaintiff the Indemnifying Party shall indemnify and hold harmless such Indemnified Parties from and against any loss or liability (to the extent stated above) by reason of such settlement or judgment. Without the prior written consent of the Indemnified Party, no Indemnifying Party shall effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Party is or could have been a party and indemnity could have been sought hereunder by such Indemnified Party, unless such settlement includes an unconditional release of such Indemnified Party from all liability arising out of such proceeding.

Section 5.08. *Contribution*. If the indemnification provided for in this Article 5 is unavailable to the Indemnified Parties in respect of any losses, claims, damages or liabilities referred to herein, then each such Indemnifying Party, in lieu of indemnifying such Indemnified Party, shall contribute to the amount paid or payable by such Indemnified Party as a result of such losses, claims, damages or liabilities (i) as between the Company and the Securityholders holding Registrable Securities covered by a registration statement, in such proportion as is appropriate to reflect the relative benefits received by the Company and such Securityholders from the offering of the Registrable Securities, or if such allocation is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits but also the relative fault of the Company and such Securityholders in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations and (ii) as between the Company on the one hand and each such Securityholder on the other, in such proportion as is appropriate to reflect the relative fault of the Company and of each such Securityholder in connection with such statements or omissions, as well as any other relevant equitable considerations. The relative benefits received by the Company and such Securityholders shall be deemed to be in the same proportion as the relative proceeds from the offering (net of underwriting discounts and commissions and expenses) received by the Company and such Securityholders. The relative fault of the Company on the one hand and of each such Securityholder on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by such party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The Company and the Securityholders agree that it would not be just and equitable if contribution pursuant to this Section 5.08 were determined by pro rata allocation or by any other method of allocation that does not take account of the equitable considerations referred to in the immediately preceding paragraph. The amount paid or payable by an Indemnified Party as a result of the losses, claims, damages or liabilities referred to in the immediately preceding

paragraph shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such Indemnified Party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 5.08, no Securityholder shall be required to contribute any amount in excess of the amount by which the total price at which the Registrable Securities of such Securityholder were offered to the public exceeds the amount of any damages that such Securityholder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. Each Securityholder's obligation to contribute pursuant to this Section 5.08 is several in the proportion that the proceeds of the offering received by such Securityholder bears to the total proceeds of the offering received by all such Securityholders and not joint.

Section 5.09. *Participation in Public Offering*. No Person may participate in any Public Offering hereunder unless such Person (a) agrees to sell such Person's securities on the basis provided in any underwriting arrangements approved by the Persons entitled hereunder to approve such arrangements and (b) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements and the provisions of this Agreement in respect of registration rights.

Section 5.10. *Other Indemnification*. Indemnification similar to that specified herein (with appropriate modifications) shall be given by the Company and each Securityholder participating therein with respect to any required registration or other qualification of securities under any federal or state law or regulation or governmental authority other than the Securities Act.

Section 5.11. *Cooperation by the Company*. If any Securityholder shall transfer any Registrable Securities pursuant to Rule 144 or Rule 144A under the Securities Act, the Company shall cooperate, to the extent commercially reasonable, with such Securityholder and shall provide to such Securityholder such information as such Securityholder shall reasonably request.

Section 5.12. *No Transfer of Registration Rights*. None of the rights of Securityholders under this Article 5 shall be assignable by any Securityholder to any Person acquiring Securities in any Public Offering or pursuant to Rule 144 or Rule 144A of the Securities Act.

## ARTICLE 6

## CERTAIN COVENANTS AND AGREEMENTS

Section 6.01. *Confidentiality*. (a) Each Securityholder agrees that Confidential Information (as defined below) furnished and to be furnished to it was and will be made available in connection with such Securityholder's investment in the Company. Each Securityholder agrees that it will use, and that it will cause any Person to whom Confidential Information is disclosed pursuant to clause (i) below to use, the Confidential Information only in

connection with its investment in the Company and not for any other purpose (including, without limitation, to disadvantage competitively the Company or any other Securityholder). Each Securityholder further acknowledges and agrees that it will not disclose any Confidential Information to any Person, *provided* that Confidential Information may be disclosed (i) to such Securityholder's Representatives (as defined below) in the normal course of the performance of their duties or to any financial institution providing credit to such Securityholder, (ii) to the extent required by applicable law, rule or regulation (including complying with any oral or written questions, interrogatories, requests for information or documents, subpoena, civil investigative demand or similar process to which a Securityholder is subject, provided that such Securityholder gives the Company prompt notice of such request(s), to the extent practicable, so that the Company may seek, at its expense, an appropriate protective order or similar relief (and the Securityholder shall cooperate with such efforts by the Company, and shall in any event make only the minimum disclosure required by such law, rule or regulation)), (iii) to any Person to whom such Securityholder is contemplating a Transfer of its Eligible Securities (provided that such Transfer would not be in violation of the provisions of this Agreement and as long as such potential transferee is advised of the confidential nature of such information and agrees to be bound by a confidentiality agreement in form and substance satisfactory to the Company and consistent with the provisions hereof), (iv) to any regulatory authority or rating agency to which the Securityholder or any of its affiliates is subject or with which it has regular dealings, as long as such authority or agency is advised of the confidential nature of such information or (v) if the prior written consent of the Board shall have been obtained. Nothing contained herein shall prevent the use (subject, to the extent possible, to a protective order) of Confidential Information in connection with the assertion or defense of any claim by or against the Company or any Securityholder.

(b) "**Confidential Information**" means any information concerning the Company and Persons that are or become its Subsidiaries or the financial condition, business, operations or prospects of the Company and Persons that are or become its Subsidiaries in the possession of or furnished to any Securityholder (including, without limitation by virtue of its present or former right to designate a director of the Company), provided that the term "Confidential Information" does not include information that (i) is or becomes generally available to the public other than as a result of a disclosure by a Securityholder or its partners, directors, officers, employees, agents, counsel, investment advisers or representatives (all such persons being collectively referred to as "**Representatives**") in violation of this Agreement, (ii) is or was available to such Securityholder on a non-confidential basis prior to its disclosure to such Securityholder or its Representatives by the Company or (iii) was or becomes available to such Securityholder on a non-confidential basis from a source other than the Company, provided that such source is or was (at the time of receipt of the relevant information) not, to the best of such Securityholder's knowledge, bound by a confidentiality agreement with (or other confidentiality obligation to) the Company or another Person.

(c) Neither the Company nor any other Securityholder will disclose, or permit any of their members, shareholders, employees, agents, representatives or Affiliates to disclose, the name of Peninsula or any of its Affiliates as a direct or indirect investor in the Company, except

for (i) confidential conversations with existing and prospective (if an appropriate non-disclosure agreement has been executed by such prospective party) securityholders of the Company and (ii) as required by applicable law.

Section 6.02. *Information*. Section 7.09. *Applicable Law*. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to the conflicts of laws rules of such state.

Section 7.10. *Waiver of Jury Trial*. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 7.11. *Specific Enforcement*. Each party hereto acknowledges that the remedies at law of the other parties for a breach or threatened breach of this Agreement would be inadequate and, in recognition of this fact, any party to this Agreement, without posting any bond, and in addition to all other remedies that may be available, shall be entitled to obtain equitable relief in the form of specific performance, a temporary restraining order, a temporary or permanent injunction or any other equitable remedy that may then be available.

Section 7.12. *Consent to Jurisdiction*. Section 7.14. *Recapitalization*. If any capital stock or other securities are issued in respect of, in exchange for, or in substitution of, any Eligible Securities by reason of any reorganization, recapitalization, reclassification, merger, consolidation, spin-off, partial or complete liquidation, stock dividend, split-up, sale of assets, distribution to stockholders or combination of the Eligible Securities or any other change in capital structure of the Company, appropriate adjustments shall be made with respect to the relevant provisions of this Agreement so as fairly and equitably to preserve, as far as practicable, the original rights and obligations of the parties hereto under this Agreement.

Section 7.15. *No Inconsistent Agreements*. The Company will not hereafter enter into any agreement with respect to its securities that is inconsistent with, or grants rights superior to the rights granted to the Securityholders pursuant to, this Agreement. The Company represents and warrants to each Securityholder that it has not previously entered into any agreement with respect to any of its securities granting any registration rights to any Person.

"**Securityholders' Agreement**" means the Amended and Restated Securityholders' Agreement dated as of the date hereof among the Company and the holders listed on the signature pages thereto.

"**Subsidiary**" means, with respect to any Person, any entity of which securities or other ownership interests having ordinary voting power to elect a majority of the board of directors or other persons performing similar functions are at the time directly or indirectly owned by such Person.

"**Warrant Interests**" means the Common Equity Interests deliverable upon exercise of this Warrant, as adjusted from time to time.

2. *Exercise of Warrant*.

(a) The Holder shall be entitled to exercise this Warrant in whole or in part at any time during the period commencing on the date hereof and terminating on the Expiration Date or, if such day is not a Business Day, then on the next succeeding day that shall be a Business Day the ("**Exercise Period**"). Notwithstanding the foregoing sentence, the Holder shall exercise all or a portion of this Warrant, in any manner provided herein, if the Institutional Securityholders so require such exercise pursuant to Section 4.02 of the Securityholders' Agreement. To exercise this Warrant, the Holder shall execute and deliver to the Company a Warrant Exercise Notice substantially in the form annexed hereto. No earlier than ten days after delivery of the Warrant Exercise Notice, the Holder shall deliver to the Company this Warrant Certificate, including the Warrant Exercise Subscription Form forming a part hereof duly executed by the Holder, together with payment of the applicable Exercise Price or notification that the Holder elects to make a net exercise as set forth in Section 2(c) hereof. Upon such delivery and payment, if applicable, the

Holder shall be deemed to be the holder of record of the Warrant Interests subject to such exercise, notwithstanding that the transfer books of the Company shall then be closed or that certificates, if any, representing such Warrant Interests shall not then be actually delivered to the Holder.

(b) The Exercise Price may be paid in cash or by certified or official bank check or bank cashier's check payable to the order of the Company or by any combination of such cash or check. The Company shall pay any and all documentary, stamp or similar issue or transfer taxes payable in respect of the issue or delivery of the Warrant Interests.

(c) In lieu of exercising this Warrant as specified above, the Holder may, from time to time, convert this Warrant, in whole or in part, into a number of Warrant Interests determined by dividing, with respect to the Warrant Interests for each class or series of equity interests for which this Warrant is being exercised, (x) the aggregate Current Market Price per Warrant Interest (as defined in paragraph 5(b)) of the Warrant Interests of such class or series (or the proportionate amount of other securities or property otherwise issuable upon exercise of this Warrant) minus the aggregate Exercise Price of such Warrant Interests by (y) the Current Market Price per Warrant Interest of one Warrant Interest of such class or series. The fair market value of the Warrant Interests or any other securities or property shall be reasonably promptly determined upon any request therefor by the Holder in connection with a contemplated exercise hereof.

(d) If the Holder exercises this Warrant in part, this Warrant Certificate shall be surrendered by the Holder to the Company and a new Warrant Certificate of the same tenor and for the unexercised number of Warrant Interests shall be executed by the Company. The Company shall register the new Warrant Certificate in the name of the Holder or in such name or names of its transferee pursuant to paragraph 6 hereof as may be directed in writing by the Holder and deliver the new Warrant Certificate to the Person or Persons entitled to receive the same.

(e) Upon surrender of this Warrant Certificate in conformity with the foregoing provisions, the Company shall transfer to the Holder of this Warrant Certificate appropriate evidence of ownership of the Common Equity Interests or other securities or property (including any money) to which the Holder is entitled, registered or otherwise placed in, or payable to the order of, the name or names of the Holder or such transferee as may be directed in writing by the Holder, and shall deliver such evidence of ownership and any other securities or property (including any money) to the

Person or Persons entitled to receive the same, together with an amount in cash in lieu of any fraction of an interest as provided in paragraph 5 below.

3. *Restrictive Legend.* Certificates representing Common Equity Interests issued pursuant to this Warrant shall bear a legend substantially in the form of the legend set forth on the first page of this Warrant Certificate to the extent that and for so long as such legend is required pursuant to the Securityholders' Agreement.

4. *Reservation of Interests.* The Company hereby agrees that at all times there shall be reserved for issuance and delivery upon exercise of this Warrant sufficient Common Equity Interests or other securities of the Company from time to time issuable upon exercise of this Warrant as will be sufficient to permit the exercise in full of this Warrant. All such interests shall be duly authorized and, when issued upon such exercise, shall be validly issued, fully paid and non-assessable, free and clear of all liens, security interests, charges and other encumbrances or restrictions on sale and free and clear of all preemptive rights, except to the extent set forth in the Securityholders' Agreement.

5. *Fractional Interests.*

(a) No fractional interests or scrip representing fractional interests shall be issued upon the exercise of this Warrant and in lieu of delivery of any such fractional interest upon any exercise hereof, the Company shall pay to the Holder an amount in cash equal to such fraction multiplied by the Current Market Price Per Common Interest (as defined in paragraph 5(b) below) at the date of such exercise.

(b) For the purpose of any computation under paragraph 5(a), on any determination date (i) on or prior to the Company's First Public Offering, the Current Market Price Per Common Interest shall, subject to the penultimate sentence of this paragraph 5(b), be the fair market value per Common Equity Interest as reasonably determined in good faith by the Board of Directors of the Company, and (ii) after the Company's First Public Offering, the Current Market Price Per Common Interest shall be deemed to be the average (weighted by daily trading volume) of the Daily Prices (as defined below) per interest of the applicable class of Common Equity Interest for the 20 consecutive trading days immediately prior to such date. "**Daily Price**" means (A) if the Common Equity Interests then are listed and traded on the New York Stock Exchange, Inc. ("**NYSE**"), the closing price on such day as reported on the NYSE Composite Transactions Tape; (B) if the Common Equity Interests then are not listed and traded on the NYSE, the closing price on such day as reported by the principal national securities exchange on which the interests are listed and traded; (C)

if the Common Equity Interests then are not listed and traded on any such securities exchange, the last reported sale price on such day on the National Market of the National Association of Securities Dealers, Inc. Automated Quotation System ("**NASDAQ**"); or (D) if the Common Equity Interests then are not traded on the NASDAQ National Market, the average of the highest reported bid and lowest reported asked price on such day as reported by NASDAQ. If on any determination date the Common Equity Interests are not quoted by any such organization, the Current Market Price Per Common Interest shall be the fair market value of such interests on such determination date as reasonably determined in good faith by the Board of Directors. For purposes of any computation under this paragraph 5(b), the number of Common Equity Interests outstanding at any given time shall not include interests owned or held by or for the account of the Company.

6. *Exchange, Transfer or Assignment of Warrant.* This Warrant Certificate, the Common Equity Interests received upon exercise hereof and all rights hereunder are not transferable except in accordance with the terms of the Securityholders Agreement. Each holder of this Warrant Certificate by holding the same, consents and agrees that the registered holder hereof may be treated by the Company and all other persons dealing with this Warrant Certificate as the absolute owner hereof for any purpose and as the person entitled to exercise the rights represented hereby.

7. *Loss or Destruction of Warrant.* Upon receipt by the Company of evidence satisfactory to it (in the exercise of its reasonable discretion) of the loss, theft, destruction or mutilation of this Warrant Certificate, and (in the case of loss, theft or destruction) of reasonably satisfactory indemnification, and upon surrender and cancellation of this Warrant Certificate, if mutilated, the Company shall execute and deliver a new Warrant Certificate of like tenor and date.

8. *Anti-dilution Provisions.*

(a) Reorganization, Reclassification or Recapitalization of the Company. In case of (a) a capital reorganization, reclassification or recapitalization of the Company's capital interests (other than in the cases referred to in paragraph 8(b) hereof), (b) the Company's consolidation or merger with or into another entity in which the Company is not the surviving entity, or a reverse triangular merger in which the Company is the surviving entity but the Company's capital interests outstanding immediately prior to the merger are converted, by virtue of the merger, into other property, whether in the form of securities, cash or otherwise, or (c) the sale or transfer of the Company's property as an entirety or substantially as an entirety, then, as part of such reorganization, reclassification,

recapitalization, merger, consolidation, sale or transfer, lawful provision shall be made so that there shall thereafter be deliverable upon the exercise of this Warrant or any portion thereof (in lieu of or in addition to the number of Common Equity Interests theretofore deliverable, as appropriate), and without payment of any additional consideration, the number of shares of stock or other securities or property to which the holder of the number of Common Equity Interests which would otherwise have been deliverable upon the exercise of this Warrant or any portion thereof at the time of such reorganization, reclassification, recapitalization, merger, consolidation, sale or transfer would have been entitled to receive in such reorganization, reclassification, recapitalization, merger, consolidation, sale or transfer. This paragraph 8(a) shall apply to successive reorganizations, reclassifications, recapitalizations, mergers, consolidations, sales and transfers and to the stock or securities of any corporation or other entity that are at the time receivable upon the exercise of this Warrant.

(b) Reclassifications. If the Company changes any of the securities as to which purchase rights under this Warrant exist into the same or a different number of securities of any other class or classes, this Warrant shall thereafter represent the right to acquire such number and kind of securities as would have been issuable as the result of such change with respect to the securities that were subject to the purchase rights under this Warrant immediately prior to such reclassification or other change and the Exercise Price therefor shall be appropriately adjusted. This paragraph 8(b) shall apply to successive reclassifications.

(c) Splits and Combinations. If the Company at any time subdivides any of its outstanding Common Equity Interests into a greater number of interests, the Exercise Price in effect immediately prior to such subdivision shall be proportionately reduced, and, conversely, if the outstanding Common Equity Interests are combined into a smaller number of interests, the Exercise Price in effect immediately prior to such combination shall be proportionately increased.

(d) Dividends and Distributions. If the Company declares a dividend or other distribution on the Common Equity Interests (other than a cash dividend or distribution), then, as part of such dividend or distribution, lawful provision shall be made so that there shall thereafter be deliverable upon the exercise of this Warrant or any portion thereof in addition to the number of Common Equity Interests receivable thereupon and without payment of any additional consideration, the amount of the dividend or other distribution to which the holder of the number of Common Equity Interests obtained upon exercise hereof would have been entitled to receive

had the exercise occurred as of the record date for such dividend or distribution.

(e) Liquidation; Dissolution. If the Company shall dissolve, liquidate or wind up its affairs, the Holder shall have the right, but not the obligation, to exercise this Warrant effective as of the date of such dissolution, liquidation or winding up. If any such dissolution, liquidation or winding up results in any cash distribution to the Holder in excess of the aggregate Exercise Price for the Common Equity Interests for which this Warrant is exercised, then the Holder may, at its option, exercise this Warrant without making payment of such aggregate Exercise Price and, in such case, the Company shall, upon distribution to the Holder, consider such aggregate Exercise Price to have been paid in full, and in making such settlement to the Holder, shall deduct an amount equal to such aggregate Exercise Price from the amount payable to the Holder.

(f) No adjustment in the Exercise Price shall be required unless such adjustment would require an increase or decrease of at least one percent in such price; *provided* that any adjustments which by reason of this paragraph 8(f) are not required to be made shall be carried forward and taken into account in any subsequent adjustment. All calculations under this paragraph 8 shall be made to the nearest one tenth of a cent or to the nearest ten thousandth of an interest, as the case may be.

(g) In the event that, at any time as a result of the provisions of this paragraph 8, the holder of this Warrant upon subsequent exercise shall become entitled to receive any capital interests in the Company other than Common Equity Interests, the number of such other interests so receivable upon exercise of this Warrant shall thereafter be subject to adjustment from time to time in a manner and on terms as nearly equivalent as practicable to the provisions contained herein.

(h) Upon each adjustment of the Exercise Price as a result of the calculations made in paragraphs 8(b) or 8(c) hereof the number of interests for which this Warrant is exercisable immediately prior to the making of such adjustment shall thereafter evidence the right to purchase, at the adjusted Exercise Price, that number of Common Equity Interests obtained by (i) multiplying the number of interests covered by this Warrant immediately prior to this adjustment of the number of interests by the Exercise Price in effect immediately prior to such adjustment of the Exercise Price and (ii) dividing the product so obtained by the Exercise Price in effect immediately after such adjustment of the Exercise Price.

9. *Notices.* Any notice, demand or delivery authorized by this Warrant Certificate shall be in writing and shall be given to the Holder or the Company, as the case may be, at its address (or facsimile number) set forth below, or such other address (or facsimile number) as shall have been furnished to the party giving or making such notice, demand or delivery:

10. *Rights of the Holder.* Prior to the exercise of any Warrant, the Holder shall not, by virtue hereof be entitled to any rights of an interestholder of the Company, including, without limitation, the right to vote, to receive dividends or other distributions, to exercise any preemptive right or to receive any notice of meetings of members or interestholders or any notice of any proceedings of the Company except as may be specifically provided for herein.

11. *GOVERNING LAW.* THIS WARRANT CERTIFICATE AND ALL RIGHTS ARISING HEREUNDER SHALL BE CONSTRUED AND

DETERMINED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF DELAWARE, AND THE PERFORMANCE THEREOF SHALL BE GOVERNED AND ENFORCED IN ACCORDANCE WITH SUCH LAWS.

12. *Amendments; Waivers.* Any provision of this Warrant Certificate may be amended or waived if, and only if such amendment or waiver is in writing and signed, in the case of an amendment, by the Holder and the Company, or in the case of a waiver, by the party against whom the waiver is to be effective. No failure or delay by either party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law.

13. *No Impairment.* Without in any way altering the terms of this Warrant, the Company shall not by any action, including, without limitation, amending its charter documents or through any reorganization, reclassification, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other similar voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be necessary or appropriate to protect the rights of the Holder against impairment. Without limiting the generality of the foregoing, the Company shall take all such action as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Common Equity Interests upon the exercise of this Warrant, free and clear of all Liens, and shall use its reasonable best efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof as may be necessary to enable the Company to perform its obligations under this Warrant. The effectiveness of this Section 13 shall terminate upon the exercise or cancellation of the Warrant.

14. *Representations of the Company.* The Company hereby represents and warrants as follows:

(a) As of the date hereof, the issued and outstanding equity interests of the Company consist of 49,713,285.6893 Common Units, 49,727.2032 Series A Preferred Units and 447,419.5533 Series B Preferred Units. Other than the Warrant, there are no outstanding interests convertible into or exchangeable or exercisable for any equity interest in the Company.

(b) The Company has the requisite power and requisite authority to execute, deliver and perform this Warrant. The execution,

delivery and performance of the Warrant by the Company has been duly authorized by all necessary limited liability company action on the part of the Company. The Warrant has been duly executed and delivered by the Company, and, assuming due and valid authorization, execution and delivery hereof by the Holder, constitutes a valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except to the extent that such enforceability may be subject to applicable bankruptcy, insolvency, reorganization, moratorium and similar laws affecting the enforcement of creditors rights generally and by general equitable principles. The execution, delivery and performance of the Warrant will not (a) contravene any provision of the organizational documents of the Company; (b) result in a breach of, or constitute a default (or an event which would reasonably be expected to, with the passage of time or the giving of notice, or both, constitute a default) under, or result in (whether after the giving of notice or lapse of time or both) the termination, modification, acceleration, or cancellation of, or result in the creating of any Lien of any nature whatsoever upon any assets of the Company, any indenture, mortgage, loan or credit agreement, license, instrument, lease, contract, plan, permit, or other agreement to which the Company is a party; or (c) violate any judgment, injunction, writ, award, decree, ruling or order of any competent Authority, domestic or foreign, or any Law applicable to the Company or its assets or business. 1.3. 2. LICENSE GRANT TO PURCHASER

2.1. LICENSED INTELLECTUAL PROPERTY

(a) As of the Closing Date and subject to the terms and conditions of this Agreement, Hynix hereby grants to Purchaser and its Subsidiaries a perpetual, worldwide, paid-up, royalty-free, non-exclusive, non-transferable (except as permitted under Section 7.13 of this Agreement) right and personal license under and to the Hynix Licensed Intellectual Property to (i) with respect to the Hynix Licensed Intellectual Property which are Patents related or directed to semiconductor products or their method of manufacture ("Product Patents"), design, develop, manufacture, have

For the avoidance of doubt and without limiting the foregoing sentence, the Parties agree that the license granted hereunder shall include the following softwares: ADMS, IP Web, Legal System and EGGS (Employee/Officer General Supporting System). In addition, for the avoidance of doubt, and notwithstanding the foregoing or any other provision to the contrary, Purchaser shall have the right to create any improvements, developments, enhancements, modifications, and/or derivative works to the Hynix Licensed Intellectual Property.

(b) Notwithstanding the foregoing or any other provision of this Agreement to the contrary, nothing in this Section 2.1 shall be interpreted to allow Purchaser or any Subsidiary of Purchaser to, directly or indirectly, take any action that would violate the covenant not to compete in Section 6.4 of the Business Transfer Agreement.

2.2. SOFTWARE

As of the Closing Date and subject to the terms and conditions of this Agreement, Hynix hereby agrees to transfer to Purchaser, with respect to each commercial and custom software application, (a) with respect to the software applications on Schedule 2.2, that number of software licenses (that is, individual installations or usage rights) as is listed on Schedule 2.2 and (b) with respect to all other software applications, a number of software licenses equal to the number used by the Business as of the Closing Date; provided, however, that the on-going costs and expenses related to such software applications accrued after the Closing Date will be borne solely by Purchaser.

2.3. HYNIX REGISTERED USER REQUIREMENTS

Hynix may, on behalf of both Parties and at its expense, take such action, in its sole discretion, that it deems necessary or desirable with respect to compliance with registered user or similar filing requirements of, or to otherwise cause the license granted by Hynix under this Agreement to be registered with, the appropriate authorities of the government of any jurisdiction. In addition, Hynix shall, on behalf of both Parties, take such other requested action with respect to compliance with registered user or similar filing requirements of, or to otherwise cause the license granted by Hynix under this Agreement to be registered with, the appropriate authorities of the government of any jurisdiction upon, the reasonable request of Purchaser and at Purchaser's expense.

2.4. HYNIX OBLIGATIONS REGARDING PROSECUTION AND MAINTENANCE OF PATENTS AND ABANDONMENT

Hynix shall have no obligation to Purchaser with respect to the prosecution or injunction of any infringement, violation, misappropriation and/or interference by third parties with respect to the Hynix Licensed Intellectual Property or any associated intellectual property rights. For Patents that are abandoned as permitted in Section 1.2, Hynix shall have no further obligation to Purchaser with respect to such Patents after the abandonment of such Patents.

3. LICENSE GRANT TO HYNIX

3.1. LICENSE GRANT

(a) As of the Closing Date and subject to the terms and conditions of this Agreement, Purchaser hereby grants to Hynix and its Subsidiaries a perpetual, worldwide, paid-up, royalty-free, non-exclusive, non-transferable (except as permitted under Section 7.13 of this Agreement) right and personal license under and to the Purchaser Licensed Intellectual Property to (i) with respect to the Purchaser Licensed Intellectual Property which are Product Patents, design, develop, manufacture, have manufactured, make, have made, use, lease, offer for sale, sell, export and import, package, modify or otherwise dispose of any semiconductor product(s), (ii) copy, have copied, use or have used any other manufacturing technology included in the Purchaser Licensed Intellectual Property to design, develop, manufacture, have manufactured, make or have made, package or modify any semiconductor product(s), and (iii) with respect to Purchaser Licensed Intellectual Property which are not Product Patents or other manufacturing technology; to copy and use such Purchaser Licensed Intellectual Property, and to create derivative works thereof and copy and use such derivative works, in the conduct of its business. For the avoidance of doubt, and notwithstanding the foregoing or any other provision to the contrary, Hynix shall have the right to create any improvements, developments, enhancements, modifications, and/or derivative works to the Purchaser Licensed Intellectual Property.

(b) Notwithstanding the foregoing, nothing in this Agreement shall be interpreted to allow Hynix and/or any Hynix Subsidiary(ies) to directly or indirectly, take any action that would violate the covenant not to compete in Section 6.4 of the Business Transfer Agreement.

(c) Purchaser agrees that its and its Subsidiaries' rights to the Purchaser '022 Patents' will be subject to all licenses Hynix has granted to third parties which were in effect as of June 12, 2004. In addition, in connection with claims against Hynix with respect to the infringement, violation or misappropriation of and/or interference with the intellectual property rights of a third party, Hynix shall have the right to sub-license to such third party its rights with respect to the Purchaser '022 Patents' under this Agreement.

3.2. PURCHASER REGISTERED USER REQUIREMENTS

Purchaser may, on behalf of both Parties and at its expense, take such action, in its sole discretion, that it deems necessary or desirable with respect to compliance with registered user or similar filing requirements of, or to otherwise cause the license granted by Purchaser under this Agreement to be registered with, the appropriate authorities of the government of any jurisdiction. In addition, Purchaser shall, on behalf of both Parties, take such other requested action with respect to compliance with registered user or similar filing requirements of, or to otherwise cause the license granted by Purchaser under this Agreement to be registered with, the appropriate authorities of the government of any jurisdiction, upon the reasonable request of Hynix and at Hynix's expense.

3.3. PURCHASER OBLIGATIONS REGARDING PROSECUTION AND MAINTENANCE OF PATENTS

Purchaser shall have no obligation to Seller with respect to the prosecution or injunction of any infringement, violation, misappropriation and/or interference by third parties with respect to the Purchaser Licensed Intellectual Property or any associated intellectual property rights. For Patents that are abandoned as permitted in Section 1.5, Purchaser shall have no further obligation to Hynix with respect to such Patents after the abandonment of such Patents.

4. RIGHT TO SUBLICENSE; NO IMPLIED LICENSES; INTELLECTUAL PROPERTY RIGHTS NOTICES

4.1. Notwithstanding any provision to the contrary, subject to Section 6.4 of the Business Transfer Agreement, each Party shall have the right to sublicense the license rights granted to it under this Agreement, for the sole purpose of having, in the case of Hynix, its Subsidiaries, or its agents and contractors, exercise its rights hereunder solely on its behalf to make, manufacture, design, develop or package any semiconductor products for Hynix; or in the case of Purchaser, Warrant Issuer's Subsidiaries, or its agents and contractors exercise its rights hereunder solely on its behalf to make, manufacture, design, develop or package any semiconductor products (other than Memory Products) for Purchaser or any

Memory Products for Hynix and/or any Subsidiary(ies) of Hynix. Notwithstanding the forgoing, neither Party shall sublicense the license rights granted to it under this Agreement to any direct or indirect Subsidiary of Warrant Issuer or Hynix, as the case may be, which at the time such Subsidiary became a direct or indirect Subsidiary of Warrant Issuer or Hynix, as the case may be, was actively operating a technology business (including a semiconductor business). In no event shall Hynix's Subsidiaries, or its agents and/or contractors, or the Warrant Issuer's Subsidiaries, or Purchaser's agents and/or contractors, make, manufacture, design, develop or package any products under this sublicense for, and/or sell any products made under this sublicense to, any party other than Hynix and/or any Subsidiary of Hynix or Purchaser and/or any Subsidiary(ies) of the Warrant Issuer, as the case may be.

4.2. NO IMPLIED LICENSE

Except for the licenses expressly granted in this Agreement, neither Party grants to the other Party by implication, estoppel or otherwise any license or other right to any of its Intellectual Property. In addition, neither Party grants any license, release or other right expressly, by implication, by estoppel or otherwise to any third party.

4.3. INTELLECTUAL PROPERTY RIGHTS NOTICES

Each Party agrees that, unless otherwise agreed by the Parties in writing, it will not obfuscate, remove or alter any of the trademarks, trade names, logos, patent, mask work or copyright notices, confidential or other proprietary legends or notices on or in the materials to which it is granted a license, and all such markings shall be included in all copies made by such Party of any portion of the materials to which it is granted a license hereunder.

5. CONFIDENTIALITY

Each Party shall protect the other's Confidential Information from unauthorized dissemination and use with the same degree of care that such Party uses to protect its own like information, but not less than reasonable care. Neither Party will use the other's Confidential Information except as permitted by the licenses hereunder or for purposes other than those necessary to directly further the purposes of this Agreement. Notwithstanding the foregoing or any other provision of this Agreement to the contrary, each Party shall only have the right to sublicense the Intellectual Property to which it is granted a license hereunder, subject to Section 4.1 and pursuant to the following: (i) with respect to a sublicense to a Subsidiary, to a Subsidiary which, prior to accessing any of the licensed Intellectual Property, is legally bound to the terms of an appropriate confidentiality agreement containing limitations no less restrictive than those set forth in Sections 2.1 and/or 3.1, as applicable, 4.3 and 5 of this Agreement and otherwise adequately protects the intellectual property rights of licensor in the Intellectual Property and who uses the Intellectual Property solely in accordance with the terms and conditions of this Agreement; and/or (ii) with respect to any third party agent and/or contractor, to a

third party agent and/or contractor with a need to know who is hired by the party to whom a license to the applicable Intellectual Property has been granted hereunder, who uses the applicable Intellectual Property solely for the benefit of the applicable licensee hereunder, and who, prior to accessing any of the licensed Intellectual Property, has signed an appropriate confidentiality agreement, which agreement contains provisions no less restrictive than those set forth in Sections 2.1 and/or 3.1, as applicable, 4.3 and 5 of this Agreement and otherwise adequately protects the intellectual property rights of licensor in the Intellectual Property and who uses the Intellectual Property solely in accordance with the terms and conditions of this Agreement. Except as permitted by the licenses hereunder or as required by law or order of any governmental authority (provided that such disclosure will be done under reasonable steps to protect confidentiality, such as a protective order), neither Party will disclose to any third parties the other's Confidential Information without the prior written consent of the other Party. Except as expressly provided in this Agreement, no ownership or license right is granted in any Confidential Information. The Parties' obligations of confidentiality under this Agreement shall not be construed to limit either Party's right to independently develop or acquire products without use of, or reference to, the other Party's Confidential Information. The confidentiality obligations of the Parties under this Agreement shall terminate with respect to any specific Confidential Information five (5) years from the date of receipt thereof.

Each Party agrees not to disclose the content or nature of this Agreement to any third party without the prior written consent of the other Party; provided, however, that this obligation shall not apply to a Party (i) to the extent such Party is required by law or order of any governmental authority (provided that such Party takes reasonable steps to protect the confidentiality of such information, such as a protective order) to disclose this Agreement, but only to the extent necessary to comply with such law or order; (ii) to the extent necessary for such Party to enforce or exercise its rights under this Agreement, (iii) to the extent reasonably necessary and on a confidential basis, to its accountants, attorneys, financial advisers and potential investors in or acquirers of such Party or (iv) with respect to such Party's disclosure and public filing of this Agreement (and its terms and conditions) in connection with a public offering of securities by such Party or its Affiliates.

This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns; provided, however, that no Party may assign its rights or delegate its obligations under this Agreement (including by operation of law and provided that a change in control with respect to Hynix or Purchaser shall be deemed an assignment for purposes of this Agreement) without the express prior written consent of each other Party, except that (i) Purchaser may assign its rights hereunder as collateral security to any entity providing financing of indebtedness for borrowed money to Purchaser and/or any of its Subsidiaries and any such financial institutions may assign such rights in connection with a sale of Purchaser, (ii) Hynix and Purchaser each may, upon written notice to the other party (but without the obligation to obtain the consent of such other party), assign this Agreement or any of its rights and obligations under this Agreement to any person, entity or organization that acquires all or substantially all of its assets and liabilities or all or substantially all of the assets and liabilities of the portion of the Party's business to which the subject of this Agreement relates or of a division of such Party as a result of a change in control (provided that upon any such assignment or change in control the applicable license granted hereunder shall not extend to the business or products of the assignee or acquiring entity as conducted as of the date of such assignment or acquisition), if such person or entity agrees in writing to assume and be bound by all of the relevant obligations of such party under this Agreement; and (iii) Purchaser may, upon written notice to Hynix (but without the obligation to obtain the consent of Hynix), assign this Agreement or any of its rights and obligations under this Agreement to one or more direct or indirect Subsidiaries of Warrant Issuer, provided that at the time such Subsidiary became a direct or indirect Subsidiary of Warrant Issuer it was not actively operating a technology business (including a semiconductor business).

7.16. WAIVER; EFFECT OF WAIVER

No provision of this Agreement may be waived except by a written instrument signed by the Party waiving compliance. No waiver by any Party of any of the requirements hereof or of any of such Party's rights hereunder shall release the other Parties from full performance of their remaining obligations stated herein. No failure to exercise or delay in exercising on the part of any Party hereto any

right, power or privilege of such Party shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege by such Party.

7.17. SPECIFIC PERFORMANCE; INJUNCTIVE RELIEF

The Parties each acknowledge that, in view of the uniqueness of the subject matter hereof, the Parties would not have an adequate remedy at law for money damages in the event that this Agreement were not performed in accordance with its terms, and therefore agree that the Parties shall have the right to a claim for injunctive relief and be entitled to specific enforcement of the terms hereof in addition to any other remedy to which the Parties may be entitled at law or in equity.

7.18. SURVIVAL

The license above shall also apply to the use of replacement Masks so long as (i) Purchaser demonstrates with documentary evidence that it is required to requalify the applicable Business Product, Die and/or Device with any customer who previously qualified such Business Product, Die and/or Device if such license did not apply to replacement Masks and (ii) Purchaser uses commercially reasonable efforts to avoid requalification of the applicable Business Product, Die and/or Device with any customer who previously qualified such Business Product, Die and/or Device if such license did not apply to replacement Masks; provided, further, that Purchaser agrees to discontinue the use of Hynix Trademarks on the Masks and to replace them with Purchaser's own trademarks and/or identification thereon with respect to any Business Product, Die and/or Device, at such time as the applicable Business Product, Die and/or Device has been requalified with all customers who previously qualified such Business Product, Die and/or Device.

2.2. BUSINESS PRODUCT CODES

As of the Closing Date and subject to the terms of this Agreement, Hynix hereby grants to Purchaser a perpetual, worldwide, paid-up, royalty-free, non-exclusive, non-transferable (except as permitted under Section 7.11 of this Agreement) right and personal license under and to the Business Product Codes to use such Business Product Codes (a) in relation to the manufacture, marketing and sale of the Masks, Business Products, Dies, Devices and/or Packages and/or (b) to create Masks, Packages and/or Packaging for the Business Products, Dies and/or Devices.

2.3. INVENTORY

Notwithstanding anything to the contrary in this Agreement, Purchaser shall take reasonable measures to assure and implement, through date coding or some other methods mutually agreed by the Parties, identification on the Business Products, Dies, Devices, Packages, Packaging and Printed Materials to avoid confusion by any third parties in determining whether such Business Products, Dies and/or Devices, as applicable, were made by Purchaser or Hynix when using Hynix Trademarks. As soon as commercially reasonable, but in any event within twelve months after the Closing Date, Purchaser shall cause the Purchaser's name as manufacturer or supplier to appear on the Printed Materials and the Packaging of all Business Products, Dies and/or Devices in a manner that clearly identifies Purchaser as such.

2.6. RIGHT TO SUBLICENSE

Notwithstanding any provision to the contrary, subject to Section 6.4 of the Business Transfer Agreement, Purchaser shall have the right to sublicense the license and other rights of use granted under this Agreement for the sole purpose of having Warrant Issuer's Subsidiaries, and/or Purchaser's agents and/or contractors, exercise its rights hereunder solely on its behalf to make, manufacture, design, develop or package any semiconductor products (other than Memory Products) for Purchaser or any Memory Products for Hynix and/or any Subsidiary(ies) of Hynix. In no event shall Warrant Issuer's Subsidiaries, or Purchaser's agents or contractors, make, manufacture, design, develop or package any products under this sublicense for, and/or sell any products made under this sublicense to, any party other than Purchaser and/or any Subsidiary(ies) of Warrant Issuer.

2.7. NO OTHER LICENSE

Except for the license for the use of, and other rights of use of, the Hynix Trademarks and Business Product Codes expressly granted in Sections 2.1, 2.2, 2.3, 2.4 and 2.6 above, no license right whatsoever is granted to Purchaser or any of its Subsidiaries directly or indirectly pursuant to this Agreement, including any license to use the trade name of Hynix.

2.8. REGISTERED USER REQUIREMENTS

Hynix may, on behalf of both Parties and at its expense, take such action, in its sole discretion, that it deems necessary or desirable with respect to compliance with registered user or similar filing requirements of, or to otherwise cause the license and other rights of use granted under this Agreement to be registered with, the appropriate authorities of the government of any jurisdiction. In addition, Hynix shall, on behalf of both Parties, take such other requested action with respect to compliance with registered user or similar filing requirements of, or to otherwise cause the license and other rights of use granted under this Agreement to be registered with, the appropriate authorities of the government of any jurisdiction upon the reasonable request of Purchaser and at Purchaser's expense.

2.9. MAINTENANCE OF MARKS

Hynix shall have no obligation to Purchaser with respect to the prosecution or injunction of any infringement, violation, and/or interference by third parties with respect to the Hynix Trademarks.

3. OWNERSHIP AND COMPLIANCE

3.1. Purchaser acknowledges Hynix's claim that the Hynix Trademarks and the Business Product Codes are the exclusive and sole property of Hynix, that Hynix will retain full ownership of the Hynix Trademarks and the Business Product Codes, and all rights appurtenant thereto except for the rights granted hereunder, and that all use of the Hynix Trademarks and the Business Product Codes by Purchaser shall inure to the sole benefit of Hynix.

3.2. Purchaser agrees not to adopt or use any other mark, logo or identification that is confusingly similar to the Hynix Trademarks.

3.3. Purchaser agrees that it shall use its reasonable efforts to avoid endangering the validity of Hynix Trademarks including complying with all laws and regulations of all countries where its products are sold. Should Purchaser become aware that the compliance with the laws or regulations of the country result in the potential dilution or loss of trade name or trademarks of Hynix in the Hynix Trademarks, Purchaser shall promptly notify Hynix of the same and Purchaser shall take such actions as may be reasonably requested by Hynix from time to time to preserve the validity of the Hynix Trademarks.

3.4. Purchaser agrees that it shall comply with commercially reasonable trademark usage guidelines of Hynix provided to Purchaser from time to time, provided that such guidelines are in writing and are applicable to all third-party users of Hynix's trademarks.

3.5. Purchaser shall use its commercially reasonable efforts to destroy, or alter to remove or obscure from view any Hynix Trademark on, any and all remaining Business Products, Dies and/or Devices, Inventory or Printed Materials, which make use of any Hynix Trademarks, promptly after the License Term and any other period during which Purchaser is entitled to use the Hynix Trademarks pursuant to the terms of this Agreement and shall provide a certificate confirming such destruction or alteration executed by a duly authorized representative of Purchaser.

3.6. Purchaser shall not, in using any of the Hynix Trademarks, Business Product Codes and Printed Materials hereunder, carry out any business activities in the name of Hynix or in any manner that by law would be deemed to mislead or deceive others to believe that such is the case.

3.7. Purchaser shall not apply for registration of the Hynix Trademarks in whole or in part or other trademarks that are confusingly similar thereto, or cause such application for registration to be made, in any country with respect to the Business Products, Dies and/or Devices, Packages, Printed Materials and/or Packaging.

4. QUALITY CONTROL

To protect the value of Hynix Trademarks, Hynix reserves the right to inspect the quality of the Business Products sold or disposed of by Purchaser under the Hynix Trademarks for the purpose, among others, of ensuring that the quality of such Business Products is substantially at least equivalent to the Business Products being manufactured by Hynix as of the Closing Date and for the purpose of maintaining in full force and effect Hynix's rights to and in Hynix Trademarks under the applicable trademark laws. From time to time during normal business hours (but in no event more than one time per year) and in such manner so as not to unreasonably disrupt Purchaser's business, Hynix may send representatives to the plants of Purchaser to inspect and advise Purchaser with respect to Purchaser's quality control of the Business Products.

5. DISCLAIMERS; INDEMNIFICATION

5.1. DISCLAIMER

EXCEPT AS EXPRESSLY PROVIDED IN THE BUSINESS TRANSFER AGREEMENT, HYNIX MAKES NO, AND EXPRESSLY DISCLAIMS ANY AND ALL, OTHER REPRESENTATIONS AND WARRANTIES, WHETHER EXPRESS OR IMPLIED OR STATUTORY, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO THE SUBJECT MATTER OF

THIS AGREEMENT. EXCEPT AS EXPRESSLY PROVIDED IN THE BUSINESS TRANSFER AGREEMENT, PURCHASER MAKES NO, AND EXPRESSLY DISCLAIMS ANY AND ALL, REPRESENTATIONS AND WARRANTIES, WHETHER EXPRESS OR IMPLIED OR STATUTORY, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO THE SUBJECT MATTER OF THIS AGREEMENT.

**Article 2. Premises**

2.1. In consideration of the Rent hereby agreed to be paid to Lessor by Lessee and the agreements and covenants herein made by Lessee, during the Lease Term, Lessor hereby leases to Lessee the Leased Premises, and grants the right to use the Common Areas of the Leased Buildings, and the right to use the Common Areas of the Lessor Complex upon the terms and conditions contained herein. The second floor of the Maxon Building ("Maxon Building Second Floor Premises"), or portions of it, may be leased on a temporary basis at Lessee's option on or after January 1, 2005, and the rent therefor shall be based on actual cost, calculated in accordance with Rent Calculation for Monthly Unit Rent, and shall be pro rated based on the number of days/hours such second floor is used by Lessee (the "Maxon Building Second Floor Rent") provided, however, that the second floor of the Maxon Building, or portions of it, and the land thereunder, so leased shall not be part of the Leased Premises.

2.2. As consideration for the Rent hereby agreed to be paid to Lessor by Lessee, as an essential inducement to Lessee to enter into this Agreement, as one of the necessary rights for the use and benefit of this Agreement by Lessee, and as consideration for the agreements and covenants herein made by Lessee, Lessor hereby grants to Lessee with a right (i) to access and ingress to, and egress from, the Lessor Complex for the purpose of using the Leased Premises in accordance with this Agreement, (ii) to use the Common

Lessor represents that all of such portions of the Lessor Complex are available for use by Lessee for the purpose of using the Leased Premises or operating the Business. Lessor acknowledges that any reduction in the rights granted to Lessee under this Section 2.2 would cause immediate and irreparable harm to Lessee and will entitle Lessee in addition to any other remedies Lessee may have hereunder or otherwise under Applicable Laws, (a) to stop any such reduction by injunction, whether such reduction arises from the acts of Lessor, or any other party claiming an interest in the Lessor Complex against Lessor and (b) to reduce the rights granted by Lessee to Lessor under Section 2.2 of the Lessee Complex Lease Agreement. The rights granted hereunder shall be integral to the grants of the rights under Section 2.1 and elsewhere in this Agreement, shall benefit Lessee and run with Lessee's interest under this Agreement, and shall automatically pass to any successor and permitted assign of Lessee.

a term of the Lease Term. To the extent permitted by Applicable Law, the Lease Right shall be effective as to the Land, as long as the Leased Buildings remain on the Land and Lessee uses the Leased Buildings for the purpose of operating the Business in accordance with the terms and conditions of this Agreement. The Parties each upon the request of the other agree to submit a joint application to re-register the Lease Right to include any Extension Term. 2.4. Lessee acknowledges and agrees that Lessee has the right to occupy and use the Leased Premises only for the purposes provided, and upon the terms and conditions set forth, in this Agreement.

2.5. With respect to the Generator Buildings, each of Lessor and Lessee shall cooperate with the other Party and take or cause to be taken such action as may be reasonably requested by the other Party in order to, among other requirements, institute a security program to restrict access to the Generator Buildings solely to approved personnel. Notwithstanding

anything to the contrary set forth herein, (i) with respect to Gas Plant C-1 Generator Building, Lessor shall retain 200.4 square meters to be used as Joint Use Area, and Lessee shall lease as Leased Premises 183.6 square meters to be used as Joint Use Area, and (ii) with respect to the Generator C-2 Building, Lessor shall retain 120 square meters to be used as Joint Use Area, and Lessee shall lease as Leased Premises 240 square meters to be used as Joint Use Area.

2.6. In addition to the Leased Premises leased herein, Lessor and Lessee acknowledge and agree that there may be additional space which has not been identified but which historically has been primarily used by the System IC Division of Lessor and which shall continue to be required or desired by Lessee. If, within one year of the Closing Date, any such additional space is identified and requested by Lessee, Lessor shall provide such additional space to Lessee in a manner consistent with the other Leased Premises, at a price no greater than actual cost, and, to the extent applicable, calculated consistently with the formula set forth on Exhibit C.

2.7. With respect to the CMS Room in the Assembly Building, each of Lessor and Lessee shall cooperate with the other Party and take or cause to be taken such action as may be reasonably requested by the other Party in order to, among other requirements, institute a security program to restrict access to the CMS Room solely to approved personnel. Notwithstanding anything to the contrary set forth herein, with respect to the CMS Room, Lessor shall retain 81 square meters to be used as Joint Use Area, and Lessee shall lease as Leased Premises 81 square meters to be used as Joint Use Area.

2.8. With respect to the Work Area in the Gas Warehouse Building, each of Lessor and Lessee shall cooperate with the other Party and take or cause to be taken such action as

may be reasonably requested by the other Party in order to, among other requirements, institute a shared space program for the Work Area in the Gas Warehouse Building. Notwithstanding anything to the contrary set forth herein, with respect to the Work Area in the Gas Warehouse Building, Lessor shall retain 162.5 square meters to be used as Joint Use Area, and Lessee shall lease as Leased Premises 162.5 square meters to be used as Joint Use Area.

2.9. Each Party shall cooperate with the other Party and take or cause to be taken such actions as may be reasonably requested by the other Party in order to comply with the other Party's reasonable security rules and regulations.

**Article 3. Term**

3.1. The initial term of this Agreement (the "Initial Lease Term") shall be for twenty (20) years from the Closing Date, which Initial Lease Term shall, subject to the termination provisions of Article 13, be automatically extended for successive ten (10) year periods (each, an "Extension Term"; the Lease Term and all Extension Terms are collectively referred herein as the "Lease Term"), under the terms and conditions hereof, (i) unless otherwise agreed between the Parties and (ii) as long as the Leased Buildings remain on the Land and Lessee uses the Leased Premises for the purpose of operating the Business. In any event, Lessor and Lessee will undertake such action to extend the Lease Term in the event the automatic extension is not enforceable.

3.2. Notwithstanding the foregoing:

(a) with respect to the Maxon Building Second Floor Premises, Lessee shall lease such space for successive one (1) year terms which may be terminated by Lessor upon three (3) months' advance notice by Lessor; provided (i) Lessee shall only pay

Rent to the extent that it actually uses such space during any such one (1) year term, and (ii) to the extent such space is not available for any reason, Lessee shall have the right to lease any substitute space possessed by Lessor to the extent available or any substitute space used by Lessor on a pro-rated basis, and Lessee's right to lease shall be under the same terms as set forth in subsection (a)(i); and,

(b) with respect to the Idle Equipment Warehouse in the Maxon Building, the term of this Agreement with respect thereto shall be for successive one (1) year terms, which may be terminated by Lessor upon three (3) months' advance notice; provided that in the event of any such termination, Lessee may, as landlord under the Lessee Complex Lease Agreement, exclude from the tenant's leased premises the second basement of the R Building ("Basement 2 of R Building"). In such event, the Basement 2 of R Building shall revert to the Lessee, as landlord, and any rent adjustment for such reduction in Leased Premises shall be completed by the parties within a commercially reasonable period of time.

**Article 4. Rent; Taxes**

4.1. Except as otherwise provided in Section 2.1 herein with respect to the Maxon Building, the monthly rent for all of the Leased Premises, exclusive of VAT (the "Other Rent"), for the first four (4) years of the Initial Lease Term, shall be the sum for all of the Leased Premises of the calculation for each Leased Building of the applicable Monthly Unit Rent as of December 31, 2003 derived in accordance with Exhibit C multiplied by the number of square meters in the Leased Premises of the applicable Leased Building. Commencing on the fourth (4th) anniversary of the Closing Date, or on the first day of the immediately succeeding calendar month if the Closing Date is not the first day of the calendar month, and every

anniversary of such date (each, a "Calculation Date"), the Other Rent for each Leased Premises in each Leased Building will be recalculated annually based on the Rent Calculation for Monthly Unit Rent attached as Exhibit C, multiplied by the number of square meters in the Leased Premises of the applicable Leased Building.

4.2. Provided the square meters of the Leased Premises for the particular Leased Building are more than fifty percent (50%) of all of the square meters of the Leased Building, Lessee shall have the right to require Lessor to contest the amount or validity of any Taxes or other claim (collectively, "Claims") relating to such Leased Building, if Lessee in good faith, reasonably believes they are incorrect, in which case Lessee may pay under protest while the Claim is contested, or delay payment thereof or compliance therewith to the extent they are being so contested, provided that (i) Lessee shall pay or perform the contest of such Claim, and the amount due for such Claims as finally determined; (ii) such contest shall not otherwise cause Lessor to be in default under any contracts or legally enforceable requirements of third parties including any Governmental Entity which are binding upon Lessor; or cause any material part of the Leased Buildings or any Rent therefrom to be in any immediate danger of sale, forfeiture, attachment or loss; and (iii) Lessee shall indemnify, protect, defend and hold harmless Lessor from and against any Damage, incurred by Lessor in connection therewith or as a result thereof.

**Article 5. Maintenance; Lessor Maintenance Fee**

5.1. Lessor shall be obligated to perform all maintenance and repairs, and to the extent not provided for in the General Service Supply Agreement, to supply all customary services with respect to the Leased Premises and Common Areas as more fully described on Exhibit D ("Lessor Maintenance Services").

5.2. The amount of monthly maintenance fee for the Lessor Maintenance Services, exclusive of VAT, (the "Lessor Maintenance Fee") shall be initially calculated for each of the first four (4) Lease Years as follows: two percent (2%) of each Leased Building's Book Value as of December 31, 2003; divided by the number of square meters in the applicable Leased Building; divided by twelve (12). Then such monthly per square meter Lessor Maintenance Fee shall be multiplied by the number of square meters in the Leased Premises of the applicable Leased Building.

5.3. Thereafter, the Lessor Maintenance Fee shall be recalculated annually to increase or decrease by the same percentage as the change in the consumer price index published by the Korean National Statistical Office of the Ministry of Finance and Economy (each, an "Index"), or any of its equivalent if an Index is not available, between the Index published most recently prior to the Calculation Date compared to the Index published most recently prior to one year before such Calculation Date.

5.4. Lessor shall perform all Lessor Maintenance Service necessary to maintain the Leased Buildings in as good condition as exists as of the Closing Date, reasonable wear and tear excepted.

5.5. The Lessor Maintenance Fee shall be charged from the Closing Date.

5.6. Notwithstanding anything herein to the contrary, the Parties acknowledge and agree that it is their mutual intent that the Lessor Maintenance Fee for the Lessor Maintenance Services provided hereunder shall be no greater than the actual cost reasonably incurred to provide such Lessor Maintenance Services. The Parties agree to cooperate in good faith in furtherance of the foregoing, including by adjusting the Lessor Maintenance Fee from time to time if necessary in order to effectuate this intent. Lessor shall use its commercially reasonable efforts to minimize the costs incurred to provide the Lessor Maintenance Services.

**Article 6. Payment of Rent and Lessor Maintenance Fee**

6.1. Lessor shall provide an invoice (the "Invoice") to Lessee by the 10th day of each calendar month which shall include the amounts of Rent (including Taxes), Lessor Maintenance Fee, Other Costs (as defined in Section 6.3) and the corresponding VAT amount payable by Lessee for such month. Lessee shall pay in aggregate the Rent, Lessor Maintenance Fee, Other Costs and the corresponding VAT amount stated on each Invoice to the Lessor's designated account, or as otherwise designated by Lessor, by means of a wire transfer in immediately available funds by the 25th day of each calendar month (the "Due Date"). Lessee shall review each Invoice for Taxes by the 20th day of each month, and, notwithstanding anything herein to the contrary, if not in agreement with the amount, then Lessee may require the Lessor to contest such Taxes as provided in Section 4.3 of this Agreement.

6.2. For the Initial Lease Term or any Extension Term which is less than a full calendar month, the amount of Rent, Lessor Maintenance Fee and the corresponding VAT amount payable by Lessee shall be equal to a pro rata portion of the Rent, Lessor Maintenance Fee and the corresponding VAT amount, based on a ratio of the number of days during such month that the Initial Lease Term, or applicable Extension Term, as the case may be, is in effect to the total number of days in such month.

6.3. If (a) the Rent and/or Lessor Maintenance Fee are not paid on or before the Due Date or (b) any other amounts payable herein including payments due by either Party with respect

to Damages (collectively, the "Other Costs") are not paid when due, after the passage of any applicable grace and/or cure period, Lessee or Lessor, as applicable, shall be liable for and pay interest on the outstanding amounts of the Rent, Lessor Maintenance Fee and/or Other Costs at a rate of eight percent (8%) per annum calculated from and including the sixth day after the Due Date until the date the Rent, the Lessor Maintenance Fee and/or Other Costs are received by the Party to whom they are due.

6.4. Lessee shall be responsible for payment of any VAT levied on the Rent, Lessor Maintenance Fee and/or Other Costs due from it to Lessor under this Agreement.

6.5. Lessor shall, at the request of Lessee, provide the Lessee with relevant data and records for the calculation of the Rent, Lessor Maintenance Fee, Other Costs and VAT and determination of Lessor's compliance with its obligations under this Agreement; provided that Lessee may make no more than one such request per calendar quarter and any such request must be reasonably specific. Lessor shall prepare and maintain proper books and records of all matters pertaining to the calculation of Rent, Lessor Maintenance Fee, Other Costs and VAT under this Agreement. Subject to Article 26 and the first sentence of this Section 6.5, upon seven (7) days prior written notice, Lessee, or its authorized representatives, may examine during normal business hours, the books, records and documents of Lessor to the extent reasonably necessary for verification of any invoice or compliance under this Agreement; provided, however, that if a Lessor is to provide such books and records to Lessee for such Lessee's examination and photocopying purposes, Lessor may blackout any information contained in such books and records that relates to Lessor other than information regarding the calculation of the Rent, Lessor Maintenance Fee, Other Costs and VAT and that is required for the determination of Lessor's compliance with its obligations under this Agreement.

6.6. Notwithstanding anything herein to the contrary, in the event of a bankruptcy filing with respect to Lessee, Lessee shall deposit with Lessor an amount equal to the Rent paid by Lessee during the immediately preceding full calendar month under the terms of this Agreement, against which will be credited Rent payable by Lessee over the thirty day period following such deposit. Lessee shall renew such deposit each thirty days in each case by reference to the Rent paid by Lessee during the full calendar month immediately preceding any such renewal until such bankruptcy protection filing has been accepted by the bankruptcy court. For the avoidance of doubt, Lessee shall not be relieved of responsibility for, and shall pay when due, any Rent hereunder during any such thirty day period to the extent in excess of the then actual deposit.

**Article 7. Representations, Warranties and Covenants**

7.1. Lessor hereby represents and warrants to Lessee that all of the statements contained in this Section 7.1 are true and correct in all material respects as of the Closing Date.

remobilization to the Substitute Premises to the extent not covered by Lessee's insurance. Lessee shall pay Rent attributable to the square meters provided in any Substitute Premises based on the formula in Exhibit C or Lessee shall pay rent required by the applicable landlord for the Alternate Space to the extent such Alternate Space is provided by third parties.

7.3. Lessee hereby represents and warrants to Lessor that all of the statements contained in this Section 7.3 are true and correct in all material respects as of the Closing Date.

Notwithstanding the foregoing, and except for those restricted areas of the Leased Premises set forth on Exhibit A-1 - A-13 as to which Lessor shall have access only if accompanied by a representative of Lessee (the "Restricted Areas"), Lessor or its employees shall be permitted to have access to the Leased Premises during normal business hours with prior written notice of at least

two (2) Business Days (a) specifying the purpose of the inspection of the condition of the Leased Premises, (b) indemnifying Lessee for any Damage that arises as a result of such inspection, and (c) agreeing not to interfere with the ordinary operation of Lessee's Business; provided, however, such prior notice is not required in case of emergency, risk of injury or property damage. Some of the Other Occupants of the Leased Buildings have provided conveniences, amenities, or support for Lessor and the Business. Notwithstanding such past practices, or any other circumstance, Lessor has the right to elect to permit or prohibit the continued occupancy by such Other Occupants of the Leased Buildings as Lessor may decide in its sole discretion, and without any obligation or liability to Lessee for the consequences of such

7.8. In the event of a default by Lessee under this Agreement, Lessee covenants and agrees to reimburse Lessor, in full and promptly upon demand, if Lessor sustains any material Damages or is reasonably required to expend any money as a result of a default by Lessee hereunder; provided, however, Lessee shall not reimburse Lessor for any Damages resulting from reasonable wear and tear to the Leased Buildings or fully insured Property Damage.

8.2. With respect to the Unregistered Buildings, on or after each such Unregistered Building has been registered in accordance with Applicable Laws in the building ledger, Lessee shall be entitled to register the Lease Right granted under this Agreement with respect to each Unregistered Building with the pertinent real property registry offices, such Lease Right registration having a priority over any Lien established on the Unregistered Buildings other than Liens established thereon by Lessor's mortgagees. Lessor shall register all of the Unregistered Buildings in accordance with Applicable Laws in the building ledger with one (1) month from the date hereof. Lessor shall indemnify the Lessee Indemnified Parties, and hold the Lessee Indemnified Parties harmless from and against any and all Damages arising out of, resulting from or relating to Lessee not registering on the Closing Date the Lease Right granted under this Agreement with respect to each Unregistered Building with the pertinent real property registry offices.

9.2. Lessee shall maintain and repair all nonstructural elements, furniture, fixtures, and equipment in the Leased Premises.

9.3. Lessee, in its sole discretion, but with prior written notice to Lessor, shall have the right, from time to time to make, or cause to be made, at its sole cost and expense, improvements, additions, alterations and changes (collectively, the "Alterations") to the Leased Premises that it deems necessary or desirable to carry on any activity or use consistent with this Agreement; provided (a) any such Alterations shall be in compliance with Applicable Laws, (b) no such Alterations materially adversely affect the value of the applicable Leased Buildings or Lessor's contemporaneous occupancy, if any, of the Leased Buildings, and (c) at Lessor's request, Lessee is required to restore the affected Leased Building to the condition that existed prior to the Alterations by the end of the Lease Term, reasonable wear and tear and insured Property Damage excepted. Notwithstanding the foregoing requirement that only such notice be provided to the Lessor, Lessee shall submit a written plan for any material Alteration and shall obtain Lessor's express consent prior to making any such material Alteration, which consent shall not be unreasonably withheld or delayed.

**Article 10. Restricted Matters for Lessee**

10.1. Lessee shall comply with the Rules and Regulations attached hereto as Exhibit E.

11.1. Lessor shall provide Lessee with advance notice of any repair, alteration or remodeling of the Leased Buildings by Lessor in accordance with this Agreement ("Lessor Work") as soon as reasonably practicable but in any event Lessor shall provide Lessee with no less than fifteen (15) days advance notice of any such Lessor Work, except to the extent an emergency requires earlier performance of such Lessor Work, and then with such advance notice as is commercially reasonable. If as a result of the Lessor Work, the Lessee's Business at the Leased Premises at any time cannot be conducted in all material respects equivalent to the conduct of such Business prior to such Lessor Work, then in any such event, (a) Rent for the applicable Leased Premises shall be abated based on the square meters of the Leased Premises which cannot be leased and occupied, (b) to the extent that Substitute Premises are in the possession of Lessor, Lessor shall immediately provide Substitute Premises, or to the extent that Substitute Premises are not in the possession of Lessor, Lessor shall use commercially reasonable efforts to locate Alternate Space, and (c) Lessor shall pay for all of Lessee's expenses in demobilization from and

remobilization to the Substitute Premises. Lessee shall pay Rent attributable to the square meters provided in any Substitute Premises based on the formula in Exhibit C or shall pay rent charged by the landlord for the Alternate Space to the extent such Alternate Space is provided by third parties. Lessor shall not be responsible for the interruption or shortage of any services or suspension of the use of any common facilities that were caused by the Lessor Work. Upon the earlier to occur of the completion of the Lessor Work or the end of the interference with the Business of Lessee, (i) Lessee is obligated to resume occupancy of the Leased Premises, and (ii) Lessee shall resume the payments of the next regularly scheduled Rent, Lessor Maintenance Fee, Other Costs and related VAT in accordance with the terms of this Agreement, pro rated, as applicable, for the number of days of any partial month of Rent.

11.2. If any Lessor Work would likely materially affect the Business or materially reduce the size of the Leased Premises, Lessor shall obtain Lessee's consent prior to the commencement of any such Lessor Work such consent not to be unreasonably withheld.

**Article 12. Indemnification**

12.1. Lessor shall indemnify Lessee and its Indemnified Persons (the "Lessee Indemnified Parties"), and hold the Lessee Indemnified Parties harmless from and against, any and all Damages arising out of, resulting from or relating to claims by third parties arising from the negligence of Lessor, except to the extent such Damage is caused by the negligence or willful misconduct of any such Lessee Indemnified Party.

12.2. Lessee shall indemnify Lessor and its Indemnified Persons (the "Lessor Indemnified Parties") and hold the Lessor Indemnified Parties harmless from and against, any and all Damages arising out of, resulting from or relating to claims by third parties arising from the negligence of Lessee, except to the extent such Damage is caused by the negligence or willful misconduct of any such Lessor Indemnified Party.

12.3. Lessee agrees to indemnify and hold harmless Lessor for, from and against all Damages asserted against, resulting to, imposed on, or incurred by Lessor arising directly or indirectly from Lessee's operations at the Warehouses leased by Lessee, including Damages resulting from violations of Applicable Laws, from environmental conditions, and from environmental releases, except to the extent caused by Lessor.

(c) by Lessor's serving sixty (60) days prior written notice thereof to Lessee if Lessee ceases to conduct any Business (provided that an assignment pursuant to Article 14 shall not trigger the application of this provision in so far as such assignee does not cease to conduct the Business).

13.2. Upon termination of this Agreement, each Party shall discontinue the use of all Confidential Information provided by the other Party in connection with this Agreement, and shall promptly return to the other Party any and all Confidential Information, including documents originally conveyed to it by the other Party and any copies thereof made thereafter.

13.4. The respective rights and obligations of the Parties under any Sections which by their nature are intended to extend beyond termination, shall survive the termination or expiry of this Agreement.

13.5. In the event of the termination of this Agreement pursuant to Section 13.1 hereof, a written notice thereof shall forthwith be given to the other Party specifying the provision hereof pursuant to which such termination is made, and Lessee or Lessor (as the case may be) shall only be liable thereafter for (i) Damages suffered as a result of fraud or willful breach of this Agreement that occurred prior to the termination of this Agreement, or (ii) the obligations and liabilities of the Parties pursuant to this Agreement that accrued prior to the termination of this Agreement.

**Article 16. Surrender**

16.1. Upon the expiration or termination of this Agreement, Lessor and Lessee shall consult in good faith to determine a reasonable grace period (which shall not be more than 6 months) (the "Grace Period") for Lessee to peaceably and quietly vacate and surrender the Leased Premises to Lessor. For the avoidance of doubt, Lessee shall be obligated to pay the Rent and Lessor Maintenance Fee for the period until the date of surrender of the Leased Premises to Lessor.

16.2. During the Grace Period, Lessee shall, among other things, restore the Leased Premises to their condition equivalent to that of the Closing Date, reasonable wear and tear and fully insured Property Damage excepted, and as otherwise reasonably acceptable to Lessor by removing at its own expense any Alterations made by Lessee in accordance with the terms and conditions of this Agreement. In the event Lessee fails to vacate, surrender and restore the Leased Premises by the end of the Grace Period, Lessor may move, remove or dispose of any Alterations or other property or belongings remaining in the Leased Premises, and all reasonable expenses incurred therefrom shall be borne by Lessee.

**Article 19. Insurance**

19.1. Lessor shall obtain from, keep in force during the Lease Term with, and pay all premiums due to, an insurer(s) holding a A.M. Best Rating of B+ or higher, and reasonably acceptable to Lessee, "all risk" property insurance on the Leased Buildings, with an insurer(s) holding a A.M. This insurance shall include, but not be limited to, fire and extended coverage perils, and shall include a waiver of claims and waiver of subrogation against the Lessee. Said insurance shall provide for payment of Damages thereunder to Lessor or to the holders of the mortgages or deeds of trust on the Leased Buildings.

Notwithstanding the foregoing, Lessee has the right to install signs, decorations, advertising media, blinds, draperies and other window treatment or bars or other security installations (i) inside the Leased Premises and not visible from outside the Leased Buildings identifying the presence of Lessee at its sole discretion, or (ii) inside the Leased Premises and visible from outside the Leased Buildings, located in the Common Areas of the Leased Buildings, or located outside the Leased Buildings identifying the presence of Lessee in form and fashion consistent with Lessor's current signage or otherwise subject to Lessor's reasonable approval. Upon surrender or vacation of the Leased Premises, Lessee shall have removed all signs it has installed and repair, paint, and/or replace the building facia surface to

which its signs are attached. Lessee shall obtain all applicable Governmental Authorizations for sign and exterior treatments at its sole cost and expense. Signage rights in the Common Areas of the Leased Buildings shall be shared equally between Lessor and Lessee. If the size of the signage is limited in the Common Areas of the Leased Buildings or outside of the Leased Buildings, Lessee shall be entitled to a share of signage equal to not less than its proportionate share of all signage which is permitted at the Leased Buildings based on the square meters of the Leased Premises compared to the square meters available for occupancy in the Leased Buildings.

**Article 21. Property Damage and Condemnation**

21.1. In the event that any of the Leased Buildings shall be damaged or destroyed by fire or other event (each, a "Property Damage") the Lessor shall promptly commence repair of the applicable Leased Building and diligently restore the same to substantially the same condition as existed immediately prior to the event of such Property Damage. During the period from the date of such Property Damage until the applicable Leased Building is repaired and restored, (a) Lessee's obligation to pay the Rent, Lessor Maintenance Fee, any Other Costs and related VAT due hereunder shall abate based on the square meters of the Leased Premises which are untenantable as a result of such damage, based on the formula in Exhibit C, (b) if Lessor caused the Property Damage, Lessor shall contemporaneously provide Lessee with premises that are vacant, in substitution for and equivalent to the affected Leased Building for which Lessee shall pay Rent attributable to the square meters provided based on the formula in Exhibit C ("Substitute Premises") and (c) if Lessor did not cause the Property Damage, (i) to the extent that Substitute Premises are in the possession of Lessor, Lessor shall provide the Substitute Premises for which Lessee shall pay Rent attributable to the square meters provided based on the formula in

Exhibit D, or (ii) to the extent that Substitute Premises are not in the possession of Lessor, Lessor shall use commercially reasonable efforts to locate Alternate Space for which Lessee shall pay rent to the extent such Alternate Space is provided by third parties. Upon the earlier to occur of the completion of such repair or the end of the interference with the Business of Lessee, (i) Lessee is obligated to resume the occupancy of the Leased Premises, and (ii) Lessee shall resume the payments of Rent, Lessor Maintenance Fee, Other Costs and related VAT in accordance with the terms of the Agreement, pro rated, as applicable, for the number of days of any partial month of Rent.

21.2. If (a) the whole of any Leased Building shall be taken or condemned for a public or quasi-public use or purpose by a competent authority, or (b) such portion of any Leased Building or Leased Premises shall be so taken that as a result thereof the balance cannot continue to be used by Lessee for the reasonable conduct of the Business, then in either of such events (x) Lessor shall immediately provide Substitute Premises, and (y) any award, compensation, or damages (hereinafter sometimes called the "award"), shall be paid to and be the sole property of Lessor, but nothing therein shall preclude Lessee from proving (to the extent allowable by law) its damages with respect to moving expenses and Damages of personal property, and receiving an award therefor. In such event, Lessee shall continue to pay Rent until this Agreement is terminated and shall continue to pay rent under the lease for the Substitute Premises.

21.3. If only a part of any Leased Premises shall be so taken or condemned, and, as a result thereof, the balance of the Leased Premises can be used by Lessee, in its reasonable opinion, for the reasonable conduct of the Business, Lessor shall perform such construction to the balance of the applicable Leased Premises to make it usable for

Lessee. Rent shall be equitably abated based on the square meters that are untenantable as a result of such taking, based on the formula in Exhibit C. Any portion of the award which has not been expended by Lessor for such repair or restoration shall be retained by Lessor as Lessor's sole property.

21.4. Intentionally Deleted.

**Article 22. Lessor Waiver**

Lessor agrees to execute, upon the request of Lessee, an agreement in favor of any lender to Lessee, agreeing to allow such lender to temporarily occupy the Leased Premises if Lessee defaults under the lender's loan, for the limited purpose of recovering any collateral of such lender located at the Leased Premises, provided such agreement provides for the payment of the Rent, Lessor Maintenance Fee, Other Costs and VAT by the Lessee's lender during the period of such occupancy.

**Article 23. Right of First Refusal**

23.1. Following Lessee's occupancy of the Warehouses and subject to the rights of Lessor as the current occupant of the remainder of the Warehouses ("Expansion Space"), Lessee shall have a Right of First Refusal on the Expansion Space as set forth below:

(a) Right of First Refusal. If Lessor shall receive an offer to lease the Expansion Space, which offer Lessor shall desire to accept, Lessor shall transmit a memorandum of the said offer to Lessee. The memorandum shall set forth in detail the terms of the offer, including a description of the space, the rent (including any abatement and escalations), condition of the space (i.e., as is, building standard construction, tenant improvement allowances), and any other

material terms of the offer. Within thirty (30) days of receiving Lessor's memorandum, Lessee shall, by written notice to Lessor exercise the right (each, a "Right of First Refusal"), to accept the Expansion Space upon either (i) the terms and conditions stated in the offer or (ii) the terms and conditions set forth in Section 23.1(c) and 23.1(d). Lessee's failure to make the election shall be deemed a rejection of the Expansion Space. Upon Lessee's acceptance of the Expansion Space, the parties shall execute an amendment incorporating the Expansion Space into the Lease subject to all of the terms, covenants, and conditions herein, except as modified by the terms of the offer (if Lessee has elected option (i) above). Notwithstanding anything to the contrary in the offer, the terms of the Lease for the Expansion Space shall be as provided in Section 23.1(c) immediately below. Notwithstanding that Lessee should fail or refuse to exercise its Right of First Refusal in the manner herein provided, if the Expansion Space, or any part thereof, is not leased to the prospective tenant contemplated by Lessor's memorandum within the time-period set forth in the terms of the third party's offer and on terms no more favorable to such tenant than originally set forth in such third party offer to Lessee, the Expansion Space shall thereafter continue to be subject to the terms and conditions imposed by this Section 23.1(a) upon third party offers to lease and the first refusal procedure established by this Section 23.1(a) shall be reinstated.

(b) Should Lessee elect to exercise its Right of First Refusal, the terms and conditions of this Lease shall apply to the Expansion Space, or if Lessee has accepted the Expansion Space in accordance with 23.1 (a)(i) then as modified by the terms of the offer. Rent for the Expansion Space shall be at the then current square meter rental rate except as modified by the terms of the offer if Lessee has accepted in Section 23.1(a) option (i) above.

(c) Should Lessee exercise its Right of First Refusal, Lessor shall deliver such Expansion Space to Lessee, in Turnover Condition (defined below) whereupon said Expansion Space shall be added to and become a part of the Leased Buildings and shall be governed in all respects by the terms of this Lease except that the terms of the offer upon which Lessee exercised such right shall govern to the extent not covered by the terms of this Lease and (iii) notwithstanding anything herein to the contrary, the Lease Term applicable to such space shall end at the same time, and under the same conditions, as applicable to the Lease Term under this Agreement. As used herein, "Turnover Condition" shall mean broom clean, free of occupants and repair equivalent to the condition of the remainder of the Leased Premises.

23.2. This Section shall be deemed advanced consent by Lessor to such Expansion Space becoming part of the Leased Premises, and the portion of the building in which the Expansion Space is located shall thereafter be deemed a Leased Building for purposes of this Agreement. By such Expansion Space becoming part of the Leased Premises, Lessee, as the occupant of such Expansion Space, shall have the right to access and ingress to, and egress from, the Lessor Complex for the purpose of using the Leased Buildings in accordance with this Agreement, and to pass and repass to and from the Leased Buildings or any part thereof over and along the Common Areas of the Lessor Complex.

**Article 24. Force Majeure**

24.1. Neither Party shall be liable to the other Party for failure of or delay in the performance of any obligations under this Agreement due to causes reasonably beyond its control including (i) war, insurrections, riots, explosions, inability to obtain raw materials due to then current market situation; (ii) natural disasters and acts of God, such as violent storms, earthquakes, floods, and destruction by lightning; (iii) the intervention of any Governmental Entity or changes in relevant laws or regulations which restrict or prohibit either Party's performance of its obligations under this Agreement or implementation of this Agreement; or (iv) strikes, lock-outs and work-stoppages, which are beyond the reasonable control of the Party claiming the benefit (each, an "Event of Force Majeure"). Upon the occurrence of an Event of Force Majeure, the affected Party shall notify the other Party as soon as possible of such occurrence, describing the nature of the Event of Force Majeure and the expected duration thereof. Notwithstanding the foregoing, Lessee shall be under continuing obligation to make the payments required hereunder for any Rent, Lessor Maintenance Fee, Other Costs and the corresponding VAT payable by Lessee, which was payable by Lessee prior to the occurrence of an Event of Force Majeure.

24.2. If a Party is unable, by reason of an Event of Force Majeure, to perform any of its obligations under this Agreement, then such obligation shall be suspended to the extent and for the period that the affected Party is unable to perform. If this Agreement requires an obligation to be performed by a specified date, such date shall be extended for the period during which the relevant obligation is suspended due to such an Event of Force Majeure under this Agreement.

**Article 25. Coordinating Committee**

25.1. Within thirty (30) days after the date hereof, the Parties shall establish a coordinating committee (the "Coordinating Committee") which shall consist of four (4) members, two (2) of which shall be appointed by Lessor and two (2) of which shall be appointed by Lessee. Each Party, upon prior written notice to the other Party, may from time to time remove or replace any member appointed by such Party.

25.2. Except as the Parties may otherwise agree in writing, the Coordinating Committee shall have the power and the responsibility under this Agreement to:

(a) act as a forum for the liaison between the Parties with respect to the day-to-day implementation of this Agreement;

(b) subject to Article 17, seek to resolve disputes; and

(c) undertake such other functions as the Parties may agree in writing.

**Article 26. Confidentiality**

26.1. Confidentiality. Neither Party shall, except as expressly permitted by the terms of this Agreement, disclose to any third party the terms and conditions of this Agreement, the existence of this Agreement and any Confidential Information which either Party obtains from the other Party in connection with this Agreement and/or use such Confidential Information for any purposes whatsoever other than those contemplated hereunder, provided, however, that this Agreement (and its terms and conditions) may be disclosed and filed publicly in connection with a public offering of securities by Lessee or its Affiliates. "Confidential Information" shall mean any and all information including technical data, trade secrets or know-how, disclosed by either Party to the other Party in

connection with this Agreement, which is marked as "Proprietary" or "Confidential" or is declared by the other Party, whether in writing or orally, to be confidential, or which by its nature would reasonably be considered confidential.

26.2. The obligation of confidentiality in Section 26.1 shall not apply to any information that: (a) was known to the other Party without an obligation of confidentiality prior to its receipt thereof from the disclosing Party; (b) is or becomes generally available to the public without breach of this Agreement, other than as a result of a disclosure by the recipient Party, its representatives, its Affiliates or the representatives of its Affiliates in violation of this Agreement; (c) is rightfully received from a third party with the authority to disclose without obligation of confidentiality and without breach of this Agreement; or (d) is required by law or regulation to be disclosed by a recipient Party or its representatives (including by oral question, interrogatory, subpoena, civil investigative demand or similar process), provided that written notice of any such disclosure shall be provided to the disclosing Party in advance. If a Party determines that it is required to disclose any information pursuant to applicable law (including the requirements of any law, rule or regulation in connection with a public offering of securities by Lessee or its Affiliates) or receives any demand under lawful process to disclose or provide information of the other Party that is subject to the confidentiality provisions hereof, such Party shall notify the other Party prior to disclosing and providing such information and shall cooperate at the expense of the requesting Party in seeking any reasonable protective arrangements requested by such other Party. Subject to the foregoing, the Party that receives such request may thereafter disclose or provide information to the extent required by such law or by lawful process.

**Article 27. Miscellaneous**

27.1. Exercise of Right. A Party may exercise a right, power or remedy at its discretion, and separately or concurrently with another right, power or remedy. A single or partial exercise of a right, power or remedy by a Party does not prevent a further exercise of that or of any other right, power or remedy. A failure to exercise a right, power or remedy or a delay in exercising a right, power or remedy by a Party does not prevent such Party from exercising the same right thereafter.

27.2. Extension; Waiver. At any time during the Lease Term, each of Lessor and Lessee may (a) extend the time for the performance of any of the obligations or other acts of the other or (b) waive any inaccuracies in the representations and warranties of the other contained in this Agreement or in any document delivered pursuant to this Agreement. Any agreement on the part of a Party to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such Party. The failure of any Party to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of those rights. Any rights under this Agreement may not be waived except in writing signed by the Party granting the waiver or varied except in writing signed by the Parties.

27.3. Notices. Any notice, request, demand, waiver, consent, approval or other communication which is required or permitted to be given to any Party shall be in writing and shall be deemed duly given only upon delivery to the Party personally (including by reputable overnight courier service), when telecopied (with confirmation of transmission having been received) during normal business hours or three days after being mailed by registered or certified mail (return receipt requested), with postage and registration or

27.10. Language. This Agreement is being originally executed in the English language only. In the event that the Parties agree to have a Korean version of this Agreement following signing, this Agreement may be translated into Korean. **Article 2. Premises**

2.1. In consideration of the Rent hereby agreed to be paid to Lessor by Lessee and the agreements and covenants herein made by Lessee, during the Lease Term, Lessor hereby leases to Lessee the Leased Premises, and grants the right to use Common Areas of the Leased Building and the right to use Common Areas of the Ichon Complex on a non-exclusive basis with Lessor upon the terms and conditions contained herein.

2.2. As consideration for the Rent hereby agreed to be paid to Lessor by Lessee, as an essential inducement to Lessee to enter into this Agreement, as one of the necessary rights for the use and benefit of this Agreement by Lessee, and as consideration for the agreements and covenants herein made by Lessee, Lessor hereby grants to Lessee with a right (i) to access and ingress to, and egress from, the Ichon Complex for the purpose of using the Leased Premises and any Expansion Space, if applicable, in accordance with this Agreement, (ii) to use the Common Areas of the Leased Building and (iii) to pass and repass to and from and through the Leased Building or any part thereof over and along roads, accessways, paths, corridors, hallways, highways, skybridges, walkways, arcades and all landscaped areas (including pools and fountains) and other thoroughfares within the Ichon Complex owned by Lessor (together the "Common Areas of the Ichon Complex"), provided that Lessee shall fully comply with all Applicable Laws and applicable Rules and Regulations. Lessor represents that all of such portions of the Ichon Complex are available for use by Lessee for the purpose using the Leased Premises or operating the Business. Lessor acknowledges that any reduction in the rights granted to Lessee under this Section 2.2 would cause immediate and irreparable harm to Lessee and will entitle Lessee, in addition to any other remedies Lessee may have hereunder or otherwise under Applicable Laws, to stop any such reduction by injunction, whether such reduction arises from the acts of Lessor, or any other party claiming an interest in the Ichon Complex against Lessor. The rights granted hereunder shall be integral to the grants of the rights under Section 2.1 and elsewhere in this Agreement, shall benefit Lessee and run with Lessee's interest under this Agreement, and shall automatically pass to any successor and permitted assign of Lessee.

2.3. Lessee acknowledges and agrees that Lessee has the right to occupy and use the Leased Premises only for the purposes provided, and upon the terms and conditions set forth, in this Agreement. In addition, Lessor hereby grants to Lessee a right to register the lease and rights created under this Agreement ("*deunggi imchakwon*") over the Leased Premises (the "Lease Right") with the relevant real property registry offices, having a term of the Lease Term. The Parties each, upon the request of the other, agree to submit a joint application to re-register the Lease Right to include any Extension Term. Lessor will take any action necessary to maintain or cause to be maintained the Lease Right during the Lease Term.

2.4. In addition to the Leased Premises leased herein, Lessor and Lessee acknowledge and agree that there may be additional space which has not been identified but which historically has been used by the System IC Division of Lessor and which shall continue to be required or desired by Lessee. If, within one year of the Closing Date, any such additional space is identified and requested by Lessee, Lessor shall provide such additional space to Lessee in a manner consistent with the other Leased Premises, at a price no greater than actual cost.

2.5. Lessor may request within the first sixty (60) days' after the Closing by sixty (60) days' prior written notice to Lessee that Lessee relocate its Leased Premises (the "New Leased Premises") so long as the following conditions are satisfied: (a) the location and size shall be as shown on Exhibit A-2, (b) all terms and conditions set forth herein shall

remain in full force and effect with respect to the New Leased Premises (except that the Agreement will be amended solely to attach a new Exhibit B depicting the New Leased Premises), and (c) Lessor shall pay all relocation costs relating to such relocation. In the event that Lessee relocates to the New Leased Premises, (a) Lessee has the right to expand into the Expansion Space in accordance with the terms of Article 23, and (b) to the extent that Lessee enters into an agreement with ASTEC (Hyundai Advanced Service Technology) ("ASTEC") for certain of the Utilities Services (the "ASTEC Agreement"), Lessor will provide those services not otherwise provided by ASTEC which Lessor is obligated to provide hereunder, and the Utilities Fee shall thereafter be reduced pro rata commencing with the next due monthly payment.

2.6. Each Party shall cooperate with the other Party and take or cause to be taken such actions as may be reasonably requested by the other Party in order to comply with the other Party's reasonable security rules and regulations.

**Article 3. Term**

The initial term of this Agreement (the "Initial Lease Term") shall be for one (1) year from the Closing Date, which Initial Lease Term shall, subject to the termination provisions of Article 13, be extended for successive one (1) year periods for a total of two (2) years at Lessee's option (each, an "Extension Term"; the Lease Term and all Extension Terms are collectively referred herein as the "Lease Term") (i) unless otherwise agreed between the Parties and (ii) as long as the Leased Building remains on the Land and Lessee uses the Leased Premises for the purpose of operating the Business. Additional Extension Terms, if any, may be mutually agreed upon by the Parties.

**Article 4. Rent; Taxes**

4.1. The monthly rent for the Leased Premises, exclusive of VAT (the "Rent"), shall be ***/*****/*** per square meter multiplied by the total square meters of the Leased Premises and Lessee's share of the Common Areas of the Leased Building (which is 163.74 square meters as of the Closing Date) for the Initial Term and the first year of the Extension Term. For the second year of the Extension Term, the Rent will be recalculated to increase or decrease by the same percentage as the change in the consumer price index as published by the Korea National Statistical Office of the Ministry of Finance and Economy (each, an "Index"), or any of its equivalents if an Index is not available, for the period from the last day of the Initial Term through the first day of the second year of the Extension Term. At the Closing Date, the square meters of the Leased Premises are 1,439.32.

**Article 5. Maintenance; Lessor Maintenance Fee; Utility Fee**

5.1. Lessor shall be obligated to perform all maintenance and repairs, and to the extent not provided for in the General Service Supply Agreement, to supply all customary services with respect to the Leased Premises and Common Areas as more fully described on Exhibit C ("Lessor Maintenance Services").

5.2. The amount of monthly maintenance fee for the Lessor Maintenance Services, exclusive of VAT, (the "Lessor Maintenance Fee") shall be ***/*****/*** per square meter multiplied by the total square meters of the Leased Premises for the Lease Term.

Lessor shall provide all utilities to the Leased Premises which are necessary and appropriate for the operation of the Business consistent with utilities provided immediately prior to the Closing Date, including, without limitation, water, sewer, telephone, electricity (including from Sithe Ichon Cogeneration Company Limited) and gas (collectively, the "Utilities Services") and to the extent not provided for in the General Service Supply Agreement or pursuant to the ASTEC Agreement. The amount of monthly utilities fee for such service (including service provided by Sithe Ichon Cogeneration Company Limited) (the "Utilities Fee") shall be based on actual usage for the Term.

5.5. Notwithstanding anything herein to the contrary, the Parties acknowledge and agree that it is their mutual intent that each of the Lessor Maintenance Fee for the Lessor Maintenance Services and the Utilities Fee for the Utilities Services provided hereunder shall be no greater than the actual cost reasonably incurred to provide such Lessor Maintenance Services and Utilities Services, respectively. The Parties agree to cooperate in good faith in furtherance of the foregoing, including by adjusting the Lessor Maintenance Fee and/or Utilities Fee from time to time if necessary in order to effectuate this intent. Lessor shall use its commercially reasonable efforts to minimize the costs incurred to provide the Lessor Maintenance Services.

5.6. The Lessor Maintenance Fee and Utilities Fee shall be charged from the Closing Date.

**Article 6. Payment of Rent and Lessor Maintenance Fee**

6.1. Lessor shall provide an invoice (the "Invoice") to Lessee by the 10th day of each calendar month which shall include the amounts of Rent (including Taxes), Lessor Maintenance Fee, Other Costs (as defined in Section 6.3), Utilities Fee and the corresponding VAT amount payable by Lessee for such month. Lessee shall pay in aggregate the Rent, Lessor Maintenance Fee, Other Costs, Utilities Fee and the corresponding VAT amount stated on each Invoice to the Lessor's designated account, or as otherwise designated by Lessor, by means of a wire transfer in immediately available funds by the 25th day of each calendar month (the "Due Date").

6.2. For the Initial Lease Term or any Extension Term which is less than a full calendar month, the amount of Rent, Utilities Fee, Lessor Maintenance Fee and the corresponding VAT amount payable by Lessee shall be equal to a pro rata portion of the Rent, Utilities Fee, Lessor Maintenance Fee and the corresponding VAT amount, based on a ratio of the number of days during such month that the Initial Lease Term, or applicable Extension Term, as the case may be, is in effect to the total number of days in such month.

6.3. If (a) the Rent, Utilities Fee and/or Lessor Maintenance Fee are not paid on or before the Due Date or (b) any other amounts payable herein including payments due by either Party with respect to Damages (collectively, the "Other Costs") are not paid when due, after the passage of any applicable grace and/or cure period, Lessee or Lessor, as applicable, shall be liable for and pay interest on the outstanding amounts of the Rent, Utilities Fee, Lessor Maintenance Fee and/or Other Costs at a rate of eight percent (8%) per annum calculated from and including the sixth day after the Due Date until the date the Rent, Utilities Fee, Lessor Maintenance Fee and/or Other Costs are received by the Party to whom they are due.

6.4. Lessee shall be responsible for payment of any VAT levied on the Rent, Lessor Maintenance Fee, Utility Fee and/or Other Costs due from it to Lessor under this Agreement.

6.5. Lessor shall, at the request of Lessee, provide the Lessee with relevant data and records for the calculation of the Rent, Lessor Maintenance Fee, Other Costs and VAT and determination of Lessor's compliance with its obligations under this Agreement; provided that Lessee may make no more than one such request per calendar quarter and any such request must be reasonably specific. Lessor shall prepare and maintain proper books and records of all matters pertaining to the calculation of Rent, Lessor Maintenance Fee, Other Costs and VAT under this Agreement. Subject to Article 26 and the first sentence of this Section 6.5, upon seven (7) days prior written notice, Lessee, or its authorized representatives, may examine during normal business hours, the books, records and documents of Lessor to the extent reasonably necessary for verification of any invoice or compliance under this Agreement; provided, however, that if a Lessor is to provide such books and records to Lessee for such Lessee's examination and photocopying purposes, Lessor may blackout any information contained in such books and records that relates to Lessor other than information regarding the calculation of the Rent, Lessor Maintenance Fee, Other Costs and VAT and that is required for the determination of Lessor's compliance with its obligations under this Agreement.

6.6. Notwithstanding anything herein to the contrary, in the event of a bankruptcy filing with respect to Lessee, Lessee shall deposit with Lessor an amount equal to the Rent paid by Lessee during the immediately preceding full calendar month under the terms of this Agreement, against which will be credited Rent payable by Lessee over the thirty day period following such deposit. Lessee shall renew such deposit each thirty days in each case by reference to the Rent paid by Lessee during the full calendar month immediately preceding any such renewal until such bankruptcy protection filing has been accepted by the bankruptcy court. For the avoidance of doubt, Lessee shall not be relieved of responsibility for, and shall pay when due, any Rent for services hereunder during any such thirty day period to the extent in excess of the then actual deposit.

13.2. Upon termination of this Agreement, each Party shall discontinue the use of all Confidential Information provided by the other Party in connection with this Agreement, and shall promptly return to the other Party any and all Confidential Information, including documents originally conveyed to it by the other Party and any copies thereof made thereafter.

13.3. Termination of this Agreement shall be without prejudice to the accrued rights and liabilities of the Parties prior to the termination of this Agreement.

**Article 2. Premises**

2.1. In consideration of the Rent hereby agreed to be paid to Lessor by Lessee and the agreements and covenants herein made by Lessee, during the Lease Term, Lessor hereby leases to Lessee the Leased Premises, and grants the right to use the Common Areas of the Leased Buildings, including the Special Common Areas for Lessee's use and the right to use the Common Areas of the Lessor Complex, and the right to use the Joint Use Areas of the Leased Buildings upon the terms and conditions contained herein.

2.2. As consideration for the Rent hereby agreed to be paid to Lessor by Lessee, as an essential inducement to Lessee to enter into this Agreement, as one of the necessary rights for the use and benefit of this Agreement by Lessee, and as consideration for the agreements and covenants herein made by Lessee, Lessor hereby grants to Lessee with a right (i) to access and ingress to, and egress from, the Lessor Complex for the purpose of using the Leased Premises in accordance with this Agreement, (ii) to use the Common Areas of the Leased Building and (iii) to pass and repass to and from and through the Leased Buildings or any part thereof over and along roads, accessways, paths, hallways, corridors, highways and usable areas in, over, under and between the Leased Buildings, skybridges, including those connecting C2 Building and R Building and C2 Building and Assembly Building, walkways, arcades and all landscaped areas (including pools and

fountains) and other thoroughfares within the Lessor Complex owned by Lessor (together, the "Common Areas of the Lessor Complex"), provided that Lessee shall fully comply with all Applicable Laws and applicable Rules and Regulations. Lessor represents that all of such portions of the Lessor Complex are available for use by Lessee for the purpose of using the Leased Premises or operating the Business. Lessor acknowledges that any reduction in the rights granted to Lessee under this Section 2.2 would cause immediate and irreparable harm to Lessee and will entitle Lessee, in addition to any other remedies Lessee may have hereunder or otherwise under Applicable Laws (a) to stop any such reduction by injunction, whether such reduction arises from the acts of Lessor, or any other party claiming an interest in the Lessor Complex against Lessor and (b) to reduce the rights granted by Lessee to Lessor under Section 2.2 of the Lessee Complex Lease Agreement. The rights granted hereunder shall be integral to the grants of the rights under Section 2.1 and elsewhere in this Agreement, shall benefit Lessee and run with Lessee's interest under this Agreement, and shall automatically pass to any successor and permitted assign of Lessee.

2.3. In addition, Lessor hereby grants to Lessee a right to register the lease and rights created under this Agreement ("*deunggi imchakwon*") over the Leased Premises (the "Lease Right") with the relevant real property registry offices for a term of the Lease Term. The Parties each upon the request of the other agree to submit a joint application to re-register the Lease Right to include any Extension Term. Lessor will take any action necessary to maintain or cause to be maintained the priority of the Lease Right (the "Second Priority"), subordinate only to the registered rights of Lessor's mortgagees, and any re-financing or replacement of their mortgage loans (each, a "Financing") secured against the Leased

Buildings during the Lease Term. Lessee acknowledges that the Financing may be refinanced or replaced from time to time and Lessee agrees to take any action reasonably requested by Lessor at Lessor's sole cost in connection therewith including de-registration of the Lease Right so long as Lessor and any applicable mortgagee of Lessor takes any action necessary to maintain or cause to be maintained the Second Priority of the Lease Right, including re-registration thereof.

2.4. Lessee acknowledges and agrees that Lessee has the right to occupy and use the Leased Premises only for the purposes provided, and upon the terms and conditions set forth, in this Agreement.

2.5. With respect to the CDC Machinery Room each of Lessor and Lessee shall cooperate with the other Party and take or cause to be taken such action as may be reasonably requested by the other Party in order to, among other requirements, institute a security program to restrict access to the CDC Machinery Room solely to approved personnel. Notwithstanding anything to the contrary set forth herein, with respect to the CDC Machinery Room, Lessor retains space therein equivalent to 229.39 square meters, and Lessee is granted as part of the Leased Premises space therein equivalent to 289.60 square meters. The CDC Machinery Room may be used by both Lessor and Lessee as Joint Use Areas.

2.6. Each Party shall cooperate with the other Party and take or cause to be taken such actions as may be reasonably requested by the other Party in order to comply with the other Party's reasonable security rules and regulations.

2.7. With respect to the Test Room in the R Building, each of Lessor and Lessee shall cooperate with the other Party and take or cause to be taken such action as may be reasonably requested by the other Party in order to, among other requirements, institute a security program to restrict access to the Test Room solely to approved personnel. Notwithstanding anything to the contrary set forth herein, with respect to the Test Room, Lessor shall retain 417.57 square meters to be used as Joint Use Area, and Lessee shall be granted as Leased Premises 512.43 square meters to be used as Joint Use Area.

**Article 3. Term**

3.1 The initial term of this Agreement (the "Initial Lease Term") shall be for twenty (20) years from the Closing Date, which Initial Lease Term shall, subject to the termination provisions of Article 13, be automatically extended for successive ten (10)-year periods (each, an "Extension Term"; the Lease Term and all Extension Terms are collectively referred herein as the "Lease Term") under the terms and conditions hereof, (i) unless otherwise agreed between the Parties and (ii) as long as the Leased Buildings remain on the Land and Lessee uses the Leased Premises for the purpose of operating the Business. In any event, Lessor and Lessee will undertake such action to extend the Lease Term in the event the automatic extension is not enforceable.

**Article 4. Rent; Taxes**

4.1. The monthly rent for all of the Leased Premises (other than the Leased Premises in the R Building), exclusive of VAT (the "Other Building Rent"), for the first four (4) years of the Initial Lease Term, shall be the sum for all of the Leased Premises of the calculation for

each Leased Building of the applicable Monthly Unit Rent as of December 31, 2003 derived in accordance with Exhibit C multiplied by the number of square meters in the Leased Premises of the applicable Leased Building. Commencing on the fourth (4th) anniversary of the Closing Date, or on the first day of the immediately succeeding calendar month if the Closing Date is not the first day of the calendar month, and every anniversary of such date (each, a "Calculation Date"), the Other Building Rent for each Leased Premises in each Leased Building (other than the Leased Premises in the R Building) will be recalculated annually based on the Rent Calculation for Monthly Unit Rent attached as Exhibit C, multiplied by the number of square meters in the Leased Premises of the applicable Leased Building.

4.2. The monthly rent due from Lessee for the Leased Premises and Common Areas in R Building, exclusive of VAT (the "R Building Rent"; the R Building Rent and the Other Building Rent are collectively referred to herein as the "Rent"), for the first four (4) years of the Initial Lease Term, shall be the Monthly Unit Rent as of December 31, 2003 derived in accordance with Exhibit C multiplied by the sum of (i) the number of square meters in the Leased Premises of the R Building, (ii) the number of square meters of the Common Areas of the R Building (other than the Specially Treated Common Areas of the R Building) multiplied by the Lessee's Common Area Share, and (iii) for each of the third through sixth floors of the R Building, the number of square meters in the Specially Treated Common Areas of the relevant floor in the R Building multiplied by a fraction, the numerator of which is the number of square meters of Leased Premises for such floor and the denominator of which is the number of square meters of total floor area for such floor excluding the Specially Treated Common Areas and any area occupied by third

parties (other than the Leased Premises) on such floor. On each Calculation Date, the Rent for the Leased Premises of the R Building will be recalculated annually based on the Rent Calculation for Monthly Unit Rent attached as Exhibit C, multiplied by the sum of (i) the number of square meters in the Leased Premises of the R Building, (ii) the number of square meters of the Common Areas of the R Building (other than the Specially Treated Common Areas of the R Building) multiplied by the Lessee's Common Area Share recalculated as of such Calculation Date, and (iii) for each of the third through sixth floors of the R Building, the number of square meters in the Specially Treated Common Areas of the relevant floor in the R Building multiplied by a fraction, the numerator of which is the number of square meters of the Leased Premises for such floor and the denominator of which is the number of square meters of total floor area for such floor excluding the Specially Treated Common Areas and any area occupied by third parties (other than the Leased Premises) on such floor.

4.3. Provided the square meters of the Leased Premises for the particular Leased Building are more than fifty percent (50%) of all of the square meters of the Leased Building, Lessee shall have the right to require Lessor to contest the amount or validity of any Taxes or other claim (collectively, "Claims") relating to such Leased Building, if Lessee in good faith, reasonably believes they are incorrect, in which case Lessee may pay under protest while the Claim is contested, or delay payment thereof or compliance therewith to the extent they are being so contested, provided that (i) Lessee shall pay or perform the contest of such Claim, and the amount due for such Claims as finally determined; (ii) such contest shall not otherwise cause Lessor to be in default under any contracts or legally enforceable requirements of third parties including any Governmental Entity

which are binding upon Lessor; or cause any material part of the Leased Buildings or any Rent therefrom to be in any immediate danger of sale, forfeiture, attachment or loss; and (iii) Lessee shall indemnify, protect, defend and hold harmless Lessor from and against any Damage incurred by Lessor in connection therewith or as a result thereof.

**Article 5. Maintenance; Lessor Maintenance Fee**

5.1. Lessor shall be obligated to perform all maintenance and repairs, and to the extent not provided for in the General Service Supply Agreement, to supply all customary services with respect to the Leased Premises and Common Areas as more fully described on Exhibit D ("Lessor Maintenance Services").

5.2. The amount of monthly maintenance fee for the Lessor Maintenance Services, exclusive of VAT (the "Lessor Maintenance Fee") with respect to the Leased Premises in the R Building and Common Areas of the R Building shall be initially calculated for each of the first four (4) Lease Years as follows:

two percent (2%) of each Leased Building's Book Value as of December 31, 2003;
divided by the number of square meters in the R Building;
divided by twelve (12).

Then such monthly per square meter Lessor Maintenance Fee shall be:

multiplied by each of (i) the number of square meters in the Leased Premises of the R Building, (ii) the number of square meters of the Common Areas of the R Building (other than the Specially Treated Common Areas of the R Building) multiplied by the Lessee's

Common Area Share, and (iii) for each of the third through sixth floors of the R Building, the number of square meters in the Specially Treated Common Areas of the relevant floor in the R Building multiplied by a fraction, the numerator of which is the number of square meters of the Leased Premises for such floor and the denominator of which is the number of square meters of total floor area for such floor excluding the Specially Treated Common Areas and any area occupied by third parties (other than the Leased Premises) on such floor.

Thereafter, the Lessor Maintenance Fee with respect to the Leased Premises in the R Building and Common Areas of the R Building shall be recalculated annually to increase or decrease by the same percentage as the change in the consumer price index published by the Korean National Statistical Office of the Ministry of Finance and Economy (each, an "Index") or any of its equivalent if an Index is not available, between the Index published most recently prior to the Calculation Date compared to the Index published most recently prior to one year before such Calculation Date and as adjusted as well for the recalculation of the Common Area Share as of the Calculation Date.

5.3. The Lessor Maintenance Fee with respect to the Leased Premises and Common Areas of the Leased Building other than those in the R Building for each of the first four (4) Lease Years as follows:

two percent (2%) of each Leased Building's Book Value as of December 31, 2003;
divided by the number of square meters in the applicable Leased Building;
divided by twelve (12).

Then such monthly per square meter Lessor Maintenance Fee shall be multiplied by the number of square meters in the Leased Premises of the applicable Leased Building.

Thereafter, the Lessor Maintenance Fee with respect to the Leased Premises and Common Areas of the Leased Building other than those in the R Building shall be recalculated annually to increase or decrease by the same percentage as of the change in the Index, or any of its equivalent if an Index is not available, between the Index published most recently prior to the Calculation Date compared to the Index published most recently prior to one year before such Calculation Date.

5.4. Lessor shall perform all Lessor Maintenance Service necessary to maintain the Leased Buildings in as good condition as exists as of the Closing Date, reasonable wear and tear excepted.

5.5. The Lessor Maintenance Fee shall be charged from the Closing Date.

5.6. Notwithstanding anything herein to the contrary, the Parties acknowledge and agree that it is their mutual intent that the Lessor Maintenance Fee for the Lessor Maintenance Services provided hereunder shall be no greater than the actual cost reasonably incurred to provide such Lessor Maintenance Services. The Parties agree to cooperate in good faith in furtherance of the foregoing, including by adjusting the Lessor Maintenance Fee from time to time if necessary in order to effectuate this intent. Lessor shall use its commercially reasonable efforts to minimize the costs incurred to provide the Lessor Maintenance Services.

**Article 6. Payment of Rent and Lessor Maintenance Fee**

6.1. Lessor shall provide an invoice (the "Invoice") to Lessee by the 10th day of each calendar month which shall include the amounts of Rent (including Taxes), Lessor Maintenance Fee, Other Costs (as defined in Section 6.3) and the corresponding VAT amount payable by Lessee for such month. Lessee shall pay in aggregate the Rent, Lessor Maintenance Fee, Other Costs and the corresponding VAT amount stated on each Invoice to the Lessor's designated account, or as otherwise designated by Lessor, by means of a wire transfer in immediately available funds by the 25th day of each calendar month (the "Due Date"). Lessee shall review each Invoice for Taxes by the 20th day of each month, and, notwithstanding anything herein to the contrary, if not in agreement with the amount, then Lessee may require the Lessor to contest such Taxes as provided in Section 4.3 of this Agreement.

6.2. For the Initial Lease Term or any Extension Term which is less than a full calendar month, the amount of Rent, Lessor Maintenance Fee and the corresponding VAT amount payable by Lessee shall be equal to a pro rata portion of the Rent, Lessor Maintenance Fee and the corresponding VAT amount, based on a ratio of the number of days during such month that the Initial Lease Term, or applicable Extension Term, as the case may be, is in effect to the total number of days in such month.

6.3. If (a) the Rent and/or Lessor Maintenance Fee are not paid on or before the Due Date or (b) any other amounts payable herein including payments due by either Party with respect to Damages (collectively, the "Other Costs") are not paid when due, after the passage of any applicable grace and/or cure period, Lessee or Lessor, as applicable, shall be liable

for and pay interest on the outstanding amounts of the Rent, Lessor Maintenance Fee and/or Other Costs at a rate of eight percent (8%) per annum calculated from and including the sixth day after the Due Date until the date the Rent, the Lessor Maintenance Fee and/or Other Costs are received by the Party to whom they are due.

6.4. Lessee shall be responsible for payment of any VAT levied on the Rent, Lessor Maintenance Fee and/or Other Costs due from it to Lessor under this Agreement.

6.5. Lessor shall, at the request of Lessee, provide the Lessee with relevant data and records for the calculation of the Rent, Lessor Maintenance Fee, Other Costs and VAT and determination of Lessor's compliance with its obligations under this Agreement; provided that Lessee may make no more than one such request per calendar quarter and any such request must be reasonably specific. Lessor shall prepare and maintain proper books and records of all matters pertaining to the calculation of Rent, Lessor Maintenance Fee, Other Costs and VAT under this Agreement. Subject to Article 26 and the first sentence of this Section 6.5, upon seven (7) days prior written notice, Lessee, or its authorized representatives, may examine during normal business hours, the books, records and documents of Lessor to the extent reasonably necessary for verification of any invoice or compliance under this Agreement; provided, however, that if a Lessor is to provide such books and records to Lessee for such Lessee's examination and photocopying purposes, Lessor may blackout any information contained in such books and records that relates to Lessor other than information regarding the calculation of the Rent, Lessor Maintenance Fee, Other Costs and VAT and that is required for the determination of Lessor's compliance with its obligations under this Agreement.

6.6 Notwithstanding anything herein to the contrary, in the event of a bankruptcy filing with respect to Lessee, Lessee shall deposit with Lessor an amount equal to the Rent paid by Lessee during the immediately preceding full calendar month under the terms of this Agreement, against which will be credited Rent payable by Lessee over the thirty day period following such deposit. Lessee shall renew such deposit each thirty days in each case by reference to the Rent paid by Lessee during the full calendar month immediately preceding any such renewal until such bankruptcy protection filing has been accepted by the bankruptcy court. For the avoidance of doubt, Lessee shall not be relieved of responsibility for, and shall pay when due, any Rent hereunder during any such thirty day period to the extent in excess of the then actual deposit.

**Article 7. Representations, Warranties and Covenants**

7.1. Lessor hereby represents and warrants to Lessee that all of the statements contained in this Section 7.1 are true and correct in all material respects as of the Closing Date.

(b) Authorization. Lessor has full corporate power and authority to execute and deliver this Agreement. The execution, delivery and performance by Lessor of this Agreement have been duly authorized by all corporate actions on the part of Lessor that are necessary to authorize the execution, delivery and performance by Lessor of this Agreement.

(c) Binding Agreement. (g) NO OTHER REPRESENTATIONS. EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES CONTAINED IN THIS AGREEMENT OR THE BTA, NEITHER LESSOR NOR ANY OTHER PERSON OR ENTITY ACTING ON BEHALF OF LESSOR, MAKES ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED. 7.2. Lessor will maintain the Leased Buildings in material compliance with all Applicable Laws. If the Leased Premises at any time cannot be leased to and occupied by Lessee in compliance with Applicable Laws, whether as a result of the Lessor's failure to perform permitting requirements or for other reasons with respect to any of the Leased Buildings, other than due to Lessee's acts, omissions or use of the Leased Premises, then in any of such events, (a) Rent for the applicable Leased Premises shall be abated based on the square meters of the Leased Premises which cannot be leased and occupied, (b) Lessor shall either (i) provide Substitute Premises to the extent that Substitute Premises are in the possession of Lessor, or (ii) use commercially reasonable efforts to locate alternate space for Lessee to occupy (the "Alternate Space") to the extent that Substitute Premises are not in the possession of Lessor, and (c) Lessor shall pay for all of the Lessee's expenses in demobilization and remobilization to the Substitute Premises to the extent not

covered by Lessee's insurance. Lessee shall pay Rent attributable to the square meters provided in any Substitute Premises based on the formula in Exhibit C or Lessee shall pay rent required by the applicable landlord for the Alternate Space to the extent such Alternate Space is provided by third parties.

7.3. Lessee hereby represents and warrants to Lessor that all of the statements contained in this Section 7.3 are true and correct in all material respects as of the Closing Date.

(a) Organization. Lessee is a corporation duly organized and validly existing under the laws of Korea and has full power and authority to carry on its business as heretofore conducted.

(c) Binding Agreement. This Agreement has been duly executed and delivered by Lessee and, assuming due and valid authorization, execution and delivery hereof by Lessor, is a valid and binding obligation of Lessee, enforceable against Lessee in accordance with its terms except (i) as limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and other similar laws of general application affecting enforcement of creditors' rights generally and (ii) the availability of the remedy of injunctive relief may be subject to the discretion of the court before which any proceeding therefor may be brought or the general principle of good faith and fairness provided for in the Korean Civil Code.

(d) Brokerage. Lessee and its Subsidiaries have not made any agreement or taken any other action which might cause any Person to become entitled to a broker's or finder's fee or commission as a result of the Lease.

(e) NO OTHER REPRESENTATIONS. EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES CONTAINED IN THIS AGREEMENT OR THE BTA, NEITHER LESSEE NOR ANY OTHER PERSON OR ENTITY ACTING ON BEHALF OF LESSEE, MAKES ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, TO THE EXTENT ANY REPRESENTATIONS OR WARRANTIES HEREIN ARE INCONSISTENT WITH ANY REPRESENTATIONS OR WARRANTIES IN THE BTA, THE APPLICABLE REPRESENTATIONS OR WARRANTIES IN THE BTA SHALL CONTROL.

7.4. Each Party covenants and agrees to endeavor to cooperate with the other Party so as to minimize any interference with the other Party's operation of its business, and to instruct its employees to so cooperate.

7.5. If, for whatever reason, it is necessary for Lessor to gain access to the Leased Premises, then Lessee's prior consent shall be required, and Lessee covenants and agrees that such consent shall not be unreasonably withheld or delayed. Notwithstanding the foregoing, and except for those restricted areas of the Leased Premises set forth on Exhibit A-1 through A-3 as to which Lessor shall have access only if accompanied by a representative

of Lessee (the "Restricted Areas"), Lessor or its employees shall be permitted to have access to the Leased Premises during normal business hours with prior written notice of at least two (2) Business Days (a) specifying the purpose of the inspection of the condition of the Leased Premises, (b) indemnifying Lessee for any Damage that arises as a result of such inspection, and (c) agreeing not to interfere with the ordinary operation of Lessee's Business; provided, however, such prior notice is not required in case of emergency, risk of injury or property damage. In case of emergency, Lessee shall provide Lessor with access to the Leased Premises (other than Restricted Areas); only on the condition that such emergency could reasonably be expected to cause Lessor to be liable for Damages if Lessor did not address such emergency. Notwithstanding the foregoing, personnel engaged by Lessor providing Lessor Maintenance Service shall have access to the entirety of the Leased Premises, including the Restricted Areas, for the purpose of providing Lessor Maintenance Service.

7.6. From and after the Closing Date, Lessee shall comply in all material respects with all Applicable Laws, including the environmental laws, and with the terms of all Government Authorizations relating to the Lessee's conduct of its Business in the Leased Buildings.

7.7. Lessee acknowledges that as part of its past practice in operating the Leased Buildings, the Lessee allowed Other Occupants of the Leased Buildings to occupy those spaces designated on Exhibit A-1 as Other Occupant Space. Some of the Other Occupants of the Leased Buildings have provided conveniences, amenities, or support for Lessee and the Business. Notwithstanding such past practices, or any other circumstance, Lessor has the right to elect to permit or prohibit the continued occupancy by such Other Occupants of

the Leased Buildings as Lessor may decide in its sole discretion, and without any obligation or liability to Lessee for the consequences of such election, including, any obligation or liability to continue to provide the conveniences, amenities or support previously provided by the Other Occupants of the Leased Buildings. Lessor also has the right to replace or add Other Occupants of the Leased Buildings, without any obligation or liability to Lessee, and such Other Occupants of the Leased Buildings shall have the right to share in Lessor's use of the Common Areas of the Leased Buildings, Common Areas of the Lessee Complex and Common Areas of the Lessor Complex, including rights to use parking, to the extent possessed by Lessor.

7.8. In the event of a default by Lessee under this Lease, Lessee covenants and agrees to reimburse Lessor, in full and promptly upon demand, if Lessor sustains any material Damages or is reasonably required to expend any money as a result of a default by Lessee hereunder; provided, however, Lessee shall not reimburse Lessor for any Damages resulting from reasonable wear and tear to the Leased Buildings or fully insured Property Damage.

**Article 8. Registration of the Lease Right**

8.1. Lessor hereby consents to the registration of the Lease Right for the benefit of Lessee on the Leased Premises, in accordance with Section 2.3, and shall provide to Lessee all the necessary documents normally required of a lessor for the registration of the Lease Right thereon on the Closing Date. Lessee shall be entitled to register, on or after the Closing Date, the Lease Right granted under this Agreement with the pertinent real property registry offices, such Lease Right registration having a priority over any Lien established

on the Leased Premises other than Liens established thereon by Lessor's mortgagees. This consent by Lessor shall be deemed to apply to Extension Terms; and Lessor will perform any further requirements of registration of Lease Rights that Lessee may reasonably be deemed necessary or appropriate to clarify and vest necessary title in Lessor to make Lessor's consent hereunder the only consent required, which costs and expenses shall be borne by Lessor. The expenses and costs associated with de-registration and re-registration of any prior security interests against Lessor, or after the Closing Date against Lessee, if required pursuant to this paragraph to establish the lien priority, shall be paid by Lessor. Lessor shall, as a condition to any future lien registered against the Lessor's interest in land or buildings, require such lien holder to take all actions necessary to maintain the priority of the Lease Right, with respect to the Leased Buildings during the Lease Term, including any Extension Term.

**Article 9. Use, Improvements and Alterations**

9.1. Lessee shall not occupy or use any material portion of the Leased Premises, Common Areas of the Leased Buildings and Common Areas of the Lessor Complex for any purpose whatsoever, other than in connection with the operation of the Business and in compliance with all Applicable Laws and the Rules and Regulations in all material respects. This Agreement and all the terms, covenants and conditions hereof are in all respects subject and subordinate to all Applicable Laws affecting the Leased Buildings.

9.2. Lessee shall maintain and repair all nonstructural elements, furniture, fixtures, and equipment in the Leased Premises.

9.3. Lessee, in its sole discretion, but with prior written notice to Lessor, shall have the right, from time to time to make, or cause to be made, at its sole cost and expense, improvements, additions, alterations and changes (collectively, the "Alterations") to the Leased Premises that it deems necessary or desirable to carry on any activity or use consistent with this Agreement; provided (a) any such Alterations shall be in compliance with Applicable Laws, (b) no such Alterations materially adversely affect the value of the applicable Leased Buildings or Lessor's contemporaneous occupancy, if any, of the Leased Buildings, and (c) at Lessor's request, Lessee is required to restore the affected Leased Building to the condition that existed prior to the Alterations by the end of the Lease Term, reasonable wear and tear and insured Property Damage excepted. Lessee shall bear all Taxes to be imposed on all Alterations and facilities newly or additionally installed by Lessee whether a notice of Taxes was issued to Lessee or Lessor. Notwithstanding the foregoing requirement that only notice be provided to the Lessor, Lessee shall submit a written plan for any material Alteration and shall obtain Lessor's express consent prior to making any such material Alteration, which consent shall not be unreasonably withheld or delayed.

**Article 10. Restricted Matters for Lessee**

10.1. Lessee shall comply with the Rules and Regulations attached hereto as Exhibit E.

10.2. In such event, Lessee shall continue to pay Rent until this Agreement is terminated and shall continue to pay rent under the lease for the Substitute Premises.

21.3. If only a part of any Leased Premises shall be so taken or condemned, and, as a result thereof, the balance of the Leased Premises can be used by Lessee, in its reasonable

10.4. The respective rights and obligations of the Parties under any Sections which by their nature are intended to extend beyond termination, shall survive the termination or expiry of this Agreement.

10.5. In the event of the termination of this Agreement pursuant to Section 10.1 hereof, a written notice thereof shall forthwith be given to the other Party specifying the provision hereof pursuant to which such termination is made, and Lessee or Lessor (as the case may be) shall only be liable thereafter for (i) Damages suffered as a result of its fraud or willful breach of this Agreement that occurred prior to the termination of this Agreement, or (ii) the obligations and liabilities of the Parties pursuant to this Agreement that accrued prior to the termination of this Agreement.

**Article 11. Sublease and Assignment**

11.1. This Agreement shall be binding upon and inure to the benefit of the Parties hereto and their respective successors and permitted assigns; provided, however, that no Party hereto will assign its rights or delegate its obligations under this Agreement without the express prior written consent of the other Party hereto, except that (i) Lessee may assign its rights hereunder (other than the lease right over the one-half of the Easement Site allowed from the Closing Date until the Partition Date) as collateral security to any bona fide financial institution engaged in financing in the ordinary course providing financing to the Warrant Issuer or its Subsidiaries and any of the foregoing financial institutions may assign such rights in connection with the sale of Lessee's business in the form then being conducted by Lessee substantially as an entirety; (ii) Lessor and Lessee each may, upon written notice to the other Party (but without the obligation to obtain the consent of such other Party), assign this Agreement or any of its rights and obligations under this Agreement to

any person, entity or organization that succeeds (by purchase, merger, operation of law or otherwise) to all or substantially all of the capital stock, assets or business of such party, all or substantially all of its assets and liabilities or to all or substantially all of the assets and liabilities of the portion of the Party's business to which the subject of this Agreement relates or of a division of Lessee, if such person or entity agrees in writing to assume and be bound by all of the relevant obligations of such Party under this Agreement; and (iii) Lessee may, upon written notice to Lessor (but without the obligation to obtain the consent of Lessor), assign this Agreement or any of its rights and obligations under this Agreement to one or more direct or indirect Subsidiaries of the Warrant Issuer if such Subsidiaries agree in writing to assume and be bound by all of the relevant obligations of Lessee under this Agreement.

11.2. Intentionally Deleted.

11.3. Notwithstanding anything to the contrary, Lessee shall not sublease the Lease Rights Site, in whole or in part, to a third party, except Veolia in accordance with Section 5.6 and the Hynix Easement Right.

**Article 12. Quiet Enjoyment; Indemnification.**

12.1. Without prejudice to Lessor's rights under this Agreement or under the Applicable Laws, so long as Lessee pays the Rent and materially observes all other terms, conditions and covenants hereof, Lessor shall ensure that Lessee has the right to quietly enjoy the Land without hindrance, molestation or interruption during the Lease Term, subject to the terms and conditions of this Agreement.

12.2. Lessor shall indemnify Lessee and its Indemnified Persons (the "Lessee Indemnified Parties"), and hold the Lessee Indemnified Parties harmless from and against, any and all Damages arising out of, resulting from or relating to claims by third parties arising from the negligent acts of Lessor, except to the extent such Damage is caused by the negligence or willful misconduct of any such Lessee Indemnified Party.

Upon the expiration or termination of this Agreement, Lessor and Lessee shall consult in good faith to determine a reasonable grace period (which shall not be more than 6 months) (the "Grace Period") for Lessee to peaceably and quietly vacate and surrender the Land to Lessor. For the avoidance of doubt, Lessee shall be obligated to pay the Rent for the period until the date of surrender of the Land to Lessor.

13.2. During the Grace Period, Lessee shall, among other things, restore the Land to its condition and shape equivalent to that of the Closing Date, wear and tear, insured casualty and condemnation excepted, and as otherwise reasonably acceptable to Lessor by removing at its own expense any additional fixtures, partitions and structural alterations made by Lessee not consented to by Lessor. In the event Lessee fails to vacate, surrender and restore the Land to its condition equivalent to that of the Closing Date, including the presence of any buildings and improvements, reasonable wear and tear and insured casualty excepted, by the end of the Grace Period, Lessor may move, remove or dispose of any fixtures, partitions, structural alterations or other property or belongings remaining on the Land, and all reasonable expenses incurred therefrom shall be borne by Lessee.

**Article 14. Disputes and Governing Law.**

14.1. This Agreement shall be governed by and construed in accordance with the laws of Korea without reference to the choice of law principles thereof.

14.2. The Parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the Parties shall be entitled to an injunction to prevent any breach of this Agreement and to enforce specifically the terms and provisions of this Agreement by bringing a relevant action in the Seoul Central District Court in Seoul, Korea, in addition to any other remedy to which any Party may be entitled at law or in equity. In addition, the Parties agree that any disputes, claims or controversies between the Parties arising out of or relating to this Agreement, whether in contract, tort, equity or otherwise and whether relating to the meaning, interpretation, effect, validity, performance or enforcement of this Agreement shall be submitted to the exclusive jurisdiction of the Seoul Central District Court in Seoul, Korea. **Article 15. Change of Applicable Laws of Korea**

Lessor shall process, and Lessee shall pay for, every zoning requirement or the requirements imposed by the Applicable Laws, which arise from change of conditions caused by Lessee subsequent to the Closing Date from the operation of the Business, as they come into effect during the Lease Term.

**Article 17. Right of First Refusal**

17.1. Lessor is the current occupant of portions of the Hynix Land ("Expansion Area"), Lessee shall have both a Right of First Refusal on the Expansion Area as set forth below:

(a) Right of First Refusal. If Lessor shall receive an offer to lease any portion of the Expansion Area, from time to time, which offer Lessor shall desire to accept, Lessor shall transmit a memorandum of said offer to Lessee. The memorandum shall set forth in detail the terms of the offer, including a description of the area, the rent (including any abatement and escalations), and any other material terms of the offer, to the extent available. Within fifteen (15) days of receiving Lessor's memorandum, Lessee shall, by written notice to Lessor exercise the right (each, a "Right of First Refusal"), (i) to accept such Expansion Area upon the terms and conditions stated in the offer or (ii) to accept such Expansion Area on the terms and conditions set forth in Section 17.1(c) and 17.1(d). Lessee's failure to make the election shall be deemed a rejection of the Expansion Area. Upon Lessee's acceptance of the Expansion Area, the parties shall execute an amendment incorporating the Expansion Area into the Site subject to all of the terms, covenants, and conditions of the Lease, except as modified by the terms of the offer (if Lessee has elected option (i) above). Notwithstanding anything to the contrary in the offer, the terms of the Lease for the Expansion Area shall be as provided in Section 17.1(c) immediately below. Notwithstanding that Lessee should fail or refuse to exercise its Right of First Refusal in the manner herein provided, if the Expansion Area, or any part thereof, is not leased to the prospective tenant contemplated by Lessor's memorandum within the time-period and on terms no more favorable to such tenant than originally offered to Lessee, the Expansion Area shall thereafter continue to be subject to the terms and conditions imposed by this Section 17.1(a) upon third party offers to lease and the first refusal procedure established by this Section 17.1(a) shall be reinstated.

(b) Should Lessee elect to exercise its Right of First Refusal, the terms and conditions of this Lease shall apply to the Expansion Area except as modified by the terms of the offer if Lessee has accepted in Section 17.1(a) option (i) above. Rent for the Expansion Area shall be at the then current square meter rental rate except as modified by the terms of the offer if Lessee has accepted in Section 17.1(a) option (i) above.

(c) Should Lessee exercise its Right of First Refusal, Lessor shall deliver such Expansion Area to Lessee, in Turnover Condition (defined below) whereupon said Expansion Area shall be added to and become a part of the Site and shall be governed in all respects by the terms of this Lease except that (i) as to the Right of First Refusal, the terms of the offer upon which Lessee exercised such right shall govern to the extent inconsistent with the terms of this Agreement and (ii) notwithstanding anything herein to the contrary, the term applicable to such space shall end at the same time, and under the same conditions, as applicable to the Lease Term. As used herein, "Turnover Condition" shall mean broom clean, free of occupants, debris, and movable property.

**Article 18. Additional Warehouse**

18.1 In accordance with Applicable Laws and if any land in the Cheong Ju Complex is available for the construction of one additional warehouse ("First Additional Warehouse"), Lessee may elect to construct a First Additional Warehouse by hiring its own contractors and performing such construction. In such event, Lessor shall provide or engage in the following:

(a) the use or lease of the additional land necessary for the construction of the First Additional Warehouse, which would become part of the Lease Rights Site II; and

(b) the use of access to such additional land and to the completed First Additional Warehouse, which would become part of the Easement Site II.

(c) to undertake the performance for Lessee to obtain second priority Lease Rights for the site of the First Additional Warehouse and second priority Easement Rights for access from a public road along the main road to the site of the First Additional Warehouse consistent with Article 7 of this Agreement.

18.2 In accordance with Applicable Laws and if any land in the Cheong Ju Complex is available for the construction of one other additional warehouse ("Second Additional Warehouse", together with the First Additional Warehouse, the "Additional Warehouses"), upon Lessee's request, the Parties shall discuss in good faith (i) to accommodate such request and (ii) the selection of the site for the Second Additional Warehouse and other required acts. If both Parties agree, Lessor shall provide the undertakings as set forth in Sections 18.1(a), (b) and (c) above.

18.3 This Section shall be deemed as advance consent by Lessor to the site of the Additional Warehouses becoming part of the Lease Rights Site II and having the right of Easement Right II for access from a public road along the main road to the site of the Additional Warehouses.

**Article 19. Insurance.**

19.1. Lessor and Lessee shall each obtain from, keep in force during the Lease Term with, and pay all premiums due to, an insurer(s) holding a Best Rating of B+ or higher, Standard

Commercial General Liability Insurance. The limits of liability of such insurances shall be in an amount not less than One Million Dollars ($1,000,000.00) per occurrence, Personal Injury including death and One Million Dollars ($1,000,000.00) per occurrence, Property Damage Liability or One Million Dollars ($1,000,000.00) combined single limit for Personal Injury and property Damage Liability.

19.2. Lessee shall pay to Lessor the incremental amount of insurance premiums which will be additionally charged to Lessor due to Lessor's grant to Lessee of lease of the Lease Rights Site I and easement right to the Easement Site in accordance with this Agreement.

**Article 20. Signage.**

Upon surrender or vacation of the Leased Premises, Lessee shall have removed all signs it has installed. Lessee shall obtain all applicable Governmental Authorizations for sign and exterior treatments at its sole cost and expense. Lessor consents to the signage as depicted on Exhibit E. If Lessee desires to install signs, decorations, or advertising media, the Parties shall discuss in good faith the installation of such signage.

**Article 21. Force Majeure.**

21.1. Neither Party shall be liable to the other Party for failure of or delay in the performance of any obligations under this Agreement due to causes reasonably beyond its control including (i) war, insurrections, riots, explosions, inability to obtain raw materials due to then current market situation; (ii) natural disasters and acts of God, such as violent storms, earthquakes, floods, and destruction by lightning; (iii) the intervention of any Governmental Entity or changes in relevant laws or regulations which restrict or prohibit either Party's performance of its obligations under this Agreement or implementation of this Agreement; or (iv) strikes, lock-outs and work-stoppages, which are beyond the reasonable control of the Party claiming the benefit (each, an "Event of Force Majeure"). Upon the occurrence of an Event of Force Majeure, the affected Party shall notify the other Party as soon as possible of such occurrence, describing the nature of the Event of Force Majeure and the expected duration thereof. Notwithstanding the foregoing, Lessee shall be under continuing obligation to make the payments required hereunder for any Rent, Other Costs and the corresponding VAT payable by Lessee, which was payable by Lessee prior to the occurrence of an Event of Force Majeure.

21.2. If a Party is unable, by reason of an Event of Force Majeure, to perform any of its obligations under this Agreement, then such obligation shall be suspended to the extent and for the period that the affected Party is unable to perform. If this Agreement requires an obligation to be performed by a specified date, such date shall be extended for the period during which the relevant obligation is suspended due to such an Event of Force Majeure under this Agreement.

**Article 22. Confidentiality.**

22.1. Confidentiality. Neither Party shall, except as expressly permitted by the terms of this Agreement, disclose to any third party the terms and conditions of this Agreement, the

existence of this Agreement and any Confidential Information which either Party obtains from the other Party in connection with this Agreement and/or use such Confidential Information for any purposes whatsoever other than those contemplated hereunder provided, however, that this Agreement (and its terms and conditions) may be disclosed and filed publicly in connection with a public offering of securities by Lessee or its Affiliates. "Confidential Information" shall mean any and all information including technical data, trade secrets or know-how, disclosed by either Party to the other Party in connection with this Agreement, which is marked as "Proprietary" or "Confidential" or is declared by the other Party, whether in writing or orally, to be confidential, or which by its nature would reasonably be considered confidential.

22.2. The obligation of confidentiality in Section 22.1 shall not apply to any information that: (a) was known to the other Party without an obligation of confidentiality prior to its receipt thereof from the disclosing Party; (b) is or becomes generally available to the public without breach of this Agreement, other than as a result of a disclosure by the recipient Party, its representatives, its Affiliates or the representatives of its Affiliates in violation of this Agreement; (c) is rightfully received from a third party with the authority to disclose without obligation of confidentiality and without breach of this Agreement; or (d) is required by law or regulation to be disclosed by a recipient Party or its representatives (including by oral question, interrogatory, subpoena, civil investigative demand or similar process), provided that written notice of any such disclosure shall be provided to the disclosing Party in advance. If a Party determines that it is required to disclose any information pursuant to applicable law (including the requirements of any law, rule or regulation in connection with a public offering of securities by Lessor or its Affiliates) or receives any demand under lawful process to disclose or provide information of the other Party that is subject to the confidentiality provisions hereof, such Party shall notify the other Party prior to disclosing and providing such information and shall cooperate at the expense of the requesting Party in seeking any reasonable protective arrangements requested by such other Party. Subject to the foregoing, the Party that receives such request may thereafter disclose or provide information to the extent required by such law or by lawful process.

**Article 23. Miscellaneous.**

23.1. Exercise of Right. A Party may exercise a right, power or remedy at its discretion, and separately or concurrently with another right, power or remedy. A single or partial exercise of a right, power or remedy by a Party does not prevent a further exercise of that or of any other right, power or remedy. A failure to exercise a right, power or remedy or a delay in exercising a right, power or remedy by a Party does not prevent such Party from exercising the same right thereafter.

23.2. Extension; Waiver. At any time during the Lease Term, each of Lessor and Lessee may (a) extend the time for the performance of any of the obligations or other acts of the other or (b) waive any inaccuracies in the representations and warranties of the other contained in this Agreement or in any document delivered pursuant to this Agreement. Any agreement on the part of a Party to any such extension or waiver shall be valid only if set

forth in an instrument in writing signed on behalf of such Party. The failure of any Party to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of those rights. Any rights under this Agreement may not be waived except in writing signed by the Party granting the waiver or varied except in writing signed by the Parties.

23.3. Notices. Any notice, request, demand, waiver, consent, approval or other communication which is required or permitted to be given to any Party shall be in writing and shall be deemed duly given only upon delivery to the Party personally (including by reputable overnight courier service), when telecopied (with confirmation of transmission having been received) during normal business hours or three days after being mailed by registered or certified mail (return receipt requested), with postage and registration or certification fees thereon prepaid, addressed to the Party at its address set forth below (or at such other address for a party as shall be specified by such Party by like notice):

23.6. Severability of Provisions. Any term or provision of this Agreement that is held by a court of competent jurisdiction or other authority to be unlawful, invalid, void or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction. If the final judgment of a court of competent jurisdiction or other authority declares that any term or provision hereof is unlawful, invalid, void or unenforceable, the Parties agree that the court making such determination shall have the power to reduce the scope, duration, area or applicability of the term or provision, to delete specific words or phrases, or to replace any unlawful, invalid, void or unenforceable term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the unlawful, invalid or unenforceable term or provision.

23.9. Election of Remedies. Neither the exercise of nor the failure to exercise a right or to give notice of a claim under this Agreement shall constitute an election of remedies or limit any Party in any manner in the enforcement of any other remedies that may be available to such Party, whether at law or in equity.

23.10. Language. This Agreement is being originally executed in the English language only. In the event that the Parties agree to have a Korean version of this Agreement following signing, this Agreement may be translated into Korean. The Parties acknowledge that the Korean version of this Agreement shall be for reference purposes only, and in the event of any inconsistency between the two texts, the English version shall control.

23.11. No Merger. It is the intention of the Lessor to lease the Land to the Lessee free of any merger of the fee estate and leasehold estate or any other interests that may be held contemporaneously by Lessor, or any of them, and Lessee. No such merger will occur until such time as the Lessee executes a written instrument specifically effecting such merger and duly records the same.

IN WITNESS WHEREOF, each of the Parties has caused this Agreement to be executed by its duly authorized representatives as of the date first above written.

NewCo shall notify Hynix in writing whether NewCo accepts or rejects such offer made in the Notice of Sale within thirty (30) days after the receipt thereof (such thirty-day period, the "Notice Period"). Unless NewCo accepts in writing such offer made in the Notice of Sale prior to the expiration of the Notice Period, Hynix shall be free to sell or otherwise dispose of such Offered Assets offered through the Notice of Sale to a third party within thirty (30) days from the date of expiration of the Notice Period; provided, however, that such sale or disposal to a third party shall not be made under terms and conditions more favorable than the offer made to NewCo in the Notice of Sale. If Hynix sells or otherwise disposes of any of such Offered Assets, it shall nonetheless continue to provide NewCo with the Services in accordance with this Agreement without any other change in the terms and conditions thereof; provided, however, that Hynix shall not be obligated to provide an Unprotected Long-Term Service following the fifth anniversary of the date hereof if NewCo has rejected the offer made in a Notice of Sale with respect to the assets used to provide such Unprotected Long-Term Service.

**Article 5. Maintenance of the Services**

5.1. During the Term of this Agreement if Hynix or any third party supplier (including Third Party Suppliers) has scheduled, or otherwise has planned to undertake inspection, testing, preventative maintenance, corrective maintenance, repairs, replacement, improvement or other similar activities to all or any portion of the Service Facilities (collectively, the "Maintenance Activities"), Hynix or the relevant third party supplier, as applicable, may, for the duration of such Maintenance Activities, interrupt, suspend or curtail the provision of relevant Services to the extent that the Maintenance Activities for the affected parts of the Service Facilities are necessary or advisable. In the event that Hynix is required to perform corrective maintenance, repairs due to malfunction or non-routine inspection due to a suspected malfunction, Hynix shall give NewCo prior written notice of such

activities to the extent reasonably possible. In the event that Hynix proposes to conduct any other Maintenance Activities, Hynix shall give NewCo as much prior written notice as reasonably possible of such activities, which in any event shall not be less than 30 days prior written notice, and Hynix shall consult with NewCo prior to undertaking or permitting to occur any such Maintenance Activity. Upon Hynix's receipt of any notice of any Maintenance Activities by any third party suppliers, Hynix promptly shall provide NewCo written notice thereof and shall consult with NewCo to the extent reasonably possible prior to permitting any such Maintenance Activities to occur.

5.2. If NewCo receives such notice as set forth in Section 5.1, then to the extent that the affected Services are insufficient to meet NewCo's requirements for NewCo's use thereof in accordance with the terms and conditions hereof, Hynix shall (i) to the extent Hynix has alternative sources available internally, provide alternate sources for the affected Services for the duration of the Maintenance Activities, (ii) to the extent that Hynix obtains any alternate sources for such Services, Hynix shall make available a pro-rata share of these alternate sources to NewCo, and (iii) if the foregoing are not available or are insufficient to meet NewCo's requirements, Hynix shall cooperate with NewCo to locate alternate sources for such Services. To the extent the foregoing alternate sources are provided by Hynix, there shall be no incremental cost or expense to NewCo. To the extent the foregoing alternate sources are provided by third-parties, NewCo shall bear the actual costs of the services it uses.

**Article 6. Coordinating Committee**

6.1. Within thirty (30) days after the Effective Date, the Parties shall establish a coordinating committee (the "Coordinating Committee") which shall consist of four (4) members, two (2) of which shall be appointed by Hynix and two (2) of which shall be appointed by NewCo. Each Party, upon prior written notice to the other Party, may from time to time remove or replace any member appointed by such Party.

6.2. Except as the Parties may otherwise agree in writing, the Coordinating Committee shall have the power and the responsibility under this Agreement to:

(a) act as a forum for the liaison between the Parties with respect to the day-to-day implementation of this Agreement;

(b) subject to Article 14, seek to resolve disputes; and

(c) undertake such other functions as the Parties may agree in writing.

**Article 7. Payments for the Services**

7.1. Hynix shall invoice NewCo on the tenth (10th) day (except that for the Vivendi Services this shall be the fourteenth (14) day, until the expiration and/or termination of the Vivendi Water and Wastewater Service Agreement) of each calendar month for the fees for the Environmental Safety & Facility Monitoring Services, Hynix Utilities and Infrastructure Support Services (except for the fees for electricity (substation of the Korea Electric Power Corporation), water and fuel, which will be invoiced as set forth in the

third sentence of this Section 7.1), Vivendi Services, Welfare Facility Services and Chemical Procurement Services, provided during the immediately preceding calendar month specifying the Services provided during that month and the amount of fees for such Services calculated in accordance with Exhibits B, C, D, E and F, respectively, and Article 3. By the twenty-fifth (25th) day of each calendar month so invoiced (except with respect to the Vivendi Services for which the due date will be the twenty-fourth (24th) day of each calendar month so invoiced, until the expiration and/or termination of the Vivendi Water and Wastewater Service Agreement), NewCo shall pay the invoiced amount and value added tax thereto to Hynix's designated account by means of a wire transfer in cash. In addition, by the fifth (5th) day prior to the due date for the fees for electricity (substation of the Korea Electric Power Corporation), water and fuel supplied by Hynix to NewCo as part of the Hynix Utilities and Infrastructure Support Services as such due date is set forth on the relevant invoice therefor, Hynix shall invoice NewCo for the fees for such Services in the amounts for which such fees are set forth on the relevant invoice issued by relevant agencies and NewCo shall pay such invoiced amount and value added tax thereto to Hynix's designated account by means of a wire transfer in cash by one (1) Business Day prior to such due date.

7.2. NewCo shall invoice Hynix on the tenth (10th) day of each calendar month for the fees for the NewCo Utilities and Infrastructure Support Services provided during the immediately preceding calendar month specifying the Services provided during that month and the amount of fees for such Services calculated in accordance with Exhibit C. By the twenty-fifth (25th) day of each calendar month so invoiced, Hynix shall pay the invoiced amount and value added tax thereto to NewCo's designated account by means of a wire transfer in cash.

7.3. All payments hereunder shall be made in Korean Won.

7.4. If a Party fails to make any payment due hereunder by the date it is due, such non-paying Party shall pay the other party, in addition to the amount of such payment due, a late charge of eight (8%) percent per annum of the outstanding amount, prorated to reflect a pro rata portion of such late charge for the period from the due date of the payment until finally paid.

7.5. Notwithstanding any dispute on the amount of payment under this Agreement, each Party shall continue to perform its obligations hereunder (including obligations to make payments of the amounts included on the invoices for the Services which are not disputed in good faith) and be entitled to exercise its rights under this Agreement; provided, however, that if a Party fails to pay in full the portion of sums invoiced by the other which are not disputed by the invoiced Party in good faith for three (3) calendar months after such sums become due, the invoicing Party may suspend or curtail the applicable Services for which payment was not made until such payment is made in full. Any invoice amount which remains disputed after thirty (30) days shall be referred to the Coordinating Committee in accordance with Section 14.2.

7.6. Each Party shall, at the request of the other Party, provide the other Party with relevant data and records for the determination of such Party's compliance with its obligations

under this Agreement (other than with respect to calculation of fees hereunder which is governed by Section 3.13); provided that a Party may make no more than one such request per calendar quarter and any such request must be reasonably specific. In this regard, each Party shall prepare and maintain proper books and records of all matters pertaining to the Services under this Agreement. Subject to Article 15 and the first sentence of this Section 7.6, upon seven (7) days prior written notice, either Party, or its authorized representatives, may examine during normal business hours, the books, records and documents of the other Party to the extent reasonably necessary for verification of compliance under this Agreement; provided, however, that if a Party is to provide such books and records to the other Party for such Party's examination and photocopying purposes, the other Party may blackout any information contained in such books and records that relates to the other Party other than information that is required for the determination of the other Party's compliance with its obligations under this Agreement.

7.7. Notwithstanding anything herein to the contrary, in the event of a bankruptcy filing with respect to NewCo, NewCo shall deposit with Hynix an amount equal to the fees paid by NewCo during the immediately preceding full calendar month under the terms of this Agreement, against which will be credited fees payable by NewCo over the thirty day period following such deposit. NewCo shall renew such deposit each thirty days in each case by reference to the fees paid by NewCo during the full calendar month immediately preceding any such renewal until such bankruptcy protection filing has been accepted by the bankruptcy court. For the avoidance of doubt, NewCo shall not be relieved of responsibility for, and shall pay when due, any fees for services hereunder during any such thirty day period to the extent in excess of the then actual deposit.

**Article 8. Representations, Warranties and Covenants**

8.1. Each Party hereby represents and warrants to the other Party that all of the statements contained in this Section 8.1 are true and correct with respect to such Party as of the Effective Date and at all times thereafter during the Term.

(a) Organization. Such Party is duly incorporated and validly existing under the laws of Korea and has full power and authority to perform its respective obligations herein.

(b) Authorization. Such Party has full corporate power and authority to execute and deliver this Agreement. The execution, delivery and performance by such Party of this Agreement have been duly authorized by all corporate actions on the part of such Party that are necessary to authorize the execution, delivery and performance by such Party of this Agreement.

(c) Binding Agreement. This Agreement has been duly executed and delivered by such Party and, assuming due and valid authorization, execution and delivery hereof by the other Party, is a valid and binding obligation of such Party, enforceable against such Party in accordance with its terms except (i) as limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent

conveyance and other similar laws of general application affecting enforcement of creditors' rights generally and (ii) the availability of the remedy of injunctive relief may be subject to the discretion of the court before which any proceeding therefor may be brought or the general principle of good faith and fairness provided for in the Korean Civil Code.

(d) No Violation of Laws or Agreements. The execution, delivery and performance of this Agreement does not, (i) contravene any provision of the articles of incorporation or bylaws, or other similar organizational documents, of such Party; or (ii) violate, conflict with, result in a breach of, or constitute a default (or an event which might, with the passage of time or the giving of notice, or both, constitute a default) under any agreement to which such Party is a party or by which it is bound.

(e) Governmental Authorizations. Such Party has obtained all required Governmental Authorizations in connection with the supply of the Services.

8.2. EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES CONTAINED IN THIS AGREEMENT OR IN THE BTA, NEITHER PARTY NOR ANY OTHER PERSON OR ENTITY ACTING ON BEHALF OF SUCH PARTY, MAKES ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED (INCLUDING ANY REPRESENTATION OR WARRANTY FOR SUFFICIENCY, SATISFACTORY RESULT OR FITNESS FOR PARTICULAR PURPOSE WITH RESPECT TO THE SERVICES PROVIDED HEREUNDER).

8.3. Each Party covenants and agrees to endeavor to cooperate with the other Party so as to minimize any interference with the other Party's operation of its business.

**Article 9. Force Majeure**

9.1. Neither Party shall be liable to the other Party for failure of or delay in the performance of any obligations under this Agreement due to causes reasonably beyond its control including (i) war, insurrections, riots, explosions and inability to obtain raw materials due to then current market situations; (ii) natural disasters and acts of God, such as violent storms, earthquakes, floods and destruction by lightning; (iii) the intervention of any governmental authority or changes in relevant laws or regulations which restrict or prohibit either Party's performance of its obligations under this Agreement or implementation of this Agreement; or (iv) strikes, lock-outs and work-stoppages (each, an "Event of Force Majeure"). Upon the occurrence of an Event of Force Majeure, the affected Party shall notify the other Party as soon as reasonably possible of such occurrence, describing the nature of the Event of Force Majeure and the expected duration thereof. Notwithstanding the foregoing, the Party receiving Services hereunder shall be under a continuing obligation to make payments for such Services which have already been supplied to the Party prior to the occurrence of an Event of Force Majeure.

9.2. If a Party is unable, by reason of an Event of Force Majeure, to perform any of its obligations under this Agreement, then such obligations shall be suspended to the extent

and for the period that the affected Party is unable to perform. If this Agreement requires an obligation to be performed by a specified date, such date shall be extended for the period during which the relevant obligation is suspended due to such an Event of Force Majeure under this Agreement.

9.3. Notwithstanding anything to the contrary contained herein, a third party supplier's (including Third Party Suppliers) failure to meet its obligations in accordance with the applicable third party supplier agreement (including Third Party Supplier Agreements) shall not constitute an Event of Force Majeure and Hynix shall be liable to NewCo for any breach of this Agreement resulting from such failure; provided that any such liability to NewCo shall be limited to the extent that such third party supplier's liability to Hynix is limited under the applicable third party supplier agreement; provided, further, that any such liability to NewCo shall be limited to the amount that Hynix actually recovers from such third party supplier. In the case of a material breach by a third party supplier, and in the event that NewCo incurs Damages resulting from such breach of the applicable third party supplier agreement material to NewCo, Hynix shall use commercially reasonable efforts to vigorously pursue all available actions for Damage compensation from any such third party supplier. In the event Hynix receives any compensation for Damages from the third party supplier for any breach, Hynix shall pay to NewCo a pro rata portion of such Damages received from the third party supplier based on the amount of Damages suffered by NewCo relative to the aggregate amount of Damages suffered by both Parties. Each Party shall be responsible for a portion of the reasonable and documented expenses of any such actions for Damage compensation in proportion to the allocation of any recovery of Damages pursuant to the preceding sentence; provided that the Parties shall cooperate in good faith to minimize such expenses and consult with each other in advance with respect to the conduct of any such action.

9.4. To the extent that the Services affected due to a third party's failure to meet its obligations under the applicable third party supplier agreement are insufficient to meet NewCo's requirements for NewCo's use thereof in accordance with the terms and conditions hereof, Hynix shall (i) to the extent Hynix has alternative sources available internally, provide such alternate sources for the affected Services for the duration the Services are affected, (ii) to the extent that Hynix obtains any alternate sources for such Services, Hynix shall make available a pro-rata share of such alternate sources to NewCo, and (iii) if the foregoing are not available or are insufficient to meet NewCo's requirements, Hynix shall cooperate with NewCo to locate alternate sources for such Services. To the extent the foregoing alternate sources are provided by Hynix, there shall be no incremental cost or expense to NewCo. To the extent the foregoing alternate sources are provided by third parties, NewCo shall bear the actual costs of the services it uses. To the extent that any service which both Parties utilize for their respective businesses remains partially available during an Event of Force Majeure (e.g., Hynix makes some quantity of service available but not the usual amount or Hynix otherwise accesses an alternative source of some quantity of service), each Party shall receive, to the extent practically possible, equal provision of such service up to the amount it would otherwise receive if there were no Event of Force Majeure.

**Article 10. Termination; Effect of Termination**

10.1. Termination. This Agreement may be terminated at any time during the Term upon occurrence of any of the following:

(a) by the non-breaching Party serving a written notice thereof to the other Party and the Coordinating Committee in the event of a material breach or default by the other Party of its obligations hereunder, which default shall not have been cured by other Party, or otherwise resolved by the Coordinating Committee, within sixty (60) days after written notice is provided by the non-breaching Party to the other Party and the Coordinating Committee; or

(b) by Hynix's serving sixty (60) days prior written notice thereof to NewCo if NewCo ceases to conduct any Permitted Business (provided that an assignment pursuant to Article 13 shall not trigger the application of this provision in so far as such assignee does not cease to conduct any Permitted Business).

10.2. Upon termination of this Agreement, each Party shall discontinue the use of all Confidential Information provided by the other Party in connection with this Agreement, and shall promptly return to the other Party any and all Confidential Information, including documents originally conveyed to it by the other Party and any copies thereof made thereafter.

10.3. Except as provided in this Section 10.3 and Section 10.4, following the termination or expiration of this Agreement all obligations and liabilities of the Parties under or arising from this Agreement shall cease and be of no effect, and neither Party shall have any liability under or arising from this Agreement as a consequence of the termination or expiration of this Agreement in accordance with Section 10.1 except for fraud or willful breach of this Agreement. Notwithstanding the foregoing, termination of this Agreement shall be without prejudice to the accrued rights and liabilities of the Parties prior to the termination of this Agreement.

10.4. The respective rights and obligations of the Parties under Sections 3.9, 3.10 and 3.11 and Articles 11, 14 and 15 and other Sections which by their nature are intended to extend beyond termination, shall survive the termination or expiry of this Agreement.

**Article 11. Indemnification**

11.1. Subject to Article 12 hereof, each Party (the "Indemnifying Party") shall defend, indemnify and hold harmless the other Party (and its shareholders, partners, members, directors, officers, employees, agents and representatives) (collectively, the "Indemnified Party") from and against, and shall pay to the Indemnified Party the amount of any Damages arising from any breach of any representation, warranty, agreement or covenant made by the Indemnifying Party under this Agreement or the negligence, gross negligence or willful misconduct of the Indemnifying Party.

**Article 12. Limitation on Liability**

12.1. Notwithstanding anything to the contrary herein, neither Party shall have any liability whatsoever to the other Party, and the other Party shall have no rights or remedies whatsoever (in each case whether in contract, tort, including negligence, or otherwise), for or in connection with any failure to provide (a) any Services in accordance with this Agreement to the extent such failure is attributable to the occurrence of an Event of Force Majeure or (b) electricity, except to the extent such failure is attributable to the Party's gross negligence, willful misconduct or intentional breach.

12.2. Notwithstanding anything to the contrary, no Party shall be liable to the other Party, whether by way of indemnity or otherwise, for any punitive damages, whether any such damages arise out of contract, equity, tort (including negligence), strict liability or otherwise arising out of, or related to, this Agreement and each Party hereby waives, to the fullest extent permitted by law, all rights with respect to punitive damages.

12.3. Notwithstanding anything to the contrary contained herein, the liability of each Party (the "Breaching Party") hereunder for Damages resulting from the Breaching Party's breach of this Agreement or its negligence, gross negligence or willful misconduct shall be limited to (a) in the event that the Breaching Party proves that such breach was the result of the negligence of the Breaching Party and no other reason or, in the case of a tort claim, the Indemnifying Party proves that such Damages resulted from the negligence of the Indemnifying Party and no other reason, the aggregate amount received by the Breaching Party in fees hereunder for the calendar year prior to the year of determination for the Service affected by such breach and (b) in all other events, including if the breach was the result of gross negligence, willful misconduct or intentional breach, the maximum amount permitted by Korean law.

12.4. If any Indemnified Party is at any time entitled to recover under any third-party policy of insurance (excluding any self-insurance that is not reinsured with a third party), in respect of any Damages for which indemnification is sought under Article 11, the Indemnified Party shall, at the request of the Indemnifying Party, use its commercially reasonable efforts to enforce such recovery for the benefit of the Indemnifying Party and, upon recovery under such policy, reduce the amount of Damages for which it is seeking indemnification under Article 11 by the amount actually recovered under the policy (net of all costs, charges and expenses of the Indemnified Party in connection with such recovery).

12.5. Each Party shall subscribe for and maintain in effect, at its own expense, such insurance covering the Damages incurred from any electricity failure, with such amounts and other terms as a reasonably prudent business would maintain under like circumstances.

**Article 13. Assignment**

13.1. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns; provided, however, that no Party will assign its rights or delegate its obligations under this Agreement without the express prior

written consent of the other Party, except that (i) NewCo may assign its rights hereunder as collateral security to any bona fide financial institution engaged in financing in the ordinary course providing financing to the Warrant Issuer or its Subsidiaries and any of the foregoing financial institutions may assign such rights in connection with a sale of NewCo in the form then being conducted by NewCo substantially as an entirety; (ii) Hynix and NewCo each may, upon written notice to the other Party (but without the obligation to obtain the consent of such other Party), assign this Agreement or any of its rights and obligations under this Agreement to any person, entity or organization that succeeds (by purchase, merger, operation of law or otherwise) to all or substantially all of the capital stock, assets or business of such party, to all or substantially all of its assets and liabilities or to all or substantially all of the assets and liabilities of the portion of the Party's business to which the subject of this Agreement relates or of a division of the Party, if such person or entity agrees in writing to assume and be bound by all of the relevant obligations of such Party under this Agreement; and (iii) NewCo may, upon written notice to Hynix (but without the obligation to obtain the consent of Hynix), assign this Agreement or any of its rights and obligations under this Agreement to one or more direct or indirect Subsidiaries of Warrant Issuer.

13.2. Notwithstanding anything to the contrary contained herein, Hynix may be entitled to utilize any subcontractor or supplementary provider in performing all or any parts of its obligations under this Agreement without any prior written consent of NewCo; provided that Hynix remains liable under this Agreement for the performance of all of its obligations.

**Article 14. Governing Law; Dispute Resolution**

14.1. This Agreement shall be governed by and construed in accordance with the laws of Korea without reference to the choice of law principles thereof.

14.2. Each Party seeking the resolution of a dispute arising under this Agreement must provide written notice of such dispute to the other Party, which notice shall describe the nature of such dispute. All such disputes shall be referred initially to the Coordinating Committee for resolution. Decisions of the Coordinating Committee under this Section 14.2 shall be made by unanimous vote of all members and shall be final and legally binding on the Parties. If a dispute is resolved by the Coordinating Committee, then the terms of the resolution and settlement of such dispute shall be set forth in writing and signed by both Parties. In the event that the Coordinating Committee does not resolve a dispute within thirty (30) days of the submission thereof, such dispute shall be resolved in accordance with Section 14.3. Notwithstanding the foregoing, Hynix and NewCo shall each continue to perform its obligations under this Agreement during the pendency of such dispute in accordance with this Agreement.

14.3. The Parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the Parties shall be entitled to an injunction to prevent any breach of this Agreement and to enforce specifically the terms and provisions of this Agreement by bringing a relevant action in the Seoul Central

District Court in Seoul, Korea, in addition to any other remedy to which any Party may be entitled at law or in equity. In addition, the Parties agree that any dispute, claims or controversy between the Parties arising out of or relating to this Agreement, whether in contract, tort, equity or otherwise and whether relating to the meaning, interpretation, effect, validity, performance or enforcement of this Agreement, which is not resolved by the Coordinating Committee pursuant to Section 14.2 may be submitted to the exclusive jurisdiction of the Seoul Central District Court, in Seoul, Korea. Each of the Parties irrevocably waives, to the fullest extent permitted by law, any objection which it may now, or hereafter, have with respect to the jurisdiction of, or the venue in, the Seoul Central District Court.

**Article 15. Confidentiality**

15.1. Neither Party shall, except as expressly permitted by the terms of this Agreement, disclose to any third party the terms and conditions of this Agreement, the existence of this Agreement and any Confidential Information which either Party obtains from the other Party in connection with this Agreement and/or use such Confidential Information for any purposes whatsoever other than those contemplated hereunder; provided, however, that this Agreement (and its terms and conditions) may be disclosed and filed publicly in connection with a public offering of securities by NewCo or its Affiliates. "Confidential Information" shall mean any and all information including technical data, trade secrets or know-how, disclosed by either Party to the other Party in connection with this Agreement, which is marked as "Proprietary" or "Confidential" or is declared by the other Party, whether in writing or orally, to be confidential, or which by its nature would reasonably be considered confidential.

15.2. The obligation of confidentiality in Section 15.1 shall not apply to any information that: (a) was known to the other Party without an obligation of confidentiality prior to its receipt thereof from the disclosing Party; (b) is or becomes generally available to the public without breach of this Agreement, other than as a result of a disclosure by the recipient Party, its representatives, its Affiliates or the representatives of its Affiliates in violation of this Agreement; (c) is rightfully received from a third party with the authority to disclose without obligation of confidentiality and without breach of this Agreement; or (d) is required by law or regulation to be disclosed by a recipient Party or its representatives (including by oral question, interrogatory, subpoena, civil investigative demand or similar process), provided that written notice of any such disclosure shall be provided to the disclosing Party in advance. If a Party determines that it is required to disclose any information pursuant to applicable law (including the requirements of any law, rule or regulation in connection with a public offering of securities by NewCo or its Affiliates) or receives any demand under lawful process to disclose or provide information of the other Party that is subject to the confidentiality provisions hereof, such Party shall notify the other Party prior to disclosing and providing such information and shall cooperate at the expense of the requesting Party in seeking any reasonable protective arrangements requested by such other Party. Subject to the foregoing, the Party that receives such request may thereafter disclose or provide information to the extent required by such law or by lawful process.

**Article 16. Miscellaneous**

16.1. Exercise of Right. A Party may exercise a right, power or remedy at its discretion, and separately or concurrently with another right, power or remedy. A single or partial exercise of a right, power or remedy by a Party does not prevent a further exercise of that or of any other right, power or remedy. A failure to exercise a right, power or remedy or a delay in exercising a right, power or remedy by a Party does not prevent such Party from exercising the same right thereafter.

16.2. Extension; Waiver. At any time during the Term, each of Hynix and NewCo may (a) extend the time for the performance of any of the obligations or other acts of the other or (b) waive any inaccuracies in the representations and warranties of the other contained in this Agreement or in any document delivered pursuant to this Agreement. Any agreement on the part of a Party to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such Party. The failure of any Party to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of those rights. Any rights under this Agreement may not be waived except in writing signed by the Party granting the waiver or varied except in writing signed by the Parties.

16.3. Notices. Any notice, request, demand, waiver, consent, approval or other communication which is required or permitted to be given to any Party shall be in writing and shall be deemed duly given only upon delivery to the Party personally (including by reputable overnight courier service), when telecopied (with confirmation of transmission having been received) during normal business hours or three days after being mailed by registered or certified mail (return receipt requested), with postage and registration or certification fees thereon prepaid, addressed to the Party at its address set forth below (or at such other address for a party as shall be specified by such Party by like notice):

16.4. Fees and Expenses. All costs and expenses incurred in connection with this Agreement shall be paid by the Party incurring such expenses, except as specifically provided to the contrary in this Agreement.

16.5. Entirety; No Third Party Beneficiaries. This Agreement (a) constitutes the entire agreement between the Parties and supersedes all prior agreements and understandings, both written or oral, between the Parties with respect to the subject matter hereof and (b) is not intended to confer upon any person other than the Parties hereto any rights or remedies hereunder.

16.6. Severability of Provisions. Any term or provision of this Agreement that is held by a court of competent jurisdiction or other authority to be unlawful, invalid, void or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction. If the final judgment of a court of competent jurisdiction or other authority declares that any term or provision hereof is unlawful, invalid, void or unenforceable, the Parties agree that the court making such determination shall have the power to reduce the scope, duration, area or applicability of the term or provision, to delete specific words or phrases, or to replace any unlawful, invalid, void or unenforceable term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the unlawful, invalid or unenforceable term or provision.

16.7. Amendment and Modification. This Agreement (for the avoidance of doubt, including Exhibits attached hereto) may be amended, modified and supplemented in any and all respects, but only by a written instrument signed by the Parties expressly stating that such instrument is intended to amend, modify or supplement this Agreement.

16.8. Counterparts. This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement.

16.9. Election of Remedies. Neither the exercise of nor the failure to exercise a right or to give notice of a claim under this Agreement shall constitute an election of remedies or limit any Party in any manner in the enforcement of any other remedies that may be available to such Party, whether at law or in equity.

16.10. Language. This Agreement is being originally executed in the English language only. In the event that the Parties agree to have a Korean version of this Agreement following

signing, this Agreement may be translated into Korean. The Parties acknowledge that the Korean version of this Agreement shall be for reference purposes only, and in the event of any inconsistency between the two texts, the English version shall control.

16.11. Relationship of the Parties. Each Party shall perform its obligations hereunder as an independent contractor. This Agreement does not create a fiduciary or agency relationship between Hynix and NewCo, each of which shall be and at all times remain independent companies for all purposes hereunder. Nothing in this Agreement is intended to make either Party a general or special agent, joint venturer, partner or employee of the other for any purpose.

**Article 2. Term of Agreement; Duration of Services**

2.1 This Agreement shall become effective on the Closing Date and shall continue in full force and effect for so long as any service is being provided hereunder, unless earlier terminated in accordance with Article 11 (the "Term").

2.2 Unless specified otherwise in this Article 2, each of the Services shall be provided from the Closing Date until the date that is one (1) year after the Closing Date (the "Initial Service Period"), unless otherwise earlier terminated pursuant to this Agreement. After the Initial Service Period for a Service, such Service shall be provided for one additional one (1) year period (the "Extended Service Period"), unless NewCo notifies Hynix in writing of its desire not to renew the provision of such Service at least thirty (30) days prior to the expiration of the Initial Service Period or the Service is earlier terminated pursuant to this Agreement.

2.3 Notwithstanding any other provision of this Agreement to the contrary, subject to Sections 2.4 and 2.5, NewCo may terminate the provision of any Service, in whole or in part, by providing Hynix with sixty (60) days prior notice of such termination (or such shorter period of notice as is specified for such Service on Exhibit A). NewCo shall not be obligated to pay Hynix the service fees attributable to such cancelled Service(s), or part thereof, to the extent such fees are for services provided for any period beginning on or after the effective date of such termination.

2.4 Subject to Sections 4.2 and 4.3, with respect to any Service for which Hynix is utilizing any Third Party Supplier in performing Hynix's obligations under this Agreement, NewCo may terminate such Service only to the extent permitted under the applicable Third Party Supplier Agreement or as otherwise agreed by the applicable Third Party Supplier; provided that Hynix shall provide NewCo with written notice of the expiration date of the applicable Third Party Supplier Agreement ("Expiration Notice") twenty (20) Business Days prior to (i) the deadline of the renewal notice period stipulated under such applicable Third Party Supplier Agreement or (ii) the expiration date, whichever is earlier, and NewCo shall have the right to terminate the provision of any such Service at the end of the then current term of the applicable Third Party Supplier Agreements by providing Hynix with notice of termination within at least ten (10) Business Days after receipt of the Expiration Notice. Notwithstanding the foregoing, all Services, whether provided directly by Hynix or through a Third Party Supplier, shall terminate at the end of the Initial Service Period or the Extended Service Period, as the case may be.

2.5 With respect to the Services described in Paragraph II.E.2 of Exhibit A relating to Hynix's data warehouse system, NewCo may not terminate such Services during the Initial Service Period, unless earlier terminated in accordance with Article 11. NewCo may terminate such Services with 60 days prior written notice at any time after the Initial Service Period.

**Article 3. Services**

3.1 Under the terms and conditions of this Agreement, Hynix shall provide, or cause the applicable Third Party Supplier to provide, NewCo with (a) FA Internet/WAN Services, (b) FA Infrastructure Services, (c) FA Network Services, (d) IT

Infrastructure Services, (e) IT Network Services, (f) IT OA Equipments Services, (g) IT CAD System Services and (h) IT Usage and Support Services described in Exhibit A, during the Term and NewCo shall receive such Services from Hynix, for the periods determined in accordance with Article 2.

3.2 Until such time as NewCo's IT Network and FA Network have been separated from the Hynix network with which they are interconnected (any such separation, a "Network Separation"), Hynix and NewCo shall cooperate with each other and take all such action as the other may reasonably request in furtherance of the operation of such respective (but interconnected) network systems (each such set of interconnected network systems collectively, a "Joint Network"). When the Parties mutually agree to initiate a Network Separation, which the Parties must agree to prior to the end of the Term, each Party shall provide such cooperation and take all such actions as the other Party may reasonably request in connection with such Network Separation, including actions designed to achieve such Network Separation as efficiently as possible and with as little disruption to NewCo's and Hynix's business as possible.

3.3 The Parties shall maintain the security of any Joint Network and the NewCo and Hynix data contained thereon or passing there through at no additional cost to either Party by using firewalls, software encryption, passwords and such other security measures and procedures and access requirements, including intrusion detection, network monitoring and virus-scanning facilities as a reasonably prudent business would employ (and at least commensurate with industry standards). The data of each Party within or passing through any Joint Network shall be the exclusive property of such Party and the other Party shall not access or use such data. Until the Network Separation, each Party, upon request of the other Party, shall provide the other Party with the connection status of such Party's Joint Network equipment and shall cooperate with each other in good faith to change the settings of such equipment upon the other Party's reasonable request for such change as required for the other Party's business.

3.4 With respect to any use of Service Assets provided to NewCo herein, subject to Article 6, such use shall be for up to 24 hours per day for each day in the period during which NewCo is entitled to such Service.

3.5 In addition to the Services set forth herein, Hynix and NewCo acknowledge and agree that there may be additional services which have not been identified but which historically have been provided by Hynix to the Business and which shall continue to be required or desired by NewCo. If, within one year of the Closing Date, any such additional services are identified and requested reasonably in advance by NewCo, Hynix shall provide such additional services to NewCo in a manner consistent with the other Services, at a price no greater than actual cost, and, to the extent applicable, calculated by taking into account the AUP. Any such additional services shall be provided until the second anniversary of the date hereof, subject to Section 2.3. With respect to additional services which historically have not been provided by Hynix with respect to the Business ("New Service"), at the request of NewCo, the Parties will discuss in good faith the provision of any such New Service by Hynix to NewCo.

3.6 The fees for the Services shall be determined in accordance with Appendix I. Any fees for the Services to be provided hereunder are set forth on Appendix I and there are no other fees for the Services except as set forth thereon. To the extent applicable, calculations hereunder shall be made by taking into account the AUP.

3.7 Notwithstanding anything herein to the contrary but subject to the last sentence of Section 3.5, the Parties acknowledge and agree that it is their mutual intent that the fees for the Services provided hereunder shall be no greater than the actual cost reasonably incurred to provide such Services. The Parties agree to cooperate in good faith in furtherance of the foregoing, including by adjusting the fees from time to time if necessary in order to effectuate this intent and by conducting, at the request of NewCo, an audit of the fees in each calendar year during which services are provided (at a time within the first six months of the succeeding calendar year mutually agreed to in good faith) to compare the costs actually incurred to provide the Services hereunder during such period with the fees paid for such Services. Hynix may dispute the results of any such audit, provided that Hynix shall notify NewCo in writing of such disputed results within 30 days of Hynix's receipt of the results of the audit. In the event of any such dispute, Hynix and NewCo shall attempt to reconcile their differences and any resolution by them as to any disputed amounts shall be final, binding and conclusive on Hynix and NewCo. If Hynix and NewCo are unable to reach a resolution to such effect of all disputed amounts within 30 days of receipt of Hynix's written notice of dispute to NewCo, NewCo and Hynix shall submit the amounts remaining in dispute for resolution to the Independent Accounting Firm, which shall, within 30 days after such submission, determine and report to Hynix and NewCo with respect to the amounts disputed. The findings of the Independent Accounting Firm shall be final, binding and conclusive on Hynix and NewCo. If the results of any such audit as finally determined indicate that NewCo has, in the aggregate with respect to all costs audited, paid more than the amount otherwise required to have been paid pursuant to this Agreement, Hynix shall promptly (and in no event later than 30 days from the date of such determination) refund the amount of such overpayment to NewCo. If the results of any such audit as finally determined indicate that NewCo has, in the aggregate with respect to all costs audited, paid less than the amount otherwise required to have been paid pursuant to this Agreement, NewCo shall promptly (and in no event later than 30 days from the date of such determination) pay the amount of such underpayment to Hynix. For any individual deficiency or overpayment indicated by the results of any such audit as finally determined, the Party owing the payment shall pay to the other Party, in addition to such payment due, interest thereon at a rate of eight (8%) percent per annum of such deficiency or overpayment for the period from the date of such deficiency or overpayment until the date finally paid or reimbursed, as the case may be. The total costs involved in any such audit shall be paid by: (i) NewCo, in the case that the audit demonstrates a deviation in the aggregate with respect to all audited costs of less than 5% from the amount otherwise required to have been paid pursuant to this Agreement, (ii) both Parties equally, in the case that the audit demonstrates a deviation from 5% to 10% and (iii) Hynix, in the event that the audit demonstrates a deviation greater than 10%. Hynix shall use its commercially reasonable efforts to minimize the costs incurred to provide the Services. The Parties agree that the audit contemplated hereunder shall be conducted only once in each calendar year for all of the following agreements entered into by and between the Parties and/or their Affiliates as of the date hereof: General Service Supply Agreement, R&D Equipment Utilization Agreement, IT & FA Service Agreement, Taiwan Overseas Sales Services Agreement, U.S. Overseas Sales Services Agreement, Japan Overseas Sales Services Agreement, U.K. Overseas Sales Services Agreement and Hong Kong Overseas Sales Services Agreement.

3.8 Subject to Section 2.4, at any time that NewCo elects to pursue the receipt directly from a third party of Services provided hereunder by Hynix or a Third Party Supplier, Hynix shall provide such cooperation and take such actions as NewCo shall reasonably request to facilitate the transition of the provision of such Services from the provider hereunder to such third party.

**Article 4. Provision of the Services**

4.1 Subject to Section 2.4, the obligations of Hynix to provide each of the Services provided by the Third Party Suppliers shall be subject at all times to the terms and conditions of the applicable Third Party Supplier Agreements; provided that NewCo shall be entitled to participate as an observer in any negotiations that Hynix may have with any Third Party Supplier regarding the provision of services by such Third Party Supplier, including any renewal, replacement, modification or termination of any Third Party Supplier Agreement and Hynix shall notify the result of such negotiations as soon as reasonably practicable after the end of such negotiations. Hynix shall provide written notice to NewCo fourteen (14) days prior to the commencement of any negotiations with any Third Party Suppliers.

4.2 Notwithstanding anything to the contrary contained herein, with respect to the HIT Agreement, prior to December 31, 2004, the Parties shall jointly negotiate with HIT regarding the provision of services by HIT for the calendar year 2005. During such negotiations and in any event prior to December 31, 2004, NewCo shall have either of the following two options: (a) to enter into an agreement with Hynix and HIT regarding the provision of services by HIT for the calendar year 2005, in which case the Services for which Hynix is utilizing HIT in performing Hynix's obligations under this Agreement will terminate on December 31, 2004 or (b) to enter into a separate agreement with HIT or any other third party regarding the provision of such services, in which case the Services for which Hynix is utilizing HIT in performing Hynix's obligations under this Agreement shall terminate on December 31, 2004.

4.3 Notwithstanding anything to the contrary contained herein, with respect to the Synopsis Agreements, prior to December 31, 2004, the Parties shall jointly negotiate with Synopsis regarding the provision of services by Synopsis for the calendar year 2005. During such negotiations and in any event prior to December 31, 2004, NewCo shall have either of the following two options: (a) to enter into an agreement with Hynix and Synopsis regarding the provision of services by Synopsis for the calendar year 2005, in which case the Services for which Hynix is utilizing Synopsis in performing Hynix's obligations under this Agreement will terminate on December 31, 2004 or (b) to enter into a separate agreement with Synopsis or any other third party regarding the provision of such services, in which case the Services for which Hynix is utilizing Synopsis in performing Hynix's obligations under this Agreement shall terminate on December 31, 2004.

4.4 Subject to Article 14, NewCo shall use the Services for the sole purpose of operating and maintaining NewCo's business and may not grant access to any third party to

VPN, HR, DW or Joint Network assets for purposes of changing any configuration system of such assets without Hynix's prior written consent (which shall not be unreasonably withheld).

4.5 All Services under this Agreement shall be performed in compliance with all applicable laws and regulations in all material respects, in a manner, to the extent and at a time, substantially consistent with past practice and in the manner, extent and time in which Hynix performs similar services (including with respect to using employees with similar levels and experience). Hynix agrees to take timely and adequate action to correct any deficiency in the performance of any Service.

4.6 Notwithstanding anything herein to the contrary, NewCo may make such improvements or additions to NewCo's systems and NewCo's assets as are required or desirable for the transition, setting-up or continuing operation of NewCo's business.

4.7 Hynix shall provide NewCo with reports relating to the Services provided directly by Hynix as reasonably requested by NewCo and of a type customarily provided by third party service providers. Hynix shall provide NewCo with copies of reports relating to the Services for which Hynix is utilizing a Third Party Supplier in performing Hynix's obligations under this Agreement to the extent such reports are provided to Hynix by Third Party Suppliers under the applicable Third Party Supplier Agreements.

4.8 Each Party agrees that it shall, and shall cause its directors, officers, employees, agents, representatives and third party service providers to comply, in all material respects, with all reasonable security rules and regulations of the other Party, to the extent that the forgoing is applicable to the performance of the Services.

**Article 5. Right of First Refusal**

5.1 In the event that Hynix wishes to sell or otherwise dispose of all or any part of its Service Assets ("Offered Assets") at any time during the Term, Hynix shall first make an offer for the sale of such Offered Assets to NewCo by giving NewCo a written notice setting forth the price and other terms and conditions thereof ("Notice of Sale"). NewCo shall notify Hynix in writing whether NewCo accepts or rejects such offer made in the Notice of Sale within thirty (30) days after the receipt thereof (such thirty-day period, the "Notice Period"). Unless NewCo accepts in writing such offer made in the Notice of Sale prior to the expiration of the Notice Period, Hynix shall be free to sell or otherwise dispose of such Offered Assets offered through the Notice of Sale to a third party within thirty (30) days from the date of expiration of the Notice Period; provided, however, that such sale or disposal to a third party shall not be made under terms and conditions more favorable than the offer made to NewCo in the Notice of Sale. If Hynix sells or otherwise disposes of any of such Offered Assets, it shall nonetheless continue to provide NewCo with the Services in accordance with this Agreement without any other change in the terms and conditions thereof.

**Article 6. Maintenance of the Services**

6.1 During the Term of this Agreement if Hynix or any third party suppliers (including

Third Party Suppliers) has scheduled, or otherwise has planned to undertake inspection, testing, preventative maintenance, corrective maintenance, repairs, replacement, improvement or other similar activities to all or any portion of the Service Assets (collectively, the "Maintenance Activities"), Hynix or the relevant third party supplier, as applicable, may, for the duration of such Maintenance Activities, interrupt, suspend or curtail the provision of relevant Services to the extent that the Maintenance Activities for the affected parts of the Service Assets are necessary or advisable. In the event that Hynix is required to perform corrective maintenance, repairs due to malfunction or non-routine inspection due to a suspected malfunction, Hynix shall give NewCo prior written notice of such activities to the extent reasonably possible. In the event that Hynix proposes to conduct any other Maintenance Activities, Hynix shall give NewCo as much prior written notice as reasonably possible of such activities, which in any event shall not be less than 30 days prior written notice, and Hynix shall consult with NewCo prior to undertaking or permitting to occur any such Maintenance Activity. Upon Hynix's receipt of any notice of any Maintenance Activities by any third party suppliers, Hynix promptly shall provide NewCo written notice thereof and shall consult with NewCo to the extent reasonably possible prior to permitting any such Maintenance Activities to occur.

6.2 If NewCo receives such notice as set forth in Section 6.1, then to the extent that the affected Services are insufficient to meet NewCo's requirements for the operation of NewCo's business, Hynix shall (i) provide alternate sources for the affected Services for the duration of the Maintenance Activities to the extent that such sources are internally available to Hynix, (ii) to the extent that Hynix obtains any alternate sources for such Services, Hynix shall make available a pro-rata share of these alternate sources to NewCo, and (iii) if the foregoing are not available or are insufficient to meet NewCo's requirements, Hynix shall cooperate with NewCo to locate alternate sources for such Services. To the extent the foregoing alternate sources are provided by Hynix, there shall be no incremental cost or expense to NewCo. To the extent the foregoing alternate sources are provided by third-parties, NewCo shall bear the actual costs of the services it uses.

**Article 7. Coordinating Committee**

7.1 Within thirty (30) days from the Closing Date, the Parties shall establish a coordinating committee (the "Coordinating Committee") which shall consist of four (4) members, two (2) of which shall be appointed by Hynix and two (2) of which shall be appointed by NewCo. Each Party, upon prior written notice to the other Party, may from time to time remove or replace any member appointed by such Party.

7.2 Except as the Parties may otherwise agree in writing, the Coordinating Committee shall have the power and the responsibility under this Agreement to:

(a) act as a liaison between the Parties on the implementation of this Agreement;

(b) subject to Article 15, seek to resolve disputes; and

(c) undertake such other functions as the Parties may agree in writing.

**Article 8. Payment for the Services**

8.1 Hynix shall invoice NewCo on the tenth (10th) day of each calendar month for the fees for the Services provided under this Agreement for the immediately preceding calendar month specifying the Services provided during that month and the amount of fees for such Services calculated in accordance with Appendix I and Article 3. By the twenty-fifth ($25^{th}$) of each calendar month so invoiced, NewCo shall pay the invoiced amount and value added tax thereto to Hynix's designated account by means of a wire transfer in immediately available funds.

8.2 All payments hereunder shall be made in Korean Won.

8.3 If a Party fails to make any payment due hereunder by the date it is due, such non-paying Party shall pay the other party, in addition to the amount of such payment due, a late charge of eight (8%) percent per annum of the outstanding amount, prorated to reflect a pro rata portion of such late charge for the period from the due date of the payment until the date the fees are fully paid.

8.4 Notwithstanding any dispute on the amount of payment under this Agreement, each Party shall continue to perform its obligations hereunder (including obligations to make payments of the amounts included on the invoices for the Services which are not disputed in good faith) and be entitled to exercise its rights under this Agreement; provided, however, that if a Party fails to pay in full the portion of sums invoiced by the other which are not disputed by the invoiced Party in good faith for three (3) calendar months after such sums become due, the invoicing Party may suspend or curtail the applicable Services for which payment was not made until such payment is made in full. Any invoice amount that remains disputed after thirty (30) days shall be referred to the Coordinating Committee in accordance with Section 15.2.

8.5 Hynix shall, at the request of NewCo, provide NewCo with relevant data and records for the determination of Hynix's compliance with its obligations under this Agreement (other than with respect to calculation of fees hereunder which shall be governed by Section 3.7); provided that NewCo may make no more than one such request per calendar quarter and any such request must be reasonably specific. In this regard, Hynix shall prepare and maintain proper books and records of all matters pertaining to the Services under this Agreement. Subject to Article 16 and the first sentence of this Section 8.5, upon seven (7) days prior written notice, NewCo or its authorized representatives, may examine during normal business hours, the books, records and documents of Hynix to the extent necessary for verification of compliance under this Agreement; provided, however, that if Hynix is to provide such books and records to NewCo for NewCo's examination and photocopying purposes, Hynix may blackout any information contained in such books and records that relates to Hynix other than information that is required for the determination of Hynix's compliance with its obligations under this Agreement.

8.6 Notwithstanding anything herein to the contrary, in the event of a bankruptcy filing with respect to NewCo, NewCo shall deposit with Hynix an amount equal to the fees paid by NewCo during the immediately preceding full calendar month under the

terms of this Agreement, against which will be credited fees payable by NewCo over the thirty day period following such deposit. NewCo shall renew such deposit each thirty days in each case by reference to the fees paid by NewCo during the full calendar month immediately preceding any such renewal until such bankruptcy protection filing has been accepted by the bankruptcy court. For the avoidance of doubt, NewCo shall not be relieved of responsibility for, and shall pay when due, any fees for services hereunder during any such thirty day period to the extent in excess of the then actual deposit.

**Article 9. Representations, Warranties and Covenants**

The execution, delivery and performance of this Agreement does not, (i) contravene any provision of the articles of incorporation or bylaws, or other similar organizational documents, of such Party; or (ii) violate, conflict with, result in a breach of, or constitute a default (or an event which might, with the passage of time or the giving of notice, or both, constitute a default) under any agreement to which such Party is a party or by which it is bound.

(e) Governmental Authorizations. Such Party has obtained all required Governmental Authorizations in connection with the performance of its obligations under this Agreement.

9.2 EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES CONTAINED IN THIS AGREEMENT OR IN THE BTA, NEITHER PARTY NOR ANY OTHER PERSON OR ENTITY ACTING ON BEHALF OF SUCH PARTY, MAKES ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, INCLUDING ANY REPRESENTATION OR WARRANTY FOR SUFFICIENCY, SATISFACTORY RESULT OR FITNESS FOR PARTICULAR PURPOSE WITH RESPECT TO THE SERVICES PROVIDED HEREUNDER.

9.3 Each Party covenants and agrees to endeavor to cooperate with the other Party so as to minimize any interference with the other Party's operation of its business.

**Article 10. Force Majeure**

10.1 Neither Party shall be liable to the other Party for failure of or delay in the performance of any obligations under this Agreement due to causes reasonably beyond its control including (i) war, insurrections, riots, explosions and inability to obtain raw materials due to then current market situations; (ii) natural disasters and acts of God, such as violent storms, earthquakes, floods and destruction by lightning; (iii) the intervention of any governmental authority or changes in relevant laws or regulations which restrict or prohibit either Party's performance of its obligations under this Agreement or implementation of this Agreement; or (iv) strikes, lock-outs and work-stoppages (each, an "Event of Force Majeure"). Upon the occurrence of an Event of Force Majeure, the affected Party shall notify the other Party as soon as reasonably possible of such occurrence, describing the nature of the Event of Force Majeure and the expected duration thereof. Notwithstanding the foregoing, the Party receiving Services hereunder shall be under a continuing obligation to make payments for such Services which have already been supplied to the Party prior to the occurrence of an Event of Force Majeure.

10.2 If a Party is unable, by reason of an Event of Force Majeure, to perform any of its obligations under this Agreement, then such obligations shall be suspended to the extent and for the period that the affected Party is unable to perform. If this Agreement requires an obligation to be performed by a specified date, such date shall be extended for the period during which the relevant obligation is suspended due to such an Event of Force Majeure under this Agreement.

10.3 Notwithstanding anything to the contrary contained herein, a third party supplier's (including Third Party Suppliers) failure to meet its obligations in accordance with the applicable third party supplier agreement (including Third Party Supplier Agreements) shall not constitute an Event of Force Majeure and Hynix shall be liable to NewCo for any breach of this Agreement resulting from such failure; provided that any such liability to NewCo shall be limited to the extent that such third party supplier's liability to Hynix is limited under the applicable third party supplier agreement; provided, further, that any such liability to NewCo shall be limited to the amount that Hynix actually recovers from such third party supplier. In the case of a material breach by a third party supplier, and in the event that NewCo incurs Damages resulting from such breach of the applicable third party supplier agreement

material to NewCo, Hynix shall use commercially reasonable efforts to vigorously pursue all available actions for Damage compensation from any such third party supplier. In the event Hynix receives any compensation for Damages from the third party supplier for any breach, Hynix shall pay to NewCo a pro rata portion of such actual Damages received from the third party supplier based on the amount of Damages suffered by NewCo relative to the aggregate amount of Damages suffered by both Parties. Each Party shall be responsible for a portion of the reasonable and documented expenses of any such actions for Damage compensation in proportion to the allocation of any recovery of Damages pursuant to the preceding sentence; provided that the Parties shall cooperate in good faith to minimize such expenses and consult with each other in advance with respect to the conduct of any such action.

10.4 To the extent that the Services affected due to a third party's failure to meet its obligations under the applicable third party supplier agreement are insufficient to meet NewCo's requirements for NewCo's use thereof in accordance with the terms and conditions hereof, Hynix shall (i) to the extent Hynix has alternative sources available internally, provide such alternate sources for the affected Services for the duration the Services are affected, (ii) to the extent that Hynix obtains any alternate sources for such Services, Hynix shall make available a pro-rata share of such alternate sources to NewCo, and (iii) if the foregoing are not available or are insufficient to meet NewCo's requirements, Hynix shall cooperate with NewCo to locate alternate sources for such Services. To the extent the foregoing alternate sources are provided by Hynix, there shall be no incremental cost or expense to NewCo. To the extent the foregoing alternate sources are provided by third parties, NewCo shall bear the actual costs of the services it uses. To the extent that any service which both Parties utilize for their respective businesses remains partially available during an Event of Force Majeure (e.g., Hynix makes some quantity of service available but not the usual amount or Hynix otherwise accesses an alternative source of some quantity of service), each Party shall receive, to the extent practically possible, equal provision of such service up to the amount it would otherwise receive if there were no Event of Force Majeure.

**Article 11. Termination**

11.1 Termination. This Agreement may be terminated at any time during the Term upon occurrence of any of the following:

(a) by the non-breaching Party serving a written notice thereof to the other Party and the Coordinating Committee in the event of a material breach or default by the other Party of its obligations hereunder, which default shall not have been cured by other Party, or otherwise resolved by the Coordinating Committee, within sixty (60) days after written notice is provided by the non-breaching Party to the other Party and the Coordinating Committee; or

(b) by Hynix's serving sixty (60) days prior written notice thereof to NewCo if NewCo ceases to conduct any Permitted Business (provided that an assignment pursuant to Article 14 shall not trigger the application of this provision in so far as such assignee does not cease to conduct any Permitted Business).

11.2 Upon termination of this Agreement, each Party shall discontinue the use of all Confidential Information provided by the other Party in connection with this Agreement, and shall promptly return to the other Party any and all Confidential Information, including documents originally conveyed to it by the other Party and any copies thereof made thereafter.

11.3 Except as provided in this Section 11.3 and Section 11.4, following the termination or expiration of this Agreement all obligations and liabilities of the Parties under or arising from this Agreement shall cease and be of no effect, and neither Party shall have any liability under or arising from this Agreement as a consequence of the termination or expiration of this Agreement in accordance with Section 11.1 except for fraud or willful breach of this Agreement. Notwithstanding the foregoing, termination of this Agreement shall be without prejudice to the accrued rights and liabilities of the Parties prior to the termination of this Agreement.

11.4 The respective rights and obligations of the Parties under Section 3.2, under Articles 12, 13, 15 and 16 and other Sections which by their nature are intended to extend beyond termination, shall survive termination or expiry of this Agreement.

**Article 12. Indemnification**

12.1 Subject to Article 13 hereof, each Party (the "Indemnifying Party") shall indemnify, defend and hold harmless the other Party (and its shareholders, partners, members, directors, officers, employees, agents and representatives) (collectively, the "Indemnified Party") from and against, and shall pay to the Indemnified Party the amount of any Damages arising from any breach of any representation, warranty, agreement or covenant made by the Indemnifying Party under this Agreement or the negligence, gross negligence or willful misconduct of the Indemnifying Party.

**Article 13. Limitation on Liability**

13.1 Notwithstanding anything to the contrary herein, neither Party shall have any liability whatsoever to the other Party, and the other Party shall have no rights or remedies whatsoever (in each case whether in contract, tort, including negligence, or otherwise), for or in connection with any failure to provide any Services or fees for Services (as applicable) in accordance with this Agreement to the extent such failure is attributable to the occurrence of an Event of Force Majeure.

13.2 Notwithstanding anything to the contrary, no Party shall be liable to the other Party, whether by way of indemnity or otherwise, for any punitive damages, whether any such damages arise out of contract, equity, tort (including negligence), strict liability or otherwise, arising out of, or related to, this Agreement and each Party hereby waives, to the fullest extent permitted by law, all rights with respect to punitive damages.

13.3 Notwithstanding anything to the contrary contained herein, the liability of each Party

(the "Breaching Party") hereunder for Damages resulting from the Breaching Party's breach of this Agreement or its negligence, gross negligence or willful misconduct shall be limited to (a) in the event that the Breaching Party proves that such breach was the result of the negligence of the Breaching Party and no other reason or, in the case of a tort claim, the Indemnifying Party proves that such Damages resulted from the negligence of the Indemnifying Party and no other reason, the aggregate amount received by the Breaching Party in fees hereunder for the calendar year prior to the year of determination for the Service affected by such breach and (b) in all other events, including if the breach was the result of gross negligence, willful misconduct or intentional breach, the maximum amount permitted by Korean law.

13.4 If any Indemnified Party is at any time entitled to recover under any third-party policy of insurance (excluding any self-insurance that is not reinsured with a third party), in respect of any Damages for which indemnification is sought under Article 12, the Indemnified Party shall, at the request of the Indemnifying Party, use its commercially reasonable efforts to enforce such recovery for the benefit of the Indemnifying Party and, upon recovery under such policy, reduce the amount of Damages for which it is seeking indemnification under Article 12 by the amount actually recovered under the policy (net of all costs, charges and expenses of the Indemnified Party in connection with such recovery).

**Article 14. Assignment**

14.1 This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns; provided, however, that no Party will assign its rights or delegate its obligations under this Agreement without the express prior written consent of the other Party, except that (i) NewCo may assign its rights hereunder as collateral security to any bona fide financial institution engaged in financing in the ordinary course providing financing to the Warrant Issuer or its Subsidiaries and any of the foregoing financial institutions may assign such rights in connection with a sale of NewCo in the form then being conducted by NewCo substantially as an entirety; (ii) Hynix and NewCo each may, upon written notice to the other Party (but without the obligation to obtain the consent of such other Party), assign this Agreement or any of its rights and obligations under this Agreement to any person, entity or organization that succeeds (by purchase, merger, operation of law or otherwise) to all or substantially all of the capital stock, assets or business of such party, to all or substantially all of its assets and liabilities or to all or substantially all of the assets and liabilities of the portion of the Party's business to which the subject of this Agreement relates or of a division of each Party, if such person or entity agrees in writing to assume and be bound by all of the relevant obligations of such Party under this Agreement; and (iii) NewCo may, upon written notice to Hynix (but without the obligation to obtain the consent of Hynix), assign this Agreement or any of its rights and obligations under this Agreement to one or more direct or indirect Subsidiaries of Warrant Issuer.

14.2. Notwithstanding anything to the contrary contained herein, Hynix may subcontract the performance of all or any parts of its obligations under this Agreement to any third party or parties, without any prior written consent of NewCo; provided that Hynix remains liable under this Agreement for the performance of all of its obligations.

**Article 15. Governing Law; Dispute Resolution**

15.1 This Agreement shall be governed by and construed in accordance with the laws of Korea without reference to the choice of law principles thereof.

15.2 Any Party seeking the resolution of a dispute arising under this Agreement must provide written notice of such dispute to the other Party, which notice shall describe the nature of such dispute. All such disputes shall be referred initially to the Coordinating Committee for resolution. Decisions of the Coordinating Committee under this Section 15.2 shall be made by unanimous vote of all members and shall be final and legally binding on the Parties. If a dispute is resolved by the Coordinating Committee, then the terms of the resolution and settlement of such dispute shall be set forth in writing and signed by both Parties. In the event that the Coordinating Committee does not resolve a dispute within thirty (30) days of the submission thereof, such dispute shall be resolved in accordance with Section 15.3. Notwithstanding the foregoing, Hynix and NewCo shall each continue to perform their obligations under this Agreement during the pendency of such dispute in accordance with this Agreement.

15.3 The Parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the Parties shall be entitled to an injunction to prevent any breach of this Agreement and to enforce specifically the terms and provisions of this Agreement by bringing a relevant action in the Seoul Central District Court in Seoul, Korea, in addition to any other remedy to which any Party may be entitled at law or in equity. In addition, the Parties agree that any dispute, claims or controversy between the Parties arising out of or relating to this Agreement, whether in contract, tort, equity or otherwise and whether relating to the meaning, interpretation, effect, validity, performance or enforcement of this Agreement, which is not resolved by the Coordinating Committee pursuant to Section 15.2 shall be submitted to the exclusive jurisdiction of the Seoul Central District Court, in Seoul, Korea. Each of the Parties irrevocably waives, to the fullest extent permitted by law, any objection which it may now, or hereafter, have with respect to the jurisdiction of, or the venue in, the Seoul Central District Court.

**Article 16. Confidentiality**

16.1 Neither Party shall, except as expressly permitted by the terms of this Agreement, disclose to any third party the terms and conditions of this Agreement, the existence of this Agreement, and any Confidential Information (as defined below) which either Party obtains from the other Party in connection with this Agreement and/or use such Confidential Information for any purposes whatsoever other than those contemplated hereunder; provided, however, that this Agreement (and its terms and conditions) may be disclosed and filed publicly in connection with a public offering of securities by NewCo or its Affiliates. “Confidential Information” shall mean any and all information including technical data, trade secrets or know-how, disclosed by either

Party to the other Party in connection with this Agreement, which is marked as "Proprietary" or "Confidential" or is declared by the other Party, whether in writing or orally, to be confidential, or which by its nature would reasonably be considered confidential.

16.2 The obligation of confidentiality in Section 16.1 shall not apply to any information that: (a) was known to the other Party without an obligation of confidentiality prior to its receipt thereof from the disclosing Party; (b) is or becomes generally available to the public without breach of this Agreement, other than as a result of a disclosure by the recipient Party, its representatives, its Affiliates or the representatives of its Affiliates in violation of this Agreement; (c) is rightfully received from a third party with the authority to disclose without obligation of confidentiality and without breach of this Agreement; or (d) is required by law or regulation to be disclosed by a recipient Party or its representatives (including by oral question, interrogatory, subpoena, civil investigative demand or similar process), provided that written notice of any such disclosure shall be provided to the disclosing Party in advance. If a Party determines that it is required to disclose any information pursuant to applicable law (including the requirements of any law, rule or regulation in connection with a public offering of securities by NewCo or its Affiliates) or receives any demand under lawful process to disclose or provide information of the other Party that is subject to the confidentiality provisions hereof, such Party shall notify the other Party prior to disclosing and providing such information and shall cooperate at the expense of the requesting Party in seeking any reasonable protective arrangements requested by such other Party. Subject to the foregoing, the Party that receives such request may thereafter disclose or provide information to the extent required by such law or by lawful process.

**Article 17. Miscellaneous**

17.1 Exercise of Right. A Party may exercise a right, power or remedy at its discretion, and separately or concurrently with another right, power or remedy. A single or partial exercise of a right, power or remedy by a Party does not prevent a further exercise of that or of any other right, power or remedy. A failure to exercise a right, power or remedy or a delay in exercising a right, power or remedy by a Party does not prevent such Party from exercising the same right thereafter.

17.2 Extension; Waiver. At any time during the Term, each of Hynix and NewCo may (a) extend the time for the performance of any of the obligations or other acts of the other or (b) waive any inaccuracies in the representations and warranties of the other contained in this Agreement or in any document delivered pursuant to this Agreement. Any agreement on the part of a Party to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such Party. The failure of any Party to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of those rights. Any rights under this Agreement may not be waived except in writing signed by the Party granting the waiver or varied except in writing signed by the Parties.

17.3 Notices. Any notice, request, demand, waiver, consent, approval or other communication which is required or permitted to be given to any Party shall be in

writing and shall be deemed duly given only upon delivery to the Party personally (including by reputable overnight courier service), when telecopied (with confirmation of transmission having been received) during normal business hours or three days after being mailed by registered or certified mail (return receipt requested), with postage and registration or certification fees thereon prepaid, addressed to the Party at its address set forth below (or at such other address for a party as shall be specified by such Party by like notice):

17.4 Fees and Expenses. All costs and expenses incurred in connection with this Agreement shall be paid by the Party incurring such expenses, except as specifically provided to the contrary in this Agreement.

17.5 Entirety; No Third Party Beneficiaries. This Agreement (a) constitutes the entire agreement between the Parties and supersedes all prior agreements and understandings, both written or oral, between the Parties with respect to the subject matter hereof and (b) is not intended to confer upon any person other than the Parties hereto any rights or remedies hereunder.

17.6 Severability of Provisions. Any term or provision of this Agreement that is held by a court of competent jurisdiction or other authority to be unlawful, invalid, void or

unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction. If the final judgment of a court of competent jurisdiction or other authority declares that any term or provision hereof is unlawful, invalid, void or unenforceable, the Parties agree that the court making such determination shall have the power to reduce the scope, duration, area or applicability of the term or provision, to delete specific words or phrases, or to replace any unlawful, invalid, void or unenforceable term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the unlawful, invalid or unenforceable term or provision.

17.7 Amendment and Modification. This Agreement (for the avoidance of doubt, including Exhibits attached hereto) may be amended, modified and supplemented in any and all respects, but only by a written instrument signed by the Parties expressly stating that such instrument is intended to amend, modify or supplement this Agreement.

17.8 Counterparts. This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement.

17.9 Election of Remedies. Neither the exercise of nor the failure to exercise a right or to give notice of a claim under this Agreement shall constitute an election of remedies or limit any Party in any manner in the enforcement of any other remedies that may be available to such Party, whether at law or in equity.

17.10 Language. This Agreement is being originally executed in the English language only. In the event that the Parties agree to have a Korean version of this Agreement following signing, this Agreement may be translated into Korean. The Parties acknowledge that the Korean version of this Agreement shall be for reference purposes only, and in the event of any inconsistency between the two texts, the English version shall control.

17.11 Relationship of the Parties. Each Party shall perform its obligations hereunder as an independent contractor. This Agreement does not create a fiduciary or agency relationship between Hynix and NewCo, each of which shall be and at all times remain independent companies for all purposes hereunder. Nothing in this Agreement is intended to make either Party a general or special agent, joint venturer, partner or employee of the other for any purpose.

**Execution Version**

**SERVICE AGREEMENT**

**THIS SERVICE AGREEMENT** is dated as of this 6th day of October, 2004 by and between MagnaChip Semiconductor, Ltd., a Korean yuhan hoesa (the "Company"), and Youm Huh, an individual (the "Officer").

**W I T N E S S E T H:**

**WHEREAS**, the Company desires to have the benefits of the Officer's knowledge and experience as a full-time officer and to employ the Officer in the manner hereinafter specified and to make provision for payment of reasonable compensation to the Officer for such services, and the Officer is willing to be employed by the Company to perform the duties incident to such employment upon the terms and conditions hereinafter set forth; and

**NOW, THEREFORE**, in consideration of the foregoing premises, the mutual covenants, terms and conditions set forth herein, and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

**1. EFFECTIVENESS OF SERVICE AGREEMENT**

This Agreement shall constitute a binding obligation of the Officer and the Company upon the execution of this Agreement.

**2. EMPLOYMENT AND DUTIES**

(a) General. Effective as of the closing under the Business Transfer Agreement, dated as of June 12, 2004, by and between Hynix Semiconductor, Inc. and the Company (the "Effective Date"), on the terms and conditions set forth herein, the Company shall employ the Officer as President and Chief Executive Officer of the Company, and the Officer agrees upon the terms and conditions herein set forth to be employed by the Company. The Company further agrees that the Officer shall be appointed as a member of the Board of Directors of the Company on the Effective Date and that, for so long as the Officer is employed by the Company, the Company shall nominate the Officer to serve as a director at each annual stockholder meeting; provided that, if the Company has a class of equity securities registered pursuant to the Securities Exchange Act of 1934, as amended, the Company shall not be obligated to nominate the Officer to serve as a director if the Officer has previously been nominated as a director at an annual or special stockholder meeting and the stockholders holding a majority of the voting power of the Company at such meeting shall not have voted to elect the Officer. The Officer agrees that upon the termination of his employment as President and Chief Executive Officer of the Company, he shall resign from the Board of Directors of the Company and from all other Boards of Directors of the Company's affiliates of which he is a member. The Officer shall diligently perform such duties and have such responsibilities as the Board of Directors of the Company may establish from time to time, and the Officer shall report to the Board of Directors of the Company.

(b) Term. Unless terminated at an earlier date in accordance with Section 4 hereof, the term of the Officer's employment with the Company hereunder shall be for a term

commencing on the Effective Date and ending on the fourth anniversary of the Effective Date (the "Initial Term"). Thereafter, unless terminated at an earlier date in accordance with Section 4 hereof, the Initial Term and each Additional Term shall be automatically extended for successive two-year periods (each, an "Additional Term"), in each case, commencing upon the expiration of the Initial Term or the then current Additional Term, unless at least 90 days prior to the expiration of such term, either party gives written notice to the other party of its intention not to extend the term of the Officer's employment. The Company's delivery of a notice of its intention not to extend the term of the Officer's employment shall not be deemed to be an Involuntary Termination (as defined below).

(c) Services. The Officer shall well and faithfully serve the Company, and shall devote all of his business time and attention to the performance of the duties of such employment and the advancement of the best interests of the Company and shall not, directly or indirectly, render services to any other person or organization for which the Officer receives compensation without the prior written approval of the Company. The Officer hereby agrees to refrain from engaging in any activity that does, shall or could reasonably be deemed to conflict with the best interests of the Company. The Officer shall be entitled to serve on a maximum of two other company boards of directors, provided those companies are not competitors of the Company and the Company shall make reasonable accommodation for travel and service in connection with these outside boards of directors.

**3. COMPENSATION AND OTHER BENEFITS**

Subject to the provisions of this Agreement, including, without limitation, the termination provisions contained in Section 4, the Company shall pay and provide the following compensation and other benefits to the Officer as compensation for all services rendered hereunder:

(a) Salary. The Company shall pay the Officer a base salary at the rate of U.S.$400,000.00 per annum (the "Salary"), payable to the Officer in accordance with the standard payroll practices of the Company as are in effect from time to time, less all such deductions or withholdings required by applicable law. Annual Salary increases will be determined by the compensation committee of the Board of Directors of the Company (the "Committee") in accordance with the Committee's policies and procedures.

(b) Annual Bonus. The Officer shall be eligible to earn an annual cash bonus (the "Annual Incentive"). The Annual Incentive shall be 100% of the Officer's annual Salary. The Officer's Annual Incentive shall be payable upon achievement of performance goals set by the Committee, after consultation with the Officer, and ratified by the Board. The actual bonus paid may be higher or lower than the Annual Incentive for over- or under-achievement of the Officer's performance goals, as determined by the Committee. Bonuses, if any, will accrue and become payable in accordance with the Committee's standard practices for the payment of executive incentive compensation. The amount of the Annual Incentive in respect of 2004 plan year shall be pro-rated to reflect the number of days the Officer was actually employed with the Company during the 2004 plan year following the Effective Date.

(c) Benefits. The Officer shall be eligible to participate in or purchase as necessary and be reimbursed for medical, disability and life insurance plans and to receive other benefits applicable to senior officers of the Company generally in accordance with the terms of such plans as are in effect from time to time. In addition, the Company shall pay for the cost of housing accommodations and expenses related thereto in accordance with the policies currently applicable to Officer as an officer of Hynix Semiconductor Inc. (the "Housing Accommodation.").

(d) Expenses. The Company shall pay or reimburse the Officer for all reasonable out-of-pocket expenses incurred by the Officer in connection with his employment hereunder upon submission of appropriate documentation or receipts in accordance with the policies and procedures of the Company as are in effect from time to time.

(e) Vacation. The Officer shall be entitled to annual vacation of three calendar weeks per year.

(f) Co-investment right. For ninety days following the Effective Date, the Officer shall have the right to invest up to $1,000,000 in the equity of MagnaChip Semiconductor LLC, a Delaware limited liability company ("MagnaChip LLC"), at the same price per share as that paid by Citigroup Venture Capital Equity Partners, L.P. ("CVC") and with respect to the same strip of equity securities being acquired by CVC.

(g) Equity.

(i) Promptly following the closing of the Business Transfer Agreement, the Officer shall be granted options immediately exerciseable for 1,083,668 restricted Common Units of MagnaChip LLC (the "Initial Options") at a purchase price equal to $1.00 per Common Unit. The restricted Common Units issued upon the exercise of the Initial Options (the "Initial Promote Units"), shall be subject to restrictions contained in an equity incentive plan to be approved by MagnaChip LLC (the "Incentive Plan"). Upon the exercise of the Initial Options by the Officer, the Company shall pay the Officer a bonus, which the Officer agrees will be retained by the Company in satisfaction of the exercise price of the Initial Options. In connection with the payment of the bonus described in the preceding sentence, the Company shall pay the Officer $609,563 to cover U.S. federal withholding relating to such bonus. The Officer hereby authorizes and directs the Company to withhold the full amount of such payment to satisfy such withholding requirements.

(ii) Following the closing of the Business Transfer Agreement but no sooner than the 91st day after the closing, the Officer shall be granted an option to purchase the number of restricted Common Units equal to the difference between the number of Initial Promote Units and the number of units representing 2% of the value of MagnaChip LLC's Common Units outstanding on such date, after giving effect to the exercise of such options and to options provided to Robert Krakauer under a corresponding provision in his employment agreement, but prior to giving effect to the exercise of any other warrants or options granted by the Company, including the warrant held by Hynix Semiconductor Inc. and employee options, whether or not then exerciseable or exercised (the "Incremental Options," and the restricted Common Units

issued upon exercise of the Incremental Options shall be "Incremental Promote Units"), at a purchase price equal to $1.00 per Common Unit.

(iii) The Initial Promote Units and the Incremental Promote Units (together, the "Promote Units") shall be subject to forfeiture or to repurchase by the Company upon the Officer's termination of service in accordance with the terms of the Incentive Plan, but, generally, upon the Officer's termination of service (other than for Cause) (1) unvested Initial Promote Units shall be subject to forfeiture to the Company, (2) unvested Incremental Promote Units shall be subject to repurchase by the Company at a repurchase price of $1.00 per Unit and (3) vested Promote Units shall be subject to repurchase by the Company at a repurchase price equal to fair market value, as determined by the Board of Directors of MagnaChip LLC in good faith at the time of the repurchase. Upon a termination of service for Cause, the unvested Initial Promote Units shall be subject to forfeiture to the Company and all other Promote Units shall be subject to repurchase by the Company at a repurchase price of $1.00 per Unit. The Promote Units shall vest in accordance with the schedule set forth in the Incentive Plan, but generally 25% of the covered units shall be scheduled to vest on the first anniversary of the Officer's purchase of the Promote Units and an additional 6.25% of the covered units shall be scheduled to vest each calendar quarter thereafter. The Promote Units shall vest in full upon a Change in Control of the Company after which the Officer is no longer the Chief Executive Officer. On any scheduled vesting date, the Promote Units shall vest only if the Officer is still employed by the Company (except as otherwise provided in this Agreement).

**4. TERMINATION OF EMPLOYMENT**

Subject to the notice and other provisions of this Section 4, the Company shall have the right to terminate the Officer's employment hereunder, at any time for any reason or for no stated reason, and the Officer shall have the right to resign, at any time for any reason or for no stated reason.

(a) Termination for Cause or Resignation.

(i) If, prior to the expiration of the Initial Term or any Additional Term, the Officer's employment is terminated by the Company for "Cause" (as hereinafter defined) or if the Officer resigns for any reason other than Good Reason (as hereinafter defined) from his employment hereunder, the Officer shall be paid all accrued but unpaid Salary, vacation, expense reimbursements, and other benefits due to the Officer through his termination date under any Company-provided or paid plans, policies and arrangements, in accordance with their terms. Except to the extent required by the terms of the benefits provided under Section 3(f) or applicable law, the Officer shall have no right under this Agreement or otherwise to receive any other compensation or to participate in any other plan, program or arrangement after such termination or resignation of employment with respect to the year of such termination or resignation and later years. The treatment of any outstanding Promote Units held by the Officer as of the date of the termination shall be governed by the agreements and equity incentive plans pursuant to which the options were granted.

(ii) Termination for "Cause" shall mean a termination of the Officer's employment with the Company because of (A) a failure by the Officer to substantially perform

the Officer's customary duties with the Company in the ordinary course (other than such failure resulting from the Officer's incapacity due to physical or mental illness or any such actual or anticipated failure after the Officer provides written notification to the Company of resignation of employment for Good Reason under this Agreement) that, if susceptible to cure, has not been cured as determined by the Company within 30 days after a written demand for substantial performance is delivered to the Officer by the Company, which demand specifically identifies the manner in which the Company believes that the Officer has not substantially performed the Officer's duties; (b) the Officer's gross negligence, intentional misconduct or material fraud in the performance of his employment; (c) the Officer's conviction of, or plea of nolo contendre to, a felony or to a crime involving fraud or dishonesty; (d) a judicial determination that the Officer committed fraud or dishonesty against any natural person, firm, partnership, limited liability company, association, corporation, company, trust, business trust, governmental authority or other entity (each, a "Person"); or (e) the Officer's material violation of this Agreement or of one or more of the Company's material policies applicable to the Officer's employment as may be in effect from time to time.

(iii) Termination of the Officer's employment for Cause shall be communicated by delivery to the Officer of a written notice from the Company stating that the Officer will be terminated for Cause, specifying the particulars thereof and the effective date of such termination. The date of a resignation other than for Good Reason by the Officer shall be the date specified in a written notice of resignation from the Officer to the Company provided that the Officer shall provide at least 30 days' advance written notice of his resignation other than for Good Reason.

(b) Involuntary Termination.

(i) If, prior to the expiration of the Initial Term or any Additional Term, the Company terminates the Officer's employment for any reason other than Disability, death or Cause or if the Officer resigns from his employment for Good Reason (such termination or resignation being hereinafter referred to as an "Involuntary Termination"), the Officer shall be entitled to (A) payment of his Salary and vacation accrued up to and including the date of the Involuntary Termination, (B) payment of any unreimbursed expenses and (C) severance (the "Severance"), consisting of:

If the Involuntary Termination is not in connection with a Change in Control then:

(1) continuation of his Salary, at the rate in effect on the date of the Involuntary Termination, for a period of twelve months, commencing on the date next following the date of the Involuntary Termination;

(2) payment of the Annual Incentive for the year in which the Involuntary Termination occurs, payable in a lump sum payment within 30 days of the date that the Annual Incentive is normally paid under the terms of the plans and policies of the Company (but in no event more than 12 months following the date of the Involuntary Termination);

(3) 12 months' accelerated vesting (or, as applicable, lapse of forfeiture or repurchase rights) with respect to the Officer's outstanding equity awards and a 12-month post-termination equity award exercise period; and

(4) 12 months' Company-paid benefits continuation for the Officer and his eligible dependents.

If the Involuntary Termination is in connection with a Change in Control then:

(1) continuation of his Salary, at the rate in effect on the date of the Involuntary Termination, for a period of twenty-four months, commencing on the date next following the date of the Involuntary Termination;

(2) payment of the Annual Incentive for the year in which the Involuntary Termination occurs, payable in a lump sum payment within 30 days of the date that the Annual Incentive is normally paid under the terms of the plans and policies of the Company (but in no event more than 12 months following the date of the Involuntary Termination);

(3) 24 months' accelerated vesting (or, as applicable, lapse of forfeiture or repurchase rights) with respect to the Officer's outstanding equity awards and a 12 month post-termination equity award exercise period; and

(4) 24 months' Company-paid benefits continuation for the Officer and his eligible dependents.

provided, however, that the Severance payable to the Officer pursuant to this section shall be reduced to the extent that the Company makes any severance payments pursuant to the Korean Commercial Code or any other statute.

Without the prior consent of the Officer, neither the Company nor any affiliate shall enter into a severance arrangement with any other officer of the Company that provides such officer with severance payments and/or benefits greater than those to which the Officer is entitled pursuant to this Agreement. In addition, if the Company or any affiliate already has entered into such a severance arrangement, the Officer shall be entitled to receive equivalent severance payments and benefits.

For purposes of this Section 4(b)(i), an Involuntary Termination is "in connection with a Change in Control" if the date of the Involuntary Termination (or, if applicable, the commencement of the cure period that leads to the Involuntary Termination) is within nine months following a Change of Control. For purposes of this Agreement, "Change in Control" has the meaning set forth in the loan documents constituting the Company's senior credit facility, as amended from time to time.

(ii) Resignation for "Good Reason" shall mean resignation by the Officer because of, unless the Officer otherwise consents in writing, one or more of the following circumstances if and only if on or prior to such Officer's termination of employment, he informs the Company in writing that one of such circumstances has occurred and which has not, if

susceptible to cure, been cured as determined by the Company within 30 days after a written demand for substantial performance is delivered to the Company by the Officer, which demand specifically identifies the manner in which the Officer believes that the Company has not performed its obligations:

(1) a reduction in the Officer's base Salary or Annual Incentive target other than a one-time reduction of not more than 10% that also is applied to substantially all of the other Company executive officers;

(2) a material reduction in the kind or level of benefits and perquisites (including office space and location) that the Officer is eligible to receive other than a reduction that also is applied to substantially all other Company executive officers;

(3) failure to provide, or any reduction in, the Housing Accommodation;

(4) the nature or status of the Officer's authorities, duties or responsibilities has been materially and adversely altered;

(5) the Company fails to initially appoint or, subject to the proviso contained in Section 2(a), subsequently nominate the Officer to serve as a director as required by this Agreement;

(6) the members of MagnaChip LLC have removed the Officer from the Board of Directors of MagnaChip LLC, unless the Officer shall have been removed for "cause" (as such term is defined in the Amended and Restated Securityholders Agreement, dated October [__], 2004, among MagnaChip LLC and the members of MagnaChip LLC); or

(7) the Officer has not been appointed chief executive officer of MagnaChip LLC or any other affiliate of the Company immediately following an initial public offering of the equity securities of such entity.

(iii) Resignation for Good Reason shall be communicated by delivery to the Company of a written notice from the Officer stating that the Officer will be resigning for Good Reason, specifying the particulars thereof and the effective date of such resignation. If the Officer provides such written notice to the Company, the Company shall have 30 days from the date of receipt of such notice to effect a cure of the material breach described therein and, upon cure thereof by the Company, such material breach shall no longer constitute Good Reason for purposes of this Agreement.

(iv) The date of termination of employment without Cause shall be the date specified in a written notice of termination to the Officer. The date of resignation for Good Reason shall be the date specified in a written notice of resignation from the Officer to the Company; *provided*, *however*, that no such written notice shall be effective unless the cure period specified in Section 4(b)(ii) above has expired without the Company having corrected the event or events subject to cure.

(c) Termination Due to Disability. In the event of the Officer's Disability, the Company shall be entitled to terminate his employment. In the case that the Company terminates the Officer's employment due to Disability, the Officer shall be entitled to (i) payment of his Salary and accrued vacation up to and including the date of termination, (ii) payment of any unpaid expense reimbursements, (iii) payment of the Annual Incentive, in a prorated amount based on the number of days the Officer was actually employed during the applicable plan year, based on actual performance objectives satisfied by the Company, payable in a lump sum payment within 30 days of the date that the Annual Incentive is normally paid under the terms of the plans and policies of the Company, and (iv) other benefits due to the Officer through his termination date under any Company-provided or paid plans, policies and arrangements, in accordance with their terms. As used in this Section 3(d), the term "Disability" shall mean that the Company determines that due to physical or mental illness or incapacity, whether total or partial, the Officer is substantially unable to perform his duties hereunder for a period of 180 consecutive days or shorter periods aggregating 180 days during any period of 365 consecutive days. The Officer shall permit a licensed physician agreed to by the Company and the Officer (or, in the event that the Company and the Officer cannot agree, by a licensed physician agreed upon by a physician selected by the Company and a physician selected by the Officer) to examine the Officer from time to time prior to the Officer's being determined to be Disabled, as reasonably requested by the Company, to determine whether the Officer has suffered a Disability hereunder.

(d) Death. In the event of the Officer's death while employed by the Company, the Officer's estate or named beneficiary shall be entitled to (i) payment of his Salary and accrued vacation up to and including the date of termination (ii) payment of any unpaid expense reimbursements, (iii) payment of the Annual Incentive, in a prorated amount based on the number of days the Officer was actually employed during the applicable plan year payable in a lump sum payment within 30 days of the date that the Annual Incentive is normally paid under the terms of the plans and policies of the Company, and (iv) other benefits due to the Officer through his termination date under any Company-provided or paid plans, policies and arrangements, in accordance with their terms.

(e) Parachutes. Notwithstanding any other provisions of this Agreement to the contrary, in the event that any payments or benefits received or to be received by the Officer in connection with the Officer's employment with the Company (or termination thereof) would subject the Officer to the excise tax imposed under Section 4999 of the Internal Revenue Code of 1986, as amended (the "Excise Tax"), and if the net-after tax amount (taking into account all applicable taxes payable by the Officer, including without limitation any Excise Tax) that the Officer would receive with respect to such payments or benefits does not exceed the net-after tax amount the Officer would receive if the amount of such payments and benefits were reduced to the maximum amount which could otherwise be payable to the Officer without the imposition of the Excise Tax, then, only the to the extent necessary to eliminate the imposition of the Excise Tax, such payments and benefits shall be reduced.

**5. COVENANTS**

(a) Confidential Information. As an officer of the Company, the Officer acknowledges that he has had and will have access to confidential or proprietary information or

(iii) The Officer hereby confirms that all Confidential Information and "Company Materials" (as hereinafter defined) are and shall remain the exclusive property of the Company. Immediately upon the termination of the Officer's employment for any reason, or during the Officer's employment with the Company upon the request of the Company, the Officer shall return all Company Materials, or any reproduction of such materials, apparatus, equipment and other physical property. at any time during such period is in competition with any material business in which the Company, or any of its affiliates, has taken substantial steps to engage or is engaged on or prior to the termination of Officer's employment by the Company, anywhere in the world. This provision shall not be construed to prohibit the ownership by the Officer of less than 2% of any class of securities of any corporation, so long as he remains a passive investor in such entity.

(d) No Solicitation. While the Officer is employed by the Company and for a three-year period thereafter, the Officer shall not, directly or indirectly, for the Officer's own account or for the account of any other Person (i) solicit, employ, retain as a consultant, interfere with or attempt to entice away from the Company or any of its affiliates, or any successor to any of the foregoing, any individual who is, has agreed to be or within one year of such solicitation, employment, retention, interference or enticement has been, employed or retained by the Company or any of its subsidiaries or any successor to any of the foregoing and who had frequent contact with the Officer during the Officer's employment (provided, however, it shall not be a violation of this provision if the Officer solicits or employs his administrative assistant) or (ii) solicit or attempt to solicit the trade of any Person which, at the time of such solicitation, is a significant customer of the Company or its affiliates, or any successor to any of the foregoing, or which the Company or its affiliates, or any successor to any of the foregoing, is undertaking reasonable steps to procure as a customer at the time of or immediately preceding the termination of Officer's employment by the Company and which the Company reasonably believes could become a significant customer (provided, however, that this limitation shall only apply to any product or service which is in competition with a product or service of the Company or its affiliates).

(e) Non-Disparagement. The Officer and the Company agree that at any time during his employment with the Company or at any time thereafter, neither the Company nor the Officer shall make, or cause or assist any other person to make, any statement or other communication which impugns or attacks, or is otherwise critical of, the reputation, business or character of the other, any subsidiary or any of their respective officers, directors, employees, products or services. The foregoing restrictions shall not apply to any statements that are made truthfully in response to a subpoena or other compulsory legal process.

(f) Enforcement. The Officer hereby acknowledges that he has carefully reviewed the provisions of this Agreement and agrees that the provisions are fair and equitable. However, in light of the possibility of differing interpretations of law and change in circumstances, the parties hereto agree that if any one or more of the provisions of this Agreement is determined by a court of competent jurisdiction to be invalid, void or unenforceable under circumstances then existing, the parties hereto agree that the maximum period, scope or geographical area reasonable or enforceable under such circumstances shall be substituted for the stated period, scope or area.

**SERVICE AGREEMENT**

**THIS SERVICE AGREEMENT** is dated as of this 6th day of October, 2004 by and between MagnaChip Semiconductor, Ltd., a Korean yuhan hoesa (the "Company"), and Robert Krakauer, an individual (the "Officer").

**W I T N E S S E T H:**

**WHEREAS**, the Company desires to have the benefits of the Officer's knowledge and experience as a full-time officer and to employ the Officer in the manner hereinafter specified and to make provision for payment of reasonable compensation to the Officer for such services, and the Officer is willing to be employed by the Company to perform the duties incident to such employment upon the terms and conditions hereinafter set forth; and

**NOW, THEREFORE**, in consideration of the foregoing premises, the mutual covenants, terms and conditions set forth herein, and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

**1. EFFECTIVENESS OF SERVICE AGREEMENT**

This Agreement shall constitute a binding obligation of the Officer and the Company upon the execution of this Agreement.

**2. EMPLOYMENT AND DUTIES**

(a) General. Effective as of the closing under the Business Transfer Agreement, dated as of June 12, 2004, by and between Hynix Semiconductor, Inc. and System Semiconductor, Ltd. (the "Effective Date"), the Company shall hereby employ the Officer as Chief Financial Officer, Chief Administrative Officer and Senior Vice President of Strategic Operations of the Company, and the Officer agrees upon the terms and conditions herein set forth to be employed by the Company. The Officer shall diligently perform such duties and have such responsibilities as the Board of Directors of the Company may establish from time to time, and the Officer shall report to the Chief Executive Officer and the Board of Directors of the Company.

(b) Term. Unless terminated at an earlier date in accordance with Section 4 hereof, the term of the Officer's employment with the Company hereunder shall be for a term commencing on the Effective Date and ending on the third anniversary of the Effective Date (the "Initial Term"). Thereafter, unless terminated at an earlier date in accordance with Section 4 hereof, the Initial Term and each Additional Term shall be automatically extended for successive one-year periods (each, an "Additional Term"), in each case, commencing upon the expiration of the Initial Term or the then current Additional Term, unless at least 90 days prior to the expiration of such term, either party gives written notice to the other party of its intention not to extend the term of the Officer's employment.

(c) Services. The Officer shall well and faithfully serve the Company, and shall devote all of his business time and attention to the performance of the duties of such employment and the advancement of the best interests of the Company and shall not, directly or indirectly, render services to any other person or organization for which the Officer receives compensation without the prior written approval of the Company. The Officer hereby agrees to refrain from engaging in any activity that does, shall or could reasonably be deemed to conflict with the best interests of the Company. The Officer shall be entitled to serve on a maximum of two other company boards of directors, provided those companies are not competitors of the Company and the Company shall make reasonable accommodation for travel and service in connection with these outside boards of directors.

(d) Location of Employment. The Officer's place of employment shall be at the Company's facility located in Seoul, Korea, but the Officer shall travel to the extent and to the places necessary for the performance of the Officer's duties to the Company.

**3. COMPENSATION AND OTHER BENEFITS**

Subject to the provisions of this Agreement, including, without limitation, the termination provisions contained in Section 4, the Company shall pay and provide the following compensation and other benefits to the Officer as compensation for all services rendered hereunder:

(a) Salary. The Company shall pay the Officer a base salary at the rate of U.S.$375,000.00 per annum (the "Salary"), payable to the Officer in accordance with the standard payroll practices of the Company as are in effect from time to time, less all such deductions or withholdings required by applicable law. Annual salary increases will be determined by the compensation committee of the Board of Directors of the Company (the "Committee") in accordance with the Committee's policies and procedures.

(b) Annual Bonus. The Officer shall be eligible to earn an annual cash bonus (the "Annual Incentive"). The Annual Incentive shall be 80% of the Officer's annual salary. The amount of the Annual Incentive in respect of 2004 plan year shall be pro-rated to reflect the number of days the Officer was actually employed with the Company during the 2004 plan year following the Effective Date.

(c) Expatriate Benefits. The Officer shall be entitled to the expatriate/repatriation benefits that are described in Schedule A, which is attached hereto. To the extent that any such benefits are taxable in the U.S. or Korea, the expense payments or reimbursements under this Section 3(c) shall be "grossed up" or increased to take into account any such tax liability incurred by the Officer as a result of such payment or reimbursement. In determining the amount of any tax liability incurred by the Officer, the Officer shall minimize U.S. taxes as permitted by Section 911 (relating to exclusions from gross income of certain foreign earned income and housing costs) of the Internal Revenue Code of 1986, as amended (the "Code") and Section 901 (relating to the foreign tax credit) of the Code.

(d) Expenses. The Company shall pay or reimburse the Officer for all reasonable out-of-pocket expenses incurred by the Officer in connection with his employment hereunder

upon submission of appropriate documentation or receipts in accordance with the policies and procedures of the Company as are in effect from time to time.

(e) Benefits. The Officer shall be eligible to participate in or purchase as necessary and be reimbursed for medical, disability and life insurance plans and to receive other benefits applicable to senior officers of the Company generally in accordance with the terms of such plans as are in effect from time to time. While serving in an expatriate status, the Officer shall be entitled to the health and life insurance coverage listed on Schedule A.

(f) Vacation. The Officer shall be entitled to annual vacation of three weeks per year and while serving in an expatriate status, to an additional two weeks of home leave per year, inclusive of travel expenses for his family for said home leave.

(g) Co-investment right. For ninety days following the Effective Date, the Officer shall have the right to invest up to U.S.$1,000,000 in the equity of MagnaChip Semiconductor LLC, a Delaware limited liability company ("MagnaChip LLC"), at the same price per unit as that paid by Citicorp Venture Capital Equity Partners, L.P. ("CVC") and with respect to the same strip of equity securities being acquired by CVC.

(h) Equity.

(i) Promptly following the closing of the Business Transfer Agreement, the Officer shall be granted options immediately exerciseable for 677,293 restricted Common Units of MagnaChip LLC (the "Initial Options") at a purchase price equal to $1.00 per Common Unit. The restricted Common Units issued upon the exercise of the Initial Options (the "Initial Promote Units"), shall be subject to restrictions contained in an equity incentive plan to be approved by MagnaChip LLC (the "Incentive Plan"). Upon the exercise of the Initial Options by the Officer, the Company shall pay the Officer a bonus, which the Officer agrees will be retained by the Company in satisfaction of the exercise price of the Initial Options. In connection with the payment of the bonus described in the preceding sentence, the Company shall pay the Officer $380,977.14 to cover U.S. federal withholding relating to such bonus. The Officer hereby authorizes and directs the Company to withhold the full amount of such payment to satisfy such withholding requirements.

(ii) Following the closing of the Business Transfer Agreement but no sooner than the 91st day after the closing, the Officer shall be granted an option to purchase the number of restricted Common Units equal to the difference between the number of Initial Promote Units and the number of units representing 1.25% of the value of MagnaChip LLC's Common Units outstanding on such date, after giving effect to the exercise of such options and to options provided to Dr. Youm Huh under a corresponding provision in his employment agreement, but prior to giving effect to the exercise of any other warrants or options granted by the Company, including the warrant held by Hynix Semiconductor Inc. and employee options, whether or not then exerciseable or exercised (the "Incremental Options," and the restricted Common Units issued upon exercise of the Incremental Options shall be "Incremental Promote Units"), at a purchase price equal to $1.00 per Common Unit.

(iii) The Initial Promote Units and the Incremental Promote Units (together, the "Promote Units") shall be subject to forfeiture or to repurchase by the Company upon the Officer's termination of service in accordance with the terms of the Incentive Plan, but, generally, upon the Officer's termination of service (other than for Cause) (1) unvested Initial Promote Units shall be subject to forfeiture to the Company, (2) unvested Incremental Promote Units shall be subject to repurchase by the Company at a repurchase price of $1.00 per Unit and (3) vested Promote Units shall be subject to repurchase by the Company at a repurchase price equal to fair market value, as determined by the Board of Directors of MagnaChip LLC in good faith at the time of the repurchase. Upon a termination of service for Cause, the unvested Initial Promote Units shall be subject to forfeiture to the Company and all other Promote Units shall be subject to repurchase by the Company at a repurchase price of $1.00 per Unit. The Promote Units shall vest in accordance with the schedule set forth in the Incentive Plan, but generally 25% of the covered units shall be scheduled to vest on the first anniversary of the Officer's purchase of the Promote Units and an additional 6.25% of the covered units shall be scheduled to vest each calendar quarter thereafter. The Promote Units shall vest in full upon a Change in Control of the Company after which the Officer is no longer the Chief Financial Officer. On any scheduled vesting date, the Promote Units shall vest only if the Officer is still employed by the Company (except as otherwise provided in this Agreement).

**4. TERMINATION OF EMPLOYMENT**

Subject to the notice and other provisions of this Section 4, the Company shall have the right to terminate the Officer's employment hereunder, at any time for any reason or for not stated reason, and the Officer shall have the right to resign, at any time for any reason or for no stated reason.

(a) Termination for Cause or Resignation.

(i) If, prior to the expiration of the Initial Term or any Additional Term, the Officer's employment is terminated by the Company for "Cause" (as hereinafter defined) or if the Officer resigns for any reason other than Good Reason (as hereinafter defined) from his employment hereunder, the Officer shall be entitled to payment of (A) his Salary accrued up to and including the date of termination or resignation, and (B) any unreimbursed expenses. Except to the extent required by the terms of the benefits provided under Section 3(f) or applicable law, the Officer shall have no right under this Agreement or otherwise to receive any other compensation or to participate in any other plan, program or arrangement after such termination or resignation of employment with respect to the year of such termination or resignation and later years. The treatment of any outstanding options held by the Officer as of the date of the termination shall be governed by the option agreements and option plans pursuant to which the options were granted.

(ii) Termination for "Cause" shall mean a termination of the Officer's employment with the Company because of (A) a failure by the Officer to substantially perform the Officer's customary duties with the Company in the ordinary course (other than such failure resulting from the Officer's incapacity due to physical or mental illness or any such actual or anticipated failure after the Officer provides written notification to the Company of resignation of employment for Good Reason under this Agreement) that, if susceptible to cure, has not been

cured as determined by the Company within 30 days after a written demand for substantial performance is delivered to the Officer by the Company, which demand specifically identifies the manner in which the Company believes that the Officer has not substantially performed the Officer's duties; (b) the Officer's gross negligence, intentional misconduct or fraud in the performance of his or her employment; (c) the Officer's indictment for a felony or to a crime involving fraud or dishonesty; (d) a judicial determination that the Officer committed fraud or dishonesty against any natural person, firm, partnership, limited liability company, association, corporation, company, trust, business trust, governmental authority or other entity (each, a "Person"); or (e) the Officer's material violation of one or more of the Company's policies applicable to the Officer's employment as may be in effect from time to time.

(iii) Termination of the Officer's employment for Cause shall be communicated by delivery to the Officer of a written notice from the Company stating that the Officer will be terminated for Cause, specifying the particulars thereof and the effective date of such termination. The date of a resignation other than for Good Reason by the Officer shall be the date specified in a written notice of resignation from the Officer to the Company provided that the Officer shall provide at least 90 days' advance written notice of his resignation other than for Good Reason.

(b) Involuntary Termination.

(i) If, prior to the expiration of the Initial Term or any Additional Term, the Company terminates the Officer's employment for any reason other than Disability, death or Cause or if the Officer resigns from his employment for Good Reason (such termination or resignation being hereinafter referred to as an "Involuntary Termination"), the Officer shall be entitled to (A) payment of his Salary accrued up to and including the date of the Involuntary Termination, (B) payment of any unreimbursed expenses and (C) severance (the "Severance"), consisting of:

(1) continuation of his Salary, at the rate in effect on the date of the Involuntary Termination, for a period of twelve months, commencing on the date next following the date of the Involuntary Termination (the "Severance Period");

(2) in the event that the Officer elects to receive coverage for medical benefits under the Consolidated Omnibus Budget Reconciliation Act of 1985 ("COBRA Coverage"), payment by the Company of the cost of the COBRA Coverage for the Officer and the dependants with respect to which the Officer was receiving benefits under the medical plan as of the date of the Involuntary Termination, through the last day of the Severance Period, or until the Officer becomes eligible to participate in a subsequent employer's medical plan, whichever occurs first;

(3) payment of the Annual Incentive, in a prorated amount based on the number of days the Officer was actually employed during the applicable plan year and on deemed satisfactory performance by the Officer, but based on actual performance objectives satisfied by the Company, payable in a lump sum

payment within 30 days of the date that the Annual Incentive is normally paid under the terms of the plans and policies of the Company; and

(4) to the extent the Officer's place of employment is located outside the United States on the date of the Involuntary Termination, payment by the Company of the cost to repatriate the Officer and his immediate family in accordance with the repatriation provisions set forth in Schedule A.

(ii) Resignation for "Good Reason" shall mean resignation by the Officer because of, unless the Officer otherwise consents in writing, one or more of the following circumstances if and only if on or prior to such Officer's termination of employment, he informs the Company in writing that one of such circumstances has occurred and which has not, if susceptible to cure, been cured as determined by the Company within 30 days after a written demand for substantial performance is delivered to the Company by the Officer, which demand specifically identifies the manner in which the Officer believes that the Company has not performed its obligations:

(1) a reduction in the Officer's base Salary; or

(2) the nature or status of the Officer's authorities, duties or responsibilities has been materially and adversely altered.

(iii) Resignation for Good Reason shall be communicated by delivery to the Company of a written notice from the Officer stating that the Officer will be resigning for Good Reason, specifying the particulars thereof and the effective date of such resignation. If the Officer provides such written notice to the Company, the Company shall have 30 days from the date of receipt of such notice to effect a cure of the material breach described therein and, upon cure thereof by the Company, such material breach shall no longer constitute Good Reason for purposes of this Agreement.

(iv) The date of termination of employment without Cause shall be the date specified in a written notice of termination to the Officer. The date of resignation for Good Reason shall be the date specified in a written notice of resignation from the Officer to the Company; *provided*, *however*, that no such written notice shall be effective unless the cure period specified in Section 4(b)(ii) above has expired without the Company having corrected the event or events subject to cure.

(c) Termination Due to Disability. In the event of the Officer's Disability, the Company shall be entitled to terminate his employment. In the case that the Company terminates the Officer's employment due to Disability, the Officer shall be entitled to (i) payment of his Salary up to and including the date of termination, (ii) payment of any unpaid expense reimbursements, (iii) payment of the Annual Incentive, in a prorated amount based on the number of days the Officer was actually employed during the applicable plan year, based on actual performance objectives satisfied by the Company, payable in a lump sum payment within 30 days of the date that the Annual Incentive is normally paid under the terms of the plans and policies of the Company, and (iv) to the extent the Officer's place of employment is located outside the United States on the date of termination, payment by the Company of the cost to

repatriate the Officer and his immediate family in accordance with the repatriation provisions set forth in Schedule A. As used in this Section 3(d), the term "Disability" shall mean that the Company determines that due to physical or mental illness or incapacity, whether total or partial, the Officer is substantially unable to perform his duties hereunder for a period of 90 consecutive days or shorter periods aggregating 90 days during any period of 180 consecutive days. The Officer shall permit a licensed physician agreed to by the Company and the Officer (or, in the event that the Company and the Officer cannot agree, by a licensed physician agreed upon by a physician selected by the Company and a physician selected by the Officer) to examine the Officer from time to time prior to the Officer's being determined to be Disabled, as reasonably requested by the Company, to determine whether the Officer has suffered a Disability hereunder.

(d) Death. In the event of the Officer's death while employed by the Company, the Officer's estate or named beneficiary shall be entitled to (i) payment of his Salary up to and including the date of termination (ii) payment of any unpaid expense reimbursements, (iii) payment of the Annual Incentive, in a prorated amount based on the number of days the Officer was actually employed during the applicable plan year payable in a lump sum payment within 30 days of the date that the Annual Incentive is normally paid under the terms of the plans and policies of the Company, and (iv) to the extent the Officer's place of employment is located outside the United States on the date of the Officer's death, payment by the Company of the cost to repatriate the Officer's immediate family to the city of their choice in the United States in accordance with the repatriation provisions set forth in Schedule A.

(e) Parachutes. Notwithstanding any other provisions of this Agreement to the contrary, in the event that any payments or benefits received or to be received by the Officer in connection with the Officer's employment with the Company (or termination thereof) would subject the Officer to the excise tax imposed under Section 4999 of the Internal Revenue Code of 1986, as amended (the "Excise Tax"), and if the net-after tax amount (taking into account all applicable taxes payable by the Officer, including without limitation any Excise Tax) that the Officer would receive with respect to such payments or benefits does not exceed the net-after tax amount the Officer would receive if the amount of such payments and benefits were reduced to the maximum amount which could otherwise be payable to the Officer without the imposition of the Excise Tax, then, only the to the extent necessary to eliminate the imposition of the Excise Tax, such payments and benefits shall be reduced.

(iii) Termination of the Officer's employment for Cause shall be communicated by delivery to the Officer of a written notice from the Company stating that the Officer will be terminated for Cause, specifying the particulars thereof and the effective date of such termination. If the Company provides such written notice to the Officer, to the extent the Officer is being terminated for a failure to perform her duties, as described in Section 4(a)(ii)(A) above, the Officer shall have 30 days from the date of receipt of such notice to effect a cure and, upon cure thereof by the Officer, such failure to perform shall no longer constitute Cause for purposes of this Agreement.

(2) six months' Company-paid benefits continuation for the Officer and her eligible dependents; and

(3) payment of the Annual Incentive, in a prorated amount based on the number of days the Officer was actually employed during the applicable plan year and on deemed satisfactory performance by the Officer, but based on actual performance objectives satisfied by the Company, payable in a lump sum payment within 30 days after the date that the Annual Incentive is normally paid under the terms of the plans and policies of the Company (but in no event more than 12 months following the date of the Involuntary Termination).

provided, however, that the Severance payable to the Officer pursuant to this section shall be reduced to the extent that the Company makes any severance payments pursuant to the Korean Commercial Code or any other statute.

(ii) Resignation for "Good Reason" shall mean resignation by the Officer because of, unless the Officer otherwise consents in writing, one or more of the following circumstances:

(1) a reduction in the Officer's overall pay package of more than 15% that is not applied to all officers at the Officer's seniority level, provided that, so long as the Annual Incentive target is equal to 50% or more of the Officer's Salary, any decrease in the amount of the Annual Incentive paid to the Officer shall not be taken into account in calculating a decrease in the overall pay package;

(2) the nature or status of the Officer's authorities, duties or responsibilities has been materially and adversely altered;

(3) a requirement that the Officer move her principal place of employment outside of Seoul, Korea or an agreed-upon location in the United States.

(iii) Resignation for Good Reason shall be communicated by delivery to the Company of a written notice from the Officer stating that the Officer will be resigning for Good Reason, specifying the particulars thereof and the effective date of such resignation. If the Officer provides such written notice to the Company, the Company shall have 30 days from the date of receipt of such notice to effect a cure, as determined by the Officer in good faith, of the material breach described therein and, upon cure thereof by the Company, such material breach shall no longer constitute Good Reason for purposes of this Agreement.

(iv) The date of termination of employment without Cause shall be the date specified in a written notice of termination to the Officer. The date of resignation for Good Reason shall be the date specified in a written notice of resignation from the Officer to the

Company; *provided*, *however*, that no such written notice shall be effective unless the cure period specified in Section 4(b)(iii) above has expired without the Company having corrected the event or events subject to cure.

(c) Termination Due to Disability. In the event of the Officer's Disability, the Company shall be entitled to terminate her employment. In the case that the Company terminates the Officer's employment due to Disability, the Officer shall be entitled to (i) payment of her Salary up to and including the date of termination, (ii) payment of any unpaid expense reimbursements, and (iii) payment of the Annual Incentive, in a prorated amount based on the number of days the Officer was actually employed during the applicable plan year, based on actual performance objectives satisfied by the Company, payable in a lump sum payment within 30 days of the date that the Annual Incentive is normally paid under the terms of the plans and policies of the Company. As used in this Section 3(d), the term "Disability" shall mean that the Company determines that due to physical or mental illness or incapacity, whether total or partial, the Officer is substantially unable to perform her duties hereunder for a period of 180 consecutive days or shorter periods aggregating 180 days during any period of 365 consecutive days. The Officer shall permit a licensed physician agreed to by the Company and the Officer (or, in the event that the Company and the Officer cannot agree, by a licensed physician agreed upon by a physician selected by the Company and a physician selected by the Officer) to examine the Officer from time to time prior to the Officer's being determined to be Disabled, as reasonably requested by the Company, to determine whether the Officer has suffered a Disability hereunder.

(d) Death. In the event of the Officer's death while employed by the Company, the Officer's estate or named beneficiary shall be entitled to (i) payment of her Salary up to and including the date of termination (ii) payment of any unpaid expense reimbursements, and (iii) payment of the Annual Incentive, in a prorated amount based on the number of days the Officer was actually employed during the applicable plan year payable in a lump sum payment within 30 days of the date that the Annual Incentive is normally paid under the terms of the plans and policies of the Company.

**5. COVENANTS**

As an officer of the Company, the Officer acknowledges that she has had and will have access to confidential or proprietary information or both relating to the business of, or belonging to, the Company or any affiliates or third parties including, but not limited to, proprietary or confidential information, technical data, trade secrets, or know-how in respect of research, product plans, products, services, customer lists, customers, markets, computer software (including object code and source code), data and databases, outcomes research, documentation, instructional material, developments, inventions, processes, formulas, technology, designs, drawings, engineering, hardware, configuration information, models, manufacturing processes, sales information, cost information, business plans, business opportunities, marketing, finances or other business information disclosed to the Officer in any manner including by drawings or observations of parts or equipment, etc., all of which have substantial value to the Company (collectively, "Confidential Information").

(i) The Officer agrees that while employed with the Company and after the termination of the Officer's employment for any reason, the Officer shall not: (A) use any Confidential Information except in the course of her employment by the Company; or (B) disclose any Confidential Information to any other person or entity, except to personnel of the Company utilizing it in the course of their employment by the Company or to persons identified to the Officer in writing by the Company, without the prior written consent of the Company.

(ii) While the Officer is employed with the Company and after the termination of the Officer's employment for any reason, the Officer shall respect and adhere to any non-disclosure, confidentiality or similar agreements to which the Company or any of its affiliates are, or during the period of the Officer's employment by the Company, become, a party or subject. Upon the request of the Officer, the Company shall disclose to the Officer any such agreements to which it is a party or is subject.

(iii) The Officer hereby confirms that all Confidential Information and "Company Materials" (as hereinafter defined) are and shall remain the exclusive property of the Company. Immediately upon the termination of the Officer's employment for any reason, or during the Officer's employment with the Company upon the request of the Company, the Officer shall return all Company Materials, or any reproduction of such materials, apparatus, equipment and other physical property. For purposes of this Agreement, "Company Materials" are documents or other media or tangible items that contain or embody Confidential Information or any other information concerning the business, operations or plans of the Company, whether such documents have been prepared by the Officer or others.

(b) Disclosure of Previously Acquired Information to Company. The Officer hereby agrees not to disclose to the Company, and not to induce the Company to utilize, any proprietary information or trade secrets of any other party that are in her possession, unless and to the extent that she has authority to do so.

(c) Non-Competition. While the Officer is employed by the Company and, after the Officer's termination of employment for any reason, until the earlier of (i) the first anniversary of the date of termination and (ii) the third anniversary of the Effective Date, the Officer (and any entity or business in which the Officer or any affiliate of the Officer has any direct or indirect ownership or financial interest) shall not, except with the prior written consent of the Board of Directors, directly or indirectly, own any interest in, operate, join, control or participate as a partner, director, principal, officer, or agent of, enter into any employment of, act as a consultant to, or perform any services for any business which at any time during such period is in competition with any business in which the Company, or any of its affiliates, is planning to be engaged in the near future or is engaged on or prior to the termination of Officer's employment by the Company, anywhere in the world. This provision shall not be construed to prohibit the ownership by the Officer of less than 2% of any class of securities of any corporation that has a class of securities registered pursuant to the Securities Exchange Act of 1934, as amended, so long as she remains a passive investor in such entity.

(d) No Solicitation. While the Officer is employed by the Company and for a two-year period thereafter, the Officer shall not, directly or indirectly, for the Officer's own

account or for the account of any other Person (i) solicit, employ, retain as a consultant, interfere with or attempt to entice away from the Company or any of its affiliates, or any successor to any of the foregoing, any individual who is, has agreed to be or within one year of such solicitation, employment, retention, interference or enticement has been, employed or retained by the Company or any of its subsidiaries or any successor to any of the foregoing or (ii) solicit or attempt to solicit the trade of any Person which, at the time of such solicitation, is a customer of the Company or its affiliates, or any successor to any of the foregoing, or which the Company or its affiliates, or any successor to any of the foregoing, is undertaking reasonable steps to procure as a customer at the time of or immediately preceding the termination of Officer's employment by the Company; provided, however, that this limitation shall only apply to any product or service which is in competition with a product or service of the Company or its affiliates.

(e) Non-Disparagement. The Officer and the Company agree that at any time during her employment with the Company or at any time thereafter, neither the Company nor the Officer shall make, or cause or assist any other person to make, any statement or other communication which impugns or attacks, or is otherwise critical of, the reputation, business or character of the other, any subsidiary or any of their respective officers, directors, employees, products or services. The foregoing restrictions shall not apply to any statements that are made truthfully in response to a subpoena or other compulsory legal process.

(f) Enforcement. The Officer hereby acknowledges that she has carefully reviewed the provisions of this Agreement and agrees that the provisions are fair and equitable. However, in light of the possibility of differing interpretations of law and change in circumstances, the parties hereto agree that if any one or more of the provisions of this Agreement is determined by a court of competent jurisdiction to be invalid, void or unenforceable under circumstances then existing, the parties hereto agree that the maximum period, scope or geographical area reasonable or enforceable under such circumstances shall be substituted for the stated period, scope or area.

**6. GENERAL PROVISIONS**

(a) Tax Withholding. All amounts paid to the Officer hereunder shall be subject to all applicable federal, state and local wage withholding.

(b) Notices. Any notice hereunder by either party to the other shall be given in writing by personal delivery, or certified mail, return receipt requested, or (if to the Company) by telex or facsimile, in any case delivered to the applicable address set forth below:

The Company may assign its rights and obligations under this Agreement to any corporation or other business entity (i) which is an affiliate of the Company, (ii) with which the Company may merge or consolidate, or (iii) to which the Company may sell or transfer all or substantially all of its assets or 50% or more of the voting stock entitled to elect the members of the Board of Directors of the Company, provided that in each case such successor company expressly assumes the Company's obligations hereunder in writing. After any such assignment by the Company, the Company shall be discharged from all further liability hereunder and such assignee shall thereafter be deemed to be the "Company" for purposes of all terms and conditions of this Agreement, including this Section 6(c). For purposes of this Section 6(c), "affiliate" means any company that the Company controls, that controls the Company, or that is under common control with the Company.

(d) Amendment. No provision of this Agreement may be amended, modified, waived or discharged unless such amendment, modification, waiver or discharge is agreed to in writing and signed by the parties. No waiver by either party hereto at any time of any breach by the other party hereto of, or compliance with, any condition or provision of this Agreement to be performed by such other party shall be deemed a waiver of similar or dissimilar provisions or conditions at the same or at any prior or subsequent time.

(e) Severability. If any term or provision hereof is determined to be invalid or unenforceable in a final court or arbitration proceeding, (i) the remaining terms and provisions hereof shall be unimpaired and (ii) the invalid or unenforceable term or provision shall be deemed replaced by a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision.

**WHEREAS**, the Company desires to have the benefits of the Officer's knowledge and experience as a full-time officer, to employ the Officer in the manner hereinafter specified, and to make provision for payment of reasonable compensation to the Officer for such services, and the Officer is willing to be employed by the Company to perform the duties incident to such employment upon the terms and conditions hereinafter set forth;

The Officer shall diligently perform such duties and have such responsibilities as the Board of Directors of the Company may establish from time to time, and the Officer shall report to the Chief Executive Officer of the Company.

(b) Term. Unless terminated at an earlier date in accordance with Section 4 below, the term of the Officer's employment with the Company hereunder shall be for a term commencing on the Effective Date and ending on the third anniversary of the Effective Date (the "Initial Term"). Thereafter, unless terminated at an earlier date in accordance with Section 4 below, the Initial Term and each Additional Term shall be automatically extended for successive one-year periods (each, an "Additional Term"), in each case, commencing upon the expiration of the Initial Term or the then-current Additional Term, unless at least 90 days prior to the expiration of such term, either party gives written notice to the other party of its intention not to extend the term of the Officer's employment.

(c) Services. The Officer shall well and faithfully serve the Company, and shall devote all of the Officer's business time and attention to the performance of the duties of such employment and the advancement of the best interests of the Company and shall not, directly or indirectly, render services to any other person or organization for which the Officer receives compensation without the prior written approval of the Company. The Officer hereby agrees to refrain from engaging in any activity that does, shall or could reasonably be deemed to conflict with the best interests of the Company.

(d) Location of Employment. The Officer's place of employment shall be at the Company's facility located in Seoul, Korea, but the Officer shall travel to the extent and to the places necessary for the performance of the Officer's duties to the Company; provided, however, that until such date as the Officer is legally qualified to work in Korea, the Officer's place of employment shall be at the Company's facility located in Santa Clara, California. After a period of expatriate service of six months to one year in Seoul, Korea, the Officer and the Company expect that the Officer's place of employment shall be moved back to Santa Clara, California, or such other location as the Officer and the Company shall mutually agree.

(e) Assumption and Dispatch by IC Media. The Officer, the Company, and IC Media agree that until such time as the Company is authorized under Korean law to directly employ the Officer and the Officer is legally qualified to be directly employed by the Company in Korea, IC Media will from the Effective Date fully assume the rights and obligations of the Company under this Agreement and dispatch the Officer to the Officer's place of employment at the Company.

**3. COMPENSATION AND OTHER BENEFITS**

Subject to the provisions of this Agreement, including, without limitation, the termination provisions contained in Section 4 below, the Company shall pay and provide the following compensation and other benefits to the Officer as compensation for all services rendered hereunder:

(a) Salary. The Company shall pay the Officer a base salary at the rate of US$310,000.00 per annum (the "Salary"), payable to the Officer in accordance with the standard payroll practices of the Company as are in effect from time to time, less all such deductions or withholdings required by applicable law. The Salary is payable in U.S. dollars to a bank account designated from time to time by the Officer. Annual salary increases will be determined by the compensation committee of the Board of Directors of the Company (the "Committee") in accordance with the Committee's policies and procedures.

(b) Annual Incentive. The Officer shall be eligible to earn an annual cash bonus in accordance with the annual short-term incentive plan approved annually by the compensation committee of the Company (the "Annual Incentive"). The Annual Incentive shall be a target of 50% of the Officer's annual salary.

(c) Expenses. The Company shall pay or reimburse the Officer for all reasonable out-of-pocket expenses incurred by the Officer in connection with the Officer's employment

hereunder upon submission of appropriate documentation or receipts in accordance with the policies and procedures of the Company as are in effect from time to time.

(d) Benefits. The Officer shall be eligible to participate in or purchase as necessary and be reimbursed for medical, disability and life insurance plans and to receive other benefits applicable to senior officers of the Company generally in accordance with the terms of such plans as are in effect from time to time. The Officer shall be entitled to the following expatriate/repatriation benefits:

(i) Visas and Work Permits. The Company will provide the necessary services and cover the cost to obtain the necessary visas and/or work permits to enable the Officer to legally work and stay in Korea for the duration that the Officer is assigned to perform services in Korea.

(ii) Air Travel. The Company will pay for air flight expenses for the Officer and the Officer's family to travel to Seoul, Korea, to begin the Officer's expatriate assignment.

(iii) Shipment of Household Goods. The Company shall reimburse the Officer reasonable costs to move the Officer's household goods via surface transport from the U.S. to Korea and, upon an agreed-upon change of location of service or upon the termination of this Agreement for any reason other than as set forth in Section 4(a) below, reasonable costs to move the Officer's household goods via surface transport from Korea back to the U.S.

(iv) Temporary Housing. The Company shall reimburse the Officer for reasonable costs for furnished temporary housing in Korea for up to 30 days upon the Officer's arrival in Korea. A reasonable per diem shall be included if the temporary housing does not include cooking facilities.

(v) Host Country Housing. The Company shall reimburse the Officer for reasonable housing expenses in Korea for rent on a single home or apartment up to a maximum of KRW8,500,000 per month.

(vii) Tax Treatment. The Company shall provide for tax equalization (to U.S. federal and California state) for all salary and benefits commencing in the tax year when the expatriate assignment begins through the end of the tax year of repatriation (regardless of whether the Officer is still employed by the Company at that time). The Officer shall minimize U.S. taxes as permitted by Section 901 and 911 of the Internal Revenue Code. For the avoidance of doubt, this provision shall be interpreted to mean that the Officer's total tax liability shall not be higher than it would have been had the Officer remained in the U.S.

(e) Vacation. The Officer shall be entitled to annual vacation of three weeks per year and, while serving in an expatriate status in Korea, an additional two weeks of home leave per year (pro-rated if the Officer's expatriate status is less than one year).

(f) Equity. The Officer is granted options to purchase 300,000 MagnaChip Semiconductor LLC common units (the "Option") pursuant to the MagnaChip Semiconductor LLC Equity Incentive Plan at a purchase price equal to $1.00 per common unit. Twenty-five percent of the Option will vest on the first anniversary of the Option grant date and an additional 6.25% of the Option will vest on the last day of each calendar quarter thereafter. Other terms of the Option shall be as determined by the Board of Directors of MagnaChip Semiconductor LLC but shall not be less favorable than the terms of options granted to other Company employees.

(g) Indemnification. To the fullest extent permitted by law and the governing documents of the Company, the Company will indemnify and hold the Officer harmless from and against all losses, costs, and expenses arising from or relating to the Officer's services as an officer or employee of the Company.

**4. TERMINATION OF EMPLOYMENT**

Subject to the notice and other provisions of this Section 4, the Company shall have the right to terminate the Officer's employment hereunder, at any time for any reason or for no stated reason, and the Officer shall have the right to resign, at any time for any reason or for no stated reason.

(a) Termination for Cause or Resignation.

(i) If, prior to the expiration of the Initial Term or any Additional Term, the Officer's employment is terminated by the Company for Cause or if the Officer resigns for any reason other than Good Reason from the Officer's employment hereunder, the Officer shall be entitled to payment of (A) the Officer's Salary accrued up to and including the date of termination or resignation, and any unreimbursed expenses. Except to the extent required by the terms of the benefits provided under Section 3(f) or applicable law, the Officer shall have no right under this Agreement or otherwise to receive any other compensation or to participate in any other plan, program or arrangement after such termination or resignation of employment with respect to the year of such termination or resignation and later years. The treatment of any outstanding options held by the Officer as of the date of the termination shall be governed by the agreements and equity incentive plans pursuant to which the options were granted.

(ii) Termination for "Cause" shall mean a termination of the Officer's employment with the Company because of (A) a failure by the Officer to substantially perform the Officer's customary duties with the Company in the ordinary course (other than such failure resulting from the Officer's incapacity due to physical or mental illness or any such actual or anticipated failure after the Officer provides written notification to the Company of resignation of employment for Good Reason under this Agreement) that, if susceptible to cure, has not been cured as determined by the Company within 30 days after a written demand for substantial performance is delivered to the Officer by the

Company, which demand specifically identifies the manner in which the Company believes that the Officer has not substantially performed the Officer's duties; (B) the Officer's gross negligence, intentional misconduct or fraud in the performance of the Officer's employment; (C) the Officer's indictment for a felony or for a crime involving fraud or dishonesty; (D) a judicial determination that the Officer committed fraud or dishonesty against any natural person, firm, partnership, limited liability company, association, corporation, company, trust, business trust, governmental authority or other entity (each, a "Person"); or (E) the Officer's material violation of this Agreement or of one or more of the Company's policies applicable to the Officer's employment as may be in effect from time to time.

(iii) Termination of the Officer's employment for Cause shall be communicated by delivery to the Officer of a written notice from the Company stating that the Officer will be terminated for Cause, specifying the particulars thereof and the effective date of such termination. If the Company provides such written notice to the Officer, to the extent the Officer is being terminated for a failure to perform the Officer's duties, as described in Section 4(a)(ii)(A) above, the Officer shall have 30 days from the date of receipt of such notice to effect a cure and, upon cure thereof by the Company, such failure to perform shall no longer constitute Cause for purposes of this Agreement.

(iv) The date of a resignation other than for Good Reason by the Officer shall be the date specified in a written notice of resignation from the Officer to the Company provided that the Officer shall provide at least 60 days' advance written notice of the Officer's resignation other than for Good Reason.

(b) Involuntary Termination.

(i) If, prior to the expiration of the Initial Term or any Additional Term, the Company terminates the Officer's employment for any reason other than Disability, death or Cause or if the Officer resigns from the Officer's employment for Good Reason (such termination or resignation being hereinafter referred to as an "Involuntary Termination"), the Officer shall be entitled to (A) payment of the Officer's Salary accrued up to and including the date of the Involuntary Termination, (B) payment of any unreimbursed expenses, and (C) severance (the "Severance"), consisting of:

(1) continuation of the Officer's Salary, at the rate in effect on the date of the Involuntary Termination, for a period of six months, commencing on the date next following the date of the Involuntary Termination;

(2) six months' Company-paid benefits continuation for the Officer and the Officer's eligible dependents; and

(3) payment of the Annual Incentive, in a prorated amount based on the number of days the Officer was actually employed during the applicable plan year and on deemed satisfactory performance by the Officer, but based on actual performance objectives satisfied by the Company, payable in a lump sum payment within 30 days after the date that the Annual Incentive is normally paid under the

terms of the plans and policies of the Company (but in no event more than 12 months following the date of the Involuntary Termination);

(4) acceleration of the Officer's Option vesting schedule by 12 months if the termination shall be within the first 12 months of employment; or by six months if the termination shall be after the first 12 months of employment; and

(5) repatriation (if applicable) to the Officer's home country, including a household move, transportation for the Officer and his family, and assumption by MagnaChip of any outstanding expatriate costs such as lease payments for housing or transportation.

provided, however, that the Severance payable to the Officer pursuant to this section shall be reduced to the extent that the Company makes any severance payments pursuant to the Korean Commercial Code or any other U.S., Korean, or other statute.

(ii) Resignation for "Good Reason" shall mean resignation by the Officer because of, unless the Officer otherwise consents in writing, one or more of the following circumstances:

(1) a reduction in the Officer's overall pay package of more than 15% that is not applied to all officers at the Officer's seniority level, provided that, so long as the Annual Incentive target is at a target level 50% or more of the Officer's Salary, any decrease in the amount of the Annual Incentive paid to the Officer shall not be taken into account in calculating a decrease in the overall pay package; or

(2) the nature or status of the Officer's authorities, duties or responsibilities has been materially and adversely altered.

(iii) Resignation for Good Reason shall be communicated by delivery to the Company of a written notice from the Officer stating that the Officer will be resigning for Good Reason, specifying the particulars thereof and the effective date of such resignation. If the Officer provides such written notice to the Company, the Company shall have 30 days from the date of receipt of such notice to effect a cure of the material breach described therein and, upon cure thereof by the Company, such material breach shall no longer constitute Good Reason for purposes of this Agreement.

(iv) The date of termination of employment without Cause shall be the date specified in a written notice of termination to the Officer. The date of resignation for Good Reason shall be the date specified in a written notice of resignation from the Officer to the Company; *provided, however*, that no such written notice shall be effective unless the cure period specified in Section 4(b)(iii) above has expired without the Company having corrected the event or events subject to cure.

(c) Termination Due to Disability. In the event of the Officer's Disability, the Company shall be entitled to terminate the Officer's employment. In the case that the Company terminates the Officer's employment due to Disability, the Officer shall be entitled to (i)

payment of the Officer's Salary up to and including the date of termination, (ii) payment of any unpaid expense reimbursements, and (iii) payment of the Annual Incentive, in a prorated amount based on the number of days the Officer was actually employed during the applicable plan year, based on actual performance objectives satisfied by the Company, payable in a lump sum payment within 30 days of the date that the Annual Incentive is normally paid under the terms of the plans and policies of the Company. As used in this Section 4(c), the term "Disability" shall mean that the Company determines that due to physical or mental illness or incapacity, whether total or partial, the Officer is substantially unable to perform the Officer's duties hereunder for a period of 180 consecutive days or shorter periods aggregating 180 days during any period of 365 consecutive days. The Officer shall permit a licensed physician agreed to by the Company and the Officer (or, in the event that the Company and the Officer cannot agree, by a licensed physician agreed upon by a physician selected by the Company and a physician selected by the Officer) to examine the Officer from time to time prior to the Officer's being determined to be Disabled, as reasonably requested by the Company, to determine whether the Officer has suffered a Disability hereunder.

(d) Death. In the event of the Officer's death while employed by the Company, the Officer's estate or named beneficiary shall be entitled to (i) payment of the Officer's Salary up to and including the date of termination, (ii) payment of any unpaid expense reimbursements, and (iii) payment of the Annual Incentive, in a prorated amount based on the number of days the Officer was actually employed during the applicable plan year payable in a lump sum payment within 30 days of the date that the Annual Incentive is normally paid under the terms of the plans and policies of the Company.

**5. COVENANTS**

(a) Confidential Information. As an officer of the Company, the Officer acknowledges that the Officer has had and will have access to confidential or proprietary information or both relating to the business of, or belonging to, the Company or any affiliates or third parties including, but not limited to, proprietary or confidential information, technical data, trade secrets, or know-how in respect of research, product plans, products, services, customer lists, customers, markets, computer software (including object code and source code), data and databases, outcomes research, documentation, instructional material, developments, inventions, processes, formulas, technology, designs, drawings, engineering, hardware, configuration information, models, manufacturing processes, sales information, cost information, business plans, business opportunities, marketing, finances or other business information disclosed to the Officer in any manner including by drawings or observations of parts or equipment, etc., all of which have substantial value to the Company (collectively, "Confidential Information").

(i) The Officer agrees that while employed with the Company and after the termination of the Officer's employment for any reason, the Officer shall not: (A) use any Confidential Information except in the course of the Officer's employment by the Company; or (B) disclose any Confidential Information to any other person or entity, except to personnel of the Company utilizing it in the course of their employment by the Company or to persons identified to the Officer in writing by the Company, without the prior written consent of the Company.

(ii) While the Officer is employed with the Company and after the termination of the Officer's employment for any reason, the Officer shall respect and adhere to any non-disclosure, confidentiality or similar agreements to which the Company or any of its affiliates are, or during the period of the Officer's employment by the Company, become, a party or subject. Upon the request of the Officer, the Company shall disclose to the Officer any such agreements to which it is a party or is subject.

(iii) The Officer hereby confirms that all Confidential Information and "Company Materials" (as hereinafter defined) are and shall remain the exclusive property of the Company. Immediately upon the termination of the Officer's employment for any reason, or during the Officer's employment with the Company upon the request of the Company, the Officer shall return all Company Materials, or any reproduction of such materials, apparatus, equipment and other physical property. For purposes of this Agreement, "Company Materials" are documents or other media or tangible items that contain or embody Confidential Information or any other information concerning the business, operations or plans of the Company, whether such documents have been prepared by the Officer or others.

(b) Disclosure of Previously Acquired Information to Company. The Officer hereby agrees not to disclose to the Company, and not to induce the Company to utilize, any proprietary information or trade secrets of any other party that are in the Officer's possession, unless and to the extent that the Officer has authority to do so.

(c) Non-Competition. While the Officer is employed by the Company and, after the Officer's termination of employment for any reason, until the earlier of (i) the first anniversary of the date of termination and (ii) the third anniversary of the Effective Date, the Officer (and any entity or business in which the Officer or any affiliate of the Officer has any direct or indirect ownership or financial interest) shall not, except with the prior written consent of the Board of Directors, directly or indirectly, own any interest in, operate, join, control or participate as a partner, director, principal, officer, or agent of, enter into any employment of, act as a consultant to, or perform any services for any business which at any time during such period is in competition with any business in which the Company, or any of its affiliates, is planning to be engaged in the near future or is engaged on or prior to the termination of Officer's employment by the Company, anywhere in the world. This provision shall not be construed to prohibit the ownership by the Officer of less than 2% of any class of securities of any corporation that has a class of securities registered pursuant to the Securities Exchange Act of 1934, as amended, so long as the Officer remains a passive investor in such entity.

(d) No Solicitation. While the Officer is employed by the Company and for a two-year period thereafter, the Officer shall not, directly or indirectly, for the Officer's own account or for the account of any other Person (i) solicit, employ, retain as a consultant, interfere with or attempt to entice away from the Company or any of its affiliates, or any successor to any of the foregoing, any individual who is, has agreed to be or within one year of such solicitation, employment, retention, interference or enticement has been, employed or retained by the Company or any of its subsidiaries or any successor to any of the foregoing or (ii) solicit or attempt to solicit the trade of any Person which, at the time of such solicitation, is a customer of the Company or its affiliates, or any successor to any of the foregoing, or which the Company or

its affiliates, or any successor to any of the foregoing, is undertaking reasonable steps to procure as a customer at the time of or immediately preceding the termination of Officer's employment by the Company; provided, however, that this limitation shall only apply to any product or service which is in competition with a product or service of the Company or its affiliates.

(e) Non-Disparagement. The Officer and the Company agree that at any time during the Officer's employment with the Company or at any time thereafter, neither the Company nor the Officer shall make, or cause or assist any other person to make, any statement or other communication which impugns or attacks, or is otherwise critical of, the reputation, business or character of the other, any subsidiary or any of their respective officers, directors, employees, products or services. The foregoing restrictions shall not apply to any statements that are made truthfully in response to a subpoena or other compulsory legal process.

(f) Enforcement. The Officer hereby acknowledges that the Officer has carefully reviewed the provisions of this Agreement and agrees that the provisions are fair and equitable. However, in light of the possibility of differing interpretations of law and change in circumstances, the parties hereto agree that if any one or more of the provisions of this Agreement is determined by a court of competent jurisdiction to be invalid, void or unenforceable under circumstances then existing, the parties hereto agree that the maximum period, scope or geographical area reasonable or enforceable under such circumstances shall be substituted for the stated period, scope or area.

After any such assignment by the Company, the Company shall be discharged from all further liability hereunder and such assignee shall thereafter be deemed to be the "Company" for purposes of all terms and conditions of this Agreement, including this Section 6(c). For purposes of this Section 6(c), "affiliate" means any company that the Company controls, that controls the Company, or that is under common control with the Company.

**THIS SERVICE AGREEMENT** ("Agreement") is executed by and between MagnaChip Semiconductor, Ltd., a Korean limited liability company (the "Company"), and Dale Lindly, an individual (the "Officer"), effective as April 14, 2005.

**WITNESSETH:**

**WHEREAS**, the Company desires to have the benefits of the Officer's knowledge and experience as a full-time officer, to employ the Officer in the manner hereinafter specified, and to make provision for payment of reasonable compensation to the Officer for such services, and the Officer is willing to be employed by the Company to perform the duties incident to such employment upon the terms and conditions hereinafter set forth.

**NOW, THEREFORE**, in consideration of the foregoing premises, the mutual covenants, terms and conditions set forth herein, and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Company and the Officer hereby agree as follows:

**1. EFFECTIVENESS OF SERVICE AGREEMENT**

This Agreement shall constitute a binding obligation of the Officer and the Company as of April 14, 2005 (the "Effective Date").

**2. EMPLOYMENT AND DUTIES**

(a) General. The Company shall hereby employ the Officer as Senior Vice President Finance, Corporate Controller, and the Officer agrees upon the terms and conditions herein set forth to be employed by the Company. The Officer shall diligently perform such duties and have such responsibilities as the Board of Directors of the Company may establish from time to time, and the Officer shall report to the Executive Vice President, Strategic Operations and Chief Financial Officer of the Company.

(b) Term. Unless terminated at an earlier date in accordance with Section 4 below, the term of the Officer's employment with the Company hereunder shall be for a term commencing on the Effective Date and ending on the third anniversary of the Effective Date (the "Initial Term"). Thereafter, unless terminated at an earlier date in accordance with Section 4 below, the Initial Term and each Additional Term shall be automatically extended for successive one-year periods (each, an "Additional Term"), in each case, commencing upon the expiration of the Initial Term or the then-current Additional Term, unless at least 90 days prior to the expiration of such term, either party gives written notice to the other party of its intention not to extend the term of the Officer's employment.

(c) Services. The Officer shall well and faithfully serve the Company, and shall devote all of the Officer's business time and attention to the performance of the duties of such employment and the advancement of the best interests of the Company and shall not, directly or indirectly, render services to any other person or organization for which the Officer receives

compensation without the prior written approval of the Company. The Officer hereby agrees to refrain from engaging in any activity that does, shall or could reasonably be deemed to conflict with the best interests of the Company.

(d) Location of Employment. Once the Officer is legally qualified to work in Korea, the Officer's place of employment shall be at the Company's facility located in Seoul, Korea, but the Officer shall travel to the extent and to the places necessary for the performance of the Officer's duties to the Company.

**3. COMPENSATION AND OTHER BENEFITS**

Subject to the provisions of this Agreement, including, without limitation, the termination provisions contained in Section 4 below, the Company shall pay and provide the following compensation and other benefits to the Officer as compensation for all services rendered hereunder:

(a) Salary. The Company shall pay the Officer a base salary at the rate of US$200,000.00 per annum (the "Salary"), payable to the Officer in accordance with the standard payroll practices of the Company as are in effect from time to time, less all such deductions or withholdings required by applicable law. The Salary is payable in U.S. dollars to a bank account designated from time to time by the Officer. Annual salary increases will be determined by the compensation committee of the Board of Directors of the Company (the "Committee") in accordance with the Committee's policies and procedures.

(b) Annual Incentive. The Officer shall be eligible to earn an annual cash bonus in accordance with the annual short-term incentive plan approved annually by the compensation committee of the Company (the "Annual Incentive"). The Annual Incentive shall be a target of 50% of the Officer's annual salary, and is guaranteed at an amount equal to 50% of the Officer's annual salary for the first year of the Officer's service. The Officer may elect to have the guaranteed first-year bonus paid quarterly in arrears.

(c) Expenses. The Company shall pay or reimburse the Officer for all reasonable out-of-pocket expenses incurred by the Officer in connection with the Officer's employment hereunder upon submission of appropriate documentation or receipts in accordance with the policies and procedures of the Company as are in effect from time to time.

(d) Benefits. The Officer shall be eligible to participate in or purchase as necessary and be reimbursed for medical, disability and life insurance plans and to receive other benefits applicable to senior officers of the Company generally in accordance with the terms of such plans as are in effect from time to time. The Officer shall be entitled to the following expatriate/repatriation benefits:

(i) Visas and Work Permits. The Company will provide the necessary services and cover the cost to obtain the necessary visas and/or work permits to enable the Officer and the Officer's family to legally work and stay in Korea for the duration that the Officer is assigned to perform services in Korea.

(ii) Air Travel. The Company will pay for air flight expenses for the Officer to travel to Seoul, Korea, to begin the Officer's expatriate assignment. Should the Officer's family decide to join him and move to Seoul, Korea, at any time during the term of this Agreement, the Company will pay for their air flight expenses from the U.S. to Korea.

(iii) Shipment of Household Goods. The Company shall reimburse the Officer reasonable costs to move the Officer's household goods via surface transport from the U.S. to Korea and, upon the termination of this Agreement for any reason other than as set forth in Section 4(a) below, reasonable costs to move the Officer's household goods via surface transport from Korea back to the U.S.

(iv) Temporary Housing. The Company shall reimburse the Officer for reasonable costs for furnished temporary housing in Korea for up to 30 days upon the Officer's arrival in Korea. A reasonable per diem shall be included if the temporary housing does not include cooking facilities.

(v) Host Country Housing. The Company shall reimburse the Officer for reasonable housing expenses in Korea for rent on a single home or apartment up to a maximum of US$8,000 per month.

(vi) Tax Treatment. The Company shall provide for tax equalization (to U.S. federal and California state) commencing in the tax year when the expatriate assignment begins through the end of the tax year of repatriation (regardless of whether the Officer is still employed by the Company at that time). The Officer shall minimize U.S. taxes as permitted by Section 901 and 911 of the Internal Revenue Code. For the avoidance of doubt, this provision shall be interpreted to mean that the Officer's total tax liability shall not be higher than it would have been had the Officer remained in the U.S. The Company will provide tax preparation services to assist the Officer with the preparation of the Officer's personal income tax returns for the U.S. and Korea.

(e) Vacation. The Officer shall be entitled to annual vacation of three weeks per year and, while serving in an expatriate status in Korea, an additional two weeks of home leave per year, inclusive during the first year of employment only of reasonable flight expenses for one trip to the U.S. or to Korea, as the case may be, per twelve-month period for the Officer and the Officer's family.

(f) Equity. The Officer is granted options to purchase 75,000 MagnaChip Semiconductor LLC common units (the "Option") pursuant to the MagnaChip Semiconductor LLC Equity Incentive Plan at a purchase price equal to $1.00 per common unit. Twenty-five percent of the Option will vest on the first anniversary of the Option grant date and an additional 6.25% of the Option will vest on the last day of each calendar quarter thereafter. Other terms of the Option shall be as determined by the Board of Directors of MagnaChip Semiconductor LLC but shall not be less favorable than the terms of options granted to other Company employees.

(g) Loan Forgiveness. Effective as of the closing of the Company's acquisition of IC Media Corporation, a California corporation ("ICM"), the Company shall, as successor to ICM,

immediately cancel the outstanding balance (principal and accrued but unpaid interest) on that certain promissory note of the Officer payable to ICM in the original principal amount of $115,000.00. The Officer will be responsible for any taxes accruing or arising from the forgiveness of the promissory note.

(h) Indemnification. To the fullest extent permitted by law and the governing documents of the Company, the Company will indemnify and hold the Officer harmless from and against all losses, costs, and expenses arising from or relating to the Officer's services as an officer or employee of the Company.

**4. TERMINATION OF EMPLOYMENT**

Subject to the notice and other provisions of this Section 4, the Company shall have the right to terminate the Officer's employment hereunder, at any time for any reason or for no stated reason, and the Officer shall have the right to resign, at any time for any reason or for no stated reason.

(a) Termination for Cause or Resignation.

(i) If, prior to the expiration of the Initial Term or any Additional Term, the Officer's employment is terminated by the Company for Cause or if the Officer resigns for any reason other than Good Reason from the Officer's employment hereunder, the Officer shall be entitled to payment of (A) the Officer's Salary accrued up to and including the date of termination or resignation, and any unreimbursed expenses. Except to the extent required by the terms of the benefits provided under Section 3(f) or applicable law, the Officer shall have no right under this Agreement or otherwise to receive any other compensation or to participate in any other plan, program or arrangement after such termination or resignation of employment with respect to the year of such termination or resignation and later years. The treatment of any outstanding options held by the Officer as of the date of the termination shall be governed by the agreements and equity incentive plans pursuant to which the options were granted.

(ii) Termination for "Cause" shall mean a termination of the Officer's employment with the Company because of (A) a failure by the Officer to substantially perform the Officer's customary duties with the Company in the ordinary course (other than such failure resulting from the Officer's incapacity due to physical or mental illness or any such actual or anticipated failure after the Officer provides written notification to the Company of resignation of employment for Good Reason under this Agreement) that, if susceptible to cure, has not been cured as determined by the Company within 30 days after a written demand for substantial performance is delivered to the Officer by the Company, which demand specifically identifies the manner in which the Company believes that the Officer has not substantially performed the Officer's duties; (B) the Officer's gross negligence, intentional misconduct or fraud in the performance of the Officer's employment; (C) the Officer's indictment for a felony or for a crime involving fraud or dishonesty; (D) a judicial determination that the Officer committed fraud or dishonesty against any natural person, firm, partnership, limited liability company, association, corporation, company, trust, business trust, governmental authority or other

entity (each, a "Person"); or (E) the Officer's material violation of this Agreement or of one or more of the Company's policies applicable to the Officer's employment as may be in effect from time to time.

(iii) Termination of the Officer's employment for Cause shall be communicated by delivery to the Officer of a written notice from the Company stating that the Officer will be terminated for Cause, specifying the particulars thereof and the effective date of such termination. If the Company provides such written notice to the Officer, to the extent the Officer is being terminated for a failure to perform the Officer's customary duties, as described in Section 4(a)(ii)(A) above, the Officer shall have 30 days from the date of receipt of such notice to effect a cure and, upon cure thereof by the Company, such failure to perform shall no longer constitute Cause for purposes of this Agreement.

(iv) The date of a resignation other than for Good Reason by the Officer shall be the date specified in a written notice of resignation from the Officer to the Company provided that the Officer shall provide at least 60 days' advance written notice of the Officer's resignation other than for Good Reason.

(b) Involuntary Termination.

(i) If, prior to the expiration of the Initial Term or any Additional Term, the Company terminates the Officer's employment for any reason other than Disability, death or Cause or if the Officer resigns from the Officer's employment for Good Reason (such termination or resignation being hereinafter referred to as an "Involuntary Termination"), the Officer shall be entitled to (A) payment of the Officer's Salary accrued up to and including the date of the Involuntary Termination, (B) the dollar value of all accrued and unused vacation benefits based upon the Officer's most recent level of Salary, (C) any Annual Incentive amount actually earned pursuant to Section 3(b) for one or more fiscal years but not previously paid to the Officer, (D) payment of any unreimbursed expenses, and (E) severance (the "Severance"), consisting of:

(1) continuation of the Officer's Salary, at the rate in effect on the date of the Involuntary Termination, for a period of six months, commencing on the date next following the date of the Involuntary Termination;

(2) six months' Company-paid benefits continuation for the Officer and the Officer's eligible dependents; and

(3) payment of the Annual Incentive, in a prorated amount based on the number of days the Officer was actually employed during the applicable plan year and on deemed satisfactory performance by the Officer, but based on actual performance objectives satisfied by the Company, payable in a lump sum payment within 30 days after the date that the Annual Incentive is normally paid under the terms of the plans and policies of the Company (but in no event more than 12 months following the date of the Involuntary Termination);

provided, however, that the Severance payable to the Officer pursuant to this section shall be reduced to the extent that the Company makes any severance payments pursuant to the Korean Commercial Code or any other statute.

(ii) Resignation for "Good Reason" shall mean resignation by the Officer because of, unless the Officer otherwise consents in writing, one or more of the following circumstances:

(1) a reduction in the Officer's overall pay package of more than 15% that is not applied to all officers at the Officer's seniority level, provided that, so long as the Annual Incentive target is up to 50% or more of the Officer's Salary, any decrease in the amount of the Annual Incentive paid to the Officer shall not be taken into account in calculating a decrease in the overall pay package;

(2) the nature or status of the Officer's authorities, duties or responsibilities has been materially and adversely altered;

(3) a requirement that the Officer move the Officer's principal place of employment outside of Korea or an agreed-upon location in the United States.

(iii) Resignation for Good Reason shall be communicated by delivery to the Company of a written notice from the Officer stating that the Officer will be resigning for Good Reason, specifying the particulars thereof and the effective date of such resignation. If the Officer provides such written notice to the Company, the Company shall have 30 days from the date of receipt of such notice to effect a cure, as reasonably determined by the Company, of the material breach described therein and, upon cure thereof by the Company, such material breach shall no longer constitute Good Reason for purposes of this Agreement.

(iv) The date of termination of employment without Cause shall be the date specified in a written notice of termination to the Officer. The date of resignation for Good Reason shall be the date specified in a written notice of resignation from the Officer to the Company; *provided, however*, that no such written notice shall be effective unless the cure period specified in Section 4(b)(iii) above has expired without the Company having corrected the event or events subject to cure.

(c) Termination Due to Disability. In the event of the Officer's Disability, the Company shall be entitled to terminate the Officer's employment. In the case that the Company terminates the Officer's employment due to Disability, the Officer shall be entitled to (i) payment of the Officer's Salary up to and including the date of termination, (ii) the dollar value of all accrued and unused vacation benefits based upon the Officer's most recent level of Salary, (iii) any Annual Incentive amount actually earned pursuant to Section 3(b) for one or more fiscal years but not previously paid to the Officer, (iv) payment of any unpaid expense reimbursements, and (v) payment of the Annual Incentive, in a prorated amount based on the number of days the Officer was actually employed during the applicable plan year, based on actual performance objectives satisfied by the Company, payable in a lump sum payment within 30 days of the date that the Annual Incentive is normally paid under the terms of the plans and policies of the

Company. As used in this Section 4(c), the term "Disability" shall mean that the Company reasonably determines that due to physical or mental illness or incapacity, whether total or partial, the Officer is substantially unable to perform the Officer's duties hereunder for a period of 180 consecutive days or shorter periods aggregating 180 days during any period of 365 consecutive days. The Officer shall permit a licensed physician agreed to by the Company and the Officer (or, in the event that the Company and the Officer cannot agree, by a licensed physician agreed upon by a physician selected by the Company and a physician selected by the Officer) to examine the Officer from time to time prior to the Officer's being determined to be Disabled, as reasonably requested by the Company, to determine whether the Officer has suffered a Disability hereunder.

(d) Death. In the event of the Officer's death while employed by the Company, the Officer's estate or named beneficiary shall be entitled to (i) payment of the Officer's Salary up to and including the date of termination, (ii) the dollar value of all accrued and unused vacation benefits based upon the Officer's most recent level of Salary, (iii) any Annual Incentive amount actually earned pursuant to Section 3(b) for one or more fiscal years but not previously paid to the Officer, (iv) payment of any unpaid expense reimbursements, and (v) payment of the Annual Incentive, in a prorated amount based on the number of days the Officer was actually employed during the applicable plan year payable in a lump sum payment within 30 days of the date that the Annual Incentive is normally paid under the terms of the plans and policies of the Company.

The Officer hereby agrees not to disclose to the Company, and not to induce the Company to utilize, any proprietary information or trade secrets of any other party that are in the Officer's possession, unless and to the extent that the Officer has authority to do so.

(c) Non-Competition. While the Officer is employed by the Company and, after the Officer's termination of employment for any reason, until the earlier of (i) the first anniversary of the date of termination and (ii) the third anniversary of the Effective Date, the Officer (and any entity or business in which the Officer or any affiliate of the Officer has any direct or indirect ownership or financial interest) shall not, except with the prior written consent of the Board of Directors, directly or indirectly, own any interest in, operate, join, control or participate as a partner, director, principal, officer, or agent of, enter into any employment of, act as a consultant to, or perform any services for any business which at any time during such period is in competition with any business in which the Company, or any of its affiliates, is planning to be engaged in the near future or is engaged on or prior to the termination of Officer's employment by the Company, anywhere in the world. This provision shall not be construed to prohibit the ownership by the Officer of less than 2% of any class of securities of any corporation that has a class of securities registered pursuant to the Securities Exchange Act of 1934, as amended, so long as the Officer remains a passive investor in such entity.

(d) No Solicitation. While the Officer is employed by the Company and for a two-year period thereafter, the Officer shall not, directly or indirectly, for the Officer's own account or for the account of any other Person (i) solicit, employ, retain as a consultant, interfere with or attempt to entice away from the Company or any of its affiliates, or any successor to any of the foregoing, any individual who is, has agreed to be or within one year of such solicitation, employment, retention, interference or enticement has been, employed or retained by the Company or any of its subsidiaries or any successor to any of the foregoing or (ii) solicit or attempt to solicit the trade of any Person which, at the time of such solicitation, is a customer of the Company or its affiliates, or any successor to any of the foregoing, or which the Company or its affiliates, or any successor to any of the foregoing, is undertaking reasonable steps to procure as a customer at the time of or immediately preceding the termination of Officer's employment

by the Company; provided, however, that this limitation shall only apply to any product or service which is in competition with a product or service of the Company or its affiliates.

(e) Non-Disparagement. The Officer and the Company agree that at any time during the Officer's employment with the Company or at any time thereafter, neither the Company nor the Officer shall make, or cause or assist any other person to make, any statement or other communication which impugns or attacks, or is otherwise critical of, the reputation, business or character of the other, any subsidiary or any of their respective officers, directors, employees, products or services. The foregoing restrictions shall not apply to any statements that are made truthfully in response to a subpoena or other compulsory legal process.

(f) Enforcement. The Officer hereby acknowledges that the Officer has carefully reviewed the provisions of this Agreement and agrees that the provisions are fair and equitable. However, in light of the possibility of differing interpretations of law and change in circumstances, the parties hereto agree that if any one or more of the provisions of this Agreement is determined by a court of competent jurisdiction to be invalid, void or unenforceable under circumstances then existing, the parties hereto agree that the maximum period, scope or geographical area reasonable or enforceable under such circumstances shall be substituted for the stated period, scope or area.

The Committee shall have full authority to determine to whom Awards will be granted, the type and amount of Awards to be granted, the terms and conditions of Awards granted under the Plan and the terms of Award Agreements to be entered into with Holders.

(b) The Award Agreement shall contain such terms, provisions and conditions not inconsistent herewith as determined by the Committee. 4. ELIGIBILITY.

6. OPTIONS.

Options give an employee, consultant or non-employee director the right to purchase a specified number of shares of Common Units from the Company for a specified time period at a specified price. Options issued under the Plan are Non-Qualified Options. The grant of Options shall be subject to the following terms and conditions:

(a) Option Grants: Options shall be evidenced by an Option Award Agreement. Such agreement shall conform to the requirements of the Plan, and may contain such other provisions as the Committee shall deem advisable.

(b) Option Price: Unless otherwise determined by the Committee and provided for in an Option Award Agreement, the Exercise Price of an Option shall be not less than the Fair Market Value of a Common Unit on the date of grant.

(c) Term of Options: The Option Award Agreements shall specify when an Option may be exercisable and the terms and conditions applicable thereto. The term of an Option shall in no event be greater than ten years. Unless earlier expired, forfeited or otherwise terminated, each Option shall expire in its entirety upon the day after the last day of its term. The Option shall also expire, be forfeited and terminate at such times and in such circumstances as otherwise provided hereunder, in the LLC Agreement, in the Securityholders' Agreement or under the Option Award Agreement.

(d) Vesting: Each Option, to the extent that the Holder has not had a Termination of Service and the Option has not otherwise lapsed, expired, terminated or been forfeited, shall vest according to the schedule set forth in the Option Award Agreement. No Option shall become exercisable until such Option becomes vested.

(e) No Rights as Securityholder: Except as required by law, the Holder shall not have any rights as a securityholder with respect to any Units covered by the Options granted under the Plan until such time as the Units issuable upon exercise of such Options have been so issued.

(f) Restrictions on Transferability: Options may not be pledged, assigned or transferred for any reason during the Holder's lifetime, and any attempt to do so shall be void and the relevant Option shall be forfeited. The Successors of the Holder shall, in all cases, be subject to the provisions of the Option Award Agreement between the Company and the Holder. Notwithstanding the generality of the foregoing, the Committee may (but need not) permit other transfers of Options (provided such transfers otherwise conform to the requirements of the LLC Agreement and the provisions set forth in Annex I).

(g) Effect of Termination of Service on Outstanding Options:

(i) Termination of Service by Reason of Death or Disability: Unless otherwise provided by the Committee at or after grant, if a Holder incurs a Termination of Service due to death or Disability, any unexercised Option granted to the Holder may thereafter be exercised by the Holder (or, where appropriate, the Successor Holder), to the extent it was exercisable at the time of termination or on such accelerated basis as the Committee may determine at or after grant, for a period of 12 months or such shorter term as determined by the Committee from the date of such Termination of Service or until the expiration of the stated term of the Option, whichever period is shorter.

(ii) Termination Not for Cause: Unless otherwise provided by the Committee at or after grant, if a Holder incurs a Termination of Service by the Company or the Subsidiary not for Cause, any unexercised Option granted to the Holder may thereafter be exercised by the Holder (or, where appropriate, the Successor Holder), to the extent it was exercisable at the time of termination or on such accelerated basis as the Committee may determine at or after grant, for a period of 60 days or such shorter term as determined by the Committee from the date of such Termination of Service or until the expiration of the stated term of the Option, whichever period is shorter.

(iii) Termination for Cause or Other Reason: Unless otherwise provided by the Committee at or after grant, if a Holder incurs a Termination of Service by the Company or the Subsidiary for Cause, or otherwise terminates for any reason not specified in this Section (including a voluntary termination), all unexercised Options awarded to the Holder shall terminate on the date of such termination.

(h) Exercise of Option: Subject to vesting and other restrictions provided for hereunder or otherwise imposed in accordance herewith, an Option may be exercised, and payment in full of the aggregate Exercise Price made, by a Holder (or, where appropriate, the Successor Holder) only by notice (in the form prescribed by the Committee) to the Company specifying the number of Common Units to be purchased. Without limiting the scope of the Committee's discretion hereunder, the Committee may impose such other restrictions on the exercise of Options (whether or not in the nature of the foregoing restrictions) as it may deem necessary or appropriate.

(i) Payment of Option Price: The aggregate Exercise Price shall be paid in full upon the exercise of the Option. Payment must be made by one of the following methods:

(i) cash or a certified or bank cashier's check;

(ii) if approved by the Committee in its sole discretion, Common Units previously owned and held for a period of at least six months, having an aggregate Fair Market Value on the date of exercise equal to the aggregate Exercise Price;

(iii) with consent of the Committee, which may be granted or withheld in its sole discretion, by delivery of a properly executed notice of option exercise together with irrevocable written consent to the Committee to withhold that number of Common Units (rounded up to the nearest whole unit) the Fair Market Value of which is equal to the sum of the Exercise Price and the federal, state or local income taxes legally required to be withheld with respect to the exercise of such Option and to deliver to the Holder the net number of whole Common Units remaining after such withholding, plus cash equal to the Fair Market Value of any fractional Unit eliminated by rounding; or

(iv) by any combination of such methods of payment or any other method acceptable to the Committee in its discretion.

7. APPRECIATION RIGHTS.

SARs give an employee, consultant or non-employee director the right to receive, upon exercise of the SAR, the increase in the Fair Market Value of a specified number of Common Units from the date of grant of the SAR to the date of exercise. The grant of SARs shall be subject to the following terms and conditions:

(a) SARs are rights to receive a payment in cash or Common Units as selected by the Committee. The value of these rights, which are determined by the appreciation in the Common Units subject to the SAR, shall be evidenced by a SAR Award Agreement. Such agreement shall conform to the requirements of the Plan and may contain such other provisions as the Committee shall deem advisable.

(b) The base price of a SAR shall be not less than 100% of the Fair Market Value of the Common Units subject to the SAR on the date of grant.

(c) An SAR shall entitle the recipient to receive a payment equal to the excess of the Fair Market Value of the Common Units covered by the SAR on the date of exercise over the base price of the SAR. Such payment may be in cash, in Common Units, or in any combination, as the Committee shall determine.

(d) Term of SARs: The SAR Award Agreements shall specify when an SAR may be exercisable and the terms and conditions applicable thereto. The term of an SAR shall in no event be greater than ten years. Unless earlier expired, forfeited or otherwise terminated, each SAR shall expire in its entirety upon the day after the last day of its term. The SAR shall also expire, be forfeited and terminate at such times and in such circumstances as otherwise provided hereunder, in the LLC Agreement, in the Securityholders' Agreement or under the SAR Award Agreement.

(e) Vesting: Each SAR, to the extent that the Holder has not had a Termination of Service and the SAR has not otherwise lapsed, expired, terminated or been forfeited, shall vest according to the schedule set forth in the SAR Award Agreement. No SAR shall become exercisable until such SAR becomes vested.

(f) SARs shall be subject to the same terms and conditions applicable to Options as stated in Sections 6(f) and 6(g) above. Additionally, SARs shall also be subject to such other terms and conditions not consistent with the Plan as shall be determined by the Committee.

8. RESTRICTED UNITS.

An Award of Restricted Units is an issuance of a specified number of Common Units to an employee, consultant or non-employee director, which shares are subject to forfeiture upon the happening of specified events. In the Committee's sole discretion, an Award of Restricted Units may, but need not be, conditioned upon an Option exercise or payment of a base price in exchange for issuance of such Award. Such an Award shall be subject to the following terms and conditions:

(a) An Award of Restricted Units shall be evidenced by a Restricted Unit Agreement. Such agreement shall conform to the requirements of the Plan and may contain such other provisions as the Committee shall deem advisable.

(b) Unless otherwise provided by the Board or the Committee, upon a determination of the number of Restricted Units to be distributed to the Holder, the Committee shall direct that a certificate or certificates representing the number of Common Units be issued to the Holder with the Holder designated as the registered owner. Such certificate(s), if any, representing such shares shall be legended as to sale, transfer, assignment, pledge or other encumbrances during the Restriction Period and deposited by the Holder, with the Company, to be held in escrow during the Restriction Period.

(c) During the Restriction Period the Holder shall have the right to receive dividends from and to vote the Restricted Units.

(d) The Restricted Unit Agreement shall specify the duration of the Restriction Period and the performance, employment, service or other conditions (including Termination of Service on account of death, Disability or other cause) under which the Restricted Units may be forfeited to the Company. At the end of the Restriction Period the restrictions imposed hereunder shall lapse with respect to the number of Restricted Units as determined by the Committee, and the legend shall be removed and such number of Units delivered to the Holder (or, where appropriate, the Holder's legal representative). The Committee may, in its sole discretion, modify or accelerate the vesting and delivery of Restricted Units.

9. TAX WITHHOLDING.

The Company shall be entitled to withhold from any payments or deemed payments any amount of tax withholding determined by the Committee to be required by law. Without limiting the generality of the foregoing, the Committee may, in its discretion, require a Holder to pay to the Company at such time as the Committee determines the amount that the Committee deems necessary to satisfy the Company's obligation to withhold federal, state or local income or other taxes incurred by reason of the exercise or vesting of any Award.

10. REGULATIONS AND APPROVALS.

(a) The obligation of the Company to issue Common Units with respect to an Award granted under the Plan shall be subject to all applicable laws, rules and regulations, including all applicable federal and state securities laws, and the obtaining of all such approvals by governmental agencies as may be deemed necessary or appropriate by the Committee.

(b) Without in any manner limiting the Committee's authority as set forth in Section 11, the Committee may make such changes to the Plan as may be necessary or appropriate to comply with the rules and regulations of any government authority or to obtain tax benefits applicable to an Award.

(c) Each Award is subject to the requirement that, if at any time the Committee determines, in its discretion, that the listing, registration or qualification of Common Units issuable pursuant to the Plan is required by any securities exchange or under any state or federal law, or the consent or approval of any governmental regulatory body is necessary or desirable as a condition of, or in connection with, the issuance of an Award, no issuance of Common Units shall be made in whole or in part, unless listing, registration, qualification, consent or approval has been effected or obtained free of any conditions in a manner acceptable to the Committee.

(d) In the event that the disposition of Common Units acquired pursuant to the Plan is not covered by a then current registration statement under the Securities Act, and is not otherwise exempt from such registration, such Common Units shall be restricted against transfer to the extent required under the Securities Act, and the Committee may require any individual receiving Common Units pursuant to the Plan, as a condition precedent to receipt of such

Common Units, to represent to the Company in writing that such Common Units will be disposed of only if registered for sale under the Securities Act or if there is an available exemption for such disposition.

11. INTERPRETATION AND AMENDMENTS, OTHER RULES.

(a) The Committee may make such rules and regulations and establish such procedures for the administration of the Plan as it deems appropriate. Without limiting the generality of the foregoing, the Committee may (i) determine the extent, if any, to which any Award shall be forfeited (whether or not such forfeiture is expressly contemplated hereunder); (ii) interpret the Plan and the Award Agreements hereunder, with such interpretations to be conclusive and binding on all persons and otherwise accorded the maximum deference permitted by law; and (iii) take any other actions and make any other determinations or decisions that it deems necessary or appropriate in connection with the Plan or the administration or interpretation thereof. Unless otherwise expressly provided hereunder, the Committee, with respect to any grant, may exercise its discretion hereunder at the time of the grant or thereafter. In the event of any dispute or disagreement as to the interpretation of the Plan or of any rule, regulation or procedure, or as to any question, right or obligation arising from or related to the Plan, the decision of the Committee shall be final and binding upon all persons.

(b) The Board may amend the Plan as it shall deem advisable, except that no amendment may adversely affect a Holder with respect to an Award previously granted unless such amendments are required in order to comply with applicable laws; provided that the Board may not make any amendment in the Plan that would, if such amendment were not approved by the holders of the Units, cause the Plan to fail to comply with any requirement of applicable law or regulation, unless and until the approval of the holders of such Units is obtained.

12. CHANGES IN CAPITAL STRUCTURE; CERTAIN CORPORATE TRANSACTIONS.

(a) Changes in Capital Structure: In the event of a reorganization, recapitalization, spin-off, split-off, split-up, dividend payable in units, issuance of stock rights, combination of units, shares or other securities, merger, consolidation or any other change in the structure of the Company affecting the Units, or any distribution to partners, members or other equity holders, other than a cash distribution or any other event which in the judgment of the Committee necessitates action by way of adjusting the terms of the outstanding Awards, then the Committee, in its full discretion, shall make appropriate adjustment in the number and kind of units authorized for use under the Plan and any adjustments to outstanding Awards as it determines appropriate. The adjustments to outstanding Awards shall include, but not be limited to, the number of Common Units covered, the respective prices and/or limitations applicable to the outstanding Awards. No fractional Units shall be issued pursuant to such an adjustment. The Fair Market Value of any fractional Units or shares resulting from adjustments pursuant to this Section 12 shall, where appropriate, be paid in cash to the Holder. The determinations and adjustments made by the Committee pursuant to this Section 12 shall be conclusive.

(b) Certain Corporate Transactions: In the event (1) the Company is consolidated with or otherwise combined with or acquired by a person or entity, (2) of a merger of the Company with or into another entity, (3) of a Change of Control of the Company, (4) of a

divisive reorganization, liquidation or partial liquidation of the Company, including, but not limited to, a Change of Control or (5) of the occurrence of an event described in a Holder's Award Agreement as a "Certain Corporate Transaction," the Committee may, on a Holder by Holder basis:

(i) accelerate the vesting of all outstanding Options and/or SARs issued under the Plan that remain unvested and terminate the Option and/or SAR immediately prior to the date of any such transaction, provided that the Holder shall have been given at least seven days written notice of such transaction and of the Committee's intention to cancel the Options and/or SARs with respect to all Common Units for which the Option and/or SAR remains unexercised;

(ii) fully vest and/or accelerate the Restriction Period of any Awards;

(iii) terminate the Award immediately prior to the date of any such transaction, provided that the Holder shall have been given at least seven days written notice of such transaction and of the Committee's intention to cancel the Award with respect to all Common Units for which the Award remains unexercised or subject to restriction or forfeiture;

(iv) after having given the Holder a chance to exercise any outstanding vested Options or SARs, terminate any or all of the Holder's unexercised Options or SARs.

(v) cancel any outstanding Awards with respect to all Common Units for which the Award remains unexercised or for which the Award is subject to forfeiture in exchange for a cash payment of an amount equal to the difference between the then Fair Market Value (provided that the Committee may, in its sole discretion, determine that the Fair Market Value of an unvested or restricted Award is zero) of the Award less the Exercise Price of an Option, the base price of an SAR or the price (if any) of Restricted Units. If the Fair Market Value of the Common Units subject to the Award is less than the Exercise Price of an Option, the base price of an SAR or the price (if any) of Restricted Units, the Award shall be deemed to have been paid in full and shall be canceled with no further payment due the Holder;

(vi) require that the Award be assumed by the successor corporation or that awards for shares or other interests in the successor corporation with equivalent value be substituted for such Award; or

**ANNEX I**

Section 4.02 *Right to Compel Participation in Certain Transfers*. (a) If the Institutional Securityholders together propose (i) to Transfer not less than 50% of each of their respective Initial Ownership of any class or series of Eligible Securities to a Third Party in a bona fide sale or (ii) a Transfer in which the Eligible Securities to be Transferred by the Institutional Securityholders, plus the Eligible Securities to be Transferred by the Other Securityholders pursuant to this Section 4.02(a), constitute more than 50% of the outstanding Eligible Securities in a particular class or series to a Third Party pursuant to a bona fide sale, or (iii) a sale of all or substantially all of the assets of the Company to a Third Party pursuant to a bona fide sale (any of (i), (ii) or (iii), a "**Compelled Sale**"), the Institutional Securityholders together may at their option require all Other Securityholders to vote all securities of the Company then held by such Other Securityholders in favor of such Compelled Sale and to Transfer the Drag-Along Portion of such class or series of Eligible Securities ("**Drag-Along Rights**") then held by every Other Securityholder, and in the case of a Compelled Sale involving Common Units (but subject to and at the closing of the Compelled Sale) to exercise such number of options or warrants (including the Warrant and including, at the option of Hynix, pursuant to Section 2(c) thereof) for Common Units held by every Other Securityholder as is required in order that a sufficient number of Common Units are available to Transfer the relevant Drag-Along Portion of each such Other Securityholder, for the same consideration per unit of the relevant class of Eligible Security and otherwise on the same terms and conditions as the Institutional Securityholders, provided that any Other Securityholder who holds options or warrants (including the Warrant) the exercise price per share of which is greater than the per share price at which the Common Units are to be Transferred to the Third Party may, if required by the Institutional Securityholders to exercise such options or warrants (including the Warrant), in place of such exercise, submit to irrevocable cancellation thereof without any liability for payment of any exercise price with respect thereto. If the Compelled Sale is not consummated with respect to any Common Units acquired upon exercise of such options or warrants (including the Warrant), or the Compelled Sale is not consummated, such options or warrants (including the Warrant) shall be deemed not to have been exercised or canceled, as applicable. The CVC US Securityholder Representative and the FP Securityholder Representative, on behalf of the Institutional Securityholders, shall provide written notice of such Compelled Sale to the Other Securityholders (a "**Compelled Sale Notice**") not later than the 15th day prior to the proposed Compelled Sale. The Compelled Sale Notice shall identify the transferee, in the case of a Compelled Sale pursuant to clauses (i) or (ii) of this Section 4.02(a), the number of Eligible Securities subject to the Compelled Sale, the consideration for which either a Transfer or a sale of all or substantially all of the assets of the Company, as appropriate, is proposed to be made (the "**Compelled Sale Price**") and all other material terms and conditions of the Compelled Sale. The number of Eligible Securities to be sold by each Other Securityholder will be the Drag-Along Portion of the class of Eligible Securities that such Other Securityholder owns. Each Other Securityholder shall be required to participate in the Compelled Sale on the terms and conditions set forth in the Compelled Sale Notice and to tender all its Eligible Securities as set forth below. The price payable in such Transfer shall be the Compelled Sale Price. Not later than the tenth day following the date of the Compelled Sale Notice (the "**Compelled Sale Notice Period**"), each of the Other Securityholders shall deliver to a representative of the Institutional

Securityholders designated in the Compelled Sale Notice certificates (to the extent the Eligible Securities are certificated), and in the case of options or warrants (including the Warrant), the applicable instrument, representing all Eligible Securities comprising the Drag-Along Portion held by such Other Securityholder, duly endorsed, together with all other documents required to be executed in connection with such Compelled Sale or, if such delivery is not permitted by applicable law, an unconditional agreement to deliver such Eligible Securities pursuant to this Section 4.02(a) at the closing for such Compelled Sale against delivery to such Other Securityholder of the consideration therefor. If an Other Securityholder should fail to deliver such certificates to the Institutional Securityholders, the Company (subject to reversal under Section 4.02(b)) shall cause the books and records of the Company to show that such Eligible Securities are bound by the provisions of this Section 4.02(a) and that such Eligible Securities shall be Transferred to the Third Party immediately upon surrender for Transfer by the holder thereof. The Other Securityholders shall (a) be required (i) to bear their proportionate share of any escrows, holdbacks or adjustments in purchase price and any transaction expenses, (ii) to make such representations, warranties and covenants and enter into such agreements as are customary for transactions of the nature of the Compelled Sale, in each case under the terms of any definitive agreements relating to such Compelled Sale, (b) benefit from all of the same provisions of the definitive agreements as the Institutional Securityholders, (c) with respect to each class of Eligible Securities to be Transferred in such Compelled Sale, have the right to receive the same form of consideration and same amount of consideration as each other holder of such class, and (d) if any holders of a class of Eligible Securities are given an option as to the form and amount of consideration received, each holder of such class of Eligible Securities shall be given the same option, it being understood that any liability of any Other Securityholder for indemnification or similar post-closing obligations shall not exceed the consideration such Other Securityholder receives in the Compelled Sale and shall be a proportional share of any such liability based on such Other Securityholder's share of the aggregate consideration in the Compelled Sale.

(b) The Institutional Securityholders shall have a period of 90 days from the date of receipt of the Compelled Sale Notice to consummate the Compelled Sale on the terms and conditions set forth in such Compelled Sale Notice, *provided* that, if such Compelled Sale is subject to regulatory approval, such 90-day period shall be extended until the expiration of five Business Days after all such approvals have been received, but in no event later than 180 days following the receipt of the Compelled Sale Notice by the Other Securityholders. If the Compelled Sale shall not have been consummated during such period, the Institutional Securityholders shall return to each of the Other Securityholders all certificates or other applicable instruments (including the Warrant) representing Eligible Securities that such Other Securityholders delivered for Transfer pursuant hereto, together with any documents in the possession of the Institutional Securityholders executed by the Other Securityholders in connection with such proposed Transfer, and all the restrictions on Transfer contained in the Securityholders' Agreement or otherwise applicable at such time with respect to such Eligible Securities owned by the Other Securityholders shall again be in effect.

(c) Concurrently with the consummation of the Transfer of Eligible Securities pursuant to this Section 4.02, the CVC US Securityholder Representative and the FP Securityholder Representative, on behalf of the Institutional Securityholders, shall give notice thereof to the Other Securityholders, shall remit to each of the Other Securityholders who have

surrendered their certificates or other applicable instruments the total consideration (the cash portion of which is to be paid by wire transfer of immediately available funds, or if requested by the Other Securityholders, bank or certified check) for the Eligible Securities Transferred pursuant hereto, less such Other Securityholder's proportionate share of any escrows, holdbacks or adjustments in purchase price, and any transaction expenses and shall furnish such other evidence of the completion and time of completion of such Transfer and the terms thereof as may be reasonably requested by such Other Securityholders. The Institutional Securityholders shall promptly remit any additional consideration payable upon the release of any escrows or holdbacks or the payment of any adjustments.

(d) Notwithstanding anything contained in this Section 4.02, there shall be no liability on the part of the Institutional Securityholders to the Other Securityholders (other than the obligation to return any certificates or other applicable instruments representing Eligible Securities received by the Institutional Securityholders) if the Transfer of Eligible Securities pursuant to this Section 4.02 is not consummated for whatever reason, regardless of whether the Institutional Securityholders have delivered a Compelled Sale Notice. Whether to effect a Transfer of Eligible Securities pursuant to this Section 4.02 by the Institutional Securityholders is in the sole and absolute discretion of the Institutional Securityholders.

(e) This Section 4.02 shall terminate upon the third anniversary of the First Public Offering.

The effective date of the Plan is March 21, 2005; provided that no Common Units shall be issued pursuant to an Award unless and until the Plan has been approved by the holders of the Units, which approval shall be within twelve (12) months before or after the date the Plan is adopted by the Board. The Plan shall terminate on, and no Awards shall be granted hereunder on or after the 10th year anniversary of the effective date of the Plan; provided, however, that the Board may at any time prior to that date terminate the Plan. However, the termination of the Plan shall not affect any Awards granted prior to such termination.

3. ADMINISTRATION OF PLAN.

(a) The Plan shall be administered by the Committee, which shall have full power and authority to interpret the Plan. The Committee shall have full authority to determine to whom Awards will be granted, the type and amount of Awards to be granted, the terms and conditions of Awards granted under the Plan and the terms of Award Agreements to be entered into with Holders.

(b) The Award Agreement shall contain such terms, provisions and conditions not inconsistent herewith as determined by the Committee. The Holder shall take whatever additional actions and execute whatever additional documents the Committee may in its

reasonable judgment deem necessary or advisable in order to carry out or effect one or more of the obligations or restrictions imposed on the Holder pursuant to the express provisions of the Plan and the Award Agreement.

4. ELIGIBILITY.

(a) General. Any employee, consultant or non-employee director of the Company or a Subsidiary who is designated by the Committee as eligible to participate in the Plan shall be eligible to receive an Award under the Plan.

(b) Ten Percent Holders.

(i) A Ten Percent Holder shall not be granted an Option or SAR (if such SAR could be settled in Units) unless the per unit exercise price of such Option or such SAR is at least (i) one hundred ten percent (110%) of the Fair Market Value of a Common Unit on the date of grant or (ii) such lower percentage of the Fair Market Value of a Common Unit on the date of grant as is permitted by Section 260.140.42 of Title 10 of the California Code of Regulations at the time of the grant of the Option or SAR. In addition, an Option or SAR (if such SAR could be settled in Units) granted to a Ten Percent Holder shall not be exercisable after the expiration of five (5) years from the date of grant.

(ii) A Ten Percent Holder shall not be granted a Restricted Unit Award, unless the purchase price per Common Unit of the Restricted Unit Award is at least (i) one hundred percent (100%) of the Fair Market Value of a Common Unit on the date of grant or (ii) such lower percentage of the Fair Market Value of a Common Unit on the date of grant as is permitted by Section 260.140.42 of Title 10 of the California Code of Regulations at the time of the grant of the award.

(c) Consultants. A consultant shall not be eligible for the grant of an Award if, at the time of grant, either the offer or the sale of the Company's securities to such consultant is not exempt under Rule 701 of the Securities Act ("Rule 701") because of the nature of the services that the consultant is providing to the Company, because the consultant is not a natural person, or because of some other provision of Rule 701.

5. UNITS SUBJECT TO THE PLAN.

(a) Subject to adjustments as provided in Section 12, as of the effective date of the Plan, the aggregate maximum number of Common Units available for grant under the Plan and the MagnaChip Semiconductor LLC Equity Incentive Plan shall be 6,190,864. Any Common Units that have been reserved for distribution in payment for an Award but are later forfeited or for any other reason are not issued under the Plan may again be made the subject of Awards under the Plan.

(b) Upon issuance of an Award under the Plan, the Holder and any Successor of the Holder agrees to be bound by the LLC Agreement to the same extent as would a "Member," as that term is defined in the LLC Agreement, and to execute a Joinder to the LLC Agreement in the form of Exhibit B thereto. Without limiting the generality of the foregoing, each Holder agrees to any transfer restrictions, drag-along rights or other obligations delineated

in the LLC Agreement. Additionally, any amendment to the LLC Agreement that effects a provision contained herein shall be deemed to be an amendment to the Plan.

(c) The Holder and any Successor of the Holder agree to be bound by the provisions in Annex I hereto regarding required transfers.

(d) The certificates (if any) for Common Units issued hereunder may include any legend which the Committee deems appropriate to reflect any restrictions on transfer hereunder, under the Securityholders' Agreement, the LLC Agreement or under the Award Agreement, or as the Committee may otherwise deem appropriate.

(e) Plan Reserve Limitation. To the extent required by Section 260.140.45 of Title 10 of the California Code of Regulations, the total number of Common Units issuable upon exercise of all outstanding Options and the total number of Common Units provided for under any Unit bonus or similar plan of the Company shall not exceed the applicable percentage as calculated in accordance with the conditions and exclusions of Section 260.140.45 of Title 10 of the California Code of Regulations, based on the Common Units of the Company that are outstanding at the time the calculation is made.

6. OPTIONS.

Options give an employee, consultant or non-employee director the right to purchase a specified number of Common Units from the Company for a specified time period at a specified price. Options issued under the Plan are Non-Qualified Options. The grant of Options shall be subject to the following terms and conditions:

(a) Option Grants: Options shall be evidenced by an Option Award Agreement. Such agreement shall conform to the requirements of the Plan, and may contain such other provisions as the Committee shall deem advisable.

(b) Option Price: Unless otherwise determined by the Committee and provided for in an Option Award Agreement or as provided for in Section 4(b), the Exercise Price of an Option shall be not less than the Fair Market Value of a Common Unit on the date of grant.

(c) Term of Options: The Option Award Agreements shall specify when an Option may be exercisable and the terms and conditions applicable thereto. The term of an Option shall in no event be greater than ten years. Unless earlier expired, forfeited or otherwise terminated, each Option shall expire in its entirety upon the day after the last day of its term. The Option shall also expire, be forfeited and terminate at such times and in such circumstances as otherwise provided hereunder, in the LLC Agreement, in the Securityholders' Agreement or under the Option Award Agreement.

(d) Vesting: The total number of Common Units subject to an Option may, but need not, vest and therefore become exercisable in periodic installments that may, but need not, be equal. The Option may be subject to such other terms and conditions on the time or times when it may be exercised (which may be based on performance or other criteria) as the

Committee may deem appropriate. The vesting provisions of individual Options may vary. Each Option, to the extent that the Holder has not had a Termination of Service and the Option has not otherwise lapsed, expired, terminated or been forfeited, shall vest according to the schedule set forth in the Option Award Agreement. No Option shall become exercisable until such Option becomes vested.

(e) Minimum Vesting. Notwithstanding the foregoing Section 6(d), to the extent that the following restrictions on vesting are required by Section 260.140.41(f) of Title 10 of the California Code of Regulations at the time of the grant of the Option, then:

(i) An Option granted to an employee who is not an officer, director or consultant shall provide for vesting of the total number of Common Units subject to the Option at a rate of at least twenty percent (20%) per year over five (5) years from the date the Option was granted, subject to reasonable conditions such as continued employment; and

(ii) Options granted to officers, directors or consultants may have such vesting provisions as the Committee.

(e) No Rights as Securityholder: Except as required by law, the Holder shall not have any rights as a securityholder with respect to any Units covered by the Options granted under the Plan until such time as the Units issuable upon exercise of such Options have been so issued.

(f) Restrictions on Transferability: An Option shall not be pledged, assigned or transferred except by will or by the laws of descent and distribution, and shall be exercisable during the lifetime of the Holder only by the Holder. The Successors of the Holder shall, in all cases, be subject to the provisions of the Option Award Agreement between the Company and the Holder. Notwithstanding the generality of the foregoing, the Committee may (but need not) permit other transfers of Options; provided such transfers otherwise conform to (i) the LLC Agreement, (ii) the provisions set forth in Annex I and, (iii) to the extent permitted by Section 260.140.41(d) of Title 10 of the California Code of Regulations.

(g) Effect of Termination of Service on Outstanding Options:

(i) Termination of Service by Reason of Death or Disability: If a Holder incurs a Termination of Service due to death or Disability, any unexercised Option granted to the Holder may thereafter be exercised by the Holder (or, where appropriate, the Successor Holder), to the extent it was exercisable at the time of termination or on such accelerated basis as the Committee may determine at or after grant, (x) for a period of 12 months or such longer or shorter term from the date of such Termination of Service as determined by the Committee at or after the grant date (but in no event shorter than six (6) months after the date of Termination of Service) or (y) until the expiration of the stated term of the Option, if shorter.

(ii) Termination Not for Cause: If a Holder incurs a Termination of Service by the Company or the Subsidiary not for Cause, any vested unexercised Option granted to the Holder may thereafter be exercised by the Holder (or, where appropriate, the Successor Holder), to the extent it was vested and exercisable at the time of termination or on such

accelerated basis as the Committee may determine at or after grant, (x) for a period of 60 days from the date of such Termination of Service or such longer or shorter period as determined by the Committee at or after the grant date (but in no event shall the period be shorter than 30 days) or (y) until the expiration of the stated term of the Option, if shorter.

(iii) Termination for Cause: Unless otherwise provided by the Committee at or after grant, if a Holder incurs a Termination of Service by the Company or the Subsidiary for Cause, all unexercised Options awarded to the Holder shall terminate on the date of such termination.

(iv) Voluntary Termination: If a Holder incurs a Termination of Service by the Company or the Subsidiary not for Cause, any vested unexercised Option granted to the Holder may thereafter be exercised by the Holder (or, where appropriate, the Successor Holder), to the extent it was vested and exercisable at the time of termination or on such accelerated basis as the Committee may determine at or after grant, (x) for a period of 30 days from the date of such Termination of Service or such longer period as determined by the Committee at or (y) after the grant date or until the expiration of the stated term of the Option, whichever period is shorter.

(h) Exercise of Option: Subject to vesting and other restrictions provided for hereunder or otherwise imposed in accordance herewith, an Option may be exercised, and payment in full of the aggregate Exercise Price made, by a Holder (or, where appropriate, the Successor Holder) only by notice (in the form prescribed by the Committee) to the Company specifying the number of Common Units to be purchased. Without limiting the scope of the Committee's discretion hereunder, the Committee may impose such other restrictions on the exercise of Options (whether or not in the nature of the foregoing restrictions) as it may deem necessary or appropriate; provided that the Option shall become exercisable at the minimum rates described for vesting in Section 6(e).

(i) Payment of Option Price: The aggregate Exercise Price shall be paid in full upon the exercise of the Option. Payment must be made by one of the following methods:

(i) cash or a certified or bank cashier's check;

(ii) if approved by the Committee in its sole discretion, Common Units previously owned and held for such period of time as necessary to avoid a charge for financial accounting purposes and having an aggregate Fair Market Value on the date of exercise equal to the aggregate Exercise Price;

(iii) with consent of the Committee, which may be granted or withheld in its sole discretion, by delivery of a properly executed notice of option exercise together with irrevocable written consent to the Committee to withhold that number of Common Units (rounded up to the nearest whole unit) the Fair Market Value of which is equal to the sum of the Exercise Price and the federal, state or local income taxes legally required to be withheld with respect to the exercise of such Option and to deliver to the Holder the net number of whole Common Units remaining after such withholding, plus cash equal to the Fair Market Value of any fractional Unit eliminated by rounding; or

(iv) by any combination of such methods of payment or any other legal method acceptable to the Committee in its discretion.

7. APPRECIATION RIGHTS.

SARs give an employee, consultant or non-employee director the right to receive, upon exercise of the SAR, the increase in the Fair Market Value of a specified number of Common Units from the date of grant of the SAR to the date of exercise. The grant of SARs shall be subject to the following terms and conditions:

(a) SARs are rights to receive a payment in cash or Common Units as selected by the Committee. The value of these rights, which are determined by the appreciation in the Common Units subject to the SAR, shall be evidenced by a SAR Award Agreement. Such agreement shall conform to the requirements of the Plan and may contain such other provisions as the Committee shall deem advisable.

(b) Except as provided in Section 4(b), the base price of a SAR shall be not less than 100% of the Fair Market Value of the Common Units subject to the SAR on the date of grant.

(c) An SAR shall entitle the recipient to receive a payment equal to the excess of the Fair Market Value of the Common Units covered by the SAR on the date of exercise over the base price of the SAR. Such payment may be in cash, in Common Units, or in any combination, as the Committee shall determine.

(d) Term of SARs: The SAR Award Agreements shall specify when an SAR may be exercisable and the terms and conditions applicable thereto. Subject to Section 4(b), the term of an SAR shall in no event be greater than ten years. Unless earlier expired, forfeited or otherwise terminated, each SAR shall expire in its entirety upon the day after the last day of its term. The SAR shall also expire, be forfeited and terminate at such times and in such circumstances as otherwise provided hereunder, in the LLC Agreement, in the Securityholders' Agreement or under the SAR Award Agreement.

(e) Vesting: The total number of Common Units subject to a SAR may, but need not, vest and therefore become exercisable in periodic installments that may, but need not, be equal. The SAR may be subject to such other terms and conditions on the time or times when it may be exercised (which may be based on performance or other criteria) as the Committee may deem appropriate. The vesting provisions of individual SARs may vary. Each SAR, to the extent that the Holder has not had a Termination of Service and the SAR has not otherwise lapsed, expired, terminated or been forfeited, shall vest according to the schedule set forth in the SAR Award Agreement. No SAR shall become exercisable until such SAR becomes vested.

(f) Minimum Vesting. Notwithstanding the foregoing Section 7(e), to the extent that the following restrictions on vesting are required by Section 260.140.41(f) of Title 10 of the California Code of Regulations at the time of the grant of the SAR which is payable in Units, then:

(i) A SAR payable in Units and granted to an employee who is not an officer, director or consultant shall provide for vesting of the total number of Common Unites subject to the SAR at a rate of at least twenty percent (20%) per year over five (5) years from the date the SAR was granted, subject to reasonable conditions such as continued employment; and

(ii) SARs granted to officers, directors or consultants may have such vesting provisions as the Committee.

(g) No Rights as Securityholder: Except as required by law, the Holder shall not have any rights as a securityholder with respect to any Units covered by the SARs granted under the Plan until such time as the Units issuable, if any, upon exercise of such SARs have been so issued.

(h) Restrictions on Transferability: A SAR shall not be pledged, assigned or transferred except by will or by the laws of descent and distribution, and shall be exercisable during the lifetime of the Holder only by the Holder. The Successors of the Holder shall, in all cases, be subject to the provisions of the SAR Award Agreement between the Company and the Holder. Notwithstanding the generality of the foregoing, the Committee may (but need not) permit other transfers of SAR; provided such transfers otherwise conform to the requirements of (i) the LLC Agreement, (ii) the provisions set forth in Annex I and, (iii) to the extent permitted by Section 260.140.41(d) of Title 10 of the California Code of Regulations.

(i) Effect of Termination of Service on Outstanding SAR:

(i) Termination of Service by Reason of Death or Disability: If a Holder incurs a Termination of Service due to death or Disability, any unexercised SAR granted to the Holder may thereafter be exercised by the Holder (or, where appropriate, the Successor Holder), to the extent it was exercisable at the time of termination or on such accelerated basis as the Committee may determine at or after grant, (x) for a period of 12 months from the date of such Termination of Service or such longer or shorter period as determined by the Committee at or after grant (but in no event shall the period be shorter than 6 months after Termination of Service) or (y) until the expiration of the stated term of the SAR, whichever period is shorter.

(ii) Termination Not for Cause: If a Holder incurs a Termination of Service by the Company or the Subsidiary not for Cause, any vested unexercised SAR granted to the Holder may thereafter be exercised by the Holder (or, where appropriate, the Successor Holder), to the extent it was vested and exercisable at the time of termination or on such accelerated basis as the Committee may determine at or after grant, (x) for a period of 60 days from the date of such Termination of Service or such longer or shorter period as determined by the Committee (but in no event shorter than 30 days for a SAR payable in Units) or until the expiration of the stated term of the SAR, if shorter.

(iii) Termination for Cause: Unless otherwise provided by the Committee at or after grant, if a Holder incurs a Termination of Service by the Company or the Subsidiary for Cause, all unexercised SARs awarded to the Holder shall terminate on the date of such termination.

(iv) Voluntary Termination: If a Holder incurs a Termination of Service by the Company or the Subsidiary not for Cause, any vested unexercised SARs granted to the Holder may thereafter be exercised by the Holder (or, where appropriate, the Successor Holder), to the extent it was vested and exercisable at the time of termination or on such accelerated basis as the Committee may determine at or after grant, (x) for a period of 30 days from the date of such Termination of Service or such longer or, if the SAR is payable only in cash, shorter period of time as determined by the Committee or (y) until the expiration of the stated term of the Option, if shorter.

(j) Exercise of SAR: Subject to vesting and other restrictions provided for hereunder or otherwise imposed in accordance herewith, a SAR may be exercised by a Holder (or, where appropriate, the Successor Holder) only by notice (in the form prescribed by the Committee) to the Company specifying the number of Common Units for which the SAR will be exercised. Without limiting the scope of the Committee's discretion hereunder, the Committee may impose such other restrictions on the exercise of SARs (whether or not in the nature of the foregoing restrictions) as it may deem necessary or appropriate; provided that the SARs shall become exercisable at the minimum rates described for vesting in Section 7(f).

8. RESTRICTED UNITS.

An Award of Restricted Units is an issuance of a specified number of Common Units to an employee, consultant or non-employee director, which Units are subject to forfeiture upon the happening of specified events. Such an Award shall be subject to the following terms and conditions:

(a) An Award of Restricted Units shall be evidenced by a Restricted Unit Agreement. Such agreement shall conform to the requirements of the Plan and may contain such other provisions as the Committee shall deem advisable.

(b) Unless otherwise provided by the Board or the Committee, upon a determination of the number of Restricted Units to be distributed to the Holder, the Committee shall direct that a certificate or certificates representing the number of Common Units be issued to the Holder with the Holder designated as the registered owner. Such certificate(s), if any, representing such Units shall be legended as to sale, transfer, assignment, pledge or other encumbrances during the Restriction Period and deposited by the Holder, with the Company, to be held in escrow during the Restriction Period.

(c) During the Restriction Period the Holder shall have the right to receive dividends from and to vote the Restricted Units.

(d) The Restricted Unit Agreement shall specify the duration of the Restriction Period and the performance, employment, service or other conditions (including Termination of Service on account of death, Disability or other cause) under which the Restricted Units may be forfeited to the Company. At the end of the Restriction Period the restrictions imposed hereunder shall lapse with respect to the number of Restricted Units as determined by the Committee, and the legend shall be removed and such number of Common Units delivered to the Holder (or, where appropriate, the Holder's legal representative). The

Committee may, in its sole discretion, modify or accelerate the vesting and delivery of Restricted Units.

(e) Purchase Price. At the time of grant of a Restricted Unit Award, the Board will determine the price to be paid by the Participant for each Unit subject to the Restricted Unit Award. Subject to the provisions of Section 4(b) regarding Ten Percent Holders, the price to be paid by the Participant for each Unit subject to the Restricted Unit Award shall not be less than eighty-five percent (85%) of the Common Unit's Fair Market Value on the date such award is made or at the time the purchase is consummated. A Restricted Unit Award may be awarded as a bonus (i.e., with no cash purchase price to be paid) to the extent permissible under applicable law.

(f) Consideration. At the time of the grant of a Restricted Unit Award, the Board will determined the consideration permissible for the payment of the purchase price of the Restricted Unit Award. The purchase price of Common Unit acquired pursuant to the Restricted Unit Award shall be paid in one of the following ways: (i) in cash at the time of purchase; (ii) at the discretion of the Board and to the extent legally permissible, according to a deferred payment or other similar arrangement with the Participant; (iii) by services rendered or to be rendered to the Company; (iv) in any other form of legal consideration that may be acceptable to the Board.

(g) Vesting. Subject to the "Repurchase Limitation" in Section 8(i), Common Units acquired under a Restricted Unit Award may, but need not, be subject to a repurchase right in favor of the Company in accordance with a vesting schedule to be determined by the Board.

(h) Termination of Service. Subject to the "Repurchase Limitation" in Section 8(i), in the event of a Termination of Service, the Company may repurchase or otherwise reacquire any or all of the Common Units held by the Holder that have not vested as of the date of termination under the terms of the Restricted Unit Award agreement. Provided that the "Repurchase Limitation" in Section 8(i) is not violated, the Company will not exercise its repurchase right until at least six (6) months (or such longer or shorter period of time required to avoid a charge to earnings for financial accounting purposes) have elapsed following the purchase of the Restricted Units unless otherwise determined by the Board or provided in the Restricted Unit Award agreement.

(i) Repurchase Limitation. The terms of any repurchase right shall be specified in the Restricted Unit Award, and the repurchase price may be either the Fair Market Value of the Common Units on the date of Termination of Service or the lower of (i) the Fair Market Value of the Common Units on the date of repurchase or (ii) their original purchase price. To the extent required by Section 260.140.41 and Section 260.140.42 of Title 10 of the California Code of Regulations at the time a Restricted Unit Award is made, any repurchase right contained in a Restricted Unit Award granted to a person who is not an officer, director or consultant shall be upon the terms described below:

(i) Fair Market Value. If the repurchase right gives the Company the right to repurchase the Common Units upon Termination of Service at not less than the Fair Market Value of the Common Units to be purchased on the date of Termination of Service, then (i) the right to repurchase shall be exercised for cash or cancellation of purchase money

indebtedness for the Common Units within ninety (90) days of the Termination of Service (or in the case of Common Units issued upon exercise of Restricted Unit Awards after such date of termination, within ninety (90) days after the date of the exercise) and (ii) the right terminates upon a Public Offering.

(ii) Original Purchase Price. If the repurchase right gives the Company the right to repurchase the Common Units upon the Termination of Service at the lower of (i) the Fair Market Value of the Common Units on the date of repurchase or (ii) their original purchase price, then (x) the right to repurchase shall lapse at the rate of at least twenty percent (20%) of the Common Units per year over five (5) years from the date the Restricted Unit Award is granted (without respect to the date the Restricted Unit Award was exercised or became exercisable) and (y) the right to repurchase shall be exercised for cash or cancellation of purchase money indebtedness for the Common Units within ninety (90) days of termination of Continuous Service (or in the case of Common Units issued upon exercise of Options after such date of termination, within ninety (90) days after the date of the exercise).

(j) Restrictions on Transferability: The right to purchase a Restricted Unit Award shall not be pledged, assigned or transferred except by will or by the laws of descent and distribution, and shall be exercisable during the lifetime of the Holder only by the Holder.

9. TAX WITHHOLDING.

The Company shall be entitled to withhold from any payments or deemed payments any amount of tax withholding determined by the Committee to be required by law. Without limiting the generality of the foregoing, the Committee may, in its discretion, require a Holder to pay to the Company at such time as the Committee determines the amount that the Committee deems necessary to satisfy the Company's obligation to withhold federal, state or local income or other taxes incurred by reason of the exercise or vesting of any Award.

10. REGULATIONS AND APPROVALS.

(a) The obligation of the Company to issue Common Units with respect to an Award granted under the Plan shall be subject to all applicable laws, rules and regulations, including all applicable federal and state securities laws, and the obtaining of all such approvals by governmental agencies as may be deemed necessary or appropriate by the Committee.

(b) Without in any manner limiting the Committee's authority as set forth in Section 11, the Committee may make such changes to the Plan as may be necessary or appropriate to comply with the rules and regulations of any government authority or to obtain tax benefits applicable to an Award.

(c) Each Award is subject to the requirement that, if at any time the Committee determines, in its discretion, that the listing, registration or qualification of Common Units issuable pursuant to the Plan is required by any securities exchange or under any state or federal law, or the consent or approval of any governmental regulatory body is necessary or desirable as a condition of, or in connection with, the issuance of an Award, no issuance of Common Units shall be made in whole or in part, unless listing, registration, qualification,

consent or approval has been effected or obtained free of any conditions in a manner acceptable to the Committee.

(d) In the event that the disposition of Common Units acquired pursuant to the Plan is not covered by a then current registration statement under the Securities Act, and is not otherwise exempt from such registration, such Common Units shall be restricted against transfer to the extent required under the Securities Act, and the Committee may require any individual receiving Common Units pursuant to the Plan, as a condition precedent to receipt of such Common Units, to represent to the Company in writing that such Common Units will be disposed of only if registered for sale under the Securities Act or if there is an available exemption for such disposition.

11. INTERPRETATION AND AMENDMENTS, OTHER RULES.

(a) The Committee may make such rules and regulations and establish such procedures for the administration of the Plan as it deems appropriate. Without limiting the generality of the foregoing, the Committee may (i) determine the extent, if any, to which any Award shall be forfeited (whether or not such forfeiture is expressly contemplated hereunder); (ii) interpret the Plan and the Award Agreements hereunder, with such interpretations to be conclusive and binding on all persons and otherwise accorded the maximum deference permitted by law; and (iii) take any other actions and make any other determinations or decisions that it deems necessary or appropriate in connection with the Plan or the administration or interpretation thereof. Unless otherwise expressly provided hereunder, the Committee, with respect to any grant, may exercise its discretion hereunder at the time of the grant or thereafter. In the event of any dispute or disagreement as to the interpretation of the Plan or of any rule, regulation or procedure, or as to any question, right or obligation arising from or related to the Plan, the decision of the Committee shall be final and binding upon all persons.

(b) The Board may amend the Plan or any Award as it shall deem advisable, except that no amendment may adversely affect a Holder with respect to an Award previously granted unless such amendments are required in order to comply with applicable laws; provided that the Board may not make any amendment in the Plan that would, if such amendment were not approved by the holders of the Units, cause the Plan to fail to comply with any requirement of applicable law or regulation, unless and until the approval of the holders of such Units is obtained.

12. CHANGES IN CAPITAL STRUCTURE; CERTAIN CORPORATE TRANSACTIONS.

(a) Changes in Capital Structure: In the event of a reorganization, recapitalization, spin-off, split-off, split-up, dividend payable in units, issuance of stock rights, reclassification, combination of units, shares or other securities, merger, consolidation or any other change in the structure of the Company affecting the Units, or any distribution to partners, members or other equity holders, other than a cash distribution or any other event which in the judgment of the Committee necessitates action by way of adjusting the terms of the outstanding Awards, then the Committee, in its full discretion, shall make appropriate adjustment in the number and kind of units authorized for use under the Plan and any adjustments to outstanding

Awards as it determines appropriate. The adjustments to outstanding Awards shall include, but not be limited to, the number of Common Units covered, the respective prices and/or limitations applicable to the outstanding Awards. No fractional Units shall be issued pursuant to such an adjustment. The Fair Market Value of any fractional Units or shares resulting from adjustments pursuant to this Section 12 shall, where appropriate, be paid in cash to the Holder. The determinations and adjustments made by the Committee pursuant to this Section 12 shall be conclusive.

(b) Certain Corporate Transactions: In the event (1) the Company is consolidated with or otherwise combined with or acquired by a person or entity, (2) of a merger of the Company with or into another entity, (3) of a Change of Control of the Company, (4) of a divisive reorganization, liquidation or partial liquidation of the Company, including, but not limited to, a Change of Control or (5) of the occurrence of an event described in a Holder's Award Agreement as a "Certain Corporate Transaction," the Committee may, on a Holder by Holder basis:

(i) accelerate the vesting of all outstanding Options and/or SARs issued under the Plan that remain unvested and terminate the Option and/or SAR immediately prior to the date of any such transaction, provided that the Holder shall have been given at least seven days written notice of such transaction and of the Committee's intention to cancel the Options and/or SARs with respect to all Common Units for which the Option and/or SAR remains unexercised;

(ii) fully vest and/or accelerate the Restriction Period of any Awards;

(iii) terminate the Award immediately prior to the date of any such transaction, provided that the Holder shall have been given at least seven days written notice of such transaction and of the Committee's intention to cancel the Award with respect to all Common Units for which the Award remains unexercised or subject to restriction or forfeiture;

**ANNEX I**

Section 4.02 *Right to Compel Participation in Certain Transfers*. (a) If the Institutional Securityholders together propose (i) to Transfer not less than 50% of each of their respective Initial Ownership of any class or series of Eligible Securities to a Third Party in a bona fide sale or (ii) a Transfer in which the Eligible Securities to be Transferred by the Institutional Securityholders, plus the Eligible Securities to be Transferred by the Other Securityholders pursuant to this Section 4.02(a), constitute more than 50% of the outstanding Eligible Securities in a particular class or series to a Third Party pursuant to a bona fide sale, or (iii) a sale of all or substantially all of the assets of the Company to a Third Party pursuant to a bona fide sale (any of (i), (ii) or (iii), a "**Compelled Sale**"), the Institutional Securityholders together may at their option require all Other Securityholders to vote all securities of the Company then held by such Other Securityholders in favor of such Compelled Sale and to Transfer the Drag-Along Portion of such class or series of Eligible Securities ("**Drag-Along Rights**") then held by every Other Securityholder, and in the case of a Compelled Sale involving Common Units (but subject to and at the closing of the Compelled Sale) to exercise such number of options or warrants (including the Warrant and including, at the option of Hynix, pursuant to Section 2(c) thereof) for Common Units held by every Other Securityholder as is required in order that a sufficient number of Common Units are available to Transfer the relevant Drag-Along Portion of each such Other Securityholder, for the same consideration per unit of the relevant class of Eligible Security and otherwise on the same terms and conditions as the Institutional Securityholders, provided that any Other Securityholder who holds options or warrants (including the Warrant) the exercise price per share of which is greater than the per share price at which the Common Units are to be Transferred to the Third Party may, if required by the Institutional Securityholders to exercise such options or warrants (including the Warrant), in place of such exercise, submit to irrevocable cancellation thereof without any liability for payment of any exercise price with respect thereto. If the Compelled Sale is not consummated with respect to any Common Units acquired upon exercise of such options or warrants (including the Warrant), or the Compelled Sale is not consummated, such options or warrants (including the Warrant) shall be deemed not to have been exercised or canceled, as applicable. The CVC US Securityholder Representative and the FP Securityholder Representative, on behalf of the Institutional Securityholders, shall provide written notice of such Compelled Sale to the Other Securityholders (a "**Compelled Sale Notice**") not later than the 15th day prior to the proposed Compelled Sale. The Compelled Sale Notice shall identify the transferee, in the case of a Compelled Sale pursuant to clauses (i) or (ii) of this Section 4.02(a), the number of Eligible Securities subject to the Compelled Sale, the consideration for which either a Transfer or a sale of all or substantially all of the assets of the Company, as appropriate, is proposed to be made (the "**Compelled Sale Price**") and all other material terms and conditions of the Compelled Sale. The number of Eligible Securities to be sold by each Other Securityholder will be the Drag-Along Portion of the class of Eligible Securities that such Other Securityholder owns. Each Other Securityholder shall be required to participate in the Compelled Sale on the terms and conditions set forth in the Compelled Sale Notice and to tender all its Eligible Securities as set forth below. The price payable in such Transfer shall be the Compelled Sale Price. Not later than the tenth day following the date of the Compelled Sale Notice (the "**Compelled Sale Notice Period**"), each of the Other Securityholders shall deliver to a representative of the Institutional

Securityholders designated in the Compelled Sale Notice certificates (to the extent the Eligible Securities are certificated), and in the case of options or warrants (including the Warrant), the applicable instrument, representing all Eligible Securities comprising the Drag-Along Portion held by such Other Securityholder, duly endorsed, together with all other documents required to be executed in connection with such Compelled Sale or, if such delivery is not permitted by applicable law, an unconditional agreement to deliver such Eligible Securities pursuant to this Section 4.02(a) at the closing for such Compelled Sale against delivery to such Other Securityholder of the consideration therefor. If an Other Securityholder should fail to deliver such certificates to the Institutional Securityholders, the Company (subject to reversal under Section 4.02(b)) shall cause the books and records of the Company to show that such Eligible Securities are bound by the provisions of this Section 4.02(a) and that such Eligible Securities shall be Transferred to the Third Party immediately upon surrender for Transfer by the holder thereof. The Other Securityholders shall (a) be required (i) to bear their proportionate share of any escrows, holdbacks or adjustments in purchase price and any transaction expenses, (ii) to make such representations, warranties and covenants and enter into such agreements as are customary for transactions of the nature of the Compelled Sale, in each case under the terms of any definitive agreements relating to such Compelled Sale, (b) benefit from all of the same provisions of the definitive agreements as the Institutional Securityholders, (c) with respect to each class of Eligible Securities to be Transferred in such Compelled Sale, have the right to receive the same form of consideration and same amount of consideration as each other holder of such class, and (d) if any holders of a class of Eligible Securities are given an option as to the form and amount of consideration received, each holder of such class of Eligible Securities shall be given the same option, it being understood that any liability of any Other Securityholder for indemnification or similar post-closing obligations shall not exceed the consideration such Other Securityholder receives in the Compelled Sale and shall be a proportional share of any such liability based on such Other Securityholder's share of the aggregate consideration in the Compelled Sale.

(b) The Institutional Securityholders shall have a period of 90 days from the date of receipt of the Compelled Sale Notice to consummate the Compelled Sale on the terms and conditions set forth in such Compelled Sale Notice, *provided* that, if such Compelled Sale is subject to regulatory approval, such 90-day period shall be extended until the expiration of five Business Days after all such approvals have been received, but in no event later than 180 days following the receipt of the Compelled Sale Notice by the Other Securityholders. If the Compelled Sale shall not have been consummated during such period, the Institutional Securityholders shall return to each of the Other Securityholders all certificates or other applicable instruments (including the Warrant) representing Eligible Securities that such Other Securityholders delivered for Transfer pursuant hereto, together with any documents in the possession of the Institutional Securityholders executed by the Other Securityholders in connection with such proposed Transfer, and all the restrictions on Transfer contained in the Securityholders' Agreement or otherwise applicable at such time with respect to such Eligible Securities owned by the Other Securityholders shall again be in effect.

(c) Concurrently with the consummation of the Transfer of Eligible Securities pursuant to this Section 4.02, the CVC US Securityholder Representative and the FP Securityholder Representative, on behalf of the Institutional Securityholders, shall give notice thereof to the Other Securityholders, shall remit to each of the Other Securityholders who have

surrendered their certificates or other applicable instruments the total consideration (the cash portion of which is to be paid by wire transfer of immediately available funds, or if requested by the Other Securityholders, bank or certified check) for the Eligible Securities Transferred pursuant hereto, less such Other Securityholder's proportionate share of any escrows, holdbacks or adjustments in purchase price, and any transaction expenses and shall furnish such other evidence of the completion and time of completion of such Transfer and the terms thereof as may be reasonably requested by such Other Securityholders. The Institutional Securityholders shall promptly remit any additional consideration payable upon the release of any escrows or holdbacks or the payment of any adjustments.

(d) Notwithstanding anything contained in this Section 4.02, there shall be no liability on the part of the Institutional Securityholders to the Other Securityholders (other than the obligation to return any certificates or other applicable instruments representing Eligible Securities received by the Institutional Securityholders) if the Transfer of Eligible Securities pursuant to this Section 4.02 is not consummated for whatever reason, regardless of whether the Institutional Securityholders have delivered a Compelled Sale Notice. Whether to effect a Transfer of Eligible Securities pursuant to this Section 4.02 by the Institutional Securityholders is in the sole and absolute discretion of the Institutional Securityholders.

(e) This Section 4.02 shall terminate upon the third anniversary of the First Public Offering.

6.1. In consideration for NewCo's use of Hynix Measurement Equipments B and Hynix Analysis Equipments, and the Hynix's maintenance and operation service for NewCo Measurement Equipments and NewCo Analysis Equipments hereunder, NewCo shall pay to Hynix a certain portion of the costs and expenses incurred by Hynix in connection with operating and maintaining the Measurement and Analysis Equipments, which shall consist of (a) Labor Charge, (b) Asset Charge, (c) Fixed Overhead Charge, (d) Variable Overhead Charge and (e) Part and Repair Charge as provided in Appendix I (see also Appendix I for definitions of the charges set forth above).

6.2. The fees per hour for NewCo's use of the KrF Scanner, ArF Scanner and each piece of equipment consisting of the Hynix New Analysis Equipments shall be calculated in accordance with the formula provided in Appendix II.

6.3. Any fees for the use/services hereunder are set forth in this Article 6 and there are no other fees for the use/services except as set forth in this Article 6. To the extent applicable, calculations hereunder shall be made by taking into account the AUP.

6.4. Notwithstanding anything herein to the contrary but subject to the last sentence of Section 3.7, the Parties acknowledge and agree that it is their mutual intent that the fees for the use/services hereunder shall be no greater than the actual cost reasonably incurred to provide such use/services. The Parties agree to cooperate in good faith in furtherance of the foregoing, including by adjusting the fees from time to time if necessary in order to effectuate this intent and by conducting, at the request of NewCo, an audit of the fees in each calendar year during which use/services are provided (at a time within the first six months of the succeeding calendar year mutually agreed to in good faith) to compare the costs actually incurred to provide the use/services hereunder during such period with the fees paid for such use/services. Hynix may dispute the results of any such audit, provided that Hynix shall notify NewCo in writing of such disputed results within 30 days of Hynix's receipt of the results of the audit. In the event of any such dispute, Hynix and NewCo shall attempt to reconcile their

differences and any resolution by them as to any disputed amounts shall be final, binding and conclusive on Hynix and NewCo. If Hynix and NewCo are unable to reach a resolution to such effect of all disputed amounts within 30 days of receipt of Hynix's written notice of dispute to NewCo, NewCo and Hynix shall submit the amounts remaining in dispute for resolution to the Independent Accounting Firm, which shall, within 30 days after such submission, determine and report to Hynix and NewCo with respect to the amounts disputed. The findings of the Independent Accounting Firm shall be final, binding and conclusive on Hynix and NewCo. If the results of any such audit as finally determined indicate that NewCo has, in the aggregate with respect to all costs audited, paid more than the amount otherwise required to have been paid pursuant to this Agreement, Hynix shall promptly (and in no event later than 30 days from the date of such determination) refund the amount of such overpayment to NewCo. If the results of any such audit as finally determined indicate that NewCo has, in the aggregate with respect to all costs audited, paid less than the amount otherwise required to have been paid pursuant to this Agreement, NewCo shall promptly (and in no event later than 30 days from the date of such determination) pay the amount of such underpayment to Hynix. For any individual deficiency or overpayment indicated by the results of any such audit as finally determined, the Party owing the payment shall pay to the other Party, in addition to such payment due, interest thereon at a rate of eight (8%) percent per annum of such deficiency or overpayment for the period from the date of such deficiency or overpayment until the date finally paid or reimbursed, as the case may be. The total costs involved in any such audit shall be paid by: (i) NewCo, in the case that the audit demonstrates a deviation in the aggregate with respect to all audited costs of less than 5% from the amount otherwise required to have been paid pursuant to this Agreement, (ii) both Parties equally, in the case that the audit demonstrates a deviation from 5% to 10% and (iii) Hynix, in the event that the audit demonstrates a deviation greater than 10%. Hynix will use its commercially reasonable efforts to minimize the costs incurred to provide the use/services hereunder, including managing its part stock reasonably in an effort to avoid excess. The Parties agree that the audit contemplated hereunder shall be conducted only once in each calendar year for all of the following agreements entered into by and between the Parties and/or their Affiliates as of the date hereof: General Service Supply Agreement, R&D Equipment Utilization Agreement, IT & FA Service Agreement, Taiwan Overseas Sales Services Agreement, U.S. Overseas Sales Services Agreement, Japan Overseas Sales Services Agreement, U.K. Overseas Sales Services Agreement and Hong Kong Overseas Sales Services Agreement.

Scanner to the extent that the Maintenance Activities for the affected part of Hynix Measurement Equipments B, Hynix Analysis Equipments, Hynix New Analysis Equipments, KrF Scanner and/or ArF Scanner are necessary or advisable. In the event that Hynix is required to perform corrective maintenance, repairs due to malfunction or non-routine inspection due to a suspected malfunction, Hynix shall give NewCo prior written notice of such activities to the extent reasonably possible. In the event that Hynix proposes to conduct any other Maintenance Activities, Hynix shall give NewCo as much prior written notice as reasonably possible of such activities, which in any event shall not be less than 30 days prior written notice, and Hynix shall consult with NewCo prior to undertaking or permitting to occur any such Maintenance Activity. Upon Hynix's receipt of any notice of any Maintenance Activities by any third party suppliers, Hynix promptly shall provide NewCo written notice thereof and shall consult with NewCo to the extent reasonably possible prior to permitting any such Maintenance Activities to occur.

7.2. If NewCo receives such notice as set forth in Section 7.1, then to the extent that the use of Hynix Measurement Equipments B, Hynix Analysis Equipments, Hynix New Analysis Equipments, KrF Scanner and/or ArF Scanner during the Maintenance Activities are insufficient to meet NewCo's requirements for NewCo's use thereof in accordance with the terms and conditions hereof, Hynix shall (i) discuss in good faith NewCo's obtaining alternate sources similar to such equipment as is/are affected for the duration of the Maintenance Activities, (ii) to the extent that Hynix obtains any alternate sources for such use/services and equipment, Hynix shall make available a pro-rata share of such alternate sources to NewCo, and (iii) if the foregoing are not available or are insufficient to meet NewCo's requirements, Hynix shall cooperate with NewCo to locate alternate sources for such services and equipment. To the extent the foregoing alternate sources are provided by Hynix, there shall be no incremental cost or expense to NewCo. To the extent the foregoing alternate sources are provided by third-parties, NewCo shall bear the actual costs of the services and equipment it uses.

**Article 8. Coordinating Committee**

8.1. Within thirty (30) days after the effective date of this Agreement, the Parties shall establish a coordinating committee (the "Coordinating Committee") which shall consist of four (4) members, two (2) of which shall be appointed by Hynix and two (2) of which shall be appointed by NewCo. Each Party, upon prior written notice to the other Party, may from time to time remove or replace any member appointed by such Party.

8.2. Except as the Parties may otherwise agree in writing, the Coordinating Committee shall have the power and responsibility under this Agreement to:

(a) act as a forum for the liaison between the Parties with respect to the day-to-day implementation of this Agreement;

(b) subject to Article 18, seek to resolve disputes; and

(c) undertake such other functions as the Parties may agree in writing.

**Article 9. Payment**

9.1. Hynix shall invoice NewCo on the tenth (10th) day of each calendar month for the fees provided under Article 6 for the immediately preceding calendar month, which invoices shall specify the use and/or services provided for the applicable month and the amount of fees for such use and/or services calculated in accordance with Article 6. By the twenty-fifth (25th) day of each calendar month so invoiced NewCo shall pay the invoiced amount and value added tax thereto to Hynix's designated account by means of a wire transfer in immediately available funds. All payments hereunder shall be made in Korean Won.

9.2. If NewCo fails to make any payment due hereunder by the date it is due, NewCo shall pay Hynix, in addition to the amount of such payment due, interest on the outstanding amounts of the fees at a rate of eight (8%) percent per annum of the outstanding amount, prorated to reflect the pro rata portion of such interest calculated from and including the relevant due date until the date the fees are fully paid.

9.3. Notwithstanding any dispute on the amount of payment under this Agreement, each Party shall continue to perform its obligations hereunder (including obligations to make payments of the amounts included on the invoices provided under Section 9.1 which are not disputed in good faith) and be entitled to exercise its rights under this Agreement; provided, however, that if NewCo fails to pay in full the portion of sums invoiced by Hynix which are not disputed by NewCo in good faith for three (3) calendar months after such sums become due, Hynix may suspend or curtail the performance of its obligations hereunder of the type for which payment was not made until such payment is made in full. Any invoice amount that remains disputed after thirty (30) days shall be referred to the Coordinating Committee in accordance with Section 18.2.

9.4. Hynix shall, at the request by NewCo, provide NewCo with relevant data and records for the determination of Hynix's compliance with its obligations under this Agreement (other than with respect to calculation of fees hereunder which will be governed by Section 6.4); provided that NewCo may make no more than one such request per calendar quarter and any such request must be reasonably specific. In this regard, Hynix shall prepare and maintain proper books and records of all matters pertaining to the use of Hynix Measurement Equipments B, Hynix Analysis Equipments, Hynix New Analysis Equipments, KrF Scanner and ArF Scanner, and services provided by Hynix, under this Agreement. Subject to the first sentence of this Section 9.4 and Article 19, upon seven (7) days prior written notice, NewCo, or its authorized representatives, may examine during normal business hours, the books, records and documents of Hynix to the extent necessary for verification of compliance under this Agreement; provided, however, that if Hynix is to provide such books and records on certain equipment to NewCo for NewCo's examination and photocopying purposes, Hynix may blackout any information contained in such books and records that relate to Hynix other than information regarding usage time, number of samples or any other information that is required for the determination of Hynix's compliance with its obligations under this Agreement.

9.5. Notwithstanding anything herein to the contrary, in the event of a bankruptcy filing with respect to NewCo, NewCo shall deposit with Hynix an amount equal to the fees paid by NewCo during the immediately preceding full calendar month under the terms of this Agreement, against which will be credited fees payable by NewCo over the thirty day

period following such deposit. NewCo shall renew such deposit each thirty days in each case by reference to the fees paid by NewCo during the full calendar month immediately preceding any such renewal until such bankruptcy protection filing has been accepted by the bankruptcy court. For the avoidance of doubt, NewCo shall not be relieved of responsibility for, and shall pay when due, any fees for services hereunder during any such thirty day period to the extent in excess of the then actual deposit.

**Article 10. Representations, Warranties and Covenants**

10.1. Each Party hereby represents and warrants to the other Party that all of the statements contained in this Section 10.1 are true and correct with respect to such Party as of the effective date of this Agreement and at all times thereafter during the Term.

(a) Organization. Such Party is duly incorporated and validly existing under the laws of Korea and has full power and authority to perform its respective obligations herein.

(b) Authorization. Such Party has full corporate power and authority to execute and deliver this Agreement. The execution, delivery and performance by such Party of this Agreement have been duly authorized by all corporate actions on the part of such Party that are necessary to authorize the execution, delivery and performance by such Party of this Agreement.

(c) Binding Agreement. This Agreement has been duly executed and delivered by such Party and, assuming due and valid authorization, execution and delivery hereof by the other Party, is a valid and binding obligation of such Party, enforceable against such Party in accordance with its terms except (i) as limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance and other similar laws of general application affecting enforcement of creditors' rights generally and (ii) the availability of the remedy of injunctive relief may be subject to the discretion of the court before which any proceeding therefor may be brought or the general principle of good faith and fairness provided for in the Korean Civil Code.

(d) No Violation of Laws or Agreements. The execution, delivery and performance of this Agreement does not, (i) contravene any provision of the articles of incorporation or bylaws, or other similar organizational documents, of such Party; or (ii) violate, conflict with, result in a breach of, or constitute a default (or an event which might, with the passage of time or the giving of notice, or both, constitute a default) under any agreement to which such Party is a party or by which it is bound.

(e) Governmental Authorizations. Such Party has obtained all required Governmental Authorizations in connection with the performance of the obligations herein.

10.2. EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES CONTAINED IN THIS AGREEMENT OR IN THE BTA, NEITHER PARTY NOR ANY OTHER PERSON OR ENTITY ACTING ON BEHALF OF SUCH PARTY, MAKES ANY

REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED (INCLUDING ANY REPRESENTATION OR WARRANTY FOR SUFFICIENCY, SATISFACTORY RESULT OR FITNESS FOR PARTICULAR PURPOSE WITH RESPECT TO THE SERVICE PROVIDED HEREUNDER).

10.3. Each Party covenants and agrees to endeavor to cooperate with the other Party so as to minimize any interference with the other Party's operation of its business.

**Article 11. Force Majeure**

11.1. Neither Party shall be liable to the other Party for failure of or delay in the performance of any obligations under this Agreement due to causes reasonably beyond its control including (i) war, insurrections, riots, explosions and inability to obtain raw materials due to then current market situations; (ii) natural disasters and acts of God, such as violent storms, earthquakes, floods and destruction by lightning; (iii) the intervention of any governmental authority or changes in relevant laws or regulations which restrict or prohibit either Party's performance of its obligations under this Agreement or implementation of this Agreement; or (iv) strikes, lock-outs and work-stoppages (each, an "Event of Force Majeure"). Upon the occurrence of an Event of Force Majeure, the affected Party shall notify the other Party as soon as reasonably possible of such occurrence, describing the nature of the Event of Force Majeure and the expected duration thereof. Notwithstanding the foregoing, the Party receiving services hereunder shall be under a continuing obligation to make payments for such services which have already been supplied to the Party prior to the occurrence of an Event of Force Majeure.

11.2. If a Party is unable, by reason of an Event of Force Majeure, to perform any of its obligations under this Agreement, then such obligations shall be suspended to the extent and for the period that the affected Party is unable to perform. If this Agreement requires an obligation to be performed by a specified date, such date shall be extended for the period during which the relevant obligation is suspended due to such an Event of Force Majeure under this Agreement.

11.3. Notwithstanding anything to the contrary contained herein, a third party supplier's failure to meet its obligations in accordance with the applicable third party supplier agreement shall not constitute an Event of Force Majeure and Hynix shall be liable to NewCo for any breach of this Agreement resulting from such failure; provided that any such liability to NewCo shall be limited to the extent that such third party supplier's liability to Hynix is limited under the applicable third party supplier agreement; provided, further, that any such liability to NewCo shall be limited to the amount that Hynix actually recovers from such third party supplier. In the case of a material breach by a third party supplier, and in the event that NewCo incurs Damages resulting from such breach of the applicable third party supplier agreement material to NewCo, Hynix shall use commercially reasonable efforts to vigorously pursue all available actions for Damage compensation from any such third party supplier. In the event Hynix receives any compensation for Damages from the third party supplier for any breach, Hynix shall pay to NewCo a pro rata portion of such actual Damages received from the third party supplier based on the amount of Damages suffered by NewCo relative to the aggregate amount of Damages suffered by

both Parties. Each Party shall be responsible for a portion of the reasonable and documented expenses of any such actions for Damage compensation in proportion to the allocation of any recovery of Damages pursuant to the preceding sentence; provided that the Parties shall cooperate in good faith to minimize such expenses and consult with each other in advance with respect to the conduct of any such action.

11.4. To the extent that the equipment or services affected due to a third party's failure to meet its obligations under the applicable third party supplier agreement are insufficient to meet NewCo's requirements for NewCo's use thereof in accordance with the terms and conditions hereof, Hynix shall (i) to the extent Hynix has alternative sources available internally, provide such alternate sources for the affected equipment or services for the duration the equipment or services are affected, (ii) to the extent that Hynix obtains any alternate sources for such equipment or services, Hynix shall make available a pro-rata share of such alternate sources to NewCo, and (iii) if the foregoing are not available or are insufficient to meet NewCo's requirements, Hynix shall cooperate with NewCo to locate alternate sources for such equipment or services. To the extent the foregoing alternate sources are provided by Hynix, there shall be no incremental cost or expense to NewCo. To the extent the foregoing alternate sources are provided by third parties, NewCo shall bear the actual costs of the services it uses. To the extent that any service which both Parties utilize for their respective businesses remains partially available during an Event of Force Majeure (e.g., Hynix makes some quantity of service available but not the usual amount or Hynix otherwise accesses an alternative source of some quantity of service), each Party shall receive, to the extent practically possible, equal provision of such service up to the amount it would otherwise receive if there were no Event of Force Majeure.

## Article 12. Termination

12.1. Termination. This Agreement may be terminated at any time during the Term of this Agreement as follows:

(a) by either Party's serving a written notice thereof to the other Party and the Coordinating Committee in the event of a material breach or default by such other Party of its obligations hereunder, which default shall not have been cured by the breaching Party, or otherwise resolved by the Coordinating Committee, within sixty (60) days after written notice is provided by the non-breaching Party to the breaching Party and Coordinating Committee;

(b) by Hynix's serving sixty (60) days prior written notice thereof to NewCo if NewCo ceases to conduct any Permitted Business (provided that an assignment pursuant to Article 17 shall not trigger the application of this provision in so far as such assignee does not cease to conduct any Permitted Business); or

(c) by NewCo's serving a written notice of termination to Hynix, at such time as NewCo has terminated all of Hynix's obligations to provide the use of equipment and services hereunder in accordance with Section 2.2.

12.2. Upon termination of this Agreement, each Party shall discontinue the use of all Confidential Information provided by the other Party in connection with this Agreement, and shall promptly return to the other Party any and all Confidential Information, including documents originally conveyed to it by the other Party and any copies thereof made thereafter.

12.3. Except as provided in this Section 12.3 and Section 12.4, following the termination or expiration of this Agreement all obligations and liabilities of the Parties under or arising from this Agreement shall cease and be of no effect, and neither Party shall have any liability under or arising from this Agreement as a consequence of the termination or expiration of this Agreement in accordance with Section 12.1 except for fraud or willful breach of this Agreement. Notwithstanding the foregoing, termination of this Agreement shall be without prejudice to the accrued rights and liabilities of the Parties prior to the termination of this Agreement.

12.4. The respective rights and obligations of the Parties under Section 9.4 and Articles 14, 15, 16, 18 and 19 and other Sections which by their nature are intended to extend beyond termination, shall survive the termination or expiry of this Agreement.

**Article 13. [Intentionally Omitted]**

**Article 14. Indemnification**

14.1. Subject to Article 15 hereof, each Party (the "Indemnifying Party") shall defend, indemnify and hold harmless the other Party (and its shareholders, partners, members, directors, officers, employees, agents and representatives) (collectively, the "Indemnified Party") from and against, and shall pay to the Indemnified Party the amount of any Damages arising from any breach of any representation, warranty, agreement or covenant made by the Indemnifying Party under this Agreement or the negligence, gross negligence or willful misconduct of the Indemnifying Party.

**Article 15. Limitation on Liability**

15.1. Notwithstanding anything to the contrary herein, neither Party shall have any liability whatsoever to the other Party, and the other Party shall have no rights or remedies whatsoever (in each case whether in contract, tort, including negligence, or otherwise), for or in connection with any failure to provide any services or fees for services (as applicable) in accordance with this Agreement to the extent such failure is attributable to the occurrence of an Event of Force Majeure.

15.2. Notwithstanding anything to the contrary, no Party shall be liable to the other Party, whether by way of indemnity or otherwise, for any punitive damages, whether any such damages arise out of contract, equity, tort (including negligence), strict liability or otherwise, arising out of, or related to, this Agreement and each Party hereby waives, to the fullest extent permitted by law, all rights with respect to the punitive damages.

15.3. Notwithstanding anything to the contrary contained herein, the liability of each Party (the "Breaching Party") hereunder, for Damages resulting from the Breaching Party's breach

of this Agreement or its negligence, gross negligence or willful misconduct shall be limited to (a) in the event that the Breaching Party proves that such breach was the result of the negligence of the Breaching Party and no other reason or, in the case of a tort claim, the Indemnifying Party proves that such Damages resulted from the negligence of the Indemnifying Party and no other reason the aggregate amount received by the Breaching Party in fees hereunder for the calendar year prior to the year of determination for the use/service affected by such breach and (b) in all other events, including if the breach was the result of gross negligence, willful misconduct or intentional breach, the maximum amount permitted by Korean law.

15.4. If any Indemnified Party is at any time entitled to recover under any third-party policy of insurance (excluding any self-insurance that is not reinsured with a third party), in respect of any Damages for which indemnification is sought under Article 14, the Indemnified Party shall, at the request of the Indemnifying Party, use its commercially reasonable efforts to enforce such recovery for the benefit of the Indemnifying Party and, upon recovery under such policy, reduce the amount of Damages for which it is seeking indemnification under Article 14 by the amount actually recovered under the policy (net of and costs, charges and expenses of the Indemnified Party in connection with such recovery).

**Article 16. Right of First Refusal**

In the event Hynix wishes to sell or otherwise dispose of all or any part of the Hynix Equipments, Hynix New Analysis Equipments, KrF Scanner, ArF Scanner or any other equipment that is the subject matter of this Agreement (collectively, the "Used Equipments") at any time during the Term, Hynix shall first make an offer for sale of such Used Equipments to NewCo by giving NewCo a written notice setting forth the purchase price and other terms and conditions thereof ("Notice of Sale"). NewCo shall notify Hynix in writing whether NewCo accepts or rejects such offer made by Hynix in the Notice of Sale within thirty (30) days after the receipt thereof (such thirty-day period, the "Notice Period"). Unless NewCo accepts in writing such offer made by Hynix in the Notice of Sale prior to the expiration of the Notice Period, Hynix shall be free to sell or otherwise dispose of all or any part of such Used Equipments offered through the Notice of Sale to a third party within thirty (30) days from the date of expiration of the Notice Period; provided, however, that such sale or disposal to a third party shall not be made under the terms and conditions more favorable than the offer made to NewCo in the Notice of Sale. If Hynix sells or otherwise disposes of any of such Used Equipments (other than Hynix Measurement Equipments A) to a third party, then, to the extent Hynix replaces such equipment with equipment that is substitutive thereof, NewCo shall have the option to use such replacement equipment on terms and conditions consistent with the terms and conditions of NewCo's use of the equipment that was sold or disposed of (with the fees being calculated in accordance with Appendix I or II hereof), and to the extent Hynix does not replace such equipment, Hynix shall provide NewCo with the use of alternative equipment that is substantially the same as the equipment that was sold or disposed of on terms and conditions consistent with the terms and conditions of NewCo's use of the equipment that was sold or disposed of (with the fees being calculated in accordance with Appendix I or II hereof); provided, however, that Hynix shall not be obligated to provide NewCo with the use of such alternative equipment following the third anniversary of the date hereof if NewCo has rejected the offer made in a Notice of Sale with respect to the applicable Used Equipment.

**Article 17. Assignment**

17.1. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns; provided, however, that no Party will assign its rights or delegate its obligations under this Agreement without the express prior written consent of the other Party, except that (i) NewCo may assign its rights hereunder as collateral security to any bona fide financial institution engaged in financing in the ordinary course providing financing to the Warrant Issuer or its Subsidiaries and any of the foregoing financial institutions may assign such rights in connection with a sale of NewCo in the form then being conducted by NewCo substantially as an entirety; (ii) Hynix and NewCo each may, upon written notice to the other Party (but without the obligation to obtain the consent of such other Party), assign this Agreement or any of its rights and obligations under this Agreement to any person, entity or organization that succeeds (by purchase, merger, operation of law or otherwise) to all or substantially all of the capital stock, assets or business of such party, to all or substantially all of its assets and liabilities or to all or substantially all of the assets and liabilities of the portion of the Party's business to which the subject of this Agreement relates or of a division of the Party, if such person or entity agrees in writing to assume and be bound by all of the relevant obligations of such Party under this Agreement; and (iii) NewCo may, upon written notice to Hynix (but without the obligation to obtain the consent of Hynix), assign this Agreement or any of its rights and obligations under this Agreement to one or more direct or indirect Subsidiaries of Warrant Issuer.

17.2. Notwithstanding anything to the contrary contained herein, Hynix may not subcontract the performance of all or any parts of its obligations under this Agreement to any third party or parties, without the prior written consent of NewCo.

**Article 18. Governing Law; Dispute Resolution**

18.1. This Agreement shall be governed by and construed in accordance with the laws of Korea, without reference to the choice of law principles thereof.

18.2. Each Party seeking the resolution of a dispute arising under this Agreement must provide written notice of such dispute to the other Party, which notice shall describe the nature of such dispute. All such disputes shall be referred initially to the Coordinating Committee for resolution. Decisions of the Coordinating Committee under this Section 18.2 shall be made by unanimous vote of all members and shall be final and legally binding on the Parties. If a dispute is resolved by the Coordinating Committee, then the terms of the resolution and settlement of such dispute shall be set forth in writing and signed by both Parties. In the event that the Coordinating Committee does not resolve a dispute within thirty (30) days of the submission thereof, such dispute shall be resolved in accordance with Section 18.3. Notwithstanding the foregoing, Hynix and NewCo shall each continue to perform its obligations under this Agreement during the pendency of such dispute in accordance with this Agreement.

18.3. The Parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the Parties shall be entitled to an injunction to prevent any breach of this Agreement and to enforce specifically the terms and provisions of this Agreement by bringing a relevant action in the Seoul Central District Court in Seoul, Korea, in addition to any other remedy to which any Party may be entitled at law or in equity. In addition, the Parties agree that any dispute, claims or controversy between the Parties arising out of or relating to this Agreement, whether in contract, tort, equity or otherwise and whether relating to the meaning, interpretation, effect, validity, performance or enforcement of this Agreement, which is not resolved by the Coordinating Committee pursuant to Section 18.2 may be submitted to the exclusive jurisdiction of the Seoul Central District Court, in Seoul, Korea. Each of the Parties irrevocably waives, to the fullest extent permitted by law, any objection which it may now, or hereafter, have with respect to the jurisdiction of, or the venue in, the Seoul Central District Court.

**Article 19. Confidentiality**

19.1. Neither Party shall, except as expressly permitted by the terms of this Agreement, disclose to any third party the terms and conditions of this Agreement, the existence of this Agreement and any Confidential Information which either Party obtains from the other Party in connection with this Agreement and/or use such Confidential Information for any purposes whatsoever other than those contemplated hereunder; provided, however, that this Agreement (and its terms and conditions) may be disclosed and filed publicly in connection with a public offering of securities by NewCo or its Affiliates. "Confidential Information" shall mean any and all information including technical data, trade secrets or know-how, disclosed by either Party to the other Party in connection with this Agreement, which is marked as "Proprietary" or "Confidential" or is declared by the other Party, whether in writing or orally, to be confidential, or which by its nature would reasonably be considered confidential.

19.2. The obligation of confidentiality in Section 19.1 shall not apply to any information that: (a) was known to the other Party without an obligation of confidentiality prior to its receipt thereof from the disclosing Party; (b) is or becomes generally available to the public without breach of this Agreement, other than as a result of a disclosure by the recipient Party, its representatives, its Affiliates or the representatives of its Affiliates in violation of this Agreement; (c) is rightfully received from a third party with the authority to disclose without obligation of confidentiality and without breach of this Agreement; or (d) is required by law or regulation to be disclosed by a recipient Party or its representatives (including by oral question, interrogatory, subpoena, civil investigative demand or similar process), provided that written notice of any such disclosure shall be provided to the disclosing Party in advance. If a Party determines that it is required to disclose any information pursuant to applicable law (including the requirements of any law, rule or regulation in connection with a public offering of securities by NewCo or its Affiliates) or receives any demand under lawful process to disclose or provide information of the other Party that is subject to the confidentiality provisions hereof, such Party shall notify the other Party prior to disclosing and providing such information and

shall cooperate at the expense of the requesting Party in seeking any reasonable protective arrangements requested by such other Party. Subject to the foregoing, the Party that receives such request may thereafter disclose or provide information to the extent required by such law or by lawful process.

**Article 20. Miscellaneous**

20.1. Exercise of Right. A Party may exercise a right, power or remedy at its discretion, and separately or concurrently with another right, power or remedy. A single or partial exercise of a right, power or remedy by a Party does not prevent a further exercise of that or of any other right, power or remedy. A failure to exercise a right, power or remedy or a delay in exercising a right, power or remedy by a Party does not prevent such Party from exercising the same right thereafter.

20.2. Extension; Waiver. At any time during the Term, each of Hynix and NewCo may (a) extend the time for the performance of any of the obligations or other acts of the other or (b) waive any inaccuracies in the representations and warranties of the other contained in this Agreement or in any document delivered pursuant to this Agreement. Any agreement on the part of a Party to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such Party. The failure of any Party to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of those rights. Any rights under this Agreement may not be waived except in writing signed by the Party granting the waiver or varied except in writing signed by the Parties.

20.3. Notices. Any notice, request, demand, waiver, consent, approval or other communication which is required or permitted to be given to any Party shall be in writing and shall be deemed duly given only upon delivery to the Party personally (including by reputable overnight courier service), when telecopied (with confirmation of transmission having been received) during normal business hours or three days after being mailed by registered or certified mail (return receipt requested), with postage and registration or certification fees thereon prepaid, addressed to the Party at its address set forth below (or at such other address for a party as shall be specified by such Party by like notice):

This Agreement (a) constitutes the entire agreement between the Parties and supersedes all prior agreements and understandings, both written or oral, between the Parties with respect to the subject matter hereof and (b) is not intended to confer upon any person other than the Parties hereto any rights or remedies hereunder.

20.6. Severability of Provisions. Any term or provision of this Agreement that is held by a court of competent jurisdiction or other authority to be unlawful, invalid, void or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction. If the final judgment of a court of competent jurisdiction or other authority declares that any term or provision hereof is unlawful, invalid, void or unenforceable, the Parties agree that the court making such determination shall have the power to reduce the scope, duration, area or applicability of the term or provision, to delete specific words or phrases, or to replace any unlawful, invalid, void or unenforceable term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the unlawful, invalid or unenforceable term or provision.

20.7. Amendment and Modification. 20.8. Counterparts. This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement.

20.9. Election of Remedies. Neither the exercise of nor the failure to exercise a right or to give notice of a claim under this Agreement shall constitute an election of remedies or limit any Party in any manner in the enforcement of any other remedies that may be available to such Party, whether at law or in equity.

20.10. Language. This Agreement is being originally executed in the English language only. In the event that the Parties agree to have a Korean version of this Agreement following signing, this Agreement may be translated into Korean. The Parties acknowledge that the Korean version of this Agreement shall be for reference purposes only, and in the event of any inconsistency between the two texts, the English version shall control.

20.11. Relationship of the Parties. Each Party shall perform its obligations hereunder as an independent contractor. This Agreement does not create a fiduciary or agency relationship between Hynix and NewCo, each of which shall be and at all times remain independent companies for all purposes hereunder. **1.21** "**Load Switching and Power Supervision**" involves Low-Voltage Power Management Products which shuts-off or limits loads to save power when the load is not in use (load switching) or to supervise power by sensing when an adequate power supply condition is reached (voltage monitoring as a power good indicator), including the sequencing of multiple power supplies. Voltage references, along with voltage detectors and microprocessor reset ICs are considered as power supervision type products. Some load switching functions may include slow-turn-on to limit in-rush current (and over-current) or over-temperature protection to prevent damage during a shorted load condition.

**1.22** "**Low-Voltage Power Management Products**" means those products that have low- voltage power management characteristics. For the purpose of this Agreement, "**Low-Voltage**" shall be defined as semiconductor components rated at *35 volts or less*. "**Power Management Products**" include the following semiconductor components: (1) Integrated Circuits, (2) Power Integrated Circuits, (3) Discrete Power MOSFETs, (4) Intelligent and Application-Specific Power MOSFETs, and (5) Multi-chip Combinations of ICs and Power MOSFETs which include any Product controlling the flow of power in the

following broadly defined functions: (1) Port Protection, (2) Battery Management, (3) Load Switching & Power Supervision, and/or (4) Voltage Regulation & DC/DC Conversion.

**1.23** "**Other Technology**" means all designs, technology and information other than AATI IC Technology are beyond the scope of this Agreement. **1.24** "**Port Protection**" means Low-Voltage Power Management Products having functions that include limiting current, clamping voltage, providing ESD protection, facilitating over-temperature protection, and preventing operation during under-voltage or shorted-load conditions. **Port Protection** includes protecting any input or output pin (or connector) from damage, especially during the connection or disconnection of components while power is available at the connector (hot plugging) such as PC Cards (PCMCIA), Universal Serial Bus (USB), IEEE1394 (FireWire), Bluetooth, camera modules, external peripherals, and PCB (printed circuit board) hot plugging. **Port Protection** may also include protocol-specific functions such as sensing of the port condition, power supply voltage sequencing, noise suppression between loads, and in-rush induced noise spikes. Port Protection may also include supplying power to a port (such as USB on-the-go) or by driving an external load (such as a speaker in a class D audio output).

**1.25** "**ModularBCD Technology**" means that technology related to the fabrication of electronic devices and semiconductor integrated circuits capable of monolithically integrating fully-isolated devices without the need for epitaxial layers or high-thermal-budget processing (including long or high-temperature diffusions, deep diffusions, or any processes that substantially redistribute dopant profiles from their *as-implanted* distributions through thermal diffusion). **ModularBCD Technology** is distinguished by its extensive use of high-energy ion implantation methods (including multi-energy chained-implants) to form and isolate any and various combinations of electronic devices including N-channel and P-channel MOSFETs (i.e. CMOS), NPN and PNP bipolar transistors (i.e. complementary bipolars), DMOS (double-junction) transistors, lateral and quasi-vertical *trench-gated* power MOSFET devices, along with on-chip passives (such as high-sheet-resistance resistors and poly-to-poly capacitors). Isolation of components is achieved using deeply-implanted junctions without requiring epitaxy, isolation diffusions, trench isolation, or SOI (silicon-on-insulator) materials. **ModularBCD Technology** can also be characterized by its *multi-voltage* capability whereby components and circuitry operating at different voltages can be integrated and isolated with little or no interaction among the differing voltage components, and with no substantial area penalty for mixing voltages within the integrated circuit. **ModularBCD Technology** includes but is not limited to the processes, methods, devices and apparatus described in United States and foreign Patent and Patent applications listed in **Exhibit B** along with any improvements, derivatives, continuation patents, foreign filings, continuation in part (CIP) applications, and all work by AATI or its employees related to ModularBCD Technology preceding said applications (dating back to September 1998) continuing through the term of this Agreement. **ModularBCD Technology** features includes but is not limited to the features, device structures, apparatus and fabrication methods listed in **Exhibit C** and protected by the Patents in Exhibit B.

**1.26** "**Net Sales**" means the gross selling die or wafer price (depending on how such is sold) invoiced by MAGNACHIP, its affiliates and authorized manufacturers on sales or other dispositions of MAGNACHIP Licensed Products, less the following items to the extent they are included in such gross revenues and separately stated on the invoice: (i) normal and customary rebates, refunds and discounts actually given by seller, (ii) insurance, transportation and other delivery charges actually paid by seller, (iii) sales, excise, value-added and other taxes, (iv) testing and packaging costs and (v) wafer thinning, and other

outside expenses incurred in manufacturing, but not included in the Projected Wafer Costs. Sales between MAGNACHIP, its affiliates and authorized manufacturers shall not be included in Net Sales (but sales or other dispositions by MAGNACHIP, its affiliates and authorized manufacturers to third parties shall be counted as Net Sales). If any MAGNACHIP Licensed Products are sold or transferred in whole or in part for consideration other than cash, Net Sales shall include the fair market value of such MAGNACHIP Licensed Product. For purposes of this definition of **Net Sales**, "authorized manufacturer" means any entity (other than a MAGNACHIP affiliate) that manufacturers (including any assembly and packaging of MAGNACHIP Licensed Products) and sells MAGNACHIP Licensed Products under authority, directly or indirectly, from MAGNACHIP.

**1.27** "**Non-Competing Products**" means Products that either (i) Operate above 35V, or (ii) Do NOT perform Power Management functions (namely **Port Protection, Load Switching & Power Supervision, Battery Management, or Voltage Regulation & DC/DC Conversion**). Specific examples of Non-Competitive Products are listed in **Exhibit D**.

**1.28** "**Party**" means each of AATI and MAGNACHIP (and collectively "**Parties**" means both MAGNACHIP and AATI). The term Party (whether referred to as a "Party" or "Parties" or "AATI" or "MAGNACHIP") does not include any affiliates of such Party except for wholly owned subsidiaries, unless expressly agreed upon in writing by both Parties. In addition, the terms Party, AATI, MAGNACHIP and Parties shall not include any assignees or successors in interest except as provided for under **Section 12.3**.

**1.29** "**Products**" means semiconductor devices; integrated circuits; discrete transistors; or semiconductor components; whether in wafer form or separated into individual dice (chips), whether assembled into packages, modules, chip-scale packages, bumped, or otherwise unassembled, whether tested or untested. Products include both Competing Products and Non-Competing Products.

**1.30** "**Release-to-Design (RTD) Date**" means the date when IC circuit design using ModularBCD Technology can commence. The **RTD Date** requires the completion of working test devices and the extraction of SPICE simulation models. Thereafter design of the first integrated circuit product can commence.

**1.31** "**Release-to-Manufacturing (RTM) Date**" means the date when the first integrated circuit Product using ModularBCD Technology is successfully qualified. The **RTM Date** requires the successful fabrication and burn-in qualification of three (3) wafer runs of said Product. Thereafter both Product and ModularBCD Technology are qualified and manufacturing production can commence.

**1.32** "**Third Party**" means any company, corporation, partnership, person or commercial entity other than a Party.

**1.33** "**Voltage Regulation & DC/DC Conversion**" means Low-Voltage Power Management Products that regulate voltage (or in some cases current) by linear (i.e. linear regulators or LDO's), switched capacitive (i.e. charge pumps), and switched inductor (i.e. switching or PWM regulator) methods. The input voltage is generally stepped up and/or down in voltage by the converter circuitry then the output is regulated by some sort of feedback to produce constant output voltage (or in some cases constant output current). Linear regulators and charge pumps need external capacitors while switching regulators also require one or more inductors. Voltage Regulation applications include regulators for cell phones, CPUs, chip sets, displays, RF ICs, DSPs, memory, data busses, whole systems, and more. Constant current applications include LED drivers for portable electronics display backlights.

**1.34** "**Projected Wafer Cost**" means the estimated cost of a wafer, including the substrate, but not including back grind or project costs. This will also be the same cost that AATI will pay directly for said wafers from MAGNACHIP. The projected wafer costs shall be mutually agreed upon by both parties and both parties agree to revisit the projected wafer cost on an annual basis in the future.

**1.35** "**Customer**" means any third party purchaser of products under this Agreement who is not an affiliate, parent company or subsidiary of MAGNACHIP or AATI.

If a Party determines that it does not want to pursue or continue to pursue obtaining a particular Joint Improvement right which otherwise would be jointly owned, and the other Party elects to do so (the "electing Party"), the cost related to that particular Joint Improvement right shall be borne solely by the electing Party and the electing Party shall have sole and full ownership of such Joint Improvement right, including any derivatives, continuations, divisions, reissues and reexaminations of that Joint Improvement right.

(iv) MAGNACHIP hereby irrevocably transfers, conveys and assigns to AATI all of its right, title, and interest in any Improvements described in Section 3.3(c)(i)(B) (AATI Improvement). MAGNACHIP shall execute such documents, render such assistance, and take such other action as AATI may reasonably request, at AATI's expense, to apply for, register, perfect, confirm, and protect AATI rights to such Improvements, and all Intellectual Property therein. AATI hereby irrevocably transfers, conveys and assigns to MAGNACHIP all of its right, title, and interest in any Improvements described in Section 3.3(c)(ii)(B) (MAGNACHIP Improvement). AATI shall execute such documents, render such assistance, and take such other action as MAGNACHIP may reasonably request, at MAGNACHIP's expense, to apply for, register, perfect, confirm, and protect MAGNACHIP's rights to such Improvements, and all Intellectual Property therein.

(v) MAGNACHIP and AATI shall each have the right to exploit all Joint Improvements (that are not AATI Improvements or MAGNACHIP Improvements) without being required any additional payment to the other, *provided however*, in the event a Party refuses to cooperate and pay costs related to the Joint Improvement under Section 3(c)(iii), such Party shall have no rights to use or exploit such Joint Improvement under the terms of this Agreement.

(d) **Independently Developed**. Notwithstanding the above, to the extent that any Improvements is solely created by a Party under this Agreement, without reference or use of the other Party's Technology, Intellectual Property or Confidential Information (as defined below), then such Party shall exclusively own such Improvements.

**3.4 Waiver of Moral Rights**. Each party hereby waives any and all "moral rights," meaning any right to identification of authorship or limitation on subsequent modification that a party (or its employees, agents or consultants) has or may have in the other party's Improvements, to the extent recognized by applicable law consistent with Berne Convention, art. 6bis.

**3.5 Attorney in Fact**. Each Party assigning any rights under Section 3 hereunder (the "**Assignor**") agrees that if the other Party (the "**Assignee**") is unable because of Assignor's unavailability, dissolution or incapacity, or for any other reason, to secure Assignor's signature to apply for or to pursue any application for any United States or foreign patents or mask work or copyright registrations covering the inventions assigned to Assignee above, then Assignor hereby irrevocably designates and appoints the company and its duly authorized officers and agents as Assignor's agent and attorney in fact, to act for and in Assignor's behalf and stead to execute and file any such applications and to do all other lawfully permitted acts to further the prosecution and issuance of patents, copyright and mask work registrations thereon with the same legal force and effect as if executed by Assignor. **4. TECHNOLOGY DELIVERY & IMPLEMENTATION**.

**4.1 AATI Technology**. AATI will deliver to MAGNACHIP the **AATI IC Technology** promptly after the Effective Date in a form that is mutually acceptable to both Parties. AATI deliverables to MAGNACHIP are outlined in **Exhibit E**. Thereafter, AATI may (but is not obligated to) supplement the AATI IC Technology.

**4.2 MAGNACHIP Technology**: Upon the recommendation of MAGNACHIP or upon agreement of both Parties, MAGNACHIP will deliver to AATI the **MAGNACHIP Technology** listed in **Exhibit F** that may be applicable and useful in adapting and implementing the AATI IC Technology in said Facility. It is understood by both Parties that the applicability of such **MAGNACHIP Technology** to AATI IC Technology Implementation may vary by Facility. Thereafter, as agreed upon by both Parties, certain processing steps, methods, or features in the AATI IC Technology (such as unit process steps in the ModularBCD Technology process flow) may be adapted to incorporate **MAGNACHIP Technology** or variants thereof. MAGNACHIP may (but is not obligated to) supplement the **MAGNACHIP Technology** at a later date.

**4.3 AATI IC Technology Implementation**. Both Parties agree to implement with commercially reasonable effort, the AATI IC Technology in said Facility in accordance with the procedures for AATI IC Technology Implementation as described in **Exhibit G**.

(i) **Adapting AATI IC Technology for Facility**. In the event that AATI IC Technology is adapted or modified to best match or fit said Facility by utilizing MAGNACHIP Technology in certain steps or processes, such steps or techniques that constitute MAGNACHIP Technology shall remain the property of MAGNACHIP. Those portions of the AATI IC Technology not using MAGNACHIP Technology along with the integrated process flow of ModularBCD Technology constitute AATI IC Technology and shall remain the property of AATI.

(ii) **Initial AATI IC Technology Implementation**. The initial implementation of AATI IC Technology in said Facility does NOT constitute an Improvement to AATI IC Technology.

(iii) **Initial AATI IC Technology Implementation Milestones**. Both Parties will use commercially reasonable efforts to meet the milestones of the Initial AATI IC Technology Implementation including efforts to meet the objective *Release-to-Design (RTD) Date*, and the *Release-to-Manufacturing (RTM) Date*.

**5. ROYALTIES AND PAYMENT TERMS**.

**5.1 Royalty**.

(a) MAGNACHIP shall pay [*****] royalty for Products its produces for and sells to AATI (or AATI's affiliate as designated in writing by contract from AATI). AATI's wafer price from MAGNACHIP is covered under the AATI MAGNACHIP supply agreement and is not covered by this Agreement.

(b) In the case of Non-Competing Products, MAGNACHIP shall pay AATI [*****] royalty of Net Sales of all wafers produced using or incorporating the AATI Intellectual Property licensed herein (such MAGNACHIP payment to be offset by any payment due from AATI pursuant to Section 5.4 below); provided, however, that the Parties agree that the foregoing royalty rate is based on a presumption of a [*****] withholding tax rate as of the Effective Date, and so the Parties agree to negotiate in good faith an increase or decrease in such royalty rate at any time the withholding tax rate changes after the Effective Date. Customer shall be responsible for its own designs or pay for AATI's design with a release to AATI. Customer and/or MagnaChip shall be responsible for the qualification, orders, shipping logistics and quality.

(c) In the case of Competing Products, MAGNACHIP has no license under this Agreement to sell Competing Products to customers other than AATI (and AATI's affiliates). In the event that AATI has provided said customer with a license to have made, purchase, promote and sell Competing Products, however, MAGNACHIP may, to the extent it is a qualified manufacturer manufacture Competing Products for such licensee, to the extent authorized by AATI. In such instances, MAGNACHIP shall pay AATI [*****] of the difference between the **Net Sales** of a wafer produced using or incorporating the AATI Intellectual Property licensed herein, and the mutually agreed upon "**Projected Wafer Cost**" (such MAGNACHIP payment to be offset by any payment due from AATI pursuant to Section 5.4 below). AATI reserves the right to charge additional consideration directly to such customers (as opposed to MAGNACHIP) for such Competing Products. In such cases, (1) MAGNACHIP makes no representation to AATI with respect to the qualification and product quality; (2) AATI, at its election, may choose to assist such customers with respect to qualification and product quality; and (3) as between AATI and MAGNACHIP. MAGNACHIP shall be responsible for shipping logistics, orders and process quality of wafers.

(d) Both parties shall negotiate a mutually agreeable new cost price. In any case, both parties agree that they will review the pricing structure hereunder on an annual basis to ensure the pricing structure is mutually agreeable, and adjust such accordingly.

**5.2 Payment**. Within 30 days following the end of each calendar quarter, MAGNACHIP and AATI shall pay their respective royalty payments on invoices paid by the third party in U.S. Dollars and shall include a report sufficient to show the basis for calculation of the royalty payments made hereunder, including without limitation, quantity and identification of all Competing and Non-Competing Products

[*****] - Portions of this exhibit are subject to a request for confidential treatment and have been redacted and filed separately with the Securities and Exchange Commission.

("**Report**"). Upon AATI approval, in lieu of payment on a quarterly basis MAGNACHIP may pay such outstanding royalties by issuing a credit against outstanding AATI invoices or toward new wafer starts for Products from MAGNACHIP.

**5.3 Records and Audit**. Each party shall retain records and supporting documentation sufficient to document the fee payable under this Agreement in any particular quarter in which this Agreement is in effect for at least three years following the end of such quarter and its compliance with **Section 5.2**. Upon prior reasonable written notice of no less than sixty (60) days by one party, the other party shall provide to a nationally recognized independent public accounting firm (the "**Auditors**") designated in writing by that party access during normal business hours to the audited party's personnel, outside accountants and data and records maintained in connection with this Agreement, in each case to the extent necessary or appropriate for the purpose of determining whether (i) calculations of the royalties payable under this Agreement are accurate and in accordance with this Agreement and/or (ii) MAGNACHIP has offered most favorable pricing to AATI in accordance with **Section 5.2** (an "**Audit**"). Audits will be conducted no more frequently than once per calendar year. Each party agrees to use commercially reasonable efforts to assist such Auditors in connection with such Audits. Any such Audits shall be conducted at the requesting party's sole cost and expense.

**5.4 Taxes**. Each Party shall bear any and all taxes and other charges incurred by or levied on it by its own country in connection with this Agreement; provided, however, that AATI shall bear fifty percent (50%) of any withholding or similar tax for foreign payments that is levied by the Korean Government upon any amounts due from MAGNACHIP to AATI under this Agreement, and MAGNACHIP is entitled to offset such AATI payment obligation from any amounts actually paid by MAGNACHIP to AATI under this Agreement, including but not limited to amounts due pursuant to Sections 5.1(b) and 5.1(c) above. MAGNACHIP will furnish AATI with each tax receipt issued by the Korean taxing authority to assist AATI in obtaining the credit in the United States.

**6. WARRANTY AND DISCLAIMER**.

**7. TERM AND TERMINATION OF AGREEMENT**.

**7.1 Term**. This Agreement shall have an initial term of three (3) years but shall be automatically renewed thereafter (and after each subsequent renewal term) for a renewal term of one year unless, at least sixty (60) days prior to the date of any such renewal, either Party hereto shall have given notice in writing to the other of its intention to terminate the Agreement. This Agreement shall thereafter be automatically terminated at the end of the term during which such notice is given.

**7.2 Termination for Default**. Should either Party materially default in the performance of any term or condition of this Agreement (a "**Default**"), in addition to all other legal rights and remedies, the other Party may terminate this Agreement by giving thirty (30) days written notice of said Default unless such Default is corrected within the notice period.

An assignment by AATI of all or part of its rights to payment hereunder as part of a working capital financing shall not be deemed cause for termination under this paragraph.

**7.4 Effect of Termination**. Upon termination or expiration of this Agreement for any reason, all licenses shall immediately terminate. Each Party shall return the Confidential Information of the other Party within thirty (30) days after the effective date of such termination or expiration. In addition Sections 1, 3, 5.3, 6, 7, 8, 9, 10, 11 and 12 shall survive any expiration or termination of this Agreement.

**11.8** Each Receiving Party acknowledge that any disclosure or dissemination of any Confidential Information of the Disclosing Party which is not expressly authorized under this Agreement is likely to cause irreparable injury to such Disclosing Party, for which monetary damages is not likely to be an adequate remedy, and therefore such Party shall be entitled to equitable relief, without the posting of bond or security, in addition to any remedies it may have under this Agreement or at law.

**12. GENERAL**.

**12.1 Independent Contractors.** The Parties hereto are independent contractors. Nothing contained herein will constitute either Party the agent of the other Party, or constitute the Parties as partners or joint ventures. Neither Party may assign or delegate this Agreement or any of its licenses, rights or duties under this Agreement, directly or indirectly (in a single transaction or any series of transactions), by operation of law or otherwise, without the prior written consent of the other Party. Notwithstanding, a Party may assign this agreement to an affiliate of such Party and in the case of a re-incorporation, reorganization or a sale or other transfer of substantially all such Party's assets or equity, including, without limitation, either party's right to sell all or spin-off all or substantially all of its assets to which this Agreement relates, whether by sale of assets or stock or by merger or other reorganization that the assignee has agreed in writing to be bound by all the terms and conditions of this Agreement, and further, provided that in no event shall either party (or its permitted successors) assign or transfer (in a single transaction or any series of transactions) this Agreement or any of its licenses, rights or duties hereunder, to a party primarily engaged in the manufacture, marketing or sale of a product that directly competes with the products of the other party without the prior written permission of such other party. Upon any such attempted prohibited assignment or delegation, such assignment shall be deemed null and void, and this Agreement will immediately automatically terminate. Subject to the terms of this **Section 12.3**, this Agreement will inure to the benefit of each Party's successors and assigns**.**

**12.5 Export Regulations**. MAGNACHIP understands and acknowledges that AATI is subject to regulation by agencies of the United States Government, including, but not limited to, the U.S. Department of Commerce, which prohibit export or diversion of certain technology to certain countries. Any obligations of AATI to provide technology are subject in all respects to such United States laws and regulations as from time to time govern the license and delivery of technology and services outside the United States. MAGNACHIP will comply with all applicable laws, and will not export, re-export, transfer, divert or disclose, directly or indirectly, including via remote access, the AATI IC Technology, Products, any confidential information contained or embodied in the AATI IC Technology or Products, or any direct product thereof, except as authorized under the Export Administration Regulations or other United States laws and regulations governing exports in effect from time to time**.**

**12.6 Payment**. Payment must be in U.S. Dollars. All references to "dollars" or "$" in this Agreement mean United States dollars**.**

**12.7 Legal Compliance**. MAGNACHIP will comply with all applicable laws in connection with its performance under this Agreement.

**12.8 Force Majeure**. Neither Party shall be responsible for delays or failures in performance not within its reasonable control resulting from acts of God, strikes or other labor disputes, riots, acts of war, acts of terrorism, plagues and epidemics, governmental regulations superimposed after the facts, communication line failures, power failures, fire or other disasters beyond its control. If it appears that MAGNACHIP's performance hereunder will be delayed for more than ninety (90) days, AATI shall have the right to terminate this Agreement, or to cancel without cancellation charges those Purchase Orders or portions thereof which are affected by the delay.

**12.9 Language**. This Agreement is in the English language only, which language will be controlling in all respects, and all versions hereof in any other language will not be binding on the Parties hereto. All communications and notices to be made or given pursuant to this Agreement must be in the English language. The Parties hereto confirm that it is their wish that this Agreement, as well as other documents relating hereto, including notices, have been and will be written in the English language only**.**

**12.10 Governing Law**. **The rights and obligations of the Parties under this Agreement will not be governed by the 1980 U.N. Convention on Contracts for the International Sale of Goods;**

(a) To initiate arbitration, a Party will file the appropriate notice at the AAA. The arbitration proceeding will take place in San Francisco, CA or such other place as the Parties may agree in writing. The arbitration panel will be selected in accordance with the AAA standards. The Parties expressly agree that the arbitrators will be empowered to, at a Party's request, (i) issue an interim order requiring one or more other Parties to cease using and return the requesting Party's Confidential Information and/or (ii) grant injunctive relief.

(b) The arbitration award will be the exclusive remedy of the Parties for all claims, counterclaims, issues or accounting presented or pled to the arbitrators. The award will be granted and paid in U.S. Dollars exclusive of any tax, deduction or offset and will include reasonable attorneys fees and costs. Judgment on the arbitration award may be entered in any court that has jurisdiction thereof. Any additional costs, fees or expenses incurred in enforcing the arbitration award will be charged against the Party that resists its enforcement.

(c) Nothing in this **Section 12.11** will prevent a Party from seeking injunctive relief against another Party from any judicial or administrative authority pending the resolution of a dispute by arbitration. MAGNACHIP acknowledges that a violation of proprietary rights of AATI would result in irreparable injury entitling MAGNACHIP to injunctive relief.

**12.12 Modification and Waiver**. No amendment, waiver or any other change in any term or condition of this Agreement will be valid or binding unless mutually agreed to in writing by both Parties. The failure of a Party to enforce any provision of this Agreement, or to require performance by the other Party, will not be construed to be a waiver, or in any way affect the right of either Party to enforce such provision thereafter**.**

**12.13 Severability**. If a court or other body of competent jurisdiction finds, or the Parties mutually believe, any provision of this Agreement, or portion thereof, to be invalid or unenforceable, such provision will be enforced to the maximum extent permissible so as to effect the intent of the Parties, and the remainder of this Agreement will continue in full force and effect. The Parties shall negotiate in good faith an enforceable substitute provision that most nearly achieves the intent and economic effect of such invalid or unenforceable provision**.**

For the purposes of clarity (and notwithstanding the above definition of **AATI Discrete Technology)**, **AATI Discrete Technology** does not include integrated circuit technology (including IC processes incorporating CMOS, BiCMOS, CBiC, and BCD device arsenals), IC processes used to produce power management integrated circuits (such as AATI's proprietary ModularBCD Technology), circuit designs, packaging technology, the multi-chip combination of TrenchDMOS or discrete transistors with integrated circuits, the multi-chip combination of TrenchDMOS or discrete devices with Schottky diodes, and other related designs, technologies and information.

**1.7** "**Basic Semiconductor Technology**" means designs, technology and other information used to design, manufacture and test semiconductors, including etching, depositions, diffusion, cleaning, photolithography, and other semiconductor processes or sequences (such as LOCOS). **Basic Semiconductor Technology** ***does not include*** process architecture or the process integration (and resulting process flow) of an integrated process such as TrenchDMOS Technology. It also does not include "specialized" unit process steps such as directionally deposited oxides, chained and non-Gaussian implants, etc.

**1.8** "**Competing Products**" means products that compete with the AATI Products after the date of this Agreement. If any portion of a Product includes or integrates the functions of a Competing Product, then such product is a "**Competing Product**."

**1.14** "**MAGNACHIP Improvements**" shall have the meaning attributed thereto in Section 3.3.

**1.15** "**MAGNACHIP Intellectual Property**" means those Intellectual Property Rights that MAGNACHIP owns or has a right to license consistent with the scope of the license hereunder.

**1.16** "**MAGNACHIP Technology**" means the Basic Semiconductor Technology, and technology *not related* to analog and power semiconductor manufacture such as memory IC and digital IC processes, provided by MAGNACHIP to AATI.

**1.17** "**Intellectual Property Rights**" means any intellectual property right existing now or during the term of this Agreement recognized throughout the world, including without limitation copyright, maskwork rights, patent rights, trade secrets and know-how. For the purposes of this Agreement, "**Intellectual Property Rights**" excludes trademarks, service marks and domain names.

**1.18** "**Improvements**" means all copyrightable material, notes, records, drawings, designs, inventions, patents, improvements, developments, discoveries and trade secrets first conceived, made or discovered by a Party during the period of this Agreement which relate in any manner to, or are derived from, the AATI Discrete Technology, the MAGNACHIP Technology or Confidential Information licensed or provided hereunder, including any enhancements, modifications or derivations thereto.

**1.19** "**Joint Improvements**" shall have the meaning attributed thereto in Section 3.3.

**1.20** "**Low-Voltage TrenchDMOS Products**" means those TrenchDMOS products that have low- voltage characteristics. For the purpose of this Agreement, "**Low-Voltage"** shall be defined as semiconductor components rated at *35 volts or less,* i.e. devices who drain-to-source breakdown specification not exceeding 35V. "**TrenchDMOS Products**" include the following semiconductor components: (1) Discrete power MOSFETs produced using TrenchDMOS Technology or portions of TrenchDMOS Technology (2) Multichip packages containing at least one discrete power MOSFET produced using TrenchDMOS Technology or portions of TrenchDMOS Technology (3) Monolithically integrated power MOSFETs produced using TrenchDMOS Technology or portions of TrenchDMOS Technology (including dual common-drain devices). "**TrenchDMOS Products**" collectively comprise N-channel or P-channel devices of differing drain and gate voltage ratings (i.e. Process Types). Some **TrenchDMOS Products** may also include gate-to-source ESD protection diodes.

**1.21** "Starting Material" means un-patterned epitaxial silicon wafers comprising either N-epi on an N++ Substrate or P-epi on a P++ Substrate, as applicable. Epitaxial doping and thickness vary with Process Type.

**1.22** "**TrenchDMOS Technology**" means that technology related to the fabrication of semiconductor electronic components comprising or containing at least one trench-gated MOSFET device having *vertical* current flow (i.e., where current flows between a topside source contact and a backside drain contact in a manner which is substantially perpendicular to the wafer's surface in the drain and/or channel regions of the device) and incorporating any of several unique features, processes, or characteristics (as described in **Exhibit C** ) including;

(a) A "*chained implant DMOS body*" (or CIDB) using sequential multiple and high energy (including MeV) ion implantations to form an active MOS channel;

(b) A trench gate with "*thick bottom oxide"* (TBOX) formed by *directional deposition* of dielectric material;

(c) A "*dual polysilicon trench gate"* process comprising an embedded trench gate contacted by a second polysilicon (also used to form optional PN polysilicon diodes);

(d) A "*hardmask self-aligned trench gate*" photolithographically defined by a dielectric hardmask layer *not removed* prior to the trench-etch and trench-fill processing steps;

(e) A "*super-self aligned*" (or SSA) trench gate photolithographically defined by a dielectric hardmask layer subsequently removed by chemical and/or CMP methods to facilitate contact across the entire silicon mesa (i.e. trench-to-trench);

(f) A high-speed embedded "*polycide*" trench gate comprising a *polysilicon-sealed silicide* trench gate structure (i.e. where the silicide does not touch the gate oxide);

(g) A "*planarized gate bus*" comprising the integration of narrow (trench-gates) and wide (trench-gate-bus) regions, sharing a common embedded polysilicon, planarized by CMP or etchback

(h) A rugged trench-gated DMOS combining thick bottom oxide (TBOX) with an embedded PN drain clamping diode (or "*TBOX clamping diode*"), said clamping diode being shallower than trenches but deeper than the polysilicon gates;

(i) A "*planarized silicided trench contact*" for a trench gated DMOS with improved ruggedness (avalanche capability);

(j) A "*salicide trench gate DMOS*", comprising self aligned silicided (i.e. salicide) polysilicon and mesa regions;

**TrenchDMOS Technology** can also be characterized by its low thermal budget fabrication (no long or high temperature diffusions), its high-density-capable device construction (287 Mcells/in$^2$ and up), a highly-reproducible short channel capable of low thresholds without punchthrough, and the unique benefits of its thick bottom oxide including lower gate charge (per trench width), reduced field-plate-induced breakdown, and improved reliability (since impact ionization and avalanche occur near the thick bottom oxide, not in the vicinity of thin gate oxide). **TrenchDMOS Technology** includes but is not limited to the processes, methods, devices, mask designs, and apparatus described in United States and foreign Patents and Patent applications listed in **Exhibit B** along with any improvements, derivatives, continuation patents, foreign filings, continuation in part (CIP) applications, and all work by AATI or its employees related to **TrenchDMOS Technology** preceding said applications (dating back to September 1998) continuing through the term of this Agreement. **TrenchDMOS Technology** features includes but is not limited to the features, device structures, apparatus and fabrication methods listed in **Exhibit C**. **TrenchDMOS Technology** collectively comprises processes and methods to manufacture N-channel and P-channel TrenchDMOS Products, for any and all drain-to-source and gate-to-source device voltage ratings (referred to herein as "Process Types").

**1.23** "**Net Sales**" means the gross selling die or wafer price (depending on how such is sold) invoiced by MAGNACHIP, its affiliates and authorized manufacturers on sales or other dispositions of

MAGNACHIP Licensed Products, less the following items to the extent they are included in such gross revenues and separately stated on the invoice: (i) normal and customary rebates, refunds and discounts actually given by seller, (ii) insurance, transportation and other delivery charges actually paid by seller, (iii) sales, excise, value-added and other taxes, and (iv) testing and packaging costs (v) backmetal and backgrind performed as a service to MAGNACHIP by any 3rd party vendor. Sales between MAGNACHIP, its affiliates and authorized manufacturers shall not be included in Net Sales (but sales or dispositions by MAGNACHIP, its affiliates and authorized manufacturers to third parties shall count as Net Sales). If any MAGNACHIP Licensed Products are sold or transferred in whole or in part for consideration other than cash, Net Sales shall include the fair market value of such MAGNACHIP Licensed Product. For purposes of this definition of **Net Sales**, "authorized manufacturer" means any entity (other than a MAGNACHIP affiliate) that manufacturers (including any assembly and packaging of MAGNACHIP Licensed Products) and sells MAGNACHIP Licensed Products under authority, directly or indirectly, from MAGNACHIP.

**1.24** "**Non-Competing Products**" means (i) Products comprising or containing vertical power MOSFETs that operate above 35V (i.e. have a drain to source breakdown voltage specification in excess of 35V), or (ii) Products that do not comprise or contain vertical power MOSFETs (including conventional planar lateral MOSFETs). For clarity, vertical MOS-bipolar merged devices such as the MOS gated thyristor, emitter switch thyristors, or IGBTs (insulated gate bipolar transistors) whether conventional or trench-gated are **Non-Competing Products**. Specific examples of Non—Competing Products are listed in **Exhibit D**.

**1.25** "**Other Technology**" means all designs, technology and information other than AATI Discrete Technology and beyond the scope of this Agreement. Other Technology includes, without limitation, ModularBCD Technology as defined in the License Agreement (ModularBCD) between AATI and MAGNACHIP of even date with this Agreement.

**1.26** "**Party**" means each of AATI and MAGNACHIP (and collectively "**Parties**" means both MAGNACHIP and AATI). The term Party (whether referred to as a "Party" or "Parties" or "AATI" or "MAGNACHIP") does not include any affiliates of such Party except for wholly owned subsidiaries, unless expressly agreed upon in writing by both Parties. In addition, the terms Party, AATI, MAGNACHIP and Parties shall not include any assignees or successors in interest except as provided for under **Section 12.3**.

**1.27** "**Process Type**" means the process variations of TrenchDMOS Technology in conductivity type, epitaxial doping, and gate oxide thickness that sets the device voltage ratings for drain minimum avalanche breakdown (i.e. $BV_{DSS}$) and for maximum gate voltage (i.e., its $V_{GS}$(max) specification). **Process Types** are coded by their ratings using the nomenclature Polarity-$BV_{DSS}$ -$V_{GS}$(max). A TrenchDMOS Process Type P3020, for example, refers to a P-channel device with a 30V drain rating and a 20V maximum gate voltage rating. Other **Process Types** in TrenchDMOS Technology include; P2012, P1208, N3020, N3012, and N2012.

**1.28** "**Products**" means semiconductor devices; integrated circuits, discrete transistors; or semiconductor components; whether in wafer form or separated into individual dice (chips), whether assembled into packages, modules, chip-scale packages, bumped, or otherwise unassembled, whether tested or untested. Products include both Competing Products and Non-Competing Products.

**1.29** "**AATI Wafer Price**" means the current price of an eight-inch wafer which AATI pays to MAGNACHIP, including the EPI substrate, but not including back metal, back grind or project costs.

The said wafer price shall be agreed upon by both Parties and both Parties agree to revisit the wafer price on an annual basis in the future.

**1.30 Customer** means any third party purchaser of products under this Agreement who is not an affiliate, parent company or subsidiary of MAGNACHIP or AATI.

**1.31** "**Release-to-Manufacturing (RTM) Date**" means the date when the first TrenchDMOS Product using TrenchDMOS Technology is successfully qualified for a particular TrenchDMOS Process Type, i.e. for a given drain and gate voltage specification. The **RTM Date** requires the successful fabrication and burn-in qualification of three (3) wafer runs of said Product for that Product Type. Thereafter both Product and TrenchDMOS Technology are qualified and manufacturing production *for that particular* Process Type can commence. Each specific Process Type (e.g. N2012, P3020) will require separate qualification to constitute a Release-to-Manufacturing (RTM) for that Process Type.

**1.32** "**Third Party**" means any company, corporation, partnership, person or commercial entity other than a Party.

**2. LICENSE**

**2.1 License by AATI**.

(a) Subject to the terms and conditions set forth in this Agreement, AATI hereby grants and agrees to grant to MAGNACHIP, and MAGNACHIP accepts, the following license:

(i) a non-exclusive and non-transferable (except pursuant to **Section 12.3**), license under the AATI Intellectual Property to:

(1) make at the Facility (but not have made elsewhere), design, develop, offer to sell, sell, use, import, and otherwise dispose of the MAGNACHIP Licensed Products;

(2) practice, at the Facility, any *process or method* involved in the manufacture or use of MAGNACHIP Licensed Products; and

(3) to make, use and have made any *manufacturing apparatus* involved in the manufacture or use of MAGNACHIP Licensed Products.

(iii) a non-exclusive and non-transferable (except pursuant to **Section 12.3**), license on a world-wide basis under the AATI Intellectual Property to use, reproduce modify and make derivative works of the copyrightable materials of the AATI Discrete Technology solely for use in connection with the exercise of the license granted in **Section 2.1(a)(i)** and **(ii)**.

(b) MAGNACHIP Licensed Products shall be royalty-bearing in accordance with **Section 5**.

(c) MAGNACHIP shall have no license under the AATI Intellectual Property to supply AATI Products or Competing Products to any party other than AATI without AATI's prior written approval except as provided for in **Section 2.3**. Further, for clarity and notwithstanding anything to the contrary set forth in this Agreement, to the extent (i) a MAGNACHIP License Product includes or relies upon both AATI Discrete Technology and Other Technology, or (ii) the practice of any rights granted under this **Section 2.1** infringes or misappropriates any AATI Intellectual Property due to such Other Technology, then (iii) the use of the Other Technology shall not be considered licensed under this Agreement, but shall instead require a separate license from AATI (which AATI may grant or withhold in its sole discretion). The parties acknowledge that AATI and MAGNACHIP have executed a separate License Agreement (ModularBCD) concurrently with this Agreement.

**12.5 Export Regulations**. MAGNACHIP understands and acknowledges that AATI is subject to regulation by agencies of the United States Government, including, but not limited to, the U.S. Department of Commerce, which prohibit export or diversion of certain technology to certain countries. Any obligations of AATI to provide technology are subject in all respects to such United States laws and regulations as from time to time govern the license and delivery of technology and services outside the United States. MAGNACHIP will comply with all applicable laws, and will not export, re-export, transfer, divert or disclose, directly or indirectly, including via remote access, the AATI Discrete Technology, Products, or any confidential information contained or embodied in the AATI Discrete Technology or Products, or any direct product thereof, except as authorized under the Export Administration Regulations or other United States laws and regulations governing exports in effect from time to time**.**

**12.6 Payment**. Payment must be in U.S. Dollars. All references to "dollars" or "$" in this Agreement mean United States dollars.

**12.7 Legal Compliance**. MAGNACHIP will comply with all applicable laws in connection with its performance under this Agreement.

**12.8 Force Majeure**. Neither Party shall be responsible for delays or failures in performance not within its reasonable control resulting from acts of God, strikes or other labor disputes, riots, acts of war, acts of terrorism, plagues and epidemics, governmental regulations superimposed after the facts, communication line failures, power failures, fire or other disasters beyond its control. If it appears that MAGNACHIP's performance hereunder will be delayed for more than ninety (90) days, AATI shall have the right to terminate this Agreement, or to cancel without cancellation charges those Purchase Orders or portions thereof which are affected by the delay.

**12.9 Language**. This Agreement is in the English language only, which language will be controlling in all respects, and all versions hereof in any other language will not be binding on the Parties hereto. All communications and notices to be made or given pursuant to this Agreement must be in the English language. The Parties hereto confirm that it is their wish that this Agreement, as well as other documents relating hereto, including notices, have been and will be written in the English language only.

**12.10 Governing Law**. **The rights and obligations of the Parties under this Agreement will not be governed by the 1980 U.N. Convention on Contracts for the International Sale of Goods;** rather such rights and obligations will be governed by and construed under the laws of the State of California, without reference to its conflict of laws principles.

**12.11 Arbitration**. Any controversy or claim arising out of or relating to this Agreement, or the existence, validity, breach or termination of this Agreement, whether during or after its term, will be finally settled by arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association (*"AAA"*), as modified or supplemented as follows:

(a) To initiate arbitration, a Party will file the appropriate notice at the AAA. The arbitration proceeding will take place in San Francisco, CA or such other place as the Parties may agree in writing. The arbitration panel will be selected in accordance with the AAA standards. The Parties expressly agree that the arbitrators will be empowered to, at a Party's request, (i) issue an interim order requiring one or more other Parties to cease using and return the requesting Party's Confidential Information and/or (ii) grant injunctive relief.

(b) The arbitration award will be the exclusive remedy of the Parties for all claims, counterclaims, issues or accounting presented or pled to the arbitrators. The award will be granted and paid in U.S. Dollars exclusive of any tax, deduction or offset and will include reasonable attorneys fees and costs. Judgment on the arbitration award may be entered in any court that has jurisdiction thereof. Any additional costs, fees or expenses incurred in enforcing the arbitration award will be charged against the Party that resists its enforcement.

(c) Nothing in this **Section 12.11** will prevent a Party from seeking injunctive relief against another Party from any judicial or administrative authority pending the resolution of a dispute by arbitration. MAGNACHIP acknowledges that a violation of proprietary rights of AATI would result in irreparable injury entitling MAGNACHIP to injunctive relief.

**12.12 Modification and Waiver**. No amendment, waiver or any other change in any term or condition of this Agreement will be valid or binding unless mutually agreed to in writing by both Parties. The failure of a Party to enforce any provision of this Agreement, or to require performance by the other Party, will not be construed to be a waiver, or in any way affect the right of either Party to enforce such provision thereafter.

**12.13 Severability**. If a court or other body of competent jurisdiction finds, or the Parties mutually believe, any provision of this Agreement, or portion thereof, to be invalid or unenforceable, such provision will be enforced to the maximum extent permissible so as to effect the intent of the Parties, and the remainder of this Agreement will continue in full force and effect. The Parties shall negotiate in good faith an enforceable substitute provision that most nearly achieves the intent and economic effect of such invalid or unenforceable provision.

***12.14*** Favored Pricing Terms. The price charged AATI and its customers for any MAGNACHIP Licensed Products shall always be MAGNACHIP's lowest price charged any customer for such MAGNACHIP Licensed Product (or other products which are most *similar or substantially equivalent* to the manufacturing, function, and electrical specification of said MAGNACHIP Licensed Products) regardless of any special terms, conditions, rebates, or allowances of any nature. If MAGNACHIP provides MAGNACHIP Licensed Products or other technologies that are related to the AATI Discrete Technology or AATI Intellectual Property to any customer at a price less than provided for herein, MAGNACHIP shall adjust its price charged to AATI to the lower price for any un-invoiced product and for all outstanding and future invoices for such product. AATI shall have the right to audit MAGNACHIP's compliance with this provision by conducting an Audit in accordance with **Section 5.3** of this Agreement.

**12.15 Entire Agreement**. The terms and conditions of this Agreement, including all exhibits hereto, constitute the entire agreement between the Parties and supersede all previous agreements and understandings, whether oral or written, between the Parties hereto with respect to the subject matter hereof.

**12.16 Authority**

NOW, THEREFORE, in consideration of the mutual covenants and promises herein contained, the Parties hereto agree to the following:

## ARTICLE 1. DEFINITIONS

As used in this Agreement, the following terms shall have the following meanings unless the context otherwise requires (terms defined in the singular have the same meaning when used in the plural and vice versa):

1.1 "Affiliate" shall mean any entity that is more than 50% owned and controlled directly or indirectly by Hynix or Celis, now or hereafter. Indirect control is defined by the following example:

If either Party of this Agreement owns and controls more than 50% of Company A and Company A owns and controls more than 50% of

Company B, then Company B shall be considered to be an Affiliate for the purposes of this Agreement.

All rights granted to any Affiliate under this Agreement shall terminate immediately when such entity no longer satisfies this definition.

1.2 "Alcoa CSI" shall mean Alcoa Closure Systems International, Inc., a Delaware corporation having offices at 6625 Network Way, Suite 200, Indianapolis, Indiana 46278.

1.3 "Analog Front End" shall mean the analog circuitry and other circuitry that receives a radio frequency signal for use in Radio Frequency Integrated Circuits and which is comprised of any or all of the following circuits: voltage rectifier, voltage regulator, voltage reference, power-on-reset, clock extraction, data modulator, and data demodulator, as more specifically described in **Attachment A**.

1.4 "Celis Design Information" shall mean any and all know-how, trade secrets, processes, data, designs, layout designs, or other information, written or not, which is owned and controlled by Celis, or which Celis has the right to disclose and grant licenses or sublicenses to others without any obligation, that was developed before the execution of this Agreement or is developed during the term of the Design Program, and that may reasonably be necessary for the design, engineering development and manufacture of the Radio Frequency Integrated Circuits. Specific items of Celis Design Information are listed in **Attachment B** as of the Effective Date, which may be updated depending upon the design work hereunder**,** except for any information, which under the terms of any contract or agreement to which Celis is a party is restricted from being disclosed**.**

1.5 "Celis Patents And Mask Work Rights" shall mean all mask work rights, unexpired patents and patent applications, continuations, continuations in part, and divisions thereof, regarding integrated circuit design and/or technology, issued or issuing on any applications entitled to a first effective filing date prior to the completion of the Design Program, owned by Celis and in which Celis has the right to grant licenses or sublicenses without additional consideration to any Third Party, which may be reasonably necessary for the design, engineering development and manufacture of the RFID Circuit. Specific items of Celis Patents And Mask Work Rights are initially listed in **Attachment C** as of the Effective Date, which may be updated depending upon the design work hereunder.

1.6 "Design Program" shall mean the work efforts of Celis and Hynix to develop the RFID Circuit by means of the design program described in **Attachment D**.

1.7 "Digital Circuitry" shall mean the digital circuit block in the RFID Circuit that contains only digital circuits and controls the RFID Circuit and performs digital functions consistent with the Specification.

1.8 "Effective Date" shall mean the date of execution of this Agreement by both Parties, subject to the approval by the government of the Republic of Korea and/or the government of United States of America.

1.9 "Exclusive Field" means (a) injection and compression molded plastic closures, (b) consumer grade aluminum foil of the type marketed under the Reynolds Wrap aluminum foil brand, (c) consumer grade polymer film for home packaging of the type marketed under the Reynolds plastic wrap brand, and (d) thin wall transparent polymeric containers of the type used for food packaging of less than a gallon capacity.

1.10 "Memory Circuitry" shall mean the memory circuit block in the RFID Circuit, including the memory cell array and peripheral circuitry to operate the memory, as is commonly understood within the RFID industry.

1.11 "Net Sales Price" means the quarterly arithmetic average Hynix sales price for Radio Frequency Integrated Circuits shipped in such quarter by or for Hynix and its Affiliates in arm's length transactions with independent customers. In the case of sales of wafers for assembly of Radio Frequency Integrated Circuits into RFID Tags or modules, the Net Sales Price of wafers shall mean the quarterly average Hynix sales price of each good die, as if each good die were a finished Radio Frequency Integrated Circuit, times the average number of good dice per wafer. The net sales price for sales by Hynix to Hynix Affiliates or other divisions of Hynix shall be calculated as if such sales were to independent customers in arm's length transactions based on the number of dice shipped to such Hynix Affiliates or other divisions of Hynix. The Net Sales Price shall be reduced by deduction of transportation charges, insurance and taxes paid by Hynix and/or its Affiliates related to the sale of such Radio Frequency Integrated Circuits and/or wafers containing such Radio Frequency Integrated Circuits.

1.12 "Radio Frequency Integrated Circuit" shall mean an integrated circuit that contains Celis Design Information and/or Celis Patents and Mask Work Rights, and shall include integrated circuits that have a mode of operation that does not require a battery or power supply for their operation (all power comes from the radio frequency signal from the antenna), although such integrated circuits may have more than one mode of operation.

1.13 "RFID Circuit" shall mean the specific Radio Frequency Integrated Circuit to be developed by Hynix and Celis under this Agreement.

1.14 "Specifications" shall mean the data and communication protocols mutually agreed upon by Celis and Hynix for the RFID Circuit, in accordance with **Attachment E**.

7.4 Joint Inventions. All joint inventions ("Joint Inventions"), if any, between Hynix and Celis shall be owned effectively by Hynix and Celis, each Party having an equal and undivided interest therein, to use Joint Inventions without the consent of the other Party; provided, however, that only after a period of five (5) years after execution hereof the Parties shall be free to license or disclose Joint Inventions to a Third Party without the consent of the other Party. The Parties shall decide whether, how and where to file patent applications and pursue patents on each Joint Invention before filing. If one Party to the Joint Invention desires to file in a country and the other Party is not interested in such filing, then the Party desiring the filing shall be assigned any patent issuing in such country. Each Party shall be entitled to use such Joint Inventions and patents resulting therefrom and to grant licenses to Third Parties without any payment to the other Party.

7.5 Foreign Patents and Filings. Celis represents and Hynix acknowledges that the agreement between Celis and Alcoa CSI may place certain legal restrictions on Celis inventions and patents if Alcoa CSI pays for the patents. Should Celis decide not to file patents on inventions related to this Agreement, or not to file foreign patents on such inventions, including, but not limited to PCT filings, then Hynix may request of Celis for Hynix to file such patents at the expense of Hynix in the name of Celis for such patents to be included in Celis Patents and Mask Work Rights for which Hynix has license rights. Celis shall notify Hynix in timely matter if such a situation might arise.

**ARTICLE 8. TECHNICAL COOPERATION**

Hynix shall bear salary, benefits, travel, lodging and meal expenses of such Hynix engineers. Celis will provide, at no cost to Hynix, office space, office furniture, office supplies and access to design and test facilities for such delegated employees of Hynix, during the term of the Design Program. Celis will provide such Hynix engineers with workstations and available design/layout software, to the extent that Celis has sufficient hardware and software available to support the functions of the Hynix engineers. To the extent that additional short-term software leases may be required at the sole discretion of Hynix, Hynix agrees to pay for such short-term leases, as to be mutually agreed between the Parties acting in good faith.

**ARTICLE 9. WARRANTY**

9.1 Design Warranty. Celis and Hynix warrant to each other that the RFID Circuit design shall be free from any error or defect in workmanship or materials for a period of one (1) year from the Design Program completion date. In case of any error or defect in the RFID Circuit design, the Party responsible for such portion of the design shall, at its own expense, make all corrections, modifications or improvements to such defective RFID Circuit design within one hundred twenty (120) days from notification by the other Party of such error or defect. Should such Party fail to cure such error or defect within one hundred twenty (120) day limit of receiving notice from the other Party of such error or defect, the other Party may give notice to terminate this Agreement.

**ARTICLE 10. REPRESENTATIONS**

Hynix shall not be responsible to Celis or its Affiliates for any damage, spoilage or

personal injury resulting from the use of Hynix design contributions to the design of the RFID Circuit.

10.3 Third Party Suits. In the event that any action or claim is brought by any Third Party against a Party or its Affiliates alleging that manufacture, use or sale of Radio Frequency Integrated Circuits, including the RFID Circuit, infringes upon any intellectual property rights owned by such Third Party, the Party or its Affiliates being sued may, at its option, take necessary steps to defend or meet such suit at its own expense. At the request of the Party or its Affiliate being sued, the other Party shall cooperate fully with it in providing information concerned and necessary documents. If the manufacture, use or sale by a Party or its Affiliates of Radio Frequency Integrated Circuits, including the RFID Circuit, is subject to any preliminary injunction of any competent court, the other Party shall consult with the Party subject to such injunction, and the Parties, acting in good faith, shall decide to (i) procure for the Party or the Party's Affiliate being sued the right to duly use them, or (ii) suitably modify them so that they would not be infringing. In the case of (i) and (ii), each Party shall bear its own expenses. This Agreement, however, may be assigned without the consent of the other Party in the event of a merger or the sale of substantially all of the assets of the business unit performing this Agreement, provided that the assignee agrees expressly to assume all of the assignor's obligations under this Agreement, and the assignor provides prior written notification to the other Party. A transfer to an Affiliate shall not be deemed a Third Party and shall not require such consent, although prompt written notification of the transfer shall be required, and the Affiliate shall be subject to the same terms of this Agreement. Licenses to an Affiliate under this Agreement shall remain in effect only so long as such entity remains an Affiliate.

If such meeting does not succeed in an agreed upon resolution, the Parties agree to then employ a mediator(s) to help determine a fair, equitable, and reasonable resolution. The costs of such outside mediator(s) shall be equally borne by both Parties. If such mediation should not succeed, such dispute or claim maybe resolved by arbitration, using competent, knowledgeable

professionals in the field of microelectronic circuits, and the law of technology transfers fluent in the English language. 3.2 LICENSEE shall simulate the AVS on each Synthesized Netlist (defined in Clause 3.1).

3.3 LICENSEE shall deliver to ARM a copy of the log results generated by running the AVS on each respective Synthesized Netlist (the **"Synthesized Log Results"** for each Synthesized Netlist). Prior to delivery of such Synthesized Log Results LICENSEE shall give ARM as much advance

warning as practicably possible of LICENSEE's proposed delivery of such Synthesized Log Results.

3.4 Each Synthesized Netlist shall be verified for a particular process upon ARM's acceptance of the Synthesized Log Results delivered by LICENSEE.

3.5 The Synthesized Log Results shall be accepted when they indicate that no errors have been detected or where any errors detected have been jointly agreed, in good faith, and a waiver agreed between the parties.

3.6 ARM shall notify LICENSEE, in writing, within fifteen (15) days of delivery by LICENSEE of the Synthesized Log Results (**"Synthesis Verification Period"**), whether the Synthesized Log Results have been accepted by ARM or have failed the in verification process. In the event that ARM fails to confirm the result of the verification process within the Synthesis Verification Period, the Synthesized Log Results shall be deemed accepted by ARM. In the event that the Synthesized Log Results fail the verification process, ARM shall provide details of the errors which cause the failure to LICENSEE and LICENSEE shall endeavour to correct the errors. The parties shall repeat the above process until either; **(i)** the Synthesized Log Results are accepted; or **(ii)** LICENSEE withdraws the Synthesized Log Results from the verification process.

**4. Trademark License**

LICENSEE shall immediately rectify any documentation, packaging, and promotional or advertising materials so as to comply with the Guidelines and cease using any non-compliant materials.

4.4 LICENSEE agrees to assist ARM in maintaining the validity of the Trademarks by retaining a record of its use of the Trademarks. Such records shall include samples of all uses of the Trademarks for each ARM Secure Core Based Product as well as information regarding the first use of each of the Trademarks in each country. Upon request from ARM, LICENSEE shall make available all such records to ARM.

4.5 Upon ARM's request, LICENSEE shall provide, free of charge, samples of the use of the Trademarks for the purpose of trademark registration. LICENSEE shall support ARM in the application and maintenance of any registration for the Trademarks in the name of ARM. In the event that LICENSEE fails to timely execute any such documents, LICENSEE hereby irrevocably appoints ARM as its attorney with respect to such matters. Any and all registrations for the Trademarks shall be procured by and for ARM, at ARM's expense.

4.6 Except as provided by the terms of this Agreement, LICENSEE shall not use or register any trademark, service mark, device or logo or any word or mark confusingly similar to any of the Trademarks, in any jurisdiction.

to infringement, infringes any Right of a third party, provided that ARM gives LICENSEE timely notice in writing of the institution of such suit and permits LICENSEE through LICENSEE's lawyers of choice to defend the same and ARM provides, at ARM's expense, all available information, assistance and authority to so defend. LICENSEE shall have control of the defence of any such suit, including appeals, and of all negotiations for settlement, including the right to effect the settlement or compromise thereof. For the avoidance of doubt, LGS do not need to pay any additional Core Maintenance Fee or Software Maintenance Fee set out in Schedule 12 of the 1996 Agreement for such services.

2.5 LGS acknowledges that adherence to the Delivery Schedule by ARM is dependent upon the receipt by ARM of certain deliverables from Microsoft. ARM shall not be liable for any departure from the Delivery Schedule which results directly or indirectly from any failure by Microsoft to deliver such deliverables to ARM in a timely manner provided that ARM has used reasonable efforts to secure timely delivery from Microsoft.

**3. ARM7201TDSP Device Development**

3.1 Subject to the provisions of Clauses 6.2 and 2.5, ARM shall use reasonable efforts to develop and deliver the ARM7201TDSP Transfer Materials to LGS in accordance with the Delivery Schedule.

3.2 Where LGS provides a requirements specification to ARM for the ARM Deliverables, ARM shall review the requirements specification in good faith and if the requirements specification is acceptable to ARM, then ARM shall approve it in writing prior to commencement of work under this Agreement. If the requirements specification is not acceptable to ARM then ARM shall recommend the changes to the requirements

specification that would make it acceptable to ARM. If, after ARM has approved the requirements specification, LGS requires that the requirements specification be revised for any reason, LGS shall be liable for the cost of any work required to comply with such revisions. ARM shall review any such requirement in good faith and shall deliver a reasonable quote for the performance of the additional work, to LGS, based on ARM's then standard scale of consulting charges.

Where ARM provides a device specification to LGS, LGS shall review the device specification and shall report, to ARM, in writing, within three(3) weeks of receipt of the device specification whether or not it is approved (such approval not to be unreasonably withheld) and if not approved the reasons for withholding approval. If the device specification is not approved by LGS because it fails to comply with LGS requirements specification as approved in Clause 3.2 then, ARM shall revise the device specification accordingly and resubmit it to LGS. This process shall be repeated until the device specification is approved by LGS. If, after LGS has approved the device specification, LGS requires that the device specification be revised for any reason, LGS shall be liable for the cost of any work required to comply with such revisions. ARM shall review any such requirement in good faith and shall deliver a reasonable quote for the performance of the additional work, to LGS, based on ARM's then standard scale of consulting charges.

LGS shall complete the checking of the behavioural model within thirty (30) days of its receipt from ARM, and upon completion of the checking shall promptly report, to ARM, in writing whether or not the behavioural model complies with the device specification. If LGS demonstrates that the behavioural model fails to comply with the device specification, ARM shall be responsible for Identifying the cause of such failure and shall use reasonable efforts to correct the problem and expedite the delivery to LGS of a corrected behavioural model. The parties shall repeat the above process until the behavioural model is approved by LGS. If, after LGS has approved the behavioural model, LGS requires that the behavioural model be revised for any reason, LGS shall be liable for the cost of any work required to comply with such revisions. ARM shall review any such requirement in good faith and shall deliver a reasonable quote for the performance of the additional work, to LGS, based on ARM's standard scale of consulting charges.

Where ARM is delivering layout to LGS, ARM shall;

(i) perform an LVS check in respect of such layout. The LVS check shall be deemed complete when either; (i) the LVS check indicates an exact match between the layout and the schematic netlist; or (ii) where all discrepancies between the layout and the schematic netlist have been reviewed by the parties with the foundry in good faith and a waiver agreed between ARM, LGS and the foundry;

(ii) perform layout simulation and provide test vectors for layout verification; and

(iii) perform a design rule check in respect of such layout by reference to the DRC file provided by LGS (where, for the purposes of this Clause 3.5(iii), LGS shall mean LGS or LGS chosen foundry, as appropriate) to ARM. The layout delivered to LGS by ARM shall be deemed to comply with the LGS design rules if the layout passes the DRC provided by LGS. The layout shall be deemed to pass the DRC when either, (i) The DRC log generated by

running the DRC on the layout reports no breach or breaches of the LGS design rules; or (ii) where all reported breach or breaches have been reviewed by the parties and where appropriate the LGS chosen foundry in good faith and a waiver agreed between ARM, LGS and the foundry. ARM shall have no responsibility for any inconsistency between the DRC file provided by LGS and LGS corresponding design rules nor shall ARM be responsible for any failure by the DRC provided by LGS to comprehensively test for compliance with the LGS corresponding design rules.

3.6 Following delivery of any complete layout, by ARM, to LGS, LGS shall manufacture the ARM7201TDSP Device. With support from ARM, LGS shall test the prototypes of the ARM7201TDSP Device to determine whether or not the functionality and performance of the prototypes conforms to the device specification approved by LGS in accordance with the provisions of Clause 3.3. ARM shall continue to support LGS in the testing of the ARM7201TDSP Device until such device is approved by LGS. Upon completion of the testing of the prototypes, LGS shall promptly report to ARM, in writing, whether or not the prototypes comply with the device specification and in the event that LGS believes that the prototypes do not comply with the device specification, LGS shall provide ARM with details of such non-compliance. ARM shall be responsible for identifying the cause of such non-compliance and shall use reasonable endeavours to amend the layout such that revised prototypes can be manufactured which do comply with the device specification. The parties shall repeat the above process until the prototypes are approved by LGS.

**4. Software Development**

4.1 Subject to the provisions of Clauses 6.2 and 2.5, ARM shall use reasonable efforts to develop and deliver the Software and the Software Transfer Materials to LGS in accordance with the Delivery Schedule.

4.2 LGS shall review the Specification and shall report, to ARM, in writing, within thirty (30) days of receipt of the Specification whether or not it is approved (such approval not to be unreasonably withheld) and if not approved the reasons for withholding approval. If the Specification is not approved by LGS, ARM shall revise the Specification accordingly and resubmit it to LGS. This process shall be repeated until the Specification is approved by LGS. If, after LGS has approved the Specification, LGS requires that the Specification be revised for any reason, LGS shall be liable for the cost of any work required to comply with such revisions. ARM shall review any such requirement in good faith and shall deliver a reasonable quote for the performance of the additional work, to LGS, based on ARM's then standard scale of consulting charges.

4.3 Within forty (40) days of receipt of each Beta Release by LGS, LGS shall test the Beta Release and report any bugs or non-compliance with the Specification to ARM. If any bugs or non-compliance are reported, ARM shall revise the Beta Release accordingly and resubmit it to LGS within twenty (20) days of receipt of the non-compliance report regarding the Beta Release. This process shall be repeated until the Beta Release is approved by LGS, provided, however, that the total period of time for such repeat shall be limited to eighty (80) days. It LGS fails to test a Beta Release and deliver a report of non-compliance to ARM within forty (40) days of receipt of the Beta Release, then such Beta Release shall be deemed to be accepted by LGS.

4.4 Within forty (40) days of receipt of the Final Release by LGS, LGS shall provide written confirmation of approval of the Final Release to ARM. If any bugs or

non-compliance are reported. ARM shall revise the Final Release accordingly and resubmit it to LGS within twenty (20) days of receipt of the non-compliance report regarding the Final Release. This process shall be repeated until the Final Release is approved by LGS, provided, however, that the total period of time for such repeat shall be limited to sixty (60) days. If LGS fails to-deliver confirmation of approval to ARM within forty (40) days of receipt of the Final Release by LGS, then the Final Release shall be deemed to be approved by LGS.

Upon request from ARM, LICENSEE shall submit samples of documentation, packaging, and promotional or advertising materials bearing the Trademarks to ARM so that ARM may verify compliance with the Trademark Guidelines. In the event that any documentation, packaging, promotional or advertising material fails to comply with the Trademark Guidelines, ARM shall notify LICENSEE and LICENSEE shall rectify such documentation, packaging, and promotional or advertising materials so as to comply with the Trademark Guidelines and cease using any such non-compliant materials as soon as reasonably possible after the date of ARM's notice.

LICENSEE agrees to provide reasonable assistance to ARM in maintaining the validity of the Trademarks. (i) disclosure to third parties to the extent that the Confidential Information is required to be disclosed pursuant to a court order or as otherwise required by law, provided that the party required to make the disclosure promptly notifies the other party upon learning of such requirement and has given the other party a reasonable opportunity to contest or limit the scope of such required disclosure (including but not limited to making an application for a protective order);

(ii) disclosure to nominated third parties under written authority from the original discloser of the Confidential Information; and

(iii) disclosure to the receiving party's legal counsel, accountants or professional advisors to the extent necessary for them to advise upon the interpretation or enforcement of this Agreement.

**Permitted Disclosure of LICENSEE Confidential Information**

3.7 LICENSEE royalty reports may be disclosed in confidence to ARM's financial and legal advisors. In addition, ARM may disclose the total unit sales, from time to time, of ARM Compliant Products and any other devices which contain royalty bearing ARM Technology, provided that the unit sales of such products by LICENSEE are not separately identifiable or deducible therefrom.

ARM shall be permitted to disclose LICENSEE Confidential Information to Subsidiaries of ARM subject to the same terms and conditions of confidentiality as are set out in this Agreement.

**Restricted Use**

3.8 LICENSEE agrees that it shall not use any of ARM's Confidential Information other than pursuant to and in accordance with the exercise of any of the licences granted under this TLA.

**Excepted Information**

3.9 The provisions of this Clause 3 shall not apply to information which;

(i) is known to and has been reduced to tangible form by the receiving party prior to its receipt provided that such information is not already subject to any obligations of confidentiality; or

(ii) is in the public domain at the time of receipt or later becomes part of the public domain without breach of the confidentiality obligations in this TLA; or

(iii) is received from a third party without any breach of any obligation of confidentiality in respect of such information provided that such information is not subject to any continuing obligations of confidentiality; or

(iv) is identified as (N) in Section 1 of the relevant Annex 1 of this TLA.

**4. Verification**

4.1 Prior to the distribution of any integrated circuit incorporating a central microprocessor unit manufactured by or for LICENSEE under the licences granted in Section 2 of any Annex 1, LICENSEE shall verify such central microprocessor unit in accordance with the verification procedure set out in Section 3 of the relevant Annex 1.

**5. Delivery**

5.1 ARM shall use reasonable efforts to deliver the ARM Technology in each Annex 1 to LICENSEE on or before the delivery dates set out in Section 1 of the relevant Annex 1. ARM shall deliver Updates for any ARM Technology to LICENSEE as soon as reasonably possible after such Update is made generally available by ARM.

**6. Fees and Royalties**

**Fees**

6.1 HYNIX shall pay, to ARM, fees ("**Fees**") as set out in and in accordance with Section 8 of the relevant Annex 1.

**Royalties**

6.2 If provided for in Section 8 of a relevant Annex 1, HYNIX shall pay, to ARM, a royalty ("**Royalty**") in accordance with the provisions of such Annex 1.

For the purpose of calculating Royalties, only the distribution by the entity exercising the licences to manufacture or have manufactured under this TLA (notwithstanding that such distribution may be between HYNIX and a Subsidiary of HYNIX or between Subsidiaries of HYNIX) shall be relevant.

**Any distribution of ARM Compliant Products by LICENSEE shall, in the absence of evidence to the contrary, be deemed to be distributed under the licences granted to LICENSEE under this TLA and LICENSEE shall pay Royalties to ARM accordingly. The burden of proof for rebutting the above presumption shall be on LICENSEE.**

**Royalty Report**

6.3 HYNIX shall submit a report within thirty (30) days after the end of each Quarter, containing at least the information required by the form set out in Section 8 of each Annex 1.

**Intercompany Sales**

6.4 For transactions between any of HYNIX and the Subsidiaries of HYNIX, LICENSEE shall ensure that such transactions shall be conducted so that the ASP of any ARM Compliant Product or other device which contains royalty bearing ARM Technology licensed in accordance with the terms of this TLA, as the case may be, is not manipulated for the purpose of reducing the Royalties payable to ARM under this TLA. If any ARM Compliant Product or other device which contains royalty bearing ARM Technology is sold to HYNIX or to a Subsidiary of HYNIX then the invoice price shall be deemed to be the higher of the actual invoice price and what the invoice price of the ARM Compliant Product or other device which contains royalty bearing ARM Technology, as the case may

be, would have been if such ARM Compliant Product or other device which contains royalty bearing ARM Technology had been sold to an independent customer at a fair open market value.

**Records**

6.5 For the period of five (5) years from the date that each royalty report is delivered to ARM by HYNIX, LICENSEE shall keep such records and books of account, identifying and providing invoice details for ARM Compliant Products or any other royalty bearing ARM Technology distributed under the licences granted in this TLA, as are necessary to derive the ASP for each ARM Compliant Product or any other royalty bearing ARM Technology identified in such royalty report and to demonstrate compliance with LICENSEE's obligations under this Clause 6.

**Audit**

6.6 ARM shall have the right for representatives of a firm of independent Chartered Accountants ("**Auditors**"), to make an examination and audit, by prior appointment during normal business hours, of all records and accounts as may under recognised accounting practices contain information bearing upon;

(i) the number of units of ARM Compliant Products and any other devices which contain royalty bearing ARM Technology which have been distributed by LICENSEE under this TLA;

(ii) the number of ARM microprocessor cores incorporated into any ARM Compliant Product which has been distributed by LICENSEE under this TLA;

(iii) the ASP and fair market value of any ARM Compliant Product and any other devices which contain royalty bearing ARM Technology which have been distributed by LICENSEE under this TLA;

(iv) the amounts of Royalties payable to ARM under this TLA; and

(v) any fees payable to ARM under this TLA.

The Auditors shall be permitted to provide, to ARM, information relating to Clauses 6.6(i)-(iv), including but not limited to, information relating to the systems operated by LICENSEE to capture and record such information. Any information obtained pursuant to any audit performed in accordance with the provisions of this Clause 6.6 and provided by the Auditors to ARM shall be treated by ARM as LICENSEE Confidential Information. The Auditors' conclusions shall (in the absence of clerical or manifest error) be final and binding on the parties. Such audit shall be at ARM's expense unless it reveals a net underpayment of Royalties or other fees of five per cent (5%) or more in any Quarter, in which case HYNIX shall promptly reimburse ARM for the costs of such audit. HYNIX shall make good any underpayment of royalties forthwith. If the audit identifies that HYNIX has made an overpayment, such overpayment will be credited to the next payment or payments of Royalties or fees to be made by HYNIX.

**Taxes**

6.7 All sums stated under this TLA do not include taxes. All applicable taxes shall be payable by LICENSEE in accordance with relevant legislation in force at the relevant tax point. Any income or other tax which LICENSEE is required by law to pay or withhold on behalf of ARM with respect to any Royalties or other fees payable to ARM under this TLA may be deducted from the amount of such Royalties or other fees otherwise due, provided, however, that in regard to any such deduction, HYNIX shall give to ARM such assistance as may be necessary to enable or assist ARM to claim exemption therefrom, or credit therefor, and shall upon request furnish to ARM such certificates and other evidence of deduction and payment thereof as ARM may properly require.

**Payment**

6.8 HYNIX shall pay all Royalties and Fees due to ARM under the terms of this TLA within thirty (30) days of receipt of ARM's invoice therefor ("**Due Date**"). ARM shall send any invoice for payment to the address set out in Section 8 of the relevant Annex 1 and HYNIX shall provide ARM with at least ten (10) working days notice of any change to such address.

6.9 If any sum under this TLA is not paid by the Due Date (defined in Clause 6.8), then (without prejudice to ARM's other rights and remedies in addition to the invoice amount) ARM reserves the right to charge interest on such sum

on a day to day basis (as well after as before any judgement) from the Due Date to the date of payment at the rate of five (5%) per cent per annum above the base rate of National Westminster Bank PLC from time to time in force.

**No Right of Set Off**

6.10 All sums properly due to ARM under this Agreement shall be paid in full and LICENSEE shall not be entitled to assert against ARM any credit, set-off or counterclaim arising under any Annex 1 in order to justify withholding payment of any sum properly due under any other Annex 1. Obligations under each Annex 1 shall be construed as divisible from obligations under any other Annex 1 for the purposes of interpreting this Clause 6.10.

**7 Maintenance**

7.1 Subject to LICENSEE's payment of the appropriate Fees (defined in Clause 6.1), ARM shall provide to LICENSEE, in respect of the relevant ARM Technology the following maintenance for such ARM Technology ("**Maintenance**");

(i) the use of commercially reasonable efforts to correct any defects in the ARM Technology which cause such technology not to operate in accordance with the functionality described in the relevant datasheet or manual for such technology. If ARM determines that such defects are due to errors in such description ARM shall promptly issue corrections to the datasheet or manual and shall not be required to revise the ARM Technology, provided that LICENSEE's use of the ARM Technology by LICENSEE is not adversely affected thereby; and

(ii) all Updates to such ARM Technology.

7.2 Upon LICENSEE requesting ARM's assistance pursuant to the provisions of Clause 7.1(i), LICENSEE shall promptly provide to ARM such samples and technical information as ARM may reasonably require and in a form specified by ARM to enable ARM to provide such assistance.

7.3 ARM's obligation under this Clause 7 is limited expressly to the provision of Maintenance to LICENSEE and ARM shall be under no obligation to provide any maintenance to any Designer, Customer, Manufacturer, Test House or other third parties.

7.4 If ARM believes at any time that any ARM Technology infringes the Intellectual Property of any third party, then ARM, at its option and expense, may develop an Update to the relevant ARM Technology which in ARM's opinion avoids such infringement and upon receipt of such Update from ARM, LICENSEE shall cease use of the ARM Technology which the Update replaces.

**8. Support**

8.1 Subject to LICENSEE's payment of the appropriate Fees (defined in Clause 6.1), ARM shall provide to LICENSEE, in respect of the relevant ARM Technology, reasonable telephone, e-mail and written consultation about the operation and application of such ARM Technology. The services provided under this Clause 8.1 shall be limited in accordance with the provisions of Section 4 of the relevant Annex 1.

8.2 The support shall be provided from the relevant ARM support centre. Nevertheless, ARM will use reasonable efforts to provide support to LICENSEE, at LICENSEE's premises, subject to LICENSEE meeting all reasonable travelling, accommodation and sustenance expenses thereby incurred and agreed in advance in writing with LICENSEE.

8.3 ARM's obligation under this Clause 8 is limited expressly to the provision of support to LICENSEE and ARM shall be under no obligation to provide any support any Designer, Customer, Manufacturer, Test House or other third parties.

8.4 Upon LICENSEE requesting ARM's assistance pursuant to the provisions of Clause 8.1, LICENSEE shall promptly provide to ARM such samples and technical information as ARM may reasonably require to enable ARM to provide such assistance.

**9. Training**

9.1 If provided for in Section 5 of a relevant Annex 1, ARM shall provide training in respect of the relevant ARM Technology in accordance with the provisions of Section 5 of the relevant Annex 1.

**10. ARM Technology Functionality Warranties**

10.1 Except as expressly provided in this TLA, ARM provides no warranties express, implied or statutory, including, without limitation, the implied warranties of satisfactory quality or fitness for a particular purpose with respect to the ARM Technology.

10.2 ARM warrants to LICENSEE that the ARM Technology will be consistent with allowing a competent semiconductor manufacturer to manufacture products which substantially conform to the functionality described in the relevant technical reference manual. LICENSEE acknowledges that the process for converting the ARM Technology delivered to LICENSEE in to silicon necessarily involves the introduction and use of technology not delivered by ARM and accordingly ARM's liability and LICENSEE's sole remedy for breach of the warranty provided under this Clause 10.2 shall be as follows; if LICENSEE can demonstrate to ARM that any defect in the silicon developed using any ARM Technology is exclusively caused by a defect in the ARM Technology as delivered to LICENSEE then ARM shall use commercially reasonable efforts to correct any errors in the ARM Technology and deliver corrected ARM Technology to LICENSEE. THE FOREGOING STATES THE ENTIRE LIABILITY OF ARM WITH RESPECT TO BREACH OF THE WARRANTY PROVIDED IN THIS CLAUSE 10.2.

10.3 ARM shall not be responsible for any recoverable or non-recoverable costs incurred, directly or indirectly, by LICENSEE in the design migration, processing, or manufacture of masks and prototypes, characterization or manufacture of production quality silicon in whatever quantity.

**11. ARM Technology Intellectual Property Warranties**

11.1 ARM warrants, to ARM's knowledge and belief, that;

(i) the ARM Technology does not infringe any third party copyright, mask work right or trade secret; and

(ii) as at the relevant Annex Effective Date, there are no pending; **(a)** Claims, or **(b)** actions commenced against ARM for infringement by the relevant ARM Technology of any third party Intellectual Property.

**12. Intellectual Property Indemnities**

12.1 Except as provided under Clause 12.2, in the event of a suit against LICENSEE based upon a claim that any of the ARM Technology delivered by ARM to LICENSEE under this TLA, when used in accordance with this TLA, infringes any third party Intellectual Property, ARM agrees, subject to the limitations of Clauses 13.1 and 13.2, to defend and indemnify LICENSEE, at ARM's expense, and to pay costs and damages finally awarded in any such suit, provided that; **(i)** ARM is promptly notified by LICENSEE, in writing, of any threats, claims and proceedings related thereto; **(ii)** ARM shall have sole control of the defence and any settlement thereof; **(iii)** LICENSEE shall not make any admission of liability nor settle or otherwise compromise any such claim without ARM's prior written consent; **(iv)** LICENSEE furnishes to ARM, upon request, any information available to LICENSEE relating to the defence of such claim; **(v)** LICENSEE provides reasonable assistance to ARM in the defence of such claim; and **(vi)** ARM, at its option and expense, may; **(a)** obtain for LICENSEE the right to continue to use the ARM Technology; or **(b)** replace or modify the ARM Technology so that it becomes non-infringing, in which event LICENSEE shall cease use of the infringing ARM Technology. THE FOREGOING STATES THE ENTIRE LIABILITY OF ARM

WITH RESPECT TO INFRINGEMENT BY THE ARM TECHNOLOGY OF ANY THIRD PARTY INTELLECTUAL PROPERTY.

12.2 ARM shall have no liability under Clause 12.1 for any infringement arising from; **(i)** the combination of the ARM Technology with other products not supplied by ARM if such infringement would not have occurred but for such combination; **(ii)** the modification by LICENSEE of the ARM Technology if such infringement would not have occurred but for such modification; **(iii)** the process of synthesizing any ARM Technology including but not limited to the use by LICENSEE of LICENSEE's or LICENSEE's agent's cell libraries if such infringement would not have occurred but for the application of such process; or **(iv)** any manufacturing process applied to the ARM Technology by LICENSEE if such infringement would not have occurred but for the application of such process.

12.3 If a suit against ARM is based in whole or in part upon a claim that any of the ARM Technology delivered by ARM to LICENSEE under this TLA, when used in accordance with this TLA, infringes any third party Intellectual Property because of; **(i)** the combination of the ARM Technology with other products not supplied by ARM if such infringement would not have occurred but for such combination; **(ii)** the modification by LICENSEE of the ARM Technology if such infringement would not have occurred but for such modification; **(iii)** the process of synthesizing any ARM Technology including but not limited to the use by LICENSEE of LICENSEE's or LICENSEE's agent's cell libraries if such infringement would not have occurred but for the application of such process; or **(iv)** any manufacturing process applied to the ARM Technology by LICENSEE if such infringement would not have occurred but for the application of such process, then LICENSEE agrees to indemnify ARM for any legal costs (including attorney's fees) reasonably incurred by ARM in defending such suit, up to a maximum limit of Two Million US Dollars (US$2,000,000) per suit, provided that LICENSEE is notified promptly in writing of the suit and that at LICENSEE's request, LICENSEE is given control of and all requested reasonable assistance to defend such suit.

12.4 ARM shall only be liable under Clause 12.1 for any damages awarded by a court for infringement by any ARM Technology of the Intellectual Property of a third party, up to the date upon which such court issues its judgement. ARM shall have no continuing liability under Clause 12.1 for any loss suffered by LICENSEE in respect of the same infringement after the date of such judgement.

**13. Limitation of Liability**

13.1 EXCEPT IN RESPECT OF ANY BREACH OF THE PROVISIONS OF CLAUSE 3 (CONFIDENITIALITY), IN RESPECT OF WHICH A PARTY'S LIABILITY SHALL BE UNLIMITED, IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES WHETHER SUCH DAMAGES ARE ALLEGED AS A RESULT OF TORTIOUS CONDUCT (INCLUDING NEGLIGENCE) OR BREACH OF CONTRACT OR OTHERWISE EVEN IF THE OTHER PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

13.2 NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS TLA, THE MAXIMUM LIABILITY OF ARM TO LICENSEE IN AGGREGATE FOR ALL CLAIMS MADE AGAINST ARM IN CONTRACT TORT OR OTHERWISE UNDER OR IN CONNECTION WITH THE SUBJECT MATTER OF EACH ANNEX 1 **SHALL NOT EXCEED THE TOTAL AMOUNT OF THE FEES (DEFINED IN CLAUSE 6.1) PAID BY LICENSEE TO ARM UNDER SUCH ANNEX 1.** THE EXISTENCE OF MORE THAN ONE CLAIM OR SUIT WILL NOT ENLARGE OR EXTEND THE LIMIT. LICENSEE RELEASES ARM FROM ALL OBLIGATIONS, LIABILITY, CLAIMS OR DEMANDS IN EXCESS OF THIS LIMITATION.

13.3 NOTHING IN THIS CLAUSE SHALL OPERATE TO EXCLUDE LIABILITY FOR DEATH OR PERSONAL INJURY RESULTING FROM EITHER PARTY'S NEGLIGENCE.

13.4 The parties hereby acknowledge that the provisions of this Clause 13 allocate the risks under this Agreement between ARM and Customer after negotiation and ARM's pricing reflects this allocation of risk and the limitation of liability specified herein.

The undersigned hereby acknowledges receipt of the Prospectus dated , 2005 (the "Prospectus") of MagnaChip Semiconductor S.A. ("MagnaChip S.A.") and MagnaChip Semiconductor Finance Company ("MagnaChip Finance," and together with MagnaChip S.A., "MagnaChip Semiconductor") and this Letter of Transmittal, which together constitute MagnaChip Semiconductor's offer (the "Exchange Offer") to exchange an aggregate principal amount of up to $300,000,000 of its Floating Rate Second Priority Senior Secured Notes due 2011 (the "New Floating Rate Second Lien Notes"), $200,000,000 of its 6 7/8% Second Priority Senior Secured Notes due 2011 (the "New Fixed Rate Second Lien Notes") and $250,000,000 of its 8% Senior Subordinated Notes due 2014 (the "New Subordinated Notes" and, together with the New Floating Rate Second Lien Notes and the New Fixed Rate Second Lien Notes, the "New Notes") in integral multiples of $1,000, which have been offered in a transaction registered under the Securities Act of 1933, as amended (the "Securities Act"), pursuant to a Registration Statement of which the Prospectus is a part, for an equal principal amount of its outstanding $300,000,000 Floating Rate Second Priority Senior Secured Notes due 2011 (the "Old Floating Rate Second Lien Notes"), $200,000,000 6 7/8% Second Priority Senior Secured Notes due 2011 (the "Old Fixed Rate Second Lien Notes") and $250,000,000 8% Senior Subordinated Notes due 2014 (the "Old Subordinated Notes" and, together with the Old Floating Rate Second Lien Notes and the Old Fixed Rate Second Lien Notes, the "Old Notes"), that were issued and sold in integral multiples of $1,000 in a transaction exempt from registration under the Securities Act.

The term "Expiration Date" shall mean 5:00 p.m., New York City time, on , 2005, unless MagnaChip Semiconductor, in its sole discretion, extends the Exchange Offer, in which case the term shall mean the latest date and time to which the Exchange Offer is extended.

For each Old Note accepted for exchange, the Holder of such Old Note will receive a New Note having a principal amount equal to that of the Old Note accepted for exchange. The New Notes will bear interest from the most recent date to which interest has been paid on the Old Notes exchanged therefor. Accordingly, registered holders of New Notes on the relevant record date for the first interest payment date following the consummation of the Exchange Offer will receive interest accruing from the most recent date on which interest has been paid. Old Notes accepted for exchange will cease to accrue interest from and after the date of consummation of the Exchange Offer. Holders of Old Notes whose Old Notes are accepted for exchange will not receive any payment in respect of accrued interest on such Old Notes otherwise payable on any interest payment date that occurs on or after the consummation of the Exchange Offer.

A Holder who holds Old Notes in book-entry form need not manually execute a Letter of Transmittal and must tender Old Notes in accordance with the procedures mandated by The Depository Trust Company's ("DTC") Automated Tender Offer Program ("ATOP"). In lieu of delivering this Letter of Transmittal to the Exchange Agent, an "agents message" (as defined in the prospectus), in which the holder of old notes acknowledges and agrees to be bound by the terms of this letter of transmittal, must be transmitted by DTC and received by the Exchange Agent before 5:00 p.m., New York City time, on the expiration date. In all other cases, a Letter of Transmittal must be manually executed and delivered as described in this Letter of Transmittal.

**Your bank or broker can assist you in completing this Letter of Transmittal. The instructions included with this Letter of Transmittal must be followed. Questions and requests for assistance or for additional copies of the Prospectus and this letter of transmittal may be directed to the Exchange Agent.**

Ladies and Gentlemen:

On the terms and subject to the conditions of the Exchange Offer, the undersigned hereby tenders to MagnaChip Semiconductor the aggregate principal amount of the Old Notes indicated above. Subject to, and effective upon, the acceptance for exchange of such Old Notes tendered hereby, the undersigned hereby exchanges, assigns and transfers to, or upon the order of, MagnaChip Semiconductor all right, title and interest in and to such Old Notes as are being tendered hereby, including all rights to accrued and unpaid interest thereon as of the Expiration Date. The undersigned hereby irrevocably constitutes and appoints the Exchange Agent the true and lawful agent and attorney-in-fact of the undersigned (with full knowledge that said Exchange Agent acts as the agent of MagnaChip Semiconductor in connection with the Exchange Offer) to cause the Old Notes to be assigned, transferred and exchanged. The undersigned represents and warrants that it has full power and authority to tender, exchange, assign and transfer the Old Notes and to acquire New Notes issuable upon the exchange of such tendered Old Notes, and that when the same are accepted for exchange, MagnaChip Semiconductor will acquire good and unencumbered title to the tendered Old Notes, free and clear of all liens, restrictions, charges and encumbrances and not subject to any adverse claim.

The undersigned represents to MagnaChip Semiconductor that (a) any New Notes to be received by the undersigned will be acquired in the ordinary course of its business; (b) the undersigned is not engaged in, and does not intend to engage in, and has no arrangement or understanding with any person to participate in, a distribution of the New Notes; (c) the undersigned is not an "affiliate" (as defined in Rule 405 under the Securities Act) of MagnaChip Semiconductor; (d) if the undersigned is a broker-dealer that receives New Notes for its own account in exchange for Old Notes that were acquired as a result of market-making activities or other trading activities, it will deliver a prospectus in connection with any resale of these New Notes; however, by so acknowledging and by delivering a prospectus, the undersigned will not be deemed to admit that it is an "underwriter" within the meaning of the Securities Act; (e) if the undersigned is a broker-dealer, it did not purchase the Old Notes to be exchanged for the New Notes from the initial purchasers in the initial offering of the Old Notes; and (f) the undersigned is not acting on behalf of any person who could not truthfully and completely make the foregoing representations.

The undersigned acknowledges that this Exchange Offer is being made in reliance on interpretations by the staff of the Securities and Exchange Commission (the "SEC"), as set forth in no-action letters to third parties, and that, subject to the following two sentences, the New Notes issued in the exchange for Old Notes pursuant to the Exchange Offer may be offered for resale, resold and otherwise transferred by the Holders thereof without further compliance with the registration and prospectus delivery requirements of the Securities Act. However, the SEC has not considered the Exchange Offer in the context of a no-action letter, and there can be no assurance that the staff of the SEC would make a similar determination with respect to the Exchange Offer as in other circumstances. Any Holder of Old Notes who is one of MagnaChip Semiconductor's "affiliates" (as defined in Rule 405 under the Securities Act), that does not acquire the New Notes in the ordinary course of business, that intends to distribute the New Notes as part of the Exchange Offer, or that is a broker-dealer that purchased Old Notes from the initial purchasers in the initial offering of the Old Notes for resale pursuant to Rule 144A or any other available exemption under the Securities Act, (1) will not be able to rely on the interpretations of the staff of the SEC, and (2) in the absence of any exemption, must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale of the New Notes.

The undersigned also warrants that, upon request, it will execute and deliver any additional documents deemed by the Exchange Agent or MagnaChip Semiconductor to be necessary or desirable to complete the exchange, assignment and transfer of tendered Old Notes or transfer ownership of such Old Notes on the account books maintained by DTC.

The Exchange Offer is subject to certain conditions set forth in the Prospectus under the caption "Exchange Offer—Conditions." The undersigned recognizes that as a result of these conditions (which may be waived, in

whole or in part, by MagnaChip Semiconductor), as more particularly set forth in the Prospectus, MagnaChip Semiconductor may not be required to exchange any of the Old Notes tendered hereby and, in such event, the Old Notes not exchanged will be returned to the undersigned at the address shown below the signature of the undersigned.

All authority herein conferred or agreed to be conferred shall survive the death or incapacity of the undersigned and every obligation of the undersigned hereunder shall be binding upon the heirs, personal representatives, successors and assigns of the undersigned. Tendered Old Notes may be withdrawn at any time prior to the Expiration Date.

Unless otherwise indicated in the box entitled "Special Registration Instructions" or the box entitled "Special Delivery Instructions" in this Letter of Transmittal, certificates for all New Notes delivered in exchange for tendered Old Notes, and any Old Notes delivered herewith but not exchanged, will be registered in the name of the undersigned and shall be delivered to the undersigned at the address shown below the signature of the undersigned. If a New Note is to be issued to a person other than the person(s) signing this Letter of Transmittal, or if a New Note is to be mailed to someone other than the person(s) signing this Letter of Transmittal or to the person(s) signing this Letter of Transmittal at an address different than the address shown on this Letter of Transmittal, the appropriate boxes of this Letter of Transmittal should be completed. If Old Notes are surrendered by Holder(s) that have completed either the box entitled "Special Registration Instructions" or the box entitled "Special Delivery Instructions" in this Letter of Transmittal, signature(s) on this Letter of Transmittal must be guaranteed by an Eligible Institution (defined in Instruction 2).

**Instructions**

**Forming part of the terms and conditions of the exchange offer**

1. *Delivery of this Letter of Transmittal and Certificates.* All physically delivered Old Notes or confirmation of any book-entry transfer to the Exchange Agent's account at DTC of Old Notes tendered by book-entry transfer, as well as a properly completed and duly executed copy of this Letter of Transmittal or facsimile thereof or an agent's message in lieu thereof, and any other documents required by this Letter of Transmittal, must be received by the Exchange Agent at its address set forth herein on or prior to expiration of the Exchange Offer (the "Expiration Date"). If Old Notes, the Letter of Transmittal or any other required documents are physically delivered to the Exchange Agent, the method of delivery is at the Holder's election and risk. Except as otherwise provided below, the delivery will be deemed made only when actually received by the Exchange Agent. Rather than mail these items, it is recommended that Holders use a nationally recognized U.S. overnight delivery service or a hand delivery service. If such delivery is by mail, it is suggested that registered mail with return receipt requested, properly insured, be used. In all cases, Holders should allow sufficient time to assure delivery to the Exchange Agent before the Expiration Date. Holders may request their respective brokers, dealers, commercial banks, trust companies or other nominees to effect the above transactions for them.

No conditional, irregular or contingent tenders will be accepted. All tendering Holders, by execution of this Letter of Transmittal (or facsimile thereof) or otherwise complying with the tender procedures set forth in the Prospectus, shall waive any right to receive notice of the acceptance of the Old Notes for exchange.

Delivery to an address other than as set forth herein, or transmission via a facsimile number other than the one set forth herein, will not constitute a valid delivery.

2. *Guaranteed Delivery Procedures.* Holders that wish to tender their Old Notes, but that Old Notes of which are not immediately available or that cannot deliver their Old Notes, the Letter of Transmittal or any other required documents to the Exchange Agent or comply with DTC's procedures through ATOP for book-entry transfer prior to the Expiration Date, may effect a tender if:

(a) the tender is made through a member firm of a registered national securities exchange or of the National Association of Securities Dealers, Inc., a commercial bank or trust company having an office or correspondent in the United States or an "eligible guarantor institution" within the meaning of Rule 17Ad-15 under the Exchange Act (an "Eligible Institution");

(b) prior to the Expiration Date, the Exchange Agent receives from such Eligible Institution a properly completed and duly executed Notice of Guaranteed Delivery (by facsimile transmission, mail or hand delivery) setting forth the name and address of the Holder, the registration number(s) of such Old Notes and the principal amount of Old Notes tendered, stating that the tender is being made thereby and guaranteeing that, within three New York Stock Exchange trading days after the Expiration Date, the Letter of Transmittal (or facsimile thereof) or an agent's message in lieu thereof, together with the Old Notes (or a confirmation of book-entry transfer of such Notes into the Exchange Agent's account at DTC) and any other documents required by the Letter of Transmittal, will be deposited by the Eligible Institution with the Exchange Agent; and

(c) such properly completed and executed Letter of Transmittal (or facsimile thereof) or agent's message in lieu thereof, as well as all tendered Old Notes in proper form for transfer (or a confirmation of book-entry transfer of such Old Notes into the Exchange Agent's account at DTC) and all other documents required by the Letter of Transmittal, are received by the Exchange Agent within three New York Stock Exchange trading days after the Expiration Date.

Upon request to the Exchange Agent, a Notice of Guaranteed Delivery will be sent to Holders that wish to tender their Old Notes according to the guaranteed delivery procedures set forth above. Any Holder that wishes to tender Old Notes pursuant to the guaranteed delivery procedures described above must ensure that the Exchange Agent receives the Notice of Guaranteed Delivery relating to such Old Notes prior to the Expiration

Date. Failure to comply with the guaranteed delivery procedures outlined above will not, of itself, affect the validity or effect a relocation of any Letter of Transmittal form properly completed and executed by a Holder who attempted to use the guaranteed delivery procedures.

3. *Partial Tenders; Withdrawals.* If less than the entire principal amount of Old Notes evidenced by a submitted certificate is tendered, the tendering Holder should fill in the principal amount tendered in the column entitled "Principal Amount Tendered" in the box entitled "Description of Notes Tendered Hereby." A newly issued Old Note for the principal amount of Old Notes submitted but not tendered will be sent to such Holder as soon as practicable after the Expiration Date. All Old Notes delivered to the Exchange Agent will be deemed to have been tendered in full unless otherwise indicated.

Old Notes tendered pursuant to the Exchange Offer may be withdrawn at any time prior to the Expiration Date, after which tenders of Old Notes are irrevocable. To be effective, a written, telegraphic or facsimile transmission notice of withdrawal must be timely received by the Exchange Agent or the Holder must otherwise comply with the withdrawal procedures of DTC as described in the Prospectus. Any such notice of withdrawal must (a) specify the name of the person having deposited the Old Notes to be withdrawn (the "Depositor"), (b) identify the Old Notes to be withdrawn (including the principal amount of such Old Notes, or, in the case of Old Notes transferred by book-entry transfer, the name and number of the account at DTC, to be credited), (c) be signed by the Holder in the same manner as the original signature on this Letter of Transmittal (including any required signature guarantees) or be accompanied by documents of transfer sufficient to have the Trustee with respect to the Old Notes register the transfer of such Old Notes into the name of the person withdrawing the tender and (d) where certificates for Old Notes have been transmitted, specify the name in which any such Old Notes are to be registered, if different from that of the Depositor. If certificates for Old Notes have been delivered or otherwise identified to the Exchange Agent, then, prior to the release of those certificates, the withdrawing Holder must also submit (1) the serial numbers of the particular certificates to be withdrawn and (2) a signed notice of withdrawal with signatures guaranteed by an Eligible Institution, unless the withdrawing Holder is an Eligible Institution. All questions as to the validity, form and eligibility (including time of receipt) of such notices will be determined by MagnaChip Semiconductor, the determination of which shall be final and binding on all parties. Any Old Notes so withdrawn will be deemed not to have been validly tendered for purposes of the Exchange Offer and no New Notes will be issued with respect thereto unless the Old Notes so withdrawn are validly retendered. Any Old Notes that have been tendered but that are not accepted for exchange for any reason will be returned to the Holder thereof without cost to such Holder. In the case of Old Notes tendered by book-entry transfer into the Exchange Agent's account at DTC, those Old Notes will be credited to an account maintained with DTC, for Old Notes, as soon as practicable after withdrawal, rejection of tender or termination of the Exchange Offer.

4. *Signature on this Letter of Transmittal; Written Instruments and Endorsements; Guarantee of Signatures.* If this Letter of Transmittal is signed by the registered Holder(s) of the Old Notes tendered hereby, the signature must correspond with the name(s) as written on the face of the certificates of the Old Notes without alteration or enlargement or any change whatsoever. If this Letter of Transmittal is signed by a participant in DTC, the signature must correspond with the name as it appears on the security position listing as the owner of the Old Notes.

If any of the Old Notes tendered hereby are owned of record by two or more joint owners, all such owners must sign this Letter of Transmittal.

If a number of Old Notes registered in different names are tendered, it will be necessary to complete, sign and submit as many separate copies of this Letter of Transmittal as there are different registrations of Old Notes.

Signatures on this Letter of Transmittal or a notice of withdrawal, as the case may be, must be guaranteed by an Eligible Institution unless the Old Notes tendered hereby are tendered (a) by a registered Holder who has not completed the box entitled "Special Registration Instructions" or "Special Delivery Instructions" on the Letter of Transmittal or (b) for the account of an Eligible Institution.

If this Letter of Transmittal is signed by the registered Holder or Holders of Old Notes (which term, for the purposes described herein, shall include a participant in DTC whose name appears on a security position listing as the owner of the Old Notes) listed and tendered hereby, no endorsements of the tendered Old Notes or separate written instruments of transfer or exchange are required. In any other case, the registered Holder (or acting Holder) must either properly endorse the Old Notes or transmit properly completed bond powers with this Letter of Transmittal (in either case, executed exactly as the name(s) of the registered Holder(s) appear(s) on the Old Notes, and, with respect to a participant in DTC whose name appears on a security position listing as the owner of Old Notes, exactly as the name of the participant appears on such security position listing), with the signature on the Old Notes or bond power guaranteed by an Eligible Institution (except where the Old Notes are tendered for the account of an Eligible Institution).

If this Letter of Transmittal, or any Old Notes, bond powers, certificates or separate written instruments of transfer or exchange are signed by trustees, executors, administrators, guardians, attorneys-in-fact, officers of corporations or others acting in a fiduciary or representative capacity, such persons should so indicate when signing, and, unless waived by MagnaChip Semiconductor, proper evidence satisfactory to MagnaChip Semiconductor of their authority so to act must be submitted.

5. *Special Registration and Delivery Instructions.* Tendering Holders should indicate, in the applicable box, the name and address (or account at DTC) in which the New Notes or substitute Old Notes for principal amounts not tendered or not accepted for exchange are to be issued (or deposited), if different from the names and addresses or accounts of the person signing this Letter of Transmittal. In the case of issuance in a different name, the employer identification number or social security number of the person named must also be indicated and the tendering Holder should complete the applicable box.

If no instructions are given, the New Notes (and any Old Notes not tendered or not accepted) will be issued in the name of and sent to the acting Holder of the Old Notes or deposited at such Holder's account at DTC, as applicable.

6. *Transfer Taxes.* MagnaChip Semiconductor will pay all transfer taxes, if any, applicable to the exchange of Old Notes under the Exchange Offer. If, however, transfer taxes arise because the New Notes or substitute Old Notes not exchanged are to be delivered to, or are to be registered or issued in the name of, any person other than the registered Holder of the Old Notes tendered hereby, or tendered Old Notes are registered in the name of any person other than the person signing this Letter of Transmittal, or if a transfer tax is imposed for any reason other than the exchange of Old Notes under the Exchange Offer, the amount of any such transfer taxes (whether imposed on the registered Holder or any other person) will be payable by the tendering Holder. If satisfactory evidence of payment of such taxes or exception therefrom is not submitted herewith, the amount of such transfer taxes will be collected from the tendering Holder by the Exchange Agent.

Except as provided in this Instruction 6, it will not be necessary for transfer stamps to be affixed to the Old Notes listed in this Letter of Transmittal.

7. *Waiver of Conditions.* MagnaChip Semiconductor reserves the right, in its sole discretion, to waive, in whole or in part, any of the conditions to the Exchange Offer set forth in the Prospectus.

8. *Mutilated, Lost, Stolen or Destroyed Old Notes.* Any Holder the Old Notes of which have been mutilated, lost, stolen or destroyed should contact the Exchange Agent at the address indicated above for further instructions.

9. *Requests for Assistance or Additional Copies.* Questions relating to the procedure for tendering, questions and requests for assistance, as well as requests for additional copies of the Prospectus, this Letter of Transmittal, the notice of guaranteed delivery or the notice of withdrawal, may be directed to the Exchange Agent at the address and telephone number set forth above. In addition, all questions relating to the Exchange Offer, as well as requests for assistance or additional copies of the Prospectus and this Letter of Transmittal, may be directed to the following address: MagnaChip Semiconductor, 1 Hyangjeong-dong, Hungduk-gu, Cheongju-si 361-725, Korea, Attn: Investor Relations.

10. *Validity and Form.* All questions as to the validity, form, eligibility (including time of receipt), acceptance of tendered Old Notes and withdrawal of tendered Old Notes will be determined by MagnaChip Semiconductor in its sole discretion, which determination will be final and binding. MagnaChip Semiconductor reserves the absolute right to reject any and all Old Notes not properly tendered or any Old Notes MagnaChip Semiconductor's acceptance of which would, in the opinion of counsel for MagnaChip Semiconductor, be unlawful. MagnaChip Semiconductor also reserves the right to waive any defects, irregularities or conditions of tender as to particular Old Notes. MagnaChip Semiconductor's interpretation of the terms and conditions of the Exchange Offer (including the instructions in this Letter of Transmittal) will be final and binding on all parties. Unless waived, any defects or irregularities in connection with tenders of Old Notes must be cured within such time as MagnaChip Semiconductor shall determine. Although MagnaChip Semiconductor intends to notify Holders of defects or irregularities with respect to tenders of Old Notes, neither MagnaChip Semiconductor, the Exchange Agent nor any other person shall incur any liability for failure to give such notification. Tenders of Old Notes will not be deemed to have been made until such defects or irregularities have been cured or waived. Any Old Notes received by the Exchange Agent that are not properly tendered and as to which the defects or irregularities have not been cured or waived will be returned by the Exchange Agent to the tendering Holder as soon as practicable following the Expiration Date.

**Important tax information**

A Holder tendering Old Notes in connection with the Exchange Offer is required to provide the Exchange Agent with such Holder's correct TIN on Substitute Form W-9 above. In general, if such Holder is an individual, the TIN is the Holder's social security number. The Certificate of Awaiting Taxpayer Identification Number should be completed if the tendering Holder has not been issued a TIN and has applied for a TIN or intends to apply for a TIN in the near future. If the Exchange Agent is not provided with the correct TIN, the Holder may be subject to a penalty imposed by the IRS. In addition, payments that are made to such Holder with respect to tendered Old Notes may be subject to backup withholding.

Certain Holders (including, among others, all domestic corporations) are exempt from these backup withholding and reporting requirements. Non-United States Holders must submit a properly completed IRS Form W-8BEN or other appropriate form to avoid backup withholding on payments made to them.

IRS Form W-8BEN or such other appropriate form may be obtained by contacting the Exchange Agent at one of the addresses on the face of this Letter of Transmittal.

If backup withholding applies, the Exchange Agent is required to withhold 28% of payments made to the Holder. Backup withholding is not an additional federal income tax. Rather, the federal income tax liability of persons subject to backup withholding will be reduced by the amount of tax withheld. If withholding results in an overpayment of taxes, a refund may be obtained provided that the required information is properly furnished to the IRS in a timely manner.

**Purpose of Substitute Form W-9.** To prevent backup withholding on payments that are made to a Holder, the Holder is required to notify the Exchange Agent of his or her correct TIN by completing the form herein certifying that (a) the TIN provided on Substitute Form W-9 is correct (or that such Holder is awaiting a TIN), (b) the Holder is exempt from backup withholding, or such Holder has not been notified by the IRS that he or she is subject to backup withholding as a result of failure to report all interest or dividends or the IRS has notified such Holder that he or she is no longer subject to backup withholding, and (c) the Holder is a U.S. person (including a U.S. resident alien).

**What Number to Give the Exchange Agent.** Each Holder is required to give the Exchange Agent the social security number or employer identification number of the record Holder(s) of the Old Notes. If Old Notes are in more than one name, or are not in the name of the actual Holder, consult the enclosed Guidelines for Certification of Taxpayer Identification Number on Substitute Form W-9 and the instructions on IRS Form W-9, which may be obtained from the Exchange Agent, for additional guidance on which number to report.

**Certificate of Awaiting Taxpayer Identification Number.** If the tendering Holder has not been issued a TIN and has applied for a number or intends to apply for a number in the near future, write "Applied For" in the space for the TIN on Substitute Form W-9, sign and date the form and the Certificate of Awaiting Taxpayer Identification Number and return them to the Exchange Agent. If such certificate is completed and the Exchange Agent is not provided with the TIN by the time of payment, the Exchange Agent will withhold 28% of all reportable payments.

**IMPORTANT:** This Letter of Transmittal or a facsimile thereof or an agent's message in lieu thereof (together with Old Notes or confirmation of book-entry transfer and all other required documents) or a Notice of Guaranteed Delivery must be received by the Exchange Agent on or prior to the Expiration Date.

**GUIDELINES FOR CERTIFICATION OF TAXPAYER IDENTIFICATION NUMBER ON SUBSTITUTE FORM W-9**

**GUIDELINES FOR DETERMINING THE PROPER IDENTIFICATION NUMBER TO GIVE THE PAYOR.**—Social security numbers have nine digits separated by two hyphens, *e.g.*, 000-00-0000. Employer identification numbers have nine digits separated by only one hyphen, *e.g.*, 00-0000000. The table below will help determine the number to give the payor.

| For this type of account: | Give the name* and SOCIAL SECURITY number of— | For this type of account: | Give the name and EMPLOYER IDENTIFICATION number of— |

* If you are an individual, you must generally enter the name shown on your social security card. However, if you have changed your last name, for instance, due to marriage, without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

(1) List first and circle the name of the person whose number you furnish. If only one person on a joint account has a social security number, that person's number must be furnished.

(2) Circle the minor's name and furnish the minor's social security number.

(3) You must show your individual name and you may also enter your business or "DBA" name on the second name line. You may use either your social security number or employer identification number (if you have one). If you are a sole proprietor, the Internal Revenue Service encourages you to use your social security number.

(4) List first and circle the name of the legal trust, estate or pension trust. (Do not furnish the TIN of the personal representative or trustee unless the legal entity itself is not designated in the account title.)

**Note:** If no name is circled when more than one name is listed, the number will be considered to be that of the first name listed.

**GUIDELINES FOR CERTIFICATION OF TAXPAYER IDENTIFICATION NUMBER ON SUBSTITUTE FORM W-9**

**Obtaining a TIN**

If you do not have a TIN or you do not know your number, obtain **Form SS-5**, Application for a Social Security Card (for resident individuals), **Form SS-4**, Application for Employer Identification Number (for businesses and all other entities), **Form W-7**, Application for IRS Individual Taxpayer Identification Number (for resident alien individuals required to file U.S. tax returns). You may obtain Form SS-5 from your local Social Security Administration Office and Forms SS-4 and W-7 from the IRS by calling 1-800-TAX-FORM (1-800-829-3676) or from the IRS's Internet Web Site at *www.irs.gov*.

To complete Substitute Form W-9 if you do not have a TIN, check the "Applied For" box in Part 1, sign and date the form, and give it to the payor. Generally, you will then have 60 days to obtain a TIN and furnish it to the payor. If the payor does not receive your TIN within 60 days, backup withholding, if applicable, will begin and will continue until you furnish your TIN to the payor. **Note***: Checking "Applied For" means that you have already applied for a TIN* **OR** *that you intend to apply for one soon.*

**Payees Exempt from Backup Withholding**

*Unless otherwise noted herein, all references below to section numbers or to regulations are references to the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder.*

Payees specifically exempted from backup withholding on ALL payments include the following:*

- An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2).
- The United States or any of its agencies or instrumentalities.
- A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities.
- A foreign government or any of its political subdivisions, agencies or instrumentalities.
- An international organization or any of its agencies or instrumentalities.

**Exempt payees described above should file a Substitute Form W-9 to avoid possible backup withholding. FURNISH YOUR TIN IN PART 1, WRITE "EXEMPT" IN PART 2, SIGN AND DATE THE FORM AND RETURN IT TO THE PAYOR.**

Certain payments not subject to information reporting also are not subject to backup withholding. For details, see sections 6041, 6041A(a), 6042, 6044, 6045, 6049, 6050A, and 6050N, and their regulations.

**Privacy Act Notice.** Section 6109 requires you to give your correct TIN to persons who must file information returns with the IRS to report interest, dividends and certain other payments. The IRS uses the numbers for identification purposes and to help verify the accuracy of your tax return. The IRS also may provide this information to the Department of Justice for civil and criminal litigation, and to cities, states and the District of Columbia to carry out their tax laws.

**You must provide your TIN to the payor whether or not you are required to file a tax return.** Payors must generally withhold 28% of taxable interest, dividends, and certain other payments to a payee who does not give a TIN to a payor. Certain penalties also may apply.

**Penalties**

**(1) Penalty for Failure to Furnish a TIN.—**If you fail to furnish your TIN to a payor, you are subject to a penalty of $50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

**(2) Civil Penalty for False Statements With Respect to Withholding.—**If you make a false statement with no reasonable basis which results in no imposition of backup withholding, you are subject to a $500 penalty.

**(3) Criminal Penalty for Falsifying Information.—**Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.
