4. Whenever the singular or plural number, or the masculine, feminine or neuter gender is used in these Articles, it shall equally, where the context admits, include the others.

5. A reference in these Articles to voting in relation to shares shall be construed as a reference to voting by members holding the shares except that it is the votes allocated to the shares that shall be counted and not the number of members who actually voted and a reference to

shares being present at a meeting shall be given a corresponding construction.

6. A reference to money in these Articles is, unless otherwise stated, a reference to the currency in which shares in the Company shall be issued according to the provisions of the Memorandum.

REGISTERED SHARES

7. Every member holding registered shares in the Company shall be entitled to a certificate signed by a director or officer of the Company and under the Seal specifying the share or shares held by him and the signature of the director or officer and the Seal may be facsimiles.

8. Any member receiving a share certificate for registered shares shall indemnify and hold the Company and its directors and officers harmless from any loss or liability which it or they may incur by reason of any wrongful or fraudulent use or representation made by any person by virtue of the possession thereof. If a share certificate for registered shares is worn out or lost it may be renewed on production of the worn out certificate or on satisfactory proof of its loss together with such indemnity as may be required by a resolution of directors.

9. If several persons are registered as joint holders of any shares, any one of such persons may give an effectual receipt for any dividend payable in respect of such shares.

SHARES, AUTHORIZED CAPITAL, CAPITAL AND SURPLUS

10. Subject to the provisions of these Articles and any resolution of members, the unissued shares of the Company shall be at the disposal of the directors who may, without limiting or affecting any rights previously conferred on the holders of any existing shares or class or series of shares, offer, allot, grant options over or otherwise dispose of shares to such persons, at such times and upon such terms and conditions as the Company may by resolution of directors determine.

11. No share in the Company may be issued until the consideration in respect thereof is fully paid, and when issued the share is for all purposes fully paid and non-assessable save that a share issued for a promissory note or other written obligation for payment of a debt may be issued subject to forfeiture in the manner prescribed in these Articles.

12. Shares in the Company shall be issued for money, services rendered, personal property, an estate in real property, a promissory note or other binding obligation to contribute money or property or any combination of the foregoing as shall be determined by a resolution of directors.

13. Shares in the Company may be issued for such amount of consideration as the directors may from time to time by resolution of directors determine, except that in the case of shares with par value, the amount shall not be less than the par value, and in the absence of fraud the decision of the directors as to the value of the consideration received by the Company in respect of the issue is conclusive unless a question of law is involved. The consideration in respect of the shares constitutes capital to the extent of the par value and the excess constitutes surplus.

14. A share issued by the Company upon conversion of, or in exchange for, another share or a debt obligation or other security in the Company, shall be treated for all purposes as having been issued for money equal to the consideration received or deemed to have been received by the Company in respect of the other share, debt obligation or security.

15. Treasury shares may be disposed of by the Company on such terms and conditions (not otherwise inconsistent with these Articles) as the Company may by resolution of directors determine.

16. The Company may issue fractions of a share and a fractional share shall have the same corresponding fractional liabilities, limitations, preferences, privileges, qualifications, restrictions, rights and other attributes of a whole share of the same class or series of shares.

17. Upon the issue by the Company of a share without par value, if an amount is stated in the Memorandum to be authorized capital represented by such shares then each share shall be issued for no less than the appropriate proportion of such amount which shall constitute capital, otherwise the consideration in respect of the share constitutes capital to the extent designated by the directors and the excess constitutes surplus, except that the directors must designate as capital an amount of the consideration that is at least equal to the amount that the share is entitled to as a preference, if any, in the assets of the Company upon liquidation of the Company.

18. The Company may purchase, redeem or otherwise acquire and hold its own shares but only out of surplus or in exchange for newly issued shares of equal value.

19. Subject to provisions to the contrary in

    (a) the Memorandum or these Articles;

    (b) the designations, powers, preferences, rights, qualifications, limitations and restrictions with which the shares were issued; or

    (c) the subscription agreement for the issue of the shares, the Company may not purchase, redeem or otherwise acquire its own shares without the consent of members whose shares are to be purchased, redeemed or otherwise acquired.

20. No purchase, redemption or other acquisition of shares shall be made unless the directors determine that immediately after the purchase, redemption or other acquisition the Company will be able to satisfy its liabilities as they become due in the ordinary course of its business and the realizable value of the assets of the Company will not be less than the sum of its total liabilities, other than deferred taxes, as shown in the books of account, and its capital and, in the absence of fraud, the decision of the directors as to the realizable value of the assets of the Company is conclusive, unless a question of law is involved.

21. A determination by the directors under the preceding Regulation is not required where shares are purchased, redeemed or otherwise acquired

    (a) pursuant to a right of a member to have his shares redeemed or to have his shares exchanged for money or other property of the Company;

    (b) by virtue of a transfer of capital pursuant to Regulation 49;

    (c) by virtue of the provisions of Section 83 of the Act; or

    (d) pursuant to an order of the Court.

22. Shares that the Company purchases, redeems or otherwise acquires pursuant to the preceding Regulation may be cancelled or held as treasury shares except to the extent that such shares are in excess of 80 percent of the issued shares of the Company in which case they shall be cancelled but they shall be available for reissue.

23. Where shares in the Company are held by the Company as treasury shares or are held by another company of which the Company holds, directly or indirectly, shares having more than 50 percent of the votes in the election of directors of the other company, such shares of the Company are not entitled to vote or to have dividends paid thereon and shall not be treated as outstanding for any purpose except for purposes of determining the capital of the Company.

24. The Company may purchase, redeem or otherwise acquire its shares at a price lower than the fair value if permitted by, and then only in accordance with, the terms of

    (a) the Memorandum or these Articles; or

    (b) a written agreement for the subscription for the shares to be purchased, redeemed or otherwise acquired.

25. The Company may by a resolution of directors include in the computation of surplus for any purpose the unrealized

appreciation of the assets of the Company, and, in the absence of fraud, the decision of the directors as to the value of the assets is conclusive, unless a question of law is involved.

MORTGAGES AND CHARGES OF REGISTERED SHARES

26. Members may mortgage or charge their registered shares in the Company and upon satisfactory evidence thereof the Company shall give effect to the terms of any valid mortgage or charge except insofar as it may conflict with any requirements herein contained for consent to the transfer of shares.

27. In the case of the mortgage or charge of registered shares there may be entered in the share register of the Company at the request of the registered holder of such shares

    (a) a statement that the shares are mortgaged or charged;

    (b) the name of the mortgagee or chargee; and

    (c) the date on which the aforesaid particulars are entered in the share register.

28. Where particulars of a mortgage or charge are registered, such particulars shall be cancelled

    (a) with the consent of the named mortgagee or chargee or anyone authorized to act on his behalf; or

    (b) upon evidence satisfactory to the directors of the discharge of the liability secured by the mortgage or charge and the issue of such indemnities as the directors shall consider necessary or desirable.

29. Whilst particulars of a mortgage or charge are registered, no transfer of any share comprised therein shall be effected without the written consent of the named mortgagee or chargee or anyone authorized to act on his behalf.

FORFEITURE

30. When shares issued for a promissory note or other written obligation for payment of a debt have been issued subject to forfeiture, the following provisions shall apply.

31. Written notice specifying a date for payment to be made and the shares in respect of which payment is to be made shall be served on the member who defaults in making payment pursuant to a promissory note or other written obligations to pay a debt.

32. The written notice specifying a date for payment shall

    (a) name a further date not earlier than the expiration of 14 days from the date of service of the notice on or

before which payment required by the notice is to be made; and

(b) contain a statement that in the event of non-payment at or before the time named in the notice the shares, or any of them, in respect of which payment is not made will be liable to be forfeited.

33. Where a written notice has been issued and the requirements have not been complied with within the prescribed time, the directors may at any time before tender of payment forfeit and cancel the shares to which the notice relates.

34. The Company is under no obligation to refund any moneys to the member whose shares have been forfeited and cancelled pursuant to these provisions. Upon forfeiture and cancellation of the shares the member is discharged from any further obligation to the Company with respect to the shares forfeited and cancelled.

LIEN

35. The Company shall have a first and paramount lien on every share issued for a promissory note or for any other binding obligation to contribute money or property or any combination thereof to the Company, and the Company shall also have a first and paramount lien on every share standing registered in the name of a member, whether singly or jointly with any other person or persons, for all the debts and liabilities of such member or his estate to the Company, whether the same shall have been incurred before or after notice to the Company of any interest of any person other than such member, and whether the time for the payment or discharge of the same shall have actually arrived or not, and notwithstanding that the same are joint debts or liabilities of such member or his estate and any other person, whether a member of the Company or not. The Company's lien on a share shall extend to all dividends payable thereon. The directors may at any time either generally, or in any particular case, waive any lien that has arisen or declare any share to be wholly or in part exempt from the provisions of this Regulation.

36. In the absence of express provisions regarding sale in the promissory note or other binding obligation to contribute money or property, the Company may sell, in such manner as the directors may by resolution of directors determine, any share on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable nor until the expiration of twenty-one days after a notice in writing, stating and demanding payment of the sum presently payable and giving notice of the intention to sell in default of such payment, has been served on the holder for the time being of the share.

37. The net proceeds of the sale by the Company of any shares on which it has a lien shall be applied in or towards payment of discharge of the promissory note or other binding

obligation to contribute money or property or any combination thereof in respect of which the lien exists so far as the same is presently payable and any residue shall (subject to a like lien for debts or liabilities not presently payable as existed upon the share prior to the sale) be paid to the holder of the share immediately before such sale. For giving effect to any such sale the directors may authorize some person to transfer the share sold to the purchaser thereof. The purchaser shall be registered as the holder of the share and he shall not be bound to see to the application of the purchase money, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the sale.

TRANSFER OF SHARES

38. Subject to any limitations in the Memorandum, registered shares in the Company may be transferred by a written instrument of transfer signed by the transferor and containing the name and address of the transferee, but in the absence of such written instrument of transfer the directors may accept such evidence of a transfer of shares as they consider appropriate.

39. The Company shall not be required to treat a transferee of a registered share in the Company as a member until the transferee's name has been entered in the share register.

40. Subject to any limitations in the Memorandum, the Company must on the application of the transferor or transferee of a registered share in the Company enter in the share register the name of the transferee of the share save that the registration of transfers may be suspended and the share register closed at such times and for such periods as the Company may from time to time by resolution of directors determine provided always that such registration shall not be suspended and the share register closed for more than 60 days in any period of 12 months.

TRANSMISSION OF SHARES

41. The executor or administrator of a deceased member, the guardian of an incompetent member or the trustee of a bankrupt member shall be the only person recognized by the Company as having any title to his share but they shall not be entitled to exercise any rights as a member of the Company until they have proceeded as set forth in the next following three Regulations.

42. The production to the Company of any document which is evidence of probate of the will, or letters of administration of the estate, or confirmation as executor, of a deceased member or of the appointment of a guardian of an incompetent member or the trustee of a bankrupt member shall be accepted by the Company even if the deceased, incompetent or bankrupt member is domiciled outside the British Virgin Islands if the document evidencing the grant of probate or letters of administration, confirmation as

executor, appointment as guardian or trustee in bankruptcy is issued by a foreign court which had competent jurisdiction in the matter. For the purpose of establishing whether or not a foreign court had competent jurisdiction in such a matter the directors may obtain appropriate legal advice. The directors may also require an indemnity to be given by the executor, administrator, guardian or trustee in bankruptcy.

43. Any person becoming entitled by operation of law or otherwise to a share or shares in consequence of the death, incompetence or bankruptcy of any member may be registered as a member upon such evidence being produced as may reasonably be required by the directors. An application by any such person to be registered as a member shall for all purposes be deemed to be a transfer of shares of the deceased, incompetent or bankrupt member and the directors shall treat it as such.

44. Any person who has become entitled to a share or shares in consequence of the death, incompetence or bankruptcy of any member may, instead of being registered himself, request in writing that some person to be named by him be registered as the transferee of such share or shares and such request shall likewise be treated as if it were a transfer.

45. What amounts to incompetence on the part of a person is a matter to be determined by the court having regard to all the relevant evidence and the circumstances of the case.

## REDUCTION OR INCREASE IN AUTHORIZED CAPITAL OR CAPITAL

46. The Company may by a resolution of directors and resolution of members amend the Memorandum to increase or reduce its authorized capital and in connection therewith the Company may in respect of any unissued shares increase or reduce the number of such shares, increase or reduce the par value of any such shares or effect any combination of the foregoing.

47. The Company may amend the Memorandum to

(a) divide the shares, including issued shares, of a class or series into a larger number of shares of the same class or series; or

(b) combine the shares, including issued shares, of a class or series into a smaller number of shares of the same class or series,

provided, however, that where shares are divided or combined under (a) or (b) of this Regulation, the aggregate par value of the new shares must be equal to the aggregate par value of the original shares.

48. The capital of the Company may by a resolution of directors be increased by transferring an amount of the surplus of the Company to capital.

49. Subject to the provisions of the two next succeeding Regulations, the capital of the Company may by resolution of directors be reduced by transferring an amount of the capital of the Company to surplus.

50. No reduction of capital shall be effected that reduces the capital of the Company to an amount that immediately after the reduction is less than the aggregate par value of all outstanding shares with par value and all shares with par value held by the Company as treasury shares and the aggregate of the amounts designated as capital of all outstanding shares without par value and all shares without par value held by the Company as treasury shares that are entitled to a preference, if any, in the assets of the Company upon liquidation of the Company.

51. No reduction of capital shall be effected unless the directors determine that immediately after the reduction the Company will be able to satisfy its liabilities as they become due in the ordinary course of its business and that the realizable assets of the Company will not be less than its total liabilities, other than deferred taxes, as shown in the books of the Company and its remaining capital, and, in the absence of fraud, the decision of the directors as to the realizable value of the assets of the Company is conclusive, unless a question of law is involved.

MEETINGS AND CONSENTS OF MEMBERS

52. The directors of the Company may convene meetings of the members of the Company at such times and in such manner and places within or outside the British Virgin Islands as the directors consider necessary or desirable.

53. Upon the written request of members holding 10 percent or more of the outstanding voting shares in the Company the directors shall convene a meeting of members.

54. The directors shall give not less than 7 days notice of meetings of members to those persons whose names on the date the notice is given appear as members in the share register of the Company and are entitled to vote at the meeting.

55. The directors may fix the date notice is given of a meeting of members as the record date for determining those shares that are entitled to vote at the meeting.

56. A meeting of members may be called on short notice:

(a) if members holding not less than 90 percent of the total number of shares entitled to vote on all matters to be considered at the meeting, or 90 percent of the votes of each class or series of shares where members are entitled to vote thereon as a class or series together with not less than a 90 percent majority of the remaining votes, have agreed to short notice of the meeting, or

(b) if all members holding shares entitled to vote on all or any matters to be considered at the meeting have waived notice of the meeting and for this purpose presence at the meeting shall be deemed to constitute waiver.

57. The inadvertent failure of the directors to give notice of a meeting to a member, or the fact that a member has not received notice, does not invalidate the meeting.

58. A member may be represented at a meeting of members by a proxy who may speak and vote on behalf of the member.

59. The instrument appointing a proxy shall be produced at the place appointed for the meeting before the time for holding the meeting at which the person named in such instrument proposes to vote.

60. An instrument appointing a proxy shall be in substantially the following form or such other form as the Chairman of the meeting shall accept as properly evidencing the wishes of the member appointing the proxy.

(Name of Company)

I/We _____ being a member of the above Company with _____ shares HEREBY APPOINT _____ of _____ or failing him _____ of _____ to be my/our proxy to vote for me/us at the meeting of members to be held on the day of _____ and at any adjournment thereof.

(Any restrictions on voting to be inserted here.)

Signed this __ day of ____

_____
Member

61. The following shall apply in respect of joint ownership of shares:

(a) if two or more persons hold shares jointly each of them may be present in person or by proxy at a meeting of members and may speak as a member;

(b) if only one of the joint owners is present in person or by proxy he may vote on behalf of all joint owners, and

(c) if two or more of the joint owners are present in person or by proxy they must vote as one.

62. A member shall be deemed to be present at a meeting of members if he participates by telephone or other electronic means and all members participating in the meeting are able to hear each other.

63. A meeting of members is duly constituted if, at the commencement of the meeting, there are present in person or by proxy not less than 50 percent of the votes of the shares or class or series of shares entitled to vote on resolutions of members to be considered at the meeting. If a quorum be present, notwithstanding the fact that such quorum may be represented by only one person then such person may resolve any matter and a certificate signed by such person accompanied where such person be a proxy by a copy of the proxy form shall constitute a valid resolution of members.

64. If within two hours from the time appointed for the meeting a quorum is not present, the meeting, if convened upon the requisition of members, shall be dissolved; in any other case it shall stand adjourned to the next business day at the same time and place or to such other time and place as the directors may determine, and if at the adjourned meeting there are present within one hour from the time appointed for the meeting in person or by proxy not less than one third of the votes of the shares or each class or series of shares entitled to vote on the resolutions to be considered by the meeting, those present shall constitute a quorum but otherwise the meeting shall be dissolved.

65. At every meeting of members, the Chairman of the Board of Directors shall preside as chairman of the meeting. If there is no Chairman of the Board of Directors or if the Chairman of the Board of Directors is not present at the meeting, the members present shall choose some one of their number to be the chairman. If the members are unable to choose a chairman for any reason, then the person representing the greatest number of voting shares present in person or by prescribed form of proxy at the meeting shall preside as chairman failing which the oldest individual member or representative of a member present shall take the chair.

66. The chairman may, with the consent of the meeting, adjourn any meeting from time to time, and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place.

67. At any meeting of the members the chairman shall be responsible for deciding in such manner as he shall consider appropriate whether any resolution has been carried or not and the result of his decision shall be announced to the meeting and recorded in the minutes thereof. If the chairman shall have any doubt as to the outcome of any resolution put to the vote, he shall cause a poll to be taken of all votes cast upon such resolution, but if the chairman shall fail to take a poll then any member present in person or by proxy who disputes the announcement by the chairman of the result of any vote may immediately following such announcement demand that a poll be taken and the chairman shall thereupon cause a poll to be taken. If a poll is taken at any meeting, the result thereof shall be

duly recorded in the minutes of that meeting by the chairman.

68. Any person other than an individual shall be regarded as one member and subject to the specific provisions hereinafter contained for the appointment of representatives of such persons the right of any individual to speak for or represent such member shall be determined by the law of the jurisdiction where, and by the documents by which, the person is constituted or derives its existence. In case of doubt, the directors may in good faith seek legal advice from any qualified person and unless and until a court of competent jurisdiction shall otherwise rule, the directors may rely and act upon such advice without incurring any liability to any member.

69. Any person other than an individual which is a member of the Company may by resolution of its directors or other governing body authorize such person as it thinks fit to act as its representative at any meeting of the Company or of any class of members of the Company, and the person so authorized shall be entitled to exercise the same powers on behalf of the person which he represents as that person could exercise if it were an individual member of the Company.

70. The chairman of any meeting at which a vote is cast by proxy or on behalf of any person other than an individual may call for a notarially certified copy of such proxy or authority which shall be produced within 7 days of being so requested or the votes cast by such proxy or on behalf of such person shall be disregarded.

71. Directors of the Company may attend and speak at any meeting of members of the Company and at any separate meeting of the holders of any class or series of shares in the Company.

72. An action that may be taken by the members at a meeting may also be taken by a resolution of members consented to in writing or by telex, telegram, cable, facsimile or other written electronic communication, without the need for any notice, but if any resolution of members is adopted otherwise than by the unanimous written consent of all members, a copy of such resolution shall forthwith be sent to all members not consenting to such resolution. The consent may be in the form of counterparts, each counterpart being signed by one or more members.

## DIRECTORS

73. The first directors of the Company shall be appointed by the subscribers to the Memorandum; and thereafter, the directors shall be elected by the members for such term as the members determine.

74. The minimum number of directors shall be one and the maximum number shall be 7.

75. Each director shall hold office for the term, if any, fixed by resolution of members or until his earlier death, resignation or removal.

76. A director may be removed from office, with or without cause, by a resolution of members or, with cause, by a resolution of directors.

77. A director may resign his office by giving written notice of his resignation to the Company and the resignation shall have effect from the date the notice is received by the Company or from such later date as may be specified in the notice.

78. The directors may at any time appoint any person to be a director either to fill a vacancy or as an addition to the existing directors. A vacancy occurs through the death, resignation or removal of a director, but a vacancy or vacancies shall not be deemed to exist where one or more directors shall resign after having appointed his or their successor or successors.

79. The Company may determine by resolution of directors to keep a register of directors containing

    (a) the names and addresses of the persons who are directors of the Company;

    (b) the date on which each person whose name is entered in the register was appointed as a director of the Company; and

    (c) the date on which each person named as a director ceased to be a director of the Company.

80. If the directors determine to maintain a register of directors, a copy thereof shall be kept at the registered office of the Company and the Company may determine by resolution of directors to register a copy of the register with the Registrar of Companies.

81. With the prior or subsequent approval by a resolution of members, the directors may, by a resolution of directors, fix the emoluments of directors with respect to services to be rendered in any capacity to the Company.

82. A director shall not require a share qualification and may be an individual or a company.

POWERS OF DIRECTORS

83. The business and affairs of the Company shall be managed by the directors who may pay all expenses incurred preliminary to and in connection with the formation and registration of the Company and may exercise all such powers of the Company as are not by the Act or by the Memorandum or these Articles required to be exercised by the members of the Company, subject to any delegation of such powers as may be

authorized by these Articles and to such requirements as may be prescribed by a resolution of members; but no requirement made by a resolution of members shall prevail if it be inconsistent with these Articles nor shall such requirement invalidate any prior act of the directors which would have been valid if such requirement had not been made.

84. The directors may, by a resolution of directors, appoint any person, including a person who is a director, to be an officer or agent of the Company. The resolution of directors appointing an agent may authorize the agent to appoint one or more substitutes or delegates to exercise some or all of the powers conferred on the agent by the Company.

85. Every officer or agent of the Company has such powers and authority of the directors, including the power and authority to affix the Seal, as are set forth in these Articles or in the resolution of directors appointing the officer or agent, except that no officer or agent has any power or authority with respect to the matters requiring a resolution of directors under the Act.

86. Any director which is a body corporate may appoint any person its duly authorized representative for the purpose of representing it at meetings of the Board of Directors or with respect to unanimous written consents.

87. The continuing directors may act notwithstanding any vacancy in their body, save that if their number is reduced to their knowledge below the number fixed by or pursuant to these Articles as the necessary quorum for a meeting of directors, the continuing directors or director may act only for the purpose of appointing directors to fill any vacancy that has arisen or for summoning a meeting of members.

88. The directors may by resolution of directors exercise all the powers of the Company to borrow money and to mortgage or charge its undertakings and property or any part thereof, to issue debentures, debenture stock and other securities whenever money is borrowed or as security for any debt, liability or obligation of the Company or of any third party.

89. All cheques, promissory notes, drafts, bills of exchange and other negotiable instruments and all receipts for moneys paid to the Company, shall be signed, drawn, accepted, endorsed or otherwise executed, as the case may be, in such manner as shall from time to time be determined by resolution of directors.

90. The Company may determine by resolution of directors to maintain at its registered office a register of mortgages, charges and other encumbrances in which there shall be entered the following particulars regarding each mortgage, charge and other encumbrance:

    (a) the sum secured;

(b) the assets secured;

(c) the name and address of the mortgagee, chargee or other encumbrancer;

(d) the date of creation of the mortgage, charge or other encumbrance; and

(e) the date on which the particulars specified above in respect of the mortgage, charge or other encumbrance are entered in the register.

91. The Company may further determine by a resolution of directors to register a copy of the register of mortgages, charges or other encumbrances with the Registrar of Companies.

PROCEEDINGS OF DIRECTORS

92. The directors of the Company or any committee thereof may meet at such times and in such manner and places within or outside the British Virgin Islands as the directors may determine to be necessary or desirable.

93. A director shall be deemed to be present at a meeting of directors if he participates by telephone or other electronic means and all directors participating in the meeting are able to hear each other.

94. A director shall be given not less than 3 days notice of meetings of directors, but a meeting of directors held without 3 days notice having been given to all directors shall be valid if all the directors entitled to vote at the meeting who do not attend, waive notice of the meeting and for this purpose, the presence of a director at a meeting shall constitute waiver on his part. The inadvertent failure to give notice of a meeting to a director, or the fact that a director has not received the notice, does not invalidate the meeting.

95. A director may by a written instrument appoint an alternate who need not be a director and an alternate is entitled to attend meetings in the absence of the director who appointed him and to vote or consent in place of the director.

96. A meeting of directors is duly constituted for all purposes if at the commencement of the meeting there are present in person or by alternate not less than one-half of the total number of directors, unless there are only 2 directors in which case the quorum shall be 2.

97. If the Company shall have only one director the provisions herein contained for meetings of the directors shall not apply but such sole director shall have full power to represent and act for the Company in all matters as are not by the Act or the Memorandum or these Articles required to be exercised by the members of the Company and in lieu of minutes of a meeting shall record in writing and sign a note

or memorandum of all matters requiring a resolution of directors. Such a note or memorandum shall constitute sufficient evidence of such resolution for all purposes.

98. At every meeting of the directors the Chairman of the Board of Directors shall preside as chairman of the meeting. If there is no Chairman of the Board of Directors or if the Chairman of the Board of Directors is not present at the meeting the Vice-Chairman of the Board of Directors shall preside. If there is no Vice-Chairman of the Board of Directors or if the Vice-Chairman of the Board of Directors is not present at the meeting the directors present shall choose some one of their number to be chairman of the meeting.

99. An action that may be taken by the directors or a committee of directors at a meeting may also be taken by a resolution of directors or a committee of directors consented to in writing or by telex, telegram, cable, facsimile or other written electronic communication by all directors or all members of the committee as the case may be, without the need for any notice. The consent may be in the form of counterparts, each counterpart being signed by one or more directors.

100. The directors shall cause the following corporate records to be kept:

    (a) minutes of all meetings of directors, members, committees of directors, committees of officers and committees of members;

    (b) copies of all resolutions consented to by directors, members, committees of directors, committees of officers and committees of members; and

    (c) such other accounts and records as the directors by resolution of directors consider necessary or desirable in order to reflect the financial position of the Company.

101. The books, records and minutes shall be kept at the registered office of the Company, its principal place of business or at such other place as the directors determine.

102. The directors may, by resolution of directors, designate one or more committees, each consisting of one or more directors.

103. Each committee of directors has such powers and authorities of the directors, including the power and authority to affix the Seal, as are set forth in the resolution of directors establishing the committee, except that no committee has any power or authority to amend the Memorandum or these Articles, to appoint directors or fix their emoluments, or to appoint officers or agents of the Company.

104. The meetings and proceedings of each committee of directors consisting of 2 or more directors shall be governed mutatis mutandis by the provisions of these Articles regulating the proceedings of directors so far as the same are not superseded by any provisions in the resolution establishing the committee.

OFFICERS

105. The Company may by resolution of directors appoint officers of the Company at such times as shall be considered necessary or expedient. Such officers may consist of a Chairman of the Board of Directors, a Vice-Chairman of the Board of Directors, a President and one or more Vice-Presidents, Secretaries and Treasurers and such other officers as may from time to time be deemed desirable. Any number of offices may be held by the same person.

106. The officers shall perform such duties as shall be prescribed at the time of their appointment subject to any modification in such duties as may be prescribed thereafter by resolution of directors or resolution of members, but in the absence of any specific allocation of duties it shall be the responsibility of the Chairman of the Board of Directors to preside at meetings of directors and members, the Vice-Chairman to act in the absence of the Chairman, the President to manage the day to day affairs of the Company, the Vice-Presidents to act in order of seniority in the absence of the President but otherwise to perform such duties as may be delegated to them by the President, the Secretaries to maintain the share register, minute books and records (other than financial records) of the Company and to ensure compliance with all procedural requirements imposed on the Company by applicable law, and the Treasurer to be responsible for the financial affairs of the Company.

107. The emoluments of all officers shall be fixed by resolution of directors.

108. The officers of the Company shall hold office until their successors are duly elected and qualified, but any officer elected or appointed by the directors may be removed at any time, with or without cause, by resolution of directors. Any vacancy occurring in any office of the Company may be filled by resolution of directors.

CONFLICT OF INTERESTS

109. No agreement or transaction between the Company and one or more of its directors or any person in which any director has a financial interest or to whom any director is related, including as a director of that other person, is void or voidable for this reason only or by reason only that the director is present at the meeting of directors or at the meeting of the committee of directors that approves the agreement or transaction or that the vote or consent of the director is counted for that purpose if the material facts of the interest of each director in the agreement or

transaction and his interest in or relationship to any other party to the agreement or transaction are disclosed in good faith or are known by the other directors.

110. A director who has an interest in any particular business to be considered at a meeting of directors or members may be counted for purposes of determining whether the meeting is duly constituted.

INDEMNIFICATION

111. Subject to the limitations hereinafter provided the Company may indemnify against all expenses, including legal fees, and against all judgments, fines and amounts paid in settlement and reasonably incurred in connection with legal, administrative or investigative proceedings any person who

(a) is or was a party or is threatened to be made a party to any threatened, pending or completed proceedings, whether civil, criminal, administrative or investigative, by reason of the fact that the person is or was a director, an officer or a liquidator of the Company; or

(b) is or was, at the request of the Company, serving as a director, officer or liquidator of, or in any other capacity is or was acting for, another company or a partnership, joint venture, trust or other enterprise.

112. The Company may only indemnify a person if the person acted honestly and in good faith with a view to the best interests of the Company and, in the case of criminal proceedings, the person had no reasonable cause to believe that his conduct was unlawful.

113. The decision of the directors as to whether the person acted honestly and in good faith and with a view to the best interests of the Company and as to whether the person had no reasonable cause to believe that his conduct was unlawful is, in the absence of fraud, sufficient for the purposes of these Articles, unless a question of law is involved.

114. The termination of any proceedings by any judgment, order, settlement, conviction or the entering of a nolle prosequi does not, by itself, create a presumption that the person did not act honestly and in good faith and with a view to the best interests of the Company or that the person had reasonable cause to believe that his conduct was unlawful.

115. If a person to be indemnified has been successful in defence of any proceedings referred to above the person is entitled to be indemnified against all expenses, including legal fees, and against all judgments, fines and amounts paid in settlement and reasonably incurred by the person in connection with the proceedings.

116. The Company may purchase and maintain insurance in relation to any person who is or was a director, an officer or a

liquidator of the Company, or who at the request of the Company is or was serving as a director, an officer or a liquidator of, or in any other capacity is or was acting for, another company or a partnership, joint venture, trust or other enterprise, against any liability asserted against the person and incurred by the person in that capacity, whether or not the Company has or would have had the power to indemnify the person against the liability as provided in these Articles.

SEAL

117. The Company may have more than one Seal and references herein to the Seal shall be references to every Seal which shall have been duly adopted by resolution of directors. The directors shall provide for the safe custody of the Seal and for an imprint thereof to be kept at the Registered Office. Except as otherwise expressly provided herein the Seal when affixed to any written instrument shall be witnessed and attested to by the signature of a director or any other person so authorized from time to time by resolution of directors. Such authorization may be before or after the Seal is affixed, may be general or specific and may refer to any number of sealings. The Directors may provide for a facsimile of the Seal and of the signature of any director or authorized person which may be reproduced by printing or other means on any instrument and it shall have the same force and validity as if the Seal had been affixed to such instrument and the same had been signed as hereinbefore described.

DIVIDENDS

118. The Company may by a resolution of directors declare and pay dividends in money, shares, or other property, but dividends shall only be declared and paid out of surplus. In the event that dividends are paid in specie the directors shall have responsibility for establishing and recording in the resolution of directors authorizing the dividends, a fair and proper value for the assets to be so distributed.

119. The directors may from time to time pay to the members such interim dividends as appear to the directors to be justified by the profits of the Company.

120. The directors may, before declaring any dividend, set aside out of the profits of the Company such sum as they think proper as a reserve fund, and may invest the sum so set aside as a reserve fund upon such securities as they may select.

121. No dividend shall be declared and paid unless the directors determine that immediately after the payment of the dividend the Company will be able to satisfy its liabilities as they become due in the ordinary course of its business and the realizable value of the assets of the Company will not be less than the sum of its total liabilities, other than deferred taxes, as shown in its books of account, and its

capital. In the absence of fraud, the decision of the directors as to the realizable value of the assets of the Company is conclusive, unless a question of law is involved.

122. Notice of any dividend that may have been declared shall be given to each member in manner hereinafter mentioned and all dividends unclaimed for 3 years after having been declared may be forfeited by resolution of directors for the benefit of the Company.

123. No dividend shall bear interest as against the Company and no dividend shall be paid on treasury shares or shares held by another company of which the Company holds, directly or indirectly, shares having more than 50 percent of the vote in electing directors.

124. A share issued as a dividend by the Company shall be treated for all purposes as having been issued for money equal to the surplus that is transferred to capital upon the issue of the share.

125. In the case of a dividend of authorized but unissued shares with par value, an amount equal to the aggregate par value of the shares shall be transferred from surplus to capital at the time of the distribution.

126. In the case of a dividend of authorized but unissued shares without par value, the amount designated by the directors shall be transferred from surplus to capital at the time of the distribution, except that the directors must designate as capital an amount that is at least equal to the amount that the shares are entitled to as a preference, if any, in the assets of the Company upon liquidation of the Company.

127. A division of the issued and outstanding shares of a class or series of shares into a larger number of shares of the same class or series having a proportionately smaller par value does not constitute a dividend of shares.

(b) all the information and explanations required by the auditors have been obtained.

134. The report of the auditors shall be annexed to the accounts and shall be read at the meeting of members at which the accounts are laid before the Company or shall be served on the members.

135. Every auditor of the Company shall have a right of access at all times to the books of account and vouchers of the Company, and shall be entitled to require from the directors and officers of the Company such information and explanations as he thinks necessary for the performance of the duties of the auditors.

136. The auditors of the Company shall be entitled to receive notice of, and to attend any meetings of members of the Company at which the Company's profit and loss account and balance sheet are to be presented.

The Trustee, each Paying Agent and the Registrar shall be entitled to deal with any depositary (including the Depository), and any nominee thereof, that is the Holder of any Global Note for all purposes of this Indenture relating to such Global Note (including the payment of principal, premium, if any, and interest and additional amounts, if any, and the giving of instructions or directions by or to the owner or holder of a beneficial ownership interest in such Global Note) as the sole Holder of such Global Note and shall have no obligations to the beneficial owners thereof. None of the Trustee, any Paying Agent or the Registrar shall have any responsibility or liability for any acts or omissions of any such depositary with respect to such Global Note, for the records of any such depositary, including records in respect of beneficial ownership interests in respect of any such Global Note, for any transactions between such depositary and any participant in such depositary or between or among any such depositary, any such participant and/or any holder or owner of a beneficial interest in such Global Note or for any transfers of beneficial interests in any such Global Note.

The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depository participants, members or beneficial owners in the Global Notes) other than to make any required delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Section 2.07 *Replacement Notes.*

If any mutilated Note is surrendered to the Trustee or the Issuers and the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Issuers will issue and the Trustee, upon receipt of an Authentication Order, will authenticate a replacement Note if the Trustee's requirements are met. If required by the Trustee or the Issuers, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Issuers to protect the Issuers, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Issuers may charge for its expenses in replacing a Note, including reasonable fees and expenses of counsel and of the Trustee and its counsel.

Every replacement Note is an additional obligation of the Issuers and will be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.08 *Outstanding Notes.*

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because the Issuers or an Affiliate of the Issuers holds the Note; however, Notes held by an Issuer or a Subsidiary of an Issuer shall not be deemed to be outstanding for purposes of Section 3.07(a) hereof.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than MagnaChip or any of its Subsidiaries or MagnaChip Semiconductor LLC or an Affiliate of any thereof) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes will be deemed to be no longer outstanding and will cease to accrue interest.

Section 2.09 *Treasury Notes.*

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Issuers or any Guarantor, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Issuers or any Guarantor, will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in relying on any such direction, waiver or consent, only Notes that the Trustee knows are so owned will be so disregarded.

Section 2.10 *Temporary Notes.*

Until certificates representing Notes are ready for delivery, the Issuers may prepare and the Trustee, upon receipt of an Authentication Order, will authenticate temporary Notes. Temporary Notes will be substantially in the form of certificated Notes but may have variations that the Issuers considers appropriate for temporary Notes and as may be reasonably acceptable to the Trustee. Without unreasonable delay, the Issuers will prepare and the Trustee will authenticate definitive Notes in exchange for temporary Notes.

Holders of temporary Notes will be entitled to all of the benefits of this Indenture.

Section 2.11 *Cancellation.*

The Issuers at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent will forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else will cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and will destroy canceled Notes (subject to the record retention requirement of the Exchange Act). Certification of the disposition of all canceled Notes will be delivered to the Issuers upon request. The Issuers may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.12 *Defaulted Interest.*

If the Issuers default in a payment of interest on the Notes, it will pay the defaulted interest in any lawful manner *plus*, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Issuers will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Issuers will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Issuers (or, upon the written request of the Issuers, the Trustee in the name and at the expense of the Issuers) will mail or cause to be mailed to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

**ARTICLE 3.**
REDEMPTION AND PREPAYMENT

Section 3.01 *Notices to Trustee.*

If the Issuers elect to redeem Notes pursuant to the optional redemption provisions of Section 3.07 hereof, they must furnish to the Trustee, at least 30 days but not more than 60 days before a redemption date, an Officers' Certificate setting forth:

(1) the clause of this Indenture pursuant to which the redemption shall occur;

(2) the redemption date;

(3) the principal amount of Notes to be redeemed; and

(4) the redemption price.

Section 3.02 *Selection of Notes to Be Redeemed or Purchased.*

If less than all of the Notes are to be redeemed or purchased in an offer to purchase at any time, the Trustee will select Notes for redemption or purchase on a *pro rata* basis unless otherwise required by law or applicable stock exchange requirements.

The Trustee will promptly notify the Issuers in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected will be in amounts equal to $1,000 or an integral multiple of $1,000 in excess of $1,000; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder, even if not a multiple of $1,000, shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

Section 3.03 *Notice of Redemption.*

Subject to the provisions of Section 3.09 hereof, at least 30 days but not more than 60 days before a redemption date, the Issuers will mail or cause to be mailed, by first class mail, a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Articles 8 or 11, respectively, hereof.

The notice will identify the Notes to be redeemed and will state:

(1) the redemption date;

(2) the redemption price;

(3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note;

(4) the name and address of the Paying Agent;

(5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(6) that, unless the Issuers default in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;

(7) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and

(8) that no representation is made as to the correctness or accuracy of the CUSIP or ISIN number, if any, listed in such notice or printed on the Notes.

At the Issuers' request, the Trustee will give the notice of redemption in the Issuers' names and at their expense; *provided, however*, that the Issuers have delivered to the Trustee, at least 45 days prior to the redemption date, an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Section 3.04 *Effect of Notice of Redemption.*

Once notice of redemption is mailed in accordance with Section 3.03 hereof, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price. A notice of redemption may not be conditional.

Section 3.05 *Deposit of Redemption or Purchase Price.*

One Business Day prior to the redemption or purchase date, the Issuers will deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued interest and Liquidated Damages, if any, on all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent will promptly return to the Issuers any money deposited with the Trustee or the Paying Agent by the Issuers in excess of the amounts necessary to pay the redemption or purchase price of, and accrued interest and Liquidated Damages, if any, on, all Notes to be redeemed or purchased.

If the Issuers comply with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest will cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Issuers to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

Section 3.06 *Notes Redeemed or Purchased in Part.*

Upon surrender of a Note that is redeemed or purchased in part, the Issuers will issue and, upon receipt of an Authentication Order, the Trustee will authenticate for the Holder at the expense of the Issuers a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered.

Section 3.07 *Optional Redemption.*

Section 3.08 *Mandatory Redemption.*

The Issuers are not required to make mandatory redemption or sinking fund payments with respect to the Notes.

Section 3.09 *Offer to Purchase by Application of Excess Proceeds.*

In the event that, pursuant to Section 4.10 hereof, the Issuers are required to commence an offer to all Holders to purchase Notes (an "*Asset Sale Offer*"), it will follow the procedures specified below.

The Asset Sale Offer shall be made to all Holders and all holders of other Parity Lien Obligations containing provisions similar to those set forth in this Indenture with respect to offers to purchase or redeem with the proceeds of sales of assets casualty or condemnation events. The Asset Sale Offer will remain open for a period of at least 20 Business Days following its commencement and not more than 30 Business Days, except to the extent that a longer period is required by applicable law (the "*Offer Period*"). No later than three Business Days after the termination of the Offer Period (the "*Purchase Date*"), the Issuers will apply all Excess Proceeds remaining after any required application of such Excess Proceeds to the repayment of Priority Lien Obligations (such remaining amount, the *"Offer Amount"*) to the purchase of Notes and such other Parity Lien Obligations (on a *pro rata* basis, if applicable) or, if less

than the Offer Amount has been tendered, all Notes and other Parity Lien Obligations tendered in response to the Asset Sale Offer. Payment for any Notes so purchased will be made in the same manner as interest payments are made.

If the Purchase Date is on or after an interest record date and on or before the related interest payment date, any accrued and unpaid interest and Liquidated Damages, if any, will be paid to the Person in whose name a Note is registered at the close of business on such record date, and no additional interest will be payable to Holders who tender Notes pursuant to the Asset Sale Offer.

Upon the commencement of an Asset Sale Offer, the Issuers will send, by first class mail, a notice to the Trustee and each of the Holders, with a copy to the Trustee. The notice will contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Asset Sale Offer. The notice, which will govern the terms of the Asset Sale Offer, will state:

(1) that the Asset Sale Offer is being made pursuant to this Section 3.09 and Section 4.10 hereof and the length of time the Asset Sale Offer will remain open;

(2) the Offer Amount, the purchase price and the Purchase Date;

(3) that any Note not tendered or accepted for payment will continue to accrue interest;

(4) that, unless the Issuers default in making such payment, any Note accepted for payment pursuant to the Asset Sale Offer will cease to accrue interest after the Purchase Date;

(7) that Holders will be entitled to withdraw their election if the Issuers, the Depositary or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;

(8) that, if the aggregate principal amount of Notes or other *pari passu* Indebtedness surrendered by holders thereof exceeds the Offer Amount, the Issuers will select the Notes and other *pari passu* Indebtedness to be purchased on a *pro rata* basis based on the principal amount of Notes and such other *pari passu* Indebtedness surrendered (with such adjustments as may be deemed appropriate by the Issuers so that only Notes in denominations of $1,000, or integral multiples thereof, will be purchased); and

(9) that Holders whose Notes were purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

On or before the Purchase Date, the Issuers will, to the extent lawful, accept for payment, on a *pro rata* basis to the extent necessary, the Offer Amount of Notes or portions thereof tendered pursuant to the Asset Sale Offer, or if less than the Offer Amount has been tendered, all Notes tendered, and will deliver or cause to be delivered to the Trustee the Notes properly accepted with an Officers' Certificate stating that such Notes or portions thereof were accepted for payment by the Issuers in accordance with the terms of this Section 3.09. The Issuers, the Depositary or the Paying Agent, as the case may be, will promptly (but in any case not later than five days after the Purchase Date) mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes tendered by such Holder and accepted by the Issuers for purchase, and the Issuers will promptly issue a new Note, and the Trustee, upon written request from the Issuers, will authenticate and mail or deliver (or cause to be transferred by book entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered. Any Note not so accepted shall be promptly mailed or delivered by the Issuers to the Holder thereof. The Issuers will publicly announce the results of the Asset Sale Offer on the Purchase Date.

Other than as specifically provided in this Section 3.09, any purchase pursuant to this Section 3.09 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

Section 3.10 *Redemption for Changes in Taxes*. The Issuers may redeem each series of the Notes, in whole but not in part, at their discretion at any time at a redemption price equal to the principal amount thereof, together with accrued and unpaid interest and Liquidated Damages, if any, to the date fixed by the Issuers for redemption (a *"Tax Redemption Date"*) and all Additional Amounts (if any) then due and which will become due on the Tax Redemption Date as a result of the redemption or otherwise (subject to the right of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date and Additional Amounts (if any) in respect thereof), if on the next date on which any amount would be payable in respect of the Notes, the Issuers have or would be required to pay Additional Amounts, and the Issuers cannot avoid any such payment obligation taking reasonable measures available to them, as a result of:

(1) any change in, or amendment to, the laws or treaties (or any regulations, or rulings promulgated thereunder) of the relevant Tax Jurisdiction affecting taxation which change or amendment has not been publicly announced as formally adopted and which becomes effective on or after the Issue Date (or, if the relevant Tax Jurisdiction has changed since the Issue Date, the date on which the then current Tax Jurisdiction became the applicable Tax Jurisdiction under this Indenture); or

(2) any change in, or amendment to, the existing official position or the introduction of an official position regarding the application, administration or interpretation of such laws, treaties, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction or a change in published practice), which change, amendment, application or interpretation has not been publicly announced as formally adopted and becomes effective on or after the Issue Date (or, if the relevant Tax Jurisdiction has changed since the Issue Date, the date on which the then current Tax Jurisdiction became the applicable Tax Jurisdiction under this Indenture).

The Issuers will not give any such notice of redemption earlier than 90 days prior to the earliest date on which the Issuers would be obligated to make such payment or withholding if a payment in respect of the Notes were then due. Prior to the publication or, where relevant, mailing of any notice of redemption of the Notes pursuant to the foregoing, the Issuers will deliver the Trustee an opinion of counsel, the choice of such counsel to be subject to the prior written approval of the Trustee (such approval not to be unreasonably withheld) to the effect that there has been such change or amendment which would entitle the Issuers to redeem the Notes hereunder and the Issuers cannot avoid any obligation to pay Additional Amounts taking reasonable measures available.

**ARTICLE 4.**
COVENANTS

Section 4.01 *Payment of Notes.*

The Issuers will pay or cause to be paid the principal of, premium, if any, and interest and Liquidated Damages, if any, on, the Notes on the dates and in the manner provided in the Notes. The Issuers will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuers fail to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Issuers may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission will in any manner relieve the Issuers of their obligation to maintain an office or agency in the Borough of Manhattan, the City of New York for such purposes. The Issuers will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Issuers hereby designate the Corporate Trust Office of the Trustee as one such office or agency of the Issuers in accordance with Section 2.03 hereof.

Section 4.03 *Reports.*

(a) Whether or not required by the rules and regulations of the SEC, so long as any Notes are outstanding, MagnaChip will furnish to the Holders of Notes and the Initial Purchasers or cause to be furnished to the Holders of Notes and the Initial Purchasers, within the time periods specified in the SEC's rules and regulations:

In addition, following the consummation of the Exchange Offer contemplated by the Registration Rights Agreement, MagnaChip will file a copy of each of the reports referred to in clauses (1) and (2) above with the SEC for public availability within the time periods specified in the rules and regulations applicable to such reports (unless the SEC will not accept such a filing) and will post the reports on its website within those time periods. US LLC's reporting obligations with respect to clauses (1) and (2) above shall be deemed satisfied in the event the Issuers file such reports with the SEC on EDGAR and deliver a copy of such reports to the Trustee.

If, at any time after consummation of the Exchange Offer contemplated by the Registration Rights Agreement, MagnaChip is no longer subject to the periodic reporting requirements of the Exchange Act for any reason, MagnaChip will nevertheless continue filing the reports specified in the preceding paragraphs of this covenant with the SEC within the time periods specified above unless the SEC will not accept such a filing. MagnaChip will not take any action for the purpose of causing the SEC not to accept any such filings. If, notwithstanding the foregoing, the SEC will not accept MagnaChip's filings for any reason, MagnaChip will post the reports referred to in the preceding paragraphs on its website within the time periods that would apply if MagnaChip were required to file those reports with the SEC.

(b) In addition, MagnaChip and the Guarantors agree that, for so long as any Notes remain outstanding, if at any time they are not required to file with the SEC the reports required by the preceding paragraphs, they will furnish to the Holders of Notes and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

Section 4.04 *Compliance Certificate.*

(a) The Issuers and each Guarantor (to the extent that such Guarantor is so required under the TIA) shall deliver to the Trustee, within 90 days after the end of each fiscal year, an Officers' Certificate stating that a review of the activities of the Issuers and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officers with a view to determining whether the Issuers have kept, observed, performed and fulfilled its obligations under this Indenture, and further stating, as to each such Officer signing such certificate, that to the best of their knowledge the Issuers have kept, observed, performed and fulfilled each and every covenant contained in this Indenture and is not in default in the performance or observance of any of the terms, provisions and conditions of this

(c) So long as any of the Notes are outstanding, the Issuers will deliver to the Trustee, forthwith upon any Officer becoming aware of any Default or Event of Default, an Officers' Certificate specifying such Default or Event of Default and what action the Issuers are taking or propose to take with respect thereto.

Section 4.05 *Taxes*.

The Issuers will pay, and will cause each of their Subsidiaries and MagnaChip Semiconductor LLC to pay, prior to delinquency, all material taxes, assessments, and governmental levies except such as are contested in good faith and by appropriate proceedings or where the failure to effect such payment is not adverse in any material respect to the Holders of the Notes.

Section 4.06 *Stay, Extension and Usury Laws*.

The Issuers and each of the Guarantors covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Issuers and each of the Guarantors (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and covenants that they will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.07 *Restricted Payments*.

(a) MagnaChip will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly:

(1) declare or pay any dividend or make any other payment or distribution on account of MagnaChip's or any of its Restricted Subsidiaries' Equity Interests (including, without limitation, any payment in connection with any merger or consolidation involving MagnaChip or any of its Restricted Subsidiaries) or to the direct or indirect holders of MagnaChip's or any of its Restricted Subsidiaries' Equity Interests in their capacity as such (other than dividends, payments, or distributions payable in Equity Interests (other than

Disqualified Stock) of MagnaChip, any of its direct or indirect parent entities or any of its Restricted Subsidiaries and other than dividends, payments, or distributions payable to MagnaChip, any of its direct or indirect parent entities or a Restricted Subsidiary of MagnaChip);

(2) purchase, redeem or otherwise acquire or retire for value (including, without limitation, in connection with any merger or consolidation involving MagnaChip) any Equity Interests of US LLC;

(3) make any payment on or with respect to, or purchase, redeem, defease or otherwise acquire or retire for value any Indebtedness of MagnaChip or any Restricted Subsidiary that is contractually subordinated to the Notes or to any Note Guarantee (excluding any intercompany Indebtedness between or among MagnaChip, any of its direct or indirect parent entities that is a Guarantor and any of its Restricted Subsidiaries that is a Guarantor), except a payment of interest or principal at the Stated Maturity thereof; or

(4) make any Restricted Investment (all such payments and other actions set forth in these clauses (1) through (4) above being collectively referred to as "*Restricted Payments*"),

unless, at the time of and after giving effect to such Restricted Payment:

(1) no Default or Event of Default has occurred and is continuing or would occur as a consequence of such Restricted Payment;

(2) MagnaChip would, at the time of such Restricted Payment and after giving pro forma effect thereto as if such Restricted Payment had been made at the beginning of the applicable four-quarter period, have been permitted to incur at least $1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.09(a) hereof; and

(3) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by MagnaChip and its Restricted Subsidiaries since the Issue Date (excluding Restricted Payments permitted by clauses (2), (5), (6), (8), (9), (10) and (11) of paragraph (b) of this Section 4.07), is less than the sum, without duplication of:

(A) 50% of the Consolidated Net Income of US LLC for the period (taken as one accounting period) from the beginning of the first fiscal quarter commencing after the Issue Date to the end of US LLC's most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment (or, if such Consolidated Net Income for such period is a deficit, less 100% of such deficit); *plus*

(B) 100% of the aggregate net cash proceeds or Fair Market Value of assets (as to which an opinion or appraisal issued by an accounting, appraisal or investment bank firm of national standing shall be required if the Fair Market Value exceeds $15.0 million) received by MagnaChip or any of the Restricted Subsidiaries since the Issue Date as a contribution to its common equity capital or from the issue or sale of Equity Interests of MagnaChip or any of the Restricted Subsidiaries (other than Disqualified Stock) or from the issue or sale of convertible or exchangeable Disqualified Stock or convertible or exchangeable debt securities of MagnaChip or any of the Restricted Subsidiaries that have been converted into or exchanged for such Equity Interests (other than Equity Interests (or Disqualified Stock or debt securities) sold to a Subsidiary of US LLC); *plus*

(C) to the extent that any Restricted Investment that was made after the Issue Date is sold for cash or otherwise liquidated or repaid for cash, the lesser of (i) the cash return of capital with respect to such Restricted Investment (less the cost of disposition, if any) and (ii) the initial amount of such Restricted Investment; *plus*

(D) to the extent that any Unrestricted Subsidiary of MagnaChip designated as such after the Issue Date is redesignated as a Restricted Subsidiary after the Issue Date, the lesser of (i) the Fair Market Value of MagnaChip's Investment in such Subsidiary as of the date of such redesignation or (ii) such Fair Market Value as of the date on which such Subsidiary was originally designated as an Unrestricted Subsidiary after the Issue Date; *plus*

(E) 100% of any dividends received by MagnaChip or a Restricted Subsidiary of MagnaChip after the Issue Date from an Unrestricted Subsidiary of US LLC, to the extent that such dividends were not otherwise included in the Consolidated Net Income of US LLC for such period.

(b) The provisions of Section 4.07(a) hereof will not prohibit:

(1) the payment of any dividend or the consummation of any irrevocable redemption within 60 days after the date of declaration of the dividend or giving of the redemption notice, as the case may be, if at the date of declaration or notice, the dividend or redemption payment would have complied with the provisions of this Indenture;

(2) dividends or advances made with the proceeds of the Notes to any direct or indirect parent of MagnaChip, the proceeds of which are used by such Person to redeem its preferred equity interests as described in the offering memorandum and made within 90 days of the Issue Date; *provided*, that such dividends or advances shall be excluded from the calculation of the amount of Restricted Payments;

(3) upon the occurrence of a Change of Control and within 60 days after the completion of the offer to repurchase the Notes pursuant to Section 4.15 hereof, any purchase or redemption of Subordinated Obligations required pursuant to the terms thereof as a result of such Change of Control at a purchase or redemption price not to exceed the outstanding principal amount thereof, *plus* any accrued and unpaid interest; *provided, however*, that (A) at the time of such purchase or redemption no Event of Default shall have occurred and be continuing (or would result therefrom); (B) MagnaChip would be able to incur an additional $1.00 of Indebtedness pursuant to Section 4.09(a) hereof after giving pro forma effect to such Restricted Payment and the Change of Control; and (C) such purchase or redemption shall be included in the calculation of the amount of Restricted Payments;

(4) any purchase or redemption of Disqualified Stock of MagnaChip or a Restricted Subsidiary made by exchange for, or out of the proceeds of the substantially concurrent sale of, Disqualified Stock of MagnaChip or a Restricted Subsidiary which is permitted to be incurred pursuant to Section 4.09 hereof; *provided, however*, that such purchase or redemption shall be excluded in the calculation of the amount of Restricted Payments;

(5) the making of any Restricted Payment in exchange for, or out of the net cash proceeds of the substantially concurrent sale (other than to a Subsidiary of MagnaChip) of, Equity Interests of MagnaChip (other than Disqualified Stock) or from the substantially concurrent contribution of common equity capital to MagnaChip; *provided* that the amount of any such net cash proceeds that are utilized for any such Restricted Payment will be excluded from clause (3)(B) of the first paragraph of Section 4.07(a);

(6) the repurchase, redemption, defeasance or other acquisition or retirement for value of Indebtedness of MagnaChip or any Restricted Subsidiary that is contractually subordinated to the Notes or to any Note Guarantee with the net cash proceeds from a substantially concurrent incurrence of Permitted Refinancing Indebtedness;

(7) payments to fund the repurchase, redemption or other acquisition or retirement for value of any Equity Interests of MagnaChip, any Restricted Subsidiary of MagnaChip, or any direct or indirect parent of MagnaChip held by any current or former officer, director or employee of MagnaChip or any of its Restricted Subsidiaries or any direct or indirect Parent of MagnaChip pursuant to any equity subscription agreement, stock option agreement, shareholders' agreement or similar agreement; *provided* that the aggregate price paid for all such repurchased, redeemed, acquired or retired Equity Interests may not exceed $7,000,000 *plus* the amount of cash proceeds from any key man life insurance; *provided*, *further*, that such amount may be increased by an amount not to exceed the cash proceeds from the sale of Equity Interests of MagnaChip and, to the extent contributed to MagnaChip, Equity Interests of any of MagnaChip's direct or indirect parent corporations, in each case to current or former members of management, directors, managers or consultants of MagnaChip, any of its Subsidiaries or any of its direct or indirect parent corporations that occurs after the Issue Date, to the extent the cash proceeds from the sale of such Equity Interests have not otherwise been applied to the payment of Restricted Payments by virtue of clause (3)(B) of the first paragraph of Section 4.07(a);

(8) the repurchase of Equity Interests deemed to occur upon the exercise of stock options to the extent such Equity Interests represent a portion of the exercise price of those stock options;

(9) the declaration and payment of regularly scheduled or accrued dividends to holders of any class or series of Disqualified Stock of MagnaChip or any Restricted Subsidiary issued on or after the Issue Date in accordance with the Fixed Charge Coverage Ratio test set forth in Section 4.09(a) hereof;

(10) any purchase or redemption of Subordinated Obligations from Net Proceeds upon completion of an Asset Sale Offer; *provided, however*, that the purchase or redemption shall be excluded in the calculation of the amount of Restricted Payments; *provided*, *further*, that MagnaChip could, on the date of such transaction after giving pro forma effect thereto as if the same had occurred at the beginning of the applicable four-quarter period, be permitted to incur at least $1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.09(a) hereof;

(11) Permitted Tax Payments;

(12) the repurchase of, or payments in lieu of, fractional shares of Equity Interests in an amount not to exceed $200,000 in the aggregate; and

(13) other Restricted Payments in an aggregate amount not to exceed $15.0 million since the Issue Date.

The amount of all Restricted Payments (other than cash) will be the Fair Market Value on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by MagnaChip or such Restricted Subsidiary, as the case may be, pursuant to the Restricted Payment. The Fair Market Value of any assets or securities that are required to be valued by this Section 4.07 will be determined by the Board of Directors of MagnaChip whose resolution with respect thereto will be delivered to the Trustee. For purposes of determining compliance with this Section 4.07, in the event that a Restricted Payment meets the criteria of more than one of the exceptions described in (1) through (13) above or is entitled to be made pursuant to Section 4.07(a), MagnaChip shall be permitted, in its sole discretion to classify (but not later reclassify) such Restricted Payment in any manner that complies with this Section 4.07.

Section 4.08 *Dividend and Other Payment Restrictions Affecting Subsidiaries.*

(a) MagnaChip will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create or permit to exist or become effective any consensual encumbrance or restriction on the ability of any Restricted Subsidiary to:

(1) pay dividends or make any other distributions on its Capital Stock to MagnaChip or any of its Restricted Subsidiaries, or with respect to any other interest or participation in, or measured by, its profits, or pay any indebtedness owed to MagnaChip or any of its Restricted Subsidiaries;

(2) make loans or advances to MagnaChip or any of its Restricted Subsidiaries; or

(3) sell, lease or transfer any of its properties or assets to MagnaChip or any of its Restricted Subsidiaries.

(b) The restrictions in Section 4.08(a) hereof will not apply to encumbrances or restrictions existing under or by reason of:

(1) agreements governing Existing Indebtedness and any other agreements, including the Credit Facilities, as in effect on the Issue Date and any amendments, restatements, modifications, renewals, increases, supplements, refundings, replacements or refinancings of those agreements; *provided* that the amendments, restatements, modifications, renewals, increases, supplements, refundings, replacements or refinancings are not materially more restrictive, taken as a whole, with respect to such dividend and other payment restrictions than those contained in those agreements on the Issue Date;

(2) this Indenture, the Notes and the Note Guarantees, the Intercreditor Agreement and the Security Documents;

(3) applicable law, rule, regulation or order;

(4) any instrument governing Indebtedness or Capital Stock of a Person acquired by MagnaChip or any of its Restricted Subsidiaries as in effect at the time of such acquisition (except to the extent such Indebtedness or Capital Stock was incurred in connection with or in contemplation of such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired; *provided* that, in the case of Indebtedness, such Indebtedness was permitted by the terms of this Indenture to be incurred;

(5) customary non-assignment provisions in contracts and licenses entered into in the ordinary course of business;

(6) purchase money obligations for property acquired in the ordinary course of business and Capital Lease Obligations that impose restrictions on the property purchased or leased of the nature described in clause (3) of Section 4.08(a);

(7) any agreement for the sale or other disposition of a Restricted Subsidiary that restricts distributions by that Restricted Subsidiary pending the sale or other disposition;

(8) Permitted Refinancing Indebtedness; *provided* that the restrictions contained in the agreements governing such Permitted Refinancing Indebtedness are not materially more restrictive, taken as a whole, than those contained in the agreements governing the Indebtedness being refinanced;

(9) restrictions contained in security agreements or mortgages securing Indebtedness of a Restricted Subsidiary permitted to be incurred under this Indenture so long as the restrictions solely restrict the transfer of the property governed by the security agreements or mortgages;

(10) Liens permitted to be incurred under the provisions of Section 4.12 hereof that limit the right of the debtor to dispose of the assets subject to such Liens;

(11) provisions limiting the disposition or distribution of assets or property in joint venture agreements, asset sale agreements, sale-leaseback agreements, stock sale agreements and other similar agreements entered into with the approval of MagnaChip's Board of Directors, which limitation is applicable only to the assets that are the subject of such agreements;

(12) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business; and

(13) any restriction in any agreement that is not more restrictive than the restrictions under the terms of the Senior Credit Agreement as in effect on the Issue Date.

Section 4.09 *Incurrence of Indebtedness and Issuance of Preferred Stock.*

(a) MagnaChip will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise, with respect to (collectively, "*incur*") any Indebtedness (including Acquired Debt), and MagnaChip and US LLC will not issue any Disqualified Stock and will not permit any of its Restricted Subsidiaries (other than US LLC) to issue any shares of preferred stock; *provided, however*, that MagnaChip and US LLC may incur Indebtedness (including Acquired Debt) or issue Disqualified Stock, and the Restricted Subsidiaries may incur Indebtedness (including Acquired Debt) or issue preferred stock, if the Fixed Charge Coverage Ratio for US LLC's most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or such Disqualified Stock or such preferred stock is issued, as the case may be, would have been at least 2.0 to 1, determined on a pro forma basis (including a pro

forma application of the net proceeds therefrom), as if the additional Indebtedness had been incurred or the Disqualified Stock or the preferred stock had been issued, as the case may be, at the beginning of such four-quarter period.

(b) The provisions of Section 4.09(a) hereof will not prohibit the incurrence of any of the following items of Indebtedness (collectively, "*Permitted Debt*"):

(1) the incurrence by MagnaChip and any Restricted Subsidiary of additional revolving credit Indebtedness and letters of credit under Credit Facilities in an aggregate principal amount at any one time outstanding under this clause (1) (with letters of credit being deemed to have a principal amount equal to the maximum potential liability of MagnaChip and its Restricted Subsidiaries thereunder) not to exceed the greater of (x) $100.0 million or (y) as of the date of the incurrence, the aggregate of (i) 85% of the book value, net of reserves, of all accounts receivable owned by MagnaChip and its Restricted Subsidiaries, as shown on US LLC's most recent consolidated balance sheet prepared in accordance with GAAP, as of the end of the most recent fiscal quarter preceding such date, *plus* (ii) 50% of the book value of all inventory, net of reserves, owned by MagnaChip and its Restricted Subsidiaries, as shown on US LLC's most recent consolidated balance sheet prepared in accordance with GAAP, as of the end of the most recent fiscal quarter preceding such date, *plus* (iii) $20.0 million; *less* the aggregate amount of all Net Proceeds of Asset Sales or Casualty Events applied by MagnaChip or any of the Restricted Subsidiaries after the Issue Date to repay any term Indebtedness under a Credit Facility or to repay any revolving credit Indebtedness under a Credit Facility and effect a corresponding commitment reduction thereunder, in each case as to Indebtedness incurred under this clause (1) of the definition of Permitted Debt and as to Net Proceeds applied pursuant to Section 4.10(b)(1) hereof;

(2) the incurrence by MagnaChip and any Restricted Subsidiary of up to $100.0 million under one or more debt facilities or commercial paper facilities, in each case, with banks or other institutional lenders providing for revolving credit loans, term loans, receivables financing (including through the sale of receivables to such lenders or to special purpose entities formed to borrow from such lenders against such receivables) or letters of credit, in each case, as amended, restated, modified, renewed, refunded, replaced (whether upon or after termination or otherwise) or refinanced (but not including by means of sales of debt securities to institutional investors) in whole or in part from time to time; *less* the aggregate amount of all Net Proceeds of Asset Sales or Casualty Events applied by MagnaChip or any of the Restricted Subsidiaries after the Issue Date to repay any term Indebtedness under debt facilities or commercial paper facilities or to repay any revolving credit Indebtedness under a Credit Facility and effect a corresponding commitment reduction thereunder, in each case as to Indebtedness incurred under this clause (2) of the definition of Permitted Debt and as to Net Proceeds applied pursuant to Section 4.10(b)(1) hereof;

(3) the incurrence by MagnaChip and its Restricted Subsidiaries of the Existing Indebtedness;

(4) the incurrence on the Issue Date by MagnaChip and the Guarantors of Indebtedness represented by the Notes and the Senior Subordinated Notes and this Indenture and guarantees thereof by the Guarantors and the related Exchange Notes to be issued pursuant to the registration rights agreements;

(5) the incurrence by MagnaChip or any of its Restricted Subsidiaries of Indebtedness represented by Capital Lease Obligations, mortgage financings or purchase

money obligations, in each case, incurred for the purpose of financing all or any part of the purchase price or cost of design, construction, installation or improvement of property (real or personal), plant or equipment used in the business of MagnaChip or any of its Restricted Subsidiaries (whether through the direct purchase of assets or the Equity interests of any Person owning such assets), in an aggregate principal amount, including all Permitted Refinancing Indebtedness incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness incurred pursuant to this clause (5), not to exceed the greater of (a) $25.0 million at any time outstanding and (b) 5% of Total Assets as shown on US LLC's most recent consolidated balance sheet prepared in accordance with GAAP;

(6) the incurrence by MagnaChip or any of its Restricted Subsidiaries of Permitted Refinancing Indebtedness in exchange for, or the net proceeds of which are used to renew, refund, refinance, replace, defease or discharge any Indebtedness (other than intercompany Indebtedness) that was permitted by this Indenture to be incurred under Section 4.09(a) or clauses (3), (4), (5), (6) or (14) of this Section 4.09(b);

(7) the incurrence by MagnaChip or any of its Restricted Subsidiaries of intercompany Indebtedness between or among MagnaChip and any of its Restricted Subsidiaries; *provided, however*, that:

(A) if MagnaChip or any Guarantor is the obligor on such Indebtedness and the payee is not MagnaChip or a Guarantor, such Indebtedness must be expressly subordinated to the prior payment in full in cash of all Obligations then due with respect to the notes, in the case of MagnaChip, or the Note Guarantee, in the case of a Guarantor; and

(B) (1) any subsequent issuance or transfer of Equity Interests that results in any such Indebtedness being held by a Person other than MagnaChip or a Restricted Subsidiary of MagnaChip and (2) any sale or other transfer of any such Indebtedness to a Person that is not either MagnaChip or a Restricted Subsidiary of MagnaChip, will be deemed, in each case, to constitute an incurrence of such Indebtedness by MagnaChip or such Restricted Subsidiary, as the case may be, that was not permitted by this clause (7);

(8) the issuance by any Guarantor to MagnaChip or to any other Guarantor of shares of preferred stock; *provided, however*, that:

(A) any subsequent issuance or transfer of Equity Interests that results in any such preferred stock being held by a Person other than MagnaChip or a Guarantor; and

(B) any sale or other transfer of any such preferred stock to a Person that is not either MagnaChip or a Guarantor,

will be deemed, in each case, to constitute an issuance of such preferred stock by such Guarantor that was not permitted by this clause (8);

(9) the incurrence by MagnaChip or any Restricted Subsidiaries of Hedging Obligations in the ordinary course of business;

(10) the guarantee by MagnaChip or any of the Guarantors of Indebtedness of MagnaChip or a Restricted Subsidiary of MagnaChip that was permitted to be incurred by another provision of this Section 4.09; *provided* that if the Indebtedness being guaranteed is subordinated to or *pari passu* with the Notes, then the Guarantee shall be subordinated or *pari passu*, as applicable, to the same extent as the Indebtedness guaranteed;

(11) the incurrence of Indebtedness by MagnaChip or any of its Restricted Subsidiaries in the form of performance bonds, completion guarantees and surety or appeal bonds entered into by MagnaChip or any of its Restricted Subsidiaries in the ordinary course of their business;

(12) the incurrence of Indebtedness by MagnaChip or any of its Restricted Subsidiaries owed to any Person in connection with worker's compensation, self-insurance, health, disability or other employee benefits or property, casualty or liability insurance provided by such Person to MagnaChip or such Restricted Subsidiary, pursuant to reimbursement or indemnification obligations to such person, in each case incurred in the ordinary course of business;

(13) the incurrence by MagnaChip or any of the Restricted Subsidiaries of Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently drawn against insufficient funds, so long as such Indebtedness is covered within five business days;

(14) Indebtedness of MagnaChip or any Restricted Subsidiary issued to any of its directors, employees, officers or consultants or a Restricted Subsidiary in connection with the redemption or purchase of Capital Stock that, by its terms, is subordinated to the Notes, is not secured by any of the assets of MagnaChip or the Restricted Subsidiaries and does not require cash payments prior to the Stated Maturity of the Notes and Refinancing Indebtedness of the Indebtedness, in an aggregate principal amount which, when added with the amount of Indebtedness Incurred under this clause (14) and then outstanding, does not exceed $5.0 million;

(15) the incurrence by MagnaChip or any of the Restricted Subsidiaries of additional Indebtedness in an aggregate principal amount (or accreted value, as applicable) at any time outstanding, including all Permitted Refinancing Indebtedness incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness incurred pursuant to this clause (15), not to exceed $25.0 million;

(16) the incurrence of Indebtedness by MagnaChip or any of the Restricted Subsidiaries arising from agreements of MagnaChip or any of the Restricted Subsidiaries providing for adjustment of purchase price or other similar obligations, in each case, incurred or assumed in connection with the acquisition or disposition of any business, assets or a Restricted Subsidiary of MagnaChip LLC;

(17) Indebtedness of a Restricted Subsidiary organized outside the United States or Korea incurred to finance the working capital of such Restricted Subsidiary, in an aggregate principal amount at any time outstanding not to exceed $30.0 million; and

(18) Indebtedness incurred by MagnaChip or any of the Restricted Subsidiaries constituting reimbursement obligations under letters of credit issued in the ordinary course of business, including, without limitation, letters of credit to procure raw materials or relating to workers' compensation claims or self-insurance, or other Indebtedness relating to reimbursement-type obligations regarding workers' compensation claims.

MagnaChip will not incur, and will not permit any Guarantor to incur, any Indebtedness (including Permitted Debt) that is contractually subordinated in right of payment to any other Indebtedness of MagnaChip or such Guarantor unless such Indebtedness is also contractually subordinated in right of payment to the Notes and the applicable Note Guarantee on substantially identical terms; *provided, however*, that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of MagnaChip solely by virtue of being unsecured or by virtue of being secured on a first or junior Lien basis.

(c) For purposes of determining compliance with this Section 4.09, in the event that an item of proposed Indebtedness (or any portion thereof) meets the criteria of more than one of the categories of Permitted Debt described in clauses (1) through (18) above, or is entitled to be incurred pursuant to Section 4.09(a), MagnaChip, in its sole discretion, will be permitted to classify such item of Indebtedness (or any portion thereof) on the date of its incurrence, or later reclassify all or a portion of such item of Indebtedness, in any manner that complies with this Section 4.09 and will only be required to include the amount and type of such Indebtedness in one of the above clauses. The accrual of interest, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, the reclassification of preferred stock as Indebtedness due to a change in accounting principles, and the payment of dividends on Disqualified Stock or preferred stock in the form of additional shares of the same class of Disqualified Stock or preferred stock, and the accrual of dividends on Disqualified Stock or preferred stock, will not be deemed to be an incurrence of Indebtedness or an issuance of Disqualified Stock or preferred stock for purposes of this Section 4.09; *provided*, in each such case, that the amount of any such accrual, accretion or payment is included in Fixed Charges of US LLC as accrued. Notwithstanding any other provision of this Section 4.09, the maximum amount of Indebtedness that MagnaChip or any Restricted Subsidiary may incur pursuant to this Section 4.09 shall not be deemed to be exceeded solely as a result of fluctuations in exchange rates or currency values.

(d) The amount of any Indebtedness outstanding as of any date will be:

(1) the accreted value of the Indebtedness, in the case of any Indebtedness issued with original issue discount;

(2) the principal amount of the Indebtedness, in the case of any other Indebtedness; and

(3) in respect of Indebtedness of another Person secured by a Lien on the assets of the specified Person, the lesser of:

(A) the Fair Market Value of such assets at the date of determination; and

(B) the amount of the Indebtedness of the other Person.

Section 4.10 *Asset Sales.*

(a) MagnaChip will not, and will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale unless:

(1) MagnaChip (or the Restricted Subsidiary, as the case may be) receives consideration at the time of the Asset Sale at least equal to the Fair Market Value of the assets or Equity Interests issued or sold or otherwise disposed of; and

(2) at least 75% of the consideration received in the Asset Sale by MagnaChip or such Restricted Subsidiary is in the form of cash or Cash Equivalents. For purposes of this provision, each of the following will be deemed to be cash:

(A) any liabilities, as shown on US LLC's most recent consolidated balance sheet, of MagnaChip or any Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes or any Note Guarantee) that are assumed by the transferee of any such assets pursuant to a customary arrangement that releases MagnaChip or such Restricted Subsidiary from further liability;

(B) any securities, notes or other obligations received by MagnaChip or any such Restricted Subsidiary from such transferee that are contemporaneously, subject to ordinary settlement periods, converted by MagnaChip or such Restricted Subsidiary into cash or Cash Equivalents, to the extent of the cash or Cash Equivalents received in that conversion; and

(C) any stock or assets of the kind referred to in Section 4.10(b)(2) or (4) hereof.

(b) Within 365 days after the receipt of any Net Proceeds from an Asset Sale other than a Sale of Collateral, MagnaChip (or the applicable Restricted Subsidiary, as the case may be) may apply such Net Proceeds at its option:

(1) to repay Priority Lien Debt and, if such Priority Lien Debt is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto;

(2) to acquire all or substantially all of the assets of, or any Capital Stock of, a Person engaged in a Permitted Business, if, after giving effect to any such acquisition of Capital Stock, the Permitted Business is or becomes a Restricted Subsidiary of US LLC;

(3) to make a capital expenditure;

(4) to acquire other assets that are not classified as current assets under GAAP and that are used or useful in a Permitted Business; or

(5) any combination of (1) – (4) of this Section 4.10(b).

In the case of clauses (2) and (4) MagnaChip will also comply with its obligations above if it enters into a binding commitment to acquire such assets or Capital Stock within the required time frame above, provided that such binding commitment shall be subject only to customary conditions and such acquisition shall be consummated within six months from the date of signing such binding commitment. Pending the final application of any Net Proceeds pursuant to this paragraph, MagnaChip and the Restricted Subsidiaries may apply such Net Proceeds to temporarily reduce Indebtedness outstanding under a revolving credit facility or otherwise invest such Net Proceeds in any manner that is not prohibited by this Indenture.

(c) Within 365 days after the receipt of any Net Proceeds from an Asset Sale that constitutes a Sale of Collateral or from a Casualty Event, MagnaChip (or the Restricted Subsidiary that owned those assets, as the case may be) may apply those Net Proceeds to purchase other long-term assets that would constitute Collateral or to repay Priority Lien Debt and, if such Priority Lien Debt is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto. MagnaChip will also comply with its obligations set forth in the preceding sentence if it enters into a binding commitment to acquire

such assets within the 365 days time frame, provided that such binding commitment shall be subject only to customary conditions and such acquisition shall be consummated within six months from the date of signing such binding commitment.

(d) Any Net Proceeds from Asset Sales that are not applied or invested as provided in the second and third paragraphs of this Section 4.10 will constitute "*Excess Proceeds*." When the aggregate amount of Excess Proceeds exceeds $10 million, within 30 days thereof, MagnaChip will make an Asset Sale Offer to all holders of Notes and all holders of other Indebtedness that is *pari passu* with the Notes containing provisions similar to those set forth in this Indenture with respect to offers to purchase or redeem with the proceeds of sales of assets to purchase the maximum principal amount of Notes and such other *pari passu* Indebtedness that may be purchased out of the Excess Proceeds. The offer price in any Asset Sale Offer will be equal to 100% of the principal amount *plus* accrued and unpaid interest and Liquidated Damages, if any, to the date of purchase (or, in respect of such other *pari passu* Indebtedness of MagnaChip, such lesser price, if any, as may be provided for by the terms of such *pari passu* Indebtedness), and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, MagnaChip may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes and other *pari passu* Indebtedness tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee will select the Notes and such other *pari passu* Indebtedness to be purchased on a pro rata basis. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero.

(e) MagnaChip will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with each repurchase of Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of Section 3.09 hereof or this section 4.10, MagnaChip will comply with the Asset Sale provisions of this Indenture, MagnaChip will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under Section 3.09 hereof or this Section 4.10 by virtue of such compliance.

Section 4.11 *Transactions with Affiliates.*

(a) MagnaChip will not, and will not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of MagnaChip (each, an "*Affiliate Transaction*"), unless:

(1) the Affiliate Transaction is on terms that are no less favorable to MagnaChip or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by MagnaChip or such Restricted Subsidiary with an unrelated Person; and

(2) MagnaChip delivers to the Trustee:

(A) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of $10.0 million, a resolution of the Board of Directors of MagnaChip set forth in an Officers' Certificate certifying that such Affiliate Transaction complies with this Section 4.11(a) and that such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors of MagnaChip; and

(B) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of $20.0 million, an opinion by (A) a nationally recognized investment banking firm that such Affiliate Transaction is fair, from a financial standpoint, to MagnaChip and the Restricted Subsidiaries or (B) an accounting or appraisal firm nationally recognized in making determinations of this kind that such Affiliate Transaction is on terms that are not less favorable to MagnaChip and the Restricted Subsidiaries than the terms that could be obtained in an arms-length transaction from a Person that is not an Affiliate.

(b) The following items will not be deemed to be Affiliate Transactions and, therefore, will not be subject to the provisions of Section 4.11(a) hereof:

(1) any employment agreement, employee benefit plan, stock options, stock ownership plans, officer or director indemnification agreement or any similar arrangement entered into by MagnaChip or any of its Restricted Subsidiaries in the ordinary course of business and payments pursuant thereto;

(2) transactions between or among MagnaChip and/or the Restricted Subsidiaries;

(3) transactions with a Person (other than an Unrestricted Subsidiary of MagnaChip) that is an Affiliate of MagnaChip solely because MagnaChip owns, directly or through a Restricted Subsidiary, an Equity Interest in, or controls, such Person;

(4) payment of reasonable directors' fees;

(5) any issuance of Equity Interests (other than Disqualified Stock) of US LLC or any of its Subsidiaries to Affiliates of such Person;

(6) Restricted Payments that do not violate Section 4.07 hereof;

(7) transactions pursuant to any contract or agreement (including the Advisory Agreements) with MagnaChip or any of the Restricted Subsidiaries in effect on the Issue Date, as the same may be amended, modified or replaced from time to time so long as any such amendment, modification or replacement is not less favorable in any material respect to MagnaChip and the Restricted Subsidiaries than the original agreement as in effect on the Issue Date;

(8) the Note Guarantees;

(9) transactions pursuant to or under the Securityholders' Agreement, The MagnaChip LLC Equity Incentive Plan, the Restricted Unit Agreements or the Option Agreements as in effect on the Issue Date or any similar agreement or any amendment, modification or replacement of the Securityholders' Agreement, The MagnaChip LLC Equity Incentive Plan, Restricted Unit Agreements or the Option Agreements or similar agreement; provided that the terms of such amendment, modification or replacement are not more disadvantageous to the holders of the Notes in any material respect than the terms contained in the Securityholders' Agreement, The MagnaChip LLC Equity Incentive Plan, the Restricted Unit Agreements or the Option Agreements, as the case may be, as in effect on the Issue Date;

(10) the payment of management, consulting and advisory fees and related expenses made pursuant to the Advisory Agreements and the payment of other customary management,

consulting and advisory fees and related expenses to the Principals and any of their respective Affiliates in connection with transactions of US LLC or its Subsidiaries or pursuant to any management, consulting, financial advisory, financing, underwriting or placement agreement or in respect of other investment banking activities, including in connection with acquisitions or divestitures, which fees and expenses are made pursuant to arrangements approved by the Board of Directors of US LLC or such Subsidiary in good faith;

(11) the provision by an Affiliate of commercial banking or lending services or other similar services on terms that are no less favorable to MagnaChip or the relevant Restricted Subsidiary than those that would have been obtained by an unaffiliated party and that are approved in good faith by the Board of Directors;

(12) loans or advances to employees directors, officers or consultants (i) in the ordinary course of business or (ii) otherwise not to exceed $5.0 million in the aggregate at any one time outstanding; and

(13) Permitted Tax Payments.

Section 4.12 *Liens.*

MagnaChip will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly create, incur, assume or suffer to exist any Lien of any kind on any asset now owned or hereafter acquired, except Permitted Liens.

Section 4.13 *Business Activities.*

MagnaChip will not, and will not permit any of its Restricted Subsidiaries to, engage in any business other than Permitted Businesses, except to such extent as would not be material to MagnaChip and its Restricted Subsidiaries taken as a whole.

Section 4.14 *Corporate Existence.*

Subject to Article 5 hereof, the Issuers shall do or cause to be done all things necessary to preserve and keep in full force and effect:

(1) its corporate existence, and the corporate, partnership or other existence of each of, MagnaChip Semiconductor LLC and its Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Issuers or any such Subsidiary; and

(2) the rights (charter and statutory), licenses and franchises of the Issuers and its Subsidiaries; *provided, however,* that the Issuers shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of, MagnaChip Semiconductor LLC and its Subsidiaries, if the Board of Directors shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Issuers, MagnaChip Semiconductor LLC and its Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders of the Notes.

Section 4.15 *Offer to Repurchase Upon Change of Control.*

(a) If a Change of Control occurs, the Issuers will make an offer (a *"Change of Control Offer"*) to each Holder to repurchase all or any part (equal to $1,000 or an integral multiple of $1,000 in excess of $1,000) of that Holder's Notes at a purchase price in cash equal to 101% of the aggregate principal amount of Notes repurchased *plus* accrued and unpaid interest and Liquidated Damages, if any, on the Notes repurchased to the date of purchase, subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date (the *"Change of Control Payment"*). Within 30 days following any Change of Control, the Issuers will mail a notice to each Holder describing the transaction or transactions that constitute the Change of Control and stating:

(1) that the Change of Control Offer is being made pursuant to this Section 4.15 and that all Notes tendered will be accepted for payment;

(2) the purchase price and the purchase date, which shall be no earlier than 30 days and no later than 60 days from the date such notice is mailed (the *"Change of Control Payment Date"*);

(3) that any Note not tendered will continue to accrue interest;

(4) that, unless the Issuers defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest and Liquidated Damages after the Change of Control Payment Date;

(5) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender the Notes, with the form entitled "Option of Holder to Elect Purchase" attached to the Notes completed, or transfer by book-entry transfer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(6) that Holders will be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is withdrawing his election to have the Notes purchased; and

(7) that Holders whose Notes are being purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered, which unpurchased portion must be equal to $1,000 in principal amount or an integral multiple thereof.

The Issuers will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change in Control. To the extent that the provisions of any securities laws or regulations conflict with the provisions of Sections 3.09 or 4.15 hereof, the Issuers will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under Section 3.09 hereof or this Section 4.15 by virtue of such compliance.

(b) On the Change of Control Payment Date, the Issuers will, to the extent lawful:

(1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Issuers.

The Paying Agent will promptly mail to each Holder of Notes properly tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any. MagnaChip will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

(c) Notwithstanding anything to the contrary in this Section 4.15, the Issuers will not be required to make a Change of Control Offer upon a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.15 and Section 3.09 hereof and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer, or (2) notice of redemption has been given pursuant to Section 3.07 hereof, unless and until there is a default in payment of the applicable redemption price.

Section 4.16 *Additional Amounts.*

(a) All payments made by the Issuers under or with respect to the Notes or any of the Guarantors on its Guarantee will be made without withholding or deduction for, or on account of, any present or future Taxes unless the withholding or deduction of such Taxes is then required by law. If any deduction or withholding for, or on account of, any Taxes imposed or levied by or on behalf of any jurisdiction in which the Issuers or any Guarantor (including any successor entity), is then incorporated, engaged in business or resident for tax purposes or any political subdivision thereof or therein or any jurisdiction by or through which payment is made (each, a "*Tax Jurisdiction*"), will at any time be required to be made from or Taxes imposed directly on any Holder or beneficial owner of the Notes on any payments made by the Issuers under or with respect to the Notes or any of the Guarantors with respect to any Guarantee, including payments of principal, redemption price, purchase price, interest or premium, the Issuers or the relevant Guarantor, as applicable, will pay such additional amounts (the "*Additional Amounts*") as may be necessary in order that the net amounts received in respect of such payments by each Holder (including Additional Amounts) after such withholding or deduction will equal the respective amounts which would have been received in respect of such payments in the absence of such withholding, deduction or imposition; *provided, however*, that no Additional Amounts will be payable with respect to:

(1) any Tax imposed by the United States or by any political subdivision or taxing authority thereof or therein;

(2) any Taxes which would not have been imposed but for any present or former connection between the Holder or the beneficial owner of the Notes, such as being a citizen or resident or national of, incorporated in or carrying on a business, and the relevant Taxing Jurisdiction in which such Taxes are imposed (other than by the mere holding of such note or enforcement of rights thereunder or the receipt of payments in respect thereof) or any other connection arising as a result of the holding of the Notes;

(3) any Taxes that are imposed or withheld as a result of the failure of the Holder or beneficial owner of the Notes to comply with any written request, made to that Holder or beneficial owner in writing at least 30 days before any such withholding or deduction would be payable, by the Issuers or any of the Guarantors or any other Person through whom payment may be made to provide timely or accurate information concerning the nationality, residence or identity of such Holder or beneficial owner or to make any valid or timely declaration or similar claim or satisfy any certification information or other reporting requirement, which is required or imposed by a statute, treaty, regulation or administrative practice of the relevant Tax Jurisdiction as a precondition to exemption from all or part of such Taxes;

(4) any Note presented for payment (where a Note is in the form of a definitive Note and presentation is required) more than 30 days after the relevant payment is first made available for payment to the Holder (except to the extent that the Holder would have been entitled to Additional Amounts had the note been presented on the last day of such 30 day period);

(5) any estate, inheritance, gift, sale, transfer, personal property or similar tax or assessment;

(6) any Taxes withheld, deducted or imposed on a payment to an individual and which are required to be made pursuant to European Council Directive 2003/48/EC or any other directive implementing the conclusions of the ECOFIN Council meeting of 26 and 27 November 2000 on the taxation of savings income or any law implementing or complying with or introduced in order to conform to, such Directive; or

(7) any combination of items (1) through (6) above.

(b) The Issuers and the Guarantors will also pay and indemnify the holder for any present or future stamp, issue, registration, transfer, court or documentary taxes, or any other excise or property taxes, charges or similar levies or Taxes which are levied by any jurisdiction in which the Issuers or any Guarantor (including any successor entity) is then incorporated, engaged in business or resident for tax purposes or any political subdivision thereof or therein on the execution, delivery, registration or enforcement of any of the Notes, this Indenture, any Guarantee, or any other document or instrument referred to therein, or the receipt of any payments with respect to the Notes or the Guarantees.

(c) If either Issuer or any Guarantor, as the case may be, becomes aware that it will be obligated to pay Additional Amounts with respect to any payment under or with respect to the Notes or any Guarantee, the relevant Issuer or the relevant Guarantor, as the case may be, will deliver to the Trustee on a date which is at least 30 days prior to the date of that payment (unless the obligation to pay Additional Amounts arises after the 30th day prior to that payment date, in which case the relevant Issuer or the relevant Guarantor shall notify the Trustee promptly thereafter) an Officers' Certificate stating the fact that Additional Amounts will be payable and the amount estimated to be so payable. The Officers' Certificate must also set forth any other information reasonably necessary to enable the Paying Agent to pay Additional Amounts to Holders on the relevant payment date. The relevant Issuer or the relevant Guarantor will provide the Trustee with documentation reasonably satisfactory to the Trustee evidencing the payment of Additional Amounts.

(d) The relevant Issuer or the relevant Guarantor will make all withholdings and deductions required by law and will remit the full amount deducted or withheld to the relevant Tax authority in accordance with applicable law. The relevant Issuer or the relevant Guarantor will use its reasonable efforts to obtain Tax receipts from each Tax authority evidencing the payment of any Taxes so deducted or withheld. The relevant Issuer or the relevant Guarantor will furnish to the Holders, within 60 days after the date the payment of any Taxes so deducted or withheld is made, certified copies of Tax receipts evidencing payment by the relevant Issuer or a Guarantor, as the case may be, or if, notwithstanding such entity's efforts to obtain receipts, receipts are not obtained, other evidence of payments by such entity.

(e) Whenever in this Indenture there is mentioned, in any context, the payment of amounts based upon the principal amount of the Notes or of principal, interest or of any other amount payable under, or with respect to, any of the Notes, such mention shall be deemed to include mention of the payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

Section 4.17 *[Reserved]*

Section 4.18 *[Reserved]*

Section 4.19 *Restriction on Activities of Finance Company.*

Finance Company will not hold any material assets, become liable for any material obligations or engage in any significant business activities; *provided*, that Finance Company may be a co-obligor or guarantor with respect to Indebtedness if MagnaChip is an obligor on such Indebtedness and the net proceeds of such Indebtedness are received by MagnaChip, Finance Company or one or more Guarantors.

Section 4.20 *Payments for Consent.*

MagnaChip will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any holder of Notes for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to be paid and is paid to all holders of the Notes that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement.

Section 4.21 *Additional Note Guarantees.*

If MagnaChip or any of its Restricted Subsidiaries acquires or creates another Subsidiary after the Issue Date, then that newly acquired or created Subsidiary will become a Guarantor and execute a supplemental indenture and deliver an opinion of counsel satisfactory to the Trustee within 10 business days of the date on which it was acquired or created; *provided* that any Subsidiary that constitutes an Immaterial Subsidiary need not become a Guarantor until such time as it ceases to be an Immaterial Subsidiary; *provided, further*, in the event MagnaChip or a Restricted Subsidiary forms or otherwise acquires, directly or indirectly, a Subsidiary organized under the laws of a jurisdiction other than the United States and such jurisdiction prohibits by law, regulation or order such Subsidiary from becoming a Guarantor, MagnaChip shall use all commercially reasonable efforts (including pursuing required waivers) over a period up to one year, to have such Subsidiary become a Guarantor; *provided, however*, that MagnaChip shall not be required to use such commercially reasonable efforts with respect to such Subsidiaries for more than a one-year period or such shorter period as it shall determine in good faith that it has used all commercially reasonable efforts and if MagnaChip or such Subsidiary is unable during such period to obtain an enforceable Guarantee in such jurisdiction, then such Subsidiary shall not be

required to provide a Guarantee of the Notes pursuant to the Note Guarantee so long as such Subsidiary does not Guarantee any other Indebtedness of MagnaChip and its Restricted Subsidiaries. The form of such Note Guarantee is attached as Exhibit E hereto.

Section 4.22 *Designation of Restricted and Unrestricted Subsidiaries.*

The Board of Directors of MagnaChip may designate any Restricted Subsidiary to be an Unrestricted Subsidiary if that designation would not cause a Default; *provided* that in no event will the business currently operated by MagnaChip Semiconductor Ltd. be transferred to or held by an Unrestricted Subsidiary. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate Fair Market Value of all outstanding Investments owned by MagnaChip and its Restricted Subsidiaries in the Subsidiary designated as Unrestricted will be deemed to be an Investment made as of the time of the designation and will reduce the amount available for Restricted Payments under Section 4.07 hereof or under one or more clauses of the definition of Permitted Investments, as determined by MagnaChip. That designation will only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. The Board of Directors of MagnaChip may redesignate any Unrestricted Subsidiary to be a Restricted Subsidiary if that redesignation would not cause a Default.

Any designation of a Subsidiary of MagnaChip as an Unrestricted Subsidiary will be evidenced to the Trustee by filing with the Trustee a certified copy of a resolution of the Board of Directors giving effect to such designation and an Officers' Certificate certifying that such designation complied with the preceding conditions and was permitted by Section 4.07 hereof. If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture and any Indebtedness of such Subsidiary will be deemed to be incurred by a Restricted Subsidiary of MagnaChip as of such date and, if such Indebtedness is not permitted to be incurred as of such date under Section 4.09 hereof, MagnaChip will be in default of such Section. The Board of Directors of MagnaChip may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary of MagnaChip; *provided* that such designation will be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of MagnaChip of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if (1) such Indebtedness is permitted under Section 4.09 hereof, calculated on a pro forma basis as if such designation had occurred at the beginning of the four-quarter reference period; and (2) no Default or Event of Default would be in existence and be continuing following such designation.

Section 4.23 *No Amendment to Subordination Provisions.*

Without the consent of the Holders of at least a majority in aggregate principal amount of the Notes then outstanding, the Issuers will not amend, modify or alter the Subordinated Note Indenture in any way to*:*

(1) increase the rate of or change the time for payment of interest on the Senior Subordinated Notes;;

(2) increase the principal of, advance the final maturity date of or shorten the Weighted Average Life to Maturity of the Senior Subordinated Notes; *provided,* that the issuance of additional Senior Subordinated Notes in accordance with this Indenture and the Subordinated Note Indenture shall not be deemed to be an increase in the principal amount of the Senior Subordinated Notes;

(3) alter the redemption provisions or the price or terms at which the Issuers are required to offer to purchase any Senior Subordinated Notes; or

(4) amend the provisions of Article 10 of the Subordinated Note Indenture (which relate to subordination) to the extent such amendment would be disadvantageous to the Holders of the Notes in any material respect.

**ARTICLE 5.**

(5) if the merging corporation is organized and existing under the laws of South Korea and the Successor Company is organized and existing under the laws of the United States of America, any State thereof or the District of Columbia or if the merging corporation is organized and existing under the laws of the United States of America, any State thereof or the District of Columbia and the Successor Company is organized and existing under the laws of South Korea (any such event, a "*Foreign Jurisdiction Merger*"), MagnaChip shall have delivered to the Trustee an opinion of counsel that the holders of Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of the transaction and will be taxed in the same manner and on the same amounts and at the same times as would have been the case if the transaction had not occurred; and

(6) in the event of a Foreign Jurisdiction Merger, MagnaChip shall have delivered to the Trustee an opinion of counsel from South Korea or other applicable jurisdiction that (A) any payment of interest or principal under or relating to the Notes or the Note Guarantees will, after the consolidation, merger, conveyance, transfer or lease of assets, be exempt from Section 3.10 hereof and (B) no other taxes on income, including capital gains, will be payable by holders of the Notes under the laws of South Korea or any other jurisdiction where the Successor Company is or becomes organized, resident or engaged in business for tax purposes relating to the acquisition, ownership or disposition of the notes, including the receipt of interest or principal thereon, *provided* that the holder does not use or hold, and is not deemed to use or hold the Notes in carrying on a business in South Korea or other jurisdiction where the Successor Company is or becomes organized, resident or engaged in business for tax purposes.

Section 5.02 *Successor Corporation Substituted.*

Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the properties or assets of MagnaChip in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof, the successor Person formed by such consolidation or into or with which MagnaChip is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition, the provisions of this Indenture referring to the "Company" shall refer instead to the successor Person and not to MagnaChip), and may exercise every right and power of MagnaChip under this Indenture with the same effect as if such successor Person had been named as MagnaChip herein; *provided, however*, that the predecessor MagnaChip shall not be relieved from the obligation to pay the principal of and interest on the Notes except in the case of a sale of all of MagnaChip's assets in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof.

(B) results in the acceleration of such Indebtedness prior to its express maturity,

(6) failure by MagnaChip or any of its Restricted Subsidiaries to pay final judgments entered by a court or courts of competent jurisdiction aggregating in excess of $25.0 million (net of any amounts covered by insurance), which judgments are not paid, discharged or stayed for a period of 60 days;

If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding may declare all the Notes to be due and payable immediately.

Upon any such declaration, the Notes shall become due and payable immediately.

The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of all of the Holders, rescind an acceleration and its consequences, if the rescission would not conflict with any judgment or decree and if all existing Events of Default (except nonpayment of principal, interest or premium or Liquidated Damages, if any, that has become due solely because of the acceleration) have been cured or waived.

Section 6.03 *Other Remedies.*

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium and Liquidated Damages, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 *Waiver of Past Defaults.*

Holders of not less than a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may on behalf of the Holders of all of the Notes waive an existing Default or Event of Default and its consequences hereunder, except a continuing Default or Event of Default in the payment of the principal of, premium and Liquidated Damages, if any, or interest on, the Notes (including in connection with an offer to purchase); *provided, however*, that the Holders of a majority in aggregate principal amount of the then outstanding Notes may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05 *Control by Majority.*

Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture that the Trustee determines may be unduly prejudicial to the rights of other Holders of Notes or that may involve the Trustee in personal liability.

Section 6.06 *Limitation on Suits.*

Except to enforce the right to receive payment of principal, premium, if any, or interest or Liquidated Damages, if any, when due, a Holder may pursue a remedy with respect to this Indenture or the Notes only if:

(1) such Holder gives to the Trustee written notice that an Event of Default is continuing;

(2) Holders of at least 25% in aggregate principal amount of the then outstanding Notes make a written request to the Trustee to pursue the remedy;

(3) such Holder or Holders offer and, if requested, provide to the Trustee security or indemnity reasonably satisfactory to the Trustee against any loss, liability or expense;

(4) the Trustee does not comply with the request within 60 days after receipt of the request and the offer of security or indemnity; and

(5) during such 60-day period, Holders of a majority in aggregate principal amount of the then outstanding Notes do not give the Trustee a direction inconsistent with such request.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

Section 6.07 *Rights of Holders of Notes to Receive Payment.*

Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal, premium and Liquidated Damages, if any, and interest on the Note, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder; *provided* that a Holder shall not have the right to institute any such suit for the enforcement of payment if and to the extent that the institution or prosecution thereof or the entry of judgment therein would, under applicable law, result in the surrender, impairment, waiver or loss of the Lien of this Indenture upon any property subject to such Lien.

Section 6.08 *Collection Suit by Trustee.*

If an Event of Default specified in Section 6.01(1) or (2) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as Trustee of an express trust against the Issuers for the whole amount of principal of, premium and Liquidated Damages, if any, and interest remaining unpaid on, the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09 *Trustee May File Proofs of Claim.*

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Issuers (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 *Priorities.*

Any money or other property collected by the Trustee pursuant to this Article 6 or, after an Event of Default, any money or other property distributable in respect of the Issuers' or Guarantors' obligations under the Note Documents, shall be paid in the following order:

*First*: to the Trustee (including any predecessor trustee and co-trustee) for amounts due under Section 7.07 hereof and each Security Document;

*Second*: to Holders of Notes for amounts due and unpaid on the Notes for principal, premium and Liquidated Damages, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium and Liquidated Damages, if any and interest, respectively; and

*Third*: to the Issuers or to the extent the Trustee collects any amount from any Guarantor, to such Guarantor, or as a court of competent jurisdiction may direct.

The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.10.

Section 6.11 *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Notes.

## ARTICLE 7.
## TRUSTEE

Section 7.01 *Duties of Trustee.*

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee will be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine such certificates and opinions to determine whether or not they conform to the requirements of this Indenture.

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraphs (b) and (d) of this Section 7.01;

(2) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to this Section 7.01.

(e) Anything herein to the contrary notwithstanding, no provision of this Indenture or any of the Security Documents will require the Trustee to expend or risk its own funds or incur any liability in the performance of any of its duties hereunder, or in the exercise of any of its rights and powers if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(f) The Trustee will not be liable for interest on, or for the investment of, any money received by it except as the Trustee may agree in writing with the Issuers. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) No provision of this Indenture shall be deemed to impose any duty or obligation on the Trustee to perform any act or acts, receive or obtain any interest in property or exercise any interest in property, or exercise any right, power, duty or obligation conferred or imposed on it in any jurisdiction in which it shall be illegal, or in which the Trustee shall be unqualified or incompetent in accordance with applicable law, to perform any such act or acts, to receive or obtain any such interest in property or to exercise any such right, power, duty or obligation; and no permissive or discretionary power or authority available to the Trustee shall be construed to be a duty.

Section 7.02 *Rights of Trustee.*

(a) In the absence of bad faith on its part, the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, coupon, document or other paper or document believed by it in good faith to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Any request or direction of the Issuers mentioned herein shall be sufficiently evidenced by an Officer's Certificate and any resolution of the Board of Directors or any committee thereof (or committee of officers or other representatives of the Issuers, to the extent any such committee or committees have been so authorized by the Board of Directors) shall be sufficiently evidenced by a certified copy thereof.

(c) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel and the written advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(d) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any attorney or agent appointed with due care.

(e) The Trustee will not be liable for any action taken, suffered or omitted to be taken by it in good faith and believed by it to be authorized or within the discretion, rights or powers conferred upon it by this Indenture.

(f) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from either of the Issuers will be sufficient if signed by an Officer of the relevant Issuer.

(g) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity or security reasonably satisfactory to the Trustee against the costs, losses, liabilities and expenses that might be incurred by it in compliance with such request or direction.

(h) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, coupon or other paper or document.

(i) The Trustee shall not be deemed to have notice or be charged with knowledge of any Default or Event of Default with respect to any series of Notes unless a Responsible Officer of the Trustee has received at the Corporate Trust Office of the Trustee written notice of such Default or Event of Default from an Issuer, any Guarantor or any Holder, and such notice references such Notes and this Indenture.

(j) The Trustee may request that the Issuers deliver an Officers' Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any persons authorized to sign an Officers' Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(k) The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including, without limitation, acts of God; earthquakes; fire; flood; terrorism; wars and other military disturbances; sabotage; epidemics; riots; interruptions; loss or malfunctions of utilities, computer (hardware or software) or communication services; accidents; labor disputes; acts of civil or military authority and governmental action.

(l) Anything in this Indenture notwithstanding, in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to loss of profit), even if the Issuers have been advised as to the likelihood of such loss or damage and regardless of the form of action.

(m) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder and under any of the Security Documents, and each agent, custodian and other Person employed by it to act hereunder.

Section 7.03 *Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuers or any Affiliate of the Issuers with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue as Trustee (if this Indenture has been qualified under the TIA) or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11 hereof.

Section 7.04 *Trustee's Disclaimer; Trustee Not Responsible for Collateral or Security Documents.*

(a) The Trustee will not be responsible for and makes no representation as to the validity or adequacy of this Indenture, the Notes or any of the Security Documents, it shall not be accountable for the Issuers' use of the proceeds from the Notes or any money paid to the Issuers or upon the Issuers' direction under any provision of this Indenture, it will not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it will not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

(b) The recitals and other representations and warranties of the Issuers contained herein and in the Notes (except the Trustee's certificate of authentication on the Notes) shall be taken as the statements of the Issuers, and neither the Trustee nor any authenticating agent assumes any responsibility for their correctness. The Trustee makes no representations as to the value or condition of the Collateral or any part thereof, or as to the title of the Issuers thereto or as to the security afforded thereby or hereby, or as to the validity or genuineness of any securities at any time pledged and deposited with the Trustee hereunder, or as to the validity or sufficiency of this Indenture or of the Notes or as to the validity, attachment, perfection, priority or enforceability of the Liens in any of the Collateral created or intended to be created by any of the Security Documents. The Trustee shall not be accountable for the use or application by the Issuers of the Notes or the proceeds thereof. The Trustee shall have no responsibility to make or to see to the making of any recording, filing or registration of any instrument or notice (including any financing or continuation statement or any tax or securities form), (or any rerecording, refiling or reregistration of any thereof), at any time in any public office or elsewhere for the purpose of perfecting, maintaining the perfection of or otherwise making effective the Lien of any of the Security Documents or for any other purpose and shall have no responsibility for seeing to the insurance on the Collateral or for paying any taxes, charges or assessments on or relating to the Collateral or for otherwise maintaining the Collateral.

(c) The Trustee shall have no obligation to enforce any provision of the Security Documents or to take any other steps in connection with the Collateral or any other collateral, except as otherwise may be expressly provided for in the Security Documents.

(d) Beyond the exercise of reasonable care in the custody thereof, the Trustee shall have no duty as to any Collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto and the Trustee shall not be responsible for recording or filing or re-recording or re-filing any mortgage or financing or continuation statements or recording or re-recording any documents or

instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any lien or security interest in any of the Collateral. The Trustee shall be deemed to have exercised reasonable care in the custody of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which it accords its own property and shall not be liable or responsible for any loss or diminution in the value of any of the Collateral by reason of the act or omission of any carrier, forwarding agency agent or bailee selected by the Trustee in good faith.

(e) The Trustee makes no representations as to and shall not be responsible for the existence, genuineness, value or condition of any of the Collateral or as to the security afforded or intended to be afforded thereby, hereby or by any of the Security Documents, or for the validity, perfection, priority or enforceability of the Liens or security interests in any of the Collateral created or intended to be created by any of the Security Documents, whether impaired by operation of law or by reason of any action or omission to act on its part hereunder, except to the extent such action or omission constitutes negligence or willful misconduct on the part of the Trustee, for the validity or sufficiency of the Collateral, any of the Security Documents or any agreement or assignment contained in any thereof, for the validity of the title of the Issuers or any of their respective Subsidiaries to the Collateral, for insuring the Collateral or for the payment of taxes, charges, assessments or Liens upon the Collateral or otherwise as to the maintenance of the Collateral. The Trustee shall have no duty to ascertain or inquire as to the performance or observance of any of the terms of this Indenture or any of the Security Documents by the Issuers or any other Person that is a party thereto or bound thereby.

Section 7.05 *Notice of Defaults.*

If a Default or Event of Default occurs and is continuing and if it is known to the Trustee, the Trustee will mail to Holders of Notes a notice of the Default or Event of Default within 90 days after it occurs. Except in the case of a Default or Event of Default in payment of principal of, premium or Liquidated Damages, if any, or interest on, any Note, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders of the Notes.

Section 7.06 *Reports by Trustee to Holders of the Notes.*

(a) Within 60 days after each May 15 beginning with the May 15 following the Issue Date, and for so long as Notes remain outstanding, the Trustee will mail to the Holders of the Notes a brief report dated as of such reporting date that complies with TIA § 313(a) (but if no event described in TIA § 313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also will comply with TIA § 313(b)(2). The Trustee will also transmit by mail all reports as required by TIA § 313(c).

(b) A copy of each report at the time of its mailing to the Holders of Notes will be mailed by the Trustee to the Issuers and filed by the Trustee with the SEC and each stock exchange on which the Notes are listed in accordance with TIA § 313(d). The Issuers will promptly notify the Trustee when the Notes are listed on any stock exchange.

Section 7.07 *Compensation and Indemnity.*

(a) The Issuers will pay to the Trustee from time to time such compensation for its acceptance of this Indenture and services hereunder as the Issuers and the Trustee shall agree. The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust.

(b) The Issuers will reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses will include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(c) The Issuers and the Guarantors will indemnify the Trustee, any predecessor Trustee and any co-trustee against any and all losses, damages, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses of enforcing this Indenture against the Issuers and the Guarantors (including this Section 7.07) and defending itself against any claim (whether asserted by the Issuers, the Guarantors or any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its negligence or bad faith. The Trustee will notify the Issuers promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Issuers will not relieve the Issuers or any of the Guarantors of their obligations hereunder. The Issuers or such Guarantor will defend the claim and the Trustee will cooperate in the defense. The Trustee may have separate counsel and the Issuers will pay the reasonable fees and expenses of such counsel. Neither the Issuers nor any Guarantor need pay for any settlement made without their consent, which consent will not be unreasonably withheld.

(d) The obligations of the Issuers and the Guarantors under this Section 7.07 will survive the satisfaction and discharge of this Indenture, the resignation or removal of the Trustee and the termination of this Indenture or the Security Documents for any reason.

(e) To secure the Issuers' and the Guarantors' payment and indemnification obligations in this Section 7.07 and each Pledgor's payment and indemnification obligations under each Security Document to which it is a party, the Trustee will have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal and interest on particular Notes. Such Lien will survive the satisfaction and discharge of this Indenture, the resignation or removal of the Trustee and the termination of this Indenture or the Security Documents for any reason.

(f) In addition and without prejudice to the rights provided to the Trustee under any of the provisions of this Indenture, when the Trustee incurs expenses or renders services in connection with an Event of Default specified in Section 6.01(7) or (8) hereof, the expenses (including the reasonable charges and expenses of its counsel) and the compensation for the services of the Trustee are intended to constitute expenses of administration under any applicable Bankruptcy Law.

(g) The Trustee will comply with the provisions of TIA § 313(b)(2) to the extent applicable.

Section 7.08 *Replacement of Trustee.*

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

(b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Issuers. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuers in writing. The Issuers may remove the Trustee if:

(1) the Trustee fails to comply with Section 7.10 hereof;

(2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;

(3) a custodian or public officer takes charge of the Trustee or its property; or

(4) the Trustee becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuers will promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuers.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuers, or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Issuers. Thereupon, the resignation or removal of the retiring Trustee will become effective, and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will mail a notice of its succession to Holders. The retiring Trustee will promptly transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Issuers' obligations under Section 7.07 hereof will continue for the benefit of the retiring Trustee.

Section 7.09 *Successor Trustee by Merger, etc.*

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another Person, the successor Person without any further act will be the successor Trustee.

Section 7.10 *Eligibility; Disqualification.*

There will at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least $50.0 million as set forth in its most recent published annual report of condition.

This Indenture will always have a Trustee who satisfies the requirements of TIA § 310(a)(1), (2) and (5). The Trustee is subject to TIA § 310(b).

Section 7.11 *Preferential Collection of Claims Against Issuers.*

The Trustee is subject to TIA § 311(a), excluding any creditor relationship listed in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated therein.

Section 7.12 *Conflicting Interests*

If the Trustee has or shall acquire a conflicting interest within the meaning of Section 310(b) of the TIA, the Trustee shall eliminate such interest, apply to the Commission for permission to continue as trustee or resign, to the extent and in the manner provided by, and subject to the provisions of, the TIA and this Indenture. To the extent permitted by such Act, the Trustee shall not be deemed to have a conflicting interest by virtue of being a trustee under this Indenture or under any other indenture or indentures under which other securities, or certificates of interest or participation in other securities, of the Issuers are any Guarantor are outstanding. Nothing herein shall prevent the Trustee from filing with the Commission the application referred to in the second to last paragraph of Section 310(b) of the TIA.

Section 7.13 *Appointment of Co-Trustees*

At any time or times, for the purpose of meeting the legal requirements of any jurisdiction in which any of the Collateral may at the time be located, or if the Trustee is unable or unwilling to execute any documents in a jurisdiction in which any of Collateral may at any time be located or hold or enforce the rights of the secured parties thereunder, each of the Issuers and the Trustee shall have power to appoint, and, upon the written request of the Trustee or of the Holders of at least twenty-five per centum (25%) in principal amount of the Notes then Outstanding, the Issuers shall for such purpose join with the Trustee in the execution and delivery of all instruments and agreements necessary or proper to appoint, one or more Persons approved by the Trustee and, if no Event of Default shall have occurred and be continuing, by the Issuers either to act as co-trustee, jointly with the Trustee, of all or any part of the Collateral, or to act as separate trustee of any such property, in either case with such powers as may be provided in the instrument of appointment, and to vest in such Person or Persons, in the capacity aforesaid, any property, title, right or power deemed necessary or desirable, subject to the other provisions of this Section. If the Issuers or any applicable Guarantor does not join in such appointment within fifteen (15) days after the receipt by it of a request so to do, or if an Event of Default shall have occurred and be continuing, the Trustee alone shall have power to make such appointment.

Should any written instrument or instruments from the Issuers or any Guarantor be required by any co-trustee or separate trustee so appointed to more fully confirm to such co-trustee or separate trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Issuers and/or such Guarantor.

Every co-trustee or separate trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following conditions:

(a) The Notes shall be authenticated and delivered, and all rights, powers, duties and obligations hereunder in respect of the custody of securities, cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised solely, by the Trustee;

(b) The rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by such appointment shall be conferred or imposed upon and exercised or performed either by the Trustee or by the Trustee and such co-trustee or separate trustee jointly, as shall be provided in the instrument appointing such co-trustee or separate trustee, except to the extent that

under any law of any jurisdiction in which any particular act is to be performed the Trustee shall be incompetent or unqualified to perform such act, in which event such rights, powers, duties and obligations shall be exercised and performed by such co-trustee or separate trustee;

(c) The Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Issuers, may accept the resignation of or remove any co-trustee or separate trustee appointed under this Section, and, if an Event of Default shall have occurred and be continuing, the Trustee shall have power to accept the resignation of, or remove, any such co-trustee or separate trustee without the concurrence of the Issuers. Upon the written request of the Trustee, the Issuers and each applicable Guarantor shall join with the Trustee in the execution and delivery of all instruments and agreements necessary or proper to effectuate such resignation or removal. A successor to any co-trustee or separate trustee so resigned or removed may be appointed in the manner provided in this Section;

(d) Neither the Trustee nor any co-trustee or separate trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder; and

(e) Any Act of Holders delivered to the Trustee shall be deemed to have been delivered to each such co-trustee and separate trustee.

**ARTICLE 8.**
LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 *Option to Effect Legal Defeasance or Covenant Defeasance.*

The Issuers may at any time, at the option of its Board of Directors evidenced by a resolution set forth in an Officers' Certificate, elect to have either Section 8.02 or 8.03 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02 *Legal Defeasance and Discharge.*

Upon the Issuers' exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Issuers and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes (including the Note Guarantees) on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Issuers and the Guarantors will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes (including the Note Guarantees), which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in clauses (1) and (2) below, and to have satisfied all their other obligations under such Notes, the Note Guarantees and this Indenture (and the Trustee, on demand of and at the expense of the Issuers, shall execute proper instruments acknowledging the same), except for the following provisions which will survive until otherwise terminated or discharged hereunder:

(1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, or interest or premium and Liquidated Damages, if any, on, such Notes when such payments are due from the trust referred to in Section 8.04 hereof;

(2) MagnaChip's obligations with respect to such Notes under Article 2 and Section 4.02 hereof;

(3) the rights, powers, trusts, duties and immunities of the Trustee hereunder (including all rights under Section 7.07) and the Issuers' and the Guarantors' obligations in connection therewith; and

(4) this Article 8.

Subject to compliance with this Article 8, the Issuers may exercise their option under this Section 8.02 notwithstanding the prior exercise of their option under Section 8.03 hereof.

Section 8.03 *Covenant Defeasance.*

Upon the Issuers' exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Issuers and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from each of their obligations under the covenants contained in Sections 4.03, 4.05, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.15, 4.16, 4.19, 4.20, 4.21, and 4.22 hereof and clauses (3) and (4) of Section 5.01 hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (hereinafter, "*Covenant Defeasance*"), and the Notes will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes will not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes and Note Guarantees, the Issuers and the Guarantors may omit to comply with and will have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes and Note Guarantees will be unaffected thereby. In addition, upon the Issuers' exercise under Section 8.01 hereof of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(3) through 6.01(6) hereof will not constitute Events of Default.

Section 8.04 *Conditions to Legal or Covenant Defeasance.*

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03 hereof:

(1) the Issuers must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants, to pay the principal of, premium and Liquidated Damages, if any, and interest on, the outstanding Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be, and MagnaChip must specify whether the Notes are being defeased to such stated date for payment or to a particular redemption date;

(2) in the case of an election under Section 8.02 hereof, MagnaChip must deliver to the Trustee an Opinion of Counsel confirming that:

(A) MagnaChip has received from, or there has been published by, the Internal Revenue Service a ruling; or

(B) since the Issue Date, there has been a change in the applicable U.S. federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of an election under Section 8.03 hereof, MagnaChip must deliver to the Trustee an Opinion of Counsel confirming that the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default shall have occurred and be continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which MagnaChip or any Guarantor is a party or by which MagnaChip or any Guarantor is bound;

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than this Indenture) to which MagnaChip or any of its Subsidiaries is a party or by which MagnaChip or any of its Subsidiaries is bound;

(6) MagnaChip must deliver to the Trustee an Officers' Certificate stating that the deposit was not made by MagnaChip with the intent of preferring the Holders of Notes over the other creditors of MagnaChip with the intent of defeating, hindering, delaying or defrauding any creditors of MagnaChip or others; and

(7) MagnaChip must deliver to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with, such opinion to be subject to customary assumptions and exceptions.

The Collateral will be released from the Lien securing the Notes, pursuant to the terms of the Intercreditor Agreement, upon a Legal Defeasance or Covenant Defeasance in accordance with this Section 8.04 and in accordance with the procedures set forth in Section 10.04.

Section 8.05 *Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions.*

Subject to Section 8.06 hereof, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "*Trustee*") pursuant to Section 8.04 hereof in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including either Issuer acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium and Liquidated Damages, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Issuers will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article 8 to the contrary, the Trustee will deliver or pay to the Issuers from time to time upon the request of the Issuers any money or non-callable Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(1) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 *Repayment to the Issuers.*

Any money deposited with the Trustee or any Paying Agent, or then held by the Issuers, in trust for the payment of the principal of, premium or Liquidated Damages, if any, or interest on, any Note and remaining unclaimed for two years after such principal, premium or Liquidated Damages, if any, or interest has become due and payable shall be paid to the Issuers on its request or (if then held by the Issuers) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Issuers for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuers as trustee thereof, will thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuers cause to be published once, in the New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which will not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Issuers.

Section 8.07 *Reinstatement.*

If the Trustee or Paying Agent is unable to apply any U.S. dollars or non-callable Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuers' and the Guarantors' obligations under this Indenture and the Notes and the Note Guarantees will be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided, however*, that, if the Issuers make any payment of principal of, premium or Liquidated Damages, if any, or interest on, any Note following the reinstatement of its obligations, the Issuers will be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

**ARTICLE 9.**
AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 *Without Consent of Holders of Notes.*

Notwithstanding Section 9.02 of this Indenture, the Issuers, the Guarantors and the Trustee may amend or supplement this Indenture or the Notes or the Note Guarantees without the consent of any Holder of a Note:

(1) to cure any ambiguity, defect or inconsistency;

(2) to provide for uncertificated Notes in addition to or in place of certificated Notes;

(3) to provide for the assumption of MagnaChip's or a Guarantor's obligations to the Holders of the Notes and Note Guarantees by a successor to MagnaChip or such Guarantor pursuant to Article 5 hereof;

(4) to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights hereunder of any Holder;

(5) to comply with requirements of the SEC in order to effect or maintain the qualification of this Indenture under the TIA;

(6) to conform the text of this Indenture, the Note Documents, the Security Documents, the Notes or the Note Guarantees to any provision of the "Description of the second priority notes" section of the Issuers' Offering Memorandum dated December 16, 2004, relating to the initial offering of the Notes, to the extent that such provision in that "Description of the second priority notes" was intended by MagnaChip and the Initial Purchasers to be a verbatim recitation of a provision of this Indenture, the Note Guarantees, the Security Documents or the Notes, as represented by MagnaChip to the Trustee in an Officers' Certificate;

(7) to provide for the issuance of Additional Notes in accordance with the limitations set forth in this Indenture as of the date hereof;

(8) to allow any Guarantor to execute a supplemental indenture and/or a Note Guarantee with respect to the Notes;

(9) to make, complete or confirm any grant of Collateral permitted or required by this Indenture or any of the Security Documents or any release of Collateral that becomes effective as set forth in this Indenture or any of the Security Documents; or

(10) to appoint a co-trustee or separate trustee as provided in Section 7.14.

Upon the request of the Issuers accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee will join with the Issuers and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee will not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 9.02 *With Consent of Holders of Notes.*

Except as provided below in this Section 9.02, the Issuers and the Trustee may amend or supplement this Indenture (including, without limitation, Section 3.09, 4.10 and 4.15 hereof) and the Notes and the Note Guarantees with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default or compliance with any provision of this Indenture or the Notes or the Note Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the applicable series of Notes then outstanding (including, without limitation, Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes).

Upon the request of the Issuers accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee will join with the Issuers and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amended or supplemental Indenture.

It is not be necessary for the consent of the Holders of Notes under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it is sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuers will mail to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuers to mail such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver. Subject to Sections 6.04 and 6.07 hereof, the Holders of a majority in aggregate principal amount of the Notes then outstanding voting as a single class may waive compliance in a particular instance by the Issuers with any provision of this Indenture or the Notes or the Note Guarantees. However, notwithstanding the foregoing without the consent of each Holder affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

(1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;

(2) reduce the principal of or change the fixed maturity of any Note or alter any of the provisions with respect to the redemption of the Notes (except as provided above with respect to Sections 3.09, 4.10 and 4.15 hereof);

(3) reduce the rate of or change the time for payment of interest, including default interest, on any Note;

(4) waive a Default or Event of Default in the payment of principal of, or premium or Liquidated Damages, if any, or interest on, the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);

(5) make any Note payable in money other than that stated in the Notes;

(6) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders of Notes to receive payments of principal of, or interest or premium or Liquidated Damages, if any, on the applicable series of Notes;

(7) waive a redemption payment with respect to any Note (other than a payment required by Sections 3.09, 4.10 or 4.15 hereof);

(8) release any Guarantor from any of its obligations under its Note Guarantee or this Indenture, except in accordance with the terms of this Indenture; or

(9) make any change in the preceding amendment and waiver provisions.

In addition, any amendment to, or waiver of, the provisions of the Indenture or any Security Document that has the effect of releasing all or substantially all of the Collateral from the Liens securing the applicable series of Notes will require the consent of the holders of at least 66 2/3% in aggregate principal amount of each series of the Notes then outstanding.

Section 9.03 *Compliance with Trust Indenture Act.*

Every amendment or supplement to this Indenture or the Notes will be set forth in a amended or supplemental indenture that complies with the TIA as then in effect.

Section 9.04 *Revocation and Effect of Consents.*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.05 *Notation on or Exchange of Notes.*

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuers in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 *Trustee to Sign Amendments, etc.*

The Trustee will sign any amended or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Issuers may not sign an amended or supplemental indenture until the Board of Directors of each of the Issuers approves it. In executing any amended or supplemental indenture, the Trustee will be entitled to receive and (subject to Section 7.01 hereof) will be fully protected in relying upon an Officers' Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture.

**ARTICLE 10.**

In addition, the foregoing provision is intended solely to set forth the relative ranking, as Liens, of the Liens securing Parity Lien Debt as against the Priority Liens. Neither the Notes nor any other Parity Lien Obligations nor the exercise or enforcement of any right or remedy for the payment or collection thereof are intended to be, or shall ever be by reason of the foregoing provision, in any respect subordinated, deferred, postponed, restricted or prejudiced.

Section 10.03 *Relative Rights*

Nothing in the Note Documents will:

(a) impair, as MagnaChip and the Holders of Notes, the obligation of MagnaChip to pay principal of, premium and interest and Liquidated Damages, if any, on the Notes in accordance with their terms or any other obligation of MagnaChip or any other Pledgor;

(b) affect the relative rights of Holders of Notes as against any other creditors of MagnaChip or any other Pledgor (other than holders of Priority Liens, Permitted Prior Liens or other Parity Liens);

Any certificate or opinion required by TIA §314(d) may be made by an Officer of MagnaChip except in cases where TIA §314(d) requires that such certificate or opinion be made by an independent Person, which Person will be an independent engineer, appraiser or other expert selected or reasonably satisfactory to the Trustee. Notwithstanding anything to the contrary in this Section 10.04, MagnaChip will not be required to comply with all or any portion of TIA §314(d) if it determines, in good faith based on advice of counsel, that under the terms of TIA §314(d) and/or any interpretation or guidance as to the meaning thereof of the SEC and its staff, including "no action" letters or exemptive orders, all or any portion of TIA §314(d) is inapplicable to one or a series of released Collateral. (c) Notwithstanding the foregoing, neither MagnaChip nor any of the other Pledgors shall be required to do or cause to be done any act or thing to the extent such Pledgor would not be required by the terms of the Senior Credit Agreement to do or cause to be done such act or thing in order to assure or confirm that the Credit Agreement Agent holds, for the benefit of the lenders thereunder, duly created and enforceable and perfected liens upon the collateral thereunder or to create, perfect, protect, assure or enforce the liens and benefits intended to be conferred thereunder for the benefit of the lenders thereunder.

(d) MagnaChip and the other Pledgors will:

(1) keep their properties adequately insured at all times by financially sound and reputable insurers;

**ARTICLE 11.**
SATISFACTION AND DISCHARGE

Section 11.01 *Satisfaction and Discharge.*

This Indenture will be discharged and will cease to be of further effect as to all Notes issued hereunder, when:

(1) either:

(a) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust and thereafter repaid to MagnaChip, have been delivered to the Trustee for cancellation; or

(b) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or will become due and payable within one year and MagnaChip or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the holders, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Trustee for cancellation for principal, premium and Liquidated Damages, if any, and accrued interest to the date of maturity or redemption;

In addition, MagnaChip must deliver an Officers' Certificate and an opinion of counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

The Collateral will be released from the Lien securing the Notes, pursuant to the terms of the Intercreditor Agreement, upon a satisfaction and discharge in accordance with this Section 11.01.

Notwithstanding the satisfaction and discharge of this Indenture, if money has been deposited with the Trustee pursuant to Section 11.01, the provisions of Sections 11.02 and 8.06 hereof will survive. In addition, nothing in this Section 11.01 will be deemed to discharge those provisions of Section 7.07 hereof, that, by their terms, survive the satisfaction and discharge of this Indenture.

Section 11.02 *Application of Trust Money.*

Subject to the provisions of Section 8.06 hereof, all money deposited with the Trustee pursuant to Section 11.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including either Issuers acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium and Liquidated Damages, if any) and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 11.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuers' and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01 hereof; *provided* that if the Issuers have made any payment of principal of, premium or Liquidated Damages, if any, or interest on, any Notes because of the reinstatement of its obligations, the Issuers shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

## ARTICLE 12.
## NON-KOREAN NOTE GUARANTEES

Section 12.01 *Guarantee.*

(a) Subject to this Article 12, each of the Non-Korean Guarantors hereby, jointly and severally, unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Issuers hereunder or thereunder, that:

(1) the principal of, premium and Liquidated Damages, if any, and interest on, the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Issuers to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Non-Korean Guarantors will be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Non-Korean Guarantors hereby agree that their obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuers, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuers, any right to require a proceeding first against the Issuers, protest, notice and all demands whatsoever and covenant that this Note Guarantee will not be discharged except by complete performance of the obligations contained in the Notes and this Indenture.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Issuers, the Non-Korean Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuers or the Non-Korean Guarantors, any amount paid by either to the Trustee or such Holder, this Note Guarantee, to the extent theretofore discharged, will be reinstated in full force and effect.

(d) Each Guarantor agrees that it will not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Non-Korean Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 hereof for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Article 6 hereof, such obligations (whether or not due and payable) will forthwith become due and payable by the Non-Korean Guarantors for the purpose of this Note Guarantee. The Non-Korean Guarantors will have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantee.

Section 12.02 *Limitation on Guarantor Liability.*

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Non-Korean Guarantors hereby irrevocably agree that the obligations of such Guarantor will be limited to the maximum amount that will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 12, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent transfer or conveyance.

Section 12.03 *Execution and Delivery of Note Guarantee.*

To evidence its Note Guarantee set forth in Section 12.01 hereof, each Guarantor hereby agrees that a notation of such Note Guarantee substantially in the form attached as Exhibit E hereto will be endorsed by an Officer of such Guarantor on each Note authenticated and delivered by the Trustee and that this Indenture will be executed on behalf of such Guarantor by one of its Officers.

Each Guarantor hereby agrees that its Note Guarantee set forth in Section 12.01 hereof will remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Note Guarantee.

If an Officer whose signature is on this Indenture or on the Note Guarantee no longer holds that office at the time the Trustee authenticates the Note on which a Note Guarantee is endorsed, the Note Guarantee will be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, will constitute due delivery of the Note Guarantee set forth in this Indenture on behalf of the Non-Korean Guarantors.

In the event that the Issuers or any of its Restricted Subsidiaries creates or acquires any Subsidiary after the Issue Date, if required by Section 4.21 hereof, the Issuers will cause such Subsidiary to comply with the provisions of Section 4.21 hereof and this Article 12, to the extent applicable.

Section 12.04 *Non-Korean Guarantors May Consolidate, etc., on Certain Terms.*

Except as otherwise provided in Section 12.05 hereof, no Guarantor may sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into (whether or not such Guarantor is the surviving Person) another Person, other than the MagnaChip or another Guarantor, unless:

(1) immediately after giving effect to such transaction, no Default or Event of Default exists; and

(2) either:

(a) subject to Section 12.05 hereof, the Person acquiring the property in any such sale or disposition or the Person formed by or surviving any such consolidation or merger unconditionally assumes all the obligations of that Guarantor under this Indenture, its Note Guarantee and the Registration Rights Agreements on the terms set forth herein or therein, pursuant to a supplemental indenture in form and substance reasonably satisfactory to the Trustee; or

(b) the Net Proceeds of such sale or other disposition are applied in accordance with the applicable provisions of this Indenture, including without limitation, Section 4.10 hereof.

In case of any such consolidation, merger, sale or conveyance and upon the assumption by the successor Person, by supplemental indenture, executed and delivered to the Trustee and satisfactory in form to the Trustee, of the Note Guarantee endorsed upon the Notes and the due and punctual performance of all of the covenants and conditions of this Indenture to be performed by the Guarantor, such successor Person will succeed to and be substituted for the Guarantor with the same effect as if it had been named herein as a Guarantor. Such successor Person thereupon may cause to be signed any or all of the Note Guarantees to be endorsed upon all of the Notes issuable hereunder which theretofore shall not have been signed by the Issuers and delivered to the Trustee. All the Note Guarantees so issued will in all respects have the same legal rank and benefit under this Indenture as the Note Guarantees theretofore and thereafter issued in accordance with the terms of this Indenture as though all of such Note Guarantees had been issued at the date of the execution hereof.

Except as set forth in Articles 4 and 5 hereof, and notwithstanding clauses 2(a) and (b) above, nothing contained in this Indenture or in any of the Notes will prevent any consolidation or merger of a Guarantor with or into the Issuers or another Guarantor, or will prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to the Issuers or another Guarantor.

Section 12.05 *Releases.*

The Note Guarantees of a Guarantor will be released:

(a) in connection with any liquidation or sale or other disposition of all or substantially all of the assets of that Guarantor (including by way of merger or consolidation) to a Person that is not (either before or after giving effect to such transaction) MagnaChip or a Restricted Subsidiary of MagnaChip, if the sale or other disposition does not violate Section 4.10 hereof or is made in connection with an enforcement of a Priority Lien;

(b) in connection with any sale or other disposition of all of the Capital Stock of that Guarantor to a Person that is not (either before or after giving effect to such transaction) MagnaChip or a Restricted Subsidiary of MagnaChip, if the sale or other disposition does not violate Section 4.10 hereof;

(c) if MagnaChip designates any Restricted Subsidiary that is a Guarantor to be an Unrestricted Subsidiary in accordance with Section 4.22 hereof; or

(d) upon legal defeasance or satisfaction and discharge of this Indenture as provided in Articles 8 and Article 11 hereof.

Any Guarantor not released from its obligations under its Note Guarantee as provided in this Section 12.05 will remain liable for the full amount of principal of and interest and premium and Liquidated Damages, if any, on the Notes and for the other obligations of any Guarantor under this Indenture as provided in this Article 12. In connection with any such release, the Issuers shall deliver to the Trustee an Officers' Certificate and an Opinion of Counsel as and to the extent required by Sections 14.04 and 14.05.

**ARTICLE 13.**
KOREAN NOTE GUARANTEE

Section 13.01 *Guarantees.*

(a) Subject to this Article 13, MagnaChip Semiconductor Ltd. (the "*Korean Guarantor*") hereby unconditionally guarantees as a primary obligor and not as a surety to the Collateral Trustee and its respective successors and assigns, the prompt payment in full when due (whether at stated maturity, by required prepayment, declaration, demand, by acceleration or otherwise) of the principal of, premium and Liquidated Damages, if any, and interest (including any interest, fees, costs or charges that would accrue but for the provisions of Title 11, U.S. Code after any bankruptcy or insolvency petition under Title 11, U.S. Code) on the Notes or the obligations of the Issuers hereunder or thereunder from time to time owing to each Holder of a Note by any of the Issuers any of the Note Documents, in each case strictly in accordance with the terms thereof (such obligations being herein collectively called the "*Korean Guarantor Guaranteed Obligations*"). The Korean Guarantor hereby agrees that if either Issuer fails to pay in full when due (whether at stated maturity, by acceleration or otherwise) any of the Korean Guarantor Guaranteed Obligations, the Korean Guarantor will promptly pay to the Collateral Trustee the same in cash, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the Korean Guarantor Guaranteed Obligations, the same will be promptly paid in full when due (whether at extended maturity, by acceleration or otherwise) in accordance with the terms of such extension or renewal.

(b) The obligations of the Korean Guarantor under Section 13.01(a) shall constitute a guaranty of payment and to the fullest extent permitted by applicable Requirements of Law, are absolute, irrevocable and unconditional, irrespective of the value, genuineness, validity, regularity or enforceability of the Korean Guarantor Guaranteed Obligations of either Issuer under any of the Note Documents, or any other agreement or instrument referred to herein or therein, or any substitution, release or exchange of any other guarantee of or security for any of the Korean Guarantor Guaranteed Obligations, and, irrespective of any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor (except for payment in full). Without limiting the generality of the foregoing, it is agreed that the occurrence of any one or more of the following shall not alter or

impair the liability of the Korean Guarantor hereunder which shall remain absolute, irrevocable and unconditional under any and all circumstances as described above:

(1) at any time or from time to time, without notice to the Korean Guarantor, the time for any performance of or compliance with any of the Korean Guarantor Guaranteed Obligations shall be extended, or such performance or compliance shall be waived;

(2) any of the acts mentioned in any of the provisions of this Article 13 or any of the Note Documents, or any other agreement or instrument referred to herein or therein shall be done or omitted;

(3) the maturity of any of the Korean Guarantor Guaranteed Obligations shall be accelerated, or any of the Korean Guarantor Guaranteed Obligations shall be amended in any respect, or any right under the Note Documents or any other agreement or instrument referred to herein or therein shall be amended or waived in any respect or any other guarantee of any of the Korean Guarantor Guaranteed Obligations or any security therefor shall be released or exchanged in whole or in part or otherwise dealt with;

(4) any Lien or security interest granted to, or in favor of, the Collateral Trustee or any other Person as security for any of the Korean Guarantor Guaranteed Obligations shall fail to be perfected; or

(5) the release of any other Guarantor pursuant to Section 12.05 hereof.

(c) The Korean Guarantor hereby expressly waives diligence, presentment, demand of payment, protest and all notices whatsoever, and any requirement that any Holder of Notes exhaust any right, power or remedy or proceed against any Issuer under the Note Documents or any other agreement or instrument referred to therein, or against any other person under any other guarantee of, or security for, any of the Korean Guarantor Guaranteed Obligations. The Korean Guarantor waives any and all notice of the creation, renewal, extension, waiver, termination or accrual of any of the Korean Guarantor Guaranteed Obligations and notice of or proof of reliance by any Holder of Notes upon this Guarantee or acceptance of this Guarantee, and the Korean Guarantor Guaranteed Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred in reliance upon this Guarantee, and all dealings between the Issuers and Holders of Notes shall likewise be conclusively presumed to have been had or consummated in reliance upon this Guarantee. This Guarantee shall be construed as a continuing, absolute, irrevocable and unconditional guarantee of payment without regard to any right of offset with respect to the Korean Guarantor Guaranteed Obligations at any time or from time to time held by Holders of Notes, and the obligations and liabilities of the Korean Guarantor hereunder shall not be conditioned or contingent upon the pursuit by the Holders of Notes or any other person at any time of any right or remedy against any Issuer or against any other person which may be or become liable in respect of all or any part of the Korean Guarantor Guaranteed Obligations or against any collateral security or guarantee therefor or right of offset with respect thereto. This Guarantee shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon the Korean Guarantor and the successors and assigns thereof, and shall inure to the benefit of the Holders of Notes, and their respective successors and assigns.

(d) The obligations of the Korean Guarantor under this Section 13.01 shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of any Issuer or other Guarantors in respect of the Korean Guarantor Guaranteed Obligations is rescinded or must be otherwise restored by any holder of any of the Guaranteed Obligations, whether as a result of any proceedings in bankruptcy or reorganization or otherwise.

(e) The Korean Guarantor hereby agrees that until the indefeasible payment and satisfaction in full in cash of all Korean Guarantor Guaranteed Obligations it shall not exercise any right or remedy, direct or indirect, arising by reason of any performance by it of its guarantee in Section 13.01(a), whether by subrogation or otherwise, against any Issuer or any other guarantor of any of the Korean Guarantor Guaranteed Obligations or any security for any of the Korean Guarantor Guaranteed Obligations. Any Indebtedness of any of the Issuers or Guarantors permitted pursuant to Section 4.09 of hereof shall be subordinated to such Issuers or Guarantors' Guaranteed Obligations in the manner required by the Indenture.

(f) The Korean Guarantor hereby acknowledges that the guarantee in this Section 13 constitutes an instrument for the payment of money, and consents and agrees that the Collateral Trustee, at its sole option, in the event of a dispute by such Korean Guarantor in the payment of any moneys due hereunder, shall have the right to bring a motion-action under New York CPLR Section 3213.

(g) The guarantee in this Article 13 is a continuing guarantee of payment, and shall apply to all Guaranteed Obligations whenever arising.

(h) Recovery under this Article 13 is limited to $500,000,000 of principal *plus* interest (including default interest) at the rates stated in the Notes and this Indenture, *plus* any and all fees, expenses, indemnifications, breakage costs, taxes, Liquidated Damages, enforcement costs or other amounts owing to the holders of the Notes, the Trustee, the Collateral Trustee or any Holder of any Note pursuant to the terms of this Indenture, the Notes or this Article 13.

Section 13.02 *Remedies.*

Subject to the terms of the Intercreditor Agreement, the Korean Guarantor agrees that, as between the Korean Guarantor and the Collateral Trustee, the obligations of the Issuers under this Indenture and the Notes may be declared to be forthwith due and payable as provided in this Indenture (and shall be deemed to have become automatically due and payable in the circumstances provided herein) for purposes of Section 13.01(a), notwithstanding any stay, injunction or other prohibition preventing such declaration (or such obligations from becoming automatically due and payable) as against the Issuers and that, in the event of such declaration (or such obligations being deemed to have become automatically due and payable), such obligations (whether or not due and payable by the Issuers) shall forthwith become due and payable by the Korean Guarantor for purposes of Section 13.01(a).

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

(1) *INTEREST*. MagnaChip Semiconductor S.A., a Luxembourg public limited liability company (*societe anonyme*) ("MagnaChip"), and MagnaChip Semiconductor Finance Company, a Delaware corporation ("*Finance Company*" and together with MagnaChip, the "*Issuers*"), jointly and severally promise to pay interest on the principal amount of this Floating Rate Note at a rate equal to the LIBOR Rate *plus* 3.25% from December 23, 2004 until maturity and shall pay the Liquidated Damages, if any, payable pursuant to Section 4 of the Registration Rights Agreement referred to below. The LIBOR Rate will be reset quarterly. The LIBOR Rate for the first quarterly period ending on March 14, 2005 will be 5.76%. The Issuers will pay interest and Liquidated Damages, if any, quarterly in arrears on March 15, June 15, September 15 and December 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an "*Interest Payment Date*"). Interest on the Floating Rate Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that if there is no existing Default in the payment of interest, and if this Floating Rate Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided further* that the first Interest Payment Date shall be March 15, 2005. The Issuers will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue

principal and premium, if any, from time to time on demand at a rate that is 1% per annum in excess of the rate then in effect to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest and Liquidated Damages, if any, (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest will be computed on the basis of a 360-day year of twelve 30-day months.

(2) *METHOD OF PAYMENT*. The Issuers will pay interest on the Floating Rate Notes (except defaulted interest) and Liquidated Damages, if any, to the Persons who are registered Holders of Floating Rate Notes at the close of business on the March 1, June 1, September 1 or December 1 next preceding the Interest Payment Date, even if such Floating Rate Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Floating Rate Notes will be payable as to principal, premium and Liquidated Damages, if any, and interest at the office or agency of the Issuers maintained for such purpose within or without the City and State of New York, or, at the option of the Issuers, payment of interest and Liquidated Damages, if any, may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of and interest, premium and Liquidated Damages, if any, on, all Floating Rate Global Notes and all other Floating Rate Notes the Holders of which will have provided wire transfer instructions to the Issuers or the Paying Agent. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *PAYING AGENT AND REGISTRAR*. Initially, The Bank of New York, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Issuers may change any Paying Agent or Registrar without notice to any Holder. MagnaChip or any of its Subsidiaries may act in any such capacity.

(4) *INDENTURE*. The Issuers issued the Floating Rate Notes under an Indenture dated as of December 23, 2004 (the "*Indenture*") among the Issuers, the Guarantors and the Trustee. The terms of the Floating Rate Notes include those stated in the Indenture and those made part of the Indenture by reference to the TIA. The Floating Rate Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of such terms. To the extent any provision of this Floating Rate Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Floating Rate Notes are secured obligations of the Issuers as evidenced by the Security Documents referred to in the Indenture. The Indenture does not limit the aggregate principal amount of Floating Rate Notes that may be issued thereunder.

(5) *OPTIONAL REDEMPTION*.

(a) At any time prior to December 15, 2005, MagnaChip may on any one or more occasions redeem up to 35% of the aggregate principal amount of Floating Rate Notes issued under the Indenture (including any Floating Rate Additional Notes issued after the Issue Date) at a redemption price of 100% of the principal amount thereof, *plus* the LIBOR Rate in effect on the date of the redemption notice *plus* 3.25%, *plus* accrued and unpaid interest and Liquidated Damages, if any, to the redemption date, with the net cash proceeds of one or more Public Equity Offerings or a contribution to MagnaChip's common equity capital made with the net cash proceeds of a concurrent Public Equity Offering of US LLC or any of its Subsidiaries; *provided* that:

(1) at least 65% of the aggregate principal amount of Floating Rate Notes originally issued under this Indenture (excluding Floating Rate Notes held by MagnaChip and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and

(2) the redemption occurs within 90 days of the date of the closing of such Public Equity Offering or equity contributions.

(b) On or after December 15, 2005, MagnaChip may redeem all or a part of the Floating Rate Notes, upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail to each holder's registered address, at the redemption prices (expressed as percentages of principal amount) set forth below *plus* accrued and unpaid interest and Liquidated Damages, if any, on the Floating Rate Notes redeemed, to the applicable redemption date, if redeemed during the twelve-month period beginning on December 15 of the years indicated below, subject to the rights of holders of Floating Rate Notes on the relevant record date to receive interest due on the relevant interest payment date:

| Year | Percentage |
|---|---|
| 2005 | 103% |
| 2006 | 102% |
| 2007 | 101% |
| 2008 and thereafter | 100% |

At any time prior to December 15, 2005, MagnaChip may also redeem all or a part of the Floating Rate Notes (including any Floating Rate Additional Notes issued after the Issue Date), upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail to each holder's registered address, at a redemption price equal to 100% of the principal amount of Floating Rate Notes redeemed *plus* the Floating Rate Second Priority Notes Applicable Premium as of, and accrued and unpaid interest and Liquidated Damages, if any, to the redemption date, subject to the rights of holders of Floating Rate Notes on the relevant record date to receive interest due on the relevant interest payment date.

Unless MagnaChip defaults in the payment of the redemption price, interest will cease to accrue on the Floating Rate Notes or portions thereof called for redemption on the applicable redemption date.

(6) *MANDATORY REDEMPTION*.

The Issuers are not required to make mandatory redemption or sinking fund payments with respect to the Floating Rate Notes.

(7) *REPURCHASE AT THE OPTION OF HOLDER*.

(a) If a Change of Control occurs, the Issuers will make an offer (a *"Change of Control Offer"*) to each Holder to repurchase all or any part (equal to $1,000 or an integral multiple of $1,000 in excess of $1,000) of that Holder's Floating Rate Notes at a purchase price in cash equal to 101% of the aggregate principal amount of Floating Rate Notes repurchased *plus* accrued and unpaid interest and Liquidated Damages, if any, on the Floating Rate Notes repurchased to the date of purchase, subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date (the *"Change of Control Payment"*). Within 30 days following any Change of Control, the Issuers will mail a notice to each Holder setting forth the procedures governing the Change of Control Offer as required by the Indenture.

(b) If the Issuers or a Restricted Subsidiary of the Issuers consummates any Asset Sales, within 30 days of each date on which the aggregate amount of Excess Proceeds exceeds $10.0 million, MagnaChip will commence an offer to all Holders of Floating Rate Notes and all holders of other Indebtedness that is *pari passu* with the Floating Rate Notes containing provisions similar to those set forth in the Indenture with respect to offers to purchase or redeem with the proceeds of sales of assets (an "*Asset Sale Offer*") pursuant to Section 3.09 of the Indenture to purchase the maximum principal amount of Floating Rate Notes and such other *pari passu* Indebtedness that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof *plus* accrued and unpaid interest and Liquidated Damages, if any, thereon to the date of purchase, in accordance with the procedures set forth in the Indenture. To the extent that the aggregate amount of Floating Rate Notes and other *pari passu* Indebtedness tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, MagnaChip (or such Restricted Subsidiary) may use such deficiency for any purpose not otherwise prohibited by the Indenture. If the aggregate principal amount of Floating Rate Notes and other *pari passu* Indebtedness tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee shall select the Floating Rate Notes and such other *pari passu* Indebtedness to be purchased on a *pro rata* basis. Holders of Floating Rate Notes that are the subject of an offer to purchase will receive an Asset Sale Offer from the Issuers prior to any related purchase date and may elect to have such Floating Rate Notes purchased by completing the form entitled "*Option of Holder to Elect Purchase*" attached to the Floating Rate Notes.

(8) *NOTICE OF REDEMPTION*. Notice of redemption will be mailed at least 30 days but not more than 60 days before the redemption date to each Holder whose Floating Rate Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Floating Rate Notes or a satisfaction or discharge of the Indenture. Floating Rate Notes in denominations larger than $1,000 may be redeemed in part but only in whole multiples of $1,000, unless all of the Floating Rate Notes held by a Holder are to be redeemed.

(9) *DENOMINATIONS, TRANSFER, EXCHANGE*. The Floating Rate Notes are in registered form without coupons in denominations of $1,000 and integral multiples of $1,000. The transfer of Floating Rate Notes may be registered and Floating Rate Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuers may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuers need not exchange or register the transfer of any Floating Rate Note or portion of a Floating Rate Note selected for redemption, except for the unredeemed portion of any Floating Rate Note being redeemed in part. Also, the Issuers need not exchange or register the transfer of any Floating Rate Notes for a period of 15 days before a selection of Floating Rate Notes to be redeemed or during the period between a record date and the corresponding Interest Payment Date.

(10) *REDEMPTION FOR CHANGES IN TAXES*. The Issuers may redeem each series of the Floating Rate Notes, in whole but not in part, at their discretion at any time at a redemption price equal to the principal amount thereof, together with accrued and unpaid interest and Liquidated Damages, if any, to the date fixed by the Issuers for redemption (a *"Tax Redemption Date"*) and all Additional Amounts (if any) then due and which will become due on the Tax Redemption Date as a result of the redemption or otherwise (subject to the right of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date and Additional Amounts (if any) in respect thereof), if on the next date on which any amount would be payable in respect of the Floating Rate Notes, the Issuers have or

would be required to pay Additional Amounts, and the Issuers cannot avoid any such payment obligation taking reasonable measures available to them, as a result of:

(a) any change in, or amendment to, the laws or treaties (or any regulations, or rulings promulgated thereunder) of the relevant Tax Jurisdiction affecting taxation which change or amendment has not been publicly announced as formally adopted and which becomes effective on or after the Issue Date (or, if the relevant Tax Jurisdiction has changed since the Issue Date, the date on which the then current Tax Jurisdiction became the applicable Tax Jurisdiction under this Indenture); or

(b) any change in, or amendment to, the existing official position or the introduction of an official position regarding the application, administration or interpretation of such laws, treaties, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction or a change in published practice), which change, amendment, application or interpretation has not been publicly announced as formally adopted and becomes effective on or after the Issue Date (or, if the relevant Tax Jurisdiction has changed since the Issue Date, the date on which the then current Tax Jurisdiction became the applicable Tax Jurisdiction under this Indenture).

The Issuers will not give any such notice of redemption earlier than 90 days prior to the earliest date on which the Issuers would be obligated to make such payment or withholding if a payment in respect of the Floating Rate Notes were then due. Prior to the publication or, where relevant, mailing of any notice of redemption of the Floating Rate Notes pursuant to the foregoing, the Issuers will deliver the Trustee an opinion of counsel, the choice of such counsel to be subject to the prior written approval of the Trustee (such approval not to be unreasonably withheld) to the effect that there has been such change or amendment which would entitle the Issuers to redeem the Floating Rate Notes hereunder and the Issuers cannot avoid any obligation to pay Additional Amounts taking reasonable measures available.

(11) *PERSONS DEEMED OWNERS*. The registered Holder of a Floating Rate Note may be treated as its owner for all purposes.

(12) *AMENDMENT, SUPPLEMENT AND WAIVER*. Subject to certain exceptions, the Indenture or the Floating Rate Notes or the Guarantees may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Floating Rate Notes including Floating Rate Additional Notes, if any, voting as a single class, and any existing Default or Event or Default or compliance with any provision of the Indenture or the Floating Rate Notes or the Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Floating Rate Notes including Floating Rate Additional Notes, if any, voting as a single class. Without the consent of any Holder of a Floating Rate Note, the Indenture or the Floating Rate Notes or the Guarantees may be amended or supplemented to cure any ambiguity, defect or inconsistency, to provide for uncertificated Floating Rate Notes in addition to or in place of certificated Floating Rate Notes, to provide for the assumption of the Issuers' or a Guarantor's obligations to Holders of the Floating Rate Notes and Floating Rate Note Guarantees in case of a merger or consolidation, to make any change that would provide any additional rights or benefits to the Holders of the Floating Rate Notes or that does not adversely affect the legal rights under the Indenture of any such Holder, to comply with the requirements of the SEC in order to effect or maintain the qualification of the Indenture under the TIA, to conform the text of the Indenture, the Intercreditor Agreement or the Floating Rate Notes to any provision of the "Description of the second priority notes" section of the Issuers' Offering Memorandum dated

December 16, 2004, relating to the initial offering of the Floating Rate Notes, to the extent that such provision in that "Description of second priority notes" was intended to be a verbatim recitation of a provision of the Indenture, the Guarantees, the Intercreditor Agreement or the Floating Rate Notes; to provide for the issuance of Floating Rate Additional Notes in accordance with the limitations set forth in the Indenture, or to allow any Guarantor to execute a supplemental indenture to the Indenture and/or a Floating Rate Note Guarantee with respect to the Floating Rate Notes.

(13) *DEFAULTS AND REMEDIES*. Events of Default include: (i) default for 30 days in the payment when due of interest on, or Liquidated Damages, if any, with respect to the Floating Rate Notes, (ii) default in the payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on, the Floating Rate Notes, (iii) failure by MagnaChip or any of its Restricted Subsidiaries to comply with Section 4.10, 4.15 or 5.01 of the Indenture; (iv) failure by MagnaChip or any of its Restricted Subsidiaries for 60 days after notice to MagnaChip by the Trustee or the Holders of at least 25% in aggregate principal amount of the Floating Rate Notes then outstanding voting as a single class to comply with any of the other agreements in the Indenture or any of the Security Documents; (v) default under certain other agreements relating to Indebtedness of MagnaChip or any of its Restricted Subsidiaries which default (a) is caused by a failure to pay principal of, or interest or premium, if any, on, such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default (a "*Payment Default*") or (b) results in the acceleration of such Indebtedness prior to its express maturity; (vi) certain final judgments for the payment of money that remain undischarged for a period of 60 days; (vii) certain events of bankruptcy or insolvency with respect to MagnaChip or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary; and (viii) the repudiation by MagnaChip or any of its Subsidiaries of any of its obligations under the Security Documents or the unenforceability of the Security Documents against MagnaChip or any of its Subsidiaries for any reason; (ix) except as permitted by the Indenture, any Guarantee is held in any judicial proceeding to be unenforceable or invalid or ceases for any reason to be in full force and effect or any Guarantor or any Person acting on its behalf denies or disaffirms its obligations under such Guarantor's Guarantee; and (x) the occurrence of any of (a) except as permitted by the Indenture, any Security Document ceases for any reason to be fully enforceable; *provided*, that it will not be an Event of Default under the Indenture if the sole result of the failure of one or more Security Documents to be fully enforceable is that any Parity Lien purported to be granted under such Security Documents on Collateral, individually or in the aggregate, having a Fair Market Value of not more than $25.0 million ceases to be an enforceable and perfected second-priority Lien, subject only to Permitted Prior Liens, (b) any Parity Lien purported to be granted under any Security Document on Collateral, individually or in the aggregate, having a Fair Market Value in excess of $25.0 million ceases to be an enforceable and perfected second-priority Lien, subject only to Permitted Prior Liens, or (c) MagnaChip or any other Pledgor, or any Person acting on behalf of any of them, denies or disaffirms, in writing, any obligation of MagnaChip or any other Pledgor set forth in or arising under any Security Document. If any Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Floating Rate Notes may declare all the Floating Rate Notes to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency, all outstanding Floating Rate Notes will become due and payable immediately without further action or notice. Holders may not enforce the Indenture or the Floating Rate Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Floating Rate Notes may direct the

Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the Floating Rate Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal or interest or premium or Liquidated Damages, if any,) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the then outstanding Floating Rate Notes by notice to the Trustee may, on behalf of the Holders of all of the Floating Rate Notes, rescind an acceleration or waive any existing Default or Event of Default and its consequences under the Indenture except a continuing Default or Event of Default in the payment of interest or premium or Liquidated Damages, if any, on, or the principal of, the Floating Rate Notes. The Issuers are required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Issuers are required, upon becoming aware of any Default or Event of Default, to deliver to the Trustee a statement specifying such Default or Event of Default.

(14) *TRUSTEE DEALINGS WITH THE ISSUERS*. The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Issuers or their Affiliates, and may otherwise deal with the Issuers or their Affiliates, as if it were not the Trustee.

(15) *NO RECOURSE AGAINST OTHERS*. A director, officer, employee, incorporator or stockholder of the Issuers or any of the Guarantors, as such, will not have any liability for any obligations of the Issuers or the Guarantors under the Floating Rate Notes, the Floating Rate Note Guarantees or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Floating Rate Note waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Floating Rate Notes.

(16) *AUTHENTICATION*. This Floating Rate Note will not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

(18) *ADDITIONAL RIGHTS OF HOLDERS OF RESTRICTED FLOATING RATE GLOBAL NOTES AND RESTRICTED FLOATING RATE DEFINITIVE NOTES*. In addition to the rights provided to Holders of Floating Rate Notes under the Indenture, Holders of Restricted Floating Rate Global Notes and Restricted Floating Rate Definitive Notes will have all the rights set forth in the Registration Rights Agreement dated as of December 23, 2004, among the Issuers, the Guarantors and the other parties named on the signature pages thereof or, in the case of Floating Rate Additional Notes, Holders of Restricted Floating Rate Global Notes and Restricted Floating Rate Definitive Notes will have the rights set forth in one or more registration rights agreements, if any, among the Issuers, the Guarantors and the other parties thereto, relating to rights given by the Issuers and the Guarantors to the purchasers of any Floating Rate Additional Notes (collectively, the "*Registration Rights Agreement*").

(19) *CUSIP NUMBERS*. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuers have caused CUSIP numbers to be printed on the Floating Rate Notes, and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Floating Rate Notes or as contained in any notice of redemption, and reliance may be placed only on the other identification numbers placed thereon.

(20) *GOVERNING LAW*. THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THE INDENTURE, THIS NOTE AND THE NOTE GUARANTEES WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

(1) *INTEREST*. MagnaChip Semiconductor S.A., a Luxembourg public limited liability company (*societe anonyme*) ("MagnaChip"), and MagnaChip Semiconductor Finance Company, a Delaware corporation ("*Finance Company*" and together with MagnaChip, the "*Issuers*"), jointly and severally promise to pay interest on the principal amount of this Floating Rate Note at a rate equal to the LIBOR Rate *plus* 3.25% from December 23, 2004 until maturity and shall pay the Liquidated Damages, if any, payable pursuant to Section 4 of the Registration Rights Agreement referred to below. The LIBOR Rate will be reset quarterly. The LIBOR Rate for the first quarterly period ending on March 14, 2005 will be 5.76%. The Issuers will pay interest and Liquidated Damages, if any, quarterly in arrears on March 15, June 15, September 15 and December 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an "*Interest Payment Date*"). Interest on the Floating Rate Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that if there is no existing Default in the payment of interest, and if this Floating Rate Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided further* that the first Interest Payment Date shall be March 15, 2005. The Issuers will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue

principal and premium, if any, from time to time on demand at a rate that is 1% per annum in excess of the rate then in effect to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest and Liquidated Damages, if any, (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest will be computed on the basis of a 360-day year of twelve 30-day months

Until this Regulation S Temporary Global Note is exchanged for one or more Regulation S Permanent Global Notes, the Holder hereof shall not be entitled to receive payments of interest hereon; until so exchanged in full, this Regulation S Temporary Global Note shall in all other respects be entitled to the same benefits as other Floating Rate Notes under the Indenture.

(2) *METHOD OF PAYMENT*. The Issuers will pay interest on the Floating Rate Notes (except defaulted interest) and Liquidated Damages, if any, to the Persons who are registered Holders of Floating Rate Notes at the close of business on the March 1, June 1, September 1 or December 1 next preceding the Interest Payment Date, even if such Floating Rate Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Floating Rate Notes will be payable as to principal, premium and Liquidated Damages, if any, and interest at the office or agency of the Issuers maintained for such purpose within or without the City and State of New York, or, at the option of the Issuers, payment of interest and Liquidated Damages, if any, may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of and interest, premium and Liquidated Damages, if any, on, all Floating Rate Global Notes and all other Floating Rate Notes the Holders of which will have provided wire transfer instructions to the Issuers or the Paying Agent. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *PAYING AGENT AND REGISTRAR*. Initially, The Bank of New York, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Issuers may change any Paying Agent or Registrar without notice to any Holder. MagnaChip or any of its Subsidiaries may act in any such capacity.

(4) *INDENTURE*. The Issuers issued the Floating Rate Notes under an Indenture dated as of December 23, 2004 (the "*Indenture*") among the Issuers, the Guarantors and the Trustee. The terms of the Floating Rate Notes include those stated in the Indenture and those made part of the Indenture by reference to the TIA. The Floating Rate Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of such terms. To the extent any provision of this Floating Rate Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Floating Rate Notes are secured obligations of the Issuers as evidenced by the Security Documents referred to in the Indenture. The Indenture does not limit the aggregate principal amount of Floating Rate Notes that may be issued thereunder.

(5) *OPTIONAL REDEMPTION.*

(a) At any time prior to December 15, 2005, MagnaChip may on any one or more occasions redeem up to 35% of the aggregate principal amount of Floating Rate Notes issued under the Indenture (including any Floating Rate Additional Notes issued after the Issue Date) at a redemption price of 100% of the principal amount thereof, *plus* the LIBOR Rate in

effect on the date of the redemption notice plus 3.25%, *plus* accrued and unpaid interest and Liquidated Damages, if any, to the redemption date, with the net cash proceeds of one or more Public Equity Offerings or a contribution to MagnaChip's common equity capital made with the net cash proceeds of a concurrent Public Equity Offering of US LLC or any of its Subsidiaries; *provided that*:

(1) at least 65% of the aggregate principal amount of Floating Rate Notes originally issued under this Indenture (excluding Floating Rate Notes held by MagnaChip and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and

(2) the redemption occurs within 90 days of the date of the closing of such Public Equity Offering or equity contributions.

(b) On or after December 15, 2005, MagnaChip may redeem all or a part of the Floating Rate Notes, upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail to each holder's registered address, at the redemption prices (expressed as percentages of principal amount) set forth below *plus* accrued and unpaid interest and Liquidated Damages, if any, on the Floating Rate Notes redeemed, to the applicable redemption date, if redeemed during the twelve-month period beginning on December 15 of the years indicated below, subject to the rights of holders of Floating Rate Notes on the relevant record date to receive interest due on the relevant interest payment date:

| Year | Percentage |
|---|---|
| 2005 | 103% |
| 2006 | 102% |
| 2007 | 101% |
| 2008 and thereafter | 100% |

At any time prior to December 15, 2005, MagnaChip may also redeem all or a part of the Floating Rate Notes (including any Floating Rate Additional Notes issued after the Issue Date), upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail to each holder's registered address, at a redemption price equal to 100% of the principal amount of Floating Rate Notes redeemed *plus* the Floating Rate Second Priority Notes Applicable Premium as of, and accrued and unpaid interest and Liquidated Damages, if any, to the redemption date, subject to the rights of holders of Floating Rate Notes on the relevant record date to receive interest due on the relevant interest payment date.

Unless MagnaChip defaults in the payment of the redemption price, interest will cease to accrue on the Floating Rate Notes or portions thereof called for redemption on the applicable redemption date.

(6) *MANDATORY REDEMPTION.*

The Issuers are not required to make mandatory redemption or sinking fund payments with respect to the Floating Rate Notes.

(7) *REPURCHASE AT THE OPTION OF HOLDER.*

(a) If a Change of Control occurs, the Issuers will make an offer (a *"Change of Control Offer"*) to each Holder to repurchase all or any part (equal to $1,000 or an integral multiple of $1,000 in excess of $1,000) of that Holder's Floating Rate Notes at a purchase price

in cash equal to 101% of the aggregate principal amount of Floating Rate Notes repurchased *plus* accrued and unpaid interest and Liquidated Damages, if any, on the Floating Rate Notes repurchased to the date of purchase, subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date (the *"Change of Control Payment"*). Within 10 days following any Change of Control, the Issuers will mail a notice to each Holder setting forth the procedures governing the Change of Control Offer as required by the Indenture.

(b) If the Issuers or a Restricted Subsidiary of the Issuers consummates any Asset Sales, within 30 days of each date on which the aggregate amount of Excess Proceeds exceeds $10.0 million, MagnaChip will commence an offer to all Holders of Floating Rate Notes and all holders of other Indebtedness that is *pari passu* with the Floating Rate Notes containing provisions similar to those set forth in the Indenture with respect to offers to purchase or redeem with the proceeds of sales of assets (an "*Asset Sale Offer*") pursuant to Section 3.09 of the Indenture to purchase the maximum principal amount of Floating Rate Notes and such other *pari passu* Indebtedness that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof *plus* accrued and unpaid interest and Liquidated Damages, if any, thereon to the date of purchase, in accordance with the procedures set forth in the Indenture. To the extent that the aggregate amount of Floating Rate Notes and other *pari passu* Indebtedness tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, MagnaChip (or such Restricted Subsidiary) may use such deficiency for any purpose not otherwise prohibited by the Indenture. If the aggregate principal amount of Floating Rate Notes and other *pari passu* Indebtedness tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee shall select the Floating Rate Notes and such other *pari passu* Indebtedness to be purchased on a *pro rata* basis. Holders of Floating Rate Notes that are the subject of an offer to purchase will receive an Asset Sale Offer from the Issuers prior to any related purchase date and may elect to have such Floating Rate Notes purchased by completing the form entitled "*Option of Holder to Elect Purchase*" attached to the Floating Rate Notes.

(8) *NOTICE OF REDEMPTION*. Notice of redemption will be mailed at least 30 days but not more than 60 days before the redemption date to each Holder whose Floating Rate Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Floating Rate Notes or a satisfaction or discharge of the Indenture. Floating Rate Notes in denominations larger than $1,000 may be redeemed in part but only in whole multiples of $1,000, unless all of the Floating Rate Notes held by a Holder are to be redeemed.

(9) *DENOMINATIONS, TRANSFER, EXCHANGE*. The Floating Rate Notes are in registered form without coupons in denominations of $1,000 and integral multiples of $1,000. The transfer of Floating Rate Notes may be registered and Floating Rate Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuers may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuers need not exchange or register the transfer of any Floating Rate Note or portion of a Floating Rate Note selected for redemption, except for the unredeemed portion of any Floating Rate Note being redeemed in part. Also, the Issuers need not exchange or register the transfer of any Floating Rate Notes for a period of 15 days before a selection of Floating Rate Notes to be redeemed or during the period between a record date and the corresponding Interest Payment Date.

This Regulation S Temporary Floating Rate Global Note is exchangeable in whole or in part for one or more Floating Rate Global Notes only (i) on or after the termination of the 40-day distribution

compliance period (as defined in Regulation S) and (ii) upon presentation of certificates (accompanied by an Opinion of Counsel, if applicable) required by Article 2 of the Indenture. Upon exchange of this Regulation S Temporary Global Note for one or more Floating Rate Global Notes, the Trustee shall cancel this Regulation S Temporary Global Note.

(10) *REDEMPTION FOR CHANGES IN TAXES.* The Issuers may redeem each series of the Floating Rate Notes, in whole but not in part, at their discretion at any time at a redemption price equal to the principal amount thereof, together with accrued and unpaid interest and Liquidated Damages, if any, to the date fixed by the Issuers for redemption (a *"Tax Redemption Date"*) and all Additional Amounts (if any) then due and which will become due on the Tax Redemption Date as a result of the redemption or otherwise (subject to the right of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date and Additional Amounts (if any) in respect thereof), if on the next date on which any amount would be payable in respect of the Floating Rate Notes, the Issuers have or would be required to pay Additional Amounts, and the Issuers cannot avoid any such payment obligation taking reasonable measures available to them, as a result of:

(a) any change in, or amendment to, the laws or treaties (or any regulations, or rulings promulgated thereunder) of the relevant Tax Jurisdiction affecting taxation which change or amendment has not been publicly announced as formally adopted and which becomes effective on or after the Issue Date (or, if the relevant Tax Jurisdiction has changed since the Issue Date, the date on which the then current Tax Jurisdiction became the applicable Tax Jurisdiction under this Indenture); or

(b) any change in, or amendment to, the existing official position or the introduction of an official position regarding the application, administration or interpretation of such laws, treaties, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction or a change in published practice), which change, amendment, application or interpretation has not been publicly announced as formally adopted and becomes effective on or after the Issue Date (or, if the relevant Tax Jurisdiction has changed since the Issue Date, the date on which the then current Tax Jurisdiction became the applicable Tax Jurisdiction under this Indenture).

The Issuers will not give any such notice of redemption earlier than 90 days prior to the earliest date on which the Issuers would be obligated to make such payment or withholding if a payment in respect of the Floating Rate Notes were then due. Prior to the publication or, where relevant, mailing of any notice of redemption of the Floating Rate Notes pursuant to the foregoing, the Issuers will deliver the Trustee an opinion of counsel, the choice of such counsel to be subject to the prior written approval of the Trustee (such approval not to be unreasonably withheld) to the effect that there has been such change or amendment which would entitle the Issuers to redeem the Floating Rate Notes hereunder and the Issuers cannot avoid any obligation to pay Additional Amounts taking reasonable measures available.

(11) *PERSONS DEEMED OWNERS.* The registered Holder of a Floating Rate Note may be treated as its owner for all purposes.

(12) *AMENDMENT, SUPPLEMENT AND WAIVER.* Subject to certain exceptions, the Indenture or the Floating Rate Notes or the Guarantees may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Floating Rate Notes including Floating Rate Additional Notes, if any, voting as a single class, and any existing Default or Event or Default or compliance with any provision of

the Indenture or the Floating Rate Notes or the Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Floating Rate Notes including Floating Rate Additional Notes, if any, voting as a single class. Without the consent of any Holder of a Floating Rate Note, the Indenture or the Floating Rate Notes or the Guarantees may be amended or supplemented to cure any ambiguity, defect or inconsistency, to provide for uncertificated Floating Rate Notes in addition to or in place of certificated Floating Rate Notes, to provide for the assumption of the Issuers' or a Guarantor's obligations to Holders of the Floating Rate Notes and Floating Rate Note Guarantees in case of a merger or consolidation, to make any change that would provide any additional rights or benefits to the Holders of the Floating Rate Notes or that does not adversely affect the legal rights under the Indenture of any such Holder, to comply with the requirements of the SEC in order to effect or maintain the qualification of the Indenture under the TIA, to conform the text of the Indenture, the Intercreditor Agreement or the Floating Rate Notes to any provision of the "Description of second priority notes" section of the Issuers' Offering Memorandum dated December 16, 2004, relating to the initial offering of the Notes, to the extent that such provision in that "Description of second priority notes" was intended to be a verbatim recitation of a provision of the Indenture, the Guarantees, the Intercreditor Agreement or the Floating Rate Notes; to provide for the issuance of Floating Rate Additional Notes in accordance with the limitations set forth in the Indenture, or to allow any Guarantor to execute a supplemental indenture to the Indenture and/or a Floating Rate Note Guarantee with respect to the Floating Rate Notes.

(13) *DEFAULTS AND REMEDIES.* Events of Default include: (i) default for 30 days in the payment when due of interest on, or Liquidated Damages, if any, with respect to the Floating Rate Notes, (ii) default in the payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on, the Floating Rate Notes, (iii) failure by MagnaChip or any of its Restricted Subsidiaries to comply with Section 4.10, 4.15 or 5.01 of the Indenture; (iv) failure by MagnaChip or any of its Restricted Subsidiaries for 60 days after notice to MagnaChip by the Trustee or the Holders of at least 25% in aggregate principal amount of the Floating Rate Notes then outstanding voting as a single class to comply with any of the other agreements in the Indenture or any of the Security Documents; (v) default under certain other agreements relating to Indebtedness of MagnaChip or any of its Restricted Subsidiaries which default (a) is caused by a failure to pay principal of, or interest or premium, if any, on, such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default (a "*Payment Default*") or (b) results in the acceleration of such Indebtedness prior to its express maturity; (vi) certain final judgments for the payment of money that remain undischarged for a period of 60 days; (vii) certain events of bankruptcy or insolvency with respect to MagnaChip or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary; and (viii) the repudiation by MagnaChip or any of its Subsidiaries of any of its obligations under the Security Documents or the unenforceability of the Security Documents against MagnaChip or any of its Subsidiaries for any reason; (ix) except as permitted by the Indenture, any Guarantee is held in any judicial proceeding to be unenforceable or invalid or ceases for any reason to be in full force and effect or any Guarantor or any Person acting on its behalf denies or disaffirms its obligations under such Guarantor's Guarantee; and (x) the occurrence of any of (a) except as permitted by the Indenture, any Security Document ceases for any reason to be fully enforceable; *provided*, that it will not be an Event of Default under the Indenture if the sole result of the failure of one or more Security Documents to be fully enforceable is that any Parity Lien purported to be granted under such Security Documents on Collateral, individually or in the aggregate, having a Fair Market Value of not more than $25.0 million ceases to be an enforceable and perfected

second-priority Lien, subject only to Permitted Prior Liens, (b) any Parity Lien purported to be granted under any Security Document on Collateral, individually or in the aggregate, having a Fair Market Value in excess of $25.0 million ceases to be an enforceable and perfected second-priority Lien, subject only to Permitted Prior Liens, or (c) MagnaChip or any other Pledgor, or any Person acting on behalf of any of them, denies or disaffirms, in writing, any obligation of MagnaChip or any other Pledgor set forth in or arising under any Security Document. If any Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Floating Rate Notes may declare all the Floating Rate Notes to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency, all outstanding Floating Rate Notes will become due and payable immediately without further action or notice. Holders may not enforce the Indenture or the Floating Rate Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Floating Rate Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the Floating Rate Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal or interest or premium or Liquidated Damages, if any,) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the then outstanding Floating Rate Notes by notice to the Trustee may, on behalf of the Holders of all of the Floating Rate Notes, rescind an acceleration or waive any existing Default or Event of Default and its consequences under the Indenture except a continuing Default or Event of Default in the payment of interest or premium or Liquidated Damages, if any, on, or the principal of, the Floating Rate Notes. The Issuers are required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Issuers are required, upon becoming aware of any Default or Event of Default, to deliver to the Trustee a statement specifying such Default or Event of Default.

(14) *TRUSTEE DEALINGS WITH THE ISSUERS*. The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Issuers or their Affiliates, and may otherwise deal with the Issuers or their Affiliates, as if it were not the Trustee.

(15) *NO RECOURSE AGAINST OTHERS*. A director, officer, employee, incorporator or stockholder of the Issuers or any of the Guarantors, as such, will not have any liability for any obligations of the Issuers or the Guarantors under the Floating Rate Notes, the Floating Rate Note Guarantees or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Floating Rate Note waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Floating Rate Notes.

(16) *AUTHENTICATION*. This Floating Rate Note will not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

(17) *ABBREVIATIONS*. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

(18) *ADDITIONAL RIGHTS OF HOLDERS*. In addition to the rights provided to Holders of Floating Rate Notes under the Indenture, Holders of this Regulation S Temporary Global Note will have all the rights set forth in the Registration Rights Agreement dated as of

December 23, 2004, among the Issuers, the Guarantors and the other parties named on the signature pages thereof or, in the case of Floating Rate Additional Notes, Holders of Restricted Floating Rate Global Notes and Restricted Floating Rate Definitive Notes will have the rights set forth in one or more registration rights agreements, if any, among the Issuers, the Guarantors and the other parties thereto, relating to rights given by the Issuers and the Guarantors to the purchasers of any Floating Rate Additional Notes (collectively, the "*Registration Rights Agreement*").

(19) *CUSIP NUMBERS*. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuers have caused CUSIP numbers to be printed on the Floating Rate Notes, and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Floating Rate Notes or as contained in any notice of redemption, and reliance may be placed only on the other identification numbers placed thereon.

(20) GOVERNING LAW. THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THE INDENTURE, THIS NOTE AND THE GUARANTEES WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

(1) *INTEREST*. MagnaChip Semiconductor S.A., a Luxembourg public limited liability company (*societe anonyme*) ("MagnaChip), and MagnaChip Semiconductor Finance Company, a Delaware corporation ("*Finance Company*" and together with MagnaChip, the "*Issuers*"), jointly and severally, promise to pay interest on the principal amount of this Fixed Rate Note at 6 7/8% per annum from December 23, 2004 until maturity and shall pay the Liquidated Damages, if any, payable pursuant to Section 4 of the Registration Rights Agreement referred to below. The Issuers will pay interest and Liquidated Damages, if any, semi-annually in arrears on June 15 and December 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an "*Interest Payment Date*"). Interest on the Fixed Rate Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that if there is no existing Default in the payment of interest, and if this Fixed Rate Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided further* that the first Interest Payment Date shall be June 15, 2005. The Issuers will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at a rate that is 1% per annum in excess of the rate then in effect to the extent lawful; it will pay interest (including post-petition

interest in any proceeding under any Bankruptcy Law) on overdue installments of interest and Liquidated Damages, if any, (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest will be computed on the basis of a 360-day year of twelve 30-day months.

(2) *METHOD OF PAYMENT*. The Issuers will pay interest on the Fixed Rate Notes (except defaulted interest) and Liquidated Damages, if any, to the Persons who are registered Holders of Fixed Rate Notes at the close of business on the June 1 or December 1 next preceding the Interest Payment Date, even if such Fixed Rate Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Fixed Rate Notes will be payable as to principal, premium and Liquidated Damages, if any, and interest at the office or agency of the Issuers maintained for such purpose within or without the City and State of New York, or, at the option of the Issuers, payment of interest and Liquidated Damages, if any, may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of and interest, premium and Liquidated Damages, if any, on, all Fixed Rate Global Notes and all other Fixed Rate Notes the Holders of which will have provided wire transfer instructions to the Issuers or the Paying Agent. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *PAYING AGENT AND REGISTRAR*. Initially, The Bank of New York, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Issuers may change any Paying Agent or Registrar without notice to any Holder. MagnaChip or any of its Subsidiaries may act in any such capacity.

(4) *INDENTURE*. The Issuers issued the Fixed Rate Notes under an Indenture dated as of December 23, 2004 (the "*Indenture*") among the Issuers, the Guarantors and the Trustee. The terms of the Fixed Rate Notes include those stated in the Indenture and those made part of the Indenture by reference to the TIA. The Fixed Rate Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of such terms. To the extent any provision of this Fixed Rate Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Fixed Rate Notes are secured obligations of the Issuers as evidenced by the Security Documents referred to in the Indenture. The Indenture does not limit the aggregate principal amount of Fixed Rate Notes that may be issued thereunder.

(5) *OPTIONAL REDEMPTION*.

(a) At any time prior to December 15, 2007, MagnaChip may on any one or more occasions redeem up to 35% of the aggregate principal amount of Fixed Rate Notes issued under this Indenture (including any Fixed Rate Additional Notes issued after the Issue Date) at a redemption price of 106.875% of the principal amount thereof, *plus* accrued and unpaid interest and Liquidated Damages, if any, to the redemption date, with the net cash proceeds of one or more Public Equity Offerings or a contribution to MagnaChip's common equity capital made with the net cash proceeds of a concurrent Public Equity Offering of US LLC or any of its Subsidiaries; *provided* that:

(1) at least 65% of the aggregate principal amount of Fixed Rate Notes originally issued under this Indenture (including any Fixed Rate Additional Notes issued after the Issue Date) (excluding Fixed Rate Notes held by MagnaChip and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and

(2) the redemption occurs within 90 days of the date of the closing of such Public Equity Offering or equity contributions.

(b) On or after December 15, 2008, MagnaChip may redeem all or a part of the Fixed Rate Notes, upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail to each holder's registered address, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest and Liquidated Damages, if any, on the Fixed Rate Notes redeemed, to the applicable redemption date, if redeemed during the twelve-month period beginning on December 15 of the years indicated below, subject to the rights of holders of Fixed Rate Notes on the relevant record date to receive interest due on the relevant interest payment date.

| Year | Percentage |
|---|---|
| 2008 | 103.438% |
| 2009 | 101.719% |
| 2010 and thereafter | 100% |

Notwithstanding the foregoing, at any time prior to December 15, 2008, MagnaChip may also redeem all or a part of the Fixed Rate Notes (including any Fixed Rate Additional Notes issued after the Issue Date), upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail to each holder's registered address, at a redemption price equal to 100% of the principal amount of Notes redeemed *plus* the Fixed Rate Second Priority Notes Applicable Premium as of, and accrued and unpaid interest and Liquidated Damages, if any, to the redemption date, subject to the rights of holders of Notes on the relevant record date to receive interest due on the relevant interest payment date.

Unless MagnaChip defaults in the payment of the redemption price, interest will cease to accrue on the Fixed Rate Notes or portions thereof called for redemption on the applicable redemption date.

(6) *MANDATORY REDEMPTION.*

The Issuers are not required to make mandatory redemption or sinking fund payments with respect to the Fixed Rate Notes.

(7) *REPURCHASE AT THE OPTION OF HOLDER.*

(a) If a Change of Control occurs, the Issuers will make an offer (a *"Change of Control Offer"*) to each Holder to repurchase all or any part (equal to $1,000 or an integral multiple of $1,000 in excess of $1,000) of that Holder's Fixed Rate Notes at a purchase price in cash equal to 101% of the aggregate principal amount of Fixed Rate Notes repurchased *plus* accrued and unpaid interest and Liquidated Damages, if any, on the Fixed Rate Notes repurchased to the date of purchase, subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date (the *"Change of Control Payment"*). Within 10 days following any Change of Control, the Issuers will mail a notice to each Holder setting forth the procedures governing the Change of Control Offer as required by the Indenture.

(b) If the Issuers or a Restricted Subsidiary of the Issuers consummates any Asset Sales, within 30 days of each date on which the aggregate amount of Excess Proceeds exceeds $10.0 million, MagnaChip will commence an offer to all Holders of Fixed Rate Notes and all holders of other Indebtedness that is *pari passu* with the Fixed Rate Notes containing provisions similar to those set forth in the Indenture with respect to offers to purchase or redeem with the proceeds of sales of assets (an "*Asset Sale Offer*") pursuant to Section 3.09 of the Indenture to purchase the maximum principal amount of Fixed Rate Notes and such other *pari passu* Indebtedness that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof *plus* accrued and unpaid interest and Liquidated Damages, if any, thereon to the date of purchase, in accordance with the procedures set forth in the Indenture. To the extent that the aggregate amount of Fixed Rate Notes and other *pari passu* Indebtedness tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, MagnaChip (or such Restricted Subsidiary) may use such deficiency for any purpose not otherwise prohibited by the Indenture. If the aggregate principal amount of Fixed Rate Notes and other *pari passu* Indebtedness tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee shall select the Fixed Rate Notes and such other *pari passu* Indebtedness to be purchased on a *pro rata* basis. Holders of Fixed Rate Notes that are the subject of an offer to purchase will receive an Asset Sale Offer from the Issuers prior to any related purchase date and may elect to have such Fixed Rate Notes purchased by completing the form entitled "*Option of Holder to Elect Purchase*" attached to the Fixed Rate Notes.

(8) *NOTICE OF REDEMPTION*. Notice of redemption will be mailed at least 30 days but not more than 60 days before the redemption date to each Holder whose Fixed Rate Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Fixed Rate Notes or a satisfaction or discharge of the Indenture. Fixed Rate Notes in denominations larger than $1,000 may be redeemed in part but only in whole multiples of $1,000, unless all of the Fixed Rate Notes held by a Holder are to be redeemed.

(9) *DENOMINATIONS, TRANSFER, EXCHANGE*. The Fixed Rate Notes are in registered form without coupons in denominations of $1,000 and integral multiples of $1,000. The transfer of Fixed Rate Notes may be registered and Fixed Rate Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuers may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuers need not exchange or register the transfer of any Fixed Rate Note or portion of a Fixed Rate Note selected for redemption, except for the unredeemed portion of any Fixed Rate Note being redeemed in part. Also, the Issuers need not exchange or register the transfer of any Fixed Rate Notes for a period of 15 days before a selection of Fixed Rate Notes to be redeemed or during the period between a record date and the corresponding Interest Payment Date.

(10) *REDEMPTION FOR CHANGES IN TAXES*. The Issuers may redeem each series of the Fixed Rate Notes, in whole but not in part, at their discretion at any time at a redemption price equal to the principal amount thereof, together with accrued and unpaid interest and Liquidated Damages, if any, to the date fixed by the Issuers for redemption (a *"Tax Redemption Date"*) and all Additional Amounts (if any) then due and which will become due on the Tax Redemption Date as a result of the redemption or otherwise (subject to the right of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date and Additional Amounts (if any) in respect thereof), if on the next date on which any amount would be payable in respect of the Fixed Rate Notes, the Issuers have or would be required to pay Additional Amounts, and the Issuers cannot avoid any such payment obligation taking reasonable measures available to them, as a result of:

(a) any change in, or amendment to, the laws or treaties (or any regulations, or rulings promulgated thereunder) of the relevant Tax Jurisdiction affecting taxation which change or amendment has not been publicly announced as formally adopted and which becomes effective on or after the Issue Date (or, if the relevant Tax Jurisdiction has changed since the Issue Date, the date on which the then current Tax Jurisdiction became the applicable Tax Jurisdiction under this Indenture); or

(b) any change in, or amendment to, the existing official position or the introduction of an official position regarding the application, administration or interpretation of such laws, treaties, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction or a change in published practice), which change, amendment, application or interpretation has not been publicly announced as formally adopted and becomes effective on or after the Issue Date (or, if the relevant Tax Jurisdiction has changed since the Issue Date, the date on which the then current Tax Jurisdiction became the applicable Tax Jurisdiction under this Indenture).

The Issuers will not give any such notice of redemption earlier than 90 days prior to the earliest date on which the Issuers would be obligated to make such payment or withholding if a payment in respect of the Fixed Rate Notes were then due. Prior to the publication or, where relevant, mailing of any notice of redemption of the Fixed Rate Notes pursuant to the foregoing, the Issuers will deliver the Trustee an opinion of counsel, the choice of such counsel to be subject to the prior written approval of the Trustee (such approval not to be unreasonably withheld) to the effect that there has been such change or amendment which would entitle the Issuers to redeem the Fixed Rate Notes hereunder and the Issuers cannot avoid any obligation to pay Additional Amounts taking reasonable measures available.

(11) *PERSONS DEEMED OWNERS*. The registered Holder of a Fixed Rate Note may be treated as its owner for all purposes.

(12) *AMENDMENT, SUPPLEMENT AND WAIVER*. Subject to certain exceptions, the Indenture or the Fixed Rate Notes or the Guarantees may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Fixed Rate Notes including Fixed Rate Additional Notes, if any, voting as a single class, and any existing Default or Event or Default or compliance with any provision of the Indenture or the Fixed Rate Notes or the Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Fixed Rate Notes including Fixed Rate Additional Notes, if any, voting as a single class. Without the consent of any Holder of a Fixed Rate Note, the Indenture or the Fixed Rate Notes or the Guarantees may be amended or supplemented to cure any ambiguity, defect or inconsistency, to provide for uncertificated Fixed Rate Notes in addition to or in place of certificated Fixed Rate Notes, to provide for the assumption of the Issuers' or a Guarantor's obligations to Holders of the Fixed Rate Notes and Fixed Rate Note Guarantees in case of a merger or consolidation, to make any change that would provide any additional rights or benefits to the Holders of the Fixed Rate Notes or that does not adversely affect the legal rights under the Indenture of any such Holder, to comply with the requirements of the SEC in order to effect or maintain the qualification of the Indenture under the TIA, to conform the text of the Indenture, the Intercreditor Agreement or the Fixed Rate Notes to any provision of the "Description of the second priority notes" section of the Issuers' Offering Memorandum dated December 16, 2004, relating to the initial

offering of the Fixed Rate Notes, to the extent that such provision in that "Description of second priority notes" was intended to be a verbatim recitation of a provision of the Indenture, the Guarantees, the Intercreditor Agreement or the Fixed Rate Notes; to provide for the issuance of Fixed Rate Additional Notes in accordance with the limitations set forth in the Indenture, or to allow any Guarantor to execute a supplemental indenture to the Indenture and/or a Fixed Rate Note Guarantee with respect to the Fixed Rate Notes.

(13) *DEFAULTS AND REMEDIES*. Events of Default include: (i) default for 30 days in the payment when due of interest on, or Liquidated Damages, if any, with respect to the Fixed Rate Notes, (ii) default in the payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on, the Fixed Rate Notes, (iii) failure by MagnaChip or any of its Restricted Subsidiaries to comply with Section 4.10, 4.15 or 5.01 of the Indenture; (iv) failure by MagnaChip or any of its Restricted Subsidiaries for 60 days after notice to MagnaChip by the Trustee or the Holders of at least 25% in aggregate principal amount of the Fixed Rate Notes then outstanding voting as a single class to comply with any of the other agreements in the Indenture or any of the Security Documents; (v) default under certain other agreements relating to Indebtedness of MagnaChip or any of its Restricted Subsidiaries which default (a) is caused by a failure to pay principal of, or interest or premium, if any, on, such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default (a "*Payment Default*") or (b) results in the acceleration of such Indebtedness prior to its express maturity; (vi) certain final judgments for the payment of money that remain undischarged for a period of 60 days; (vii) certain events of bankruptcy or insolvency with respect to MagnaChip or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary; and (viii) the repudiation by MagnaChip or any of its Subsidiaries of any of its obligations under the Security Documents or the unenforceability of the Security Documents against MagnaChip or any of its Subsidiaries for any reason; (ix) except as permitted by the Indenture, any Guarantee is held in any judicial proceeding to be unenforceable or invalid or ceases for any reason to be in full force and effect or any Guarantor or any Person acting on its behalf denies or disaffirms its obligations under such Guarantor's Guarantee; and (x) the occurrence of any of (a) except as permitted by the Indenture, any Security Document ceases for any reason to be fully enforceable; *provided*, that it will not be an Event of Default under the Indenture if the sole result of the failure of one or more Security Documents to be fully enforceable is that any Parity Lien purported to be granted under such Security Documents on Collateral, individually or in the aggregate, having a Fair Market Value of not more than $25.0 million ceases to be an enforceable and perfected second-priority Lien, subject only to Permitted Prior Liens, (b) any Parity Lien purported to be granted under any Security Document on Collateral, individually or in the aggregate, having a Fair Market Value in excess of $25.0 million ceases to be an enforceable and perfected second-priority Lien, subject only to Permitted Prior Liens, or (c) MagnaChip or any other Pledgor, or any Person acting on behalf of any of them, denies or disaffirms, in writing, any obligation of MagnaChip or any other Pledgor set forth in or arising under any Security Document. If any Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Fixed Rate Notes may declare all the Fixed Rate Notes to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency, all outstanding Fixed Rate Notes will become due and payable immediately without further action or notice. Holders may not enforce the Indenture or the Fixed Rate Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Fixed Rate Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the Fixed Rate Notes notice of any

continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal or interest or premium or Liquidated Damages, if any,) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the then outstanding Fixed Rate Notes by notice to the Trustee may, on behalf of the Holders of all of the Fixed Rate Notes, rescind an acceleration or waive any existing Default or Event of Default and its consequences under the Indenture except a continuing Default or Event of Default in the payment of interest or premium or Liquidated Damages, if any, on, or the principal of, the Fixed Rate Notes. The Issuers are required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Issuers are required, upon becoming aware of any Default or Event of Default, to deliver to the Trustee a statement specifying such Default or Event of Default.

(14) *TRUSTEE DEALINGS WITH THE ISSUERS*. The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Issuers or their Affiliates, and may otherwise deal with the Issuers or their Affiliates, as if it were not the Trustee.

(15) *NO RECOURSE AGAINST OTHERS*. A director, officer, employee, incorporator or stockholder of the Issuers or any of the Guarantors, as such, will not have any liability for any obligations of the Issuers or the Guarantors under the Fixed Rate Notes, the Fixed Rate Note Guarantees or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Fixed Rate Note waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Fixed Rate Notes.

(16) *AUTHENTICATION*. This Fixed Rate Note will not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

(18) *ADDITIONAL RIGHTS OF HOLDERS OF RESTRICTED FIXED RATE GLOBAL NOTES AND RESTRICTED FIXED RATE DEFINITIVE NOTES*. In addition to the rights provided to Holders of Fixed Rate Notes under the Indenture, Holders of Restricted Fixed Rate Global Notes and Restricted Fixed Rate Definitive Notes will have all the rights set forth in the Registration Rights Agreement dated as of December 23, 2004, among the Issuers, the Guarantors and the other parties named on the signature pages thereof or, in the case of Fixed Rate Additional Notes, Holders of Restricted Fixed Rate Global Notes and Restricted Fixed Rate Definitive Notes will have the rights set forth in one or more registration rights agreements, if any, among the Issuers, the Guarantors and the other parties thereto, relating to rights given by the Issuers and the Guarantors to the purchasers of any Fixed Rate Additional Notes (collectively, the "*Registration Rights Agreement*").

(19) *CUSIP NUMBERS*. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuers have caused CUSIP numbers to be printed on the Fixed Rate Notes, and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Fixed Rate Notes or as contained in any notice of redemption, and reliance may be placed only on the other identification numbers placed thereon.

(20) *GOVERNING LAW*. THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THE INDENTURE, THIS NOTE AND THE NOTE GUARANTEES WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

(1) *INTEREST*. MagnaChip Semiconductor S.A., a Luxembourg public limited liability company (*societe anonyme*) ("MagnaChip), and MagnaChip Semiconductor Finance Company, a Delaware corporation ("*Finance Company*" and together with MagnaChip, the "*Issuers*"), jointly and severally, promise to pay interest on the principal amount of this Fixed Rate Note at 6 7/8% per annum from December 23, 2004 until maturity and shall pay the Liquidated Damages, if any, payable pursuant to Section 4 of the Registration Rights Agreement referred to below. The Issuers will pay interest and Liquidated Damages, if any, semi-annually in arrears on June 15 and December 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day, or if any such day is not a Business Day, on the next succeeding Business Day (each, an "*Interest Payment Date*"). Interest on the Fixed Rate Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that if there is no existing Default in the payment of interest, and if this Fixed Rate Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided further* that the first Interest Payment Date shall be June 15, 2005. The Issuers will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at a rate that is 1% per annum in excess of the rate then in effect to the extent lawful; it will pay interest (including post-petition interest in

any proceeding under any Bankruptcy Law) on overdue installments of interest and Liquidated Damages, if any, (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. (2) *METHOD OF PAYMENT*. The Issuers will pay interest on the Fixed Rate Notes (except defaulted interest) and Liquidated Damages, if any, to the Persons who are registered Holders of Fixed Rate Notes at the close of business on the June 1 or December 1 next preceding the Interest Payment Date, even if such Fixed Rate Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Fixed Rate Notes will be payable as to principal, premium and Liquidated Damages, if any, and interest at the office or agency of the Issuers maintained for such purpose within or without the City and State of New York, or, at the option of the Issuers, payment of interest and Liquidated Damages, if any, may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of and interest, premium and Liquidated Damages, if any, on, all Fixed Rate Global Notes and all other Fixed Rate Notes the Holders of which will have provided wire transfer instructions to the Issuers or the Paying Agent. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *PAYING AGENT AND REGISTRAR*. Initially, The Bank of New York, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Issuers may change any Paying Agent or Registrar without notice to any Holder. MagnaChip or any of its Subsidiaries may act in any such capacity.

(4) *INDENTURE*. The Issuers issued the Fixed Rate Notes under an Indenture dated as of December 23, 2004 (the "*Indenture*") among the Issuers, the Guarantors and the Trustee. The terms of the Fixed Rate Notes include those stated in the Indenture and those made part of the Indenture by reference to the TIA. The Fixed Rate Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of such terms. To the extent any provision of this Fixed Rate Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Fixed Rate Notes are secured obligations of the Issuers as evidenced by the Security Documents referred to in the Indenture. The Indenture does not limit the aggregate principal amount of Fixed Rate Notes that may be issued thereunder.

(5) *OPTIONAL REDEMPTION.*

(a) At any time prior to December 15, 2007, MagnaChip may on any one or more occasions redeem up to 35% of the aggregate principal amount of Fixed Rate Notes issued under this Indenture (including any Fixed Rate Additional Notes issued after the Issue Date) at a redemption price of 106.875% of the principal amount thereof, *plus* accrued and unpaid interest and Liquidated Damages, if any, to the redemption date, with the net cash proceeds of one or more Public Equity Offerings or a contribution to MagnaChip's common equity capital made with the net cash proceeds of a concurrent Public Equity Offering of common stock of US LLC or any of its Subsidiaries; *provided* that:

(1) at least 65% of the aggregate principal amount of Fixed Rate Notes originally issued under this Indenture (including any Fixed Rate Additional Notes issued after the Issue Date) (excluding Fixed Rate Notes held by MagnaChip and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and

(2) the redemption occurs within 90 days of the date of the closing of such Public Equity Offering or equity contributions.

(b) On or after December 15, 2008, MagnaChip may redeem all or a part of the Fixed Rate Notes, upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail to each holder's registered address, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest and Liquidated Damages, if any, on the Fixed Rate Notes redeemed, to the applicable redemption date, if redeemed during the twelve-month period beginning on December 15 of the years indicated below, subject to the rights of holders of Fixed Rate Notes on the relevant record date to receive interest due on the relevant interest payment date.

| Year | Percentage |
|---|---|
| 2008 | 103.438% |
| 2009 | 101.719% |
| 2010 and thereafter | 100% |

Notwithstanding the foregoing, at any time prior to December 15, 2008, MagnaChip may also redeem all or a part of the Fixed Rate Notes (including any Fixed Rate Additional Notes issued after the Issue Date), upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail to each holder's registered address, at a redemption price equal to 100% of the principal amount of Notes redeemed *plus* the Fixed Rate Second Priority Notes Applicable Premium as of, and accrued and unpaid interest and Liquidated Damages, if any, to the redemption date, subject to the rights of holders of Notes on the relevant record date to receive interest due on the relevant interest payment date.

Unless MagnaChip defaults in the payment of the redemption price, interest will cease to accrue on the Fixed Rate Notes or portions thereof called for redemption on the applicable redemption date.

(6) *MANDATORY REDEMPTION.*

The Issuers are not required to make mandatory redemption or sinking fund payments with respect to the Fixed Rate Notes.

(7) *REPURCHASE AT THE OPTION OF HOLDER.*

(a) If a Change of Control occurs, the Issuers will make an offer (a *"Change of Control Offer"*) to each Holder to repurchase all or any part (equal to $1,000 or an integral multiple of $1,000 in excess of $1,000) of that Holder's Fixed Rate Notes at a purchase price in cash equal to 101% of the aggregate principal amount of Fixed Rate Notes repurchased *plus* accrued and unpaid interest and Liquidated Damages, if any, on the Fixed Rate Notes repurchased to the date of purchase, subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date (the *"Change of Control Payment"*). Within 10 days following any Change of Control, the Issuers will mail a notice to each Holder setting forth the procedures governing the Change of Control Offer as required by the Indenture.

(b) If the Issuers or a Restricted Subsidiary of the Issuers consummates any Asset Sales, within 30 days of each date on which the aggregate amount of Excess Proceeds exceeds $10.0 million, MagnaChip will commence an offer to all Holders of Fixed Rate Notes and all holders of other Indebtedness that is *pari passu* with the Fixed Rate Notes containing provisions similar to those set forth in the Indenture with respect to offers to purchase or redeem with the proceeds of sales of assets (an "*Asset Sale Offer*") pursuant to Section 3.09 of the Indenture to purchase the maximum principal amount of Fixed Rate Notes and such other *pari passu* Indebtedness that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof *plus* accrued and unpaid interest and Liquidated Damages, if any, thereon to the date of purchase, in accordance with the procedures set forth in the Indenture. To the extent that the aggregate amount of Fixed Rate Notes and other *pari passu* Indebtedness tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, MagnaChip (or such Restricted Subsidiary) may use such deficiency for any purpose not otherwise prohibited by the Indenture. If the aggregate principal amount of Fixed Rate Notes and other *pari passu* Indebtedness tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee shall select the Fixed Rate Notes and such other *pari passu* Indebtedness to be purchased on a *pro rata* basis. Holders of Fixed Rate Notes that are the subject of an offer to purchase will receive an Asset Sale Offer from the Issuers prior to any related purchase date and may elect to have such Fixed Rate Notes purchased by completing the form entitled "*Option of Holder to Elect Purchase*" attached to the Fixed Rate Notes.

(8) *NOTICE OF REDEMPTION*. Notice of redemption will be mailed at least 30 days but not more than 60 days before the redemption date to each Holder whose Fixed Rate Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Fixed Rate Notes or a satisfaction or discharge of the Indenture. Fixed Rate Notes in denominations larger than $1,000 may be redeemed in part but only in whole multiples of $1,000, unless all of the Fixed Rate Notes held by a Holder are to be redeemed.

(9) *DENOMINATIONS, TRANSFER, EXCHANGE*. The Fixed Rate Notes are in registered form without coupons in denominations of $1,000 and integral multiples of $1,000. The transfer of Fixed Rate Notes may be registered and Fixed Rate Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuers may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuers need not exchange or register the transfer of any Fixed Rate Note or portion of a Fixed Rate Note selected for redemption, except for the unredeemed portion of any Fixed Rate Note being redeemed in part. Also, the Issuers need not exchange or register the transfer of any Fixed Rate Notes for a period of 15 days before a selection of Fixed Rate Notes to be redeemed or during the period between a record date and the corresponding Interest Payment Date.

(10) *REDEMPTION FOR CHANGES IN TAXES*. The Issuers may redeem each series of the Fixed Rate Notes, in whole but not in part, at their discretion at any time at a redemption price equal to the principal amount thereof, together with accrued and unpaid interest and Liquidated Damages, if any, to the date fixed by the Issuers for redemption (a *"Tax Redemption Date"*) and all Additional Amounts (if any) then due and which will become due on the Tax Redemption Date as a result of the redemption or otherwise (subject to the right of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date and Additional Amounts (if any) in respect thereof), if on the next date on which any amount would be payable in respect of the Fixed Rate Notes, the Issuers have or

would be required to pay Additional Amounts, and the Issuers cannot avoid any such payment obligation taking reasonable measures available to them, as a result of:

(a) any change in, or amendment to, the laws or treaties (or any regulations, or rulings promulgated thereunder) of the relevant Tax Jurisdiction affecting taxation which change or amendment has not been publicly announced as formally adopted and which becomes effective on or after the Issue Date (or, if the relevant Tax Jurisdiction has changed since the Issue Date, the date on which the then current Tax Jurisdiction became the applicable Tax Jurisdiction under this Indenture); or

(b) any change in, or amendment to, the existing official position or the introduction of an official position regarding the application, administration or interpretation of such laws, treaties, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction or a change in published practice), which change, amendment, application or interpretation has not been publicly announced as formally adopted and becomes effective on or after the Issue Date (or, if the relevant Tax Jurisdiction has changed since the Issue Date, the date on which the then current Tax Jurisdiction became the applicable Tax Jurisdiction under this Indenture).

The Issuers will not give any such notice of redemption earlier than 90 days prior to the earliest date on which the Issuers would be obligated to make such payment or withholding if a payment in respect of the Fixed Rate Notes were then due. Prior to the publication or, where relevant, mailing of any notice of redemption of the Fixed Rate Notes pursuant to the foregoing, the Issuers will deliver the Trustee an opinion of counsel, the choice of such counsel to be subject to the prior written approval of the Trustee (such approval not to be unreasonably withheld) to the effect that there has been such change or amendment which would entitle the Issuers to redeem the Fixed Rate Notes hereunder and the Issuers cannot avoid any obligation to pay Additional Amounts taking reasonable measures available.

(11) *PERSONS DEEMED OWNERS*. The registered Holder of a Fixed Rate Note may be treated as its owner for all purposes.

(12) *AMENDMENT, SUPPLEMENT AND WAIVER*. Subject to certain exceptions, the Indenture or the Fixed Rate Notes or the Guarantees may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Fixed Rate Notes including Fixed Rate Additional Notes, if any, voting as a single class, and any existing Default or Event or Default or compliance with any provision of the Indenture or the Fixed Rate Notes or the Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Fixed Rate Notes including Fixed Rate Additional Notes, if any, voting as a single class. Without the consent of any Holder of a Fixed Rate Note, the Indenture or the Fixed Rate Notes or the Guarantees may be amended or supplemented to cure any ambiguity, defect or inconsistency, to provide for uncertificated Fixed Rate Notes in addition to or in place of certificated Fixed Rate Notes, to provide for the assumption of the Issuers' or a Guarantor's obligations to Holders of the Fixed Rate Notes and Fixed Rate Note Guarantees in case of a merger or consolidation, to make any change that would provide any additional rights or benefits to the Holders of the Fixed Rate Notes or that does not adversely affect the legal rights under the Indenture of any such Holder, to comply with the requirements of the SEC in order to effect or maintain the qualification of the Indenture under the TIA, to conform the text of the Indenture, the Intercreditor Agreement or the Fixed Rate Notes to any provision of the "Description of the second priority notes" section of the Issuers' Offering Memorandum dated December 16, 2004, relating to the initial

offering of the Fixed Rate Notes, to the extent that such provision in that "Description of second priority notes" was intended to be a verbatim recitation of a provision of the Indenture, the Guarantees, the Intercreditor Agreement or the Fixed Rate Notes; to provide for the issuance of Fixed Rate Additional Notes in accordance with the limitations set forth in the Indenture, or to allow any Guarantor to execute a supplemental indenture to the Indenture and/or a Fixed Rate Note Guarantee with respect to the Fixed Rate Notes.

(13) *DEFAULTS AND REMEDIES.* Events of Default include: (i) default for 30 days in the payment when due of interest on, or Liquidated Damages, if any, with respect to the Fixed Rate Notes, (ii) default in the payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on, the Fixed Rate Notes, (iii) failure by MagnaChip or any of its Restricted Subsidiaries to comply with Section 4.10, 4.15 or 5.01 of the Indenture; (iv) failure by MagnaChip or any of its Restricted Subsidiaries for 60 days after notice to MagnaChip by the Trustee or the Holders of at least 25% in aggregate principal amount of the Fixed Rate Notes then outstanding voting as a single class to comply with any of the other agreements in the Indenture or any of the Security Documents; (v) default under certain other agreements relating to Indebtedness of MagnaChip or any of its Restricted Subsidiaries which default (a) is caused by a failure to pay principal of, or interest or premium, if any, on, such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default (a "*Payment Default*") or (b) results in the acceleration of such Indebtedness prior to its express maturity; (vi) certain final judgments for the payment of money that remain undischarged for a period of 60 days; (vii) certain events of bankruptcy or insolvency with respect to MagnaChip or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary; and (viii) the repudiation by MagnaChip or any of its Subsidiaries of any of its obligations under the Security Documents or the unenforceability of the Security Documents against MagnaChip or any of its Subsidiaries for any reason; (ix) except as permitted by the Indenture, any Guarantee is held in any judicial proceeding to be unenforceable or invalid or ceases for any reason to be in full force and effect or any Guarantor or any Person acting on its behalf denies or disaffirms its obligations under such Guarantor's Guarantee; and (x) the occurrence of any of (a) except as permitted by the Indenture, any Security Document ceases for any reason to be fully enforceable; *provided*, that it will not be an Event of Default under the Indenture if the sole result of the failure of one or more Security Documents to be fully enforceable is that any Parity Lien purported to be granted under such Security Documents on Collateral, individually or in the aggregate, having a Fair Market Value of not more than $25.0 million ceases to be an enforceable and perfected second-priority Lien, subject only to Permitted Prior Liens, (b) any Parity Lien purported to be granted under any Security Document on Collateral, individually or in the aggregate, having a Fair Market Value in excess of $25.0 million ceases to be an enforceable and perfected second-priority Lien, subject only to Permitted Prior Liens, or (c) MagnaChip or any other Pledgor, or any Person acting on behalf of any of them, denies or disaffirms, in writing, any obligation of MagnaChip or any other Pledgor set forth in or arising under any Security Document. If any Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Fixed Rate Notes may declare all the Fixed Rate Notes to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency, all outstanding Fixed Rate Notes will become due and payable immediately without further action or notice. Holders may not enforce the Indenture or the Fixed Rate Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Fixed Rate Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the Fixed Rate Notes notice of any

continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal or interest or premium or Liquidated Damages, if any,) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the then outstanding Fixed Rate Notes by notice to the Trustee may, on behalf of the Holders of all of the Fixed Rate Notes, rescind an acceleration or waive any existing Default or Event of Default and its consequences under the Indenture except a continuing Default or Event of Default in the payment of interest or premium or Liquidated Damages, if any, on, or the principal of, the Fixed Rate Notes. The Issuers are required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Issuers are required, upon becoming aware of any Default or Event of Default, to deliver to the Trustee a statement specifying such Default or Event of Default.

(14) *TRUSTEE DEALINGS WITH THE ISSUERS*. The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Issuers or their Affiliates, and may otherwise deal with the Issuers or their Affiliates, as if it were not the Trustee.

(15) *NO RECOURSE AGAINST OTHERS*. A director, officer, employee, incorporator or stockholder of the Issuers or any of the Guarantors, as such, will not have any liability for any obligations of the Issuers or the Guarantors under the Fixed Rate Notes, the Fixed Rate Note Guarantees or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Fixed Rate Note waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Fixed Rate Notes.

to produce five years of selected financial information as required by Item 301 of Commission Regulation S-K, and (iii) unless the Exchange Offer would not be permitted by applicable law or Commission policy, (a) commence the Exchange Offer and (b) use all commercially reasonable efforts to issue on or prior to 30 Business Days, or longer, if required by the federal securities laws, after the date on which the Exchange Offer Registration Statement was declared effective by the Commission, the Exchange Notes in exchange for surrender of all Notes validly tendered and not withdrawn prior thereto in the Exchange Offer.

Each Holder that participates in the Exchange Offer will be required to represent to the Issuers in writing that (i) any Exchange Notes to be received by it will be acquired in the ordinary course of its business, (ii) it has no arrangement or understanding with any Person to participate in the distribution (within the meaning of the Securities Act) of the Exchange Notes in violation of the provisions of the Securities Act, (iii) it is not an affiliate of the Issuers (within the meaning of the Securities Act) or, if it is such an affiliate, it will comply with the registration and prospectus delivery requirements of the Securities Act to the extent applicable, (iv) if such Holder is not a broker-dealer, it is not engaged in, and does not intend to engage in, a distribution of Exchange Notes, (v) if such Holder is a broker-dealer that will receive Exchange Notes for its own account in exchange for Notes that were acquired as a result of market-making or other trading activities, it will deliver a prospectus in connection with any resale of such Exchange Notes and (vi) such Holder has full power and authority to transfer the Notes in exchange for the Exchange Notes and that MagnaChip and the Co-Issuer will acquire good and unencumbered title thereto free and clear of any liens, restrictions, charges or encumbrances and not subject to any adverse claims.

(b) The Issuers and the Initial Purchasers acknowledge that the staff of the Commission has taken the position that any broker-dealer that elects to exchange Notes that were acquired by such broker-dealer for its own account as a result of market-making or other trading activities for Exchange Notes in the Exchange Offer (a "Participating Broker-Dealer") may be deemed to be an "underwriter" within the meaning of the Securities Act and must deliver a prospectus meeting the requirements of the Securities Act in connection with any resale of such Exchange Notes (other than a resale of an unsold allotment resulting from the original offering of the Notes).

The Issuers and the Initial Purchasers also acknowledge that the staff of the Commission has taken the position that if the Prospectus contained in the Exchange Offer Registration Statement includes a plan of distribution containing a statement to the above effect and the means by which Participating Broker-Dealers may resell the Exchange Notes, without naming the Participating Broker-Dealers or specifying the amount of Exchange Notes owned by them, such Prospectus may be delivered by Participating Broker-Dealers to satisfy their prospectus delivery obligations under the Securities Act in connection with resales of Exchange Notes for their own accounts, so long as the Prospectus otherwise meets the requirements of the Securities Act.

In light of the foregoing, if requested by a Participating Broker-Dealer (a "Requesting Participating Broker-Dealer"), the Issuers agree to use all commercially reasonable efforts to keep the Exchange Offer Registration Statement continuously effective for a period not to exceed 180 days after the date on which the Exchange Registration Statement is declared effective, or such longer period if extended pursuant to the last paragraph of Section 5 hereof (such period, the "Applicable Period"),

or such earlier date as all Requesting Participating Broker-Dealers shall have notified the Issuer in writing that such Requesting Participating Broker-Dealers have resold all Exchange Notes acquired in the Exchange Offer. The Issuers shall include a plan of distribution in such Exchange Offer Registration Statement that meets the requirements set forth in the preceding paragraph.

If, prior to consummation of the Exchange Offer, the Initial Purchasers or any Holder, as the case may be, holds any Notes acquired by it that have, or that are reasonably likely to be determined to have, the status of an unsold allotment in an initial distribution, or if any Holder is not entitled to participate in the Exchange Offer, the Issuers upon the request of the Initial Purchasers or any such Holder, as the case may be, shall simultaneously with the delivery of the Exchange Notes in the Exchange Offer, issue and deliver to the Initial Purchasers or any such Holder, as the case may be, in exchange (the "Private Exchange") for such Notes held by the Initial Purchasers or any such Holder, as the case may be, a like principal amount of notes (the "Private Exchange Notes") of the Issuers that are identical in all material respects to the Exchange Notes except that the Private Exchange Notes may be subject to restrictions on transfer and bear a legend to such effect. The Private Exchange Notes shall bear the same CUSIP number as the Exchange Notes (if permitted by the CUSIP Service Bureau).

Interest on each Exchange Note and Private Exchange Note issued pursuant to the Exchange Offer and in the Private Exchange will accrue from the last interest payment date on which interest was paid on the Notes surrendered in exchange therefor or, if no interest has been paid on the Notes, from the Issue Date.

Upon consummation of the Exchange Offer in accordance with this Section 2, the Issuers shall have no further registration obligations other than the Issuers' continuing registration obligations with respect to (i) Private Exchange Notes, (ii) Exchange Notes held by Participating Broker-Dealers and (iii) Notes or Exchange Notes as to which clause (c)(iii) of this Section 2 applies.

In connection with the Exchange Offer, the Issuers shall:

(1) mail or cause to be mailed to each Holder of record entitled to participate in the Exchange Offer a copy of the Prospectus forming part of the Exchange Offer Registration Statement, together with an appropriate letter of transmittal and related documents;

(2) utilize the services of a depositary for the Exchange Offer with an address in the Borough of Manhattan, The City of New York, which may be the Trustee or an affiliate thereof;

(3) permit Holders to withdraw tendered Notes at any time prior to the close of business, New York time, on the last Business Day on which the Exchange Offer shall remain open; and

(4) otherwise comply in all material respects with all applicable laws, rules and regulations.

As soon as practicable after the close of the Exchange Offer and the Private Exchange, if any, the Issuers shall:

(1) accept for exchange all Registrable Notes validly tendered and not validly withdrawn by the Holders pursuant to the Exchange Offer and the Private Exchange, if any;

(2) deliver or cause to be delivered to the Trustee for cancellation all Notes so accepted for exchange; and

(3) cause the Trustee to authenticate and deliver promptly to each such Holder tendering such Registrable Notes, Exchange Notes or Private Exchange Notes, as the case may be, equal in principal amount to the Registrable Notes of such Holder so accepted for exchange; *provided that* in the case of any Registrable Notes held in global form by a depositary, authentication and delivery to such depositary of one or more replacement Exchange Notes or Private Exchange Notes in global form in an equivalent principal amount thereto for the account of such Holders in accordance with the Indenture shall satisfy such authentication and delivery requirement.

The Exchange Offer and the Private Exchange shall not be subject to any conditions, other than that (i) the Exchange Offer or Private Exchange, as the case may be, does not violate applicable law or any applicable interpretation of the staff of the Commission, (ii) no action or proceeding shall have been instituted or threatened in any court or by any governmental agency which might materially impair the ability of the Issuers to proceed with the Exchange Offer or the Private Exchange, and no material adverse development shall have occurred in any existing action or proceeding with respect to the Issuers and (iii) all governmental approvals shall have been obtained, which approvals the Issuers deems necessary for the consummation of the Exchange Offer or Private Exchange.

The Exchange Notes and the Private Exchange Notes shall be issued under (i) the Indenture or (ii) an indenture identical in all material respects to the Indenture (in either case, with such changes as are necessary to comply with any requirements of the Commission to effect or maintain the qualification thereof under the TIA or exemption from such qualification) and which, in either case, has been qualified under the TIA or is exempt from such qualification and shall provide that (a) the Exchange Notes shall not be subject to the transfer restrictions set forth in the Indenture and (b) the Private Exchange Notes shall be subject to the transfer restrictions set forth in the Indenture. The Indenture or such indenture shall provide that the Exchange Notes, the Private Exchange Notes and the Notes shall vote and consent together on all matters as one class and that none of the Exchange Notes, the Private Exchange Notes or the Notes will have the right to vote or consent as a separate class on any matter.

(c) In the event that (i) any changes in law or the applicable interpretations of the staff of the Commission do not permit the Issuers to effect the Exchange Offer, (ii) for any reason the Exchange Offer is not consummated within 20 days of the last day permitted by Section 2(a) hereof, (iii) prior to the 20th day following consummation of the Exchange Offer, any Holder, other than the Initial Purchasers, notifies the Issuers that it is prohibited by law or the applicable interpretations of the staff of the Commission from participating in the Exchange Offer or, that it may not resell the

Exchange Notes received by it in the Exchange Offer without delivering a prospectus and the Prospectus contained in the Exchange Offer Registration Statement is not appropriate or available for such resales (other than due solely to the status of such Holder as an affiliate of the Issuers within the meaning of the Securities Act) or (iv) in the case of any Initial Purchaser that participates in the Exchange Offer or acquires Private Exchange Notes, such Initial Purchaser notifies the Issuers that it will not or did not receive freely tradeable Exchange Notes in the Exchange Offer in exchange for Notes or Private Exchange Notes that have the status of unsold allotments in an initial distribution (provided that the requirement that a Participating Broker-Dealer deliver a Prospectus in connection with sales of Exchange Notes acquired in the Exchange Offer in exchange for Notes acquired as a result of market-making activities or other trading activities shall not result in such Exchange Notes being not "freely tradeable")(each such event referred to in clauses (i) through (iv) of this sentence, a "Shelf Filing Event"), then the Issuers shall file a Shelf Registration pursuant to Section 3 hereof.

Section 3. Shelf Registration

If at any time a Shelf Filing Event shall occur, then:

(a) Shelf Registration. The Issuers shall file with the Commission a Registration Statement for an offering to be made on a continuous basis pursuant to Rule 415 covering all of the Registrable Notes not exchanged in the Exchange Offer, Private Exchange Notes and Exchange Notes as to which Section 2(c)(iii) is applicable (the "Shelf Registration"). The Issuers shall use all commercially reasonable efforts to file with the Commission the Shelf Registration on or prior to 30 days after such filing obligation arises. The Shelf Registration shall be on Form S-1 or another appropriate form permitting registration of such Registrable Notes for resale by Holders in the manner or manners designated by them (including, without limitation, one or more underwritten offerings). The Issuers shall not permit any securities other than the Registrable Notes to be included in the Shelf Registration.

(b) The Issuers shall use all commercially reasonable efforts (x) to cause the Shelf Registration to be declared effective under the Securities Act on or prior to 90 days after the Shelf Registration is required to be filed with the Commission; provided that, the Issuers' obligations to have the Shelf Registration declared effective shall be suspended until the date which is 60 days following the date upon which audited financial statements for the year ended December 31, 2005 first become available, to the extent that the Shelf Registration is prevented from being declared effective due to Parent's (or the applicable Issuer's) inability to produce five years of selected financial information as required by Item 301 of Commission Regulation S-K and (y) to keep the Shelf Registration continuously effective under the Securities Act for the period ending on the date which is two years from the Issue Date, subject to extension pursuant to the penultimate paragraph of Section 5 hereof (the "Effectiveness Period"), or such shorter period ending when all Registrable Notes covered by the Shelf Registration have been sold in the manner set forth and as contemplated in the Shelf Registration; provided, however, that (i) the Effectiveness Period in respect of the Shelf Registration shall be extended to the extent required to permit dealers to comply with the applicable prospectus delivery requirements of Rule 174 under the Securities Act and as otherwise provided herein and (ii) the Issuers may suspend the effectiveness of the Shelf Registration Statement by written notice to the Holders solely as a result of (A) the filing of a post-effective amendment to the Shelf Registration Statement to

incorporate annual audited financial information with respect to the Issuers where such post-effective amendment is not yet effective and needs to be declared effective to permit Holders to use the related Prospectus or (B) during a Delay Period (as defined below) and (iii) no Holder (other than an Initial Purchaser) shall be entitled to have the Registrable Notes held by it covered by such Shelf Registration Statement unless such Holder agrees in writing to be bound by all the provisions of this Agreement applicable to such Holder and furnishes to the Issuers and the Trustee in writing, within 20 days after receipt of a request therefor, such information as the Issuers or the Trustee may reasonably request for inclusion in any Shelf Registration Statement.

(c) Supplements and Amendments. The Issuers agree to supplement or make amendments to the Shelf Registration Statement as and when required by the rules, regulations or instructions applicable to the registration form used for such Shelf Registration Statement or by the Securities Act or rules and regulations thereunder for shelf registration, or if reasonably requested in writing by the Holders of a majority in aggregate principal amount of the Registrable Notes covered by such Registration Statement or by any underwriter of such Registrable Notes.

Section 4. Liquidated Damages

(a) The Issuers and the Initial Purchasers agree that the Holders will suffer damages if the Issuers fail to fulfill their obligations under Section 2 or Section 3 hereof and that it would not be feasible to ascertain the extent of such damages with precision. Accordingly, the Issuers agree that if:

(i) the Exchange Offer Registration Statement is not filed with the Commission on or prior to the 180th day following the Issue Date or, if that day is not a Business Day, the next day that is a Business Day,

(ii) the Exchange Offer Registration Statement is not declared effective on or prior to the 210th day following the Issue Date or, if that day is not a Business Day, the next day that is a Business Day or is declared effective by such date but thereafter ceases to be effective or usable, except if the Exchange Offer Registration Statement ceases to be effective or usable as specifically permitted by the penultimate paragraph of Section 5 hereof; *provided that*, such date shall be extended until the date which is 60 days following the date upon which audited financial statements for the year ended December 31, 2005 first become available, to the extent that the Exchange Offer Registration Statement is prevented from being declared effective due to Parent's (or the applicable Issuer's) inability to produce five years of selected financial information as required by Item 301 of Commission Regulation S-K,

(iii) the Exchange Offer is not consummated within 30 Business Days, or if that day is not a Business Day, the next day that is a Business Day, after the Exchange Offer Registration Statement was declared effective by the Commission, or longer if required by federal securities laws; or

(iv) the Shelf Registration Statement is required to be filed but (A) is not declared effective on or prior to 90 days after the Shelf Registration is required to be filed with the Commission, or, if either such day is not a Business Day, the next day that is a Business Day; provided *that*, the Issuers' obligations to have the Shelf Registration Statement declared effective

shall be suspended until the date which is 60 days following the date upon which audited financial statements for the year ended December 31, 2005 first become available, to the extent that the Shelf Registration Statement is prevented from being declared effective due to Parent's (or the applicable Issuer's) inability to produce five years of selected financial information as required by Item 301 of Commission Regulation S-K or (B) is declared effective by such date but thereafter ceases to be effective or usable at any time prior to the second anniversary of its effective date, except if the Shelf Registration ceases to be effective or usable as specifically permitted by the penultimate paragraph of Section 5 hereof; provided, further, that such two year period shall be extended by the aggregate number of days of all Delay Periods

(each such event referred to in clauses (i) through (iv) a "Registration Default"), liquidated damages in the form of additional cash interest ("Liquidated Damages") will accrue on the affected Notes and the affected Exchange Notes, as applicable. The rate of Liquidated Damages will be 0.25% per annum for the first 90-day period immediately following the occurrence of a Registration Default, increasing by an additional 0.25% per annum with respect to each subsequent 90-day period up to a maximum amount of additional interest of 1.00% per annum, from and including the date on which any such Registration Default shall occur to, but excluding, the earlier of (1) the date on which all Registration Defaults have been cured or (2) the date on which all the Notes and Exchange Notes otherwise become freely transferable by Holders other than affiliates of the Issuers without further registration under the Securities Act.

Notwithstanding the foregoing, (1) the amount of Liquidated Damages payable shall not increase because more than one Registration Default has occurred and is pending and (2) a Holder of Notes or Exchange Notes who is not entitled to the benefits of the Shelf Registration Statement (i.e., such Holder has not elected to include information) shall not be entitled to Liquidated Damages with respect to a Registration Default that pertains to the Shelf Registration Statement. Liquidated Damages shall not accrue with respect to Notes that are not Registrable Notes.

(b) So long as Notes remain outstanding, the Issuers shall notify the Trustee within five Business Days after each and every date on which an event occurs in respect of which Liquidated Damages is required to be paid. Any amounts of Liquidated Damages due pursuant to clauses (a)(i), (a)(ii), (a)(iii) or (a)(iv) of this Section 4 will be payable in the manner provided for the payment of interest in the Indenture on each December 15 and June 15 (each a "Damages Payment Date"), as more fully set forth in the Indenture and the Notes, to Holders to whom regular interest is payable on such Damages Payment Date with respect to Notes that are Registrable Securities. The amount of Liquidated Damages for Registrable Notes will be determined by multiplying the applicable rate of Liquidated Damages by the aggregate principal amount of all such Registrable Notes outstanding on the Damages Payment Date following such Registration Default in the case of the first such payment of Liquidated Damages with respect to a Registration Default (and thereafter at the next succeeding Damages Payment Date until the cure of such Registration Default), multiplied by a fraction, the numerator of which is the number of days such Liquidated Damages rate was applicable during such period (determined on the basis of a 360-day year comprised of twelve 30-day months and, in the case of a partial month, the actual number of days elapsed), and the denominator of which is 360.

Section 5. Registration Procedures

In connection with the filing of any Registration Statement pursuant to Section 2 or 3 hereof, the Issuers shall effect such registrations to permit the sale of the securities covered thereby in accordance with the intended method or methods of disposition thereof, and pursuant thereto and in connection with any Registration Statement filed by the Issuers hereunder, the Issuers shall:

(a) Prepare and file with the Commission the Registration Statement or Registration Statements prescribed by Section 2 or 3 hereof, and use all commercially reasonable efforts to cause each such Registration Statement to become effective and remain effective as provided herein; provided, however, that if (1) such filing is pursuant to Section 3 hereof, or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period relating thereto, before filing any Registration Statement or Prospectus or any amendments or supplements thereto, the Issuers shall furnish to and afford the Holders of the Registrable Notes covered by such Registration Statement or each such Participating Broker-Dealer, as the case may be, its counsel (if such counsel is known to the Issuers) and the managing underwriters, if any, a reasonable opportunity to review copies of all such documents (including copies of any documents to be incorporated by reference therein and all exhibits thereto) proposed to be filed (in each case at least five Business Days prior to such filing or such later date as is reasonable under the circumstances). The Issuers shall not file any Registration Statement or Prospectus or any amendments or supplements thereto if the Holders of a majority in aggregate principal amount of the Registrable Notes covered by such Registration Statement, or any such Participating Broker-Dealer, as the case may be, its counsel, or the managing underwriters, if any, shall reasonably object on a timely basis.

(b) Prepare and file with the Commission such amendments and post-effective amendments to each Shelf Registration Statement or Exchange Offer Registration Statement, as the case may be, as may be necessary to keep such Registration Statement continuously effective for the Effectiveness Period or the Applicable Period, as the case may be, provided that none of the foregoing shall be required during a Delay Period; cause the related Prospectus to be supplemented by any Prospectus supplement required by applicable law, and as so supplemented to be filed pursuant to Rule 424 (or any similar provisions then in force) promulgated under the Securities Act, provided that none of the foregoing shall be required during a Delay Period; and comply with the provisions of the Securities Act and the Exchange Act applicable to it with respect to the disposition of all securities covered by such Registration Statement as so amended or in such Prospectus as so supplemented and with respect to the subsequent resale of any securities being sold by a Participating Broker-Dealer covered by any such Prospectus, in each case, in accordance with the intended methods of distribution set forth in such Registration Statement or Prospectus, as so amended.

(c) If (1) a Shelf Registration is filed pursuant to Section 3 hereof, or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer

who seeks to sell Exchange Notes during the Applicable Period relating thereto from whom the Issuers have received written notice that such Broker-Dealer will be a Participating Broker-Dealer in the applicable Exchange Offer, notify the selling Holders of Registrable Notes, or each such Participating Broker-Dealer, as the case may be, their counsel and the managing underwriters, if any, as promptly as possible, and, if requested by any such Person, confirm such notice in writing, (i) when a Prospectus or any Prospectus supplement or post-effective amendment has been filed, and, with respect to a Registration Statement or any post-effective amendment, when the same has become effective under the Securities Act (including in such notice a written statement that any Holder may, upon request, obtain, at the sole expense of the Issuers, one conformed copy of such Registration Statement or post-effective amendment including financial statements and schedules, documents incorporated or deemed to be incorporated by reference and exhibits), (ii) of the issuance by the Commission of any stop order suspending the effectiveness of a Registration Statement or of any order preventing or suspending the use of any preliminary prospectus or the initiation of any proceedings for that purpose, (iii) if at any time when a Prospectus is required by the Securities Act to be delivered in connection with sales of the Registrable Notes or resales of Exchange Notes by Participating Broker-Dealers the representations and warranties of the Issuers contained in any agreement (including any underwriting agreement) contemplated by Section 5(m)(i) hereof cease to be true and correct in all material respects, (iv) of the receipt by the Issuers of any notification with respect to the suspension of the qualification or exemption from qualification of a Registration Statement or any of the Registrable Notes or the Exchange Notes for offer or sale in any jurisdiction, or the initiation or threatening of any proceeding for such purpose, (v) of the happening of any event, the existence of any condition or any information becoming known to the Issuers that makes any statement made in such Registration Statement or related Prospectus or any document incorporated or deemed to be incorporated therein by reference untrue in any material respect or that requires the making of any changes in or amendments or supplements to such Registration Statement, Prospectus or documents so that, in the case of the Registration Statement, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, and that in the case of the Prospectus, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, and (vi) of the Issuers' determination that a post-effective amendment to a Registration Statement would be appropriate.

(d) If (1) a Shelf Registration is filed pursuant to Section 3 hereof, or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period, use all commercially reasonable efforts to prevent the issuance of any order suspending the effectiveness of a Registration Statement or of any order preventing or suspending the use of a Prospectus or suspending the qualification (or exemption from qualification) of any of the Registrable Notes or the Exchange Notes, as the case may be, for sale in any jurisdiction, and, if any such order is issued, to use all commercially reasonable efforts to obtain the withdrawal of any such order at the earliest practicable moment.

(e) If (1) a Shelf Registration is filed pursuant to Section 3 hereof or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period and if reasonably requested by the managing underwriter or underwriters (if any), the Holders of a majority in aggregate principal amount of the Registrable Notes covered by such Registration Statement or any Participating Broker-Dealer, as the case may be, (i) promptly incorporate in such Registration Statement or Prospectus a prospectus supplement or post-effective amendment such information as the managing underwriter or underwriters (if any), such Holders or any Participating Broker-Dealer, as the case may be (based upon advice of counsel), determine is reasonably required to be included therein and request in writing to be included therein and (ii) make all required filings of such prospectus supplement or such post-effective amendment as soon as practicable after the Issuers have received notification of the matters to be incorporated in such prospectus supplement or post-effective amendment; provided, however, that the Issuers shall not be required to take any action hereunder that would, in the written opinion of counsel to the Issuers, violate applicable laws or, in any event, during any Delay Period.

(f) If (1) a Shelf Registration is filed pursuant to Section 3 hereof or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period, furnish to each selling Holder of Registrable Notes or each such Participating Broker-Dealer, as the case may be, who so requests, its counsel and each managing underwriter, if any, at the sole expense of the Issuers, one conformed copy of the Registration Statement or Registration Statements and each post-effective amendment thereto, including financial statements and schedules, and, if requested, all documents incorporated or deemed to be incorporated therein by reference and all exhibits.

(g) If (1) a Shelf Registration is filed pursuant to Section 3 hereof, or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period, deliver to each selling Holder of Registrable Notes or each such Participating Broker-Dealer, as the case may be, its respective counsel, and the underwriters, if any, at the sole expense of the Issuers, as many copies of the Prospectus or Prospectuses (including each form of preliminary prospectus) and each amendment or supplement thereto and any documents incorporated by reference therein as such Persons may reasonably request; and, subject to the last paragraph of this Section 5, the Issuers hereby consent to the use of such Prospectus and each amendment or supplement thereto by each of the selling Holders of Registrable Notes or each such Participating Broker-Dealer, as the case may be, and the underwriters or agents, if any, and dealers (if any), in connection with the offering and sale of the Registrable Notes covered by, or the sale by Participating Broker-Dealers of the Exchange Notes pursuant to, such Prospectus and any amendment or supplement thereto.

(h) Prior to any public offering of Registrable Notes or Exchange Notes or any delivery of a Prospectus contained in the Exchange Offer Registration Statement by any

Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period, use all commercially reasonable efforts to register or qualify, and to cooperate with the selling Holders of Registrable Notes or each such Participating Broker-Dealer, as the case may be, the managing underwriter or underwriters, if any, and its respective counsel in connection with the registration or qualification (or exemption from such registration or qualification) of such Registrable Notes or Exchange Notes, as the case may be, for offer and sale under the securities or Blue Sky laws of such jurisdictions within the United States as any selling Holder, Participating Broker-Dealer, or the managing underwriter or underwriters reasonably request in writing; provided, however, that where Exchange Notes or Registrable Notes are offered other than through an underwritten offering, the Issuers agree to use all commercially reasonable efforts to cause the Issuers' counsel to perform Blue Sky investigations and file registrations and qualifications required to be filed pursuant to this Section 5(h); keep each such registration or qualification (or exemption therefrom) effective during the period such Registration Statement is required to be kept effective and do any and all other acts or things reasonably necessary or advisable to enable the disposition in such jurisdictions of such Exchange Notes or Registrable Notes covered by the applicable Registration Statement; provided, however, that the Issuers shall not be required to (A) qualify generally to do business in any jurisdiction where it is not then so qualified, (B) take any action that would subject it to general service of process in any such jurisdiction where it is not then so subject or (C) subject itself to taxation in excess of a nominal dollar amount in any such jurisdiction where it is not then so subject.

(i) If a Shelf Registration is filed pursuant to Section 3 hereof, cooperate with the selling Holders of Registrable Notes and the managing underwriter or underwriters, if any, to facilitate the timely preparation and delivery of certificates representing Registrable Notes to be sold, which certificates shall not bear any restrictive legends and shall be in a form eligible for deposit with The Depository Trust Company and enable such Registrable Notes to be in such denominations (subject to applicable requirements contained in the Indenture) and registered in such names as the managing underwriter or underwriters, if any, or selling Holders may reasonably request in writing at least five Business Days prior to any sale of such Registrable Notes or Exchange Notes.

(j) Use all commercially reasonable efforts to cause the Registrable Notes or Exchange Notes covered by any Registration Statement to be registered with or approved by such other governmental agencies or authorities as may be reasonably necessary to enable the seller or sellers thereof or the underwriter or underwriters, if any, to consummate the disposition of such Registrable Notes or Exchange Notes, except as may be required solely as a consequence of the nature of such selling Holder's business, in which case the Issuers will cooperate in all reasonable respects with the filing of such Registration Statement and the granting of such approvals.

(k) If (1) a Shelf Registration is filed pursuant to Section 3 hereof, or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period, upon the occurrence of any event contemplated by Section 5(c)(v) or 5(c)(vi) hereof, as promptly as practicable prepare

and file (subject to Section 5(a) and the penultimate paragraph of this Section 5) with the Commission, at the sole expense of the Issuers, a supplement or post-effective amendment to the Registration Statement or a supplement to the related Prospectus or any document incorporated or deemed to be incorporated therein by reference, or file any other required document so that, as thereafter delivered to the purchasers of the Registrable Notes being sold thereunder or to the purchasers of the Exchange Notes to whom such Prospectus will be delivered by a Participating Broker-Dealer, any such Prospectus will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(l) On or prior to the effective date of the first Registration Statement relating to the Registrable Notes, (i) provide the Trustee with certificates for the Registrable Notes in a form eligible for deposit with The Depository Trust Company and (ii) provide a CUSIP number for the Exchange Notes.

(m) In connection with any underwritten offering of Registrable Notes pursuant to a Shelf Registration, enter into an underwriting agreement as is customary in underwritten offerings of debt securities similar to the Notes and take all such other actions as are reasonably requested in writing by the managing underwriter or underwriters in order to expedite or facilitate the registration or the disposition of such Registrable Notes and, in such connection, (i) make such representations and warranties to, and covenants with, the underwriters with respect to the business of the Issuers and their subsidiaries, as then conducted (including any acquired business, properties or entity, if applicable), and the Registration Statement, Prospectus and documents, if any, incorporated or deemed to be incorporated by reference therein, in each case, as are customarily made by issuers to underwriters in underwritten offerings of debt securities similar to the Notes, and confirm the same in writing if and when reasonably requested; (ii) use all commercially reasonable efforts to obtain the written opinions of counsel to the Issuers and written updates thereof in form, scope and substance reasonably satisfactory to the managing underwriter or underwriters, addressed to the underwriters covering the matters customarily covered in opinions of counsel to issuers requested in underwritten offerings of debt securities similar to the Notes; (iii) use all commercially reasonable efforts to obtain "cold comfort" letters and updates thereof in form, scope and substance reasonably satisfactory to the managing underwriter or underwriters from the independent certified public accountants of the Issuers (and, if necessary, any other independent certified public accountants of any subsidiary of the Issuers or of any business acquired by the Issuers for which financial statements and financial data are, or are required to be, included or incorporated by reference in the Registration Statement), addressed to each of the underwriters, such letters to be in customary form and covering matters of the type customarily covered in "cold comfort" letters in connection with underwritten offerings of debt securities similar to the Notes; and (iv) if an underwriting agreement is entered into, the same shall contain indemnification provisions and procedures no less favorable than those set forth in Section 7 hereof (or such other provisions and procedures acceptable to Holders of a majority in aggregate principal amount of Registrable Notes covered by such Registration Statement and the managing underwriter or underwriters or agents) with respect to all parties to be indemnified pursuant to said Section; provided

that the Issuers shall not be required to provide indemnification to any underwriter selected in accordance with the provisions of Section 9 hereof with respect to information relating to such underwriter furnished in writing to the Issuers by or on behalf of such underwriter expressly for inclusion in such Registration Statement. The above shall be done at each closing under such underwriting agreement, or as and to the extent required thereunder.

(n) If (1) a Shelf Registration is filed pursuant to Section 3 hereof or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period, make available for inspection by any selling Holder of such Registrable Notes being sold or each such Participating Broker-Dealer, as the case may be, any underwriter participating in any such disposition of Registrable Notes, if any, and any attorney, accountant or other agent retained by any such selling Holder or each such Participating Broker-Dealer, as the case may be, or underwriter (collectively, the "Inspectors"), upon written request, at the offices where normally kept, during reasonable business hours, all pertinent financial and other records, pertinent corporate documents and instruments of the Issuers and its subsidiaries (collectively, the "Records") as shall be reasonably necessary to enable them to exercise any applicable due diligence responsibilities, and cause the officers, directors and employees of the Issuers and their subsidiaries to supply all information reasonably requested in writing by any such Inspector in connection with such Registration Statement and Prospectus. Each Inspector shall agree in writing that it will keep the Records confidential and that it will not disclose, or use in connection with any market transactions in violation of any applicable securities laws, any Records that the Issuers determine, in good faith, to be confidential unless (i) the disclosure of such Records is necessary to avoid or correct a misstatement or omission in such Registration Statement or Prospectus in the reasonable opinion of counsel for an Inspector, (ii) the release of such Records is ordered pursuant to a subpoena or other order from a court of competent jurisdiction, (iii) disclosure of such information is necessary or advisable in the opinion of counsel for an Inspector in connection with any action, claim, suit or proceeding, directly or indirectly, involving or potentially involving such Inspector and arising out of, based upon, relating to, or involving this Agreement or the Purchase Agreement, or any transactions contemplated hereby or thereby or arising hereunder or thereunder, or (iv) the information in such Records has been made generally available to the public other than as a result of a disclosure or failure to safeguard by such Inspector; provided, however, that (i) each Inspector shall agree to use reasonable best efforts to provide notice to the Issuers of the potential disclosure of any information by such Inspector pursuant to clause (i), (ii) or (iii) of this sentence to permit the Issuers to obtain a protective order (or waive the provisions of this paragraph (n)) and (ii) each such Inspector shall take such actions as are reasonably necessary to protect the confidentiality of such information (if practicable) to the extent such action is otherwise not inconsistent with, an impairment of or in derogation of the rights and interests of the Holder or any Inspector. Each selling Holder of such Registrable Notes and each such Participating Broker-Dealer will be required to agree that information obtained by it as a result of such inspections shall be deemed confidential and shall not be used by it as the basis for any market transactions in the securities of the Parent, the Issuers or their respective subsidiaries unless and until such is made generally available to the public.

(o) Provide an indenture trustee for the Registrable Notes or the Exchange Notes, as the case may be, and cause the Indenture or the trust indenture provided for in Section 2(a) hereof to be qualified under the TIA not later than the effective date of the Exchange Offer or the first Registration Statement relating to the Registrable Notes; and in connection therewith, cooperate with the trustee under any such indenture and the Holders of the Registrable Notes or Exchange Notes, as applicable, to effect such changes to such indenture as may be required for such indenture to be so qualified in accordance with the terms of the TIA; and execute, and use all commercially reasonable efforts to cause such trustee to execute, all documents as may be required to effect such changes, and all other forms and documents required to be filed with the Commission to enable such indenture to be so qualified in a timely manner.

(p) Use all commercially reasonable efforts to comply with all applicable rules and regulations of the Commission and make generally available to the Issuers' securityholders earnings statements satisfying the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder (which need not be audited) (or any similar rule promulgated under the Securities Act) no later than 45 days after the end of any fiscal quarter (or 90 days after the end of any 12-month period if such period is a fiscal year) (i) commencing at the end of any fiscal quarter in which Registrable Notes or Exchange Notes are sold to underwriters in a firm commitment or best efforts underwritten offering and (ii) if not sold to underwriters in such an offering, commencing on the first day of the first fiscal quarter of the Issuers after the effective date of a Registration Statement, which statements shall cover said 12-month periods consistent with the requirements of Rule 158.

(q) Upon the request of a Holder, upon consummation of the Exchange Offer or a Private Exchange, use all commercially reasonable efforts to obtain an opinion of counsel to the Issuers, in form and substance customary for such underwritten transactions, addressed to the Trustee for the benefit of all Holders of Registrable Notes participating in the Exchange Offer or the Private Exchange, as the case may be, that the Exchange Notes or Private Exchange Notes, as the case may be, and the related indenture constitute legal, valid and binding obligations of the Issuers, enforceable against the Issuers in accordance with its respective terms, subject to customary exceptions and qualifications.

(r) If the Exchange Offer or a Private Exchange is to be consummated, upon delivery of the Registrable Notes by Holders to the Issuers (or to such other Person as directed by the Issuers) in exchange for the Exchange Notes or the Private Exchange Notes, as the case may be, mark, or cause to be marked, on such Registrable Notes that such Registrable Notes are being cancelled in exchange for the Exchange Notes or the Private Exchange Notes, as the case may be; provided that in no event shall such Registrable Notes be marked as paid or otherwise satisfied.

(s) Cooperate with each seller of Registrable Notes covered by any Registration Statement and each underwriter, if any, participating in the disposition of such Registrable Notes and their respective counsel in connection with any filings required to be made with the National Association of Securities Dealers, Inc. (the "NASD").

(t) Use all commercially reasonable efforts to take all other steps reasonably necessary or advisable to effect the registration of the Exchange Notes and/or Registrable Notes covered by a Registration Statement contemplated hereby.

The Issuers may require each seller of Registrable Notes or Exchange Notes as to which any registration is being effected to furnish to the Issuers such information regarding such seller or Participating Broker-Dealer and the distribution of such Registrable Notes or Exchange Notes as the Issuers may, from time to time, reasonably request. The Issuers may exclude from such registration the Registrable Notes of any seller or Participating Broker-Dealer so long as such seller or Participating Broker-Dealer fails to furnish such information within a reasonable time after receiving such request and in the event of such an exclusion, the Issuers shall have no further obligation under this Agreement (including, without limitation, the obligations under Section 4) with respect to such seller or Participating Broker-Dealer or any subsequent Holder of such Registrable Notes. Each seller or Participating Broker-Dealer as to which any Shelf Registration is being effected agrees to furnish promptly to the Issuers all information required to be disclosed in order to make any information previously furnished to the Issuers by such seller not materially misleading.

If any such Registration Statement refers to any Holder by name or otherwise as the holder of any securities of the Issuers, then such Holder shall have the right to require (i) the insertion therein of language, in form and substance reasonably satisfactory to such Holder, to the effect that the holding by such Holder of such securities is not to be construed as a recommendation by such Holder of the investment quality of the securities covered thereby and that such holding does not imply that such Holder will assist in meeting any future financial requirements of the Issuers, or (ii) in the event that such reference to such Holder by name or otherwise is not required by the Securities Act or any similar federal statute then in force, the deletion of the reference to such Holder in any amendment or supplement to the applicable Registration Statement filed or prepared subsequent to the time that such reference ceases to be required.

Each Holder of Registrable Notes and each Participating Broker-Dealer agrees by acquisition of such Registrable Notes or Exchange Notes that, upon actual receipt of any notice from the Issuers (x) of the happening of any event of the kind described in Section 5(c)(ii), 5(c)(iii), 5(c)(iv), or 5(c)(v) hereof, or (y) that the Board of Directors of the Issuers (the "Board of Directors") has resolved that the Issuers have a *bona fide* business purpose for doing so, then the Issuers may delay the filing or the effectiveness of the Exchange Offer Registration Statement or the Shelf Registration Statement (if not then filed or effective, as applicable) and shall not be required to maintain the effectiveness thereof or amend or supplement the Exchange Offer Registration Statement or the Shelf Registration, in all cases, for a period (a "Delay Period") expiring upon the earlier to occur of (i) in the case of the immediately preceding clause (x), such Holder's or Participating Broker-Dealer's receipt of the copies of the supplemented or amended Prospectus contemplated by Section 5(k) hereof or until it is advised in writing (the "Advice") by the Issuers that the use of the applicable Prospectus may be resumed, and has received copies of any amendments or supplements thereto or (ii) in the case of the immediately preceding clause (y), the date which is the earlier of (A) the date on which such business purpose ceases to interfere with the Issuers' obligations to file or maintain the effectiveness of any such Registration Statement pursuant to this Agreement or (B) 60 days after the Issuers notify the Holders of such good faith determination. There shall not be more than 60 days of Delay Periods during any 12 month

period. Each of the Effectiveness Period and the Applicable Period, if applicable, shall be extended by the number of days during any Delay Period. Any Delay Period will not alter the obligations of the Issuers to pay Liquidated Damages under the circumstances set forth in Section 4 hereof (except as noted in Section 4).

In the event of any Delay Period pursuant to clause (y) of the preceding paragraph, notice shall be given as soon as practicable after the Board of Directors makes such a determination of the need for a Delay Period and shall state, to the extent practicable, an estimate of the duration of such Delay Period and shall advise the recipient thereof of the agreement of such Holder provided in the next succeeding sentence. Each Holder, by his acceptance of any Registrable Note, agrees that during any Delay Period, each Holder will discontinue disposition of such Notes or Exchange Notes covered by such Registration Statement or Prospectus or Exchange Notes to be sold by such Holder or Participating Broker-Dealer, as the case may be.

Section 6. Registration Expenses

All fees and expenses incident to the performance of or compliance with this Agreement by the Issuers (other than any underwriting discounts or commissions) shall be borne by the Issuers, whether or not the Exchange Offer Registration Statement or the Shelf Registration is filed or becomes effective or the Exchange Offer is consummated, including, without limitation, (i) all registration and filing fees (including, without limitation, (A) fees with respect to filings required to be made with the NASD in connection with an underwritten offering and (B) fees and expenses of compliance with state securities or Blue Sky laws (including, without limitation, reasonable fees and disbursements of counsel in connection with Blue Sky qualifications of the Registrable Notes or Exchange Notes and determination of the eligibility of the Registrable Notes or Exchange Notes for investment under the laws of such jurisdictions (x) where the holders of Registrable Notes are located, in the case of an Exchange Offer, or (y) as provided in Section 5(h) hereof, in the case of a Shelf Registration or in the case of Exchange Notes to be sold by a Participating Broker-Dealer during the Applicable Period)), (ii) printing expenses, including, without limitation, expenses of printing certificates for Registrable Notes or Exchange Notes in a form eligible for deposit with The Depository Trust Company and of printing prospectuses if the printing of prospectuses is requested by the managing underwriter or underwriters, if any, or by the Holders of a majority in aggregate principal amount of the Registrable Notes included in any Registration Statement or in respect of Exchange Notes to be sold by any Participating Broker-Dealer during the Applicable Period, as the case may be, (iii) messenger, telephone and delivery expenses, (iv) fees and disbursements of counsel for the Issuers and reasonable fees and disbursements of one special counsel for all of the sellers of Registrable Notes (exclusive of any counsel retained pursuant to Section 7 hereof), (v) fees and disbursements of all independent certified public accountants referred to in Section 5(m)(iii) hereof (including, without limitation, the expenses of any special audit and "cold comfort" letters required by or incident to such performance), (vi) Securities Act liability insurance, if the Issuers desire such insurance, (vii) fees and expenses of all other Persons retained by the Issuers, (viii) internal expenses of the Issuers (including, without limitation, all salaries and expenses of officers and employees of the Issuers performing legal or accounting duties), (ix) the expense of any annual audit, (x) the fees and expenses incurred in connection with the listing of the securities to be registered on any securities exchange, and the obtaining of a rating of the securities, in each case, if applicable, and (xi) the expenses relating to printing, word

processing and distributing all Registration Statements, underwriting agreements, indentures and any other documents necessary in order to comply with this Agreement. Notwithstanding the foregoing or anything to the contrary, each Holder shall pay all underwriting discounts and commissions of any underwriters with respect to any Registrable Notes sold by or on behalf of it.

Section 7. Indemnification

(a) Each of the Issuers and the Guarantors, jointly and severally, agrees to indemnify and hold harmless each Holder of Registrable Notes and each Participating Broker-Dealer selling Exchange Notes during the Applicable Period, each Person, if any, who controls any such Person within the meaning of Section 15 of the Securities Act or Section 20(a) of the Exchange Act, the agents, employees, officers and directors of each Holder and each such Participating Broker-Dealer and the agents, employees, officers and directors of any such controlling Person (each, a "Participant") from and against any and all losses, liabilities, claims, damages and expenses (including, but not limited to, reasonable attorneys' fees and any and all reasonable out-of-pocket expenses actually incurred in investigating, preparing or defending against any litigation, commenced or threatened, or any claim whatsoever, and any and all reasonable amounts paid in settlement of any claim or litigation (in the manner set forth in clause (c) below)) (collectively, "Losses") to which they or any of them may become subject under the Securities Act, the Exchange Act or otherwise insofar as such Losses (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement (or any amendment thereto) or Prospectus (as amended or supplemented if the Issuers shall have furnished any amendments or supplements thereto) or any preliminary prospectus, or caused by, arising out of or based upon any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, provided that (i) the foregoing indemnity shall not be available to any Participant insofar as such Losses arise out of or are based upon any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with information relating to such Participant furnished to the Issuers in writing by or on behalf of such Participant expressly for use therein, and (ii) that the foregoing indemnity with respect to any preliminary prospectus shall not inure to the benefit of any Participant from whom the Person asserting such Losses purchased Registrable Notes if (x) it is established in the related proceeding that such Participant failed to send or give a copy of the Prospectus (as amended or supplemented if such amendment or supplement was furnished to such Participant prior to the written confirmation of such sale) to such Person with or prior to the written confirmation of such sale, if required by applicable law, and (y) the untrue statement or omission or alleged untrue statement or omission was corrected in the Prospectus (as amended or supplemented if amended or supplemented as aforesaid). This indemnity agreement will be in addition to any liability that the Issuers and Guarantors may otherwise have, including, but not limited to, liability under this Agreement.

(b) Each Participant agrees, severally and not jointly, to indemnify and hold harmless the Issuers, each Person, if any, who controls any of the Issuers or the Guarantors within the meaning of Section 15 of the Securities Act or Section 20(a) of the Exchange Act, and each of its agents, employees, officers and directors and the agents, employees, officers and directors of any such controlling Person from and against any Losses to which they or any of them may become subject under the Securities Act, the Exchange Act or otherwise insofar as such Losses (or actions in respect

thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement (or any amendment thereto) or Prospectus (as amended or supplemented if the Issuers shall have furnished any amendments or supplements thereto) or any preliminary prospectus, or caused by, arising out of or based upon any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case to the extent, but only to the extent, that any such Loss arises out of or is based upon any untrue statement or alleged untrue statement or omission or alleged omission made in reliance upon and in conformity with information relating to such Participant furnished in writing to the Issuers by or on behalf of such Participant expressly for use therein. This indemnity agreement will be in addition to any liability that a Participant may otherwise have, including, but not limited to, liability under this Agreement.

(c) Promptly after receipt by an indemnified party under subsection 7(a) or 7(b) above of notice of the commencement of any action, suit or proceeding (collectively, an "action"), such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify each party against whom indemnification is to be sought in writing of the commencement of such action (but the failure so to notify an indemnifying party shall not relieve such indemnifying party from any liability that it may have under this Section 7 except to the extent that it has been prejudiced in any material respect by such failure). In case any such action is brought against any indemnified party, and it notifies an indemnifying party of the commencement of such action, the indemnifying party will be entitled to participate in such action, and to the extent it may elect by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense of such action with counsel reasonably satisfactory to such indemnified party. Notwithstanding the foregoing, the indemnified party or parties shall have the right to employ its or their own counsel in any such action, but the reasonable fees and expenses of such counsel shall be at the expense of such indemnified party or parties unless (i) the employment of such counsel shall have been authorized in writing by the indemnifying parties in connection with the defense of such action, (ii) the indemnifying parties shall not have employed counsel to take charge of the defense of such action within a reasonable time after notice of commencement of the action, or (iii) the named parties to such action (including any impleaded parties) include such indemnified party and the indemnifying party or parties (or such indemnifying parties have assumed the defense of such action), and such indemnified party or parties shall have reasonably concluded, that there may be defenses available to it or them that are different from or additional to those available to one or all of the indemnifying parties (in which case the indemnifying parties shall not have the right to direct the defense of such action on behalf of the indemnified party or parties), in any of which events such reasonable fees and expenses of counsel shall be borne by the indemnifying parties. In no event shall the indemnifying party be liable for the fees and expenses of more than one counsel (together with appropriate local counsel) at any time for all indemnified parties in connection with any one action or separate but substantially similar or related actions arising in the same jurisdiction out of the same general allegations or circumstances. Any such separate firm for the Participants shall be designated in writing by Participants who sold a majority in interest of Registrable Notes sold by all such Participants and shall be reasonably acceptable to the Issuers and any such separate firm for the Issuers, its affiliates, officers, directors, representatives, employees and agents and such control Person of the Issuers shall be designated in writing by the Issuers and shall be reasonably acceptable to the Holders. An indemnifying party shall not be liable for any settlement of any claim or action effected

without its written consent, which consent may not be unreasonably withheld. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened proceeding in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party, unless such settlement includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such proceeding.

(d) In order to provide for contribution in circumstances in which the indemnification provided for in this Section 7 is for any reason held to be unavailable from the indemnifying party, or is insufficient to hold harmless a party indemnified under this Section 7, each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such aggregate Losses (i) in such proportion as is appropriate to reflect the relative benefits received by each indemnifying party, on the one hand, and each indemnified party, on the other hand, from the sale of the Notes to the Initial Purchasers or the resale of the Registrable Notes by such Holder, as applicable, or (ii) if such allocation is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of each indemnified party, on the one hand, and each indemnifying party, on the other hand, in connection with the statements or omissions that resulted in such Losses, as well as any other relevant equitable considerations. The relative benefits received by the Issuers and the Guarantors, on the one hand, and each Participant, on the other hand, shall be deemed to be in the same proportion as (x) the total proceeds from the sale of the Notes to the Initial Purchasers (net of discounts and commissions but before deducting expenses) received by the Issuers and the Guarantors are to (y) the total discount and commissions received by such Participant in connection with the sale of the Registrable Notes. The relative fault of the parties shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by an Issuer or any Guarantor or such Participant and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission or alleged statement or omission.

(e) The parties agree that it would not be just and equitable if contribution pursuant to this Section 7 were determined by pro rata allocation or by any other method of allocation that does not take into account the equitable considerations referred to above. Notwithstanding the provisions of this Section 7, (i) in no case shall any Participant be required to contribute any amount in excess of the amount by which the total discount and commissions received by such Participant in connection with the sale of the Registrable Notes exceeds the amount of any damages that such Participant has otherwise been required to pay by reason of any untrue or alleged untrue statement or omission or alleged omission and (ii) no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. Any party entitled to contribution will, promptly after receipt of notice of commencement of any action against such party in respect of which a claim for contribution may be made against another party or parties under this Section 7, notify such party or parties from whom contribution may be sought, but the omission to so notify such party or parties shall not relieve the party or parties from whom contribution may be sought from any obligation it or they may have under this Section 7 or otherwise, except to the extent that it has been prejudiced in any material respect by such failure; provided, however, that no additional notice shall be required with respect to any

action for which notice has been given under this Section 7 for purposes of indemnification. Anything in this section to the contrary notwithstanding, no party shall be liable for contribution with respect to any action or claim settled without its written consent, provided, however, that such written consent was not unreasonably withheld.

Section 8. Rules 144 and 144A

The Issuers covenant that they will file the reports required, if any, to be filed by them under the Securities Act and the Exchange Act and the rules and regulations adopted by the Commission thereunder in a timely manner in accordance with the requirements of the Securities Act and the Exchange Act and, if at any time the Issuers are not required to file such reports, they will, upon the request of any Holder or beneficial owner of Registrable Notes, make available such information necessary to permit sales pursuant to Rule 144A under the Securities Act. The Issuers further covenant that for so long as any Registrable Notes remain outstanding they will take such further action as any Holder of Registrable Notes may reasonably request from time to time to enable such Holder to sell Registrable Notes without registration under the Securities Act within the limitation of the exemptions provided by (a) Rule 144(k) and Rule 144A under the Securities Act, as such Rules may be amended from time to time, or (b) any similar rule or regulation hereafter adopted by the Commission.

Section 9. Underwritten Registrations

If any of the Registrable Notes covered by any Shelf Registration are to be sold in an underwritten offering, the investment banker or investment bankers and manager or managers that will manage the offering will be selected by the Holders of a majority in aggregate principal amount of such Registrable Notes included in such offering and shall be reasonably acceptable to the Issuers.

No Holder of Registrable Notes may participate in any underwritten registration hereunder if such Holder does not (a) agree to sell such Holder's Registrable Notes on the basis provided in any underwriting arrangements approved by the Persons entitled hereunder to approve such arrangements and (b) complete and execute all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents required under the terms of such underwriting arrangements.

Section 10. Submission to Jurisdiction; Waiver of Jury Trial. No proceeding related to this Agreement or the transactions contemplated hereby may be commenced, prosecuted or continued in any court other than the courts of the State of New York located in the City and County of New York or in the United States District Court for the Southern District of New York, which courts shall have jurisdiction over the adjudication of such matters, and the Issuers hereby consent to the jurisdiction of such courts and personal service with respect thereto. The Issuers shall irrevocably appoint CT Corporation System as an authorized agent pursuant to Section 8(l) of the Purchase Agreement, as their authorized agent in the City and County of New York upon which process may be served in any such suit or proceeding, and agrees that service of process upon such agent, and written notice of said service to each Issuer, by the person serving the same to the address provided in Section 12, shall be deemed in every respect effective service of process upon each Issuer, as applicable, in such suit or proceeding. The Issuers and each Guarantor hereby waive all right to trial by jury in any proceeding (whether based upon contract, tort or otherwise) in any way arising out of or relating to this Agreement.

The Issuers and each Guarantor agree that a final judgment in any such proceeding brought in any such court shall be conclusive and binding upon the Issuers and each Guarantor and may be enforced in any other courts in the jurisdiction of which any Issuer or any Guarantor is or may be subject, by suit upon such judgment.

Section 11. Judgment Currency. If any mutilated Note is surrendered to the Trustee or the Issuers and the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Issuers will issue and the Trustee, upon receipt of an Authentication Order, will authenticate a replacement Note if the Trustee's requirements are met. If required by the Trustee or the Issuers, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Issuers to protect the Issuers, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Issuers may charge for its expenses in replacing a Note, including reasonable fees and expenses of counsel and of the Trustee and its counsel.

Every replacement Note is an additional obligation of the Issuers and will be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because the Issuers or an Affiliate of the Issuers holds the Note; however, Notes held by an Issuer or a Subsidiary of an Issuer shall not be deemed to be outstanding for purposes of Section 3.07(a) hereof.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than MagnaChip or any of its Subsidiaries or MagnaChip Semiconductor LLC or an Affiliate of any thereof) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes will be deemed to be no longer outstanding and will cease to accrue interest.

Section 2.09 *Treasury Notes*.

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Issuers or any Guarantor, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Issuers or any Guarantor, will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in relying on any such direction, waiver or consent, only Notes that the Trustee knows are so owned will be so disregarded.

Section 2.10 *Temporary Notes*.

Until certificates representing Notes are ready for delivery, the Issuers may prepare and the Trustee, upon receipt of an Authentication Order, will authenticate temporary Notes. Temporary Notes will be substantially in the form of certificated Notes but may have variations that the Issuers considers appropriate for temporary Notes and as may be reasonably acceptable to the Trustee. Without unreasonable delay, the Issuers will prepare and the Trustee will authenticate definitive Notes in exchange for temporary Notes.

Holders of temporary Notes will be entitled to all of the benefits of this Indenture.

Section 2.11 *Cancellation*.

The Issuers at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent will forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else will cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and will destroy canceled Notes (subject to the record retention requirement of the Exchange Act). Certification of the disposition of all canceled Notes will be delivered to the Issuers upon request. The Issuers may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.12 *Defaulted Interest*.

If the Issuers default in a payment of interest on the Notes, it will pay the defaulted interest in any lawful manner *plus*, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Issuers will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Issuers will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Issuers (or, upon the written request of the Issuers, the Trustee in the name and at the expense of the Issuers) will mail or cause to be mailed to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

## ARTICLE 3.
## REDEMPTION AND PREPAYMENT

Section 3.01 *Notices to Trustee*.

If the Issuers elect to redeem Notes pursuant to the optional redemption provisions of Section 3.07 hereof, they must furnish to the Trustee, at least 30 days but not more than 60 days before a redemption date, an Officers' Certificate setting forth:

(1) the clause of this Indenture pursuant to which the redemption shall occur;

(2) the redemption date;

(3) the principal amount of Notes to be redeemed; and

(4) the redemption price.

Section 3.02 *Selection of Notes to Be Redeemed or Purchased*.

If less than all of the Notes are to be redeemed or purchased in an offer to purchase at any time, the Trustee will select Notes for redemption or purchase on a *pro rata* basis unless otherwise required by law or applicable stock exchange requirements.

The Trustee will promptly notify the Issuers in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected will be in amounts equal to

$1,000 or an integral multiple of $1,000 in excess of $1,000; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder, even if not a multiple of $1,000, shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

Section 3.03 *Notice of Redemption*.

Subject to the provisions of Section 3.09 hereof, at least 30 days but not more than 60 days before a redemption date, the Issuers will mail or cause to be mailed, by first class mail, a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Articles 8 or 11, respectively, hereof.

The notice will identify the Notes to be redeemed and will state:

(1) the redemption date;

(2) the redemption price;

(3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note;

(4) the name and address of the Paying Agent;

(5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(6) that, unless the Issuers default in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;

(7) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and

(8) that no representation is made as to the correctness or accuracy of the CUSIP or ISIN number, if any, listed in such notice or printed on the Notes.

At the Issuers' request, the Trustee will give the notice of redemption in the Issuers' name and at its expense; *provided, however*, that the Issuers have delivered to the Trustee, at least 45 days prior to the redemption date, an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Section 3.04 *Effect of Notice of Redemption*.

Once notice of redemption is mailed in accordance with Section 3.03 hereof, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price. A notice of redemption may not be conditional.

Section 3.05 *Deposit of Redemption or Purchase Price*.

One Business Day prior to the redemption or purchase date, the Issuers will deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued interest and Liquidated Damages, if any, on all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent will promptly return to the Issuers any money deposited with the Trustee or the Paying Agent by the Issuers in excess of the amounts necessary to pay the redemption or purchase price of, and accrued interest and Liquidated Damages, if any, on, all Notes to be redeemed or purchased.

If the Issuers comply with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest will cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Issuers to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

Section 3.06 *Notes Redeemed or Purchased in Part*.

Upon surrender of a Note that is redeemed or purchased in part, the Issuers will issue and, upon receipt of an Authentication Order, the Trustee will authenticate for the Holder at the expense of the Issuers a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered.

Section 3.07 *Optional Redemption*.

(a) At any time prior to December 15, 2007, MagnaChip may on any one or more occasions redeem up to 35% of the aggregate principal amount of Notes issued under this Indenture (including any Additional Notes issued after the Issue Date) at a redemption price of 108% of the principal amount thereof, *plus* accrued and unpaid interest and Liquidated Damages, if any, to the redemption date, with the net cash proceeds of one or more Public Equity Offerings or a contribution to MagnaChip's common equity capital made with the net cash proceeds of a concurrent Public Equity Offering of US LLC or any of its Subsidiaries; *provided* that:

(1) at least 65% of the aggregate principal amount of Notes originally issued under this Indenture (including any Additional Notes issued after the Issue Date) (excluding Notes held by MagnaChip and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and

(2) the redemption occurs within 90 days of the date of the closing of such Public Equity Offering or equity contributions.

(b) On or after December 15, 2009, MagnaChip may redeem all or a part of the Notes, upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail to each holder's registered address, at the redemption prices (expressed as percentages of principal amount) set forth below *plus* accrued and unpaid interest and Liquidated Damages, if any, on the Notes redeemed, to the applicable redemption date, if redeemed during the twelve-month period beginning on December 15 of the years indicated below, subject to the rights of holders of Notes on the relevant record date to receive interest due on the relevant interest payment date:

| 2009 | 104.000% |
| 2010 | 102.667% |
| 2011 | 101.333% |
| 2012 and thereafter | 100.000% |

Notwithstanding the foregoing, at any time prior to December 15, 2009, MagnaChip may also redeem all or a part of the Notes (including any Additional Notes issued after the Issue Date), upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail to each holder's registered address, at a redemption price equal to 100% of the principal amount of Notes redeemed *plus* the Applicable Premium as of, and accrued and unpaid interest and Liquidated Damages, if any, to the redemption date, subject to the rights of holders of Notes on the relevant record date to receive interest due on the relevant interest payment date.

Unless MagnaChip defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(c) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

Section 3.08 *Mandatory Redemption*.

The Issuers are not required to make mandatory redemption or sinking fund payments with respect to the Notes.

Section 3.09 *Offer to Purchase by Application of Excess Proceeds*.

In the event that, pursuant to Section 4.10 hereof, the Issuers are required to commence an offer to all Holders to purchase Notes (an "*Asset Sale Offer*"), it will follow the procedures specified below.

The Asset Sale Offer shall be made to all Holders and all holders of other *pari passu* Indebtedness containing provisions similar to those set forth in this Indenture with respect to offers to purchase or redeem with the proceeds of sales of assets casualty or condemnation events. The Asset Sale Offer will remain open for a period of at least 20 Business Days following its commencement and not more than 30 Business Days, except to the extent that a longer period is required by applicable law (the "*Offer Period*"). No later than three Business Days after the termination of the Offer Period (the "*Purchase Date*"), the Issuers will apply all Excess Proceeds remaining after any required application of such Excess Proceeds (such remaining amount, the *"Offer Amount"*) to the purchase of Notes and such other *pari passu* Indebtedness (on a *pro rata* basis, if applicable) or, if less than the Offer Amount has been tendered, all Notes and other *pari passu* Indebtedness tendered in response to the Asset Sale Offer. Payment for any Notes so purchased will be made in the same manner as interest payments are made.

If the Purchase Date is on or after an interest record date and on or before the related interest payment date, any accrued and unpaid interest and Liquidated Damages, if any, will be paid to the Person in whose name a Note is registered at the close of business on such record date, and no additional interest will be payable to Holders who tender Notes pursuant to the Asset Sale Offer.

Upon the commencement of an Asset Sale Offer, the Issuers will send, by first class mail, a notice to the Trustee and each of the Holders, with a copy to the Trustee. The notice will contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Asset Sale Offer. The notice, which will govern the terms of the Asset Sale Offer, will state:

(1) that the Asset Sale Offer is being made pursuant to this Section 3.09 and Section 4.10 hereof and the length of time the Asset Sale Offer will remain open;

(2) the Offer Amount, the purchase price and the Purchase Date;

(3) that any Note not tendered or accepted for payment will continue to accrue interest;

(4) that, unless the Issuers default in making such payment, any Note accepted for payment pursuant to the Asset Sale Offer will cease to accrue interest after the Purchase Date;

(5) that Holders electing to have a Note purchased pursuant to an Asset Sale Offer may elect to have Notes purchased in integral multiples of $1,000 only;

(6) that Holders electing to have Notes purchased pursuant to any Asset Sale Offer will be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" attached to the Notes completed, or transfer by book-entry transfer, to the Issuers, a Depositary, if appointed by the Issuers, or a Paying Agent at the address specified in the notice at least three days before the Purchase Date;

(7) that Holders will be entitled to withdraw their election if the Issuers, the Depositary or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;

(8) that, if the aggregate principal amount of Notes or other *pari passu* Indebtedness surrendered by holders thereof exceeds the Offer Amount, the Issuers will select the Notes and other *pari passu* Indebtedness to be purchased on a *pro rata* basis based on the principal amount of Notes and such other *pari passu* Indebtedness surrendered (with such adjustments as may be deemed appropriate by the Issuers so that only Notes in denominations of $1,000, or integral multiples thereof, will be purchased); and

(9) that Holders whose Notes were purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

On or before the Purchase Date, the Issuers will, to the extent lawful, accept for payment, on a *pro rata* basis to the extent necessary, the Offer Amount of Notes or portions thereof tendered pursuant to the Asset Sale Offer, or if less than the Offer Amount has been tendered, all Notes tendered, and will deliver or cause to be delivered to the Trustee the Notes properly accepted with an Officers' Certificate stating that such Notes or portions thereof were accepted for payment by the Issuers in accordance with the terms of this Section 3.09. The Issuers, the Depositary or the Paying Agent, as the case may be, will promptly (but in any case not later than five days after the Purchase Date) mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes tendered by such Holder and accepted by the Issuers for purchase, and the Issuers will promptly issue a new Note, and the Trustee, upon written request from the Issuers, will authenticate and mail or deliver (or cause to be transferred by book entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered. Any Note not so accepted shall be promptly mailed or delivered by the Issuers to the Holder thereof. The Issuers will publicly announce the results of the Asset Sale Offer on the Purchase Date.

Other than as specifically provided in this Section 3.09, any purchase pursuant to this Section 3.09 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

Section 3.10 *Redemption for Changes in Taxes*. The Issuers may redeem the Notes, in whole but not in part, at their discretion at any time at a redemption price equal to the principal amount thereof, together with accrued and unpaid interest and Liquidated Damages, if any, to the date fixed by the Issuers for redemption (a *"Tax Redemption Date"*) and all Additional Amounts (if any) then due and which will become due on the Tax Redemption Date as a result of the redemption or otherwise (subject to the right of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date and Additional Amounts (if any) in respect thereof), if on the next date on which any amount would be payable in respect of the Notes, the Issuers have or would be required to pay Additional Amounts, and the Issuers cannot avoid any such payment obligation taking reasonable measures available to them, as a result of:

(1) any change in, or amendment to, the laws or treaties (or any regulations, or rulings promulgated thereunder) of the relevant Tax Jurisdiction affecting taxation which change or amendment has not been publicly announced as formally adopted and which becomes effective on or after the Issue Date (or, if the relevant Tax Jurisdiction has changed since the Issue Date, the date on which the then current Tax Jurisdiction became the applicable Tax Jurisdiction under this Indenture); or

(2) any change in, or amendment to, the existing official position or the introduction of an official position regarding the application, administration or interpretation of such laws, treaties, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction or a change in published practice), which change, amendment, application or interpretation has not been publicly announced as formally adopted and becomes effective on or after the Issue Date (or, if the relevant Tax Jurisdiction has changed since the Issue Date, the date on which the then current Tax Jurisdiction became the applicable Tax Jurisdiction under this Indenture).

The Issuers will not give any such notice of redemption earlier than 90 days prior to the earliest date on which the Issuers would be obligated to make such payment or withholding if a payment in respect of the Notes were then due. Prior to the publication or, where relevant, mailing of any notice of redemption of the Notes pursuant to the foregoing, the Issuers will deliver the Trustee an opinion of counsel, the choice of such counsel to be subject to the prior written approval of the Trustee (such approval not to be unreasonably withheld) to the effect that there has been such change or amendment which would entitle the Issuers to redeem the Notes hereunder and the Issuers cannot avoid any obligation to pay Additional Amounts taking reasonable measures available.

## **ARTICLE 4.**
## COVENANTS

Section 4.01 *Payment of Notes*.

The Issuers will pay or cause to be paid the principal of, premium, if any, and interest and Liquidated Damages, if any, on, the Notes on the dates and in the manner provided in the Notes. The Issuers will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuers fail to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Issuers may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission will in any manner relieve the Issuers of their obligation to maintain an office or agency in the Borough of Manhattan, the City of New York for such purposes. The Issuers will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Issuers hereby designate the Corporate Trust Office of the Trustee as one such office or agency of the Issuers in accordance with Section 2.03 hereof.

Section 4.03 *Reports*.

In addition, following the consummation of the Exchange Offer contemplated by the Registration Rights Agreement, MagnaChip will file a copy of each of the reports referred to in clauses (1) and (2) above with the SEC for public availability within the time periods specified in the rules and regulations applicable to such reports (unless the SEC will not accept such a filing) and will post the reports on its website within those time periods. US LLC's reporting obligations with respect to clauses (1) and (2) above shall be deemed satisfied in the event the Issuers file such reports with the SEC on EDGAR and deliver a copy of such reports to the Trustee.

If, at any time after consummation of the Exchange Offer contemplated by the Registration Rights Agreement, MagnaChip is no longer subject to the periodic reporting requirements of the Exchange Act for any reason, MagnaChip will nevertheless continue filing the reports specified in the preceding paragraphs of this covenant with the SEC within the time periods specified above unless the SEC will not accept such a filing. MagnaChip will not take any action for the purpose of causing the SEC not to accept any such filings. If, notwithstanding the foregoing, the SEC will not accept MagnaChip's filings for any reason, MagnaChip will post the reports referred to in the preceding paragraphs on its website within the time periods that would apply if MagnaChip were required to file those reports with the SEC.

(b) In addition, MagnaChip and the Guarantors agree that, for so long as any Notes remain outstanding, if at any time they are not required to file with the SEC the reports required by the preceding paragraphs, they will furnish to the Holders of Notes and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of same shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuers' compliance with any of their covenants hereunder (as to the which the Trustee is entitled to rely exclusively on Officers' Certificates).

Section 4.04 *Compliance Certificate*.

(a) The Issuers and each Guarantor (to the extent that such Guarantor is so required under the TIA) shall deliver to the Trustee, within 90 days after the end of each fiscal year, an Officers' Certificate stating that a review of the activities of the Issuers and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officers with a view to determining whether the Issuers have kept, observed, performed and fulfilled its obligations under this Indenture, and further stating, as to each such Officer signing such certificate, that to the best of their knowledge the Issuers have kept, observed, performed and fulfilled each and every covenant contained in this Indenture and is not in default in the performance or observance of any of the terms, provisions and conditions of this Indenture (or, if a Default or Event of Default has occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Issuers are taking or propose to take with respect thereto) and that to the best of his or her knowledge no event has occurred and remains in existence by reason of which payments on account of the principal of or interest, if any, on the Notes is prohibited or if such event has occurred, a description of the event and what action the Issuers are taking or propose to take with respect thereto.

(c) So long as any of the Notes are outstanding, the Issuers will deliver to the Trustee, forthwith upon any Officer becoming aware of any Default or Event of Default, an Officers' Certificate specifying such Default or Event of Default and what action the Issuers are taking or propose to take with respect thereto.

Section 4.05 *Taxes*.

The Issuers will pay, and will cause each of their Subsidiaries and MagnaChip Semiconductor LLC to pay, prior to delinquency, all material taxes, assessments, and governmental levies except such as are contested in good faith and by appropriate proceedings or where the failure to effect such payment is not adverse in any material respect to the Holders of the Notes.

Section 4.06 *Stay, Extension and Usury Laws*.

The Issuers and each of the Guarantors covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Issuers and each of the Guarantors (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and covenants that they will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law has been enacted.

(1) no Default or Event of Default has occurred and is continuing or would occur as a consequence of such Restricted Payment;

(2) MagnaChip would, at the time of such Restricted Payment and after giving pro forma effect thereto as if such Restricted Payment had been made at the beginning of the applicable four-quarter period, have been permitted to incur at least $1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.09(a) hereof; and

(3) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by MagnaChip and its Restricted Subsidiaries since the Issue Date (excluding Restricted Payments permitted by clauses (2), (5), (6), (8), (9), (10) and (11) of paragraph (b) of this Section 4.07), is less than the sum, without duplication of:

(D) to the extent that any Unrestricted Subsidiary of MagnaChip designated as such after the Issue Date is redesignated as a Restricted Subsidiary after the Issue Date, the lesser of (i) the Fair Market Value of MagnaChip's Investment in such Subsidiary as of the date of such redesignation or (ii) such Fair Market Value as of the date on which such Subsidiary was originally designated as an Unrestricted Subsidiary after the Issue Date; *plus*

(E) 100% of any dividends received by MagnaChip or a Restricted Subsidiary of MagnaChip after the Issue Date from an Unrestricted Subsidiary of US LLC, to the extent that such dividends were not otherwise included in the Consolidated Net Income of US LLC for such period.

(b) The provisions of Section 4.07(a) hereof will not prohibit:

(1) the payment of any dividend or the consummation of any irrevocable redemption within 60 days after the date of declaration of the dividend or giving of the redemption notice, as the case may be, if at the date of declaration or notice, the dividend or redemption payment would have complied with the provisions of this Indenture;

(2) dividends or advances made with the proceeds of the Notes to any direct or indirect parent of MagnaChip, the proceeds of which are used by such Person to redeem its preferred equity interests as described in the offering memorandum and made within 90 days of the Issue Date; *provided*, that such dividends or advances shall be excluded from the calculation of the amount of Restricted Payments;

(3) upon the occurrence of a Change of Control and within 60 days after the completion of the offer to repurchase the Notes pursuant to Section 4.15 hereof, any purchase or redemption of Subordinated Obligations required pursuant to the terms thereof as a result of such Change of Control at a purchase or redemption price not to exceed the outstanding principal amount thereof, *plus* any accrued and unpaid interest; *provided, however*, that (A) at the time of such purchase or redemption no Event of Default shall have occurred and be continuing (or would result therefrom); (B) MagnaChip would be able to incur an additional $1.00 of Indebtedness pursuant to Section 4.09(a) hereof after giving pro forma effect to such Restricted Payment and the Change of Control; and (C) such purchase or redemption shall be included in the calculation of the amount of Restricted Payments;

(4) any purchase or redemption of Disqualified Stock of MagnaChip or a Restricted Subsidiary made by exchange for, or out of the proceeds of the substantially concurrent sale of, Disqualified Stock of MagnaChip or a Restricted Subsidiary which is permitted to be incurred pursuant to Section 4.09 hereof; *provided, however*, that such purchase or redemption shall be excluded in the calculation of the amount of Restricted Payments;

(5) the making of any Restricted Payment in exchange for, or out of the net cash proceeds of the substantially concurrent sale (other than to a Subsidiary of MagnaChip) of, Equity Interests of MagnaChip (other than Disqualified Stock) or from the substantially concurrent contribution of common equity capital to MagnaChip; *provided* that the amount of any such net cash proceeds that are utilized for any such Restricted Payment will be excluded from clause (3)(B) of the first paragraph of Section 4.07(a);

(6) the repurchase, redemption, defeasance or other acquisition or retirement for value of Indebtedness of MagnaChip or any Restricted Subsidiary that is contractually subordinated to the Notes or to any Note Guarantee with the net cash proceeds from a substantially concurrent incurrence of Permitted Refinancing Indebtedness;

(7) payments to fund the repurchase, redemption or other acquisition or retirement for value of any Equity Interests of MagnaChip, any Restricted Subsidiary of MagnaChip, or any direct or indirect parent of MagnaChip held by any current or former officer, director or employee of MagnaChip or any of its Restricted Subsidiaries or any direct or indirect Parent of MagnaChip pursuant to any equity subscription agreement, stock option agreement, shareholders' agreement or similar agreement; *provided* that the aggregate price paid for all such repurchased, redeemed,

acquired or retired Equity Interests may not exceed $7,000,000 *plus* the amount of cash proceeds from any key man life insurance; *provided*, *further*, that such amount may be increased by an amount not to exceed the cash proceeds from the sale of Equity Interests of MagnaChip and, to the extent contributed to MagnaChip, Equity Interests of any of MagnaChip's direct or indirect parent corporations, in each case to current or former members of management, directors, managers or consultants of MagnaChip, any of its Subsidiaries or any of its direct or indirect parent corporations that occurs after the Issue Date, to the extent the cash proceeds from the sale of such Equity Interests have not otherwise been applied to the payment of Restricted Payments by virtue of clause (3)(B) of the first paragraph of Section 4.07(a);

(8) the repurchase of Equity Interests deemed to occur upon the exercise of stock options to the extent such Equity Interests represent a portion of the exercise price of those stock options;

(9) the declaration and payment of regularly scheduled or accrued dividends to holders of any class or series of Disqualified Stock of MagnaChip or any Restricted Subsidiary issued on or after the Issue Date in accordance with the Fixed Charge Coverage Ratio test set forth in Section 4.09(a) hereof;

(10) any purchase or redemption of Subordinated Obligations from Net Proceeds upon completion of an Asset Sale Offer; *provided, however*, that the purchase or redemption shall be excluded in the calculation of the amount of Restricted Payments; *provided*, *further*, that MagnaChip could, on the date of such transaction after giving pro forma effect thereto as if the same had occurred at the beginning of the applicable four-quarter period, be permitted to incur at least $1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.09(a) hereof;

(11) Permitted Tax Payments;

(12) the repurchase of, or payments in lieu of, fractional shares of Equity Interests in an amount not to exceed $200,000 in the aggregate; and

(13) other Restricted Payments in an aggregate amount not to exceed $15.0 million since the Issue Date.

The amount of all Restricted Payments (other than cash) will be the Fair Market Value on the date of the Restricted Payment of the asset(s) or securities proposed to be transferred or issued by MagnaChip or such Restricted Subsidiary, as the case may be, pursuant to the Restricted Payment. The Fair Market Value of any assets or securities that are required to be valued by this Section 4.07 will be determined by the Board of Directors of MagnaChip whose resolution with respect thereto will be delivered to the Trustee. For purposes of determining compliance with this Section 4.07, in the event that a Restricted Payment meets the criteria of more than one of the exceptions described in (1) through (13) above or is entitled to be made pursuant to Section 4.07(a), MagnaChip shall be permitted, in its sole discretion to classify (but not later reclassify) such Restricted Payment in any manner that complies with this Section 4.07.

Section 4.08 *Dividend and Other Payment Restrictions Affecting Subsidiaries.*

(a) MagnaChip will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create or permit to exist or become effective any consensual encumbrance or restriction on the ability of any Restricted Subsidiary to:

(1) pay dividends or make any other distributions on its Capital Stock to MagnaChip or any of its Restricted Subsidiaries, or with respect to any other interest or participation in, or measured by, its profits, or pay any indebtedness owed to MagnaChip or any of its Restricted Subsidiaries;

(2) make loans or advances to MagnaChip or any of its Restricted Subsidiaries; or

(3) sell, lease or transfer any of its properties or assets to MagnaChip or any of its Restricted Subsidiaries.

(b) The restrictions in Section 4.08(a) hereof will not apply to encumbrances or restrictions existing under or by reason of:

(1) agreements governing Existing Indebtedness and any other agreements, including the Senior Credit Agreement, as in effect on the Issue Date and any amendments, restatements, modifications, renewals, increases, supplements, refundings, replacements or refinancings of those agreements; *provided* that the amendments, restatements, modifications, renewals, increases, supplements, refundings, replacements or refinancings are not materially more restrictive, taken as a whole, with respect to such dividend and other payment restrictions than those contained in those agreements on the Issue Date;

(2) this Indenture, the Notes and the Note Guarantees, the Second Priority Notes, and the intercreditor agreement and security documents with respect to the Second Priority Notes;

(3) applicable law, rule, regulation or order;

(4) any instrument governing Indebtedness or Capital Stock of a Person acquired by MagnaChip or any of its Restricted Subsidiaries as in effect at the time of such acquisition (except to the extent such Indebtedness or Capital Stock was incurred in connection with or in contemplation of such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired; *provided* that, in the case of Indebtedness, such Indebtedness was permitted by the terms of this Indenture to be incurred;

(5) customary non-assignment provisions in contracts and licenses entered into in the ordinary course of business;

(6) purchase money obligations for property acquired in the ordinary course of business and Capital Lease Obligations that impose restrictions on the property purchased or leased of the nature described in clause (3) of Section 4.08(a);

(7) any agreement for the sale or other disposition of a Restricted Subsidiary that restricts distributions by that Restricted Subsidiary pending the sale or other disposition;

(8) Permitted Refinancing Indebtedness; *provided* that the restrictions contained in the agreements governing such Permitted Refinancing Indebtedness are not materially more restrictive, taken as a whole, than those contained in the agreements governing the Indebtedness being refinanced;

(9) restrictions contained in security agreements or mortgages securing Indebtedness of a Restricted Subsidiary permitted to be incurred under this Indenture so long as the restrictions solely restrict the transfer of the property governed by the security agreements or mortgages;

(10) Liens permitted to be incurred under the provisions of Section 4.12 hereof that limit the right of the debtor to dispose of the assets subject to such Liens;

(11) provisions limiting the disposition or distribution of assets or property in joint venture agreements, asset sale agreements, sale-leaseback agreements, stock sale agreements and other similar agreements entered into with the approval of MagnaChip's Board of Directors, which limitation is applicable only to the assets that are the subject of such agreements;

(12) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business; and

(13) any restriction in any agreement that is not more restrictive than the restrictions under the terms of the Senior Credit Agreement as in effect on the Issue Date.

Section 4.09 *Incurrence of Indebtedness and Issuance of Preferred Stock.*

(a) MagnaChip will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise, with respect to (collectively, "*incur*") any Indebtedness (including Acquired Debt), and MagnaChip and US LLC will not issue any Disqualified Stock and will not permit any of its Restricted Subsidiaries (other than US LLC) to issue any shares of preferred stock; *provided, however*, that MagnaChip and US LLC may incur Indebtedness (including Acquired Debt) or issue Disqualified Stock, and the Restricted Subsidiaries may incur Indebtedness (including Acquired Debt) or issue preferred stock, if the Fixed Charge Coverage Ratio for US LLC's most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or such Disqualified Stock or such preferred stock is issued, as the case may be, would have been at least 2.0 to 1, determined on a pro forma basis (including a pro forma application of the net proceeds therefrom), as if the additional Indebtedness had been incurred or the Disqualified Stock or the preferred stock had been issued, as the case may be, at the beginning of such four-quarter period.

(b) The provisions of Section 4.09(a) hereof will not prohibit the incurrence of any of the following items of Indebtedness (collectively, "*Permitted Debt*"):

(1) the incurrence by MagnaChip and any Restricted Subsidiary of additional revolving credit Indebtedness and letters of credit under Credit Facilities in an aggregate principal amount at any one time outstanding under this clause (1) (with letters of credit being deemed to have a principal amount equal to the maximum potential liability of MagnaChip and its Restricted Subsidiaries thereunder) not to exceed the greater of (x) $100.0 million or (y) as of the date of the incurrence, the aggregate of (i) 85% of the book value, net of reserves, of all accounts receivable owned by MagnaChip and its Restricted Subsidiaries, as shown on US LLC's most recent consolidated balance sheet prepared in accordance with GAAP, as of the end of the most recent fiscal quarter preceding such date, *plus* (ii) 50% of the book value of all inventory, net of reserves, owned by MagnaChip and its Restricted Subsidiaries, as shown on US LLC's most recent consolidated balance sheet prepared in accordance with GAAP, as of the end of the most recent fiscal quarter preceding such date, *plus* (iii) $20.0 million; *less* the aggregate amount of all Net Proceeds of Asset Sales applied by MagnaChip or any of the Restricted Subsidiaries after the

Issue Date to repay any term Indebtedness under a Credit Facility or to repay any revolving credit Indebtedness under a Credit Facility and effect a corresponding commitment reduction thereunder, in each case as to Indebtedness incurred under this clause (1) of the definition of Permitted Debt and as to Net Proceeds applied pursuant to Section 4.10(b)(1) hereof;

(2) the incurrence by MagnaChip and any Restricted Subsidiary of up to $100.0 million under one or more debt facilities or commercial paper facilities, in each case, with banks or other institutional lenders providing for revolving credit loans, term loans, receivables financing (including through the sale of receivables to such lenders or to special purpose entities formed to borrow from such lenders against such receivables) or letters of credit, in each case, as amended, restated, modified, renewed, refunded, replaced (whether upon or after termination or otherwise) or refinanced (but not including by means of sales of debt securities to institutional investors) in whole or in part from time to time; *less* the aggregate amount of all Net Proceeds of Asset Sales applied by MagnaChip or any of the Restricted Subsidiaries after the Issue Date to repay any term Indebtedness under debt facilities or commercial paper facilities or to repay any revolving credit Indebtedness under a Credit Facility and effect a corresponding commitment reduction thereunder, in each case as to Indebtedness incurred under this clause (2) of the definition of Permitted Debt and as to Net Proceeds applied pursuant to Section 4.10(b)(1) hereof;

(3) the incurrence by MagnaChip and its Restricted Subsidiaries of the Existing Indebtedness;

(4) the incurrence on the Issue Date by MagnaChip and the Restricted Subsidiaries of

(A) Indebtedness represented by the Notes and this Indenture and guarantees thereof by the Guarantors and the related Exchange Notes to be issued pursuant to the Registration Rights Agreement; and

(B) Indebtedness represented by the Second Priority Notes and the Second Priority Notes Indenture and guarantees thereof by MagnaChip's Restricted Subsidiaries and the related exchange notes to be issued pursuant to the registration rights agreement with respect to the Second Priority Notes;

(5) the incurrence by MagnaChip or any of its Restricted Subsidiaries of Indebtedness represented by Capital Lease Obligations, mortgage financings or purchase money obligations, in each case, incurred for the purpose of financing all or any part of the purchase price or cost of design, construction, installation or improvement of property (real or personal), plant or equipment used in the business of MagnaChip or any of its Restricted Subsidiaries (whether through the direct purchase of assets or the Equity interests of any Person owning such assets), in an aggregate principal amount, including all Permitted Refinancing Indebtedness incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness incurred pursuant to this clause (5), not to exceed the greater of (a) $25.0 million at any time outstanding and (b) 5% of Total Assets as shown on US LLC's most recent consolidated balance sheet prepared in accordance with GAAP;

(6) the incurrence by MagnaChip or any of its Restricted Subsidiaries of Permitted Refinancing Indebtedness in exchange for, or the net proceeds of which are used to renew, refund, refinance, replace, defease or discharge any Indebtedness (other than intercompany Indebtedness) that was permitted by this Indenture to be incurred under Section 4.09(a) or clauses (3), (4), (5), (6) or (14) of this Section 4.09(b);

(7) the incurrence by MagnaChip or any of its Restricted Subsidiaries of intercompany Indebtedness between or among MagnaChip and any of its Restricted Subsidiaries; *provided, however*, that:

(A) if MagnaChip or any Restricted Subsidiary is the obligor on such Indebtedness and the payee is not MagnaChip or a Restricted Subsidiary, such Indebtedness must be expressly subordinated to the prior payment in full in cash of all Obligations then due with respect to the Notes, in the case of MagnaChip, or the Note Guarantee, in the case of a Guarantor; and

(B) (1) any subsequent issuance or transfer of Equity Interests that results in any such Indebtedness being held by a Person other than MagnaChip or a Restricted Subsidiary of MagnaChip and (2) any sale or other transfer of any such Indebtedness to a Person that is not either MagnaChip or a Restricted Subsidiary of MagnaChip, will be deemed, in each case, to constitute an incurrence of such Indebtedness by MagnaChip or such Restricted Subsidiary, as the case may be, that was not permitted by this clause (7);

(8) the issuance by any Restricted Subsidiary to MagnaChip or to any other Restricted Subsidiary of shares of preferred stock; *provided, however*, that:

(A) any subsequent issuance or transfer of Equity Interests that results in any such preferred stock being held by a Person other than MagnaChip or a Restricted Subsidiary; and

(B) any sale or other transfer of any such preferred stock to a Person that is not either MagnaChip or a Restricted Subsidiary,

will be deemed, in each case, to constitute an issuance of such preferred stock by such Restricted Subsidiary that was not permitted by this clause (8);

(9) the incurrence by MagnaChip or any Restricted Subsidiaries of Hedging Obligations in the ordinary course of business;

(10) the guarantee by MagnaChip or any Restricted Subsidiary of Indebtedness of MagnaChip or a Restricted Subsidiary that was permitted to be incurred by another provision of this Section 4.09; *provided* that if the Indebtedness being guaranteed is subordinated to or *pari passu* with the Notes, then the Guarantee shall be subordinated or *pari passu*, as applicable, to the same extent as the Indebtedness guaranteed;

(11) the incurrence of Indebtedness by MagnaChip or any of its Restricted Subsidiaries in the form of performance bonds, completion guarantees and surety or appeal bonds entered into by MagnaChip or any of its Restricted Subsidiaries in the ordinary course of their business;

(12) the incurrence of Indebtedness by MagnaChip or any of its Restricted Subsidiaries owed to any Person in connection with worker's compensation, self-insurance, health, disability or other employee benefits or property, casualty or liability insurance provided by such Person to MagnaChip or such Restricted Subsidiary, pursuant to reimbursement or indemnification obligations to such person, in each case incurred in the ordinary course of business;

(13) the incurrence by MagnaChip or any of the Restricted Subsidiaries of Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently drawn against insufficient funds, so long as such Indebtedness is covered within five business days;

(14) Indebtedness of MagnaChip or any Restricted Subsidiary issued to any of its directors, employees, officers or consultants or a Restricted Subsidiary in connection with the redemption or purchase of Capital Stock that, by its terms, is subordinated to the Notes, is not secured by any of the assets of MagnaChip or the Restricted Subsidiaries and does not require cash payments prior to the Stated Maturity of the Notes and Refinancing Indebtedness of the Indebtedness, in an aggregate principal amount which, when added with the amount of Indebtedness Incurred under this clause (14) and then outstanding, does not exceed $5.0 million;

(15) the incurrence by MagnaChip or any of the Restricted Subsidiaries of additional Indebtedness in an aggregate principal amount (or accreted value, as applicable) at any time outstanding, including all Permitted Refinancing Indebtedness incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness incurred pursuant to this clause (15), not to exceed $25.0 million;

(16) the incurrence of Indebtedness by MagnaChip or any of the Restricted Subsidiaries arising from agreements of MagnaChip or any of the Restricted Subsidiaries providing for adjustment of purchase price or other similar obligations, in each case, incurred or assumed in connection with the acquisition or disposition of any business, assets or a Restricted Subsidiary of MagnaChip LLC;

(17) Indebtedness of a Restricted Subsidiary organized outside the United States or Korea incurred to finance the working capital of such Restricted Subsidiary, in an aggregate principal amount at any time outstanding not to exceed $30.0 million; and

(18) Indebtedness incurred by MagnaChip or any of the Restricted Subsidiaries constituting reimbursement obligations under letters of credit issued in the ordinary course of business, including, without limitation, letters of credit to procure raw materials or relating to workers' compensation claims or self-insurance, or other Indebtedness relating to reimbursement-type obligations regarding workers' compensation claims.

MagnaChip will not incur, and will not permit any Guarantor to incur, any Indebtedness (including Permitted Debt) that is contractually subordinated in right of payment to any other Indebtedness of MagnaChip or such Guarantor unless such Indebtedness is also contractually subordinated in right of payment to the Notes and the applicable Note Guarantee on substantially identical terms; *provided, however*, that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of MagnaChip solely by virtue of being unsecured or by virtue of being secured on a first or junior Lien basis.

(c) For purposes of determining compliance with this Section 4.09, in the event that an item of proposed Indebtedness (or any portion thereof) meets the criteria of more than one of the categories of Permitted Debt described in clauses (1) through (18) above, or is entitled to be incurred pursuant to Section 4.09(a), MagnaChip, in its sole discretion, will be permitted to classify such item of Indebtedness (or any portion thereof) on the date of its incurrence, or later reclassify all or a portion of such item of Indebtedness, in any manner that complies with this Section 4.09 and will only be required to include the amount and type of such Indebtedness in one of the above clauses. The accrual of interest, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of

additional Indebtedness with the same terms, the reclassification of preferred stock as Indebtedness due to a change in accounting principles, and the payment of dividends on Disqualified Stock or preferred stock in the form of additional shares of the same class of Disqualified Stock or preferred stock, and the accrual of dividends on Disqualified Stock or preferred stock, will not be deemed to be an incurrence of Indebtedness or an issuance of Disqualified Stock or preferred stock for purposes of this Section 4.09; *provided*, in each such case, that the amount of any such accrual, accretion or payment is included in Fixed Charges of US LLC as accrued. Notwithstanding any other provision of this Section 4.09, the maximum amount of Indebtedness that MagnaChip or any Restricted Subsidiary may incur pursuant to this Section 4.09 shall not be deemed to be exceeded solely as a result of fluctuations in exchange rates or currency values.

(d) The amount of any Indebtedness outstanding as of any date will be:

(1) the accreted value of the Indebtedness, in the case of any Indebtedness issued with original issue discount;

(2) the principal amount of the Indebtedness, in the case of any other Indebtedness; and

(3) in respect of Indebtedness of another Person secured by a Lien on the assets of the specified Person, the lesser of:

(A) the Fair Market Value of such assets at the date of determination; and

(B) the amount of the Indebtedness of the other Person.

Section 4.10 *Asset Sales*.

(a) MagnaChip will not, and will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale unless:

(1) MagnaChip (or the Restricted Subsidiary, as the case may be) receives consideration at the time of the Asset Sale at least equal to the Fair Market Value of the assets or Equity Interests issued or sold or otherwise disposed of; and

(2) at least 75% of the consideration received in the Asset Sale by MagnaChip or such Restricted Subsidiary is in the form of cash or Cash Equivalents. For purposes of this provision, each of the following will be deemed to be cash:

(A) any liabilities, as shown on US LLC's most recent consolidated balance sheet, of MagnaChip or any Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes or any Note Guarantee) that are assumed by the transferee of any such assets pursuant to a customary arrangement that releases MagnaChip or such Restricted Subsidiary from further liability;

(B) any securities, notes or other obligations received by MagnaChip or any such Restricted Subsidiary from such transferee that are contemporaneously, subject to ordinary settlement periods, converted by MagnaChip or such Restricted Subsidiary into cash or Cash Equivalents, to the extent of the cash or Cash Equivalents received in that conversion; and

(C) any stock or assets of the kind referred to in Section 4.10(b)(2) or (4) hereof.

(b) Within 365 days after the receipt of any Net Proceeds from an Asset Sale, MagnaChip (or the applicable Restricted Subsidiary, as the case may be) may apply such Net Proceeds at its option:

(1) to repay Senior Debt and, if the Senior Debt repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto;

(2) to acquire all or substantially all of the assets of, or any Capital Stock of, a Person engaged in a Permitted Business, if, after giving effect to any such acquisition of Capital Stock, the Permitted Business is or becomes a Restricted Subsidiary of US LLC;

(3) to make a capital expenditure;

(4) to acquire other assets that are not classified as current assets under GAAP and that are used or useful in a Permitted Business; or

(5) any combination of (1) – (4) of this Section 4.10(b).

In the case of clauses (2) and (4) MagnaChip will also comply with its obligations above if it enters into a binding commitment to acquire such assets or Capital Stock within the required time frame above, provided that such binding commitment shall be subject only to customary conditions and such acquisition shall be consummated within six months from the date of signing such binding commitment. Pending the final application of any Net Proceeds pursuant to this paragraph, MagnaChip and the Restricted Subsidiaries may apply such Net Proceeds to temporarily reduce Indebtedness outstanding under a revolving credit facility or otherwise invest such Net Proceeds in any manner that is not prohibited by this Indenture.

(c) Any Net Proceeds from Asset Sales that are not applied or invested as provided in the second and third paragraphs of this Section 4.10 will constitute "*Excess Proceeds*." When the aggregate amount of Excess Proceeds exceeds $10 million, within 30 days thereof, MagnaChip will make an Asset Sale Offer to all holders of Notes and all holders of other Indebtedness that is *pari passu* with the Notes containing provisions similar to those set forth in this Indenture with respect to offers to purchase or redeem with the proceeds of sales of assets to purchase the maximum principal amount of Notes and such other *pari passu* Indebtedness that may be purchased out of the Excess Proceeds. The offer price in any Asset Sale Offer will be equal to 100% of the principal amount *plus* accrued and unpaid interest and Liquidated Damages, if any, to the date of purchase (or, in respect of such other *pari passu* Indebtedness of MagnaChip, such lesser price, if any, as may be provided for by the terms of such *pari passu* Indebtedness), and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, MagnaChip may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes and other *pari passu* Indebtedness tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee will select the Notes and such other *pari passu* Indebtedness to be purchased on a pro rata basis. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero.

(d) MagnaChip will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with each repurchase of Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of Section 3.09 hereof or this section 4.10, MagnaChip will comply with the Asset Sale provisions of this Indenture, MagnaChip will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under Section 3.09 hereof or this Section 4.10 by virtue of such compliance.

Section 4.11 *Transactions with Affiliates.*

(a) MagnaChip will not, and will not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of MagnaChip (each, an "*Affiliate Transaction*"), unless:

(1) the Affiliate Transaction is on terms that are no less favorable to MagnaChip or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by MagnaChip or such Restricted Subsidiary with an unrelated Person; and

(2) MagnaChip delivers to the Trustee:

(A) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of $10.0 million, a resolution of the Board of Directors of MagnaChip set forth in an Officers' Certificate certifying that such Affiliate Transaction complies with this Section 4.11(a) and that such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors of MagnaChip; and

(B) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of $20.0 million, an opinion by (A) a nationally recognized investment banking firm that such Affiliate Transaction is fair, from a financial standpoint, to MagnaChip and the Restricted Subsidiaries or (B) an accounting or appraisal firm nationally recognized in making determinations of this kind that such Affiliate Transaction is on terms that are not less favorable to MagnaChip and the Restricted Subsidiaries than the terms that could be obtained in an arms-length transaction from a Person that is not an Affiliate.

(b) The following items will not be deemed to be Affiliate Transactions and, therefore, will not be subject to the provisions of Section 4.11(a) hereof:

(1) any employment agreement, employee benefit plan, stock options, stock ownership plans, officer or director indemnification agreement or any similar arrangement entered into by MagnaChip or any of its Restricted Subsidiaries in the ordinary course of business and payments pursuant thereto;

(2) transactions between or among MagnaChip and/or the Restricted Subsidiaries;

(3) transactions with a Person (other than an Unrestricted Subsidiary of MagnaChip) that is an Affiliate of MagnaChip solely because MagnaChip owns, directly or through a Restricted Subsidiary, an Equity Interest in, or controls, such Person;

(4) payment of reasonable directors' fees;

(5) any issuance of Equity Interests (other than Disqualified Stock) of US LLC or any of its Subsidiaries to Affiliates of such Person;

(6) Restricted Payments that do not violate Section 4.07 hereof;

(7) transactions pursuant to any contract or agreement with MagnaChip or any of the Restricted Subsidiaries in effect on the Issue Date, as the same may be amended, modified or replaced from time to time so long as any such amendment, modification or replacement is not less favorable in any material respect to MagnaChip and the Restricted Subsidiaries than the original agreement as in effect on the Issue Date;

(8) the Note Guarantees;

(9) transactions pursuant to or under the Securityholders' Agreement, The MagnaChip LLC Equity Incentive Plan, the Restricted Unit Agreements or Option Agreements as in effect on the Issue Date or any similar agreement or any amendment, modification or replacement of the Securityholders' Agreement, The MagnaChip LLC Equity Incentive Plan, the Restricted Unit Agreements or the Option Agreements or similar agreement; provided that the terms of such amendment, modification or replacement are not more disadvantageous to the holders of the Notes in any material respect than the terms contained in the Securityholders' Agreement, The MagnaChip LLC Equity Incentive Plan, the Restricted Unit Agreements or the Option Agreements, as the case may be, as in effect on the Issue Date;

(10) the payment of management, consulting and advisory fees and related expenses made pursuant to the Advisory Agreements and the payment of other customary management, consulting and advisory fees and related expenses to the Principals and any of their respective Affiliates in connection with transactions of US LLC or its Subsidiaries or pursuant to any management, consulting, financial advisory, financing, underwriting or placement agreement or in respect of other investment banking activities, including in connection with acquisitions or divestitures, which fees and expenses are made pursuant to arrangements approved by the Board of Directors of US LLC or such Subsidiary in good faith;

(11) the provision by an Affiliate of commercial banking or lending services or other similar services on terms that are no less favorable to MagnaChip or the relevant Restricted Subsidiary than those that would have been obtained by an unaffiliated party and that are approved in good faith by the Board of Directors;

(12) loans or advances to employees, directors, officers or consultants (i) in the ordinary course of business or (ii) otherwise not to exceed $5.0 million in the aggregate at any one time outstanding; and

(13) Permitted Tax Payments.

Section 4.12 *Liens.*

MagnaChip will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly create, incur, assume or suffer to exist any Lien of any kind on any asset now owned or hereafter acquired, except Permitted Liens.

Section 4.13 *Business Activities.*

MagnaChip will not, and will not permit any of its Restricted Subsidiaries to, engage in any business other than Permitted Businesses, except to such extent as would not be material to MagnaChip and its Restricted Subsidiaries taken as a whole.

Section 4.14 *Corporate Existence.*

Subject to Article 5 hereof, the Issuers shall do or cause to be done all things necessary to preserve and keep in full force and effect:

(1) its corporate existence, and the corporate, partnership or other existence of each of, MagnaChip Semiconductor LLC and its Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Issuers or any such Subsidiary; and

(2) the rights (charter and statutory), licenses and franchises of the Issuers and its Subsidiaries; *provided, however,* that the Issuers shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of, MagnaChip Semiconductor LLC and its Subsidiaries, if the Board of Directors shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Issuers, MagnaChip Semiconductor LLC and its Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders of the Notes.

Section 4.15 *Offer to Repurchase Upon Change of Control.*

(a) If a Change of Control occurs, the Issuers will make an offer (a *"Change of Control Offer"*) to each Holder to repurchase all or any part (equal to $1,000 or an integral multiple of $1,000 in excess of $1,000) of that Holder's Notes at a purchase price in cash equal to 101% of the aggregate principal amount of Notes repurchased *plus* accrued and unpaid interest and Liquidated Damages, if any, on the Notes repurchased to the date of purchase, subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date (the *"Change of Control Payment"*). Within 30 days following any Change of Control, the Issuers will mail a notice to each Holder describing the transaction or transactions that constitute the Change of Control and stating:

(1) that the Change of Control Offer is being made pursuant to this Section 4.15 and that all Notes tendered will be accepted for payment;

(2) the purchase price and the purchase date, which shall be no earlier than 30 days and no later than 60 days from the date such notice is mailed (the *"Change of Control Payment Date"*);

(3) that any Note not tendered will continue to accrue interest;

(4) that, unless the Issuers defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest and Liquidated Damages after the Change of Control Payment Date;

(5) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender the Notes, with the form entitled "Option of Holder to Elect Purchase" attached to the Notes completed, or transfer by book-entry transfer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(6) that Holders will be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is withdrawing his election to have the Notes purchased; and

(7) that Holders whose Notes are being purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered, which unpurchased portion must be equal to $1,000 in principal amount or an integral multiple thereof.

The Issuers will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change in Control. To the extent that the provisions of any securities laws or regulations conflict with the provisions of Sections 3.09 or 4.15 hereof, the Issuers will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under Section 3.09 hereof or this Section 4.15 by virtue of such compliance.

(b) On the Change of Control Payment Date, the Issuers will, to the extent lawful:

(1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Issuers.

The Paying Agent will promptly mail to each Holder of Notes properly tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any. MagnaChip will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

(c) Prior to complying with any of the provisions of this Section 4.15, but in any event within 90 days following a Change of Control, the Issuers will either repay all outstanding Senior Debt or obtain the requisite consents, if any, under all agreements governing outstanding Senior Debt to permit the repurchase of Notes required by this Section 4.15.

(d) Notwithstanding anything to the contrary in this Section 4.15, the Issuers will not be required to make a Change of Control Offer upon a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.15 and Section 3.09 hereof and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer, or (2) notice of redemption has been given pursuant to Section 3.07 hereof, unless and until there is a default in payment of the applicable redemption price.

Section 4.16 *Additional Amounts.*

(a) All payments made by the Issuers under or with respect to the Notes or any of the Guarantors on its Guarantee will be made without withholding or deduction for, or on account of, any present or future Taxes unless the withholding or deduction of such Taxes is then required by law. If any deduction or withholding for, or on account of, any Taxes imposed or levied by or on behalf of any

jurisdiction in which the Issuers or any Guarantor (including any successor entity), is then incorporated, engaged in business or resident for tax purposes or any political subdivision thereof or therein or any jurisdiction by or through which payment is made (each, a "*Tax Jurisdiction*"), will at any time be required to be made from or Taxes imposed directly on any Holder or beneficial owner of the Notes on any payments made by the Issuers under or with respect to the Notes or any of the Guarantors with respect to any Guarantee, including payments of principal, redemption price, purchase price, interest or premium, the Issuers or the relevant Guarantor, as applicable, will pay such additional amounts (the "*Additional Amounts*") as may be necessary in order that the net amounts received in respect of such payments by each Holder (including Additional Amounts) after such withholding or deduction will equal the respective amounts which would have been received in respect of such payments in the absence of such withholding, deduction or imposition; *provided, however*, that no Additional Amounts will be payable with respect to:

(1) any Tax imposed by the United States or by any political subdivision or taxing authority thereof or therein;

(2) any Taxes which would not have been imposed but for any present or former connection between the Holder or the beneficial owner of the Notes, such as being a citizen or resident or national of, incorporated in or carrying on a business, and the relevant Taxing Jurisdiction in which such Taxes are imposed (other than by the mere holding of such note or enforcement of rights thereunder or the receipt of payments in respect thereof) or any other connection arising as a result of the holding of the Notes;

(3) any Taxes that are imposed or withheld as a result of the failure of the Holder or beneficial owner of the Notes to comply with any written request, made to that Holder or beneficial owner in writing at least 30 days before any such withholding or deduction would be payable, by the Issuers or any of the Guarantors or any other Person through whom payment may be made to provide timely or accurate information concerning the nationality, residence or identity of such Holder or beneficial owner or to make any valid or timely declaration or similar claim or satisfy any certification information or other reporting requirement, which is required or imposed by a statute, treaty, regulation or administrative practice of the relevant Tax Jurisdiction as a precondition to exemption from all or part of such Taxes;

(4) any Note presented for payment (where a Note is in the form of a definitive Note and presentation is required) more than 30 days after the relevant payment is first made available for payment to the Holder (except to the extent that the Holder would have been entitled to Additional Amounts had the note been presented on the last day of such 30 day period);

(5) any estate, inheritance, gift, sale, transfer, personal property or similar tax or assessment;

(6) any Taxes withheld, deducted or imposed on a payment to an individual and which are required to be made pursuant to European Council Directive 2003/48/EC or any other directive implementing the conclusions of the ECOFIN Council meeting of 26 and 27 November 2000 on the taxation of savings income or any law implementing or complying with or introduced in order to conform to, such Directive; or

(7) any combination of items (1) through (6) above.

(b) The Issuers and the Guarantors will also pay and indemnify the holder for any present or future stamp, issue, registration, transfer, court or documentary taxes, or any other excise or property

taxes, charges or similar levies or Taxes which are levied by any jurisdiction in which the Issuers or any Guarantor (including any successor entity) is then incorporated, engaged in business or resident for tax purposes or any political subdivision thereof or therein on the execution, delivery, registration or enforcement of any of the Notes, this Indenture, any Guarantee, or any other document or instrument referred to therein, or the receipt of any payments with respect to the Notes or the Guarantees.

(c) If either Issuer or any Guarantor, as the case may be, becomes aware that it will be obligated to pay Additional Amounts with respect to any payment under or with respect to the Notes or any Guarantee, the relevant Issuer or the relevant Guarantor, as the case may be, will deliver to the Trustee on a date which is at least 30 days prior to the date of that payment (unless the obligation to pay Additional Amounts arises after the 30th day prior to that payment date, in which case the relevant Issuer or the relevant Guarantor shall notify the Trustee promptly thereafter) an Officers' Certificate stating the fact that Additional Amounts will be payable and the amount estimated to be so payable. The Officers' Certificate must also set forth any other information reasonably necessary to enable the Paying Agent to pay Additional Amounts to Holders on the relevant payment date. The relevant Issuer or the relevant Guarantor will provide the Trustee with documentation reasonably satisfactory to the Trustee evidencing the payment of Additional Amounts.

(d) The relevant Issuer or the relevant Guarantor will make all withholdings and deductions required by law and will remit the full amount deducted or withheld to the relevant Tax authority in accordance with applicable law. The relevant Issuer or the relevant Guarantor will use its reasonable efforts to obtain Tax receipts from each Tax authority evidencing the payment of any Taxes so deducted or withheld. The relevant Issuer or the relevant Guarantor will furnish to the Holders, within 60 days after the date the payment of any Taxes so deducted or withheld is made, certified copies of Tax receipts evidencing payment by the relevant Issuer or a Guarantor, as the case may be, or if, notwithstanding such entity's efforts to obtain receipts, receipts are not obtained, other evidence of payments by such entity.

(e) Whenever in this Indenture there is mentioned, in any context, the payment of amounts based upon the principal amount of the Notes or of principal, interest or of any other amount payable under, or with respect to, any of the Notes, such mention shall be deemed to include mention of the payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

Section 4.17 *[Reserved]*

Section 4.18 *[Reserved]*

Section 4.19 *Restriction on Activities of Finance Company.*

Finance Company will not hold any material assets, become liable for any material obligations or engage in any significant business activities; *provided*, that Finance Company may be a co-obligor or guarantor with respect to Indebtedness if MagnaChip is an obligor on such Indebtedness and the net proceeds of such Indebtedness are received by MagnaChip, Finance Company or one or more Restricted Subsidiaries.

Section 4.20 *Payments for Consent.*

MagnaChip will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any holder of Notes for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to be paid and is paid to all holders of the Notes that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement.

Section 4.21 *Additional Note Guarantees.*

If MagnaChip or any of its Restricted Subsidiaries acquires or creates another Subsidiary after the Issue Date, then that newly acquired or created Subsidiary will become a Guarantor and execute a supplemental indenture and deliver an opinion of counsel satisfactory to the Trustee within 10 business days of the date on which it was acquired or created; *provided* that any Subsidiary that constitutes an Immaterial Subsidiary need not become a Guarantor until such time as it ceases to be an Immaterial Subsidiary; *provided, further*, in the event MagnaChip or a Restricted Subsidiary forms or otherwise acquires, directly or indirectly, a Subsidiary organized under the laws of a jurisdiction other than the United States and such jurisdiction prohibits by law, regulation or order such Subsidiary from becoming a Guarantor, MagnaChip shall use all commercially reasonable efforts (including pursuing required waivers) over a period up to one year, to have such Subsidiary become a Guarantor; *provided, however*, that MagnaChip shall not be required to use such commercially reasonable efforts with respect to such Subsidiaries for more than a one-year period or such shorter period as it shall determine in good faith that it has used all commercially reasonable efforts and if MagnaChip or such Subsidiary is unable during such period to obtain an enforceable Guarantee in such jurisdiction, then such Subsidiary shall not be required to provide a Guarantee of the Notes pursuant to the Note Guarantee so long as such Subsidiary does not Guarantee any other Indebtedness of MagnaChip and its Restricted Subsidiaries. The form of such Note Guarantee is attached as Exhibit E hereto.

Section 4.22 *Designation of Restricted and Unrestricted Subsidiaries.*

The Board of Directors of MagnaChip may designate any Restricted Subsidiary to be an Unrestricted Subsidiary if that designation would not cause a Default; *provided* that in no event will the business currently operated by MagnaChip Semiconductor Ltd. be transferred to or held by an Unrestricted Subsidiary. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate Fair Market Value of all outstanding Investments owned by MagnaChip and its Restricted Subsidiaries in the Subsidiary designated as Unrestricted will be deemed to be an Investment made as of the time of the designation and will reduce the amount available for Restricted Payments under Section 4.07 hereof or under one or more clauses of the definition of Permitted Investments, as determined by MagnaChip. That designation will only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. The Board of Directors of MagnaChip may redesignate any Unrestricted Subsidiary to be a Restricted Subsidiary if that redesignation would not cause a Default.

Any designation of a Subsidiary of MagnaChip as an Unrestricted Subsidiary will be evidenced to the Trustee by filing with the Trustee a certified copy of a resolution of the Board of Directors giving effect to such designation and an Officers' Certificate certifying that such designation complied with the preceding conditions and was permitted by Section 4.07 hereof. If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture and any Indebtedness of such Subsidiary will be deemed to be incurred by a Restricted Subsidiary of MagnaChip as of such date and, if such Indebtedness is not permitted to be incurred as of such date under Section 4.09 hereof, MagnaChip will be in default of such Section. The Board of Directors of MagnaChip may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary of MagnaChip; *provided* that such designation will be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of MagnaChip of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if (1) such Indebtedness is permitted under Section 4.09 hereof, calculated on a pro forma basis as if such designation had occurred at the beginning of the four-quarter reference period; and (2) no Default or Event of Default would be in existence and be continuing following such designation.

Section 4.23 *No Layering of Debt.*

The Issuers will not incur, create, issue, assume, guarantee or otherwise become liable for any Indebtedness that is contractually subordinate or junior in right of payment to any Senior Debt of the Issuers and senior in right of payment to the Notes. No Guarantor will incur, create, issue, assume, guarantee or otherwise become liable for any Indebtedness that is contractually subordinate or junior in right of payment to the Senior Debt of such Guarantor and senior in right of payment to such Guarantor's Note Guarantee. No such Indebtedness will be considered to be senior by virtue of being secured on a first or junior priority basis.

**ARTICLE 5.**

Section 5.01 *Merger, Consolidation, or Sale of Assets.*

(a) MagnaChip will not, directly or indirectly: (1) consolidate or merge with or into another Person (whether or not MagnaChip is the surviving Person); or (2) sell, lease, assign, transfer, convey or otherwise dispose of all or substantially all of the properties or assets of MagnaChip and its Restricted Subsidiaries taken as a whole, in one or more related transactions, to another Person, unless:

(1) either: (A) MagnaChip is the surviving Person; or (B) the Person formed by or surviving any such consolidation or merger (if other than MagnaChip) or to which such sale, assignment, transfer, conveyance or other disposition has been made is a Person organized or existing under the laws of South Korea, Luxembourg, the Netherlands, Bermuda, the United States, any state of the United States or the District of Columbia;

(2) the Person formed by or surviving any such consolidation or merger (if other than MagnaChip) or the Person to which such sale, assignment, transfer, conveyance or other disposition has been made assumes all the obligations of MagnaChip under the Notes, this Indenture and the Registration Rights Agreement;

(3) immediately after such transaction, no Default or Event of Default shall have occurred and be continuing;

(4) MagnaChip or the Person formed by or surviving any such consolidation or merger (if other than MagnaChip), or to which such sale, assignment, transfer, conveyance or other disposition has been made would, on the date of such transaction after giving pro forma effect thereto and any related financing transactions as if the same had occurred at the beginning of the applicable four-quarter period, be permitted to incur at least $1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.09(a) hereof;

(5) if the merging corporation is organized and existing under the laws of South Korea and the Successor Company is organized and existing under the laws of the United States of America, any State thereof or the District of Columbia or if the merging corporation is organized and existing under the laws of the United States of America, any State thereof or the District of Columbia and the Successor Company is organized and existing under the laws of South Korea (any such event, a "*Foreign Jurisdiction Merger*"), MagnaChip shall have delivered to the Trustee an opinion of counsel that the holders of Notes will not recognize income, gain or

loss for U.S. federal income tax purposes as a result of the transaction and will be taxed in the same manner and on the same amounts and at the same times as would have been the case if the transaction had not occurred; and

(6) in the event of a Foreign Jurisdiction Merger, MagnaChip shall have delivered to the Trustee an opinion of counsel from South Korea or other applicable jurisdiction that (A) any payment of interest or principal under or relating to the Notes or the Note Guarantees will, after the consolidation, merger, conveyance, transfer or lease of assets, be exempt from Section 3.10 hereof and (B) no other taxes on income, including capital gains, will be payable by holders of the Notes under the laws of South Korea or any other jurisdiction where the Successor Company is or becomes organized, resident or engaged in business for tax purposes relating to the acquisition, ownership or disposition of the Notes, including the receipt of interest or principal thereon, *provided* that the holder does not use or hold, and is not deemed to use or hold the Notes in carrying on a business in South Korea or other jurisdiction where the Successor Company is or becomes organized, resident or engaged in business for tax purposes.

Section 5.02 *Successor Corporation Substituted.*

Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the properties or assets of MagnaChip in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof, the successor Person formed by such consolidation or into or with which MagnaChip is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition, the provisions of this Indenture referring to the "Company" shall refer instead to the successor Person and not to MagnaChip), and may exercise every right and power of MagnaChip under this Indenture with the same effect as if such successor Person had been named as MagnaChip herein; *provided, however*, that the predecessor MagnaChip shall not be relieved from the obligation to pay the principal of and interest on the Notes except in the case of a sale of all of MagnaChip's assets in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof.

## ARTICLE 6.
## DEFAULTS AND REMEDIES

Section 6.01 *Events of Default.*

Each of the following is an "*Event of Default*":

(1) default for 30 days in the payment when due of interest on, or Liquidated Damages, if any, with respect to the Notes, whether or not prohibited by the subordination provisions of this Indenture;

(2) default in the payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on, the Notes, whether or not prohibited by the subordination provisions of this Indenture;

(3) failure by MagnaChip or any of its Restricted Subsidiaries to comply with the provisions of Sections 4.10, 4.15 or 5.01 hereof;

(4) failure by MagnaChip or any of its Restricted Subsidiaries for 60 days after notice to MagnaChip by the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding voting as a single class to comply with any of the other agreements in this Indenture;

(5) default under any mortgage, indenture or instrument under which there may be issued or guaranteed or by which there may be secured or evidenced any Indebtedness for money borrowed by MagnaChip or any of its Restricted Subsidiaries (or the payment of which is guaranteed by MagnaChip or any of its Restricted Subsidiaries), whether such Indebtedness or Guarantee now exists, or is created after the Issue Date, if that default:

(A) is caused by a failure to pay principal of, or interest or premium, if any, on, such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default (a "*Payment Default*"); or

(B) results in the acceleration of such Indebtedness prior to its express maturity,

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates $25.0 million or more;

(6) failure by MagnaChip or any of its Restricted Subsidiaries to pay final judgments entered by a court or courts of competent jurisdiction aggregating in excess of $25.0 million (net of any amounts covered by insurance), which judgments are not paid, discharged or stayed for a period of 60 days;

(7) MagnaChip or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries of MagnaChip that, taken together, would constitute a Significant Subsidiary pursuant to or within the meaning of Bankruptcy Law:

(A) commences a voluntary case,

(B) consents to the entry of an order for relief against it in an involuntary case,

(C) consents to the appointment of a custodian of it or for all or substantially all of its property,

(D) makes a general assignment for the benefit of its creditors, or

(E) generally is not paying its debts as they become due;

(8) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against MagnaChip or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries of MagnaChip that, taken together, would constitute a Significant Subsidiary in an involuntary case;

(B) appoints a custodian of MagnaChip or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries of MagnaChip that, taken together, would constitute a Significant Subsidiary or for all or substantially all of the property of MagnaChip or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries of MagnaChip that, taken together, would constitute a Significant Subsidiary; or

(C) orders the liquidation of MagnaChip or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries of MagnaChip that, taken together, would constitute a Significant Subsidiary;

and the order or decree remains unstayed and in effect for 60 consecutive days; and

(9) except as permitted by this Indenture, any Note Guarantee is held in any judicial proceeding to be unenforceable or invalid or ceases for any reason to be in full force and effect, or any Guarantor, or any Person acting on behalf of any Guarantor, denies or disaffirms its obligations under its Note Guarantee.

Section 6.02 *Acceleration.*

In the case of an Event of Default specified in clause (7) or (8) of Section 6.01 hereof, with respect to MagnaChip, any Restricted Subsidiary of MagnaChip that is a Significant Subsidiary or any group of Restricted Subsidiaries of MagnaChip that, taken together, would constitute a Significant Subsidiary, all outstanding Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding may declare all the Notes to be due and payable immediately.

Upon any such declaration, the Notes shall become due and payable immediately.

The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of all of the Holders, rescind an acceleration and its consequences, if the rescission would not conflict with any judgment or decree and if all existing Events of Default (except nonpayment of principal, interest or premium or Liquidated Damages, if any, that has become due solely because of the acceleration) have been cured or waived.

Section 6.03 *Other Remedies.*

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium and Liquidated Damages, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 *Waiver of Past Defaults.*

Holders of not less than a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may on behalf of the Holders of all of the Notes waive an existing Default or Event of Default and its consequences hereunder, except a continuing Default or Event of Default in the payment of the principal of, premium and Liquidated Damages, if any, or interest on, the Notes (including in connection with an offer to purchase); *provided, however*, that the Holders of a majority in aggregate

principal amount of the then outstanding Notes may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05 *Control by Majority.*

Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture that the Trustee determines may be unduly prejudicial to the rights of other Holders of Notes or that may involve the Trustee in personal liability.

Section 6.06 *Limitation on Suits.*

Except to enforce the right to receive payment of principal, premium, if any, or interest or Liquidated Damages, if any, when due, a Holder may pursue a remedy with respect to this Indenture or the Notes only if:

(1) such Holder gives to the Trustee written notice that an Event of Default is continuing;

(2) Holders of at least 25% in aggregate principal amount of the then outstanding Notes make a written request to the Trustee to pursue the remedy;

(3) such Holder or Holders offer and, if requested, provide to the Trustee security or indemnity reasonably satisfactory to the Trustee against any loss, liability or expense;

(4) the Trustee does not comply with the request within 60 days after receipt of the request and the offer of security or indemnity; and

(5) during such 60-day period, Holders of a majority in aggregate principal amount of the then outstanding Notes do not give the Trustee a direction inconsistent with such request.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

Section 6.07 *Rights of Holders of Notes to Receive Payment.*

Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal, premium and Liquidated Damages, if any, and interest on the Note, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder; *provided* that a Holder shall not have the right to institute any such suit for the enforcement of payment if and to the extent that the institution or prosecution thereof or the entry of judgment therein would, under applicable law, result in the surrender, impairment, waiver or loss of the Lien of this Indenture upon any property subject to such Lien.

Section 6.08 *Collection Suit by Trustee.*

If an Event of Default specified in Section 6.01(1) or (2) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as Trustee of an express trust against the Issuers for the whole amount of principal of, premium and Liquidated Damages, if any, and interest remaining unpaid on, the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09 *Trustee May File Proofs of Claim.*

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Issuers (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 *Priorities.*

Any money or other property collected by the Trustee pursuant to this Article 6 or, after an Event of Default, any money or other property distributable in respect of the Issuers' or Guarantors' obligations under this Indenture, shall be paid in the following order:

*First*: to the Trustee (including any predecessor Trustee) for amounts due under Section 7.07 hereof;

*Second*: to Holders of Notes for amounts due and unpaid on the Notes for principal, premium and Liquidated Damages, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium and Liquidated Damages, if any and interest, respectively; and

*Third*: to the Issuers or to the extent the Trustee collects any amount from any Guarantor, to such Guarantor, or as a court of competent jurisdiction may direct.

The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.10.

Section 6.11 *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Notes.

## ARTICLE 7.
## TRUSTEE

Section 7.01 *Duties of Trustee.*

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee will be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine such certificates and opinions to determine whether or not they conform to the requirements of this Indenture.

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraphs (b) and (d) of this Section 7.01;

(2) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to this Section 7.01.

(e) Anything herein to the contrary notwithstanding, no provision of this Indenture will require the Trustee to expend or risk its own funds or incur any liability in the performance of any of its duties hereunder, or in the exercise of any of its rights and powers if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(f) The Trustee will not be liable for interest on, or for the investment of, any money received by it except as the Trustee may agree in writing with the Issuers. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) No provision of this Indenture shall be deemed to impose any duty or obligation on the Trustee to perform any act or acts, receive or obtain any interest in property or exercise any interest in property, or exercise any right, power, duty or obligation conferred or imposed on it in any jurisdiction in which it shall be illegal, or in which the Trustee shall be unqualified or incompetent in accordance with applicable law, to perform any such act or acts, to receive or obtain any such interest in property or to exercise any such right, power, duty or obligation; and no permissive or discretionary power or authority available to the Trustee shall be construed to be a duty.

Section 7.02 *Rights of Trustee.*

(a) In the absence of bad faith on its part, the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, coupon, document or other paper or document believed by it in good faith to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Any request or direction of the Issuers mentioned herein shall be sufficiently evidenced by an Officer's Certificate and any resolution of the Board of Directors or any committee thereof (or committee of officers or other representatives of the Issuers, to the extent any such committee or committees have been so authorized by the Board of Directors) shall be sufficiently evidenced by a certified copy thereof.

(c) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel and the written advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(d) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any attorney or agent appointed with due care.

(e) The Trustee will not be liable for any action taken, suffered or omitted to be taken by it in good faith and believed by it to be authorized or within the discretion, rights or powers conferred upon it by this Indenture.

(f) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from either of the Issuers will be sufficient if signed by an Officer of the relevant Issuer.

(g) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity or security reasonably satisfactory to the Trustee against the costs, losses, liabilities and expenses that might be incurred by it in compliance with such request or direction.

(h) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, coupon or other paper or document.

(i) The Trustee shall not be deemed to have notice or be charged with knowledge of any Default or Event of Default with respect to any series of Notes unless a Responsible Officer of the Trustee has received at the Corporate Trust Office of the Trustee written notice of such Default or Event of Default from an Issuer, any Guarantor or any Holder, and such notice references such Notes and this Indenture.

(j) The Trustee may request that the Issuers deliver an Officers' Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any persons authorized to sign an Officers' Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(k) The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including, without limitation, acts of God; earthquakes; fire; flood; terrorism; wars and other military disturbances; sabotage; epidemics; riots; interruptions; loss or malfunctions of utilities, computer (hardware or software) or communication services; accidents; labor disputes; acts of civil or military authority and governmental action.

(l) Anything in this Indenture notwithstanding, in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to loss of profit), even if the Issuers have been advised as to the likelihood of such loss or damage and regardless of the form of action.

(m) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed by it to act hereunder.

Section 7.03 *Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuers or any Affiliate of the Issuers with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue as Trustee (if this Indenture has been qualified under the TIA) or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11 hereof.

Section 7.04 *Trustee's Disclaimer.*

(a) The Trustee will not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Issuers' use of the proceeds from the Notes or any money paid to the Issuers or upon the Issuers' direction under any provision of this Indenture, it will not be responsible for the use or application of any money received by any Paying Agent

other than the Trustee, and it will not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

(b) The recitals and other representations and warranties of the Issuers contained herein and in the Notes (except the Trustee's certificate of authentication on the Notes) shall be taken as the statements of the Issuers, and neither the Trustee nor any authenticating agent assumes any responsibility for their correctness. The Trustee shall not be accountable for the use or application by the Issuers of the Notes or the proceeds thereof.

Section 7.05 *Notice of Defaults.*

If a Default or Event of Default occurs and is continuing and if it is known to the Trustee, the Trustee will mail to Holders of Notes a notice of the Default or Event of Default within 90 days after it occurs. Except in the case of a Default or Event of Default in payment of principal of, premium or Liquidated Damages, if any, or interest on, any Note, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders of the Notes.

Section 7.06 *Reports by Trustee to Holders of the Notes.*

(a) Within 60 days after each May 15 beginning with the May 15 following the Issue Date, and for so long as Notes remain outstanding, the Trustee will mail to the Holders of the Notes a brief report dated as of such reporting date that complies with TIA § 313(a) (but if no event described in TIA § 313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also will comply with TIA § 313(b)(2). The Trustee will also transmit by mail all reports as required by TIA § 313(c).

(b) A copy of each report at the time of its mailing to the Holders of Notes will be mailed by the Trustee to the Issuers and filed by the Trustee with the SEC and each stock exchange on which the Notes are listed in accordance with TIA § 313(d). The Issuers will promptly notify the Trustee when the Notes are listed on any stock exchange.

Section 7.07 *Compensation and Indemnity.*

(a) The Issuers will pay to the Trustee from time to time such compensation for its acceptance of this Indenture and services hereunder as the Issuers and the Trustee shall agree. The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust.

(b) The Issuers and the Guarantors will reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses will include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(c) The Issuers and the Guarantors will indemnify the Trustee, any predecessor Trustee and any co-trustee against any and all losses, damages, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses of enforcing this Indenture against the Issuers and the Guarantors (including this Section 7.07) and defending itself against any claim (whether asserted by the Issuers, the Guarantors or any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its negligence or

bad faith. The Trustee will notify the Issuers promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Issuers will not relieve the Issuers or any of the Guarantors of their obligations hereunder. The Issuers or such Guarantor will defend the claim and the Trustee will cooperate in the defense. The Trustee may have separate counsel and the Issuers will pay the reasonable fees and expenses of such counsel. Neither the Issuers nor any Guarantor need pay for any settlement made without their consent, which consent will not be unreasonably withheld.

(d) The obligations of the Issuers and the Guarantors under this Section 7.07 will survive the satisfaction and discharge of this Indenture.

(e) To secure the Issuers' and the Guarantors' payment obligations in this Section 7.07, the Trustee will have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal and interest on particular Notes. Such Lien will survive the satisfaction and discharge of this Indenture.

(f) In addition and without prejudice to the rights provided to the Trustee under any of the provisions of this Indenture, when the Trustee incurs expenses or renders services in connection with an Event of Default specified in Section 6.01(7) or (8) hereof, the expenses (including the reasonable charges and expenses of its counsel) and the compensation for the services of the Trustee are intended to constitute expenses of administration under any applicable Bankruptcy Law.

(g) The Trustee will comply with the provisions of TIA § 313(b)(2) to the extent applicable.

Section 7.08 *Replacement of Trustee.*

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

(b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Issuers. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuers in writing. The Issuers may remove the Trustee if:

(1) the Trustee fails to comply with Section 7.10 hereof;

(2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;

(3) a custodian or public officer takes charge of the Trustee or its property; or

(4) the Trustee becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuers will promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuers.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuers, or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Issuers. Thereupon, the resignation or removal of the retiring Trustee will become effective, and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will mail a notice of its succession to Holders. The retiring Trustee will promptly transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Issuers' obligations under Section 7.07 hereof will continue for the benefit of the retiring Trustee.

Section 7.09 *Successor Trustee by Merger, etc.*

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another Person, the successor Person without any further act will be the successor Trustee.

Section 7.10 *Eligibility; Disqualification.*

There will at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least $50.0 million as set forth in its most recent published annual report of condition.

This Indenture will always have a Trustee who satisfies the requirements of TIA § 310(a)(1), (2) and (5). The Trustee is subject to TIA § 310(b).

Section 7.11 *Preferential Collection of Claims Against Issuers.*

The Trustee is subject to TIA § 311(a), excluding any creditor relationship listed in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated therein.

Section 7.12 *Conflicting Interests*

If the Trustee has or shall acquire a conflicting interest within the meaning of Section 310(b) of the TIA, the Trustee shall eliminate such interest, apply to the Commission for permission to continue as trustee or resign, to the extent and in the manner provided by, and subject to the provisions of, the TIA and this Indenture. To the extent permitted by such Act, the Trustee shall not be deemed to have a conflicting interest by virtue of being a trustee under this Indenture or under any other indenture or indentures under which other securities, or certificates of interest or participation in other securities, of the Issuers are any Guarantor are outstanding. Nothing herein shall prevent the Trustee from filing with the Commission the application referred to in the second to last paragraph of Section 310(b) of the TIA.

**ARTICLE 8.**
LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.*01 Option to Effect Legal Defeasance or Covenant Defeasance.*

The Issuers may at any time, at the option of its Board of Directors evidenced by a resolution set forth in an Officers' Certificate, elect to have either Section 8.02 or 8.03 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02 *Legal Defeasance and Discharge.*

Upon the Issuers' exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Issuers and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes (including the Note Guarantees) on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Issuers and the Guarantors will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes (including the Note Guarantees), which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in clauses (1) and (2) below, and to have satisfied all their other obligations under such Notes, the Note Guarantees and this Indenture (and the Trustee, on demand of and at the expense of the Issuers, shall execute proper instruments acknowledging the same), except for the following provisions which will survive until otherwise terminated or discharged hereunder:

(1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, or interest or premium and Liquidated Damages, if any, on, such Notes when such payments are due from the trust referred to in Section 8.04 hereof;

(2) MagnaChip's obligations with respect to such Notes under Article 2 and Section 4.02 hereof;

(3) the rights, powers, trusts, duties and immunities of the Trustee hereunder (including all rights under Section 7.07) and the Issuers' and the Guarantors' obligations in connection therewith; and

(4) this Article 8.

Subject to compliance with this Article 8, the Issuers may exercise their option under this Section 8.02 notwithstanding the prior exercise of their option under Section 8.03 hereof.

Section 8.03 *Covenant Defeasance.*

Upon the Issuers' exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Issuers and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from each of their obligations under the covenants contained in Sections 4.03, 4.05, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.15, 4.16, 4.19, 4.20, 4.21 and 4.22 hereof and clauses (3) and (4) of Section 5.01 hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (hereinafter, "*Covenant Defeasance*"), and the Notes will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such

Notes will not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes and Note Guarantees, the Issuers and the Guarantors may omit to comply with and will have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes and Note Guarantees will be unaffected thereby. In addition, upon the Issuers' exercise under Section 8.01 hereof of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(3) through 6.01(6) hereof will not constitute Events of Default.

Section 8.04 *Conditions to Legal or Covenant Defeasance.*

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03 hereof:

(1) the Issuers must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants, to pay the principal of, premium and Liquidated Damages, if any, and interest on, the outstanding Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be, and MagnaChip must specify whether the Notes are being defeased to such stated date for payment or to a particular redemption date;

(2) in the case of an election under Section 8.02 hereof, MagnaChip must deliver to the Trustee an Opinion of Counsel confirming that:

(A) MagnaChip has received from, or there has been published by, the Internal Revenue Service a ruling; or

(B) since the Issue Date, there has been a change in the applicable U.S. federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of an election under Section 8.03 hereof, MagnaChip must deliver to the Trustee an Opinion of Counsel confirming that the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default shall have occurred and be continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which MagnaChip or any Guarantor is a party or by which MagnaChip or any Guarantor is bound;

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than this Indenture) to which MagnaChip or any of its Subsidiaries is a party or by which MagnaChip or any of its Subsidiaries is bound;

(6) MagnaChip must deliver to the Trustee an Officers' Certificate stating that the deposit was not made by MagnaChip with the intent of preferring the Holders of Notes over the other creditors of MagnaChip with the intent of defeating, hindering, delaying or defrauding any creditors of MagnaChip or others; and

(7) MagnaChip must deliver to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with, such opinion to be subject to customary assumptions and exceptions.

Section 8.05 *Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions.*

Subject to Section 8.06 hereof, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "*Trustee*") pursuant to Section 8.04 hereof in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including either Issuer acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium and Liquidated Damages, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Issuers will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article 8 to the contrary, the Trustee will deliver or pay to the Issuers from time to time upon the request of the Issuers any money or non-callable Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(1) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 *Repayment to the Issuers.*

Any money deposited with the Trustee or any Paying Agent, or then held by the Issuers, in trust for the payment of the principal of, premium or Liquidated Damages, if any, or interest on, any Note and remaining unclaimed for two years after such principal, premium or Liquidated Damages, if any, or interest has become due and payable shall be paid to the Issuers on its request or (if then held by the Issuers) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Issuers for payment thereof, and all liability of the Trustee or such Paying Agent with

respect to such trust money, and all liability of the Issuers as trustee thereof, will thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuers cause to be published once, in the New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which will not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Issuers.

Section 8.07 *Reinstatement.*

If the Trustee or Paying Agent is unable to apply any U.S. dollars or non-callable Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuers' and the Guarantors' obligations under this Indenture and the Notes and the Note Guarantees will be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided, however*, that, if the Issuers make any payment of principal of, premium or Liquidated Damages, if any, or interest on, any Note following the reinstatement of its obligations, the Issuers will be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

## ARTICLE 9.
## AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 *Without Consent of Holders of Notes.*

Notwithstanding Section 9.02 of this Indenture, the Issuers, the Guarantors and the Trustee may amend or supplement this Indenture or the Notes or the Note Guarantees without the consent of any Holder of a Note:

(1) to cure any ambiguity, defect or inconsistency;

(2) to provide for uncertificated Notes in addition to or in place of certificated Notes;

(3) to provide for the assumption of MagnaChip's or a Guarantor's obligations to the Holders of the Notes and Note Guarantees by a successor to MagnaChip or such Guarantor pursuant to Article 5 hereof;

(4) to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights hereunder of any Holder;

(5) to comply with requirements of the SEC in order to effect or maintain the qualification of this Indenture under the TIA;

(6) to conform the text of this Indenture, the Note Guarantees or the Notes to any provision of the "Description of the senior subordinated notes" section of the Issuers' Offering Memorandum dated December 16, 2004, relating to the initial offering of the Notes, to the extent that such provision in that "Description of the senior subordinated notes" was intended by MagnaChip and the Initial Purchasers to be a verbatim recitation of a provision of this Indenture, the Note Guarantees or the Notes, as represented by MagnaChip to the Trustee in an Officers' Certificate;

(7) to provide for the issuance of Additional Notes in accordance with the limitations set forth in this Indenture as of the date hereof; or

(8) to allow any Guarantor to execute a supplemental indenture and/or a Note Guarantee with respect to the Notes.

Upon the request of the Issuers accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee will join with the Issuers and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee will not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 9.02 *With Consent of Holders of Notes.*

Except as provided below in this Section 9.02, the Issuers and the Trustee may amend or supplement this Indenture (including, without limitation, Section 3.09, 4.10 and 4.15 hereof) and the Notes and the Note Guarantees with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default or compliance with any provision of this Indenture or the Notes or the Note Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the applicable series of Notes then outstanding (including, without limitation, Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes).

Upon the request of the Issuers accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee will join with the Issuers and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amended or supplemental Indenture.

It is not be necessary for the consent of the Holders of Notes under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it is sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuers will mail to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuers to mail such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver. Subject to Sections 6.04 and 6.07 hereof, the Holders of a majority in aggregate principal amount of the Notes then outstanding voting as a single class may waive compliance in a particular instance by the Issuers with any provision of this Indenture or the Notes or the Note Guarantees. However, notwithstanding the foregoing without the consent of each Holder affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

(1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;

(2) reduce the principal of or change the fixed maturity of any Note or alter any of the provisions with respect to the redemption of the Notes (except as provided above with respect to Sections 3.09, 4.10 and 4.15 hereof);

(3) reduce the rate of or change the time for payment of interest, including default interest, on any Note;

(4) waive a Default or Event of Default in the payment of principal of, or premium or Liquidated Damages, if any, or interest on, the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);

(5) make any Note payable in money other than that stated in the Notes;

(6) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders of Notes to receive payments of principal of, or interest or premium or Liquidated Damages, if any, on, the Notes;

(7) waive a redemption payment with respect to any Note (other than a payment required by Sections 3.09, 4.10 or 4.15 hereof);

(8) release any Guarantor from any of its obligations under its Note Guarantee or this Indenture, except in accordance with the terms of this Indenture; or

(9) make any change in the preceding amendment and waiver provisions.

Notwithstanding the foregoing, any amendment, supplement or waiver of the provisions of this Indenture relating to subordination that adversely affects the rights of the holders of the Notes will require the consent of the holders of at least 75% in aggregate principal amount of the Notes then outstanding.

Section 9.03 *Compliance with Trust Indenture Act.*

Every amendment or supplement to this Indenture or the Notes will be set forth in a amended or supplemental indenture that complies with the TIA as then in effect.

Section 9.04 *Revocation and Effect of Consents.*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.05 *Notation on or Exchange of Notes.*

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuers in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 *Trustee to Sign Amendments, etc.*

The Trustee will sign any amended or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Issuers may not sign an amended or supplemental indenture until the Board of Directors of each of the Issuers approves it. In executing any amended or supplemental indenture, the Trustee will be entitled to receive and (subject to Section 7.01 hereof) will be fully protected in relying upon an Officers' Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture.

## ARTICLE 10.
## SUBORDINATION

Section 10.01 *Agreement to Subordinate.*

The Issuers agree, and each Holder by accepting a Note agrees, that the Indebtedness evidenced by the Notes is subordinated in right of payment, to the extent and in the manner provided in this Article 10, to the prior payment in full of all Senior Debt (whether outstanding on the date hereof or hereafter created, incurred, assumed or guaranteed), and that the subordination is for the benefit of the holders of Senior Debt.

Section 10.02 *Liquidation; Dissolution; Bankruptcy.*

Upon any distribution to creditors of the Issuers in a liquidation or dissolution of the Issuers or in a bankruptcy, reorganization, insolvency, receivership or similar proceeding relating to the Issuers or their property, in an assignment for the benefit of creditors or any marshaling of the Issuers' assets and liabilities:

(1) holders of Senior Debt will be entitled to receive payment in full of all Obligations due in respect of such Senior Debt (including interest after the commencement of any bankruptcy proceeding at the rate specified in the applicable Senior Debt) before the Holders of Notes will be entitled to receive any payment with respect to the Notes (except that Holders of Notes may receive and retain Permitted Junior Securities and payments made from any defeasance trust created pursuant to Section 8.01 hereof); and

(2) until all Obligations with respect to Senior Debt (as provided in clause (1) above) are paid in full, any distribution to which Holders would be entitled but for this Article 10 will be made to holders of Senior Debt (except that Holders of Notes may receive and retain Permitted Junior Securities and payments made from any defeasance trust created pursuant to Section 8.01 hereof), as their interests may appear.

Section 10.03 *Default on Designated Senior Debt.*

(a) The Issuers may not make any payment or distribution to the Trustee or any Holder in respect of Obligations with respect to the Notes and may not acquire from the Trustee or any Holder any Notes for cash or property (other than Permitted Junior Securities and payments made from any defeasance trust created pursuant to Section 8.01 hereof) until all principal and other Obligations with respect to the Senior Debt have been paid in full if:

(1) payment default on Designated Senior Debt occurs and is continuing beyond any applicable grace period in the agreement, indenture or other document governing such Designated Senior Debt; or

(2) any other default occurs and is continuing on any series of Designated Senior Debt that permits holders of that series of Designated Senior Debt to accelerate its maturity and the Trustee receives a notice of such default (a "*Payment Blockage Notice*") from either Issuer of the holders of any Designated Senior Debt. If the Trustee receives any such Payment Blockage Notice, no subsequent Payment Blockage Notice will be effective for purposes of this Section 10.03 unless and until (A) at least 360 days have elapsed since the effectiveness of the immediately prior Payment Blockage Notice and (B) all scheduled payments of principal, premium and Liquidated Damages, if any, and interest on the Notes that have come due have been paid in full in cash.

No nonpayment default that existed or was continuing on the date of delivery of any Payment Blockage Notice to the Trustee may be, or may be made, the basis for a subsequent Payment Blockage Notice unless such default has have been waived for a period of not less than 90-180 days.

(b) The Issuers may and will resume payments on and distributions in respect of the Notes and may acquire them upon the earlier of:

(1) in the case of a payment default, upon the date upon which such default is cured or waived, or

(2) in the case of a nonpayment default, upon the earlier of the date on which such nonpayment default is cured or waived or 179 days after the date on which the applicable Payment Blockage Notice is received, unless the maturity of any Designated Senior Debt has been accelerated,

if this Article 10 otherwise permits the payment, distribution or acquisition at the time of such payment or acquisition.

Section 10.04 *Acceleration of Notes.*

If payment of the Notes is accelerated because of an Event of Default, the Issuers will promptly notify holders of Senior Debt of the acceleration.

Section 10.05 *When Distribution Must Be Paid Over.*

In the event that the Trustee or any Holder receives any payment of any Obligations with respect to the Notes (other than Permitted Junior Securities and payments made from any defeasance trust created pursuant to Section 8.01 hereof) at a time when the Trustee or such Holder, as applicable, has actual knowledge that such payment is prohibited by Section 10.03 hereof, such payment will be held by the

Trustee or such Holder, in trust for the benefit of, and will be paid forthwith over and delivered, upon written request, to, the holders of Senior Debt as their interests may appear or their Representative under the agreement, indenture or other document (if any) pursuant to which Senior Debt may have been issued, as their respective interests may appear, for application to the payment of all Obligations with respect to Senior Debt remaining unpaid to the extent necessary to pay such Obligations in full in accordance with their terms, after giving effect to any concurrent payment or distribution to or for the holders of Senior Debt.

With respect to the holders of Senior Debt, the Trustee undertakes to perform only those obligations on the part of the Trustee as are specifically set forth in this Article 10, and no implied covenants or obligations with respect to the holders of Senior Debt will be read into this Indenture against the Trustee. The Trustee will not be deemed to owe any fiduciary duty to the holders of Senior Debt, and will not be liable to any such holders if the Trustee, acting in good faith, pays over or distributes to or on behalf of Holders or the Issuers or any other Person money or assets to which any holders of Senior Debt are then entitled by virtue of this Article 10.

Section 10.06 *Notice by Issuers.*

The Issuers will promptly notify the Trustee and the Paying Agent of any facts known to the Issuers that would cause a payment of any Obligations with respect to the Notes to violate this Article 10, but failure to give such notice will not affect the subordination of the Notes to the Senior Debt as provided in this Article 10.

Section 10.07 *Subrogation.*

After all Senior Debt is paid in full and until the Notes are paid in full, Holders of Notes will be subrogated (equally and ratably with all other Indebtedness *pari passu* with the Notes) to the rights of holders of Senior Debt to receive distributions applicable to Senior Debt to the extent that distributions otherwise payable to the Holders of Notes have been applied to the payment of Senior Debt. A distribution made under this Article 10 to holders of Senior Debt that otherwise would have been made to Holders of Notes is not, as between the Issuers and Holders, a payment by the Issuers on the Notes.

Section 10.08 *Relative Rights.*

This Article 10 defines the relative rights of Holders of Notes and holders of Senior Debt. Nothing in this Indenture will:

(1) impair, as between the Issuers and Holders of Notes, the obligation of the Issuers, which is absolute and unconditional, to pay principal of, premium and interest and Liquidated Damages, if any, on, the Notes in accordance with their terms;

(2) affect the relative rights of Holders of Notes and creditors of the Issuers other than their rights in relation to holders of Senior Debt; or

(3) prevent the Trustee or any Holder of Notes from exercising its available remedies upon a Default or Event of Default, subject to the rights of holders and owners of Senior Debt to receive distributions and payments otherwise payable to Holders of Notes.

If the Issuers fail because of this Article 10 to pay principal of, premium or interest or Liquidated Damages, if any, on, a Note on the due date, the failure is still a Default or Event of Default.

Section 10.09 *Subordination May Not Be Impaired by Company.*

No right of any holder of Senior Debt to enforce the subordination of the Indebtedness evidenced by the Notes may be impaired by any act or failure to act by the Issuers or any Holder or by the failure of the Issuers or any Holder to comply with this Indenture.

Section 10.10 *Distribution or Notice to Representative.*

Whenever a distribution is to be made or a notice given to holders of Senior Debt, the distribution may be made and the notice given to their Representative.

Upon any payment or distribution of assets of the Issuers referred to in this Article 10, the Trustee and the Holders of Notes will be entitled to rely upon any order or decree made by any court of competent jurisdiction or upon any certificate of such Representative or of the liquidating trustee or agent or other Person making any distribution to the Trustee or to the Holders of Notes for the purpose of ascertaining the Persons entitled to participate in such distribution, the holders of the Senior Debt and other Indebtedness of the Issuers, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article 10. In the event that the Trustee determines, in good faith, that evidence is required with respect to the right of any Person as a holder of Senior Debt to participate in any payment or distribution pursuant to this Article 10, the Trustee shall be entitled to request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of such Senior Debt held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and other facts pertinent to the rights of such Person under this Article 10, and, if such evidence is not furnished, the Trustee shall be entitled to defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment. The provisions of Sections 7.01 and 7.02 hereof shall be applicable to all actions or omissions of actions by the Trustee pursuant to this Article 10.

Section 10.11 *Rights of Trustee and Paying Agent.*

Notwithstanding the provisions of this Article 10 or any other provision of this Indenture, the Trustee will not be charged with knowledge of the existence of any facts that would prohibit the making of any payment or distribution by the Trustee, and the Trustee and the Paying Agent may continue to make payments on the Notes, unless the a Responsible Officer of the Trustee has received at its Corporate Trust Office at least five Business Days prior to the date of such payment written notice of facts that would cause the payment of any Obligations with respect to the Notes to violate this Article 10. Only an Issuer or a Representative may give the notice. Nothing in this Article 10 will impair the claims of, or payments to, the Trustee hereunder or pursuant to Sections 6.10 and 7.07 hereof.

The Trustee in its individual or any other capacity may hold Senior Debt with the same rights it would have if it were not Trustee. Any Agent may do the same with like rights.

Section 10.12 *Authorization to Effect Subordination.*

Each Holder of Notes, by the Holder's acceptance thereof, authorizes and directs the Trustee on such Holder's behalf to take such action as may be necessary or appropriate to effectuate the subordination as provided in this Article 10, and appoints the Trustee to act as such Holder's attorney-in-fact for any and all such purposes. If the Trustee does not file a proper proof of claim or proof of debt in the form required in any proceeding referred to in Section 6.09 hereof at least 30 days before the expiration of the time to file such claim, the Representatives are hereby authorized to file an appropriate claim for and on behalf of the Holders of the Notes.

Section 10.13 *Amendments.*

The provisions of this Article 10 may not be amended or modified without the written consent of the holders of all Senior Debt.

Section 10.14 *Trust Monies not to be Subordinated*

Notwithstanding anything contained herein to the contrary, payments from money or the proceeds of Government Obligations held in trust under Article 8 hereof by the Trustee for the payment of principal of and interest on the Notes shall not be subordinated to the prior payment of any Senior Debt of the Issuers or subject to the restrictions set forth in this Article 10 if the provisions of this Article 10 were not violated at the time funds were deposited in trust with the Trustee pursuant to Article 8 hereof, and none of the Holders shall be obligated to pay over any such amount to the Issuers or any holder of Senior Debt of the Issuers or any other creditor of the Issuers.

## ARTICLE 11.
## SATISFACTION AND DISCHARGE

Section 11.01 *Satisfaction and Discharge.*

This Indenture will be discharged and will cease to be of further effect as to all Notes issued hereunder, when:

(1) either:

(a) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust and thereafter repaid to MagnaChip, have been delivered to the Trustee for cancellation; or

(b) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or will become due and payable within one year and MagnaChip or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the holders, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Trustee for cancellation for principal, premium and Liquidated Damages, if any, and accrued interest to the date of maturity or redemption;

(2) no Default or Event of Default has occurred and is continuing on the date of the deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which MagnaChip or any Guarantor is a party or by which MagnaChip or any Guarantor is bound;

(3) MagnaChip or any Guarantor has paid or caused to be paid all sums payable by it under this Indenture; and

(4) MagnaChip has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or on the redemption date, as the case may be.

In addition, MagnaChip must deliver an Officers' Certificate and an opinion of counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Notwithstanding the satisfaction and discharge of this Indenture, if money has been deposited with the Trustee pursuant to Section 11.01, the provisions of Sections 11.02 and 8.06 hereof will survive. In addition, nothing in this Section 11.01 will be deemed to discharge those provisions of Section 7.07 hereof, that, by their terms, survive the satisfaction and discharge of this Indenture.

Section 11.02 *Application of Trust Money.*

Subject to the provisions of Section 8.06 hereof, all money deposited with the Trustee pursuant to Section 11.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including either Issuers acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium and Liquidated Damages, if any) and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 11.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuers' and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01 hereof; *provided* that if the Issuers have made any payment of principal of, premium or Liquidated Damages, if any, or interest on, any Notes because of the reinstatement of its obligations, the Issuers shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

## ARTICLE 12.
## NOTE GUARANTEES

Section 12.01 *Guarantee.*

(a) Subject to this Article 12, each of the Guarantors hereby, jointly and severally, unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Issuers hereunder or thereunder, that:

(1) the principal of, premium and Liquidated Damages, if any, and interest on, the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Issuers to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors will be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guarantors hereby agree that their obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuers, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuers, any right to require a proceeding first against the Issuers, protest, notice and all demands whatsoever and covenant that this Note Guarantee will not be discharged except by complete performance of the obligations contained in the Notes and this Indenture.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Issuers, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuers or the Guarantors, any amount paid by either to the Trustee or such Holder, this Note Guarantee, to the extent theretofore discharged, will be reinstated in full force and effect.

(d) Each Guarantor agrees that it will not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 hereof for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Article 6 hereof, such obligations (whether or not due and payable) will forthwith become due and payable by the Guarantors for the purpose of this Note Guarantee. The Guarantors will have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantee.

Section 12.02 *Limitation on Guarantor Liability.*

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor will be limited to the maximum amount that will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 12, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent transfer or conveyance.

Section 12.03 *Execution and Delivery of Note Guarantee.*

To evidence its Note Guarantee set forth in Section 12.01 hereof, each Guarantor hereby agrees that a notation of such Note Guarantee substantially in the form attached as Exhibit E hereto will be endorsed by an Officer of such Guarantor on each Note authenticated and delivered by the Trustee and that this Indenture will be executed on behalf of such Guarantor by one of its Officers.

Each Guarantor hereby agrees that its Note Guarantee set forth in Section 12.01 hereof will remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Note Guarantee.

If an Officer whose signature is on this Indenture or on the Note Guarantee no longer holds that office at the time the Trustee authenticates the Note on which a Note Guarantee is endorsed, the Note Guarantee will be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, will constitute due delivery of the Note Guarantee set forth in this Indenture on behalf of the Guarantors.

In the event that the Issuers or any of its Restricted Subsidiaries creates or acquires any Subsidiary after the Issue Date, if required by Section 4.21 hereof, the Issuers will cause such Subsidiary to comply with the provisions of Section 4.21 hereof and this Article 12, to the extent applicable.

Section 12.04 *Guarantors May Consolidate, etc., on Certain Terms.*

Except as otherwise provided in Section 12.05 hereof, no Guarantor may sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into (whether or not such Guarantor is the surviving Person) another Person, other than MagnaChip or another Guarantor, unless:

(1) immediately after giving effect to such transaction, no Default or Event of Default exists; and

(2) either:

(a) subject to Section 12.05 hereof, the Person acquiring the property in any such sale or disposition or the Person formed by or surviving any such consolidation or merger unconditionally assumes all the obligations of that Guarantor under this Indenture, its Note Guarantee and the Registration Rights Agreements on the terms set forth herein or therein, pursuant to a supplemental indenture in form and substance reasonably satisfactory to the Trustee; or

(b) the Net Proceeds of such sale or other disposition are applied in accordance with the applicable provisions of this Indenture, including without limitation, Section 4.10 hereof.

In case of any such consolidation, merger, sale or conveyance and upon the assumption by the successor Person, by supplemental indenture, executed and delivered to the Trustee and satisfactory in form to the Trustee, of the Note Guarantee endorsed upon the Notes and the due and punctual performance of all of the covenants and conditions of this Indenture to be performed by the Guarantor, such successor Person will succeed to and be substituted for the Guarantor with the same effect as if it had been named herein as a Guarantor. Such successor Person thereupon may cause to be signed any or all of the Note Guarantees to be endorsed upon all of the Notes issuable hereunder which theretofore shall not have been signed by the Issuers and delivered to the Trustee. All the Note Guarantees so issued will

in all respects have the same legal rank and benefit under this Indenture as the Note Guarantees theretofore and thereafter issued in accordance with the terms of this Indenture as though all of such Note Guarantees had been issued at the date of the execution hereof.

Except as set forth in Articles 4 and 5 hereof, and notwithstanding clauses 2(a) and (b) above, nothing contained in this Indenture or in any of the Notes will prevent any consolidation or merger of a Guarantor with or into the Issuers or another Guarantor, or will prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to the Issuers or another Guarantor.

Section 12.05 *Releases.*

The Note Guarantees of a Guarantor will be released:

(a) in connection with any liquidation or sale or other disposition of all or substantially all of the assets of that Guarantor (including by way of merger or consolidation) to a Person that is not (either before or after giving effect to such transaction) MagnaChip or a Restricted Subsidiary of MagnaChip, if the sale or other disposition does not violate Section 4.10 hereof;

(b) in connection with any sale or other disposition of all of the Capital Stock of that Guarantor to a Person that is not (either before or after giving effect to such transaction) MagnaChip or a Restricted Subsidiary of MagnaChip, if the sale or other disposition does not violate Section 4.10 hereof;

(c) if MagnaChip designates any Restricted Subsidiary that is a Guarantor to be an Unrestricted Subsidiary in accordance with Section 4.22 hereof; or

(d) upon legal defeasance or satisfaction and discharge of this Indenture as provided in Articles 8 and Article 11 hereof.

Any Guarantor not released from its obligations under its Note Guarantee as provided in this Section 12.05 will remain liable for the full amount of principal of and interest and premium and Liquidated Damages, if any, on the Notes and for the other obligations of any Guarantor under this Indenture as provided in this Article 12. In connection with any such release, the Issuers shall deliver to the Trustee an Officers' Certificate and an Opinion of Counsel as and to the extent required by Sections 14.04 and 14.05.

Failure to mail a notice or communication to a Holder or any defect in it will not affect its sufficiency with respect to other Holders.

If a notice or communication is mailed in the manner provided above within the time prescribed, it is duly given, whether or not the addressee receives it.

If the Issuers mail a notice or communication to Holders, it will mail a copy to the Trustee and each Agent at the same time.

Section 14.03 *Communication by Holders of Notes with Other Holders of Notes.*

Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The Issuers agree that a final judgment in any such proceeding brought in any such court shall be conclusive and binding upon the Issuers and may be enforced in any other courts in the jurisdiction of which the Issuers are or may be subject, by suit upon such judgment.

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

(1) *INTEREST*. MagnaChip Semiconductor S.A., a Luxembourg public limited liability company (*societe anonyme*) ("MagnaChip"), and MagnaChip Semiconductor Finance Company, a Delaware corporation ("*Finance Company*" and together with MagnaChip, the "*Issuers*"), jointly and severally promise to pay interest on the principal amount of this Note at a rate equal to 8% per annum from December 23, 2004 until maturity and shall pay the Liquidated Damages, if any, payable pursuant to Section 4 of the Registration Rights Agreement referred to below. The Issuers will pay interest and Liquidated Damages, if any, semi-annually in arrears on June 15 and December 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an "*Interest Payment Date*"). Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that if there is no existing Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided further* that the first Interest Payment Date shall be June 15, 2005. The Issuers will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at a rate that is 1% per annum in excess of the rate then in effect to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest

and Liquidated Damages, if any, (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest will be computed on the basis of a 360-day year of twelve 30-day months.

(2) *METHOD OF PAYMENT*. The Issuers will pay interest on the Notes (except defaulted interest) and Liquidated Damages, if any, to the Persons who are registered Holders of Notes at the close of business on the June 1 or December 1 next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium and Liquidated Damages, if any, and interest at the office or agency of the Issuers maintained for such purpose within or without the City and State of New York, or, at the option of the Issuers, payment of interest and Liquidated Damages, if any, may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of and interest, premium and Liquidated Damages, if any, on, all Global Notes and all other Notes the Holders of which will have provided wire transfer instructions to the Issuers or the Paying Agent. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *PAYING AGENT AND REGISTRAR*. Initially, The Bank of New York, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Issuers may change any Paying Agent or Registrar without notice to any Holder. MagnaChip or any of its Subsidiaries may act in any such capacity.

(4) *INDENTURE*. The Issuers issued the Notes under an Indenture dated as of December 23, 2004 (the "*Indenture*") among the Issuers, the Guarantors and the Trustee. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the TIA. The Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Notes are unsecured obligations of the Issuers. The Indenture does not limit the aggregate principal amount of Notes that may be issued thereunder.

(5) *OPTIONAL REDEMPTION*.

(a) At any time prior to December 15, 2007, MagnaChip may on any one or more occasions redeem up to 35% of the aggregate principal amount of Notes issued under the Indenture (including any Additional Notes issued after the Issue Date) at a redemption price of 108% of the principal amount thereof, *plus* accrued and unpaid interest and Liquidated Damages, if any, to the redemption date, with the net cash proceeds of one or more Public Equity Offerings or a contribution to MagnaChip's common equity capital made with the net cash proceeds of a concurrent Public Equity Offering of US LLC or any of its Subsidiaries; *provided* that:

(1) at least 65% of the aggregate principal amount of Notes originally issued under this Indenture (including any Additional Notes issued after the date of the Indenture) (excluding Notes held by MagnaChip and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and

(2) the redemption occurs within 90 days of the date of the closing of such Public Equity Offering or equity contributions.

(b) On or after December 15, 2009, MagnaChip may redeem all or a part of the Notes, upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail to each holder's registered address, at the redemption prices (expressed as percentages of principal amount) set forth below *plus* accrued and unpaid interest and Liquidated Damages, if any, on the Notes redeemed, to the applicable redemption date, if redeemed during the twelve-month period beginning on December 15 of the years indicated below, subject to the rights of holders of Notes on the relevant record date to receive interest due on the relevant interest payment date:

| Year | Percentage |
|---|---|
| 2009 | 104.000% |
| 2010 | 102.667% |
| 2011 | 101.333% |
| 2012 and thereafter | 100.000% |

At any time prior to December 15, 2009, MagnaChip may also redeem all or a part of the Notes (including any Additional Notes issued after the Issue Date), upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail to each holder's registered address, at a redemption price equal to 100% of the principal amount of Notes redeemed *plus* the Applicable Premium as of, and accrued and unpaid interest and Liquidated Damages, if any, to the redemption date, subject to the rights of holders of Notes on the relevant record date to receive interest due on the relevant interest payment date.

Unless MagnaChip defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(6) *MANDATORY REDEMPTION.*

The Issuers are not required to make mandatory redemption or sinking fund payments with respect to the Notes.

(7) *REPURCHASE AT THE OPTION OF HOLDER.*

(a) If a Change of Control occurs, the Issuers will make an offer (a *"Change of Control Offer"*) to each Holder to repurchase all or any part (equal to $1,000 or an integral multiple of $1,000 in excess of $1,000) of that Holder's Notes at a purchase price in cash equal to 101% of the aggregate principal amount of Notes repurchased *plus* accrued and unpaid interest and Liquidated Damages, if any, on the Notes repurchased to the date of purchase, subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date (the *"Change of Control Payment"*). Within 30 days following any Change of Control, the Issuers will mail a notice to each Holder setting forth the procedures governing the Change of Control Offer as required by the Indenture.

(b) If the Issuers or a Restricted Subsidiary of the Issuers consummates any Asset Sales, within 30 days of each date on which the aggregate amount of Excess Proceeds exceeds $10.0 million, MagnaChip will commence an offer to all Holders of Notes and all holders of other Indebtedness that is *pari passu* with the Notes containing provisions similar to those set forth in the Indenture with respect to offers to purchase or redeem with the proceeds of sales of assets (an "*Asset Sale Offer*") pursuant to Section 3.09 of the Indenture to purchase the maximum principal amount of Notes and such other *pari passu* Indebtedness that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the

principal amount thereof *plus* accrued and unpaid interest and Liquidated Damages, if any, thereon to the date of purchase, in accordance with the procedures set forth in the Indenture. To the extent that the aggregate amount of Notes and other *pari passu* Indebtedness tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, MagnaChip (or such Restricted Subsidiary) may use such deficiency for any purpose not otherwise prohibited by the Indenture. If the aggregate principal amount of Notes and other *pari passu* Indebtedness tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee shall select the Notes and such other *pari passu* Indebtedness to be purchased on a *pro rata* basis. Holders of Notes that are the subject of an offer to purchase will receive an Asset Sale Offer from the Issuers prior to any related purchase date and may elect to have such Notes purchased by completing the form entitled "*Option of Holder to Elect Purchase*" attached to the Notes.

(8) *NOTICE OF REDEMPTION*. Notice of redemption will be mailed at least 30 days but not more than 60 days before the redemption date to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction or discharge of the Indenture. Notes in denominations larger than $1,000 may be redeemed in part but only in whole multiples of $1,000, unless all of the Notes held by a Holder are to be redeemed.

(9) *DENOMINATIONS, TRANSFER, EXCHANGE*. The Notes are in registered form without coupons in denominations of $1,000 and integral multiples of $1,000. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuers may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuers need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Issuers need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the corresponding Interest Payment Date.

(10) REDEMPTION FOR CHANGES IN TAXES. The Issuers may redeem each series of the Notes, in whole but not in part, at their discretion at any time at a redemption price equal to the principal amount thereof, together with accrued and unpaid interest and Liquidated Damages, if any, to the date fixed by the Issuers for redemption (a *"Tax Redemption Date"*) and all Additional Amounts (if any) then due and which will become due on the Tax Redemption Date as a result of the redemption or otherwise (subject to the right of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date and Additional Amounts (if any) in respect thereof), if on the next date on which any amount would be payable in respect of the Notes, the Issuers have or would be required to pay Additional Amounts, and the Issuers cannot avoid any such payment obligation taking reasonable measures available to them, as a result of:

(a) any change in, or amendment to, the laws or treaties (or any regulations, or rulings promulgated thereunder) of the relevant Tax Jurisdiction affecting taxation which change or amendment has not been publicly announced as formally adopted and which becomes effective on or after the Issue Date (or, if the relevant Tax Jurisdiction has changed since the Issue Date, the date on which the then current Tax Jurisdiction became the applicable Tax Jurisdiction under this Indenture); or

(b) any change in, or amendment to, the existing official position or the introduction of an official position regarding the application, administration or interpretation of

such laws, treaties, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction or a change in published practice), which change, amendment, application or interpretation has not been publicly announced as formally adopted and becomes effective on or after the Issue Date (or, if the relevant Tax Jurisdiction has changed since the Issue Date, the date on which the then current Tax Jurisdiction became the applicable Tax Jurisdiction under this Indenture).

The Issuers will not give any such notice of redemption earlier than 90 days prior to the earliest date on which the Issuers would be obligated to make such payment or withholding if a payment in respect of the Notes were then due. Prior to the publication or, where relevant, mailing of any notice of redemption of the Notes pursuant to the foregoing, the Issuers will deliver the Trustee an opinion of counsel, the choice of such counsel to be subject to the prior written approval of the Trustee (such approval not to be unreasonably withheld) to the effect that there has been such change or amendment which would entitle the Issuers to redeem the Notes hereunder and the Issuers cannot avoid any obligation to pay Additional Amounts taking reasonable measures available.

(11) *PERSONS DEEMED OWNERS*. The registered Holder of a Note may be treated as its owner for all purposes.

(12) *AMENDMENT, SUPPLEMENT AND WAIVER*. Subject to certain exceptions, the Indenture or the Notes or the Guarantees may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes including Additional Notes, if any, voting as a single class, and any existing Default or Event or Default or compliance with any provision of the Indenture or the Notes or the Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes including Additional Notes, if any, voting as a single class. Without the consent of any Holder of a Note, the Indenture or the Notes or the Guarantees may be amended or supplemented to cure any ambiguity, defect or inconsistency, to provide for uncertificated Notes in addition to or in place of certificated Notes, to provide for the assumption of the Issuers' or a Guarantor's obligations to Holders of the Notes and Note Guarantees in case of a merger or consolidation, to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights under the Indenture of any such Holder, to comply with the requirements of the SEC in order to effect or maintain the qualification of the Indenture under the TIA, to conform the text of the Indenture, the Notes or the Guarantees to any provision of the "Description of the senior subordinated notes" section of the Issuers' Offering Memorandum dated December 16, 2004, relating to the initial offering of the Notes, to the extent that such provision in that "Description of senior subordinated notes" was intended to be a verbatim recitation of a provision of the Indenture, the Notes or the Guarantees; to provide for the issuance of Additional Notes in accordance with the limitations set forth in the Indenture, or to allow any Guarantor to execute a supplemental indenture to the Indenture and/or a Note Guarantee with respect to the Notes.

(13) *DEFAULTS AND REMEDIES*. Events of Default include: (i) default for 30 days in the payment when due of interest on, or Liquidated Damages, if any, with respect to the Notes, whether or not prohibited by the subordination provisions of the indenture; (ii) default in the payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on, the Notes, whether or not prohibited by the subordination provisions of the indenture; (iii) failure by MagnaChip or any of its Restricted Subsidiaries to comply with Section 4.10, 4.15 or 5.01 of the Indenture; (iv) failure by MagnaChip or any of its Restricted Subsidiaries for 60 days after notice to MagnaChip by the Trustee or the Holders of at least 25% in aggregate

principal amount of the Notes then outstanding voting as a single class to comply with any of the other agreements in the Indenture; (v) default under certain other agreements relating to Indebtedness of MagnaChip or any of its Restricted Subsidiaries which default (a) is caused by a failure to pay principal of, or interest or premium, if any, on, such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default (a "*Payment Default*") or (b) results in the acceleration of such Indebtedness prior to its express maturity; (vi) certain final judgments for the payment of money that remain undischarged for a period of 60 days; (vii) certain events of bankruptcy or insolvency with respect to MagnaChip or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary and (viii) except as permitted by the Indenture, any Guarantee is held in any judicial proceeding to be unenforceable or invalid or ceases for any reason to be in full force and effect or any Guarantor or any Person acting on its behalf denies or disaffirms its obligations under such Guarantor's Guarantee. If any Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency, all outstanding Notes will become due and payable immediately without further action or notice. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal or interest or premium or Liquidated Damages, if any,) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may, on behalf of the Holders of all of the Notes, rescind an acceleration or waive any existing Default or Event of Default and its consequences under the Indenture except a continuing Default or Event of Default in the payment of interest or premium or Liquidated Damages, if any, on, or the principal of, the Notes. The Issuers are required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Issuers are required, upon becoming aware of any Default or Event of Default, to deliver to the Trustee a statement specifying such Default or Event of Default.

(14) *TRUSTEE DEALINGS WITH THE ISSUERS*. The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Issuers or their Affiliates, and may otherwise deal with the Issuers or their Affiliates, as if it were not the Trustee.

(15) *NO RECOURSE AGAINST OTHERS*. A director, officer, employee, incorporator or stockholder of the Issuers or any of the Guarantors, as such, will not have any liability for any obligations of the Issuers or the Guarantors under the Notes, the Note Guarantees or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes.

(16) *AUTHENTICATION*. This Note will not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

(17) *ABBREVIATIONS*. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

(18) *ADDITIONAL RIGHTS OF HOLDERS OF RESTRICTED GLOBAL NOTES AND RESTRICTED DEFINITIVE NOTES*. (1) *INTEREST*. MagnaChip Semiconductor S.A., a Luxembourg public limited liability company (*societe anonyme*) ("*MagnaChip*"), and MagnaChip Semiconductor Finance Company, a Delaware corporation ("*Finance Company*" and together with MagnaChip, the "*Issuers*"), jointly and severally promise to pay interest on the principal amount of this Note at a rate equal to 8% per annum from December 23, 2004 until maturity and shall pay the Liquidated Damages, if any, payable pursuant to Section 4 of the Registration Rights Agreement referred to below. The Issuers will pay interest and Liquidated Damages, if any, semi-annually in arrears on June 15 and December 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an "*Interest Payment Date*"). Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that if there is no existing Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided further* that the first Interest Payment Date shall be June 15, 2005. The Issuers will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at a rate that is 1% per annum in excess of the rate then in effect to the extent lawful; it will pay interest (including post-

petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest and Liquidated Damages, if any, (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest will be computed on the basis of a 360-day year of twelve 30-day months

Until this Regulation S Temporary Global Note is exchanged for one or more Regulation S Permanent Global Notes, the Holder hereof shall not be entitled to receive payments of interest hereon; until so exchanged in full, this Regulation S Temporary Global Note shall in all other respects be entitled to the same benefits as other Notes under the Indenture.

(2) *METHOD OF PAYMENT*. The Issuers will pay interest on the Notes (except defaulted interest) and Liquidated Damages, if any, to the Persons who are registered Holders of Notes at the close of business on the June 1 or December 1 next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium and Liquidated Damages, if any, and interest at the office or agency of the Issuers maintained for such purpose within or without the City and State of New York, or, at the option of the Issuers, payment of interest and Liquidated Damages, if any, may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of and interest, premium and Liquidated Damages, if any, on, all Global Notes and all other Notes the Holders of which will have provided wire transfer instructions to the Issuers or the Paying Agent. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *PAYING AGENT AND REGISTRAR.* Initially, The Bank of New York, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Issuers may change any Paying Agent or Registrar without notice to any Holder. MagnaChip or any of its Subsidiaries may act in any such capacity.

(4) *INDENTURE*. The Issuers issued the Notes under an Indenture dated as of December 23, 2004 (the "*Indenture*") among the Issuers, the Guarantors and the Trustee. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the TIA. The Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Notes are unsecured obligations of the Issuers. The Indenture does not limit the aggregate principal amount of Notes that may be issued thereunder.

(5) *OPTIONAL REDEMPTION.*

(a) At any time prior to December 15, 2007, MagnaChip may on any one or more occasions redeem up to 35% of the aggregate principal amount of Notes issued under the Indenture (including any Additional Notes issued after the Issue Date) at a redemption price of 108% of the principal amount thereof, *plus* accrued and unpaid interest and Liquidated Damages, if any, to the redemption date, with the net cash proceeds of one or more Public Equity Offerings or a contribution to MagnaChip's common equity capital made with the net cash proceeds of a concurrent Public Equity Offering of US LLC or any of its Subsidiaries; *provided that*:

(1) at least 65% of the aggregate principal amount of Notes originally issued under this Indenture (including Additional Notes issued after the date of the Indenture) (excluding Notes held by MagnaChip and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and

(2) the redemption occurs within 90 days of the date of the closing of such Public Equity Offering or equity contributions.

(b) On or after December 15, 2009, MagnaChip may redeem all or a part of the Notes, upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail to each holder's registered address, at the redemption prices (expressed as percentages of principal amount) set forth below *plus* accrued and unpaid interest and Liquidated Damages, if any, on the Notes redeemed, to the applicable redemption date, if redeemed during the twelve-month period beginning on December 15 of the years indicated below, subject to the rights of holders of Notes on the relevant record date to receive interest due on the relevant interest payment date:

| Year | Percentage |
|---|---|
| 2009 | 104.000% |
| 2010 | 102.667% |
| 2011 | 101.333% |
| 2012 and thereafter | 100.000% |

At any time prior to December 15, 2009, MagnaChip may also redeem all or a part of the Notes (including any Additional Notes issued after the Issue Date), upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail to each holder's registered address, at a redemption price equal to 100% of the principal amount of Notes redeemed *plus* the Applicable Premium as of, and accrued and unpaid interest and Liquidated Damages, if any, to the redemption date, subject to the rights of holders of Notes on the relevant record date to receive interest due on the relevant interest payment date.

Unless MagnaChip defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(6) *MANDATORY REDEMPTION.*

The Issuers are not required to make mandatory redemption or sinking fund payments with respect to the Notes.

(7) *REPURCHASE AT THE OPTION OF HOLDER.*

(a) If a Change of Control occurs, the Issuers will make an offer (a *"Change of Control Offer"*) to each Holder to repurchase all or any part (equal to $1,000 or an integral multiple of $1,000 in excess of $1,000) of that Holder's Notes at a purchase price in cash equal to 101% of the aggregate principal amount of Notes repurchased *plus* accrued and unpaid interest and Liquidated Damages, if any, on the Notes repurchased to the date of purchase, subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date (the *"Change of Control Payment"*). Within 10 days following any Change of Control, the Issuers will mail a notice to each Holder setting forth the procedures governing the Change of Control Offer as required by the Indenture.

(b) If the Issuers or a Restricted Subsidiary of the Issuers consummates any Asset Sales, within 30 days of each date on which the aggregate amount of Excess Proceeds exceeds $10.0 million, MagnaChip will commence an offer to all Holders of Notes and all holders of other Indebtedness that is *pari passu* with the Notes containing provisions similar to those set forth in the Indenture with respect to offers to purchase or redeem with the proceeds of sales of assets (an "*Asset Sale Offer*") pursuant to Section 3.09 of the Indenture to purchase the maximum principal amount of Notes and such other *pari passu* Indebtedness that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof *plus* accrued and unpaid interest and Liquidated Damages, if any, thereon to the date of purchase, in accordance with the procedures set forth in the Indenture. To the extent that the aggregate amount of Notes and other *pari passu* Indebtedness tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, MagnaChip (or such Restricted Subsidiary) may use such deficiency for any purpose not otherwise prohibited by the Indenture. If the aggregate principal amount of Notes and other *pari passu* Indebtedness tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee shall select the Notes and such other *pari passu* Indebtedness to be purchased on a *pro rata* basis. Holders of Notes that are the subject of an offer to purchase will receive an Asset Sale Offer from the Issuers prior to any related purchase date and may elect to have such Notes purchased by completing the form entitled "*Option of Holder to Elect Purchase*" attached to the Notes.

(8) *NOTICE OF REDEMPTION*. Notice of redemption will be mailed at least 30 days but not more than 60 days before the redemption date to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction or discharge of the Indenture. Notes in denominations larger than $1,000 may be redeemed in part but only in whole multiples of $1,000, unless all of the Notes held by a Holder are to be redeemed.

(9) *DENOMINATIONS, TRANSFER, EXCHANGE*. The Notes are in registered form without coupons in denominations of $1,000 and integral multiples of $1,000. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuers may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuers need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Issuers need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the corresponding Interest Payment Date.

This Regulation S Temporary Global Note is exchangeable in whole or in part for one or more Global Notes only (i) on or after the termination of the 40-day distribution compliance period (as defined in Regulation S) and (ii) upon presentation of certificates (accompanied by an Opinion of Counsel, if applicable) required by Article 2 of the Indenture. Upon exchange of this Regulation S Temporary Global Note for one or more Global Notes, the Trustee shall cancel this Regulation S Temporary Global Note.

(10) *REDEMPTION FOR CHANGES IN TAXES.* The Issuers may redeem each series of the Notes, in whole but not in part, at their discretion at any time at a redemption price equal to the principal amount thereof, together with accrued and unpaid interest and Liquidated Damages, if any, to the date fixed by the Issuers for redemption (a *"Tax Redemption Date"*) and all Additional Amounts (if any) then due and which will become due on the Tax Redemption Date as

a result of the redemption or otherwise (subject to the right of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date and Additional Amounts (if any) in respect thereof), if on the next date on which any amount would be payable in respect of the Notes, the Issuers have or would be required to pay Additional Amounts, and the Issuers cannot avoid any such payment obligation taking reasonable measures available to them, as a result of:

(a) any change in, or amendment to, the laws or treaties (or any regulations, or rulings promulgated thereunder) of the relevant Tax Jurisdiction affecting taxation which change or amendment has not been publicly announced as formally adopted and which becomes effective on or after the Issue Date (or, if the relevant Tax Jurisdiction has changed since the Issue Date, the date on which the then current Tax Jurisdiction became the applicable Tax Jurisdiction under this Indenture); or

(b) any change in, or amendment to, the existing official position or the introduction of an official position regarding the application, administration or interpretation of such laws, treaties, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction or a change in published practice), which change, amendment, application or interpretation has not been publicly announced as formally adopted and becomes effective on or after the Issue Date (or, if the relevant Tax Jurisdiction has changed since the Issue Date, the date on which the then current Tax Jurisdiction became the applicable Tax Jurisdiction under this Indenture).

The Issuers will not give any such notice of redemption earlier than 90 days prior to the earliest date on which the Issuers would be obligated to make such payment or withholding if a payment in respect of the Notes were then due. Prior to the publication or, where relevant, mailing of any notice of redemption of the Notes pursuant to the foregoing, the Issuers will deliver the Trustee an opinion of counsel, the choice of such counsel to be subject to the prior written approval of the Trustee (such approval not to be unreasonably withheld) to the effect that there has been such change or amendment which would entitle the Issuers to redeem the Notes hereunder and the Issuers cannot avoid any obligation to pay Additional Amounts taking reasonable measures available.

(11) *PERSONS DEEMED OWNERS*. The registered Holder of a Note may be treated as its owner for all purposes.

(12) *AMENDMENT, SUPPLEMENT AND WAIVER*. Subject to certain exceptions, the Indenture or the Notes or the Guarantees may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes including Additional Notes, if any, voting as a single class, and any existing Default or Event or Default or compliance with any provision of the Indenture or the Notes or the Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes including Additional Notes, if any, voting as a single class. Without the consent of any Holder of a Note, the Indenture or the Notes or the Guarantees may be amended or supplemented to cure any ambiguity, defect or inconsistency, to provide for uncertificated Notes in addition to or in place of certificated Notes, to provide for the assumption of the Issuers' or a Guarantor's obligations to Holders of the Notes and Note Guarantees in case of a merger or consolidation, to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights under the Indenture of any such Holder, to comply with the requirements of the SEC in order to effect or maintain the qualification of the Indenture under the TIA, to conform the text of the Indenture, the Notes or the Guarantees to any provision of the "Description of the senior subordinated notes" section of the

Issuers' Offering Memorandum dated December 16, 2004, relating to the initial offering of the Notes, to the extent that such provision in that "Description of the senior subordinated notes" was intended to be a verbatim recitation of a provision of the Indenture, the Notes or the Guarantees; to provide for the issuance of Additional Notes in accordance with the limitations set forth in the Indenture, or to allow any Guarantor to execute a supplemental indenture to the Indenture and/or a Note Guarantee with respect to the Notes.

(13) *DEFAULTS AND REMEDIES*. Events of Default include: (i) default for 30 days in the payment when due of interest on, or Liquidated Damages, if any, with respect to the Notes, whether or not prohibited by the subordination provisions of the indenture; (ii) default in the payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on, the Notes, whether or not prohibited by the subordination provisions of the indenture; (iii) failure by MagnaChip or any of its Restricted Subsidiaries to comply with Section 4.10, 4.15 or 5.01 of the Indenture; (iv) failure by MagnaChip or any of its Restricted Subsidiaries for 60 days after notice to MagnaChip by the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding voting as a single class to comply with any of the other agreements in the Indenture; (v) default under certain other agreements relating to Indebtedness of MagnaChip or any of its Restricted Subsidiaries which default (a) is caused by a failure to pay principal of, or interest or premium, if any, on, such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default (a "*Payment Default*") or (b) results in the acceleration of such Indebtedness prior to its express maturity; (vi) certain final judgments for the payment of money that remain undischarged for a period of 60 days; (vii) certain events of bankruptcy or insolvency with respect to MagnaChip or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary; and (viii) except as permitted by the Indenture, any Guarantee is held in any judicial proceeding to be unenforceable or invalid or ceases for any reason to be in full force and effect or any Guarantor or any Person acting on its behalf denies or disaffirms its obligations under such Guarantor's Guarantee. If any Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency, all outstanding Notes will become due and payable immediately without further action or notice. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal or interest or premium or Liquidated Damages, if any,) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may, on behalf of the Holders of all of the Notes, rescind an acceleration or waive any existing Default or Event of Default and its consequences under the Indenture except a continuing Default or Event of Default in the payment of interest or premium or Liquidated Damages, if any, on, or the principal of, the Notes. The Issuers are required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Issuers are required, upon becoming aware of any Default or Event of Default, to deliver to the Trustee a statement specifying such Default or Event of Default.

(14) *TRUSTEE DEALINGS WITH THE ISSUERS*. The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Issuers or their Affiliates, and may otherwise deal with the Issuers or their Affiliates, as if it were not the Trustee.

(15) *NO RECOURSE AGAINST OTHERS*. A director, officer, employee, incorporator or stockholder of the Issuers or any of the Guarantors, as such, will not have any liability for any obligations of the Issuers or the Guarantors under the Notes, the Note Guarantees or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes.

(16) *AUTHENTICATION*. This Note will not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

(17) *ABBREVIATIONS*. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

(18) *ADDITIONAL RIGHTS OF HOLDERS*. In addition to the rights provided to Holders of Notes under the Indenture, Holders of this Regulation S Temporary Global Note will have all the rights set forth in the Registration Rights Agreement dated as of December 23, 2004, among the Issuers, the Guarantors and the other parties named on the signature pages thereof or, in the case of Additional Notes, Holders of Restricted Global Notes and Restricted Definitive Notes will have the rights set forth in one or more registration rights agreements, if any, among the Issuers, the Guarantors and the other parties thereto, relating to rights given by the Issuers and the Guarantors to the purchasers of any Additional Notes (collectively, the "*Registration Rights Agreement*").

(19) *CUSIP NUMBERS*. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuers have caused CUSIP numbers to be printed on the Notes, and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption, and reliance may be placed only on the other identification numbers placed thereon.

(20) GOVERNING LAW. THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THE INDENTURE, THIS NOTE AND THE GUARANTEES WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

The Issuers will furnish to any Holder upon written request and without charge a copy of the Indenture and/or the Registration Rights Agreement. Requests may be made to:

Section 2. Exchange Offer

(a) The Issuers shall (i) file a Registration Statement (the "Exchange Offer Registration Statement") within 180 days after the Issue Date with the Commission on an appropriate registration form with respect to a registered offer (the "Exchange Offer") to exchange any and all of the Registrable Notes for a like aggregate principal amount of notes (the "Exchange Notes") that are identical in all material respects to the Notes (except that the Exchange Notes shall not contain terms with respect to transfer restrictions or Liquidated Damages upon a Registration Default), (ii) use all commercially reasonable efforts to cause the Exchange Offer Registration Statement to be declared effective under the Securities Act on or prior to 210 days after the Issue Date; *provided that*, the Issuers' obligations to have the Exchange Offer Registration Statement declared effective shall be suspended until the date which is 60 days following the date upon which audited financial statements for the year ended December 31, 2005 first become available, to the extent that the Exchange Offer Registration Statement is prevented from being declared effective due to Parent's (or the applicable Issuer's) inability

to produce five years of selected financial information as required by Item 301 of Commission Regulation S-K, and (iii) unless the Exchange Offer would not be permitted by applicable law or Commission policy, (a) commence the Exchange Offer and (b) use all commercially reasonable efforts to issue on or prior to 30 Business Days, or longer, if required by the federal securities laws, after the date on which the Exchange Offer Registration Statement was declared effective by the Commission, the Exchange Notes in exchange for surrender of all Notes validly tendered and not withdrawn prior thereto in the Exchange Offer.

Each Holder that participates in the Exchange Offer will be required to represent to the Issuers in writing that (i) any Exchange Notes to be received by it will be acquired in the ordinary course of its business, (ii) it has no arrangement or understanding with any Person to participate in the distribution (within the meaning of the Securities Act) of the Exchange Notes in violation of the provisions of the Securities Act, (iii) it is not an affiliate of the Issuers (within the meaning of the Securities Act) or, if it is such an affiliate, it will comply with the registration and prospectus delivery requirements of the Securities Act to the extent applicable, (iv) if such Holder is not a broker-dealer, it is not engaged in, and does not intend to engage in, a distribution of Exchange Notes, (v) if such Holder is a broker-dealer that will receive Exchange Notes for its own account in exchange for Notes that were acquired as a result of market-making or other trading activities, it will deliver a prospectus in connection with any resale of such Exchange Notes and (vi) such Holder has full power and authority to transfer the Notes in exchange for the Exchange Notes and that MagnaChip and the Co-Issuer will acquire good and unencumbered title thereto free and clear of any liens, restrictions, charges or encumbrances and not subject to any adverse claims.

(b) The Issuers and the Initial Purchasers acknowledge that the staff of the Commission has taken the position that any broker-dealer that elects to exchange Notes that were acquired by such broker-dealer for its own account as a result of market-making or other trading activities for Exchange Notes in the Exchange Offer (a "Participating Broker-Dealer") may be deemed to be an "underwriter" within the meaning of the Securities Act and must deliver a prospectus meeting the requirements of the Securities Act in connection with any resale of such Exchange Notes (other than a resale of an unsold allotment resulting from the original offering of the Notes).

The Issuers and the Initial Purchasers also acknowledge that the staff of the Commission has taken the position that if the Prospectus contained in the Exchange Offer Registration Statement includes a plan of distribution containing a statement to the above effect and the means by which Participating Broker-Dealers may resell the Exchange Notes, without naming the Participating Broker-Dealers or specifying the amount of Exchange Notes owned by them, such Prospectus may be delivered by Participating Broker-Dealers to satisfy their prospectus delivery obligations under the Securities Act in connection with resales of Exchange Notes for their own accounts, so long as the Prospectus otherwise meets the requirements of the Securities Act.

In light of the foregoing, if requested by a Participating Broker-Dealer (a "Requesting Participating Broker-Dealer"), the Issuers agree to use all commercially reasonable efforts to keep the Exchange Offer Registration Statement continuously effective for a period not to exceed 180 days after the date on which the Exchange Registration Statement is declared effective, or such longer period if extended pursuant to the last paragraph of Section 5 hereof (such period, the "Applicable Period"),

or such earlier date as all Requesting Participating Broker-Dealers shall have notified the Issuer in writing that such Requesting Participating Broker-Dealers have resold all Exchange Notes acquired in the Exchange Offer. The Issuers shall include a plan of distribution in such Exchange Offer Registration Statement that meets the requirements set forth in the preceding paragraph.

If, prior to consummation of the Exchange Offer, the Initial Purchasers or any Holder, as the case may be, holds any Notes acquired by it that have, or that are reasonably likely to be determined to have, the status of an unsold allotment in an initial distribution, or if any Holder is not entitled to participate in the Exchange Offer, the Issuers upon the request of the Initial Purchasers or any such Holder, as the case may be, shall simultaneously with the delivery of the Exchange Notes in the Exchange Offer, issue and deliver to the Initial Purchasers or any such Holder, as the case may be, in exchange (the "Private Exchange") for such Notes held by the Initial Purchasers or any such Holder, as the case may be, a like principal amount of notes (the "Private Exchange Notes") of the Issuers that are identical in all material respects to the Exchange Notes except that the Private Exchange Notes may be subject to restrictions on transfer and bear a legend to such effect. The Private Exchange Notes shall bear the same CUSIP number as the Exchange Notes (if permitted by the CUSIP Service Bureau).

Interest on each Exchange Note and Private Exchange Note issued pursuant to the Exchange Offer and in the Private Exchange will accrue from the last interest payment date on which interest was paid on the Notes surrendered in exchange therefor or, if no interest has been paid on the Notes, from the Issue Date.

Upon consummation of the Exchange Offer in accordance with this Section 2, the Issuers shall have no further registration obligations other than the Issuers' continuing registration obligations with respect to (i) Private Exchange Notes, (ii) Exchange Notes held by Participating Broker-Dealers and (iii) Notes or Exchange Notes as to which clause (c)(iii) of this Section 2 applies.

In connection with the Exchange Offer, the Issuers shall:

(1) mail or cause to be mailed to each Holder of record entitled to participate in the Exchange Offer a copy of the Prospectus forming part of the Exchange Offer Registration Statement, together with an appropriate letter of transmittal and related documents;

(2) utilize the services of a depositary for the Exchange Offer with an address in the Borough of Manhattan, The City of New York, which may be the Trustee or an affiliate thereof;

(3) permit Holders to withdraw tendered Notes at any time prior to the close of business, New York time, on the last Business Day on which the Exchange Offer shall remain open; and

(4) otherwise comply in all material respects with all applicable laws, rules and regulations.

As soon as practicable after the close of the Exchange Offer and the Private Exchange, if any, the Issuers shall:

(1) accept for exchange all Registrable Notes validly tendered and not validly withdrawn by the Holders pursuant to the Exchange Offer and the Private Exchange, if any;

(2) deliver or cause to be delivered to the Trustee for cancellation all Notes so accepted for exchange; and

(3) cause the Trustee to authenticate and deliver promptly to each such Holder tendering such Registrable Notes, Exchange Notes or Private Exchange Notes, as the case may be, equal in principal amount to the Registrable Notes of such Holder so accepted for exchange; *provided that* in the case of any Registrable Notes held in global form by a depositary, authentication and delivery to such depositary of one or more replacement Exchange Notes or Private Exchange Notes in global form in an equivalent principal amount thereto for the account of such Holders in accordance with the Indenture shall satisfy such authentication and delivery requirement.

The Exchange Offer and the Private Exchange shall not be subject to any conditions, other than that (i) the Exchange Offer or Private Exchange, as the case may be, does not violate applicable law or any applicable interpretation of the staff of the Commission, (ii) no action or proceeding shall have been instituted or threatened in any court or by any governmental agency which might materially impair the ability of the Issuers to proceed with the Exchange Offer or the Private Exchange, and no material adverse development shall have occurred in any existing action or proceeding with respect to the Issuers and (iii) all governmental approvals shall have been obtained, which approvals the Issuers deems necessary for the consummation of the Exchange Offer or Private Exchange.

The Exchange Notes and the Private Exchange Notes shall be issued under (i) the Indenture or (ii) an indenture identical in all material respects to the Indenture (in either case, with such changes as are necessary to comply with any requirements of the Commission to effect or maintain the qualification thereof under the TIA or exemption from such qualification) and which, in either case, has been qualified under the TIA or is exempt from such qualification and shall provide that (a) the Exchange Notes shall not be subject to the transfer restrictions set forth in the Indenture and (b) the Private Exchange Notes shall be subject to the transfer restrictions set forth in the Indenture. The Indenture or such indenture shall provide that the Exchange Notes, the Private Exchange Notes and the Notes shall vote and consent together on all matters as one class and that none of the Exchange Notes, the Private Exchange Notes or the Notes will have the right to vote or consent as a separate class on any matter.

(c) In the event that (i) any changes in law or the applicable interpretations of the staff of the Commission do not permit the Issuers to effect the Exchange Offer, (ii) for any reason the Exchange Offer is not consummated within 20 days of the last day permitted by Section 2(a) hereof, (iii) prior to the 20th day following consummation of the Exchange Offer, any Holder, other than the Initial Purchasers, notifies the Issuers that it is prohibited by law or the applicable interpretations of the staff of the Commission from participating in the Exchange Offer or, that it may not resell the

Exchange Notes received by it in the Exchange Offer without delivering a prospectus and the Prospectus contained in the Exchange Offer Registration Statement is not appropriate or available for such resales (other than due solely to the status of such Holder as an affiliate of the Issuers within the meaning of the Securities Act) or (iv) in the case of any Initial Purchaser that participates in the Exchange Offer or acquires Private Exchange Notes, such Initial Purchaser notifies the Issuers that it will not or did not receive freely tradeable Exchange Notes in the Exchange Offer in exchange for Notes or Private Exchange Notes that have the status of unsold allotments in an initial distribution (provided that the requirement that a Participating Broker-Dealer deliver a Prospectus in connection with sales of Exchange Notes acquired in the Exchange Offer in exchange for Notes acquired as a result of market-making activities or other trading activities shall not result in such Exchange Notes being not "freely tradeable")(each such event referred to in clauses (i) through (iv) of this sentence, a "Shelf Filing Event"), then the Issuers shall file a Shelf Registration pursuant to Section 3 hereof.

Section 3. Shelf Registration

If at any time a Shelf Filing Event shall occur, then:

(a) Shelf Registration. The Issuers shall file with the Commission a Registration Statement for an offering to be made on a continuous basis pursuant to Rule 415 covering all of the Registrable Notes not exchanged in the Exchange Offer, Private Exchange Notes and Exchange Notes as to which Section 2(c)(iii) is applicable (the "Shelf Registration"). The Issuers shall use all commercially reasonable efforts to file with the Commission the Shelf Registration on or prior to 30 days after such filing obligation arises. The Shelf Registration shall be on Form S-1 or another appropriate form permitting registration of such Registrable Notes for resale by Holders in the manner or manners designated by them (including, without limitation, one or more underwritten offerings). The Issuers shall not permit any securities other than the Registrable Notes to be included in the Shelf Registration.

(b) The Issuers shall use all commercially reasonable efforts (x) to cause the Shelf Registration to be declared effective under the Securities Act on or prior to 90 days after the Shelf Registration is required to be filed with the Commission; provided that, the Issuers' obligations to have the Shelf Registration declared effective shall be suspended until the date which is 60 days following the date upon which audited financial statements for the year ended December 31, 2005 first become available, to the extent that the Shelf Registration is prevented from being declared effective due to Parent's (or the applicable Issuer's) inability to produce five years of selected financial information as required by Item 301 of Commission Regulation S-K and (y) to keep the Shelf Registration continuously effective under the Securities Act for the period ending on the date which is two years from the Issue Date, subject to extension pursuant to the penultimate paragraph of Section 5 hereof (the "Effectiveness Period"), or such shorter period ending when all Registrable Notes covered by the Shelf Registration have been sold in the manner set forth and as contemplated in the Shelf Registration; provided, however, that (i) the Effectiveness Period in respect of the Shelf Registration shall be extended to the extent required to permit dealers to comply with the applicable prospectus delivery requirements of Rule 174 under the Securities Act and as otherwise provided herein and (ii) the Issuers may suspend the effectiveness of the Shelf Registration Statement by written notice to the Holders solely as a result of (A) the filing of a post-effective amendment to the Shelf Registration Statement to

incorporate annual audited financial information with respect to the Issuers where such post-effective amendment is not yet effective and needs to be declared effective to permit Holders to use the related Prospectus or (B) during a Delay Period (as defined below) and (iii) no Holder (other than an Initial Purchaser) shall be entitled to have the Registrable Notes held by it covered by such Shelf Registration Statement unless such Holder agrees in writing to be bound by all the provisions of this Agreement applicable to such Holder and furnishes to the Issuers and the Trustee in writing, within 20 days after receipt of a request therefor, such information as the Issuers or the Trustee may reasonably request for inclusion in any Shelf Registration Statement.

(c) Supplements and Amendments. The Issuers agree to supplement or make amendments to the Shelf Registration Statement as and when required by the rules, regulations or instructions applicable to the registration form used for such Shelf Registration Statement or by the Securities Act or rules and regulations thereunder for shelf registration, or if reasonably requested in writing by the Holders of a majority in aggregate principal amount of the Registrable Notes covered by such Registration Statement or by any underwriter of such Registrable Notes.

Section 4. Liquidated Damages

(a) The Issuers and the Initial Purchasers agree that the Holders will suffer damages if the Issuers fail to fulfill their obligations under Section 2 or Section 3 hereof and that it would not be feasible to ascertain the extent of such damages with precision. Accordingly, the Issuers agree that if:

(i) the Exchange Offer Registration Statement is not filed with the Commission on or prior to the 180th day following the Issue Date or, if that day is not a Business Day, the next day that is a Business Day,

(ii) the Exchange Offer Registration Statement is not declared effective on or prior to the 210th day following the Issue Date or, if that day is not a Business Day, the next day that is a Business Day or is declared effective by such date but thereafter ceases to be effective or usable, except if the Exchange Offer Registration Statement ceases to be effective or usable as specifically permitted by the penultimate paragraph of Section 5 hereof; *provided that*, such date shall be extended until the date which is 60 days following the date upon which audited financial statements for the year ended December 31, 2005 first become available, to the extent that the Exchange Offer Registration Statement is prevented from being declared effective due to Parent's (or the applicable Issuer's) inability to produce five years of selected financial information as required by Item 301 of Commission Regulation S-K,

(iii) the Exchange Offer is not consummated within 30 Business Days, or if that day is not a Business Day, the next day that is a Business Day, after the Exchange Offer Registration Statement was declared effective by the Commission, or longer if required by federal securities laws; or

(iv) the Shelf Registration Statement is required to be filed but (A) is not declared effective on or prior to 90 days after the Shelf Registration is required to be filed with the Commission, or, if either such day is not a Business Day, the next day that is a Business Day; provided *that*, the Issuers' obligations to have the Shelf Registration Statement declared effective

shall be suspended until the date which is 60 days following the date upon which audited financial statements for the year ended December 31, 2005 first become available, to the extent that the Shelf Registration Statement is prevented from being declared effective due to Parent's (or the applicable Issuer's) inability to produce five years of selected financial information as required by Item 301 of Commission Regulation S-K or (B) is declared effective by such date but thereafter ceases to be effective or usable at any time prior to the second anniversary of its effective date, except if the Shelf Registration ceases to be effective or usable as specifically permitted by the penultimate paragraph of Section 5 hereof; provided, further, that such two year period shall be extended by the aggregate number of days of all Delay Periods

(each such event referred to in clauses (i) through (iv) a "Registration Default"), liquidated damages in the form of additional cash interest ("Liquidated Damages") will accrue on the affected Notes and the affected Exchange Notes, as applicable. The rate of Liquidated Damages will be 0.25% per annum for the first 90-day period immediately following the occurrence of a Registration Default, increasing by an additional 0.25% per annum with respect to each subsequent 90-day period up to a maximum amount of additional interest of 1.00% per annum, from and including the date on which any such Registration Default shall occur to, but excluding, the earlier of (1) the date on which all Registration Defaults have been cured or (2) the date on which all the Notes and Exchange Notes otherwise become freely transferable by Holders other than affiliates of the Issuers without further registration under the Securities Act.

Notwithstanding the foregoing, (1) the amount of Liquidated Damages payable shall not increase because more than one Registration Default has occurred and is pending and (2) a Holder of Notes or Exchange Notes who is not entitled to the benefits of the Shelf Registration Statement (i.e., such Holder has not elected to include information) shall not be entitled to Liquidated Damages with respect to a Registration Default that pertains to the Shelf Registration Statement. Liquidated Damages shall not accrue with respect to Notes that are not Registrable Notes.

(b) So long as Notes remain outstanding, the Issuers shall notify the Trustee within five Business Days after each and every date on which an event occurs in respect of which Liquidated Damages is required to be paid. Any amounts of Liquidated Damages due pursuant to clauses (a)(i), (a)(ii), (a)(iii) or (a)(iv) of this Section 4 will be payable in the manner provided for the payment of interest in the Indenture on each December 15 and June 15 (each a "Damages Payment Date"), as more fully set forth in the Indenture and the Notes, to Holders to whom regular interest is payable on such Damages Payment Date with respect to Notes that are Registrable Securities. The amount of Liquidated Damages for Registrable Notes will be determined by multiplying the applicable rate of Liquidated Damages by the aggregate principal amount of all such Registrable Notes outstanding on the Damages Payment Date following such Registration Default in the case of the first such payment of Liquidated Damages with respect to a Registration Default (and thereafter at the next succeeding Damages Payment Date until the cure of such Registration Default), multiplied by a fraction, the numerator of which is the number of days such Liquidated Damages rate was applicable during such period (determined on the basis of a 360-day year comprised of twelve 30-day months and, in the case of a partial month, the actual number of days elapsed), and the denominator of which is 360.

Section 5. Registration Procedures

In connection with the filing of any Registration Statement pursuant to Section 2 or 3 hereof, the Issuers shall effect such registrations to permit the sale of the securities covered thereby in accordance with the intended method or methods of disposition thereof, and pursuant thereto and in connection with any Registration Statement filed by the Issuers hereunder, the Issuers shall:

(a) Prepare and file with the Commission the Registration Statement or Registration Statements prescribed by Section 2 or 3 hereof, and use all commercially reasonable efforts to cause each such Registration Statement to become effective and remain effective as provided herein; provided, however, that if (1) such filing is pursuant to Section 3 hereof, or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period relating thereto, before filing any Registration Statement or Prospectus or any amendments or supplements thereto, the Issuers shall furnish to and afford the Holders of the Registrable Notes covered by such Registration Statement or each such Participating Broker-Dealer, as the case may be, its counsel (if such counsel is known to the Issuers) and the managing underwriters, if any, a reasonable opportunity to review copies of all such documents (including copies of any documents to be incorporated by reference therein and all exhibits thereto) proposed to be filed (in each case at least five Business Days prior to such filing or such later date as is reasonable under the circumstances). The Issuers shall not file any Registration Statement or Prospectus or any amendments or supplements thereto if the Holders of a majority in aggregate principal amount of the Registrable Notes covered by such Registration Statement, or any such Participating Broker-Dealer, as the case may be, its counsel, or the managing underwriters, if any, shall reasonably object on a timely basis.

(b) Prepare and file with the Commission such amendments and post-effective amendments to each Shelf Registration Statement or Exchange Offer Registration Statement, as the case may be, as may be necessary to keep such Registration Statement continuously effective for the Effectiveness Period or the Applicable Period, as the case may be, provided that none of the foregoing shall be required during a Delay Period; cause the related Prospectus to be supplemented by any Prospectus supplement required by applicable law, and as so supplemented to be filed pursuant to Rule 424 (or any similar provisions then in force) promulgated under the Securities Act, provided that none of the foregoing shall be required during a Delay Period; and comply with the provisions of the Securities Act and the Exchange Act applicable to it with respect to the disposition of all securities covered by such Registration Statement as so amended or in such Prospectus as so supplemented and with respect to the subsequent resale of any securities being sold by a Participating Broker-Dealer covered by any such Prospectus, in each case, in accordance with the intended methods of distribution set forth in such Registration Statement or Prospectus, as so amended.

(c) If (1) a Shelf Registration is filed pursuant to Section 3 hereof, or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer

who seeks to sell Exchange Notes during the Applicable Period relating thereto from whom the Issuers have received written notice that such Broker-Dealer will be a Participating Broker-Dealer in the applicable Exchange Offer, notify the selling Holders of Registrable Notes, or each such Participating Broker-Dealer, as the case may be, their counsel and the managing underwriters, if any, as promptly as possible, and, if requested by any such Person, confirm such notice in writing, (i) when a Prospectus or any Prospectus supplement or post-effective amendment has been filed, and, with respect to a Registration Statement or any post-effective amendment, when the same has become effective under the Securities Act (including in such notice a written statement that any Holder may, upon request, obtain, at the sole expense of the Issuers, one conformed copy of such Registration Statement or post-effective amendment including financial statements and schedules, documents incorporated or deemed to be incorporated by reference and exhibits), (ii) of the issuance by the Commission of any stop order suspending the effectiveness of a Registration Statement or of any order preventing or suspending the use of any preliminary prospectus or the initiation of any proceedings for that purpose, (iii) if at any time when a Prospectus is required by the Securities Act to be delivered in connection with sales of the Registrable Notes or resales of Exchange Notes by Participating Broker-Dealers the representations and warranties of the Issuers contained in any agreement (including any underwriting agreement) contemplated by Section 5(m)(i) hereof cease to be true and correct in all material respects, (iv) of the receipt by the Issuers of any notification with respect to the suspension of the qualification or exemption from qualification of a Registration Statement or any of the Registrable Notes or the Exchange Notes for offer or sale in any jurisdiction, or the initiation or threatening of any proceeding for such purpose, (v) of the happening of any event, the existence of any condition or any information becoming known to the Issuers that makes any statement made in such Registration Statement or related Prospectus or any document incorporated or deemed to be incorporated therein by reference untrue in any material respect or that requires the making of any changes in or amendments or supplements to such Registration Statement, Prospectus or documents so that, in the case of the Registration Statement, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, and that in the case of the Prospectus, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, and (vi) of the Issuers' determination that a post-effective amendment to a Registration Statement would be appropriate.

(d) If (1) a Shelf Registration is filed pursuant to Section 3 hereof, or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period, use all commercially reasonable efforts to prevent the issuance of any order suspending the effectiveness of a Registration Statement or of any order preventing or suspending the use of a Prospectus or suspending the qualification (or exemption from qualification) of any of the Registrable Notes or the Exchange Notes, as the case may be, for sale in any jurisdiction, and, if any such order is issued, to use all commercially reasonable efforts to obtain the withdrawal of any such order at the earliest practicable moment.

(e) If (1) a Shelf Registration is filed pursuant to Section 3 hereof or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period and if reasonably requested by the managing underwriter or underwriters (if any), the Holders of a majority in aggregate principal amount of the Registrable Notes covered by such Registration Statement or any Participating Broker-Dealer, as the case may be, (i) promptly incorporate in such Registration Statement or Prospectus a prospectus supplement or post-effective amendment such information as the managing underwriter or underwriters (if any), such Holders or any Participating Broker-Dealer, as the case may be (based upon advice of counsel), determine is reasonably required to be included therein and request in writing to be included therein and (ii) make all required filings of such prospectus supplement or such post-effective amendment as soon as practicable after the Issuers have received notification of the matters to be incorporated in such prospectus supplement or post-effective amendment; provided, however, that the Issuers shall not be required to take any action hereunder that would, in the written opinion of counsel to the Issuers, violate applicable laws or, in any event, during any Delay Period.

(f) If (1) a Shelf Registration is filed pursuant to Section 3 hereof or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period, furnish to each selling Holder of Registrable Notes or each such Participating Broker-Dealer, as the case may be, who so requests, its counsel and each managing underwriter, if any, at the sole expense of the Issuers, one conformed copy of the Registration Statement or Registration Statements and each post-effective amendment thereto, including financial statements and schedules, and, if requested, all documents incorporated or deemed to be incorporated therein by reference and all exhibits.

(g) If (1) a Shelf Registration is filed pursuant to Section 3 hereof, or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period, deliver to each selling Holder of Registrable Notes or each such Participating Broker-Dealer, as the case may be, its respective counsel, and the underwriters, if any, at the sole expense of the Issuers, as many copies of the Prospectus or Prospectuses (including each form of preliminary prospectus) and each amendment or supplement thereto and any documents incorporated by reference therein as such Persons may reasonably request; and, subject to the last paragraph of this Section 5, the Issuers hereby consent to the use of such Prospectus and each amendment or supplement thereto by each of the selling Holders of Registrable Notes or each such Participating Broker-Dealer, as the case may be, and the underwriters or agents, if any, and dealers (if any), in connection with the offering and sale of the Registrable Notes covered by, or the sale by Participating Broker-Dealers of the Exchange Notes pursuant to, such Prospectus and any amendment or supplement thereto.

(h) Prior to any public offering of Registrable Notes or Exchange Notes or any delivery of a Prospectus contained in the Exchange Offer Registration Statement by any

Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period, use all commercially reasonable efforts to register or qualify, and to cooperate with the selling Holders of Registrable Notes or each such Participating Broker-Dealer, as the case may be, the managing underwriter or underwriters, if any, and its respective counsel in connection with the registration or qualification (or exemption from such registration or qualification) of such Registrable Notes or Exchange Notes, as the case may be, for offer and sale under the securities or Blue Sky laws of such jurisdictions within the United States as any selling Holder, Participating Broker-Dealer, or the managing underwriter or underwriters reasonably request in writing; provided, however, that where Exchange Notes or Registrable Notes are offered other than through an underwritten offering, the Issuers agree to use all commercially reasonable efforts to cause the Issuers' counsel to perform Blue Sky investigations and file registrations and qualifications required to be filed pursuant to this Section 5(h); keep each such registration or qualification (or exemption therefrom) effective during the period such Registration Statement is required to be kept effective and do any and all other acts or things reasonably necessary or advisable to enable the disposition in such jurisdictions of such Exchange Notes or Registrable Notes covered by the applicable Registration Statement; provided, however, that the Issuers shall not be required to (A) qualify generally to do business in any jurisdiction where it is not then so qualified, (B) take any action that would subject it to general service of process in any such jurisdiction where it is not then so subject or (C) subject itself to taxation in excess of a nominal dollar amount in any such jurisdiction where it is not then so subject.

(i) If a Shelf Registration is filed pursuant to Section 3 hereof, cooperate with the selling Holders of Registrable Notes and the managing underwriter or underwriters, if any, to facilitate the timely preparation and delivery of certificates representing Registrable Notes to be sold, which certificates shall not bear any restrictive legends and shall be in a form eligible for deposit with The Depository Trust Company and enable such Registrable Notes to be in such denominations (subject to applicable requirements contained in the Indenture) and registered in such names as the managing underwriter or underwriters, if any, or selling Holders may reasonably request in writing at least five Business Days prior to any sale of such Registrable Notes or Exchange Notes.

(j) Use all commercially reasonable efforts to cause the Registrable Notes or Exchange Notes covered by any Registration Statement to be registered with or approved by such other governmental agencies or authorities as may be reasonably necessary to enable the seller or sellers thereof or the underwriter or underwriters, if any, to consummate the disposition of such Registrable Notes or Exchange Notes, except as may be required solely as a consequence of the nature of such selling Holder's business, in which case the Issuers will cooperate in all reasonable respects with the filing of such Registration Statement and the granting of such approvals.

(k) If (1) a Shelf Registration is filed pursuant to Section 3 hereof, or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period, upon the occurrence of any event contemplated by Section 5(c)(v) or 5(c)(vi) hereof, as promptly as practicable prepare

and file (subject to Section 5(a) and the penultimate paragraph of this Section 5) with the Commission, at the sole expense of the Issuers, a supplement or post-effective amendment to the Registration Statement or a supplement to the related Prospectus or any document incorporated or deemed to be incorporated therein by reference, or file any other required document so that, as thereafter delivered to the purchasers of the Registrable Notes being sold thereunder or to the purchasers of the Exchange Notes to whom such Prospectus will be delivered by a Participating Broker-Dealer, any such Prospectus will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(l) On or prior to the effective date of the first Registration Statement relating to the Registrable Notes, (i) provide the Trustee with certificates for the Registrable Notes in a form eligible for deposit with The Depository Trust Company and (ii) provide a CUSIP number for the Exchange Notes.

(m) In connection with any underwritten offering of Registrable Notes pursuant to a Shelf Registration, enter into an underwriting agreement as is customary in underwritten offerings of debt securities similar to the Notes and take all such other actions as are reasonably requested in writing by the managing underwriter or underwriters in order to expedite or facilitate the registration or the disposition of such Registrable Notes and, in such connection, (i) make such representations and warranties to, and covenants with, the underwriters with respect to the business of the Issuers and their subsidiaries, as then conducted (including any acquired business, properties or entity, if applicable), and the Registration Statement, Prospectus and documents, if any, incorporated or deemed to be incorporated by reference therein, in each case, as are customarily made by issuers to underwriters in underwritten offerings of debt securities similar to the Notes, and confirm the same in writing if and when reasonably requested; (ii) use all commercially reasonable efforts to obtain the written opinions of counsel to the Issuers and written updates thereof in form, scope and substance reasonably satisfactory to the managing underwriter or underwriters, addressed to the underwriters covering the matters customarily covered in opinions of counsel to issuers requested in underwritten offerings of debt securities similar to the Notes; (iii) use all commercially reasonable efforts to obtain "cold comfort" letters and updates thereof in form, scope and substance reasonably satisfactory to the managing underwriter or underwriters from the independent certified public accountants of the Issuers (and, if necessary, any other independent certified public accountants of any subsidiary of the Issuers or of any business acquired by the Issuers for which financial statements and financial data are, or are required to be, included or incorporated by reference in the Registration Statement), addressed to each of the underwriters, such letters to be in customary form and covering matters of the type customarily covered in "cold comfort" letters in connection with underwritten offerings of debt securities similar to the Notes; and (iv) if an underwriting agreement is entered into, the same shall contain indemnification provisions and procedures no less favorable than those set forth in Section 7 hereof (or such other provisions and procedures acceptable to Holders of a majority in aggregate principal amount of Registrable Notes covered by such Registration Statement and the managing underwriter or underwriters or agents) with respect to all parties to be indemnified pursuant to said Section; provided

that the Issuers shall not be required to provide indemnification to any underwriter selected in accordance with the provisions of Section 9 hereof with respect to information relating to such underwriter furnished in writing to the Issuers by or on behalf of such underwriter expressly for inclusion in such Registration Statement. The above shall be done at each closing under such underwriting agreement, or as and to the extent required thereunder.

(n) If (1) a Shelf Registration is filed pursuant to Section 3 hereof or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period, make available for inspection by any selling Holder of such Registrable Notes being sold or each such Participating Broker-Dealer, as the case may be, any underwriter participating in any such disposition of Registrable Notes, if any, and any attorney, accountant or other agent retained by any such selling Holder or each such Participating Broker-Dealer, as the case may be, or underwriter (collectively, the "Inspectors"), upon written request, at the offices where normally kept, during reasonable business hours, all pertinent financial and other records, pertinent corporate documents and instruments of the Issuers and its subsidiaries (collectively, the "Records") as shall be reasonably necessary to enable them to exercise any applicable due diligence responsibilities, and cause the officers, directors and employees of the Issuers and their subsidiaries to supply all information reasonably requested in writing by any such Inspector in connection with such Registration Statement and Prospectus. Each Inspector shall agree in writing that it will keep the Records confidential and that it will not disclose, or use in connection with any market transactions in violation of any applicable securities laws, any Records that the Issuers determine, in good faith, to be confidential unless (i) the disclosure of such Records is necessary to avoid or correct a misstatement or omission in such Registration Statement or Prospectus in the reasonable opinion of counsel for an Inspector, (ii) the release of such Records is ordered pursuant to a subpoena or other order from a court of competent jurisdiction, (iii) disclosure of such information is necessary or advisable in the opinion of counsel for an Inspector in connection with any action, claim, suit or proceeding, directly or indirectly, involving or potentially involving such Inspector and arising out of, based upon, relating to, or involving this Agreement or the Purchase Agreement, or any transactions contemplated hereby or thereby or arising hereunder or thereunder, or (iv) the information in such Records has been made generally available to the public other than as a result of a disclosure or failure to safeguard by such Inspector; provided, however, that (i) each Inspector shall agree to use reasonable best efforts to provide notice to the Issuers of the potential disclosure of any information by such Inspector pursuant to clause (i), (ii) or (iii) of this sentence to permit the Issuers to obtain a protective order (or waive the provisions of this paragraph (n)) and (ii) each such Inspector shall take such actions as are reasonably necessary to protect the confidentiality of such information (if practicable) to the extent such action is otherwise not inconsistent with, an impairment of or in derogation of the rights and interests of the Holder or any Inspector. Each selling Holder of such Registrable Notes and each such Participating Broker-Dealer will be required to agree that information obtained by it as a result of such inspections shall be deemed confidential and shall not be used by it as the basis for any market transactions in the securities of the Parent, the Issuers or their respective subsidiaries unless and until such is made generally available to the public.

(o) Provide an indenture trustee for the Registrable Notes or the Exchange Notes, as the case may be, and cause the Indenture or the trust indenture provided for in Section 2(a) hereof to be qualified under the TIA not later than the effective date of the Exchange Offer or the first Registration Statement relating to the Registrable Notes; and in connection therewith, cooperate with the trustee under any such indenture and the Holders of the Registrable Notes or Exchange Notes, as applicable, to effect such changes to such indenture as may be required for such indenture to be so qualified in accordance with the terms of the TIA; and execute, and use all commercially reasonable efforts to cause such trustee to execute, all documents as may be required to effect such changes, and all other forms and documents required to be filed with the Commission to enable such indenture to be so qualified in a timely manner.

(p) Use all commercially reasonable efforts to comply with all applicable rules and regulations of the Commission and make generally available to the Issuers' securityholders earnings statements satisfying the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder (which need not be audited) (or any similar rule promulgated under the Securities Act) no later than 45 days after the end of any fiscal quarter (or 90 days after the end of any 12-month period if such period is a fiscal year) (i) commencing at the end of any fiscal quarter in which Registrable Notes or Exchange Notes are sold to underwriters in a firm commitment or best efforts underwritten offering and (ii) if not sold to underwriters in such an offering, commencing on the first day of the first fiscal quarter of the Issuers after the effective date of a Registration Statement, which statements shall cover said 12-month periods consistent with the requirements of Rule 158.

(q) Upon the request of a Holder, upon consummation of the Exchange Offer or a Private Exchange, use all commercially reasonable efforts to obtain an opinion of counsel to the Issuers, in form and substance customary for such underwritten transactions, addressed to the Trustee for the benefit of all Holders of Registrable Notes participating in the Exchange Offer or the Private Exchange, as the case may be, that the Exchange Notes or Private Exchange Notes, as the case may be, and the related indenture constitute legal, valid and binding obligations of the Issuers, enforceable against the Issuers in accordance with its respective terms, subject to customary exceptions and qualifications.

(r) If the Exchange Offer or a Private Exchange is to be consummated, upon delivery of the Registrable Notes by Holders to the Issuers (or to such other Person as directed by the Issuers) in exchange for the Exchange Notes or the Private Exchange Notes, as the case may be, mark, or cause to be marked, on such Registrable Notes that such Registrable Notes are being cancelled in exchange for the Exchange Notes or the Private Exchange Notes, as the case may be; provided that in no event shall such Registrable Notes be marked as paid or otherwise satisfied.

(s) Cooperate with each seller of Registrable Notes covered by any Registration Statement and each underwriter, if any, participating in the disposition of such Registrable Notes and their respective counsel in connection with any filings required to be made with the National Association of Securities Dealers, Inc. (the "NASD").

(t) Use all commercially reasonable efforts to take all other steps reasonably necessary or advisable to effect the registration of the Exchange Notes and/or Registrable Notes covered by a Registration Statement contemplated hereby.

The Issuers may require each seller of Registrable Notes or Exchange Notes as to which any registration is being effected to furnish to the Issuers such information regarding such seller or Participating Broker-Dealer and the distribution of such Registrable Notes or Exchange Notes as the Issuers may, from time to time, reasonably request. The Issuers may exclude from such registration the Registrable Notes of any seller or Participating Broker-Dealer so long as such seller or Participating Broker-Dealer fails to furnish such information within a reasonable time after receiving such request and in the event of such an exclusion, the Issuers shall have no further obligation under this Agreement (including, without limitation, the obligations under Section 4) with respect to such seller or Participating Broker-Dealer or any subsequent Holder of such Registrable Notes. Each seller or Participating Broker-Dealer as to which any Shelf Registration is being effected agrees to furnish promptly to the Issuers all information required to be disclosed in order to make any information previously furnished to the Issuers by such seller not materially misleading.

If any such Registration Statement refers to any Holder by name or otherwise as the holder of any securities of the Issuers, then such Holder shall have the right to require (i) the insertion therein of language, in form and substance reasonably satisfactory to such Holder, to the effect that the holding by such Holder of such securities is not to be construed as a recommendation by such Holder of the investment quality of the securities covered thereby and that such holding does not imply that such Holder will assist in meeting any future financial requirements of the Issuers, or (ii) in the event that such reference to such Holder by name or otherwise is not required by the Securities Act or any similar federal statute then in force, the deletion of the reference to such Holder in any amendment or supplement to the applicable Registration Statement filed or prepared subsequent to the time that such reference ceases to be required.

Each Holder of Registrable Notes and each Participating Broker-Dealer agrees by acquisition of such Registrable Notes or Exchange Notes that, upon actual receipt of any notice from the Issuers (x) of the happening of any event of the kind described in Section 5(c)(ii), 5(c)(iii), 5(c)(iv), or 5(c)(v) hereof, or (y) that the Board of Directors of the Issuers (the "Board of Directors") has resolved that the Issuers have a *bona fide* business purpose for doing so, then the Issuers may delay the filing or the effectiveness of the Exchange Offer Registration Statement or the Shelf Registration Statement (if not then filed or effective, as applicable) and shall not be required to maintain the effectiveness thereof or amend or supplement the Exchange Offer Registration Statement or the Shelf Registration, in all cases, for a period (a "Delay Period") expiring upon the earlier to occur of (i) in the case of the immediately preceding clause (x), such Holder's or Participating Broker-Dealer's receipt of the copies of the supplemented or amended Prospectus contemplated by Section 5(k) hereof or until it is advised in writing (the "Advice") by the Issuers that the use of the applicable Prospectus may be resumed, and has received copies of any amendments or supplements thereto or (ii) in the case of the immediately preceding clause (y), the date which is the earlier of (A) the date on which such business purpose ceases to interfere with the Issuers' obligations to file or maintain the effectiveness of any such Registration Statement pursuant to this Agreement or (B) 60 days after the Issuers notify the Holders of such good faith determination. There shall not be more than 60 days of Delay Periods during any 12-month

period. Each of the Effectiveness Period and the Applicable Period, if applicable, shall be extended by the number of days during any Delay Period. Any Delay Period will not alter the obligations of the Issuers to pay Liquidated Damages under the circumstances set forth in Section 4 hereof (except as noted in Section 4).

In the event of any Delay Period pursuant to clause (y) of the preceding paragraph, notice shall be given as soon as practicable after the Board of Directors makes such a determination of the need for a Delay Period and shall state, to the extent practicable, an estimate of the duration of such Delay Period and shall advise the recipient thereof of the agreement of such Holder provided in the next succeeding sentence. Each Holder, by his acceptance of any Registrable Note, agrees that during any Delay Period, each Holder will discontinue disposition of such Notes or Exchange Notes covered by such Registration Statement or Prospectus or Exchange Notes to be sold by such Holder or Participating Broker-Dealer, as the case may be.

Section 6. Registration Expenses

All fees and expenses incident to the performance of or compliance with this Agreement by the Issuers (other than any underwriting discounts or commissions) shall be borne by the Issuers, whether or not the Exchange Offer Registration Statement or the Shelf Registration is filed or becomes effective or the Exchange Offer is consummated, including, without limitation, (i) all registration and filing fees (including, without limitation, (A) fees with respect to filings required to be made with the NASD in connection with an underwritten offering and (B) fees and expenses of compliance with state securities or Blue Sky laws (including, without limitation, reasonable fees and disbursements of counsel in connection with Blue Sky qualifications of the Registrable Notes or Exchange Notes and determination of the eligibility of the Registrable Notes or Exchange Notes for investment under the laws of such jurisdictions (x) where the holders of Registrable Notes are located, in the case of an Exchange Offer, or (y) as provided in Section 5(h) hereof, in the case of a Shelf Registration or in the case of Exchange Notes to be sold by a Participating Broker-Dealer during the Applicable Period)), (ii) printing expenses, including, without limitation, expenses of printing certificates for Registrable Notes or Exchange Notes in a form eligible for deposit with The Depository Trust Company and of printing prospectuses if the printing of prospectuses is requested by the managing underwriter or underwriters, if any, or by the Holders of a majority in aggregate principal amount of the Registrable Notes included in any Registration Statement or in respect of Exchange Notes to be sold by any Participating Broker-Dealer during the Applicable Period, as the case may be, (iii) messenger, telephone and delivery expenses, (iv) fees and disbursements of counsel for the Issuers and reasonable fees and disbursements of one special counsel for all of the sellers of Registrable Notes (exclusive of any counsel retained pursuant to Section 7 hereof), (v) fees and disbursements of all independent certified public accountants referred to in Section 5(m)(iii) hereof (including, without limitation, the expenses of any special audit and "cold comfort" letters required by or incident to such performance), (vi) Securities Act liability insurance, if the Issuers desire such insurance, (vii) fees and expenses of all other Persons retained by the Issuers, (viii) internal expenses of the Issuers (including, without limitation, all salaries and expenses of officers and employees of the Issuers performing legal or accounting duties), (ix) the expense of any annual audit, (x) the fees and expenses incurred in connection with the listing of the securities to be registered on any securities exchange, and the obtaining of a rating of the securities, in each case, if applicable, and (xi) the expenses relating to printing, word

processing and distributing all Registration Statements, underwriting agreements, indentures and any other documents necessary in order to comply with this Agreement. Notwithstanding the foregoing or anything to the contrary, each Holder shall pay all underwriting discounts and commissions of any underwriters with respect to any Registrable Notes sold by or on behalf of it.

Section 7. Indemnification

(a) Each of the Issuers and the Guarantors, jointly and severally, agrees to indemnify and hold harmless each Holder of Registrable Notes and each Participating Broker-Dealer selling Exchange Notes during the Applicable Period, each Person, if any, who controls any such Person within the meaning of Section 15 of the Securities Act or Section 20(a) of the Exchange Act, the agents, employees, officers and directors of each Holder and each such Participating Broker-Dealer and the agents, employees, officers and directors of any such controlling Person (each, a "Participant") from and against any and all losses, liabilities, claims, damages and expenses (including, but not limited to, reasonable attorneys' fees and any and all reasonable out-of-pocket expenses actually incurred in investigating, preparing or defending against any litigation, commenced or threatened, or any claim whatsoever, and any and all reasonable amounts paid in settlement of any claim or litigation (in the manner set forth in clause (c) below)) (collectively, "Losses") to which they or any of them may become subject under the Securities Act, the Exchange Act or otherwise insofar as such Losses (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement (or any amendment thereto) or Prospectus (as amended or supplemented if the Issuers shall have furnished any amendments or supplements thereto) or any preliminary prospectus, or caused by, arising out of or based upon any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, provided that (i) the foregoing indemnity shall not be available to any Participant insofar as such Losses arise out of or are based upon any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with information relating to such Participant furnished to the Issuers in writing by or on behalf of such Participant expressly for use therein, and (ii) that the foregoing indemnity with respect to any preliminary prospectus shall not inure to the benefit of any Participant from whom the Person asserting such Losses purchased Registrable Notes if (x) it is established in the related proceeding that such Participant failed to send or give a copy of the Prospectus (as amended or supplemented if such amendment or supplement was furnished to such Participant prior to the written confirmation of such sale) to such Person with or prior to the written confirmation of such sale, if required by applicable law, and (y) the untrue statement or omission or alleged untrue statement or omission was corrected in the Prospectus (as amended or supplemented if amended or supplemented as aforesaid). This indemnity agreement will be in addition to any liability that the Issuers and Guarantors may otherwise have, including, but not limited to, liability under this Agreement.

(b) Each Participant agrees, severally and not jointly, to indemnify and hold harmless the Issuers, each Person, if any, who controls any of the Issuers or the Guarantors within the meaning of Section 15 of the Securities Act or Section 20(a) of the Exchange Act, and each of its agents, employees, officers and directors and the agents, employees, officers and directors of any such controlling Person from and against any Losses to which they or any of them may become subject under the Securities Act, the Exchange Act or otherwise insofar as such Losses (or actions in respect

thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement (or any amendment thereto) or Prospectus (as amended or supplemented if the Issuers shall have furnished any amendments or supplements thereto) or any preliminary prospectus, or caused by, arising out of or based upon any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case to the extent, but only to the extent, that any such Loss arises out of or is based upon any untrue statement or alleged untrue statement or omission or alleged omission made in reliance upon and in conformity with information relating to such Participant furnished in writing to the Issuers by or on behalf of such Participant expressly for use therein. This indemnity agreement will be in addition to any liability that a Participant may otherwise have, including, but not limited to, liability under this Agreement.

(c) Promptly after receipt by an indemnified party under subsection 7(a) or 7(b) above of notice of the commencement of any action, suit or proceeding (collectively, an "action"), such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify each party against whom indemnification is to be sought in writing of the commencement of such action (but the failure so to notify an indemnifying party shall not relieve such indemnifying party from any liability that it may have under this Section 7 except to the extent that it has been prejudiced in any material respect by such failure). In case any such action is brought against any indemnified party, and it notifies an indemnifying party of the commencement of such action, the indemnifying party will be entitled to participate in such action, and to the extent it may elect by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense of such action with counsel reasonably satisfactory to such indemnified party. Notwithstanding the foregoing, the indemnified party or parties shall have the right to employ its or their own counsel in any such action, but the reasonable fees and expenses of such counsel shall be at the expense of such indemnified party or parties unless (i) the employment of such counsel shall have been authorized in writing by the indemnifying parties in connection with the defense of such action, (ii) the indemnifying parties shall not have employed counsel to take charge of the defense of such action within a reasonable time after notice of commencement of the action, or (iii) the named parties to such action (including any impleaded parties) include such indemnified party and the indemnifying party or parties (or such indemnifying parties have assumed the defense of such action), and such indemnified party or parties shall have reasonably concluded, that there may be defenses available to it or them that are different from or additional to those available to one or all of the indemnifying parties (in which case the indemnifying parties shall not have the right to direct the defense of such action on behalf of the indemnified party or parties), in any of which events such reasonable fees and expenses of counsel shall be borne by the indemnifying parties. In no event shall the indemnifying party be liable for the fees and expenses of more than one counsel (together with appropriate local counsel) at any time for all indemnified parties in connection with any one action or separate but substantially similar or related actions arising in the same jurisdiction out of the same general allegations or circumstances. Any such separate firm for the Participants shall be designated in writing by Participants who sold a majority in interest of Registrable Notes sold by all such Participants and shall be reasonably acceptable to the Issuers and any such separate firm for the Issuers, its affiliates, officers, directors, representatives, employees and agents and such control Person of the Issuers shall be designated in writing by the Issuers and shall be reasonably acceptable to the Holders. An indemnifying party shall not be liable for any settlement of any claim or action effected

without its written consent, which consent may not be unreasonably withheld. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened proceeding in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party, unless such settlement includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such proceeding.

(d) In order to provide for contribution in circumstances in which the indemnification provided for in this Section 7 is for any reason held to be unavailable from the indemnifying party, or is insufficient to hold harmless a party indemnified under this Section 7, each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such aggregate Losses (i) in such proportion as is appropriate to reflect the relative benefits received by each indemnifying party, on the one hand, and each indemnified party, on the other hand, from the sale of the Notes to the Initial Purchasers or the resale of the Registrable Notes by such Holder, as applicable, or (ii) if such allocation is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of each indemnified party, on the one hand, and each indemnifying party, on the other hand, in connection with the statements or omissions that resulted in such Losses, as well as any other relevant equitable considerations. The relative benefits received by the Issuers and the Guarantors, on the one hand, and each Participant, on the other hand, shall be deemed to be in the same proportion as (x) the total proceeds from the sale of the Notes to the Initial Purchasers (net of discounts and commissions but before deducting expenses) received by the Issuers and the Guarantors are to (y) the total discount and commissions received by such Participant in connection with the sale of the Registrable Notes. The relative fault of the parties shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by an Issuer or any Guarantor or such Participant and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission or alleged statement or omission.

(e) The parties agree that it would not be just and equitable if contribution pursuant to this Section 7 were determined by pro rata allocation or by any other method of allocation that does not take into account the equitable considerations referred to above. Notwithstanding the provisions of this Section 7, (i) in no case shall any Participant be required to contribute any amount in excess of the amount by which the total discount and commissions received by such Participant in connection with the sale of the Registrable Notes exceeds the amount of any damages that such Participant has otherwise been required to pay by reason of any untrue or alleged untrue statement or omission or alleged omission and (ii) no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. Any party entitled to contribution will, promptly after receipt of notice of commencement of any action against such party in respect of which a claim for contribution may be made against another party or parties under this Section 7, notify such party or parties from whom contribution may be sought, but the omission to so notify such party or parties shall not relieve the party or parties from whom contribution may be sought from any obligation it or they may have under this Section 7 or otherwise, except to the extent that it has been prejudiced in any material respect by such failure; provided, however, that no additional notice shall be required with respect to any

action for which notice has been given under this Section 7 for purposes of indemnification. Anything in this section to the contrary notwithstanding, no party shall be liable for contribution with respect to any action or claim settled without its written consent, provided, however, that such written consent was not unreasonably withheld.

Section 8. Rules 144 and 144A

The Issuers covenant that they will file the reports required, if any, to be filed by them under the Securities Act and the Exchange Act and the rules and regulations adopted by the Commission thereunder in a timely manner in accordance with the requirements of the Securities Act and the Exchange Act and, if at any time the Issuers are not required to file such reports, they will, upon the request of any Holder or beneficial owner of Registrable Notes, make available such information necessary to permit sales pursuant to Rule 144A under the Securities Act. The Issuers further covenant that for so long as any Registrable Notes remain outstanding they will take such further action as any Holder of Registrable Notes may reasonably request from time to time to enable such Holder to sell Registrable Notes without registration under the Securities Act within the limitation of the exemptions provided by (a) Rule 144(k) and Rule 144A under the Securities Act, as such Rules may be amended from time to time, or (b) any similar rule or regulation hereafter adopted by the Commission.

Section 9. Underwritten Registrations

If any of the Registrable Notes covered by any Shelf Registration are to be sold in an underwritten offering, the investment banker or investment bankers and manager or managers that will manage the offering will be selected by the Holders of a majority in aggregate principal amount of such Registrable Notes included in such offering and shall be reasonably acceptable to the Issuers.

No Holder of Registrable Notes may participate in any underwritten registration hereunder if such Holder does not (a) agree to sell such Holder's Registrable Notes on the basis provided in any underwriting arrangements approved by the Persons entitled hereunder to approve such arrangements and (b) complete and execute all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents required under the terms of such underwriting arrangements.

Section 10. Submission to Jurisdiction; Waiver of Jury Trial. No proceeding related to this Agreement or the transactions contemplated hereby may be commenced, prosecuted or continued in any court other than the courts of the State of New York located in the City and County of New York or in the United States District Court for the Southern District of New York, which courts shall have jurisdiction over the adjudication of such matters, and the Issuers hereby consent to the jurisdiction of such courts and personal service with respect thereto. The Issuers shall irrevocably appoint CT Corporation System as an authorized agent pursuant to Section 8(l) of the Purchase Agreement, as its authorized agent in the City and County of New York upon which process may be served in any such suit or proceeding, and agrees that service of process upon such agent, and written notice of said service to each Issuer, by the person serving the same to the address provided in Section 12, shall be deemed in every respect effective service of process upon each Issuer, as applicable, in such suit or proceeding. The Issuers and each Guarantor hereby waive all right to trial by jury in any proceeding (whether based upon contract, tort or otherwise) in any way arising out of or relating to this Agreement.

The Issuers and each Guarantor agree that a final judgment in any such proceeding brought in any such court shall be conclusive and binding upon the Issuers and each Guarantor and may be enforced in any other courts in the jurisdiction of which any Issuer or any Guarantor is or may be subject, by suit upon such judgment.

Section 11. Judgment Currency. In respect of any judgment or order given or made for any amount due hereunder that is expressed and paid in a currency (the "**judgment currency**") other than United States dollars, the Issuer and the Guarantors, as applicable, will indemnify each Initial Purchaser, and the Initial Purchasers will indemnify the Issuers and the Guarantors, against any loss incurred by such Initial Purchaser as a result of any variation as between (i) the rate of exchange at which the United States dollar amount is converted into the judgment currency for the purpose of such judgment or order and (ii) the spot rate of exchange in The City of New York at which such party on the date of payment of such judgment or order is able to purchase United States dollars with the amount of the judgment currency actually received by such party. The foregoing indemnity shall constitute a separate and independent obligation of each of the Issuers and the Initial Purchasers and shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term "**rate of exchange**" shall include any premiums and costs of exchange payable in connection with the purchase of or conversion into United States dollars.

Section 12. Miscellaneous

(a) No Inconsistent Agreements. The Issuers have not, as of the date hereof, and shall not have, after the date of this Agreement, entered into any agreement with respect to any of their securities that is inconsistent with the rights granted to the Holders of Registrable Notes in this Agreement or otherwise conflicts with the provisions hereof. The rights granted to the Holders hereunder do not conflict with and are not inconsistent with, in any material respect, the rights granted to the holders of any of the Issuers' other issued and outstanding securities under any such agreements. The Issuers have not entered and will not enter into any agreement with respect to any of their securities which will grant to any Person piggy-back registration rights with respect to any Registration Statement.

(b) Adjustments Affecting Registrable Notes. The Issuers shall not, directly or indirectly, take any action with respect to the Registrable Notes as a class that would adversely affect the ability of the Holders of Registrable Notes to include such Registrable Notes in a registration undertaken pursuant to this Agreement.

(c) Amendments and Waivers. The provisions of this Agreement may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given except pursuant to a written agreement duly signed and delivered by (I) the Issuers and (II)(A) the Holders of not less than a majority in aggregate principal amount of the then outstanding Registrable Notes and (B) in circumstances that would adversely affect the Participating Broker-Dealers, the Participating Broker-Dealers holding not less than a majority in aggregate principal amount of the Exchange Notes held by all Participating Broker-Dealers; provided, however, that Section 7 and this Section 10(c) may not be amended, modified or supplemented except pursuant to a written agreement duly signed and delivered by the Issuers and each Holder and each Participating

Broker-Dealer (including any Person who was a Holder or Participating Broker-Dealer of Registrable Notes or Exchange Notes, as the case may be, disposed of pursuant to any Registration Statement) affected by any such amendment, modification, supplement or waiver. Ladies and Gentlemen:

MagnaChip Semiconductor S.a r.l, a Luxembourg private limited liability company (*societe a responsabilite limitee)* (which will be converted to a Luxembourg public limited liability company (*societe anonyme*) prior to the Closing Date (as defined herein)) ("**Luxco**") and its wholly owned subsidiary, MagnaChip Semiconductor Finance Company, a Delaware corporation (the "**Co-Issuer**," and together with Luxco, the "**Issuers**"), and MagnaChip Semiconductor LLC, a Delaware limited liability company ("**Parent**"), and each of the other Guarantors (as defined herein) agree with you as follows:

1. Issuance of Notes. The Issuers propose to issue and sell to UBS Securities LLC (the "**Representative**") and Citigroup Global Markets Inc., Goldman, Sachs & Co., J.P. Morgan Securities Inc. and Deutsche Bank Securities Inc. (together with the Representative, the "**Initial Purchasers**") $300,000,000 aggregate principal amount of its Floating Rate Second Priority Senior Secured Notes due 2011 (the "**Original Floating Rate Notes**"), $200,000,000 aggregate principal amount of its 6 7/8 % Second Priority Senior Secured Notes due 2011 (the "**Original Fixed Rate Notes,**" and together with the Original Floating Rate Notes, the "**Original Senior Notes**") and $250,000,000 aggregate principal amount of its 8% Senior Subordinated Notes due 2014 (the "**Original Subordinated Notes,**" and together with the Original Senior Notes, the "**Original Notes**"). The Issuers' obligations under the Original Senior Notes and the Senior Notes Indenture (as defined below) will be, jointly and severally, unconditionally guaranteed (the "**Senior Guarantees**," and together with the Original Senior Notes, the "**Senior Securities**") on a second-lien, senior

secured basis, by Parent and each of the Subsidiaries (as defined below) listed on the signature pages hereto (the "**Guarantors**"). The Issuers' obligations under the Original Subordinated Notes and the Subordinated Notes Indenture (as defined below) will be, jointly and severally, unconditionally guaranteed (the "**Subordinated Guarantees**," and together with the Original Subordinated Notes, the "**Subordinated Securities**") on a senior subordinated basis, by each of the Guarantors except MagnaChip Semiconductor, Ltd. (Korea). The Senior Guarantees and the Subordinated Guarantees are referred to herein as the "**Guarantees**". The Senior Securities and the Subordinated Securities are referred to herein as the "**Securities**." The Senior Securities will be issued pursuant to an indenture (the "**Senior Notes Indenture**") and the Subordinated Securities will be issued pursuant to a separate indenture (the "**Subordinated Notes Indenture**," and together with the Senior Notes Indenture, the "**Indentures**"), each to be dated the Closing Date (as defined herein), by and between the Issuers and the trustee to be named therein, as trustee (the "**Trustee**").

The Securities will be offered and sold to the Initial Purchasers pursuant to an exemption from the registration requirements under the Securities Act of 1933, as amended (the "**Act**"). The Issuers have prepared a preliminary offering memorandum, dated as of December 6, 2004 as supplemented by a Supplemental Preliminary Offering Memorandum dated December 13, 2004, (as supplemented, the "**Preliminary Offering Memorandum**"), and a final offering memorandum, dated as of and available for distribution on the date hereof, (the "**Offering Memorandum**") relating to the Issuers and the Securities.

It is understood and acknowledged that upon original issuance thereof, and until such time as the same is no longer required under the applicable requirements of the Act, the Original Notes (and all securities issued in exchange therefor, in substitution thereof) shall bear the legend in the form of Exhibit A attached hereto (along with such other legends as the Initial Purchasers and their counsel deem necessary).

The Initial Purchasers have advised the Issuers that the Initial Purchasers intend, as soon as they deem practicable after this Purchase Agreement (this "**Agreement**") has been executed and delivered, to resell (the "**Exempt Resales**") the Securities in private sales exempt from registration under the Act on the terms set forth in the Offering Memorandum, as amended or supplemented, solely to (i) persons whom the Initial Purchasers reasonably believe to be "qualified institutional buyers" ("**QIBs**"), as defined in Rule 144A under the Act ("**Rule 144A**"), in accordance with Rule 144A and (ii) other eligible purchasers pursuant to offers and sales that occur outside the United States within the meaning of Regulation S under the Act ("**Regulation S**") in accordance with Regulations S (the persons specified in clauses (i) and (ii), the "**Eligible Purchasers**").

Holders (including subsequent transferees) of the Senior Securities will have the registration rights under the registration rights agreement (the "**Senior Registration Rights Agreement**") and the Holders (including subsequent transferees) of the Subordinated Securities will have the registration rights under a separate registration rights agreement (the "**Subordinated Registration Rights Agreement**" and together with the Senior Registration Rights Agreement, the "**Registration Rights Agreements**"), among the Issuers, the applicable Guarantors and the Initial Purchasers, to be dated the Closing Date, substantially in the form attached hereto as Exhibit B. Under the Registration Rights Agreements, the Issuers will agree to (i) file with the Securities and Exchange Commission (the "**Commission**") (a) a registration statement under the Act (the "**Exchange Offer Registration Statement**") relating to new issues of debt securities (collectively with the Private Exchange Notes (as defined in the Registration Rights Agreements), the "**Exchange Notes**" and,

together with the Original Notes, the "**Notes**"), guaranteed by the guarantors under the Indentures, to be offered in exchange for the Original Notes and the Guarantees thereof (the "**Exchange Offer**") and issued under the Indentures or indentures substantially identical to the Indentures and/or (b) under certain circumstances set forth in the Registration Rights Agreements, a shelf registration statement pursuant to Rule 415 under the Act (the "**Shelf Registration Statement**") relating to the resale by certain holders of the Original Notes and the Guarantees thereof, (ii) to use all commercially reasonable efforts to cause the Exchange Offer Registration Statement and, if applicable, the Shelf Registration Statement to be declared effective and (iii) to use all commercially reasonable efforts to consummate the Exchange Offer, all within the time periods specified in the Registration Rights Agreements.

The Senior Securities will have the benefit of the Security Documents (as defined in the Senior Notes Indenture), pursuant to which the Issuers will, among other things, grant security interests in and liens on substantially all of the assets of the Parent and the Guarantors that secure our new senior secured credit facility, subject to certain exceptions, as described in the Offering Memorandum (the "**Collateral**").

The Collateral securing the Senior Securities will be governed by (a) the Intercreditor Agreement, to be dated as of the Closing Date (the "**Intercreditor Agreement**"), among the Issuers, the Parent, the pledgors from time to time party thereto, the UBS AG, Stamford Branch, as Administrative Agent, the Collateral Trustee and the Trustee, (b) the Security Agreement, to be dated as of the Closing Date (as defined herein) (the "**Security Agreement**"), between the Issuers and the Collateral Trustee (as defined in the Senior Notes Indenture) and (c) the Security Documents.

(Korea) of all of its obligations outstanding pursuant to the loan agreement, dated September 23, 2004, among Hynix Semiconductor Inc., as borrower, Korea Exchange Bank, as arranger, the banks and other financial institutions named therein as lenders, Korea Exchange Bank as agent and security agent (the "**Original Credit Agreement**") and the related Novation Agreement, dated October 6, 2004, among Hynix Semiconductor Inc., as existing borrower, Korea Exchange Bank, the other financial institutions named therein, and MagnaChip Semiconductor, Ltd. (Korea), as new borrower (the "**Novation Agreement**," and together with the Original Credit Agreement the "**Existing Credit Agreement**"), other than loans (and reimbursements with respect to any letters of credit still outstanding thereunder) which may not be prepaid prior to one year following the date such loan is made, and (iii) the redemption of (a) $50 million worth of the Parent's outstanding Series B Preferred Units prior to the Closing Date, (b) all of the Parent's outstanding Series A Preferred Units on or after the Closing Date and (c) approximately $308 million worth of the Parent's outstanding Series B Preferred Units on or after the Closing Date, all as described in the Offering Memorandum.

2. Agreements to Sell and Purchase. On the basis of the representations, warranties and covenants contained in this Agreement, and subject to the terms and conditions contained in this Agreement, the Issuers agree to issue and sell to the Initial Purchasers, and on the basis of the representations, warranties and covenants contained in this Agreement, and subject to the terms and conditions contained in this Agreement, each of the Initial Purchasers, severally and not jointly, agrees to purchase from the Issuers, the aggregate principal amount of the Securities set forth opposite its name on Schedule I attached hereto. The purchase price for the Senior Securities shall be 97.75% of their principal amount and the purchase price for the Subordinated Securities shall be 97.5%; provided that $40.0 million in aggregate principal amount of Original Subordinated Notes purchased by the Initial Purchasers shall be purchased at a purchase price of 100% of the principal amount thereof and shall be resold to an affiliate of Citigroup Venture Capital Equity Partners, L.P. or such affiliate's designees for a purchase price equal to 100% of the principal amount thereof. The Issuers and the Guarantors shall not be obligated to deliver any of the securities to be delivered hereunder except upon payment for all of the securities to be purchased as provided herein.

3. Delivery and Payment. Delivery of, and payment of the purchase price for, the Securities shall be made at 10:00 a.m., New York time, on December 22, 2004 (such date and time, the "**Closing Date**") at the offices of Latham & Watkins LLP, 233 South Wacker Drive, Suite 5800, Chicago Illinois 60606. The Closing Date and the location of delivery of and the form of payment for the Securities may be varied by mutual agreement between the Initial Purchasers and the Issuers.

The Securities shall be delivered by the Issuers to the Initial Purchasers (or as the Initial Purchasers direct) through the facilities of The Depository Trust Company against payment by the Initial Purchasers of the purchase price therefor by means of wire transfer of immediately available funds to such account or accounts specified by the Issuers in accordance with Section 8(h) on or prior to the Closing Date, or by such means as the parties hereto shall agree prior to the Closing Date. The Securities shall be evidenced by one or more certificates in global form registered in such names as the Initial Purchasers may request upon at least one business day's notice prior to the Closing Date and having an aggregate principal amount corresponding to the aggregate principal amount of the Securities.

4. Agreements of the Issuers and the Guarantors. Each of the Issuers and the Guarantors, jointly and severally, covenants and agrees with the Initial Purchasers as follows:

(a) To furnish the Initial Purchasers and those persons identified by the Initial Purchasers, without charge, with as many copies of the Preliminary Offering Memorandum and the Offering Memorandum, and any amendments or supplements thereto, as the Initial Purchasers may reasonably request. The Issuers

consent to the use of the Preliminary Offering Memorandum and the Offering Memorandum, and any amendments and supplements thereto, by the Initial Purchasers in connection with Exempt Resales.

(b) Not to make any changes or additions to the information contained in the Offering Memorandum from the corresponding information contained in the Preliminary Offering Memorandum other than (i) changes to reflect pricing information with respect to the Securities and (ii) such other changes and additions as to which the Initial Purchasers shall previously have been advised of in writing reasonably in advance and to which they shall not have reasonably objected within a reasonable period of time after being so advised.

(c) If, prior to the time that the Initial Purchasers have completed their distribution of the Securities, any event shall occur or information become known that, in the reasonable judgment of the Issuers or the Guarantors or in the reasonable judgment of counsel to the Initial Purchasers, makes any statement of a material fact in the Offering Memorandum, as then amended or supplemented, untrue or that requires the making of any additions to or changes in the Offering Memorandum in order to make the statements in the Offering Memorandum, as then amended or supplemented, in the light of the circumstances under which they are made, not misleading, or if it is necessary to amend or supplement the Offering Memorandum to comply with all applicable laws, the Issuers shall promptly notify the Initial Purchasers of such event and (subject to Section 4(b)) prepare an appropriate amendment or supplement to the Offering Memorandum so that (i) the statements in the Offering Memorandum, as amended or supplemented, will not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances at the time that the Offering Memorandum is delivered to prospective Eligible Purchasers, not misleading and (ii) the Offering Memorandum will comply with applicable law.

(d) To qualify or register the Securities for offering and sale by the Initial Purchasers under the securities laws of such jurisdictions as the Initial Purchasers may reasonably request. Notwithstanding the foregoing, no Issuer nor Guarantor shall be required to qualify as a foreign corporation in any jurisdiction in which it is not now so qualified or to execute a general consent to service of process or any service of process in any such jurisdiction or subject itself to taxation in excess of a nominal dollar amount in any such jurisdiction where it is not then so subject.

(e) To advise the Initial Purchasers promptly, and if requested by the Initial Purchasers, to confirm such advice in writing, of the issuance by any securities commission of any stop order suspending the qualification or exemption from qualification of any of the Securities for offering or sale in any jurisdiction, or the initiation of any proceeding for such purpose by any securities commission or other regulatory authority. The Issuers shall use their reasonable best efforts to prevent the issuance of any stop order or order suspending the qualification or exemption of any of the Securities under any securities laws, and if at any time any securities commission or other regulatory authority shall issue an order suspending the qualification or exemption of any of the Securities under any securities laws, the Issuers shall use their reasonable best efforts to obtain the withdrawal or lifting of such order at the earliest possible time.

(f) Whether or not the transactions contemplated by this Agreement are consummated, to pay all costs, expenses, fees and disbursements (including fees and disbursements of counsel and accountants for the Issuers, but not, however, legal fees, expenses or disbursements of the Initial Purchasers' counsel incurred

in connection therewith unless explicitly stated below) incurred and stamp, documentary or similar taxes incident to and in connection with: (i) the preparation, printing and distribution of the Preliminary Offering Memorandum and the Offering Memorandum and any amendments and supplements thereto, (ii) 100% of the expenses of any aircraft, and 50% of all other expenses (including other travel related expenses) of the Issuers and the Initial Purchasers in connection with any meetings with prospective investors in the Securities, (iii) the preparation, notarization (if necessary) and delivery of the Note Documents, the Security Documents and all other agreements, memoranda, correspondence and documents prepared and delivered in connection with this Agreement and with the Exempt Resales, (iv) the issuance, transfer and delivery of the Securities by the Issuers to the Initial Purchasers, (v) the qualification or registration of the Securities for offer and sale under the securities laws of the several states of the United States, provinces of Canada, and such other jurisdictions as the Initial Purchasers may reasonably request as to which the Issuers do not reasonably object (including, without limitation, the cost of printing and mailing preliminary and final Blue Sky or legal investment memoranda and reasonable fees and disbursements of counsel (including local counsel) to the Initial Purchasers relating thereto), (vi) the application for quotation of the Securities in The Portal Market[SM] ("**Portal**") of the National Association of Securities Dealers, Inc. ("**NASD**"), (vii) the inclusion of the Securities in the book-entry system of The Depository Trust Company ("**DTC**"), (viii) the rating of the Securities by rating agencies, (ix) the reasonable fees and expenses of the Trustee and the Collateral Agent and their counsel, (x) the performance by the Issuers of their other obligations under the Note Documents and (xi) all reasonable expenses associated with performance by the Issuers and the Guarantors of their obligations under Section 8(h) of this Agreement or under any of the Security Documents except as otherwise specified therein.

(g) To use the proceeds from the sale of the Original Notes and initial borrowings under the Credit Agreement, if any, substantially in the manner described in the Offering Memorandum under the caption "Use of proceeds."

(h) To do and perform all things required to be done and performed under this Agreement by it prior to or after the Closing Date and to satisfy all conditions precedent on their part to the delivery of the Securities.

(i) Not to, and not to permit any Subsidiary to, sell, offer for sale or solicit offers to buy any security (as defined in the Act) that would be integrated with the sale of the Securities in a manner that would require the registration under the Act of the sale of the Securities to the Initial Purchasers or any Eligible Purchasers.

(j) During the period of two years after the Closing Date, not to, and to cause its affiliates (as defined in Rule 144 under the Act) not to, resell any of the Securities that constitute "restricted securities" under Rule 144 that have been reacquired by any of them, other than to an Issuer or an affiliate of either Issuer.

(k) Not to engage, not to allow any Subsidiary to engage, and to cause its other affiliates and any person acting on their behalf (other than, in any case, the Initial Purchasers and any of their affiliates, as to whom the Issuers make no covenant) not to engage, in any form of general solicitation or general advertising

(within the meaning of Regulation D under the Act) in connection with any offer or sale of the Securities in the United States prior to the effectiveness of a registration statement, if any, with respect to the Securities.

(l) Not to engage, not to allow any Subsidiary to engage, and to cause its other affiliates and any person acting on their behalf (other than, in any case, the Initial Purchasers and any of their affiliates, as to whom the Issuers makes no covenant) not to engage, in any directed selling effort with respect to the Securities, and to comply with the offering restrictions requirement of Regulation S. Terms used in this paragraph have the meanings given to them by Regulation S.

(m) From and after the Closing Date, for so long as any of the Securities remain outstanding and are "restricted securities" within the meaning of Rule 144(a)(3) under the Act and during any period in which the Issuers are not subject to Section 13 or 15(d) of the Securities Exchange Act of 1934, as amended (the "**Exchange Act**"), to make available upon request the information required by Rule 144A(d)(4) under the Act to (i) any holder or beneficial owner of Securities in connection with any sale of such Securities and (ii) any prospective purchaser of such Securities from any such holder or beneficial owner designated by the holder or beneficial owner. The Issuers will pay the expenses of preparing, printing and distributing such documents.

(n) To comply with their obligations under the Registration Rights Agreements.

(o) To comply with their obligations under the letter of representations to DTC relating to the approval of the Securities by DTC for "book-entry" transfer and to use their best efforts to obtain approval of the Securities by DTC for "book-entry" transfer.

(p) Prior to the Closing Date, to furnish without charge to the Initial Purchasers, (i) as soon as they have been prepared by the Issuers, a copy of any regularly prepared internal financial statements of the Parent and the Subsidiaries for any period subsequent to the period covered by the financial statements appearing in the Offering Memorandum, and (ii) all other financial reports that the Issuers mail or otherwise makes available to its security holders.

(q) Not to, and not to permit any of its affiliates or anyone acting on its or its affiliates' behalf to (other than the Initial Purchasers and their affiliates), distribute prior to the Closing Date any offering material in connection with the offer and sale of the Securities other than the Preliminary Offering Memorandum and the Offering Memorandum, or any amendment or supplement thereto prepared in accordance with Section 4(b).

(r) During the period of two years after the Closing Date or, if earlier, until such time as the Securities are no longer restricted securities (as defined in Rule 144 under the Act), not to be or become a closed-end investment company required to be registered, but not registered, under the Investment Company Act of 1940.

(s) In connection with the offering, until the Initial Purchasers shall have notified the Issuers of the completion of the distribution of the Securities, not to, and not to permit any of its affiliates (as such term is defined in Rule 501(b) of Regulation D under the Act) to, either alone or with one or more other persons, other than with respect to the sale to an affiliate or such affiliate's designees of Citigroup Venture Capital

(t) To use all commercially reasonable efforts to effect the inclusion of the Securities in Portal.

(u) During the period from the date hereof through and including the date that is 90 days after the date hereof, without the prior written consent of the Representative, offer, sell, contract to sell or otherwise dispose of any debt securities issued or guaranteed by the Issuers, the Parent or any Subsidiary and having a tenor of more than one year, except in connection with the Exchange Offer.

(v) To provide all certificates, agreements, including control agreements, or instruments, if any, reasonably necessary to perfect the Collateral Agent's and the Collateral Trustees' (as applicable) security interest in any of the Collateral of each of the Issuers and Guarantors after the Closing Date subject to the reasonable satisfaction of the Trustee and its counsel and reasonably practicable under local law.

5. Representations and Warranties. (a) Each of the Issuers and the Guarantors, jointly and severally, represents and warrants to the Initial Purchasers that:

(i) The Preliminary Offering Memorandum and the Offering Memorandum, and each amendment or supplement thereto, if any, have been prepared for use in connection with the Exempt Resales. None of the Preliminary Offering Memorandum (as supplemented by the supplement to the Preliminary Offering Memorandum dated December 13, 2004), the Offering Memorandum or any supplement or amendment thereto as of their respective dates contains any untrue statement of a material fact or omits to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided*, *however*, that this representation and warranty does not apply to statements in or omissions from the Preliminary Offering Memorandum and the Offering Memorandum and any amendments or supplements thereto made in reliance upon and in conformity with information relating to the Initial Purchasers furnished to the Issuers in writing by or on behalf of the Initial Purchasers expressly for use therein. No order preventing the use of the Preliminary Offering Memorandum or the Offering Memorandum, or any amendment or supplement thereto, or any order asserting that any of the transactions contemplated by this Agreement are subject to the registration requirements of the Act, has been issued or, to the knowledge of the Issuers, has been threatened.

Terms used in this Section 5(b)(ii) have the meanings given to them by Regulation S.

Each Initial Purchaser severally agrees that, at or prior to confirmation of a sale of Securities pursuant to Regulation S it will have sent to each distributor, dealer or person receiving a selling concession, fee or other remuneration that purchases Securities from it or through it during the restricted period a confirmation or notice to substantially the following effect:

"The Securities covered hereby have not been registered under the United States Securities Act of 1933, as amended (the "Securities Act"), and may not be offered or sold within the United States or to or for the account or benefit of, U.S. persons (i) as part of their distribution at any time and (ii) otherwise until forty days after the later of the date upon which the offering of the Securities commenced and the date of closing, except in either case in accordance with Regulation S or Rule 144A under the Securities Act. Terms used above have the meaning given to them by Regulation S."

The Initial Purchasers understand that the Issuers and, for purposes of the opinions to be delivered to them pursuant to Section 8 hereof, counsel to the Issuers and counsel to the Initial Purchasers will rely upon the accuracy and truth of the foregoing representations, and each Initial Purchaser hereby consents to such reliance.

6. Indemnification. (a) Each of the Issuers and the Guarantors, jointly and severally, agree to indemnify and hold harmless the Initial Purchasers, each person, if any, who controls any Initial Purchaser within the meaning of Section 15 of the Act or Section 20(a) of the Exchange Act, the agents, employees, officers and directors of any Initial Purchaser and the agents, employees, officers and directors of any such controlling person from and against any and all losses, liabilities, claims, damages and expenses whatsoever (including, but not limited, to reasonable attorneys' fees and any and all reasonable expenses whatsoever incurred in investigating, preparing or defending against any litigation, commenced or threatened, or any claim whatsoever, and any and all reasonable amounts paid in settlement of any claim or litigation) (collectively, "**Losses**") to which they or any of them may become subject under the Act, the Exchange Act or otherwise insofar as such Losses (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Preliminary Offering Memorandum or the Offering Memorandum, or in any supplement thereto or amendment thereof, or arise out of or are based upon the omission or alleged omission to state therein a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided*, the Issuers and the Guarantors will not be liable in any such case to the extent, but only to the extent, that any such Loss arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission relating to an Initial Purchaser made therein in reliance upon and in conformity with written information furnished to the Issuers by or on behalf of such Initial Purchaser through the Representative expressly for use therein; *provided*, *further*, that with respect to any untrue statement or alleged untrue statement of a material fact or omission or alleged omission of material fact in the Preliminary Offering Memorandum or Offering Memorandum, or any supplement thereto or amendment thereof, the indemnity agreement contained in this Section 6 shall not inure to the benefit of any Initial Purchaser from whom such person asserting any such Loss purchased the Notes, to the extent that any such Loss of such Initial Purchaser occurs under the circumstance where (i) the Issuers had previously furnished the Offering Memorandum or amendment or supplement, as the case may be, to the Initial Purchasers, (ii) delivery of the Offering Memorandum or amendment or supplement, as the case may be, to such person was required by the Act, (iii) the untrue statement or omission of a material fact contained in the Preliminary Offering Memorandum or Offering Memorandum was corrected in the Offering Memorandum or amendment or supplement, as the case may be, and (iv) there was not sent or given to such person, at or prior to the written confirmation of the sale of Securities to such person, a copy of the Offering Memorandum or amendment or supplement, as the case may be. This indemnity agreement will be in addition to any liability that the Issuers and Guarantors may otherwise have, including, but not limited to, liability under this Agreement.

(b) Each Initial Purchaser agrees to indemnify and hold harmless the Issuers and the Guarantors, and each person, if any, who controls any of the Issuers and the Guarantors within the meaning of Section 15 of the Act or Section 20(a) of the Exchange Act, the agents, employees, officers and directors of any of the Issuers and the Guarantors and the agents, employees, officers and directors of any such controlling person from and against any and all Losses to which they or any of them may become subject under the Act, the Exchange Act or otherwise insofar as such Losses (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Preliminary Offering Memorandum or the Offering Memorandum, or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case to the extent, but only to the extent, that any such Loss arises out of or is based upon

any untrue statement or alleged untrue statement or omission or alleged omission relating to such Initial Purchaser made therein in reliance upon and in conformity with information furnished in writing to the Issuers by or on behalf of such Initial Purchaser through the Representative expressly for use therein. This indemnity agreement will be in addition to any liability that the Initial Purchasers may otherwise have, including, but not limited to, liability under this Agreement. The Issuers, the Guarantors and the Initial Purchasers acknowledge that the information described in Section 9 is the only information furnished in writing by the Initial Purchasers to the Issuers expressly for use in the Preliminary Offering Memorandum or the Offering Memorandum. This indemnity agreement will be in addition to any liability that the Initial Purchasers may otherwise have, including, but not limited to, liability under this Agreement.

(c) Promptly after receipt by an indemnified party under subsection 6(a) or 6(b) above of notice of the commencement of any action, suit or proceeding (collectively, an "**action**"), such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify each party against whom indemnification is to be sought in writing of the commencement of such action (but the failure so to notify an indemnifying party shall not relieve such indemnifying party from any liability that it may have under this Section 6 except to the extent that it has been prejudiced in any material respect by such failure). In case any such action is brought against any indemnified party, and it notifies an indemnifying party of the commencement of such action, the indemnifying party will be entitled to participate in such action, and to the extent it may elect by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense of such action with counsel reasonably satisfactory to such indemnified party. After notice from the indemnifying party to the indemnified party of its election to assume the defense of such claim or action, the indemnifying party shall not be liable to the indemnified party for any legal or other expenses subsequently incurred by the indemnified party in connection with the defense thereof except as follows. Notwithstanding the foregoing, the indemnified party or parties shall have the right to employ its or their own counsel in any such action, but the reasonable fees and expenses of such counsel shall be at the expense of such indemnified party or parties unless (i) the employment of such counsel shall have been authorized in writing by the indemnifying parties in connection with the defense of such action, (ii) the indemnifying parties shall not have employed counsel to take charge of the defense of such action within a reasonable time after notice of commencement of the action, or (iii) the named parties to such action (including any impleaded parties) include such indemnified party and the indemnifying parties (or such indemnifying parties have assumed the defense of such action), and such indemnified party or parties shall have reasonably concluded that there may be defenses available to it or them that are different from or additional to those available to one or all of the indemnifying parties (in which case the indemnifying parties shall not have the right to direct the defense of such action on behalf of the indemnified party or parties), in any of which events such reasonable fees and expenses of counsel shall be borne by the indemnifying parties. In no event shall the indemnifying parties be liable for the fees and expenses of more than one counsel (together with appropriate local counsel) at any time for all indemnified parties in connection with any one action or separate but substantially similar or related actions arising in the same jurisdiction out of the same general allegations or circumstances. An indemnifying party shall not be liable for any settlement of any claim or action effected without its written consent, which consent may not be unreasonably withheld. Notwithstanding the foregoing sentence, if at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel as contemplated by paragraph (a) or (b) of this Section 6, then the indemnifying party agrees that it shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement

is entered into more than 45 days after receipt by such indemnifying party of the aforesaid request, (ii) such indemnifying party shall not have reimbursed the indemnified party in accordance with such request prior to the date of such settlement and (iii) such indemnified party shall have given the indemnifying party at least 45 days' prior notice of its intention to settle. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened proceeding in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party, unless such settlement (x) includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such proceeding and (y) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any indemnified party.

7. Contribution. In order to provide for contribution in circumstances in which the indemnification provided for in Section 6 of this Agreement is for any reason held to be unavailable from the indemnifying party, or is insufficient to hold harmless a party indemnified under Section 6 of this Agreement, each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such aggregate Losses (i) in such proportion as is appropriate to reflect the relative benefits received by the Issuers and the Guarantors, on the one hand, and the Initial Purchasers, on the other hand, from the offering of the Securities or (ii) if such allocation is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to above but also the relative fault of the Issuers and the Guarantors, on the one hand, and the Initial Purchasers, on the other hand, in connection with the statements or omissions that resulted in such Losses, as well as any other relevant equitable considerations. The relative benefits received by the Issuers and the Guarantors, on the one hand, and the Initial Purchasers, on the other hand, shall be deemed to be in the same proportion as (x) the total proceeds from the offering of Securities (net of discounts and commissions but before deducting expenses) received by the Issuers and the Guarantors are to (y) the total discount and commissions received by the Initial Purchasers. The relative fault of the Issuers and the Guarantors, on the one hand, and the Initial Purchasers, on the other hand, shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by an Issuer and the Guarantors or the Initial Purchasers and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission or alleged statement or omission.

The Issuers and the Guarantors and the Initial Purchasers agree that it would not be just and equitable if contribution pursuant to this Section 7 were determined by pro rata allocation or by any other method of allocation that does not take into account the equitable considerations referred to above. Notwithstanding the provisions of this Section 7, (i) in no case shall any Initial Purchaser be required to contribute any amount in excess of the amount by which the total discount and commissions applicable to the Securities purchased by such Initial Purchaser pursuant to this Agreement exceeds the amount of any damages that such Initial Purchaser has otherwise been required to pay by reason of any untrue or alleged untrue statement or omission or alleged omission and (ii) no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 7, each person, if any, who controls any Initial Purchaser within the meaning of Section 15 of the Act or Section 20(a) of the Exchange Act shall have the same rights to contribution as the Initial Purchasers, and each person, if any, who controls an Issuer or Guarantor within the meaning of Section 15 of the Act or Section 20(a) of the Exchange Act and each director, officer, employee and agent of an Issuer or Guarantor shall have the same rights to contribution as the Issuers or the

Guarantors. Any party entitled to contribution will, promptly after receipt of notice of commencement of any action against such party in respect of which a claim for contribution may be made against another party or parties under this Section 7, notify such party or parties from whom contribution may be sought, but the omission to so notify such party or parties shall not relieve the party or parties from whom contribution may be sought from any obligation it or they may have under this Section 7 or otherwise, except to the extent that it has been prejudiced in any material respect by such failure; *provided*, *however*, that no additional notice shall be required with respect to any action for which notice has been given under Section 6 for purposes of indemnification. Anything in this section to the contrary notwithstanding, no party shall be liable for contribution with respect to any action or claim settled without its written consent; *provided*, *however*, that such written consent was not unreasonably withheld. The obligations of the Initial Purchasers under this Section 7 are several in proportion to their respective purchase obligations and not joint.

8. Conditions of Initial Purchasers' Obligations. The obligations of the Initial Purchasers to purchase and pay for the Securities, as provided for in this Agreement, shall be subject to satisfaction of the following conditions prior to or concurrently with such purchase:

(a) All of the representations and warranties of the Issuers and the Guarantors contained in this Agreement shall be true and correct on the date of this Agreement and on the Closing Date. All representations and warranties, covenants and agreements contained in this Agreement, including the agreements contained in Sections 4(f) and 11(d), the indemnity agreements contained in Section 6 and the contribution agreements contained in Section 7, shall remain operative and in full force and effect regardless of any investigation made by or on behalf of the Initial Purchasers or any controlling person thereof or by or on behalf of the Issuers or any controlling person thereof, and shall survive delivery of and payment for the Original Notes to and by the Initial

11. Effective Date of Agreement; Termination. (a) This Agreement shall become effective upon execution and delivery of a counterpart hereof by each of the parties hereto.

(b) The Initial Purchasers shall have the right to terminate this Agreement at any time prior to the Closing Date by notice to the Issuers from the Initial Purchasers, without liability (other than with respect to Sections 6 and 7) on the Initial Purchasers' part to the Issuers or any affiliate thereof if, on or prior to such date, (i) the Issuers and the Guarantors shall have failed, refused or been unable to perform any agreement on its part to be performed under this Agreement when and as required; (ii) any other condition to the obligations of the Initial Purchasers under this Agreement to be fulfilled by the Issuers and the Guarantors pursuant to Section 8 is not fulfilled when and as required in any material respect; (iii) trading in securities generally on the New York Stock Exchange, the American Stock Exchange or the Nasdaq National Market shall have been suspended or materially limited, or minimum prices shall have been established thereon by the Commission, or by such exchange or other regulatory body or governmental authority having jurisdiction; (iv) a general moratorium shall have been declared by either Federal or New York State or Korean authorities or a material disruption in commercial banking or securities settlement or clearance services in the United States or Korea shall have occurred; (v) there is an outbreak or escalation of hostilities or national or international calamity in any case involving the United States, on or after the date of this Agreement, or if there has been a declaration by the United States of a national emergency or war or other national or international calamity or crisis (economic, political, financial or otherwise) which affects the U.S. and international markets, making it, in the Representative's judgment, impracticable to proceed with the offering or delivery of the Securities on the terms and in the manner contemplated in the Offering Memorandum; or (vi) there shall have been such a material adverse change in general economic, political or financial conditions or the effect (or potential effect if the financial markets in the United States have not yet opened) of international conditions on the financial markets in the United States shall be such as, in the Representative's judgment, to make it inadvisable or impracticable to proceed with the offering or delivery of the Securities on the terms and in the manner contemplated in the Offering Memorandum.

(c) Any notice of termination pursuant to this Section 11 shall be given at the address specified in Section 12 below by telephone or facsimile, confirmed in writing by letter.

(d) If this Agreement shall be terminated pursuant to clause (i) or (ii) of Section 11(b), or if the sale of the Securities provided for in this Agreement is not consummated because of any refusal, inability or failure on the part of the Issuers or the Guarantors to satisfy any condition to the obligations of the Initial Purchasers set forth in this Agreement to be satisfied on their part or because of any refusal, inability or failure on the part of the Issuers or the Guarantors to perform any agreement in this Agreement or comply with any provision of this Agreement, the Issuers and the Guarantors, jointly and severally, will, subject to demand by the Initial Purchasers, reimburse the Initial Purchasers (other than any defaulting Initial Purchaser pursuant to paragraph (e) below) for all of their reasonable out-of-pocket expenses (including, without limitation, the fees and expenses of the Initial Purchasers' counsel) reasonably incurred in connection with this Agreement and the transactions contemplated hereby.

In the event of a default by any Initial Purchaser as set forth in this Section 11(e), the Closing Date shall be postponed for such period, not exceeding seven Business Days, as is reasonably necessary in the opinion of the Representative in order that the required changes in the Offering Memorandum or in any other documents or arrangements may be effected. Nothing contained in this Agreement shall relieve any defaulting Initial Purchaser of its liability, if any, to the Issuers or any nondefaulting Initial Purchaser for damages occasioned by its default hereunder.

## ARTICLE II

## THE CREDITS

**SECTION 2.01 Commitments**. Subject to the terms and conditions and relying upon the representations and warranties herein set forth, each Lender agrees, severally and not jointly, to make Revolving Loans to Borrowers, at any time and from time to time on or after the Closing Date until the earlier of the Revolving Maturity Date and the termination of the Revolving Commitment of such Lender in accordance with the terms hereof, in an aggregate principal amount at any time outstanding that will not result in such Lender's Revolving Exposure exceeding such Lender's Revolving Commitment. Within the limits set forth above and subject to the terms, conditions and limitations set forth herein, Borrowers may borrow, pay or prepay and reborrow Revolving Loans.

**SECTION 2.02 Loans**.

(a) Each Loan (other than Swingline Loans) shall be made as part of a Borrowing consisting of Loans made by the Lenders ratably in accordance with their applicable Commitments; *provided* that the failure of any Lender to make its Loan shall not in itself relieve any other Lender of its obligation

to lend hereunder (it being understood, however, that no Lender shall be responsible for the failure of any other Lender to make any Loan required to be made by such other Lender). Except for Loans deemed made pursuant to Section 2.17(e)(ii), (x) ABR Revolving Loans comprising any Borrowing shall be in an aggregate principal amount that is (i) an integral multiple of $1.0 million and not less than $5.0 million or (ii) equal to the remaining available balance of the applicable Commitments and (y) the Eurodollar Revolving Loans comprising any Borrowing shall be in an aggregate principal amount that is (i) an integral multiple of $1.0 million and not less than $5.0 million or (ii) equal to the remaining available balance of the Commitments.

(b) Subject to Sections 2.11 and 2.12, each Borrowing shall be comprised entirely of ABR Revolving Loans or Eurodollar Revolving Loans as any Borrower may request pursuant to Section 2.03. Each Lender may at its option make any Eurodollar Revolving Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; *provided* that any exercise of such option shall not affect the obligation of Borrowers to repay such Loan in accordance with the terms of this Agreement. Borrowings of more than one Type may be outstanding at the same time; *provided* that Borrowers shall not be entitled to request any Borrowing that, if made, would result in more than five Eurodollar Borrowings outstanding hereunder at any one time. For purposes of the foregoing, Borrowings having different Interest Periods, regardless of whether they commence on the same date, shall be considered separate Borrowings.

(c) Except with respect to Loans deemed made pursuant to Section 2.17(e)(ii), each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds to such account in New York City as the Administrative Agent may designate not later than 11:00 a.m., New York City time, and the Administrative Agent shall promptly credit the amounts so received to an account as directed by any Borrower in the applicable Borrowing Request maintained with the Administrative Agent or, if a Borrowing shall not occur on such date because any condition precedent herein specified shall not have been met, return the amounts so received to the respective Lenders.

(d) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's portion of such Borrowing, the Administrative Agent may assume that such Lender has made such portion available to the Administrative Agent on the date of such Borrowing in accordance with paragraph (c) above, and the Administrative Agent may, in reliance upon such assumption, make available to Borrowers on such date a corresponding amount. If the Administrative Agent shall have so made funds available, then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, each of such Lender and Borrowers severally agrees to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to Borrowers until the date such amount is repaid to the Administrative Agent at (i) in the case of Borrowers, the interest rate applicable at the time to the Loans comprising such Borrowing and (ii) in the case of such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. If such Lender shall repay to the Administrative Agent such corresponding amount, such amount shall constitute such Lender's Loan as part of such Borrowing for purposes of this Agreement, and Borrowers' obligation to repay the Administrative Agent such corresponding amount pursuant to this Section 2.02(d) shall cease.

(e) Notwithstanding any other provision of this Agreement, none of the Borrowers shall be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Revolving Maturity Date.

**SECTION 2.03 Borrowing Procedure**. To request a Revolving Borrowing a Borrower shall deliver, by hand delivery or telecopier, a duly completed and executed Borrowing Request to the Administrative Agent (i) in the case of a Eurodollar Borrowing, not later than 11:00 a.m., New York City time, three Business Days before the date of the proposed Borrowing or (ii) in the case of an ABR Borrowing, not later than 9:00 a.m., New York City time, on the date of the proposed Borrowing. Each Borrowing Request shall be irrevocable and shall specify the following information in compliance with Section 2.02:

(b) the date of such Borrowing, which shall be a Business Day;

(c) whether such Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing;

(d) in the case of a Eurodollar Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period";

(e) the location and number of such Borrower's account to which funds are to be disbursed, which shall comply with the requirements of Section 2.02(c); and

(f) that the conditions set forth in Sections 4.02(b)-(d) have been satisfied as of the date of the notice.

If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Eurodollar Borrowing, then such Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

**SECTION 2.04 Evidence of Debt; Repayment of Loans**.

The entries made in the accounts maintained pursuant to this paragraph shall be *prima facie* evidence of the existence and amounts of the obligations therein recorded; *provided* that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligations of Borrowers to repay the Loans in accordance with their terms.

(c) Promissory Notes. Any Lender by written notice to Borrowers (with a copy to the Administrative Agent) may request that Loans of any Class made by it be evidenced by a promissory note. In such event, Borrowers shall prepare, execute and deliver to such Lender a promissory note payable to the order of such Lender (or, if requested by such Lender, to such Lender and its registered assigns) in the form of Exhibit K-1 or K-2, as the case may be. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 10.04) be represented by one or more promissory notes in such form payable to the order of the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

(a) Commitment Fee. Borrowers agree to pay to the Administrative Agent for the account of each Lender a commitment fee (a "**Commitment Fee**") equal to the Applicable Fee per annum on the average daily unused amount of each Commitment of such Lender during the period from and including the date hereof to but excluding the date on which such Commitment terminates. Accrued Commitment Fees shall be payable in arrears (A) on the last Business Day of March, June, September and December of each year, commencing on the first such date to occur after the date hereof, and (B) on the date on which such Commitment terminates. Commitment Fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day). For purposes of computing Commitment Fees with respect to Revolving Commitments, a Revolving Commitment of a Lender shall be deemed to be used to the extent of the outstanding Revolving Loans and LC Exposure of such Lender (and the Swingline Exposure of such Lender shall be disregarded for such purpose). For purposes of computing the Commitment Fee under this clause (a), the portion of the average daily amount of the LC Exposure with respect to Alternative Currency Letters of Credit, shall be calculated by multiplying (i) the average daily balance of each Alternative Currency Letter of Credit (expressed in the currency in which such Alternative Currency Letter of Credit is denominated) by (ii) the Spot Rate for each such Alternative Currency in effect on the last Business Day of such period or by such other reasonable method that the Administrative deems appropriate.

Borrower agrees to pay (i) to the Administrative Agent for the account of each Revolving Lender a participation fee ("**LC Participation Fee**") with respect to its participations in Letters of Credit, which shall accrue at a rate equal to the Applicable Margin from time to time used to determine the interest rate on Eurodollar Revolving Loans pursuant to Section 2.06 on the average daily amount of such Lender's LC Exposure (excluding any portion thereof attributable to Reimbursement Obligations) during the period from and including the Closing Date to but excluding the later

of the date on which such Lender's Revolving Commitment terminates and the date on which such Lender ceases to have any LC Exposure, and (ii) to the Issuing Bank a fronting fee ("**Fronting Fee**"), which shall accrue at the rate of 0.25% per annum on the average daily amount of the LC Exposure (excluding any portion thereof attributable to Reimbursement Obligations) during the period from and including the Closing Date to but excluding the later of the date of termination of the Revolving Commitments and the date on which there ceases to be any LC Exposure, as well as the Issuing Bank's customary fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Accrued LC Participation Fees and Fronting Fees shall be payable in arrears (i) on the last Business Day of March, June, September and December of each year, commencing on the first such date to occur after the Closing Date, and (ii) on the date on which the Revolving Commitments terminate. Any such fees accruing after the date on which the Revolving Commitments terminate shall be payable on demand. Any other fees payable to the Issuing Bank pursuant to this paragraph shall be payable within 10 days after demand therefor. All LC Participation Fees and Fronting Fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day). For purposes of computing the LC Participation Fee and the LC Fronting Fee under this clause (c), the portion of the average daily amount of the LC Exposure with respect to Alternative Currency Letters of Credit, shall be calculated by multiplying (i) the average daily balance of each Alternative Currency Letter of Credit (expressed in the currency in which such Alternative Currency Letter of Credit is denominated) by (ii) the Spot Rate for each such Alternative Currency in effect on the last Business Day of such period or by such other reasonable method that the Administrative deems appropriate.

(d) All Fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent for distribution, if and as appropriate, among the Lenders, except that Borrower shall pay the Fronting Fees directly to the Issuing Bank. Once paid, none of the Fees shall be refundable under any circumstances.

the event of any conversion of any Eurodollar Revolving Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) Interest Calculation. All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Alternate Base Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate or Adjusted LIBOR Rate shall be determined by the Administrative Agent in accordance with the provisions of this Agreement and such determination shall be conclusive absent manifest error.

**SECTION 2.07 Termination; Reduction and Suspension of Commitments**.

(a) Termination of Commitments. The Revolving Commitments, the Swingline Commitment and the LC Commitment shall automatically terminate on the Revolving Maturity Date. Notwithstanding the foregoing, all the Commitments shall automatically terminate at 5:00 p.m., New York City time, on December 31, 2004, if the initial Credit Extension shall not have occurred by such time.

(b) Optional Terminations and Reductions. At its option, Borrowers may at any time terminate, or from time to time permanently reduce, the Commitments of any Class; *provided* that (i) each reduction of the Commitments of any Class shall be in an amount that is an integral multiple of $1.0 million and not less than $5.0 million and (ii) the Revolving Commitments shall not be terminated or reduced if, after giving effect to any concurrent prepayment of the Revolving Loans in accordance with Section 2.09, the aggregate amount of Revolving Exposures would exceed the aggregate amount of Revolving Commitments.

(c) Borrowers Notice. Borrowers shall notify the Administrative Agent in writing of any election to terminate or reduce the Commitments under Section 2.07(b) at least three Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by Borrowers pursuant to this Section shall be irrevocable. Any termination or reduction of the Commitments of any Class shall be permanent. Each reduction of the Commitments of any Class shall be made ratably among the Lenders in accordance with their respective Commitments of such Class.

**SECTION 2.08 Interest Elections**.

(a) Generally. Each Revolving Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Eurodollar Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, any Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurodollar Borrowing, may elect Interest Periods therefor, all as provided in this Section. Any Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. Notwithstanding anything to the contrary, none of the Borrowers shall be entitled to request any conversion or continuation that, if made, would result in more than five Eurodollar Borrowings outstanding hereunder at any one time. This Section shall not apply to Swingline Borrowings, which may not be converted or continued.

(b) Interest Election Notice. To make an election pursuant to this Section, a Borrower shall deliver, by hand delivery or telecopier, a duly completed and executed Interest Election Request to the Administrative Agent not later than the time that a Borrowing Request would be required under Section 2.03 if such Borrower were requesting a Revolving Borrowing of the Type resulting from such election to be made on the effective date of such election. Each Interest Election Request shall be irrevocable. Each Interest Election Request shall specify the following information in compliance with Section 2.03:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, or if outstanding Borrowings are being combined, allocation to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing; and

(iv) if the resulting Borrowing is a Eurodollar Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a Eurodollar Borrowing but does not specify an Interest Period, then such Borrower shall be deemed to have selected an Interest Period of one month's duration.

Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(c) Automatic Conversion to ABR Borrowing. If an Interest Election Request with respect to a Eurodollar Borrowing is not timely delivered prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing, the Administrative Agent or the Required Lenders may require, by notice to Borrowers, that (i) no outstanding Borrowing may be converted to or continued as a Eurodollar Borrowing and (ii) unless repaid, each Eurodollar Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

**SECTION 2.09 Optional and Mandatory Prepayments of Loans**.

(a) Optional Prepayments. Borrowers shall have the right at any time and from time to time to prepay any Borrowing, in whole or in part, subject to the requirements of this Section 2.09; *provided* that each partial prepayment shall be in an amount that is an integral multiple of $1.0 million and not less than $5.0 million.

(b) Revolving Loan Prepayments.

(i) In the event of the termination of all the Revolving Commitments, Borrowers shall, on the date of such termination, repay or prepay all its outstanding Revolving Borrowings

and all outstanding Swingline Loans and replace all outstanding Letters of Credit or cash collateralize all outstanding Letters of Credit in accordance with the procedures set forth in Section 2.17(i).

(ii) In the event of any partial reduction of the Revolving Commitments, then (x) at or prior to the effective date of such reduction, the Administrative Agent shall notify Borrowers and the Revolving Lenders of the sum of the Revolving Exposures after giving effect thereto and (y) if the sum of the Revolving Exposures would exceed the aggregate amount of Revolving Commitments after giving effect to such reduction, then Borrowers shall, on the date of such reduction, *first*, repay or prepay Swingline Loans, *second*, repay or prepay Revolving Borrowings and *third*, replace outstanding Letters of Credit or cash collateralize outstanding Letters of Credit in accordance with the procedures set forth in Section 2.17(i), in an aggregate amount sufficient to eliminate such excess.

(iii) In the event that the sum of all Lenders' Revolving Exposures exceeds the Revolving Commitments then in effect, Borrowers shall, without notice or demand, immediately *first*, repay or prepay Revolving Borrowings, and *second*, replace outstanding Letters of Credit or cash collateralize outstanding Letters of Credit in accordance with the procedures set forth in Section 2.17(i), in an aggregate amount sufficient to eliminate such excess.

(iv) In the event that the aggregate LC Exposure exceeds the LC Commitment then in effect, Borrowers shall, without notice or demand, immediately replace outstanding Letters of Credit or cash collateralize outstanding Letters of Credit in accordance with the procedures set forth in Section 2.17(i), in an aggregate amount sufficient to eliminate such excess.

(c) Asset Sales. Not later than three (3) Business Day following the receipt of any Net Cash Proceeds of any Asset Sale by Holdings or any of its Subsidiaries, Borrowers shall make prepayments in accordance with Sections 2.09(h) and (i) in an aggregate amount equal to 100% of such Net Cash Proceeds; *provided* that:

(i) no such prepayment shall be required under this Section 2.09(c)(i) with respect to (A) any Asset Sale permitted by Section 6.06(a), (B) the disposition of property which constitutes a Casualty Event, or (C) Asset Sales for fair market value resulting in less than $3.0 million in Net Cash Proceeds in any fiscal year; *provided* that clause (C) shall not apply in the case of any Asset Sale described in clause (b) of the definition thereof; and

(ii) so long as no Default shall then exist or would arise therefrom, such proceeds shall not be required to be so applied on such date to the extent that Borrowers shall have delivered an Officers' Certificate to the Administrative Agent on or prior to such date stating that such Net Cash Proceeds are expected to be reinvested in fixed or capital assets within 360 days following the date of such Asset Sale (which Officers' Certificate shall set forth the estimates of the proceeds to be so expended); *provided* that if all or any portion of such Net Cash Proceeds is not so reinvested within such 360-day period, such unused portion ( the "Non-Reinvested Asset Sale Proceeds") shall be applied on the last day of such period as a mandatory prepayment as provided in this Section 2.09(c); *provided, further*, that if the property subject to such Asset Sale constituted Collateral, then all property purchased with the Net Cash Proceeds thereof pursuant to this subsection shall be made subject to the Lien of the applicable Security Documents in favor of the Collateral Agent, for its benefit and for the benefit of the other Secured Parties in accordance with Sections 5.11 and 5.12.

(d) [Intentionally Omitted.]

(e) [Intentionally Omitted.]

(f) Casualty Events. Not later than three (3) Business Day following the receipt of any Net Cash Proceeds from a Casualty Event by Holdings or any of its Subsidiaries in excess of $3.0 million, Borrowers shall do one or more of the following with the full amount of such Net Cash Proceeds: (i) make prepayments of the outstanding Loans or (ii) so long as no Default shall have occurred and be continuing, deliver an Officers' Certificate to the Administrative Agent stating that such proceeds are expected to be used to repair, replace or restore the property in respect of which such Net Cash Proceeds were paid or to reinvest in other fixed or capital assets no later than 360 days following the date of receipt thereof. To the extent any property subject to a Casualty Event generating Net Cash Proceeds in excess of $250,000 constituted Collateral under the Security Documents, the property so purchased with such Net Cash Proceeds shall be made subject to the Lien of the applicable Security Documents in accordance with Sections 5.11 and 5.12. Any portion of the Net Cash Proceeds that is not used to so repair, replace or restore the property in respect of which such Net Cash Proceeds were paid within 360 days after receipt of such Net Cash Proceeds (the "Non-Reinvested Casualty Proceeds") shall be applied as a repayment of the outstanding Loans and a reduction of the Revolving Commitments pursuant to Section 2.09(h). Repayments of Loans pursuant to clause (i) shall also reduce the Revolving Commitments.

(g) [Intentionally Omitted.]

(h) Application of Prepayments. In the event of any optional or mandatory prepayment hereunder, the aggregate amount of such prepayment shall be applied to the Revolving Loans. In addition, any mandatory prepayments made from or with respect to any Non-Reinvested Proceeds shall permanently reduce the Revolving Commitments ratably among the Revolving Lenders in accordance with their applicable Revolving Commitments.

Amounts to be applied pursuant to this Section 2.09 to the prepayment of Revolving Loans shall be applied, as applicable, first to reduce outstanding ABR Revolving Loans, respectively. Any amounts remaining after each such application shall be applied to prepay Eurodollar Revolving Loans, as applicable. Notwithstanding the foregoing, if the amount of any prepayment of Loans required under this Section 2.09 shall be in excess of the amount of the ABR Revolving Loans at the time outstanding (an "**Excess Amount**"), only the portion of the amount of such prepayment as is equal to the amount of such outstanding ABR Revolving Loans shall be immediately prepaid and, at the election of Borrowers, the Excess Amount shall be either (A) deposited in an escrow account on terms satisfactory to the Collateral Agent and applied to the prepayment of Eurodollar Revolving Loans on the last day of the then next-expiring Interest Period for Eurodollar Revolving Loans; *provided* that (i) interest in respect of such Excess Amount shall continue to accrue thereon at the rate provided hereunder for the Loans which such Excess Amount is intended to repay until such Excess Amount shall have been used in full to repay such Loans and (ii) at any time while an Event of Default has occurred and is continuing, the Administrative Agent may, and upon written direction from the Required Lenders shall, apply any or all proceeds then on deposit to the payment of such Loans in an amount equal to such Excess Amount or (B) prepaid immediately, together with any amounts owing to the Lenders under Section 2.12.

(i) Notice of Prepayment. Borrowers shall notify the Administrative Agent (and, in the case of prepayment of a Swingline Loan, the Swingline Lender) by written notice of any prepayment hereunder (i) in the case of prepayment of a Eurodollar Borrowing, not later than 11:00 a.m., New York City time, three Business Days before the date of prepayment, (ii) in the case of prepayment of an ABR Borrowing, not later than 11:00 a.m., New York City time, one Business Day before the date of prepayment

and (iii) in the case of prepayment of a Swingline Loan, not later than 11:00 a.m., New York City time, on the date of prepayment. Each such notice shall be irrevocable; *provided* that, if a notice of prepayment is given in connection with a conditional notice of termination of the Commitments as contemplated by Section 2.07, then such notice of prepayment may be revoked if such termination is revoked in accordance with Section 2.07. Each such notice shall specify the prepayment date, the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment. Promptly following receipt of any such notice (other than a notice relating solely to Swingline Loans), the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of a Credit Extension of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing and otherwise in accordance with this Section 2.09. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.06.

**SECTION 2.10 Alternate Rate of Interest**. If prior to the commencement of any Interest Period for a Eurodollar Borrowing:

(a) the Administrative Agent determines (which determination shall be final and conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBOR Rate for such Interest Period; or

(b) the Administrative Agent is advised in writing by the Required Lenders that the Adjusted LIBOR Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give written notice thereof to Borrowers and the Lenders as promptly as practicable thereafter and, until the Administrative Agent notifies Borrowers and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Borrowing shall be ineffective and (ii) if any Borrowing Request requests a Eurodollar Borrowing, such Borrowing shall be made as an ABR Borrowing.

**SECTION 2.11 Yield Protection**.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in, by any Lender (except any reserve requirement reflected in the Adjusted LIBOR Rate) or the Issuing Bank;

(ii) subject any Lender or the Issuing Bank to any tax of any kind whatsoever with respect to this Agreement, any Letter of Credit, any participation in a Letter of Credit or any Eurodollar Revolving Loan made by it, or change the basis of taxation of payments to such Lender or the Issuing Bank in respect thereof (except for Indemnified Taxes or Other Taxes covered by Section 2.14 and the imposition of, or any change in the rate of, any Excluded Tax payable by such Lender or the Issuing Bank); or

(iii) impose on any Lender or the Issuing Bank or the London interbank market any other condition, cost or expense affecting this Agreement or Eurodollar Revolving Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurodollar Revolving Loan (or of maintaining its obligation to make any such Loan), or to increase the cost to such Lender, the Issuing Bank or such Lender's or the Issuing Bank's holding company, if any, of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender or the Issuing Bank hereunder (whether of principal, interest or any other amount), then, upon request of such Lender or the Issuing Bank, Borrowers will pay to such Lender or the Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or the Issuing Bank, as the case may be, for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender or the Issuing Bank determines (in good faith, but in its sole absolute discretion) that any Change in Law affecting such Lender or the Issuing Bank or any lending office of such Lender or such Lender's or the Issuing Bank's holding company, if any, regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's or the Issuing Bank's capital or on the capital of such Lender's or the Issuing Bank's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by the Issuing Bank, to a level below that which such Lender or the Issuing Bank or such Lender's or the Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or the Issuing Bank's policies and the policies of such Lender's or the Issuing Bank's holding company with respect to capital adequacy), then from time to time Borrowers will pay to such Lender or the Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or the Issuing Bank or such Lender's or the Issuing Bank's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender or the Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or the Issuing Bank or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section 2.11 and delivered to Borrowers shall be conclusive absent manifest error. Borrowers shall pay such Lender or the Issuing Bank, as the case may be, the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender or the Issuing Bank to demand compensation pursuant to this Section 2.11 shall not constitute a waiver of such Lender's or the Issuing Bank's right to demand such compensation; *provided* that Borrowers shall not be required to compensate a Lender or the Issuing Bank pursuant to this Section for any increased costs incurred or reductions suffered more than six months prior to the date that such Lender or the Issuing Bank, as the case may be, notifies Borrowers of the Change in Law giving rise to such increased costs or reductions and of such Lender's or the Issuing Bank's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the six-month period referred to above shall be extended to include the period of retroactive effect thereof) .

**SECTION 2.12 Breakage Payments**. In the event of (a) the payment or prepayment, whether optional or mandatory, of any principal of any Eurodollar Revolving Loan earlier than the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the

conversion of any Eurodollar Revolving Loan earlier than the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Revolving Loan on the date specified in any notice delivered pursuant hereto or (d) the assignment of any Eurodollar Revolving Loan earlier than the last day of the Interest Period applicable thereto as a result of a request by any Borrower pursuant to Section 2.15(b), then, in any such event, Borrowers shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of a Eurodollar Revolving Loan, such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBOR Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the Eurodollar market. A certificate of any Lender setting forth in reasonable detail any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.12 shall be delivered to Borrowers (with a copy to the Administrative Agent) and shall be conclusive and binding absent manifest error. Borrowers shall pay such Lender the amount shown as due on any such certificate within 5 days after receipt thereof.

**SECTION 2.13 Payments Generally; Pro Rata Treatment; Sharing of Setoffs**.

(a) Payments Generally. Borrowers shall make each payment required to be made by them hereunder or under any other Loan Document (whether of principal, interest, fees or Reimbursement Obligations, or of amounts payable under Section 2.11, 2.12, 2.14 or 10.03, or otherwise) on or before the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 2:00 p.m., New York City time), on the date when due, in immediately available funds, without setoff, deduction or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices at 677 Washington Boulevard, Stamford, Connecticut, except payments to be made directly to the Issuing Bank or Swingline Lender as expressly provided herein and except that payments pursuant to Sections 2.11, 2.12, 2.14 and 10.03 shall be made directly to the persons entitled thereto and payments pursuant to other Loan Documents shall be made to the persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other person to the appropriate recipient promptly following receipt thereof. If any payment under any Loan Document shall be due on a day that is not a Business Day, unless specified otherwise, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments under each Loan Document shall be made in dollars, except as expressly specified otherwise.

(b) Insufficient Funds. If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, Reimbursement Obligations, interest and fees then due hereunder, such funds shall be applied (i) *first*, toward payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) *second*, toward payment of principal and Reimbursement Obligations then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and Reimbursement Obligations then due to such parties.

(c) Sharing of Set-Off. Subject to the terms of the Intercreditor Agreement, if any Lender (and/or the Issuing Bank, which shall be deemed a "Lender" for purposes of this Section 2.13(c)) shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or other Obligations resulting in such Lender's receiving payment of a proportion of the aggregate amount of its Loans and accrued interest thereon or other Obligations greater than its *pro rata* share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Loans and such other obligations of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them, *provided* that:

(i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this paragraph shall not be construed to apply to (x) any payment made by any Borrower pursuant to and in accordance with the express terms of this Agreement or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements to any assignee or participant, other than to any Borrower or any of its Subsidiaries thereof (as to which the provisions of this paragraph shall apply).

Each Loan Party consents to the foregoing and agrees, to the extent it may effectively do so under applicable Requirements of Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Loan Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Loan Party in the amount of such participation. If under applicable bankruptcy, insolvency or any similar law any Secured Party receives a secured claim in lieu of a setoff or counterclaim to which this Section 2.13(c) applies, such Secured Party shall to the extent practicable, exercise its rights in respect of such secured claim in a manner consistent with the rights to which the Secured Party is entitled under this Section 2.13(c) to share in the benefits of the recovery of such secured claim.

(d) Borrowers Default. Unless the Administrative Agent shall have received notice from any Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Bank hereunder that such Borrower will not make such payment, the Administrative Agent may assume that such Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the Issuing Bank, as the case may be, the amount due. In such event, if such Borrower has not in fact made such payment, then each of the Lenders or the Issuing Bank, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or the Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) Lender Default. If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.02(c), 2.13(d), 2.16(d), 2.17(d), 2.17(e) or 10.03(c), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts

thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

**SECTION 2.14 Taxes**.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Borrower hereunder or under any other Loan Document shall be made free and clear of and without reduction or withholding for any Indemnified Taxes or Other Taxes; provided that if such Borrower shall be required by applicable Requirements of Law to deduct any Indemnified Taxes (including any Other Taxes) from such payments, then (i) the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section) the Administrative Agent, Lender or Issuing Bank, as the case may be, receives an amount equal to the sum it would have received had no such deductions been made, (ii) such Borrower shall make such deductions and (iii) such Borrower shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable Requirements of Law.

(b) Payment of Other Taxes by Borrowers. Without limiting the provisions of paragraph (a) above, Borrowers shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable Requirements of Law.

(c) Indemnification by Borrowers. Borrowers shall, jointly and severally, indemnify the Administrative Agent, each Lender and the Issuing Bank, within 10 days after demand therefor, for the full amount of any Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) paid by the Administrative Agent, such Lender or the Issuing Bank, as the case may be, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to Borrowers by a Lender or the Issuing Bank (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender or the Issuing Bank, shall be conclusive absent manifest error.

(d) Evidence of Payments. As soon as practicable after any payment of Indemnified Taxes or Other Taxes by any Borrower to a Governmental Authority, such Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Status of Lenders. Any Lender that is entitled to an exemption from or reduction of withholding tax under the law of the jurisdiction in which any Borrower is resident for tax purposes, or any treaty to which such jurisdiction is a party, with respect to payments hereunder or under any other Loan Document shall, to the extent it may lawfully do so, deliver to such Borrower (with a copy to the Administrative Agent), at the time or times prescribed by applicable Requirements of Law or reasonably requested by such Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable Requirements of Law as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if requested by any Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable Requirements of Law or reasonably requested by such Borrower or the Administrative Agent as will enable such Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the above

two sentences, in the case of non-U.S. withholding taxes the completion, execution and submission of non-U.S. forms shall not be required if in the Lender's judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would be otherwise disadvantageous to such Lender in any material respect.

(f) Treatment of Certain Refunds. If the Administrative Agent, a Lender or the Issuing Bank determines, in its reasonable discretion, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by any Borrower or with respect to which any Borrower has paid additional amounts pursuant to this Section, it shall pay to such Borrower an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by such Borrower under this Section with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent, such Lender or the Issuing Bank, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that such Borrower, upon the request of the Administrative Agent, such Lender or the Issuing Bank, agrees to repay the amount paid over to such Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent, such Lender or the Issuing Bank in the event the Administrative Agent, such Lender or the Issuing Bank is required to repay such refund to such Governmental Authority. This paragraph shall not be construed to require the Administrative Agent, any Lender or the Issuing Bank to make available its tax returns (or any other information relating to its taxes that it deems confidential) to any Borrower or any other person. Notwithstanding anything to the contrary, in no event will any Lender be required to pay any amount to any Borrower the payment of which would place such Lender in a less favorable net after-tax position than such Lender would have been in if the additional amounts giving rise to such refund of any Indemnified Taxes or Other Taxes had never been paid.

**SECTION 2.15 Mitigation Obligations; Replacement of Lenders**.

(a) Designation of a Different Lending Office. If any Lender requests compensation under Section 2.11, or requires any Borrower to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.14, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.11 or 2.14, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. Each Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment. A certificate setting forth such costs and expenses submitted by such Lender to Borrowers shall be conclusive absent manifest error.

(b) Replacement of Lenders. If any Lender requests compensation under Section 2.12, or if any Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.14, or if any Lender defaults in its obligation to fund Loans hereunder, or if any Borrower exercises its replacement rights under Section 10.02(d), then such Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.04), all of its interests, rights and obligations under this Agreement and the other Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); *provided* that:

(i) such Borrower shall have paid to the Administrative Agent the processing and recordation fee specified in Section 10.04(b);

(ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements and Swingline Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 2.12), from the assignee (to the extent of such outstanding principal and accrued interest and fees) or such Borrower (in the case of all other amounts);

(iii) in the case of any such assignment resulting from a claim for compensation under Section 2.12 or payments required to be made pursuant to Section 2.14, such assignment will result in a reduction in such compensation or payments thereafter; and

(iv) such assignment does not conflict with applicable Requirements of Law.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling such Borrower to require such assignment and delegation cease to apply.

**SECTION 2.16 Swingline Loans**.

(a) Swingline Commitment. Subject to the terms and conditions set forth herein, the Swingline Lender agrees to make Swingline Loans to Borrowers from time to time during the Revolving Availability Period, in an aggregate principal amount at any time outstanding that will not result in (i) the aggregate principal amount of outstanding Swingline Loans exceeding $10.0 million or (ii) the sum of the total Revolving Exposures exceeding the total Revolving Commitments; *provided* that the Swingline Lender shall not be required to make a Swingline Loan to refinance an outstanding Swingline Loan. Within the foregoing limits and subject to the terms and conditions set forth herein, Borrowers may borrow, repay and reborrow Swingline Loans.

(b) Swingline Loans. To request a Swingline Loan, any Borrower shall deliver, by hand delivery or telecopier, a duly completed and executed Borrowing Request to the Administrative Agent and the Swingline Lender, not later than 2:00 p.m., New York City time, on the day of a proposed Swingline Loan. Each such notice shall be irrevocable and shall specify the requested date (which shall be a Business Day) and the amount of the requested Swingline Loan. Each Swingline Loan shall be an ABR Revolving Loan. The Swingline Lender shall make each Swingline Loan available to such Borrower by means of a credit to the general deposit account of such Borrower with the Swingline Lender (or, in the case of a Swingline Loan made to finance the reimbursement of an LC Disbursement as provided in Section 2.17(e), by remittance to the Issuing Bank) by 3:00 p.m., New York City time, on the requested date of such Swingline Loan. None of the Borrowers shall request a Swingline Loan if at the time of or immediately after giving effect to the Extension of Credit contemplated by such request a Default has occurred and is continuing or would result therefrom. Swingline Loans shall be made in minimum amounts of $1.0 million and integral multiples of $500,000 above such amount.

(c) Prepayment. Borrowers shall have the right at any time and from time to time to repay any Swingline Loan, in whole or in part, upon giving written notice to the Swingline Lender and the Administrative Agent before 12:00 (noon), New York City time, on the proposed date of repayment.

(d) Participations. The Swingline Lender may at any time in its discretion by written notice given to the Administrative Agent (*provided* such notice requirement shall not apply if the Swingline Lender and the Administrative Agent are the same entity) not later than 11:00 A.M., New York City time, on the next succeeding Business Day following such notice require the Revolving Lenders to acquire participations on such Business Day in all or a portion of the Swingline Loans then outstanding. Such notice shall specify the aggregate amount of Swingline Loans in which Revolving Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each Revolving Lender, specifying in such notice such Lender's Pro Rata Percentage of such Swingline Loan or Loans. Each Revolving Lender hereby absolutely and unconditionally agrees, upon receipt of notice as provided above, to pay to the Administrative Agent, for the account of the Swingline Lender, such Lender's Pro Rata Percentage of such Swingline Loan or Loans. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or reduction or termination of the Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever (so long as such payment shall not cause such Lender's Revolving Exposure to exceed such Lender's Revolving Commitment). Each Revolving Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.02(c) with respect to Loans made by such Lender (and Section 2.02 shall apply, *mutatis mutandis*, to the payment obligations of the Revolving Lenders), and the Administrative Agent shall promptly pay to the Swingline Lender the amounts so received by it from the Revolving Lenders. The Administrative Agent shall notify Borrowers of any participations in any Swingline Loan acquired by the Revolving Lenders pursuant to this paragraph, and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to the Swingline Lender. Any amounts received by the Swingline Lender from any Borrower (or other party on behalf of any Borrower) in respect of a Swingline Loan after receipt by the Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted to the Administrative Agent. Any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Revolving Lenders that shall have made their payments pursuant to this paragraph, as their interests may appear. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve any Borrower of any default in the payment thereof.

**SECTION 2.17 Letters of Credit**

(a) General. Subject to the terms and conditions set forth herein, any Borrower may request the Issuing Bank, and the Issuing Bank agrees, to issue Letters of Credit denominated in Dollars or any Alternative Currency for its own account or the account of a Subsidiary in a form reasonably acceptable to the Administrative Agent and the Issuing Bank, at any time and from time to time during the Revolving Availability Period (*provided* that such Borrower shall be a co-applicant, and be jointly and severally liable, with respect to each Letter of Credit issued for the account of a Subsidiary). The Issuing Bank shall have no obligation to issue, and none of the Borrowers shall request the issuance of, any Letter of Credit at any time if after giving effect to such issuance, the LC Exposure would exceed the LC Commitment or the total Revolving Exposure would exceed the total Revolving Commitments. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by such Borrower to, or entered into by such Borrower with, the Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control. On and after the Closing Date each Existing Letter of Credit shall constitute a Letter of Credit for all purposes hereof.

(b) Request for Issuance, Amendment, Renewal, Extension; Certain Conditions and Notices. To request the issuance of a Letter of Credit or the amendment, renewal or extension of an outstanding Letter of Credit, a Borrower shall deliver, by hand or telecopier (or transmit by electronic communication, if arrangements for doing so have been approved by the Issuing Bank), an LC Request to the Issuing Bank and the Administrative Agent not later than 11:00 a.m. on the third Business Day preceding the requested date of issuance, amendment, renewal or extension (or such later date and time as is acceptable to the Issuing Bank).

A request for an initial issuance of a Letter of Credit shall specify in form and detail satisfactory to the Issuing Bank:

(i) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day);

(ii) the amount thereof and the currency (which shall be Dollars or an Alternative Currency) for such requested Letter of Credit;

(iii) the expiry date thereof (which shall not be later than the close of business on the Letter of Credit Expiration Date);

(iv) the name and address of the beneficiary thereof;

(v) whether the Letter of Credit is to be issued for its own account or for the account of one of its Subsidiaries (*provided* that such Borrower shall be a co-applicant, and therefore jointly and severally liable, with respect to each Letter of Credit issued for the account of a Subsidiary);

(vi) the documents to be presented by such beneficiary in connection with any drawing thereunder;

(vii) the full text of any certificate to be presented by such beneficiary in connection with any drawing thereunder; and

(viii) such other matters as the Issuing Bank may reasonably require.

A request for an amendment, renewal or extension of any outstanding Letter of Credit shall specify in form and detail satisfactory to the Issuing Bank:

(i) the Letter of Credit to be amended, renewed or extended;

(ii) the proposed date of amendment, renewal or extension thereof (which shall be a Business Day);

(iii) the nature of the proposed amendment, renewal or extension; and

(iv) such other matters as the Issuing Bank may reasonably require.

If requested by the Issuing Bank, such Borrower also shall submit a letter of credit application on the Issuing Bank's standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended, renewed or extended only if (and, upon issuance, amendment, renewal or extension

of each Letter of Credit, such Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension, (i) the LC Exposure shall not exceed the LC Commitment, (ii) the total Revolving Exposures shall not exceed the total Revolving Commitments and (iii) the conditions set forth in Article IV in respect of such issuance, amendment, renewal or extension shall have been satisfied. Unless the Issuing Bank shall agree otherwise, no Letter of Credit shall be in an initial amount less than $100,000 (or the Dollar Equivalent thereof), in the case of a Commercial Letter of Credit, or $500,000 (or the Dollar Equivalent thereof), in the case of a Standby Letter of Credit, or is to be denominated in a currency other than Dollars.

Upon the issuance of any Letter of Credit or amendment, renewal, extension or modification to a Letter of Credit, the Issuing Bank shall promptly notify the Administrative Agent, who shall promptly notify each Revolving Lender, thereof, which notice shall be accompanied by a copy of such Letter of Credit or amendment, renewal, extension or modification to a Letter of Credit and the amount of such Lender's respective participation in such Letter of Credit pursuant to Section 2.17(d). On the first Business Day of each calendar month, the Issuing Bank shall provide to the Administrative Agent a report listing all outstanding Letters of Credit and the amounts and beneficiaries thereof and the Administrative Agent shall promptly provide such report to each Revolving Lender.

(c) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the earlier of (i) in the case of a Standby Letter of Credit, (x) the date which is one year after the date of the issuance of such Standby Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) and (y) the Letter of Credit Expiration Date and (ii) in the case of a Commercial Letter of Credit, (x) the date that is 180 days after the date of issuance of such Commercial Letter of Credit (or, in the case of any renewal or extension thereof, 180 days after such renewal or extension) and (y) the Letter of Credit Expiration Date. Any Standby Letter of Credit may provide by its terms that it may be extended for additional successive one-year periods on terms reasonably acceptable to the applicable Issuing Bank. Any Standby Letter of Credit providing for automatic extension shall be extended upon the then current expiration date without any further action by any Person unless the applicable Issuing Bank shall have given notice to the applicable beneficiary (with a copy to the Borrowers) of the election of such Issuing Bank not to extend the then current expiration date of such Letter of Credit, provided that no Letter of Credit may be extended automatically or otherwise beyond the Letter of Credit Expiration Date.

(d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the Issuing Bank or the Lenders, the Issuing Bank hereby irrevocably grants to each Revolving Lender, and each Revolving Lender hereby acquires from the Issuing Bank, a participation in such Letter of Credit equal to such Revolving Lender's Pro Rata Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent in Dollars, for the account of the Issuing Bank, such Revolving Lender's Pro Rata Percentage of the Dollar Equivalent of each LC Disbursement made by the Issuing Bank and not reimbursed by Borrowers on the date due as provided in Section 2.17(e), or of any reimbursement payment required to be refunded to Borrowers for any reason. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the Commitments, or expiration, termination or cash collateralization of any Letter of Credit and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. On the Closing, each Issuing Bank

that has issued an Existing Letter of Credit shall be deemed, without further action by any party hereto, to have granted to each Revolving Lender and each Revolving Lender shall have been deemed to have purchased from such Issuing Bank a participation in such Letter of Credit in accordance with this paragraph (d).

(e) Reimbursement.

(i) If the Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, Borrowers shall reimburse such LC Disbursement by paying to the Issuing Bank an amount equal to such LC Disbursement not later than 3:00 p.m., New York City time, on the date that such LC Disbursement is made if Borrowers shall have received notice of such LC Disbursement prior to 11:00 a.m., New York City time, on such date, or, if such notice has not been received by Borrowers prior to such time on such date, then not later than 3:00 p.m., New York City time, on the Business Day immediately following the day that Borrowers receive such notice; *provided* that Borrowers may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 that such payment be financed with ABR Revolving Loans or Swingline Loans in an equivalent amount and, to the extent so financed, Borrowers' obligation to make such payment shall be discharged and replaced by the resulting ABR Revolving Loans or Swingline Loans.

(ii) If Borrowers fail to make such payment when due, then (A) if such payment relates to an Alternative Currency Letter of Credit, automatically and with no further action, the Borrowers obligation to reimburse such LC Disbursement shall be permanently converted into an obligation to reimburse the Dollar Equivalent thereof, calculated using the Spot Rate on the date when such payment was due, and (B) in the case of each LC Disbursement the Issuing Bank shall notify the Administrative Agent and the Administrative Agent shall notify each Revolving Lender of the applicable LC Disbursement, the payment then due from Borrowers in respect thereof and such Revolving Lender's Pro Rata Percentage thereof. Each Revolving Lender shall pay by wire transfer of immediately available funds to the Administrative Agent not later than 2:00 p.m., New York City time, on such date (or, if such Revolving Lender shall have received such notice later than 12:00 noon, New York City time, on any day, not later than 11:00 a.m., New York City time, on the immediately following Business Day), an amount equal to such Revolving Lender's Pro Rata Percentage of the unreimbursed LC Disbursement in the same manner as provided in Section 2.02(c) with respect to Revolving Loans made by such Revolving Lender, and the Administrative Agent will promptly pay to the Issuing Bank the amounts so received by it from the Revolving Lenders. The Administrative Agent will promptly pay to the Issuing Bank any amounts received by it from Borrowers pursuant to the above paragraph prior to the time that any Revolving Lender makes any payment pursuant to the preceding sentence and any such amounts received by the Administrative Agent from Borrowers thereafter will be promptly remitted by the Administrative Agent to the Revolving Lenders that shall have made such payments and to the Issuing Bank, as appropriate. If the Borrowers reimbursement of, or obligation to reimburse, any amounts in any Alternative Currency would subject the Administrative Agent, the Issuing Bank or any Lender to any stamp duty, ad valorem charge or similar tax that would not be payable if such reimbursement were made or required to be made in Dollars, the Borrowers shall, at their option, either (x) pay the amount of any such tax requested by the Administrative Agent, the Issuing Bank or Lender or (y) reimburse each LC Disbursement made in such Alternative Currency in Dollars, in an amount equal to the Dollar Equivalent, calculated using the Spot Rate on the date such LC Disbursement is made.

(iii) If any Revolving Lender shall not have made its Pro Rata Percentage of such LC Disbursement available to the Administrative Agent as provided above, each of such Revolving Lender and Borrowers severally agrees to pay interest on such amount, for each day from and including the date such amount is required to be paid in accordance with the foregoing to but excluding the date such amount is paid, to the Administrative Agent for the account of the Issuing Bank at (i) in the case of Borrowers, the rate per annum set forth in Section 2.17(h) and (ii) in the case of such Lender, at a rate determined by the Administrative Agent in accordance with banking industry rules or practices on interbank compensation.

(f) Obligations Absolute. The Reimbursement Obligation of Borrowers as provided in Section 2.17(e) shall be absolute, unconditional and irrevocable, and shall be paid and performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein; (ii) any draft or other document presented under a Letter of Credit being proved to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; (iii) payment by the Issuing Bank under a Letter of Credit against presentation of a draft or other document that fails to comply with the terms of such Letter of Credit; (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.17, constitute a legal or equitable discharge of, or provide a right of setoff against, the obligations of any Borrower hereunder; (v) the fact that a Default shall have occurred and be continuing; or (vi) any material adverse change in the business, property, results of operations, prospects or condition, financial or otherwise, of any Borrower or any of its Subsidiaries. None of the Agents, the Lenders, the Issuing Bank or any of their Affiliates shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the Issuing Bank; *provided* that the foregoing shall not be construed to excuse the Issuing Bank from liability to Borrowers to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by Borrowers to the extent permitted by applicable Requirements of Law) suffered by Borrowers that are caused by the Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of the Issuing Bank (as finally determined by a court of competent jurisdiction), the Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, the Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) Disbursement Procedures. The Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. The Issuing Bank shall promptly give written notice to the Administrative Agent and Borrowers of such demand for payment and whether the Issuing Bank has made or will make an LC Disbursement thereunder; *provided* that any failure to give or delay in giving such notice shall not relieve Borrowers of their Reimbursement Obligation to the Issuing Bank and the Revolving Lenders with respect to any such LC

Disbursement (other than with respect to the timing of such Reimbursement Obligation set forth in Section 2.17(e)).

(h) Interim Interest. If the Issuing Bank shall make any LC Disbursement, then, unless Borrowers shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the Dollar Equivalent of the unpaid amount thereof shall bear interest payable on demand, for each day from and including the date such LC Disbursement is made to but excluding the date that Borrowers reimburse such LC Disbursement, at the rate per annum determined pursuant to Section 2.06(c). Interest accrued pursuant to this paragraph shall be for the account of the Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to Section 2.17(e) to reimburse the Issuing Bank shall be for the account of such Lender to the extent of such payment.

(i) Cash Collateralization. If any Event of Default shall occur and be continuing, on the Business Day that Borrowers receive notice from the Administrative Agent or the Required Lenders (or, if the maturity of the Loans has been accelerated, Revolving Lenders with LC Exposure representing greater than 50% of the total LC Exposure) demanding the deposit of cash collateral pursuant to this paragraph, Borrowers shall deposit on terms and in accounts satisfactory to the Collateral Agent, in the name of the Collateral Agent and for the benefit of the Revolving Lenders, an amount in cash equal to the LC Exposure as of such date plus any accrued and unpaid interest thereon; *provided* that (i) the portions of such amount attributable to undrawn Alternative Currency Letters of Credit shall be deposited in the applicable Alternative Currencies in the actual amounts of such undrawn Alternative Currency Letters of Credit and (ii) the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to Borrowers described in Section 8.01(g) or (h). Funds so deposited shall be applied by the Collateral Agent to reimburse the Issuing Bank for LC Disbursements for which it has not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of outstanding Reimbursement Obligations or, if the maturity of the Loans has been accelerated (but subject to the consent of Revolving Lenders with LC Exposure representing greater than 50% of the total LC Exposure), be applied to satisfy other Obligations of Borrowers under this Agreement. If Borrowers are required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount *plus* any accrued interest or realized profits with respect to such amounts (to the extent not applied as aforesaid) shall be returned to Borrowers within three Business Days after all Events of Default have been cured or waived.

(j) Additional Issuing Banks. Borrowers may, at any time and from time to time, designate one or more additional Revolving Lenders to act as an issuing bank under the terms of this Agreement, with the consent of the Administrative Agent (which consent shall not be unreasonably withheld), the Issuing Bank and such Revolving Lender(s). Any Lender designated as an issuing bank pursuant to this paragraph (j) shall be deemed (in addition to being a Revolving Lender) to be the Issuing Bank with respect to Letters of Credit issued or to be issued by such Revolving Lender, and all references herein and in the other Loan Documents to the term "Issuing Bank" shall, with respect to such Letters of Credit, be deemed to refer to such Revolving Lender in its capacity as Issuing Bank, as the context shall require.

(k) Resignation or Removal of the Issuing Bank. The Issuing Bank may resign as Issuing Bank hereunder at any time upon at least 30 days' prior notice to the Lenders, the Administrative Agent and Borrowers. The Issuing Bank may be replaced at any time by written agreement among each Borrower, each Agent, the replaced Issuing Bank and the successor Issuing Bank. The Administrative Agent shall notify the Lenders of any such replacement of the Issuing Bank or any such additional Issuing

Bank. At the time any such resignation or replacement shall become effective, Borrowers shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.05(c). From and after the effective date of any such resignation or replacement or addition, as applicable, (i) the successor or additional Issuing Bank shall have all the rights and obligations of the Issuing Bank under this Agreement with respect to Letters of Credit to be issued by it thereafter and (ii) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or such addition or to any previous Issuing Bank, or to such successor or such addition and all previous Issuing Banks, as the context shall require. After the resignation or replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such resignation or replacement, but shall not be required to issue additional Letters of Credit. If at any time there is more than one Issuing Bank hereunder, Borrowers may, in their discretion, select which Issuing Bank is to issue any particular Letter of Credit.

(l) Other. The Issuing Bank shall be under no obligation to issue any Letter of Credit if

(i) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain the Issuing Bank from issuing such Letter of Credit, or any Requirement of Law applicable to the Issuing Bank or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over the Issuing Bank shall prohibit, or request that the Issuing Bank refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon the Issuing Bank with respect to such Letter of Credit any restriction, reserve or capital requirement (for which the Issuing Bank is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon the Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which the Issuing Bank in good faith deems material to it; or

(ii) the issuance of such Letter of Credit would violate one or more policies of the Issuing Bank.

The Issuing Bank shall be under no obligation to amend any Letter of Credit if (A) the Issuing Bank would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

**SECTION 2.18 Increase in Commitments**.

(a) Borrower Request. Borrower may by written notice to the Administrative Agent elect to request the establishment of one or more new term loan commitments (the "**Term Loan Commitments**") by an amount not in excess of $250,000,000 in the aggregate and not less than $50,000,000 individually. Each such notice shall specify (i) the date (each, an "**Increase Effective Date**") on which Borrower proposes that the new Commitments shall be effective, which shall be a date not less than 10 Business Days after the date on which such notice is delivered to the Administrative Agent and (ii) the identity of each Eligible Assignee to whom Borrower proposes any portion of such new Commitments be allocated and the amounts of such allocations; *provided* that any existing Lender approached to provide all or a portion of the new Commitments may elect or decline, in its sole discretion, to provide such new Commitment.

(b) Conditions. The new Commitments shall become effective, as of such Increase Effective Date; *provided* that:

(i) each of the conditions set forth in Section 4.02 shall be satisfied;

(ii) no Default shall have occurred and be continuing or would result from the borrowings to be made on the Increase Effective Date;

(iii) after giving pro forma effect to the borrowings to be made on the Increase Effective Date and to any change in Consolidated EBITDA and any increase in Indebtedness resulting from the consummation of any Permitted Acquisition concurrently with such borrowings as of the date of the most recent financial statements delivered pursuant to Section 5.01(a) or (b), Borrower shall be in compliance with each of the covenants set forth in Section 6.10 and the Total Leverage Ratio shall not be greater than one full multiple less than the Total Leverage Ratio permitted pursuant to Section 6.10 for the most recently ended Test Period (for example, if such maximum Total Leverage Ratio is 3.50 to 1, such Total Leverage Ratio shall not be greater than 2.50 to 1, if, 3.25 to 1, then not greater than 2.25 to 1, etc.); and

(iv) Borrower shall deliver or cause to be delivered any legal opinions or other documents reasonably requested by the Administrative Agent in connection with any such transaction.

(c) Terms of New Loans and Commitments. The terms and provisions of Loans made pursuant to the new Commitments shall be as follows:

(i) the maturity date of the new loans made pursuant to the new Commitments (each a "**Term Loan**") shall not be earlier than the Revolving Maturity Date;

(ii) if required by the Administrative Agent or the lenders making the Term Loan Commitments, this Agreement shall be amended to include provisions acceptable to the Administrative Agent and such lenders (A) with respect to prepayments of the Loans from debt and equity issuances of Holdings or any of its Subsidiaries and excess cash flow of Holdings and its Subsidiaries and (B) requiring the delivery of notices to account debtors contemplated by Section 5.01(j) containing accurate fixed date stamps indicating the date of such notices as required under applicable law to perfect the Collateral Trustee's or the Collateral Agent's lien on the related accounts;

(iii) if required by the Administrative Agent or the lenders making the Term Loan Commitments, no later than the 30th day after the closing date with respect to any such new Term Loans, Borrowers shall enter into, and for a minimum period of time thereafter acceptable to the Administrative Agent and/or such lenders agree to maintain, Hedging Agreements with terms and conditions acceptable to the Administrative Agent and such lenders; and

(iv) the Applicable Margins for the Term Loans shall be determined by Borrower and the applicable new Lenders and must be acceptable to the Required Lenders.

The new Commitments shall be effected by a joinder agreement (the "**Increase Joinder**") executed by Borrower, the Administrative Agent and each Lender making such new Commitment, in form and substance satisfactory to each of them. The Increase Joinder may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to effect the provision of this Section 2.18 (including, without limitation, amending and restating this Agreement or any other Loan Document).

(d) Making of New Term Loans. On any Increase Effective Date on which new Commitments for Term Loans are effective, subject to the satisfaction of the foregoing terms and conditions, each Lender of such new Commitment shall make a Term Loan to Borrower in an amount equal to its new Commitment.

(e) Equal and Ratable Benefit. The Loans and Commitments established pursuant to this paragraph shall constitute Loans and Commitments under, and shall be entitled to all the benefits afforded by, this Agreement and the other Loan Documents, and shall, without limiting the foregoing, benefit equally and ratably from the Guarantees and security interests created by the Security Documents. The Loan Parties shall take any actions reasonably required by the Administrative Agent to ensure and/or demonstrate that the Lien and security interests granted by the Security Documents continue to be perfected under the UCC or otherwise after giving effect to the establishment of any such Class of Term Loans or any such new Commitments.

## ARTICLE III

## REPRESENTATIONS AND WARRANTIES

There is no existing default under any Organizational Document of any Company or any event which, with the giving of notice or passage of time or both, would constitute a default by any party thereunder.

**SECTION 3.02 Authorization; Enforceability**. The Transactions to be entered into by each Loan Party are within such Loan Party's powers and have been duly authorized by all necessary action on the part of such Loan Party. This Agreement has been duly executed and delivered by each Loan Party and constitutes, and each other Loan Document to which any Loan Party is to be a party, when executed and delivered by such Loan Party, will constitute, a legal, valid and binding obligation of such Loan Party, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

**SECTION 3.03 No Conflicts**. **SECTION 3.04 Financial Statements; Projections**.

(a) Historical Financial Statements. Borrowers have heretofore delivered to the Lenders the consolidated balance sheets and related statements of income, stockholders' equity and cash flows of the Acquired Business (i) as of and for the fiscal years ended December 31, 2001, 2002, and 2003, audited by and accompanied by the unqualified opinion of Samil Pricewaterhouse Coopers, independent public accountants, and (ii) as of and for the nine-month period ended September 30, 2004 and for the comparable period of the preceding fiscal year, in each case, certified by the chief financial officer of Borrowers. Such financial statements and all financial statements delivered pursuant to Sections 5.01(a) and (b) have been prepared in accordance with GAAP (subject in the case of the interim statements to normal year-end adjustments and the absence of footnotes) and present fairly and accurately the financial condition and results of operations and cash flows of Borrowers as of the dates and for the periods to which they relate.

(b) No Liabilities. Except as set forth in the financial statements referred to in Section 3.04(a), there are no liabilities of any Company of any kind, whether accrued, contingent, absolute, determined, determinable or otherwise, which could reasonably be expected to result in a Material Adverse Effect, and there is no existing condition, situation or set of circumstances which could reasonably be expected to result in such a liability, other than liabilities under the Loan Documents, the Senior Secured Note Documents and the Senior Subordinated Note Documents. Since the date of the Acquisition, there has been no event, change, circumstance or occurrence that, individually or in the aggregate, has had or could reasonably be expected to result in a Material Adverse Effect.

Such *pro forma* financial statements have been prepared in good faith by the Loan Parties, based on the assumptions stated therein (which assumptions are believed by the Loan Parties on the date hereof and on the Closing Date to be reasonable), are based on the best information available to the Loan Parties as of the date of delivery thereof, accurately reflect all adjustments required to be made to give effect to the Acquisition, and present fairly in all material respects the *pro forma* consolidated financial position and results of operations of Borrowers as of such date and for such periods, assuming that the Acquisition had occurred on the applicable date specified above**.**

The property of the Companies, taken as a whole, (i) is in good operating order, condition and repair (ordinary wear and tear excepted) and (ii) constitutes all the property which is required for the business and operations of the Companies as presently conducted.

The use by each Company of such Collateral and all such rights with respect to the foregoing do not infringe on the rights of any person other than such infringement which could not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect. (b) No Consent of Third Parties Required. No consent of any person including any other general or limited partner, any other member of a limited liability company, any other shareholder or any other trust beneficiary is necessary or reasonably desirable (from the perspective of a secured party) in connection with the creation, perfection or first priority status of the security interest of the Collateral Agent in any Equity Interests pledged to the Collateral Agent for the benefit of the Secured Parties under the Security Agreement or the exercise by the Collateral Agent of the voting or other rights provided for in the Security Agreement or the exercise of remedies in respect thereof.

**SECTION 3.08 Litigation; Compliance with Laws**. There are no actions, suits, investigations or proceedings at law or in equity by or before any Governmental Authority now pending or, to the knowledge of any Company, threatened against or affecting any Company or any business, property or rights of any Company (i) that involve any Loan Document or any of the Transactions or (ii) as to which there is a reasonable possibility of an adverse determination and that, if adversely determined, could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect. Except for matters covered by Section 3.18, no Company or any of its property is in violation of, nor will the continued operation of its property as currently conducted violate, any Requirements of Law (including any zoning or building ordinance, code or approval or any building permits) or any restrictions of record or agreements affecting any Company's Real Property or is in default with respect to any Requirement of Law, where such violation or default, individually or in the aggregate, could reasonably be expected to result in a Material Adverse Effect.

No Company is in default in any manner under any provision of any indenture or other agreement or instrument evidencing Indebtedness, or any other agreement or instrument to which it is a party or by which it or any of its property is or may be bound, where such default could reasonably be expected to result in a Material Adverse Effect, and no condition exists which, with the giving of notice or the lapse of time or both, would constitute such a default.

**SECTION 3.10 Federal Reserve Regulations**. No Company is engaged principally, or as one of its important activities, in the business of extending credit for the purpose of buying or carrying Margin Stock. No part of the proceeds of any Loan or any Letter of Credit will be used, whether directly or indirectly, and whether immediately, incidentally or ultimately, for any purpose that entails a violation of, or that is inconsistent with, the provisions of the regulations of the Board, including Regulation T, U or X. The pledge of the Securities Collateral pursuant to the Security Agreement does not violate such regulations.

**SECTION 3.11 Investment Company Act; Public Utility Holding Company Act**. Each Company has made adequate provision in accordance with GAAP for all Taxes not yet due and payable. Each Company is unaware of any proposed or pending tax assessments, deficiencies or audits that could be reasonably expected to, individually or in the aggregate, result in a Material Adverse Effect. No Company has ever been a party to any understanding or arrangement constituting a "tax shelter" within the meaning of Section 6111(c), Section 6111(d) or Section 6662(d)(2)(C)(iii) of the Code, except as could not be reasonably expected to, individually or in the aggregate, result in a Material Adverse Effect.

**SECTION 3.14 No Material Misstatements**. No information, report, financial statement, certificate, Borrowing Request, LC Request, exhibit or schedule furnished by or on behalf of any Company to the Administrative Agent or any Lender in connection with the negotiation of any Loan Document or included therein or delivered pursuant thereto, taken as a whole, or the Notes Offering Memorandum contained or contains any material misstatement of fact or omitted or omits to state any

material fact necessary to make the statements therein, in the light of the circumstances under which they were or are made, not misleading as of the date such information is dated or certified; *provided* that to the extent any such information, report, financial statement, exhibit or schedule was based upon or constitutes a forecast or projection, each Company represents only that it acted in good faith and utilized reasonable assumptions and due care in the preparation of such information, report, financial statement, exhibit or schedule.

**SECTION 3.15 Labor Matters**. As of the date hereof and the Closing Date, there are no strikes, lockouts or slowdowns against any Company pending or, to the knowledge of any Company, threatened. The hours worked by and payments made to employees of any Company subject thereto have not been in violation of the Fair Labor Standards Act of 1938, as amended, or any other applicable federal, state, local or foreign law dealing with such matters in any manner which could reasonably be expected to result in a Material Adverse Effect. All payments due from any Company, or for which any claim may be made against any Company, on account of wages and employee health and welfare insurance and other benefits, have been paid or accrued as a liability on the books of such Company except where the failure to do so could not reasonably be expected to result in a Material Adverse Effect. The consummation of the Transactions will not give rise to any right of termination or right of renegotiation on the part of any union under any collective bargaining agreement to which any Company is bound.

**SECTION 3.16 Solvency**. Immediately after the consummation of the Transactions to occur on the Closing Date and immediately following the making of each Loan and after giving effect to the application of the proceeds of each Loan, (a) the fair value of the properties of each Loan Party (individually and on a consolidated basis with its Subsidiaries) will exceed its debts and liabilities, subordinated, contingent or otherwise; (b) the present fair saleable value of the property of each Loan Party (individually and on a consolidated basis with its Subsidiaries) will be greater than the amount that will be required to pay the probable liability of its debts and other liabilities, subordinated, contingent or otherwise, as such debts and other liabilities become absolute and matured; (c) each Loan Party (individually and on a consolidated basis with its Subsidiaries) will be able to pay its debts and liabilities, subordinated, contingent or otherwise, as such debts and liabilities become absolute and matured; (d) each Loan Party (individually and on a consolidated basis with its Subsidiaries) will not have unreasonably small capital with which to conduct its business in which it is engaged as such business is now conducted and is proposed to be conducted following the Closing Date and (e) with respect to the UK Sales Subsidiary only, it is not "unable to pay its debts"; provided, that in this context, "unable to pay its debts" means that there are no grounds on which the UK Sales Subsidiary could be deemed unable to pay its debts (as defined in Section 123(1) of the United Kingdom Insolvency Act 1986) or on which a court could be satisfied that the value of its assets is less than the amount of its liabilities, taking into account its contingent and prospective liabilities (as such term would be construed for the purposes of Section 123(2) of the United Kingdom Insolvency Act 1986).

**SECTION 3.17 Employee Benefit Plans**. Each Company which is subject to ERISA and its ERISA Affiliates is in compliance in all material respects with the applicable provisions of ERISA and the Code and the regulations and published interpretations thereunder. No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events, could reasonably be expected to result in material liability of any Company which is subject to ERISA or any of its ERISA Affiliates or the imposition of a Lien on any of the property of any Company which is subject to ERISA. The present value of all accumulated benefit obligations of all underfunded Plans (based on the assumptions used for purposes of Statement of Financial Accounting Standards No. 87) did not, as of the date of the most recent financial statements reflecting such amounts, exceed by more than $1,000,000 the fair market value of the property of all such underfunded Plans. Using actuarial assumptions

and computation methods consistent with subpart I of subtitle E of Title IV of ERISA, the aggregate liabilities of each Company which is subject to ERISA or its ERISA Affiliates to all Multiemployer Plans in the event of a complete withdrawal therefrom, as of the close of the most recent fiscal year of each such Multiemployer Plan, could not reasonably be expected to result in a Material Adverse Effect.

To the extent applicable, each Foreign Plan has been maintained in compliance in all material respects with its terms and with the requirements of any and all applicable Requirements of Law and has been maintained, where required, in good standing with applicable regulatory authorities. No Company has incurred any material obligation in connection with the termination of or withdrawal from any Foreign Plan. The present value of the accrued benefit liabilities (whether or not vested) under each Foreign Plan which is required to be funded under applicable law, determined as of the end of the most recently ended fiscal year of the respective Company on the basis of actuarial assumptions, each of which is reasonable, did not exceed the current value of the property of such Foreign Plan by an amount in excess of $1,000,000, and for each Foreign Plan which is not funded, the obligations of such Foreign Plan are properly accrued.

The Guarantors (other than Korean Opco which has separately executed the Korean Opco Bank Guarantee) hereby jointly and severally guarantee, as a primary obligor and not as a surety to each Secured Party and their respective successors and assigns, the prompt payment in full when due (whether at stated maturity, by required prepayment, declaration, demand, by acceleration or otherwise) of the principal of and interest (including any interest, fees, costs or charges that would accrue but for the provisions of the Title 11 of the United States Code after any bankruptcy or insolvency petition under Title 11 of the United States Code) on the Loans made by the Lenders to, and the Notes held by each Lender of, Borrowers, and all other Secured Obligations from time to time owing to the Secured Parties by any Loan Party under any Loan Document or any Hedging Agreement entered into with a counterparty that is a Secured Party, in each case strictly in accordance with the terms thereof (such obligations being herein collectively called the "**Guaranteed Obligations**"). The Guarantors hereby jointly and severally agree that if Borrowers or other Guarantor(s) shall fail to pay in full when due (whether at stated maturity, by acceleration or otherwise) any of the Guaranteed Obligations, the Guarantors will promptly pay the same in cash, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the Guaranteed Obligations, the same will be promptly paid in full when due (whether at extended maturity, by acceleration or otherwise) in accordance with the terms of such extension or renewal.

**SECTION 7.02 Obligations Unconditional**. The obligations of the Guarantors under Section 7.01 shall constitute a guaranty of payment and to the fullest extent permitted by applicable Requirements of Law, are absolute, irrevocable and unconditional, joint and several, irrespective of the value, genuineness, validity, regularity or enforceability of the Guaranteed Obligations of Borrowers under this Agreement, the Notes, if any, or any other agreement or instrument referred to herein or therein, or any substitution, release or exchange of any other guarantee of or security for any of the Guaranteed Obligations, and, irrespective of any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a surety or Guarantor (except for payment in full). Without limiting the generality of the foregoing, it is agreed that the occurrence of any one or more of the following shall not alter or impair the liability of the Guarantors hereunder which shall remain absolute, irrevocable and unconditional under any and all circumstances as described above:

(i) at any time or from time to time, without notice to the Guarantors, the time for any performance of or compliance with any of the Guaranteed Obligations shall be extended, or such performance or compliance shall be waived;

(ii) any of the acts mentioned in any of the provisions of this Agreement or the Notes, if any, or any other agreement or instrument referred to herein or therein shall be done or omitted;

(iv) any Lien or security interest granted to, or in favor of, Issuing Bank or any Lender or Agent as security for any of the Guaranteed Obligations shall fail to be perfected; or

(v) the release of any other Guarantor pursuant to Section 7.09.

The Guarantors hereby expressly waive diligence, presentment, demand of payment, protest and all notices whatsoever, and any requirement that any Secured Party exhaust any right, power or remedy or proceed against any Borrower under this Agreement or the Notes, if any, or any other agreement or instrument referred to herein or therein, or against any other person under any other guarantee of, or security for, any of the Guaranteed Obligations. The Guarantors waive any and all notice of the creation, renewal, extension, waiver, termination or accrual of any of the Guaranteed Obligations and notice of or proof of reliance by any Secured Party upon this Guarantee or acceptance of this Guarantee, and the Guaranteed Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred in reliance upon this Guarantee, and all dealings among Borrowers and the Secured Parties shall likewise be conclusively presumed to have been had or consummated in reliance upon this Guarantee. This Guarantee shall be construed as a continuing, absolute, irrevocable and unconditional guarantee of payment without regard to any right of offset with respect to the Guaranteed Obligations at any time or from time to time held by Secured Parties, and the obligations and liabilities of the Guarantors hereunder shall not be conditioned or contingent upon the pursuit by the Secured Parties or any other person at any time of any right or remedy against Borrowers or against any other person which may be or become liable in respect of all or any part of the Guaranteed Obligations or against any collateral security or guarantee therefor or right of offset with respect thereto. This Guarantee shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon the Guarantors and the successors and assigns thereof, and shall inure to the benefit of the Lenders, and their respective successors and assigns, notwithstanding that from time to time during the term of this Agreement there may be no Guaranteed Obligations outstanding.

**SECTION 7.03 Reinstatement**. The obligations of the Guarantors under this Article VII shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of Borrowers or other Loan Party in respect of the Guaranteed Obligations is rescinded or must be otherwise restored by any holder of any of the Guaranteed Obligations, whether as a result of any proceedings in bankruptcy or reorganization or otherwise.

**SECTION 7.04 Subrogation**. Each Guarantor hereby agrees that until the indefeasible payment and satisfaction in full in cash of all Guaranteed Obligations and the expiration and termination of the Commitments of the Lenders under this Agreement it shall waive any claim and shall not exercise any right or remedy, direct or indirect, arising by reason of any performance by it of its guarantee in Section 7.01, whether by subrogation or otherwise, against Borrowers or any other Guarantor of any of the Guaranteed Obligations or any security for any of the Guaranteed Obligations.

**SECTION 7.05 Remedies**. Subject to the terms of the Intercreditor Agreement, the Guarantors jointly and severally agree that, as between the Guarantors and the Lenders, the obligations of Borrowers under this Agreement and the Notes, if any, may be declared to be forthwith due and payable as provided in Section 8.01 (and shall be deemed to have become automatically due and payable in the circumstances provided in Section 8.01) for purposes of Section 7.01, notwithstanding any stay, injunction or other prohibition preventing such declaration (or such obligations from becoming automatically due and payable) as against Borrowers and that, in the event of such declaration (or such obligations being deemed to have become automatically due and payable), such obligations (whether or not due and

payable by Borrowers) shall forthwith become due and payable by the Guarantors for purposes of Section 7.01.

**SECTION 7.06 Instrument for the Payment of Money**. Each Guarantor hereby acknowledges that the guarantee in this Article VII constitutes an instrument for the payment of money, and consents and agrees that any Lender or Agent, at its sole option, in the event of a dispute by such Guarantor in the payment of any moneys due hereunder, shall have the right to bring a motion-action under New York CRPL Section 3213.

**SECTION 7.07 Continuing Guarantee**. The guarantee in this Article VII is a continuing guarantee of payment, and shall apply to all Guaranteed Obligations whenever arising.

**SECTION 7.08 General Limitation on Guarantee Obligations**. In any action or proceeding involving any state corporate limited partnership or limited liability company law, or any applicable state, federal or foreign bankruptcy, insolvency, reorganization or other law affecting the rights of creditors generally, if the obligations of any Guarantor under Section 7.01 would otherwise be held or determined to be void, voidable, invalid or unenforceable, or subordinated to the claims of any other creditors, on account of the amount of its liability under Section 7.01, then, notwithstanding any other provision to the contrary, the amount of such liability shall, without any further action by such Guarantor, any Loan Party or any other person, be automatically limited and reduced to the highest amount that is valid and enforceable and not subordinated to the claims of other creditors as determined in such action or proceeding.

**SECTION 7.09 Release of Guarantors**. If, in compliance with the terms and provisions of the Loan Documents, all or substantially all of the Equity Interests or property of any Guarantor are sold or otherwise transferred (a "**Transferred Guarantor**") to a person or persons, none of which is a Borrower or a Subsidiary, such Transferred Guarantor shall, upon the consummation of such sale or transfer, be released from its obligations under this Agreement (including under Section 10.03 hereof) and its obligations to pledge and grant any Collateral owned by it pursuant to any Security Document and, in the case of a sale of all or substantially all of the Equity Interests of the Transferred Guarantor, the pledge of such Equity Interests to the Collateral Agent pursuant to the Security Agreements shall be released, and the Collateral Agent shall take such actions as are necessary to effect each release described in this Section 7.09 in accordance with the relevant provisions of the Security Documents

## ARTICLE IX

## THE ADMINISTRATIVE AGENT AND THE COLLATERAL AGENT

**SECTION 9.01 Appointment and Authority**. Each of the Lenders and the Issuing Bank hereby irrevocably appoints UBS AG, Stamford Branch, to act on its behalf as the Administrative Agent and the Collateral Agent hereunder and under the other Loan Documents and authorizes such Agents to take such actions on its behalf and to exercise such powers as are delegated to such Agents by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Administrative Agent, the Collateral Agent, the Lenders and the Issuing Bank, and neither any Borrower nor any other Loan Party shall have rights as a third party beneficiary of any of such provisions.

**SECTION 9.02 Rights as a Lender**. Each person serving as an Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include each person serving as an Agent hereunder

in its individual capacity. Such person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with any Borrower or any Subsidiary or other Affiliate thereof as if such person were not an Agent hereunder and without any duty to account therefor to the Lenders.

**SECTION 9.03 Exculpatory Provisions**. No Agent shall have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, no Agent:

(i) shall be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(ii) shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); *provided* that such Agent shall not be required to take any action that, in its judgment or the judgment of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable Requirements of Law; and

(iii) shall, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to any Borrower or any of its Affiliates that is communicated to or obtained by the person serving as such Agent or any of its Affiliates in any capacity.

No Agent shall be liable for any action taken or not taken by it (x) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as such Agent shall believe in good faith shall be necessary, under the circumstances as provided in Section 10.02) or (y) in the absence of its own gross negligence or willful misconduct. No Agent shall be deemed to have knowledge of any Default unless and until notice describing such Default is given to such Agent by Borrowers, a Lender or the Issuing Bank.

No Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document or (v) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to such Agent. Without limiting the generality of the foregoing, the use of the term "agent" in this Agreement with reference to the Administrative Agent or the Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term us used merely as a matter of market custom and is intended to create or reflect only an administrative relationship between independent contracting parties.

**SECTION 9.04 Reliance by Agent**. Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting

or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper person. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or the Issuing Bank, the Administrative Agent may presume that such condition is satisfactory to such Lender or the Issuing Bank unless the Administrative Agent shall have received notice to the contrary from such Lender or the Issuing Bank prior to the making of such Loan or the issuance of such Letter of Credit. Each Agent may consult with legal counsel (who may be counsel for Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

**SECTION 9.05 Delegation of Duties**. Each Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by such Agent. Each Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of each Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Agent.

**SECTION 9.06 Resignation of Agent**. Each Agent may at any time give notice of its resignation to the Lenders, the Issuing Bank and Borrowers. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with Borrowers, to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation, then the retiring Agent may on behalf of the Lenders and the Issuing Bank, appoint a successor Agent meeting the qualifications set forth above provided that if the Agent shall notify Borrowers and the Lenders that no qualifying person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (1) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Collateral Agent on behalf of the Lenders or the Issuing Bank under any of the Loan Documents, the retiring Collateral Agent shall continue to hold such collateral security as nominee until such time as a successor Collateral Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through an Agent shall instead be made by or to each Lender and the Issuing Bank directly, until such time as the Required Lenders appoint a successor Agent as provided for above in this paragraph. Upon the acceptance of a successor's appointment as Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Agent, and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this paragraph). The fees payable by any Borrower to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between such Borrower and such successor. After the retiring Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article IX and Section 10.03 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as Agent.

**SECTION 9.07 Non-Reliance on Agent and Other Lenders**. Each Lender and the Issuing Bank acknowledges that it has, independently and without reliance upon any Agent or any

other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender and the Issuing Bank also acknowledges that it will, independently and without reliance upon any Agent or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

**SECTION 9.08 No Other Duties, etc**. Anything herein to the contrary notwithstanding, none of the Bookmanagers, Arrangers, Syndication Agent, or Documentation Agent listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent, the Collateral Agent, a Lender or the Issuing Bank hereunder.

The Administrative Agent, the Collateral Agent or any Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it (including as set forth in Section 10.01(d)); *provided* that approval of such procedures may be limited to particular notices or communications.

Each Loan Party hereby agrees that it will provide to the Administrative Agent all information, documents and other materials that it is obligated to furnish to the Administrative Agent pursuant to this Agreement and any other Loan Document, including all notices, requests, financial statements, financial and other reports, certificates and other information materials, but excluding any such communication that (i) relates to a request for a new, or a conversion of an existing, Borrowing or other extension of credit (including any election of an interest rate or interest period relating thereto), (ii) relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, (iii) provides notice of any Default under this Agreement or (iv) is required to be delivered to satisfy any condition precedent to the effectiveness of this Agreement and/or any borrowing or

In addition, each Loan Party agrees to continue to provide the Communications to the Administrative Agent in the manner specified in this Agreement or any other Loan Document or in such other form, including hard copy delivery thereof, as the Administrative Agent shall require. Nothing in this Section 10.01 shall prejudice the right of the Agents, any Lender or any Loan Party to give any notice or other communication pursuant to this Agreement or any other Loan Document in any other manner specified in this Agreement or any other Loan Document or as any such Agent shall require.

To the extent consented to by the Administrative Agent in writing from time to time, Administrative Agent agrees that receipt of the Communications by the Administrative Agent at its e-mail address(es) set forth above shall constitute effective delivery of the Communications to the Administrative Agent for purposes of the Loan Documents; *provided* that Borrowers shall also deliver to the Administrative Agent an executed original of each Compliance Certificate required to be delivered hereunder.

Each Loan Party further agrees that Administrative Agent may make the Communications available to the Lenders by posting the Communications on Intralinks or a substantially similar electronic transmission system (the "**Platform**"). The Platform is provided "as is" and "as available." The Agents do not warrant the accuracy or completeness of the Communications, or the adequacy of the Platform and expressly disclaim liability for errors or omissions in the communications. No warranty of any kind, express, implied or statutory, including, without limitation, any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects, is made by any Agent in connection with the Communications or the Platform. In no event shall the Administrative Agent or any of its Related Parties have any liability to the Loan Parties, any Lender or any other person for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of any Loan Party's or the Administrative Agent's transmission of communications through the Internet, except to the extent the liability of such person is found in a final non-appealable judgment by a court of competent jurisdiction to have resulted from such person's gross negligence or willful misconduct.

**SECTION 10.02 Waivers; Amendment**.

(a) Generally. No failure or delay by any Agent, the Issuing Bank or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of each Agent, the Issuing Bank and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by this Section 10.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether any Agent, any Lender or the Issuing Bank may have had notice or knowledge of such Default at the time. No notice or demand on any Borrower in any case shall entitle such Borrower to any other or further notice or demand in similar or other circumstances.

(b) Required Consents. Subject to the terms of the Intercreditor Agreement and to Section 10.02(c), and (d), neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended, supplemented or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by Borrowers and the Required Lenders or, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent, the Collateral Agent (in the case of any Security Document) and the Loan Party or Loan Parties that are party thereto, in each case with the written consent of the Required Lenders; *provided* that no such agreement shall be effective if the effect thereof would:

(i) increase the Commitment of any Lender without the written consent of such Lender (it being understood that no amendment, modification, termination, waiver or consent with respect to any condition precedent, covenant or Default shall constitute an increase in the Commitment of any Lender);

(ii) reduce the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon (other than interest pursuant to Section 2.06(c)), or reduce any Fees payable hereunder, or change the form or currency of payment of any Obligation, without the written consent of each Lender directly affected thereby (it being understood that any amendment or modification to the financial definitions in this Agreement shall not constitute a reduction in the rate of interest for purposes of this clause (ii));

(iii) (A) change the scheduled final maturity of any Loan, (B) postpone the date for payment of any Reimbursement Obligation or any interest or fees payable hereunder, (C) change the amount of, waive or excuse any such payment (other than waiver of any increase in the interest rate pursuant to Section 2.06(c)), or (D) postpone the scheduled date of expiration of any Commitment or any Letter of Credit beyond the Revolving Maturity Date, in any case, without the written consent of each Lender directly affected thereby;

(iv) increase the maximum duration of Interest Periods hereunder, without the written consent of each Lender directly affected thereby;

(v) permit the assignment or delegation by any Borrower of any of its rights or obligations under any Loan Document, without the written consent of each Lender;

(vi) release Holdings, Korean Opco or all substantially all of the Subsidiary Guarantors from their Guarantee (except as expressly provided in Article VII), or limit their liability in respect of such Guarantee, without the written consent of each Lender;

(vii) release all or a substantial portion of the Collateral from the Liens of the Security Documents or alter the relative priorities of the Secured Obligations entitled to the Liens of the Security Documents, in each case without the written consent of each Lender (it being understood that additional Classes of Loans pursuant to Section 2.18 or consented to by the Required Lenders may be equally and ratably secured by the Collateral with the then existing Secured Obligations under the Security Documents);

(viii) change Section 2.13(b) or (c) in a manner that would alter the *pro rata* sharing of payments or setoffs required thereby or any other provision in a manner that would alter the *pro rata* allocation among the Lenders of Loan disbursements, including the requirements of Sections 2.02(a), 2.16(d) and 2.17(d), without the written consent of each Lender directly affected thereby;

(ix) change any provision of this Section 10.02(b) or Section 10.02(c) or (d), without the written consent of each Lender directly affected thereby (except for additional restrictions on amendments or waivers for the benefit of Lenders of additional Classes of Loans pursuant to Section 2.18 or consented to by the Required Lenders);

(x) change the percentage set forth in the definition of "Required Lenders," or any other provision of any Loan Document (including this Section) specifying the number or percentage of Lenders (or Lenders of any Class) required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender (or each Lender of such Class, as the case may be), other than to increase such percentage or number or to give any additional Lender or group of Lenders such right to waive, amend or modify or make any such determination or grant any such consent;

(xi) change or waive any provision of Article X as the same applies to any Agent, or any other provision hereof as the same applies to the rights or obligations of any Agent, in each case without the written consent of such Agent;

(xii) change or waive any obligation of the Lenders relating to the issuance of or purchase of participations in Letters of Credit, without the written consent of the Administrative Agent and the Issuing Bank;

(xiii) change or waive any provision hereof relating to Swingline Loans (including the definition of "Swingline Commitment"), without the written consent of the Swingline Lender; or

(xiv) expressly change or waive any condition precedent in Section 4.02 to any Revolving Borrowing without the written consent of the Required Lenders;

*provided, further*, that any waiver, amendment or modification of the Intercreditor Agreement (and any related definitions) may be effected by an agreement or agreements in writing entered into among the Collateral Agent, the Administrative Agent, the Required First Lien Lenders and the Required Second Lien Lenders (without the consent of any Loan Party, so long as such amendment, waiver or modification does not impose any additional duties or obligations on the Loan Parties or alter or impair any right of any Loan Party under the Loan Documents).

(c) Collateral. Without the consent of any other person, the applicable Loan Party or Parties and the Administrative Agent and/or Collateral Agent may (in its or their respective sole discretion, or shall, to the extent required by any Loan Document) enter into any amendment or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, or as required by local law to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable Requirements of Law.

(d) Dissenting Lenders. If, in connection with any proposed change, waiver, discharge or termination of the provisions of this Agreement as contemplated by Section 10.02(b), the consent of the Required Lenders is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained, then Borrowers shall have the right to replace all, but not less than all, of such non-consenting Lender or Lenders (so long as all non-consenting Lenders are so replaced) with one

or more persons pursuant to Section 2.15 so long as at the time of such replacement each such new Lender consents to the proposed change, waiver, discharge or termination.

**SECTION 10.03 Expenses; Indemnity; Damage Waiver**.

(a) Costs and Expenses. Borrowers shall pay (i) all reasonable out-of-pocket expenses incurred by the Administrative Agent, the Collateral Agent and the Collateral Trustee and their respective Affiliates (including the reasonable fees, charges and disbursements of counsel for the Administrative Agent, the Collateral Agent and the Collateral Trustee) in connection with the syndication of the credit facilities provided for herein (including the obtaining and maintaining of CUSIP numbers for the Loans), the preparation, negotiation, execution, delivery and administration of this Agreement and the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all reasonable out-of-pocket expenses incurred by the Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder, (iii) all out-of-pocket expenses incurred by the Administrative Agent, the Collateral Agent, the Collateral Trustee, any Lender or the Issuing Bank (including the fees, charges and disbursements of any counsel for the Administrative Agent, the Collateral Agent, the Collateral Trustee, any Lender or the Issuing Bank), in connection with the enforcement or protection of its rights (A) in connection with this Agreement and/or the other Loan Documents, including its rights under this Section 10.03, or (B) in connection with the Loans made or Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit and (iv) all documentary and similar taxes and charges in respect of the Loan Documents.

(b) Indemnification by Borrowers. Borrowers shall, jointly and severally, indemnify the Administrative Agent (and any sub-agent thereof), the Collateral Agent (and any sub-agent thereof), the Collateral Trustee, each Lender and the Issuing Bank, and each Related Party of any of the foregoing persons (each such person being called an "**Indemnitee**") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (including the fees, charges and disbursements of any counsel for any Indemnitee) incurred by any Indemnitee or asserted against any Indemnitee by any third party or by any Borrower or any other Loan Party arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, (ii) any Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by the Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or Release or threatened Release of Hazardous Materials on, at, under or from any property owned, leased or operated by any Company at any time, any violation of, noncompliance with, or liability or obligation under, any Environmental Laws, any orders, requirements or demands of any Governmental Authority relating to any Environmental Laws or Environmental Permits, or any Environmental Claim related in any way to any Company, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by any Borrower or any other Loan Party, and regardless of whether any Indemnitee is a party thereto; *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or (y) result from a claim brought by any Borrower or any other Loan Party against an Indemnitee for breach in bad faith of

such Indemnitee's obligations hereunder or under any other Loan Document, if such Borrower or such Loan Party has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction.

(c) Reimbursement by Lenders. To the extent that any Borrower for any reason fails to indefeasibly pay any amount required under paragraph (a) or (b) of this Section 10.03 to be paid by it to the Administrative Agent (or any sub-agent thereof), the Collateral Agent, the Collateral Trustee, the Issuing Bank, the Swingline Lender or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent), the Collateral Agent (or any sub-agent thereof), the Collateral Trustee, the Issuing Bank, the Swingline Lender or such Related Party, as the case may be, such Lender's *pro rata* share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; *provided* that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent), the Collateral Trustee, the Collateral Agent (or any sub-agent thereof), the Swingline Lender or the Issuing Bank in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent), the Collateral Agent (or any sub-agent thereof), the Collateral Trustee, the Swingline Lender or Issuing Bank in connection with such capacity. The obligations of the Lenders under this paragraph (c) are subject to the provisions of Section 2.14. For purposes hereof, a Lender's "*pro rata* share" shall be determined based upon its share of the sum of the total Revolving Exposure and unused Commitments at the time.

(d) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable Requirements of Law, no Loan Party shall assert, and each Loan Party hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee referred to in paragraph (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(e) Payments. All amounts due under this Section shall be payable not later than 3 Business Days after demand therefore accompanied by appropriate invoices or other evidence of amounts owed.

(f) Collateral Trustee as Third Party Beneficiary. The Collateral Trustee is hereby made an express third party beneficiary of this Section 10.03.

**SECTION 10.04 Successors and Assigns**.

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that none of the Borrowers may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent, the Collateral Agent, the Issuing Lender, the Swingline Lender and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee in accordance with the provisions of paragraph (b) of this Section 10.04, (ii) by way of participation in accordance with the provisions

of paragraph (d) of this Section 10.04 or (iii) by way of pledge or assignment of a security interest subject to the restrictions of paragraph (f) of this Section (and any other attempted assignment or transfer by any Borrower or any Lender shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in paragraph (d) of this Section and, to the extent expressly contemplated hereby, the other Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it); *provided* that

(i) except in the case of any assignment made in connection with the primary syndication of the Commitment and Loans by the Arranger or an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it or in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund with respect to a Lender, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the applicable Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date) shall not be less than $5.0 million, in the case of any assignment in respect of Revolving Loans and/or Revolving Commitments, or $1.0 million in the case of any assignment in respect of Term Loans or Term Loan Commitments, unless each of the Administrative Agent and, so long as no Default has occurred and is continuing, Borrowers otherwise consent (each such consent not to be unreasonably withheld or delayed);

(ii) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loan or the Commitment assigned, except that this clause (ii) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate tranches on a non-*pro rata* basis; and

(iii) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of $3,500, and the Eligible Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to paragraph (c) of this Section 10.04, from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 2.11, 2.13, 2.15 and 10.03 with respect to facts and circumstances occurring prior to the effective date of such assignment. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this paragraph shall be treated for purposes of this Agreement as a sale by such

Lender of a participation in such rights and obligations in accordance with paragraph (d) of this Section 10.04.

(c) Register. The Administrative Agent, acting solely for this purpose as an agent of Borrowers, shall maintain at one of its offices in Stamford, Connecticut a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive, and Borrowers, the Administrative Agent, the Issuing Bank and the Lenders may treat each person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by any Borrower, the Issuing Bank, the Collateral Agent, the Swingline Lender and any Lender (with respect to its own interest only), at any reasonable time and from time to time upon reasonable prior notice.

(d) Participations. Any Lender may at any time, without the consent of, or notice to, any Borrower, the Administrative Agent, the Issuing Bank or the Swingline Lender sell participations to any person (other than a natural person or any Borrower or any Affiliates of a Borrower or Subsidiaries) (each, a "**Participant**") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); *provided* that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) such Borrower, the Administrative Agent and the Lenders and Issuing Bank shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement.

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce the Loan Documents and to approve any amendment, modification or waiver of any provision of the Loan Documents; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in clause (i), (ii) or (iii) of the first proviso to Section 10.02(b) that affects such Participant. Subject to paragraph (e) of this Section, Borrowers agree that each Participant shall be entitled to the benefits of Sections 2.11, 2.12 and 2.14 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.08 as though it were a Lender, provided such Participant agrees to be subject to Section 2.14 as though it were a Lender.

(e) Limitations on Participant Rights. A Participant shall not be entitled to receive any greater payment under Sections 2.11, 2.12 and 2.14 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with Borrowers' prior written consent. A Participant shall not be entitled to the benefits of Section 2.14 unless Borrowers are notified of the participation sold to such Participant and such Participant agrees, for the benefit of Borrowers, to comply with Section 2.14(e) as though it were a Lender.

(f) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto. In the case of any Lender that is a fund that invests in bank

loans, such Lender may, without the consent of Borrowers or the Administrative Agent, collaterally assign or pledge all or any portion of its rights under this Agreement, including the Loans and Notes or any other instrument evidencing its rights as a Lender under this Agreement, to any holder of, trustee for, or any other representative of holders of, obligations owed or securities issued, by such fund, as security for such obligations or securities.

**SECTION 10.05 Survival of Agreement**. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Agents, the Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated. The provisions of Sections 2.11, 2.13, 2.14 and Article X shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the payment of the Reimbursement Obligations, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof.

**SECTION 10.06 Counterparts; Integration; Effectiveness; Electronic Execution**.

(a) Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents, and any separate letter agreements with respect to fees payable to the Administrative Agent, constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by telecopier shall be effective as delivery of a manually executed counterpart of this Agreement.

(b) Electronic Execution of Assignments. The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Requirement of Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

**SECTION 10.07 Severability**. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of

the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

**SECTION 10.08 Right of Setoff**. If an Event of Default shall have occurred and be continuing, each Lender, the Issuing Bank, and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable Requirements of Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender, the Issuing Bank or any such Affiliate to or for the credit or the account of any Borrower or any other Loan Party against any and all of the obligations of such Borrower or such Loan Party now or hereafter existing under this Agreement or any other Loan Document to such Lender or the Issuing Bank, irrespective of whether or not such Lender or the Issuing Bank shall have made any demand under this Agreement or any other Loan Document and although such obligations of such Borrower or such Loan Party may be contingent or unmatured or are owed to a branch or office of such Lender or the Issuing Bank different from the branch or office holding such deposit or obligated on such indebtedness. The rights of each Lender, the Issuing Bank and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender, the Issuing Bank or their respective Affiliates may have. Each Lender and the Issuing Bank agrees to notify Borrowers and the Administrative Agent promptly after any such setoff and application; *provided* that the failure to give such notice shall not affect the validity of such setoff and application.

**SECTION 10.09 Governing Law; Jurisdiction; Consent to Service of Process**.

(a) Governing Law. This Agreement shall be construed in accordance with and governed by the law of the State of New York, without regard to conflicts of law principles that would require the application of the laws of another jurisdiction.

(b) Submission to Jurisdiction. Each Loan Party hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State court or, to the fullest extent permitted by applicable law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that the Administrative Agent, the Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Loan Party or its properties in the courts of any jurisdiction.

(c) Waiver of Venue. Each Loan Party hereby irrevocably and unconditionally waives, to the fullest extent permitted by applicable Requirements of Law, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in Section 10.09(b). Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by applicable Requirements of Law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Service of Process. Each party hereto irrevocably consents to service of process in any action or proceeding arising out of or relating to any Loan Document, in the manner provided for notices (other than telecopier) in Section 10.01. Nothing in this Agreement or any other Loan Document will affect the right of any party hereto to serve process in any other manner permitted by applicable Requirements of Law.

**SECTION 10.10 Waiver of Jury Trial**. Each Loan Party hereby waives, to the fullest extent permitted by applicable Requirements of Law, any right it may have to a trial by jury in any legal proceeding directly or indirectly arising out of or relating to this Agreement, any other Loan Document or the transactions contemplated hereby (whether based on contract, tort or any other theory). Each party hereto (a) certifies that no representative, agent or attorney of any other party has represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce the foregoing waiver and (b) acknowledges that it and the other parties hereto have been induced to enter into this Agreement by, among other things, the mutual waivers and certifications in this Section.

**SECTION 10.11 Obligations Joint and Several**. The liability of the Borrowers for all amounts due to any Agent, any Lender or any Indemnitees in respect of any of the Obligations shall be joint and several regardless of which Borrower actually received Loans hereunder or the amount of such Loans or for which Borrower's account the Letters of Credit are issued or the manner in which the Lenders or the Agents account for such Loans or Letters of Credit in their respective books and records.

**SECTION 10.12 Headings**. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

**SECTION 10.13 Treatment of Certain Information; Confidentiality**. Each of the Administrative Agent, the Lenders and the Issuing Bank agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, agents, advisors and other representatives (it being understood that the persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable Requirements of Law or by any subpoena or similar legal process, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section 10.12, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement, (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to any Borrower and its obligations or (iii) any rating agency for the purpose of obtaining a credit rating applicable to any Lender, (g) with the consent of Borrowers or (h) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to the Administrative Agent, any Lender, the Issuing Bank or any of their respective Affiliates on a nonconfidential basis from a source other than any Borrower. For purposes of this Section, "**Information**" means all information received from any Borrower or any of its Subsidiaries relating to any Borrower or any of its Subsidiaries or any of their respective businesses, other than any such information that is available to the Administrative Agent, any Lender or the Issuing Bank on a nonconfidential basis prior to disclosure by any Borrower or any of its Subsidiaries; *provided* that, in the case of information received from any Borrower or any of

its Subsidiaries after the date hereof, such information is clearly identified at the time of delivery as confidential. Any person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such person has exercised the same degree of care to maintain the confidentiality of such Information as such person would accord to its own confidential information.

**SECTION 10.14 USA PATRIOT Act Notice**. Each Lender that is subject to the Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies Borrowers that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "**Act**"), it is required to obtain, verify and record information that identifies Borrowers, which information includes the name, address and tax identification number of Borrowers and other information regarding Borrowers that will allow such Lender or the Administrative Agent, as applicable, to identify Borrowers in accordance with the Act. This notice is given in accordance with the requirements of the Act and is effective as to the Lenders and the Administrative Agent.

**SECTION 10.15 Interest Rate Limitation**. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable Requirements of Law (collectively, the "**Charges**"), shall exceed the maximum lawful rate (the "**Maximum Rate**") which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable Requirements of Law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

**SECTION 10.16 Lender Addendum**. Each Lender to become a party to this Agreement on the date hereof shall do so by delivering to the Administrative Agent a Lender Addendum duly executed by such Lender, Borrowers and the Administrative Agent.

**SECTION 10.17 Obligations Absolute**. To the fullest extent permitted by applicable Requirements of Law, all obligations of the Loan Parties hereunder shall be absolute and unconditional irrespective of:

(a) any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition, liquidation or the like of any Loan Party;

(b) any lack of validity or enforceability of any Loan Document or any other agreement or instrument relating thereto against any Loan Party;

(c) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other amendment or waiver of or any consent to any departure from any Loan Document or any other agreement or instrument relating thereto;

(d) any exchange, release or non-perfection of any other Collateral, or any release or amendment or waiver of or consent to any departure from any guarantee, for all or any of the Obligations;

(e) any exercise or non-exercise, or any waiver of any right, remedy, power or privilege under or in respect hereof or any Loan Document; or

(f) any other circumstances which might otherwise constitute a defense available to, or a discharge of, the Loan Parties.

**SECTION 10.18 Judgment Currency**.

(a) Each Borrower's obligations hereunder and under the other Loan Documents to make payments in Dollars (the "**Obligation Currency**") shall not be discharged or satisfied by any tender or recovery pursuant to any judgment expressed in or converted into any currency other than the Obligation Currency, except to the extent that such tender or recovery results in the effective receipt by the Administrative Agent or the respective Lender of the full amount of the Obligation Currency expressed to be payable to the Administrative Agent or such Lender or under this Agreement or the other Loan Documents. If, for the purpose of obtaining or enforcing judgment against Borrower in any court or in any jurisdiction, it becomes necessary to convert into or from any currency other than the Obligation Currency (such other currency being hereinafter referred to as the "**Judgment Currency**") an amount due in the Obligation Currency, the conversion shall be made at the rate of exchange (as quoted by the Administrative Agent or if the Administrative Agent does not quote a rate of exchange on such currency, by a known dealer in such currency designated by the Administrative Agent) determined, in each case, as of the Business Day immediately preceding the day on which the judgment is given (such Business Day being hereinafter referred to as the "**Judgment Currency Conversion Date**").

(b) If there is a change in the rate of exchange prevailing between the Judgment Currency Conversion Date and the date of actual payment of the amount due, each Borrower covenants and agrees to pay, or cause to be paid, such additional amounts, if any (but in any event not a lesser amount) as may be necessary to ensure that the amount paid in the Judgment Currency, when converted at the rate of exchange prevailing on the date of payment, will produce the amount of the Obligation Currency which could have been purchased with the amount of Judgment Currency stipulated in the judgment or judicial award at the rate of exchange prevailing on the Judgment Currency Conversion Date.

(c) For purposes of determining the Relevant Currency Equivalent or any other rate of exchange for this Section 10.18, such amounts shall include any premium and costs payable in connection with the purchase of the Obligation Currency.

Each of the Borrowers and the other Loan Parties represents, warrants and agrees that except for the Specified Defaults, no other Defaults or Events of Default have occurred which remain continuing as of the date hereof.

**SECTION 3. Waiver.**

(a) Subject to the satisfaction of the conditions precedent set forth in Section 12 hereof, the Agents and Lenders hereby waive the Specified Defaults. Notwithstanding anything to the contrary contained in the Credit Agreement or any other Loan Document, the Agent may extend the time period set forth in clause (a)(iii)(w) of this Section 3 in its sole and absolute discretion; provided, however, any such extension shall

**SECTION 4. Representations, Warranties and Covenants of Loan Parties.** To induce the Agents and Lenders to execute and deliver this Agreement, each of the Loan Parties represent, warrant and covenant that:

(a) The execution, delivery and performance by the Loan Parties of this Agreement and all documents and instruments delivered in connection herewith and the Credit Agreement and all other Loan Documents have been duly authorized, and this Agreement and all documents and instruments delivered in connection herewith and the Credit Agreement and all other Loan Documents are legal, valid and binding obligations of the Loan Parties enforceable against the Loan Parties in accordance with their respective terms, except as the enforcement thereof may be subject to (i) the effect of any applicable bankruptcy, insolvency, reorganization, moratorium or similar law affecting creditors' rights generally and (ii) general principles of equity (regardless of whether such enforcement is sought in a proceeding in equity or at law);

(b) Each of the representations and warranties made by or on behalf of such Loan Party to either Agent or any Lender in any of the Loan Documents was true and correct when made and in all material respects is true and correct on and as of the date of this Agreement with the same full force and effect as if each of such representations and warranties had been made by such Loan Party on the date hereof and in this Agreement, and each of the agreements and covenants in the Credit Agreement and the other Loan Documents is hereby reaffirmed with the same force and effect as if each were separately stated herein and made as of the date hereof;

(c) Neither the execution, delivery and performance of this Agreement and all documents and instruments delivered in connection herewith nor the consummation of the transactions contemplated hereby or thereby does or shall contravene, result in a breach of, or violate (i) any provision of any Loan Party's corporate charter, bylaws, operating agreement, purchase agreement, or other governing documents, (ii) any law or regulation, or any order or decree of any court or government instrumentality, or (iii) any indenture, mortgage, deed of trust, lease, agreement or other instrument to which any Loan Party is a party or by which any Loan Party or any of its property is bound;

**SECTION 5. Reference to and Effect Upon the Credit Agreement.**

(a) Except as specifically set forth herein, all terms, conditions, covenants, representations and warranties contained in the Credit Agreement or any other Loan Documents, and all rights of Agents and Lenders and all of the Obligations, shall remain in full force and effect; provided that in the event of a conflict between the terms and provisions of the Credit

Agreement or any other Loan Documents (other than this First Amendment), the terms and provisions of the Credit Agreement (as amended hereby, and as the same has been and hereafter may be amended, restated, supplemented or otherwise modified from time to time) shall control. Each Loan Party hereby confirms that the Credit Agreement and the other Loan Documents are in full force and effect and that neither such Loan Party nor any of its Subsidiaries has any defenses, setoffs, claims, or counterclaims to the Obligations under the Credit Agreement or any other Loan Documents.

(b) Except as expressly set forth herein, the execution, delivery and effectiveness of this Agreement and any consents and waivers set forth herein shall not directly or indirectly (i) constitute a consent or waiver of any past, present or future violations of any provisions of the Credit Agreement or any other Loan Documents, (ii) amend, modify or operate as a waiver of any provision of the Credit Agreement or any other Loan Documents or any right, power or remedy of any Agent or any Lender thereunder, or (iii) constitute a course of dealing or other basis for altering any Obligations or any other contract or instrument. Except as expressly set forth herein, each of the Agents and Lenders reserves all of its rights, powers, and remedies under the Credit Agreement, the other Loan Documents, and/or applicable law. All of the provisions of the Credit Agreement and the other Loan Documents, including, without limitation, the time of the essence provisions, are hereby reiterated, and if ever waived, reinstated.

(c) Upon the effectiveness of this Agreement, all references to the Credit Agreement in any Loan Document shall mean and be a reference to the Credit Agreement, as amended hereby, and the term "Loan Documents" shall include, without limitation, this Agreement.

**SECTION 6. Costs and Expenses**. Each of the Borrowers and the other Loan Parties agrees jointly and severally to reimburse Agents and Lenders for all reasonable fees, costs and expenses, including the reasonable fees, costs and expenses of counsel or other advisors for advice, assistance, or other representation in connection with this Agreement and the other agreements and documents executed in connection herewith.

**SECTION 7. Governing Law.** THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS (AS OPPOSED TO CONFLICTS OF LAWS PROVISIONS) OF THE STATE OF NEW YORK.

**SECTION 8. Headings**. Section headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purposes.

**SECTION 9. Counterparts.** This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed an original, but all such counterparts shall constitute one and the same instrument, and all signatures need not appear on any one counterpart. Any party hereto may execute and deliver a counterpart of this Agreement by delivering by facsimile transmission a signature page of this Agreement signed by such party, and any such facsimile signature shall be treated in all respects as having the same effect as an original signature. Any party delivering by facsimile transmission a counterpart executed by it shall promptly thereafter also deliver a manually signed counterpart of this Agreement.

**SECTION 10. Time of Essence.** Time is of the essence in the payment and performance of each of the obligations of any of the parties hereunder and with respect to all conditions to be satisfied by such party.

**SECTION 11. Further Assurances.** Each Loan Party agrees to take, and to cause its Subsidiaries to take, all further actions and to execute and deliver, and to cause its Subsidiaries to execute and deliver, all further documents as the Agents, or either of them, may from time to time reasonably request to carry out the transactions contemplated by this Agreement.

**SECTION 12. Effectiveness.** This Agreement shall become effective at the time (the "**Effective Date**") that all of the following conditions precedent have been met (or waived) as determined by the Agents and the Required Lenders in their sole discretion (as evidenced by Agents' and Lenders' execution and delivery of this Agreement):

(a) Agreement. Duly executed signature pages for this Agreement signed by the Agents, Lenders and Loan Parties shall have been delivered to Administrative Agent.

(b) Representations and Warranties. The representations and warranties contained herein shall be true and correct in all material respects, and no Event of Default or Default, in each case other than the Specified Defaults, shall exist on the date hereof.

(c) No Material Adverse Change. Since the Closing Date, there shall have occurred no material adverse change in the business, operations, financial conditions, profits or prospects, or in the Collateral of any Loan Party or any Subsidiary thereof.

(d) Payment of Commitment Fees and Letter of Credit Fees. All outstanding Commitment Fees and Fees related to any of the Letters of Credit shall each have been paid in cash to the Administrative Agent.

(f) instruct the Collateral Trustee, subject to and in accordance with the terms of this Agreement.

SECTION 3.5 Discretion in Enforcement of Priority Lien Obligations. Without in any way limiting the generality of Section 3.4, the holders of Priority Lien Obligations and the Priority Lien Representatives may, at any time and from time to time, without the consent of or notice to holders of Parity Lien Obligations or the Parity Lien Representatives, without incurring responsibility to holders of Parity Lien Obligations and the Parity Lien Representatives and without impairing or releasing the subordination provided in this Agreement or the obligations hereunder of holders of Parity Lien Obligations and the Parity Lien Representatives, do any one or more of the following:

(a) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, the Priority Lien Obligations, or otherwise amend or supplement in any manner the Priority Lien Obligations, or any instrument evidencing the Priority Lien Obligations or any agreement under which the Priority Lien Obligations are outstanding;

(b) release any Person or entity liable in any manner for the collection of the Priority Lien Obligations;

(c) release the Priority Lien on any Collateral;

(d) exercise or refrain from exercising any rights against any Pledgor; and

(e) instruct the Collateral Trustee, subject to and in accordance with the terms of this Agreement.

SECTION 3.6 Insolvency or Liquidation Proceedings.

(a) If in any Insolvency or Liquidation Proceeding and prior to the Discharge of Priority Lien Obligations, the holders of Priority Lien Obligations by an Act of Required Debtholders consent to any order:

(1) for use of cash collateral;

(2) approving a debtor-in-possession financing secured by a Lien that is senior to or on a parity with all Priority Liens upon any property of the estate in such Insolvency or Liquidation Proceeding;

(3) granting any relief on account of Priority Lien Obligations as adequate protection (or its equivalent) for the benefit of the holders of Priority Lien Obligations in the Collateral subject to Priority Liens; or

(4) relating to a sale of assets of any Borrower or any other Pledgor that provides, to the extent the assets sold are to be free and clear of Liens, that all Priority Liens and Parity Liens will attach to the proceeds of the sale;

then, the holders of Notes and other Parity Lien Obligations, in their capacity as holders of secured claims, and each Parity Lien Representative, will not oppose or otherwise contest the entry of such order, so long as none of the holders of Priority Lien Obligations or any Priority Lien Representative in any respect opposes or otherwise contests any request made by any holder of Notes or other Parity Lien Obligations or a Parity Lien Representative for the grant to the Parity Lien Collateral Agent, for the benefit of the holders of Notes and other Parity Lien Obligations, of a junior Lien upon any property on which a Lien is (or is to be) granted under such order to secure the Priority Lien Obligations, co-extensive in all respects with, but subordinated (as set forth in Section 3.1) to, such Lien and all Priority Liens on such property.

Notwithstanding the foregoing, both before and during an Insolvency or Liquidation Proceeding, the holders of Notes and other Parity Lien Obligations and the Parity Lien Representatives may take any actions and exercise any and all rights that would be available to a holder of their claims if they were to be treated as unsecured claims, including, without limitation, the commencement of Insolvency or Liquidation Proceedings against any Borrower or any other Pledgor against which they have a claim in accordance with applicable law; provided, that the holders of Parity Lien Obligations

and the Parity Lien Representatives may not take any of the actions prohibited under Section 3.2(b) or oppose or contest any order that it has agreed not to oppose or contest under clauses (1) through (4) of the preceding paragraph.

(b) The holders of Notes or other Parity Lien Obligations or any Parity Lien Representative will not file or prosecute in any Insolvency or Liquidation Proceeding any motion for adequate protection (or any comparable request for relief) based upon their interest in the Collateral under the Parity Liens, except that the foregoing restriction shall not prevent the foregoing Persons from:

(1) freely seeking and obtaining relief: (A) granting a junior Lien co-extensive in all respects with, but subordinated (as set forth in Section 3.1) to, all Liens granted in the Insolvency or Liquidation Proceeding to, or for the benefit of, the holders of Priority Lien Obligations; or (B) in connection with the confirmation of any plan of reorganization or similar dispositive restructuring plan; and

(2) freely seeking and obtaining any relief upon a motion for adequate protection (or any comparable relief), without any condition or restriction whatsoever, at any time after the Discharge of Priority Lien Obligations.

SECTION 3.7 Collateral Shared Equally and Ratably within Class. The parties to this Agreement agree that the payment and satisfaction of all of the Secured Obligations within each Class will be secured equally and ratably by the Liens established in favor of the Priority Lien Collateral Agent or Parity Lien Collateral Agent, as applicable, for the benefit of the Secured Parties belonging to such Class. It is understood and agreed that nothing in this Section 3.7 is intended to alter the priorities among Secured Parties belonging to different Classes as provided in Section 3.1.

SECTION 3.8 Amendment of Priority Lien Security Documents.

(a) No amendment or supplement to the provisions of any Priority Lien Security Document will be effective without the approval of the Priority Lien Collateral Agent acting as directed by the Required Priority Lien Debtholders, except that:

(1) any amendment or supplement that has the effect solely of adding or maintaining Collateral, securing additional Priority Lien Debt that was otherwise permitted by the terms of the Priority Lien Documents to be secured by the Collateral or preserving, perfecting or establishing the priority of the Priority Liens or the rights of the Priority Lien Collateral Agent therein will become effective when executed and delivered by any Borrower or any other applicable Pledgor party thereto and the Priority Lien Collateral Agent;

(2) no amendment or supplement that reduces, impairs or adversely affects the right of any holder of Priority Lien Obligations:

(A) to vote its outstanding Priority Lien Debt as to any matter described as subject to direction by the Required Priority Lien Debtholders

(or amends the provisions of this clause (2) or the definition of "Required Priority Lien Debtholders"),

(B) to share in the order of application described under Section 3.1 in the proceeds of enforcement of or realization on any Collateral, or

(C) to require that Priority Liens be released only as set forth in the provisions described under Section 5.1,

will become effective without the consent of the requisite percentage or number of holders of each Series of Priority Lien Debt so affected under the applicable Priority Lien Document; and

(3) no amendment or supplement that imposes any obligation upon the Priority Lien Collateral Agent or any Priority Lien Debt Representative or adversely affects the rights of the Priority Lien Collateral Agent or any Priority Lien Representative, in its individual capacity as such, will become effective without the consent of the Priority Lien Collateral Agent or such Priority Lien Representative.

(b) Any amendment or supplement to the provisions of the Priority Lien Security Documents that releases Collateral will be effective only in accordance with the requirements set forth in the applicable Priority Lien Documents referenced under Section 5.1.

SECTION 3.9 Amendment of Parity Lien Security Documents.

(a) No amendment or supplement to the provisions of any Parity Lien Security Document will be effective without the approval of the Parity Lien Collateral Agent acting as directed by the Required Parity Lien Debtholders, except that:

(1) any amendment or supplement that has the effect solely of adding or maintaining Collateral, securing additional Parity Lien Debt that was otherwise permitted by the terms of the Parity Lien Documents to be secured by the Parity Lien Collateral or preserving, perfecting or establishing the priority of the Parity Liens or the rights of the Parity Lien Collateral Agent therein will become effective when executed and delivered by any Borrower or any other applicable Pledgor party thereto and the Parity Lien Collateral Agent;

(2) no amendment or supplement that reduces, impairs or adversely affects the right of any holder of Parity Lien Obligations:

(A) to vote its outstanding Parity Lien Debt as to any matter described as subject to direction by the Required Parity Lien Debtholders (or amends the provisions of this clause (2) or the definition of "Required Parity Lien Debtholders"),

(B) to share in the order of application described under Sections 4.1 and 4.2 in the proceeds of enforcement of or realization on any Collateral, or

(C) to require that Parity Liens be released only as set forth in the provisions described under Section 5.1,

will become effective without the consent of the requisite percentage or number of holders of each Series of Parity Lien Debt so affected under the applicable Parity Lien Document; and

(3) no amendment or supplement that imposes any obligation upon the Parity Lien Collateral Agent or any Parity Lien Representative or adversely affects the rights of the Parity Lien Collateral Agent or any Parity Lien Representative, respectively, in its individual capacity as such, will become effective without the consent of the Parity Lien Collateral Agent or such Parity Lien Representative, respectively.

(b) Any amendment or supplement to the provisions of the Security Documents that releases Collateral will be effective only in accordance with the requirements set forth in the applicable Parity Lien Documents referenced under Section 5.1. Any amendment or supplement that results in the Parity Lien Collateral Agent's Liens upon the Parity Lien Collateral no longer securing the Notes and the other obligations under the Indenture may only be effected in accordance with Section 5.4.

(c) Notwithstanding anything to the contrary contained in the Parity Lien Documents, but subject to clauses (a)(2) and (a)(3) above:

(A) any mortgage or other security document that secures Parity Lien Obligations (but not Priority Lien Obligations) may be amended or supplemented with the approval of the Parity Lien Collateral Agent acting as directed in writing by the Required Parity Lien Debtholders, unless such amendment or supplement would not be permitted under the terms of this Agreement or the other Priority Lien Documents; and

(B) any amendment or waiver of, or any consent under, any provision of this Agreement or any other Security Document that secures Priority Lien Obligations will apply automatically to any comparable provision of any comparable Parity Lien Document without the consent of or notice to any holder of Parity Lien Obligations and without any action by any Pledgor or any holder of notes or other Parity Lien Obligations.

SECTION 3.10 Certain Notices in Security Documents. The holders of Parity Lien Obligations and the Parity Lien Representatives agree that each Security Document that secures Parity Lien Obligations (but not also securing Priority Lien Obligations) will include the following language:

"Notwithstanding anything herein to the contrary, the lien and security interest granted to the Parity Lien Collateral Agent pursuant to this Agreement and the exercise of any right or remedy by such Parity Lien Collateral Agent hereunder are subject to the provisions of the Intercreditor Agreement, dated as of December 23, 2004, among MAGNACHIP SEMICONDUCTOR S.A., a *société anonyme*, organized and existing under the laws of the Grand Duchy of Luxembourg, having its registered office at 10, rue de Vianden, L-2680 Luxembourg, Grand Duchy of Luxembourg, registered with the Luxembourg Register of commerce and companies under the number B 97,483, MAGNACHIP SEMICONDUCTOR FINANCE COMPANY, a Delaware corporation, the Pledgors from time to time party thereto, UBS AG, STAMFORD BRANCH, as Credit Agreement Agent under the Credit Agreement (as defined therein) and as Priority Lien Collateral Agent, THE BANK OF NEW YORK, as Trustee under the Indenture (as defined therein) and as Priority Lien Collateral Agent, and U.S. BANK NATIONAL ASSOCIATION, as Collateral Trustee (as amended, supplemented, amended and restated or otherwise modified and in effect from time to time, the "*Intercreditor Agreement*"). In the event of any conflict between the terms of the Intercreditor Agreement and this Agreement, the terms of the Intercreditor Agreement will govern."

; *provided, however*, that if the jurisdiction in which any such Parity Lien Document will be filed prohibits the inclusion of the language above or would prevent a document containing such language from being recorded, the Parity Lien Representatives and the Priority Lien Representatives agree, prior to such Parity Lien Document being entered into, to negotiate in good faith replacement language stating that the lien and security interest granted under such Parity Lien Document is subject to the provisions of this Agreement.

ARTICLE 4. INTERCREDITOR RELATIONS

SECTION 4.1 Application of Proceeds in Distributions by the Priority Lien Collateral Agent.

(a) The Priority Lien Collateral Agent will apply the proceeds of any collection, sale, foreclosure or other realization upon any Collateral and the proceeds of any title insurance policy required under any Priority Lien Document in the following order of application:

FIRST, to the payment of all amounts payable under the Priority Lien Documents on account of the Collateral Trustee's and the Priority Lien Collateral Agent's fees and any reasonable legal fees, costs and expenses or other liabilities of any kind incurred by the Collateral Trustee and the Priority Lien Collateral Agent or any co-trustee or agent of the Priority Lien Collateral Agent in connection with any Priority Lien Security Document;

SECOND, to the repayment of Indebtedness and other Obligations, other than Secured Debt, secured by a Permitted Prior Lien on the Collateral collected, sold, foreclosed, or realized upon;

THIRD, to the respective Priority Lien Representatives for application to the payment of all outstanding Priority Lien Debt and any other Priority Lien Obligations that are then due and payable in such order as may be provided in the Priority Lien Documents in an amount sufficient to pay in full in cash all outstanding Priority Lien Debt and all other Priority Lien Obligations that are then due and payable (including all interest accrued thereon after the commencement of any Insolvency or Liquidation Proceeding at the rate, including any applicable post-default rate, specified in the Priority Lien Documents, even if such interest is not enforceable, allowable or allowed as a claim in such proceeding, and including the discharge or cash collateralization (at the lower of (1) 105% of the aggregate undrawn amount and (2) the percentage of the aggregate undrawn amount required for release of Liens under the terms of the applicable Priority Lien Document) of all outstanding letters of credit constituting Priority Lien Debt);

FOURTH, to the payment of all amounts payable under the Parity Lien Documents on account of the Collateral Trustee's (to the extent not payable pursuant to clause FIRST above) and the Parity Lien Collateral Agent's fees and any reasonable legal fees, costs and expenses or other liabilities of any kind incurred by the Collateral Trustee and the Parity Lien Collateral Agent or any co-trustee or agent of the Parity Lien Collateral Agent in connection with any Security Document;

FIFTH, to the respective Parity Lien Representatives for application to the payment of all outstanding Parity Lien Debt and any other Parity Lien Obligations that are then due and payable in such order as may be provided in the Parity Lien Documents in an amount sufficient to pay in full in cash all outstanding Parity Lien Debt and all other Parity Lien Obligations that are then due and payable (including, to the extent legally permitted, all interest accrued thereon after the commencement of any Insolvency or Liquidation Proceeding at the rate, including any applicable post-default rate, specified in the Parity Lien Documents, even if such interest is not enforceable, allowable or allowed as a claim in such proceeding, and including the discharge or cash collateralization (at the lower of (1) 105% of the aggregate undrawn amount and (2) the percentage of the aggregate undrawn amount required for release of Liens under the terms of the applicable Parity Lien Document) of all outstanding letters of credit, if any, constituting Parity Lien Debt); and

SIXTH, any surplus remaining after the payment in full in cash of the amounts described in the preceding clauses will be paid to the applicable Borrower or the applicable Pledgor, as the case may be, its successors or assigns, or as a court of competent jurisdiction may direct.

(b) In connection with the application of proceeds pursuant to Section 4.1(a), except as otherwise directed by an Act of Required Debtholders, the Priority Lien Collateral Agent may sell any non-cash proceeds for cash prior to the application of the proceeds thereof.

SECTION 4.2 Application of Proceeds in Distributions by the Parity Lien Collateral Agent.

(a) Notwithstanding Section 4.1, following the Discharge of Priority Lien Obligations, the Collateral Trustee or the Parity Lien Collateral Agent will apply the proceeds of any collection, sale, foreclosure or other realization upon any Collateral and the proceeds of any title insurance policy required under any Parity Lien Document in the following order of application:

FIRST, to the payment of all amounts payable under the Parity Lien Documents on account of the Collateral Trustee's and the Parity Lien Collateral Agent's fees and any reasonable legal fees, costs and expenses or other liabilities of any kind incurred by the Collateral Trustee and the Parity Lien Collateral Agent or any co-trustee or agent of the Parity Lien Collateral Agent in connection with any Security Document;

SECOND, in accordance with clauses FIFTH and SIXTH of Section 4.1(a).

(b) If any Parity Lien Representative or any holder of a Parity Lien Obligation collects or receives any proceeds of such foreclosure, collection or other enforcement that should have been applied to the payment of the Priority Lien Obligations in accordance with Section 4.1(a) above, whether after the commencement of an Insolvency or Liquidation Proceeding or otherwise, such Parity Lien Representative or such holder of a Parity Lien Obligation, as the case may be, will forthwith deliver the same to the Priority Lien Collateral Agent, for the account of the holders of the Priority Lien Obligations and other Obligations secured by a Permitted Prior Lien, to be applied in accordance with Section 4.1(a). Until so delivered, such proceeds will be held by that Parity Lien Representative or that holder of a Parity Lien Obligation, as the case may be, for the benefit of the holders of the Priority Lien Obligations and other Obligations secured by a Permitted Prior Lien.

(c) This Section 4.2 is intended for the benefit of, and will be enforceable as a third party beneficiary by, each present and future holder of Secured Obligations, each present and future Secured Debt Representative, the Priority Lien Collateral Agent as holder of Priority Liens and the Parity Lien Collateral Agent as holder of Parity Liens. The Secured Debt Representative of each future Series of Secured Debt will be required to deliver a Lien Sharing and Priority Confirmation to the Priority Lien Collateral Agent, the Parity Lien Collateral Agent and each other Secured Debt Representative at the time of incurrence of such Series of Secured Debt.

(d) In connection with the application of proceeds pursuant to Section 4.2(a), except as otherwise directed by an Act of Required Debtholders, the Collateral Trustee may sell any non-cash proceeds for cash prior to the application of the proceeds thereof.

SECTION 4.3 Additional Secured Debt.

(a) Any Borrower or other applicable Pledgor will be permitted to designate as an additional holder of Secured Obligations hereunder each Person who is, or who becomes, the registered holder of Parity Lien Debt or the registered holder of Priority

Lien Debt incurred by such Borrower or such other Pledgor after the date of this Agreement in accordance with the terms of all applicable Secured Debt Documents. Any Borrower or other applicable Pledgor may effect such designation by delivering to the Collateral Trustee, the Priority Lien Collateral Agent and the Parity Lien Collateral Agent, with copies to each previously identified Secured Debt Representative, each of the following:

(1) an Officers' Certificate stating that such Borrower or such other Pledgor intends to incur additional Secured Debt (***"Additional Secured Debt"***) which will either be (A) Priority Lien Debt permitted by each applicable Secured Debt Document to be secured by a Priority Lien equally and ratably with all previously existing and future Priority Lien Debt or (B) Parity Lien Debt permitted by each applicable Secured Debt Document to be secured with a Parity Lien equally and ratably with all previously existing and future Parity Lien Debt;

(2) an Opinion of Counsel to the effect that such Borrower or such other Pledgor has (A) duly authorized, executed (if applicable) and recorded (or caused to be recorded) in each appropriate governmental office all relevant filings and recordations and other documents to ensure that the Additional Secured Debt is secured by a lien on substantially the same Collateral (including substantially the same Collateral Trust Security Rights) as that held by the Priority Lien Collateral Agent or the Parity Lien Collateral Agent, as the case may be, and (B) all required consents have been obtained with respect to the additional guarantees issued to the Collateral Trustee with respect to such Additional Secured Debt; and

(3) a written notice specifying the name and address of the Secured Debt Representative for such series of Additional Secured Debt for purposes of Section 7.8.

Notwithstanding the foregoing, nothing in this Agreement will be construed to allow any Borrower or any other Pledgor to incur additional Indebtedness unless otherwise permitted by the terms of all applicable Secured Debt Documents.

(b) A Person to be designated as an additional holder of Secured Obligations hereunder must, prior to such designation,

(1) sign, through its designated Secured Debt Representative identified pursuant to Section 4.3(a), an Intercreditor Agreement Joinder and deliver such document to the Collateral Trustee and each Secured Debt Representative; and

(2) sign a Lien Sharing and Priority Confirmation and deliver such document to the Collateral Trustee and each Secured Debt Representative.

Originals of the foregoing documents shall be delivered to the Priority Lien Collateral Agent and the Parity Lien Collateral Agent, *provided* that after the Discharge of Priority Lien Obligations, originals thereof need not be delivered to the Priority Lien Collateral Agent.

ARTICLE 5. OBLIGATIONS ENFORCEABLE BY
THE BORROWERS AND THE OTHER PLEDGORS

SECTION 5.1 Release of Liens on Collateral.

(a) The Priority Liens and the Parity Liens upon the Collateral will be released:

(1) in whole, upon (A) payment in full and discharge of all outstanding Secured Debt and all other Secured Obligations that are outstanding, due and payable at the time all of the Secured Debt is paid in full in cash and discharged and (B) termination or expiration of all commitments to extend credit under all Secured Debt Documents and the cancellation, termination, or cash collateralization (at the lower of (1) 105% of the aggregate undrawn amount and (2) the percentage of the aggregate undrawn amount required for release of Liens under the terms of the applicable Secured Debt Documents) of all outstanding letters of credit issued pursuant to any Secured Debt Documents or arrangement of substitute collateralization for such Priority Lien Debt which is satisfactory to the holder of such applicable Priority Lien Debt;

(2) as to any Collateral that is sold, transferred or otherwise disposed of by any Borrower or any other Pledgor to a Person that is not (either before or after such sale, transfer or disposition) a Borrower or a Restricted Subsidiary (as defined under the Indenture) of any Borrower in a transaction or other circumstance that complies with Section 4.10 of the Indenture, if any, and is permitted by all of the other Secured Debt Documents or that is made in connection with an enforcement of a Priority Lien, at the time of such sale, transfer or other disposition or to the extent of the interest sold, transferred or otherwise disposed of; provided, that the Parity Lien Collateral Agent's Liens upon the Collateral will not be released if the sale or disposition (other than a sale or disposition made in connection with an enforcement of a Priority Lien) is subject to Section 5.01 of the Indenture;

(3) as to a release of less than all or substantially all of the Collateral, if consent to the release of all Priority Liens on such Collateral has been given by an Act of Required Debtholders; and

(4) as to a release of all or substantially all of the Collateral, if (A) consent to release of that Collateral has been given by the requisite percentage or number of holders of each Series of Secured Debt at the time outstanding as provided for in the applicable Secured Debt Documents and (B) the Borrowers have delivered an Officers' Certificate to the Priority Lien Collateral Agent and the Parity Lien Collateral Agent certifying that any such necessary consents have been obtained.

(b) The Priority Lien Collateral Agent and the Parity Lien Collateral Agent agree for the benefit of the Borrowers and the other Pledgors that if the Priority Lien Collateral Agent or Parity Lien Collateral Agent, as applicable, at any time receives:

(1) an Officers' Certificate stating that (A) the signing officer has read Article 5 of this Agreement and understands the provisions and the definitions relating hereto, (B) such officer has made such examination or investigation as is necessary to enable him or her to express an informed opinion as to whether or not the conditions precedent in this Agreement and all other Secured Debt Documents, if any, relating to the release of the Collateral have been complied with and (C) in the opinion of such officer, such conditions precedent, if any, have been complied with;

(2) the proposed instrument or instruments releasing such Lien as to such property in recordable form, if applicable; and

(3) prior to the Discharge of Priority Lien Obligations, the written confirmation of each Priority Lien Representative (or, at any time after the Discharge of Priority Lien Obligations, each Parity Lien Representative) (such confirmation to be given following receipt of, and based solely on, the Officers' Certificate described in clause (1) above) that, in its view, such release is permitted by Section 5.1(a) and the respective Secured Debt Documents governing the Secured Obligations the holders of which such Secured Debt Representative represents;

(4) an Opinion of Counsel and any other documents required by, in the case of the Parity Lien Collateral Agent, the Indenture and the Trust Indenture Act of 1939, as amended.

then the Priority Lien Collateral Agent or Parity Lien Collateral Agent, as applicable, will execute (with such acknowledgements and/or notarizations as are required) and deliver such release to the Borrowers or other applicable Pledgor on or before the later of (x) the date specified in such request for such release and (y) the fifth Business Day after the date of receipt of the items required by this Section 5.1(b) by the Priority Lien Collateral Agent or Parity Lien Collateral Agent, as applicable.

(c) The Priority Lien Collateral Agent and the Parity Lien Collateral Agent hereby agree that:

(1) in the case of any release pursuant to clause (2) of Section 5.1(a), if the terms of any such sale, transfer or other disposition require the payment of the purchase price to be contemporaneous with the delivery of the applicable release, then, at the written request of and at the expense of the Borrowers or other applicable Pledgor, the Priority Lien Collateral Agent and the Parity Lien Collateral Agent, as requested, will either (A) be present at and deliver the release at the closing of such transaction or (B) deliver the release under customary

escrow arrangements that permit such contemporaneous payment and delivery of the release; and

(2) at any time when a Secured Debt Default under a Series of Secured Debt that constitutes Parity Lien Debt has occurred and is continuing, within one Business Day of the receipt by it of any Act of Required Debtholders pursuant to Section 5.1(a)(3), the Priority Lien Collateral Agent prior to the Discharge of Parity Lien Obligations (and the Parity Lien Collateral Agent) thereafter will deliver a copy of such Act of Required Debtholders to each Secured Debt Representative.

(d) Each Secured Debt Representative hereby agrees that within one Business Day of the receipt by it of any notice from the Priority Lien Collateral Agent prior to the Discharge of Parity Lien Obligations and the Collateral Agent thereafter pursuant to Section 5.1(c)(2), such Secured Debt Representative will deliver a copy of such notice to each registered holder of the Series of Priority Lien Debt or Series of Parity Lien Debt for which it acts as Secured Debt Representative.

SECTION 5.2 Delivery of Copies to Secured Debt Representatives. The Borrowers will deliver to each Secured Debt Representative a copy of each Officers' Certificate delivered to the Priority Lien Collateral Agent or the Parity Lien Collateral Agent pursuant to Section 5.1(b), together with copies of all documents delivered to the Priority Lien Collateral Agent or the Parity Lien Collateral Agent with such Officers' Certificate. The Secured Debt Representatives will not be obligated to take notice thereof or to act thereon, subject to Section 5.1(d).

SECTION 5.3 Collateral Trustee and Collateral Agents not Required to Serve, File or Record. The Collateral Trustee, the Priority Lien Collateral Agent and the Parity Lien Collateral Agent are not required to serve, file, register or record any instrument releasing or subordinating their Liens on any Collateral to any third party; *provided, however*, that if after the satisfaction of all conditions to the release of the relevant Collateral described in Section 5.1, any Borrower or any other Pledgor shall make a written demand for a termination statement whether under Section 9-513(c) of the UCC or any other applicable law, the Collateral Trustee, the Priority Lien Collateral Agent and the Parity Lien Collateral Agent shall comply with the written request of such Borrower or Pledgor to comply with the requirements of such UCC or other applicable provision; *provided*, *further,* that the Collateral Trustee, the Priority Lien Collateral Agent and the Parity Lien Collateral Agent may first confirm with their counsel and the Secured Debt Representatives that the requirements of such UCC or other applicable provisions have been satisfied and that additional Collateral is not being released by the execution and delivery thereof.

SECTION 5.4 Release of Liens in Respect of Notes. The Parity Lien Collateral Agent's Parity Lien upon the Parity Lien Collateral will no longer secure the Notes outstanding under the Indenture or any other Obligations under the Indenture, and the right of the holders of the Notes and such Obligations to the benefits and proceeds of the Parity Lien Collateral Agent's Parity Lien on the Parity Lien Collateral will terminate and be discharged:

(a) upon satisfaction and discharge of the Indenture as set forth under Article 11 of the Indenture;

(b) upon a Legal Defeasance or Covenant Defeasance (each as defined under the Indenture) of the Notes as set forth under Article 8 of the Indenture;

(c) upon payment in full and discharge of all Notes outstanding under the Indenture and all Obligations that are outstanding, due and payable under the Indenture at the time the Notes are paid in full and discharged; or

(d) in whole or in part, with the consent of the holders of the requisite percentage of Notes in accordance with Article 9 of the Indenture.

As a condition to the release of the Collateral by the Parity Lien Collateral Agent, the Trustee and the Parity Lien Collateral Agent shall have received the Officer's Certificate, Opinion of Counsel and other documentation required by Section 5.1.

SECTION 5.5 Standard for Excluded Assets After Discharge of Priority Lien Obligations. Following the Discharge of Priority Lien Obligations if (a) a Subsidiary of MagnaChip Semiconductor LLC (USA) ("***US LLC***") owns Collateral in a jurisdiction where no Subsidiary of US LLC has pledged Collateral or owns Collateral of a type which has not been previously pledged to secure Parity Lien Debt, or the pledge of any Collateral by such Subsidiary shall be unlawful or impracticable, or costs of obtaining Liens in such Collateral are excessive in relation to the value of such Collateral or if such Collateral had not been subject to the Priority Liens at the time of the Discharge of Priority Lien Obligations, or (b) there occurs a change in law or regulation which would make it unlawful or impracticable to maintain liens in any portion of the Collateral, then upon receipt of (1) an Officer's Certificate setting forth in reasonable detail the reasons why such Collateral was not subject to the Priority Liens or cannot be made or remain subject to the Parity Lien Security Documents and (2) an Opinion of Counsel or letter from a prominent financial institution or investment bank located in the applicable jurisdiction and active in secured lending stating that it is not customary (which determination may take into account the reason for excluding any such property from the scope of Priority Liens) for borrowers in such jurisdiction to make or maintain pledges in such Collateral under such circumstances, the Parity Lien Representative and the Parity Lien Collateral Agent shall not require such Subsidiary to pledge such Collateral pursuant to the Security Documents.

## ARTICLE 6. PROVISIONS RELATING TO RIGHTS OF LIEN ENFORCEMENT PARTIES

SECTION 6.1 Exculpatory Provisions.

(a) None of the Lien Enforcement Parties shall have any duties or obligations except those expressly set forth herein and in the other Security Documents and the Collateral Trust Agreement and no implied duties or obligations shall be read into this Agreement against any Lien Enforcement Party. Without limiting the generality of the foregoing, none of the Lien Enforcement Parties:

(1) shall be subject to any fiduciary or other implied duties;

(2) shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers that the applicable Lien Enforcement Party is required to undertake as directed in writing by the Required Priority Lien Debtholders or the Required Parity Lien Debtholders, as applicable; *provided* that none of the Lien Enforcement Parties shall be required to act until such Lien Enforcement Party has received security or indemnity reasonably satisfactory to such Lien Enforcement Party against any claim, loss, liability, cost or expense; *provided further* that none of the Lien Enforcement Parties shall be required to take any action that, in its judgment or the judgment of its counsel, may expose such Lien Enforcement Party to liability;

(3) shall have any duty to disclose, nor shall such Lien Enforcement Party be liable for the failure to disclose, any information relating to any Borrower or any of such Lien Enforcement Party's Affiliates that is communicated to or obtained by the Person serving as a Lien Enforcement Party or any of its Affiliates in any capacity; and

(4) shall have any duty or obligation to perfect or maintain perfection of any security interest granted to it, it being understood and agreed that such duty and obligation shall be that of the Borrowers.

(b) None of the Lien Enforcement Parties shall be liable for any action taken or not taken by it (1) with the consent or at the request of the Required Priority Lien Debtholders or the Required Parity Lien Debtholders, as applicable (or such other number or percentage of the respective holders as shall be necessary, or such Lien Enforcement Party shall believe in good faith shall be necessary, under the circumstances) or (2) in the absence of its own gross negligence or willful misconduct.

(c) None of the Lien Enforcement Parties shall be responsible for or have any duty to ascertain or inquire into (1) any statement, warranty or representation made in or in connection with this Agreement or any other Security Document or the Collateral Trust Agreement, (2) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (3) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein, or (4) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Security Document, the Collateral Trust Agreement or any other agreement, instrument or document. Without limiting the generality of the foregoing, the use of the term "agent" in this Agreement with reference to any Lien Enforcement Party is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term us used merely as a matter of market custom and is intended to create or reflect only an administrative relationship between independent contracting parties.

(d) None of the Lien Enforcement Parties shall be responsible or liable for any failure or delay in the performance of its obligations under this Agreement arising out of or caused, directly or indirectly, by circumstances beyond their reasonable control, including without limitation: acts of God, earthquakes, fires, floods, wars, civil or

military disturbances, sabotage, epidemics, riots, terrorist acts, interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications service, accidents, labor disputes, and acts of civil or military authority or governmental actions.

SECTION 6.2 Reliance by the Lien Enforcement Parties. Each Lien Enforcement Party shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each Lien Enforcement Party also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder that by its terms must be fulfilled to the satisfaction of a Lien Enforcement Party, each Lien Enforcement Party may presume that such condition is satisfactory to the Priority Lien Representative or Parity Lien Representative, as applicable, unless such Lien Enforcement Party shall have received notice to the contrary from such Priority Lien Representative or Parity Lien Representative. Each Lien Enforcement Party may consult with legal counsel (who may be counsel for Borrowers or other Persons having an interest in the decision), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

SECTION 6.3 Delegation of Duties. Each Lien Enforcement Party may perform any and all of its duties and exercise its rights and powers hereunder or under any other Security Document or under the Collateral Trust Agreement by or through any one or more sub-agents, co-trustees or separate trustees appointed by the Borrowers or such Lien Enforcement Party. Each Lien Enforcement Party and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Affiliates. The exculpatory provisions of this Article shall apply to any such sub-agent, co-trustee or separate trustee and to the Affiliates of such Lien Enforcement Party and any such sub-agent, co-trustee or separate trustee.

SECTION 6.4 Resignation of the Lien Enforcement Parties. Collateral Trustee may resign pursuant to Section 5.1 of the Collateral Trust Agreement. Each of the Priority Lien Collateral Agent and the Parity Lien Collateral Agent may at any time give notice of its resignation to the Priority Lien Representative or the Parity Lien Representative, respectively. Upon receipt of any such notice of resignation, the Required Priority Lien Debtholders or the Required Parity Lien Debtholders, as applicable, shall have the right, in consultation with Borrowers, to appoint a successor. If no such successor shall have been so appointed by the Required Priority Lien Debtholders or the Required Parity Lien Debtholders, as applicable, and shall have accepted such appointment within 30 days after the retiring Priority Lien Collateral Agent or the retiring Parity Lien Collateral Agent, as applicable, gives notice of its resignation, then the retiring Priority Lien Collateral Agent or the retiring Parity Lien Collateral Agent, as applicable, may on behalf of the Priority Lien Representative or the Parity Lien Representative appoint a successor Priority Lien Collateral Agent or a successor Parity Lien Collateral Agent, as applicable, provided that if the Priority Lien Collateral Agent or the Parity Lien Collateral Agent shall notify Borrowers, the Priority Lien Representative or the Parity Lien Representative that no qualifying Person has accepted such appointment, then such resignation shall nonetheless

become effective in accordance with such notice and (a) the retiring Priority Lien Collateral Agent or the retiring Parity Lien Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Security Documents (except that in the case of any collateral security held by the Priority Lien Collateral Agent or the Parity Lien Collateral Agent, as applicable, on behalf of the Priority Lien Representative and the Parity Lien Representative respectively under any of the Security Documents, the retiring Priority Lien Collateral Agent or the retiring Parity Lien Collateral Agent, as applicable, shall continue to hold such collateral security as nominee until such time as a successor Priority Lien Collateral Agent or a successor Parity Lien Collateral Agent, as applicable, is appointed) and (b) all payments, communications and determinations provided to be made by, to or through the Priority Lien Collateral Agent or the Parity Lien Collateral Agent shall instead be made by or to each Priority Lien Representative or the Parity Lien Representative, as applicable, directly, until such time as the Required Priority Lien Debtholders and the Required Parity Lien Debtholders, as applicable, appoint a successor Priority Lien Collateral Agent or a successor Parity Lien Collateral Agent, as applicable, as provided for above in this paragraph. Upon the acceptance of a successor's appointment as the Priority Lien Collateral Agent or the Parity Lien Collateral Agent, as applicable, hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Priority Lien Collateral Agent or the retiring (or retired) Parity Lien Collateral Agent, as applicable, and the retiring (or retired) Priority Lien Collateral Agent or the retiring (or retired) Parity Lien Collateral Agent, as applicable, shall be discharged from all of its duties and obligations hereunder or under the other Security Documents (if not already discharged therefrom as provided above in this paragraph). The fees payable by any Borrower to a successor Priority Lien Collateral Agent or a successor Parity Lien Collateral Agent shall be the same as those payable to its predecessor unless otherwise agreed between such Borrower and such successor. After the retiring Priority Lien Collateral Agent's or the retiring Parity Lien Collateral Agent's resignation hereunder and under the other Security Documents, the provisions of this Article 6 shall continue in effect for the benefit of such retiring Priority Lien Collateral Agent or the retiring Parity Lien Collateral Agent, as applicable, its sub-agents and their respective Affiliates in respect of any actions taken or omitted to be taken by any of them while the retiring Priority Lien Collateral Agent or the retiring Parity Lien Collateral Agent, as applicable, was acting as the Priority Lien Collateral Agent or the Parity Lien Collateral Agent.

SECTION 6.5 Non-Reliance on the Lien Enforcement Parties, the Priority Lien Representative and the Parity Lien Representative. Each of Priority Lien Representative and the Parity Lien Representative acknowledges that each holder of Secured Debt, by their acceptance of the Secured Debt Documents to which it is a party and its extension of credit to the Borrowers, shall be deemed to acknowledge that it (i) has independently and without reliance upon any of the Lien Enforcement Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into the applicable Secured Debt Documents, (ii) will, independently and without reliance upon any of the Lien Enforcement Parties, and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Security Document or any related agreement or any document furnished hereunder or thereunder, and (iii) has instructed a Priority Lien Representative or a Parity Lien Representative, as the case may be, to act on its behalf.

SECTION 6.6 Expenses; Indemnity; Damage Waiver.

(a) Costs and Expenses. The Borrowers hereby jointly and severally agree to pay on demand (1) all out-of-pocket expenses incurred by each Lien Enforcement Party (including the fees, charges and disbursements of any counsel for such Lien Enforcement Party), in connection with the perfection, enforcement, or protection of the Liens and other rights of the Secured Parties (A) in connection with this Agreement and the other Security Documents and the Collateral Trust Agreement, including all post-closing matters contemplated by the Security Documents and its rights under this Section 6.6, or (B) in connection with the Priority Lien Debt or the Parity Lien Debt, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Priority Lien Debt or the Parity Lien Debt and (2) all documentary and similar taxes and charges in respect of the Security Documents and the Collateral Trust Agreement.

(b) Indemnification of the Lien Enforcement Parties. The Borrowers shall jointly and severally indemnify each Lien Enforcement Party and each of its Affiliates (each such person being called an "***Indemnitee***") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (including the fees, charges and disbursements of any counsel for any Indemnitee) incurred by any Indemnitee or asserted against any Indemnitee by any third party or by any Borrower or any other Pledgor arising out of, in connection with, or as a result of (1) the execution or delivery of this Agreement, any other Security Document, the Collateral Trust Agreement, or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, (2) any Priority Lien Debt or Parity Lien Debt or the use or proposed use of the proceeds therefrom, (3) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by any Borrower or any other Pledgor, and regardless of whether any Indemnitee is a party thereto; *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (A) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or (B) result from a claim brought by any Borrower or any other Pledgor against an Indemnitee for breach in bad faith of such Indemnitee's obligations hereunder or under any other Security Document or under the Collateral Trust Agreement, if such Borrower or such other Pledgor has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction.

(c) Reimbursement by the Priority Lien Representative. To the extent that any Borrower for any reason fails to indefeasibly pay any amount required under paragraph (a) or (b) of this Section 6.6 to be paid by it to the Priority Lien Collateral Agent or any of its Affiliates, each Priority Lien Representative agrees to pay to the Priority Lien Collateral Agent or any of its Affiliates such unpaid amount ratably in proportion to the principal of, and interest and premium (if any) and reimbursement

obligations on each outstanding Series of Priority Lien Debt; *provided* that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Priority Lien Collateral Agent or any of its Affiliates.

(d) Reimbursement by the Parity Lien Representative. To the extent that any Borrower for any reason fails to indefeasibly pay any amount required under paragraph (a) or (b) of this Section 6.6 to be paid by it to the Parity Lien Collateral Agent or any of its Affiliates, the Parity Lien Representative agrees to pay (solely from funds therefor received from holders of Parity Lien Debt) to the Parity Lien Collateral Agent or any of its Affiliates such unpaid amount ratably in proportion to the principal of, and interest and premium (if any) and reimbursement obligations on each outstanding Series of Parity Lien Debt; *provided* that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Parity Lien Collateral Agent or any of its Affiliates.

(e) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable requirements of law, none of the Borrowers nor the Pledgors shall assert, and each Borrower and each Pledgor hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Security Document, the Collateral Trust Agreement, or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Priority Lien Debt, Parity Lien Debt, or the use of the proceeds thereof. No Indemnitee referred to in paragraph (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement, any other Security Document, the Collateral Trust Agreement, or the transactions contemplated hereby or thereby.

## ARTICLE 7. MISCELLANEOUS PROVISIONS

SECTION 7.1 Amendment of this Agreement. No amendment or supplement to the provisions of this Agreement will be effective unless made in accordance with Section 3.8 and Section 3.9 and with the consent of the Collateral Trustee.

SECTION 7.2 Voting. In connection with any matter under this Agreement requiring a vote of holders of Secured Debt, each Series of Secured Debt will cast its votes in accordance with the Secured Debt Documents governing such Series of Secured Debt. The amount of Secured Debt to be voted by a Series of Secured Debt will equal (a) the aggregate principal amount of Secured Debt held by such Series of Secured Debt (including outstanding letters of credit whether or not then available or drawn), plus (b) other than in connection with an exercise of remedies, the aggregate unfunded commitments to extend credit which, when funded, would constitute Indebtedness of such Series of Secured Debt. Following and in accordance with the outcome of the applicable vote under its Secured Debt Documents, the Secured Debt Representative of each Series of Secured Debt will vote the total amount of Secured Debt under that Series as a block in respect of any vote under this Agreement. Such Secured Debt

Representative shall deliver a certificate to the Priority Lien Collateral Agent or the Parity Lien Collateral Agent, as applicable, setting forth the aggregate amount of Secured Debt of such Series of Secured Debt and the results of the vote of such Series. The Priority Lien Collateral Agent or the Parity Lien Collateral Agent, as applicable, shall be entitled to rely and shall be fully protected in relying on such certificate.

SECTION 7.3 Further Assurances. Each Pledgor will do or cause to be done all acts and things that may be required, or that the Parity Lien Collateral Agent from time to time may reasonably request, to assure and confirm that the Parity Lien Collateral Agent holds, for the benefit of the holders of Parity Lien Obligations, duly created and enforceable and perfected Parity Liens upon the Parity Lien Collateral (including any property or assets that are acquired or otherwise become Parity Lien Collateral after the Notes are issued), in each case, as contemplated by, and with the Lien priority required under, the Parity Lien Documents. Upon the reasonable request of the Parity Lien Collateral Agent or any Parity Lien Representative at any time and from time to time, each Pledgor will promptly execute, acknowledge and deliver such Security Documents, instruments, certificates, notices and other documents, and take such other actions as shall be reasonably required, or that the Parity Lien Collateral Agent may reasonably request, to create, perfect, protect, assure or enforce the Liens and benefits intended to be conferred, in each case as contemplated by the Parity Lien Documents for the benefit of the holders of Parity Lien Obligations.

SECTION 7.4 Bailee for Perfection. Solely for purposes of perfecting the Parity Liens of the Parity Lien Collateral Agent in any portion of the Collateral in the possession of the Priority Lien Collateral Agent (or its agents or bailees) as part of the collateral securing the Priority Lien Obligations including, without limitation, any instruments, goods, negotiable documents, tangible chattel paper, certificated securities or money, the Priority Lien Collateral Agent and the Priority Lien Representatives acknowledge that the Priority Lien Collateral Agent also holds that property as bailee for the benefit of the Parity Lien Collateral Agent for the benefit of the holders of Parity Lien Obligations.

SECTION 7.5 Delivery of Collateral and Proceeds of Collateral. Following the Discharge of Priority Lien Obligations, the Priority Lien Collateral Agent will, to the extent permitted by applicable law, deliver to (a) the Parity Lien Collateral Agent or (b) such other Person as a court of competent jurisdiction may otherwise direct, (1) any Collateral held by, or on behalf of, the Priority Lien Collateral Agent or any holder of Priority Lien Obligations which secures the Parity Lien Obligations, and (2) all proceeds of Collateral held by, or on behalf of, the Priority Lien Collateral Agent or any holder of Priority Lien Obligations, whether arising out of an action taken to enforce, collect or realize upon any Collateral or otherwise. Such Collateral and such proceeds will be delivered without recourse and without any representation or warranty whatsoever as to the enforceability, perfection, priority or sufficiency of any Lien securing or guarantee or other supporting obligation for any Priority Lien Debt or Parity Lien Debt, together with any necessary endorsements or as a court of competent jurisdiction may otherwise direct.

SECTION 7.6 Successors and Assigns. Neither any Borrower nor any other Pledgor may delegate any of its duties or assign any of its rights hereunder, and any attempted delegation or assignment of any such duties or rights will be null and void. All obligations of the Borrowers and the other Pledgors hereunder will inure to the sole and exclusive benefit of, and be

enforceable by, the Collateral Trustee, the Priority Lien Collateral Agent, the Parity Lien Collateral Agent, each Secured Debt Representative and each present and future holder of Secured Obligations, each of whom will be entitled to enforce this Agreement as a third-party beneficiary hereof, and all of their respective successors and assigns.

SECTION 7.7 Delay and Waiver. No failure to exercise, no course of dealing with respect to the exercise of, and no delay in exercising, any right, power or remedy arising under this Agreement or any of the other Security Documents or Priority Lien Security Documents will impair any such right, power or remedy or operate as a waiver thereof. No single or partial exercise of any such right, power or remedy will preclude any other or future exercise thereof or the exercise of any other right, power or remedy. The remedies herein are cumulative and are not exclusive of any remedies provided by law.

If a notice or communication is mailed in the manner provided above within the time prescribed, it shall be considered to have been duly given, whether or not the addressee receives it.

SECTION 7.9 Notice Following Discharge of Priority Lien Obligations. Promptly following the Discharge of Priority Lien Obligations with respect to one or more Series of Priority Lien Debt, each Priority Lien Representative with respect to each applicable Series of Priority Lien Debt that is so discharged will provide written notice of such Discharge to the Collateral Trustee, the Priority Lien Collateral Agent, the Parity Lien Collateral Agent and to each other Secured Debt Representative.

SECTION 7.10 Parity Lien Collateral Agent and Priority Lien Collateral Agent. Notwithstanding anything herein to the contrary, it is hereby expressly agreed and acknowledged that the lien subordination and other agreements and obligations of the Parity Lien Collateral Agent herein are made solely in its capacity as Parity Lien Collateral Agent (and not in its individual capacity). The Parity Lien Collateral Agent shall not have any duties, obligations, or

responsibilities to the Priority Lien Collateral Agent or any holder of Priority Lien Debt under this Agreement except as expressly set forth herein. Nothing in this Agreement shall be construed to operate as a waiver by the Parity Lien Collateral Agent of the benefit of any exculpatory provisions, presumptions, indemnities, protections, benefits, immunities or reliance rights contained in the Indenture, all of which are incorporated herein by reference mutatis mutandis, and each of the Priority Lien Collateral Agent and each holder of Priority Lien Obligations expressly agrees that, as between it and the Parity Lien Collateral Agent, the Parity Lien Collateral Agent shall have the benefit of all such exculpatory provisions, presumptions, indemnities, protections, benefits, immunities or reliance rights with respect to all actions of or omissions by the Parity Lien Collateral Agent under or pursuant to this Agreement.

SECTION 7.11 Concerning Parity Lien Representatives and Priority Lien Representatives. In directing the Parity Lien Collateral Agent or the Priority Lien Collateral Agent, the Parity Lien Representatives and the Priority Lien Representatives shall have no personal liability for acting as instructed by the requisite Secured Debt Holders under the applicable Security Documents.

SECTION 7.12 Entire Agreement. This Agreement states the complete agreement of the parties relating to the matters set forth herein and supersedes all oral negotiations and prior writings in respect of such undertaking. In the event of any conflict between the terms, conditions and provisions of this Agreement and any such agreement, document or instrument or any other Security Document, Priority Lien Security Document, or Parity Lien Security Document, the terms, conditions and provisions of this Agreement shall prevail.

SECTION 7.13 Severability. If any provision of this Agreement is invalid, illegal or unenforceable in any respect or in any jurisdiction, the validity, legality and enforceability of such provision in all other respects and of all remaining provisions, and of such provision in all other jurisdictions, will not in any way be affected or impaired thereby.

SECTION 7.14 Headings. Section headings herein have been inserted for convenience of reference only, are not to be considered a part of this Agreement and will in no way modify or restrict any of the terms or provisions hereof.

SECTION 7.15 Obligations Secured. All obligations of the Pledgors set forth in or arising under this Agreement will be Secured Obligations. The Priority Lien Obligations are secured by the Priority Liens and the Parity Lien Obligations are secured by the Parity Liens.

SECTION 7.16 Governing Law. THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THIS AGREEMENT WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

SECTION 7.17 Consent to Jurisdiction. All judicial proceedings brought against any party hereto arising out of or relating to this Agreement or any of the other Security Documents may be brought in any state or federal court of competent jurisdiction in the State, County and

City of New York. By executing and delivering this Agreement, each Pledgor, for itself and in connection with its properties, irrevocably:

(a) accepts generally and unconditionally the nonexclusive jurisdiction and venue of such courts;

(b) waives any defense of forum non conveniens;

(c) agrees that service of all process in any such proceeding in any such court may be made by registered or certified mail, return receipt requested, to such party at its address provided in accordance with Section 7.8;

(d) agrees that service as provided in clause (c) above is sufficient to confer personal jurisdiction over such party in any such proceeding in any such court and otherwise constitutes effective and binding service in every respect; and

(e) agrees each party hereto retains the right to serve process in any other manner permitted by law or to bring proceedings against any party in the courts of any other jurisdiction.

SECTION 7.18 Waiver of Jury Trial. Each party to this Agreement waives its rights to a jury trial of any claim or cause of action based upon or arising under this Agreement or any of the other Security Documents, Priority Lien Security Documents, or Parity Lien Security Documents or any dealings between them relating to the subject matter of this Agreement or the intents and purposes of the other Security Documents, Priority Lien Security Documents, or Parity Lien Security Documents. The scope of this waiver is intended to be all-encompassing of any and all disputes that may be filed in any court and that relate to the subject matter of this Agreement and the other Security Documents and Priority Lien Security Documents, including contract claims, tort claims, breach of duty claims and all other common law and statutory claims. Each party to this Agreement acknowledges that this waiver is a material inducement to enter into a business relationship, that each party hereto has already relied on this waiver in entering into this Agreement, and that each party hereto will continue to rely on this waiver in its related future dealings. Each party hereto further warrants and represents that it has reviewed this waiver with its legal counsel and that it knowingly and voluntarily waives its jury trial rights following consultation with legal counsel. This waiver is irrevocable, meaning that it may not be modified either orally or in writing (other than by a mutual written waiver specifically referring to this Section 7.18 and executed by each of the parties hereto), and this waiver will apply to any subsequent amendments, renewals, supplements or modifications of or to this Agreement or any of the other Security Documents or Priority Lien Security Documents or to any other documents or agreements relating thereto. In the event of litigation, this Agreement may be filed as a written consent to a trial by the court.

SECTION 7.19 Counterparts. This Agreement may be executed in any number of counterparts (including by facsimile), each of which when so executed and delivered will be deemed an original, but all such counterparts together will constitute but one and the same instrument.

SECTION 7.20 Effectiveness. This Agreement will become effective upon the execution of a counterpart hereof by each of the parties hereto and receipt by each party of written notification of such execution and written or telephonic authorization of delivery thereof.

SECTION 7.21 Additional Pledgors. The Borrowers will cause each Person that becomes a Pledgor or is required by any Secured Debt Document to become a party to this Agreement to become a party to this Agreement, for all purposes of this Agreement, by causing such Person to execute and deliver to the parties hereto an Intercreditor Agreement Joinder, whereupon such Person will be bound by the terms hereof to the same extent as if it had executed and delivered this Agreement as of the date hereof. The Borrowers shall promptly provide each Secured Debt Representative with a copy of each Intercreditor Agreement Joinder executed and delivered pursuant to this Section 7.21.

SECTION 7.22 Continuing Nature of this Agreement. This Agreement, including the subordination provisions hereof, will be reinstated if at any time any payment or distribution in respect of any of the Priority Lien Obligations is rescinded or must otherwise be returned in an Insolvency or Liquidation Proceeding or otherwise by any holder of Priority Lien Obligations or Priority Lien Representative or any representative of any such party (whether by demand, settlement, litigation or otherwise). In the event that all or any part of a payment or distribution made with respect to the Priority Lien Obligations is recovered from any holder of Priority Lien Obligations or any Priority Lien Representative in an Insolvency or Liquidation Proceeding or otherwise, such payment or distribution received by any holder of Parity Lien Obligations or Parity Lien Representative with respect to the Parity Lien Obligations from the proceeds of any Collateral or any title insurance policy required by any real property mortgage at any time after the date of the payment or distribution that is so recovered, whether pursuant to a right of subrogation or otherwise, that Parity Lien Representative or that holder of a Parity Lien Obligation, as the case may be, will forthwith deliver the same to the Priority Lien Collateral Agent, for the account of the holders of the Priority Lien Obligations and other Obligations secured by a Permitted Prior Lien, to be applied in accordance with Sections 4.1 and 4.2. Until so delivered, such proceeds will be held by that Parity Lien Representative or that holder of a Parity Lien Obligation, as the case may be, for the benefit of the holders of the Priority Lien Obligations and other Obligations secured by a Permitted Prior Lien.

SECTION 7.23 Insolvency. This Agreement will be applicable both before and after the commencement of any Insolvency or Liquidation Proceeding by or against any Pledgor. The relative rights, as provided for in this Agreement, will continue after the commencement of any such Insolvency or Liquidation Proceeding on the same basis as prior to the date of the commencement of any such case, as provided in this Agreement.

SECTION 7.24 Rights and Immunities of Secured Debt Representatives. The Credit Agreement Agent will be entitled to all of the rights, protections, immunities and indemnities set forth in the Credit Agreement and the Trustee will be entitled to all of the rights, protections, immunities and indemnities set forth in the Indenture and any future Secured Debt Representative will be entitled to all of the rights, protections, immunities and indemnities set forth in the credit agreement, indenture or other agreement governing the applicable Secured Debt with respect to which such Person will act as representative, in each case as if specifically set forth herein. In no event will any Secured Debt Representative be liable for any act or omission on the part of the Pledgors, the Priority Lien Collateral Agent or the Parity Lien Collateral Agent hereunder.
