Item 1.01. Entry into a Material Definitive Agreement.

Rights Agreement

On December 12, 2021, the Board of Directors of Magnachip Semiconductor Corporation, a Delaware corporation (the “Company”), authorized and declared a dividend of one preferred stock purchase right (a “Right” and collectively, the “Rights”) for each share of the Company’s common stock, par value \$0.01 per share (the “Common Stock”), outstanding at the close of business on December 23, 2021 (the “Record Date”). Each Right, once exercisable, will entitle the registered holder to purchase from the Company one one-thousandth of a share of Series A-1 Junior Participating Preferred Stock, par value \$0.01 per share (the “Preferred Stock”), at a purchase price of \$80, subject to adjustment (the “Purchase Price”). The specific terms of the Rights are contained in the Rights Agreement, dated as of December 13, 2021 by and between the Company and American Stock Transfer & Trust Company, LLC, as Rights Agent (the “Rights Agreement”).

The following summary of the principal terms of the Rights Agreement is a general description only and is qualified in its entirety by the full text of the Rights Agreement which is attached as Exhibit 4.1 hereto and incorporated by reference herein. Capitalized terms used but not otherwise defined herein will have meanings given to such terms in the Rights Agreement.

The Rights. Initially, the Rights will trade with, and will be inseparable from, the Common Stock. The Rights will be evidenced (unless earlier expired, redeemed or terminated) by the certificates for the Common Stock (or, in the case of uncertificated shares of Common Stock, by the book-entry account that evidences record ownership of such shares) and not by separate Right Certificates. The registered holders of the Common Stock will be deemed to be the registered holders of the associated Rights. Rights are issued to all shares of Common Stock outstanding as of the Record Date or issued (on original issuance or out of treasury) after the Record Date but before the earlier of the Distribution Date described below and the Expiration Date. Before the exercise of the Rights, the Rights do not give their holders any rights as stockholders of the Company, including the right to vote or to receive dividends.

Exercisability. The Rights become exercisable and separate from the Common Stock on the Distribution Date. The “Distribution Date” means the earlier of:

- The tenth day after the public announcement or disclosure by the Company or any person or group of affiliated or associated persons that any person or group of affiliated or associated persons has become an “Acquiring Person” by obtaining beneficial ownership of 12.5% (or 20% in the case of a Passive Institutional Investor) or more of the Company’s outstanding Common Stock (the “Stock Acquisition Date”) (or, if the Board determines on or before such tenth day to effect an exchange in accordance with the terms of the Rights Agreement and determines that a later date is advisable, such later date that is not more than twenty days after the Stock Acquisition Date); or
- The tenth business day (or such later date as the Board of Directors may designate before a person or group of affiliated or associated persons becomes an Acquiring Person) after the commencement of, or first public announcement of the intent of any person to commence, a tender or exchange offer by any person or group of affiliated or associated persons, which would, if consummated, result in such person or group becoming an Acquiring Person;

The Distribution Date shall in no event be prior to the Record Date.

“Passive Institutional Investor” is defined generally as any person who has reported beneficial ownership of shares of Common Stock on Schedule 13G under the Securities Exchange Act of 1934 (the “Exchange Act”).

A person beneficially owns securities that such person or any of its affiliates or associates, directly or indirectly, beneficially owns (as determined pursuant to Rule 13d-3 and Rule 13d-5 under the Exchange Act as in effect on the date hereof), or, subject to certain exceptions, has the right or obligation to acquire or

to vote pursuant to any agreement, arrangement or understanding or upon the exercise of conversion rights, exchange rights, rights, warrants or options or otherwise. A person shall also be deemed to beneficially own any securities that are beneficially owned, directly or indirectly, by any other person (or any of its affiliates or associates) and with respect to such person (or its affiliates or associates) has any agreement, arrangement or understanding for the purpose of acquiring, holding voting or disposing any such securities or are in respect of any Synthetic Long Positions held by such person or its affiliates or associates that (1) are disclosed pursuant to a Schedule 13D or Schedule 13G under the Exchange Act or (2) if not disclosed on a Schedule 13D or Schedule 13G, if and only if the Board determines that such person shall be deemed to be the beneficial owner of, and to beneficially own, the Common Stock in respect of such Synthetic Long Positions. A “Synthetic Long Position” is any option, warrant, swap, participation, convertible security, stock appreciation right or other right or derivative transaction (in each case other than the Rights), whether or not presently exercisable, that has an exercise or conversion privilege or a settlement payment or mechanism at a price related to Common Stock or a value determined in whole or in part with reference to, or derived in whole or in part from, the market price or value of Common Stock (without regard to whether (a) such right or derivative transaction conveys any voting rights in such Common Stock to such Person, (b) such right or derivative transaction is subject to settlement in whole or in part in cash, Common Stock or other property or (c) such Person may have entered into other transactions that hedge or offset the economic effect of such right or derivative transaction) and that increases in value as the value of Common Stock increases or that provides to the holder of such right an opportunity, directly or indirectly, to profit or share in any profit derived from any increase in the value of Common Stock.

The Rights will not become exercisable due solely to the ownership of Common Stock by existing stockholders who own 12.5% (or 20% in the case of a Passive Institutional Investor) or more of the Company’s outstanding Common Stock as of the date of the Rights Agreement unless any such stockholder increases its Beneficial Ownership of the Common Stock to an amount equal to or greater than the greater of (i) 12.5% (or 20% in the case of a Passive Institutional Investor) and (ii) the sum of (x) the lowest Beneficial Ownership of such stockholder as a percentage of the outstanding Common Stock as of any time from and after the date of the Rights Agreement plus (y) 1.0%. Furthermore, the Rights will not be exercisable if the Company’s Board of Directors determines in good faith that a person or group of affiliated or associated persons has become an Acquiring Person inadvertently and such person or group reduces its holdings below 12.5% (or 20% in the case of a Passive Institutional Investor) of the Company’s outstanding Common Stock as promptly as practicable. Finally, the Rights will not be exercisable if the Company repurchases some of its own Common Stock and, as a result, a person’s or group’s holdings constitute 12.5% (or 20% in the case of a Passive Institutional Investor) or more of the remaining outstanding Common Stock so long as such person or group does not make any further acquisitions of the Common Stock after the repurchase.

Issuance of Right Certificates. Before the Distribution Date, the Rights will be evidenced by the Common Stock certificates (or, if the Common Stock is uncertificated, by the book-entry account that evidences record ownership of such Common Stock) and will be transferred with and only with such Common Stock certificates. After the Distribution Date, the Rights Agent will mail separate certificates evidencing the Rights to each record holder of the Common Stock (or, if so agreed by the Company and Rights Agent in the case of uncertificated Common Stock, by appropriate changes to the book-entry account that evidences record ownership of such Common Stock) at the close of business on the Distribution Date. Thereafter, the Rights will be transferable separately from the Common Stock. Any Rights held by an Acquiring Person are null and void and may not be exercised.

Consequences of a Person or Group Becoming an Acquiring Person.

- *Flip-In.* If any person or group of affiliated or associated persons becomes an Acquiring Person, then, after the Distribution Date, each Right (other than Rights beneficially owned by the Acquiring Person and certain affiliated persons or transferees thereof) will entitle the holder to purchase, for the Purchase Price, a number of shares of Common Stock having a market value of twice the Purchase Price.

- *Flip-Over.* Alternatively, if, after any person or group of affiliated or associated persons becomes an Acquiring Person, (1) the Company is involved in a merger or other business combination in which the Company is not the surviving corporation or its Common Stock is changed into or exchanged for other securities or assets; or (2) the Company or one or more of its subsidiaries sell or otherwise transfer assets or earning power aggregating more than 50% of the assets or earning power of the Company and its subsidiaries, taken as a whole, then each Right will entitle the holder to purchase, for the Purchase Price, a number of shares of common stock of the other party to such business combination or sale (or in certain circumstances, an affiliate) having a market value of twice the Purchase Price.

Expiration. The Rights will expire at the close of business on December 12, 2022 unless earlier redeemed or exchanged by the Company, as discussed below.

Redemption. The Board of Directors may redeem all of the Rights for \$0.001 per Right at any time before any person or group of affiliated or associated persons becomes an Acquiring Person. If the Board redeems any Right, it must redeem all of the Rights. Once the Rights are redeemed, the right to exercise the Right will terminate and, thereafter, the only right of the Rights holders will be to receive the redemption price of \$0.001 per Right. The redemption price may be adjusted to reflect any stock split, stock dividend or similar transaction occurring after the date of the Rights Agreement.

Exchange. At any time on or after any person or group of affiliated or associated persons becomes an Acquiring Person (but before any person or group of affiliated or associated persons becomes the owner of 50% or more of the Company's outstanding Common Stock), the Board of Directors may exchange all or part of the Rights (other than the Rights beneficially owned by the Acquiring Person and certain affiliated persons) for shares of Common Stock at an exchange ratio of one share of Common Stock per Right.

Anti-Dilution Provisions. The Board of Directors may adjust the Purchase Price of the Preferred Stock, the number and kind of shares of Preferred Stock issuable and the number of outstanding Rights to prevent dilution that may occur from a stock dividend, stock split or reclassification of the Preferred Stock. No adjustments to the Purchase Price of less than 1% will be made.

Amendments. For so long as the Rights are redeemable, the Rights Agreement may be amended in any respect without the approval of any holders of shares of Common Stock. At any time when the Rights are no longer redeemable, the Company may amend the Rights Agreement without the approval of any Rights holders if the amendment does not (i) adversely affect the interests of the Rights holders as such (other than any Acquiring Person and certain affiliated persons); (ii) cause the Rights Agreement again to become amendable other than in accordance with the Rights Agreement; or (iii) cause the Rights again to become redeemable.

Preferred Stock Provisions. Each share of Preferred Stock, if issued:

- will not be redeemable;
- will entitle holders to receive, when, as and if declared by the Board of Directors, quarterly dividend payments in an amount per share equal to 1,000 times the aggregate per share amount of all cash dividends, and 1,000 times the aggregate per share amount (payable in kind) of all non-cash dividends or other distributions other than a dividend payable in shares of Common Stock or a subdivision of the outstanding shares of Common Stock (by reclassification or otherwise), declared on the Common Stock since the immediately preceding Quarterly Dividend Payment Date, or, with respect to the first Quarterly Dividend Payment Date, since the first issuance of any share or fraction of a share of Series A-1 Junior Participating Preferred Stock;
- will entitle holders upon liquidation to \$1,000 per share of the Preferred Stock, plus an amount equal to accrued and unpaid dividends and distributions thereon, whether or not declared, to the date of such payment;

- will entitle holders to the same voting power as one thousand shares of Common Stock on all matters submitted to a vote of the stockholders of the Company, and each fractional share of the Preferred Stock will entitle the holder thereof to a pro rata fractional vote; and
- will entitle holders to a per share payment equal to one thousand times the aggregate amount of stock, securities, cash and any other property (payable in kind), as the case may be, into which or for which each share of Common Stock is changed or exchanged via merger, consolidation, or a similar transaction.

Each authorized fractional share of Preferred Stock will entitle the holder thereof to a pro rata fraction of the foregoing. The value of one one-thousandth of a share of Preferred Stock should approximate the value of one share of Common Stock.

Termination Agreement

As previously disclosed, on March 25, 2021, Magnachip Semiconductor Corporation, a Delaware corporation (the “Company”), South Dearborn Limited, an exempted company incorporated in the Cayman Islands with limited liability (“Parent”) formed by an affiliate of Wise Road Capital LTD (“Wise Road”), and Michigan Merger Sub, Inc., a Delaware corporation and a wholly owned subsidiary of Parent (“Merger Sub”), entered into an Agreement and Plan of Merger (as may be amended, supplemented or modified, the “Merger Agreement”). The Merger Agreement provides that, among other things, and subject to the terms and conditions thereof, Merger Sub will be merged with and into the Company (the “Merger”), with the Company continuing its corporate existence under the General Corporation Law of the State of Delaware as the surviving corporation in the Merger and becoming a wholly owned subsidiary of Parent.

The closing of the Merger was subject to certain conditions, including clearance by the Committee on Foreign Investment in the United States (“CFIUS”) under the Defense Production Act of 1950, as amended. As previously reported, in September 2021, the Company and Parent submitted a request to withdraw and re-file their joint voluntary notice to CFIUS to allow more time for review and discussion with CFIUS in connection with the Merger. The Company and Parent have now been advised that CFIUS clearance of the Merger will not be forthcoming and have received permission from CFIUS to withdraw their joint filing. In connection therewith, the Company and Parent have entered into a Termination and Settlement Agreement, dated December 13, 2021 (the “Termination Agreement”), pursuant to which they will mutually terminate the Merger Agreement, with Parent paying the Company a fee of \$70.2 million (the “Parent Fee”), of which \$51.0 million (the “Parent Initial Fee”) will be paid promptly and \$19.2 million will be deferred up to March 31, 2022 (and which deferred amount shall be secured by a new standby letter of credit (the “Amended Standby Letter of Credit”). In connection with the termination of the merger agreement, the parties will also be releasing each other and certain related parties from certain claims and liabilities arising out of or relating to the Merger Agreement, certain other documents executed in connection therewith or the transactions contemplated thereby. Other than the Parent Fee, neither the Company nor Parent will incur any termination fees in connection with the termination of the Merger Agreement.

The termination of the Merger Agreement pursuant to the Termination Agreement will not be effective until confirmation of receipt by the Company of the Parent Initial Fee and the Amended Standby Letter of Credit. Until such time, the Merger Agreement will remain in full force and effect, except that (i) if the Merger Agreement is terminated under any circumstance other than pursuant to the Termination Agreement, there will be no duplication of payments such that the Company could receive more than the Parent Fee; (ii) from and after the date of the Termination Agreement, Parent cannot terminate the Merger Agreement unilaterally without the prior written consent of the Company and (iii) from and after the date of the Termination Agreement, none of the Company, Parent or Merger Sub will be bound by, or otherwise be required to comply with, any of the covenants applicable to it set forth in Article V (*Covenants*) of the Merger Agreement, other than (A) with respect to Parent, Section 5.11 (*Fees and Expenses*) and Section 5.15(d) (*Financing Cooperation*), and (B) with respect to the Company, Section 5.11 (*Fees and Expenses*).

The foregoing description of the Termination Agreement does not purport to be complete and is qualified in its entirety by reference to the Termination Agreement, which is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

Title: Chief Compliance Officer, General Counsel and Secretary

**CERTIFICATE OF DESIGNATION
OF
SERIES A-1 JUNIOR PARTICIPATING PREFERRED STOCK
OF
MAGNACHIP SEMICONDUCTOR CORPORATION**

Pursuant to Section 151 of the General Corporation Law of the State of Delaware

Magnachip Semiconductor Corporation, a Delaware corporation (the "Company"), pursuant to the provisions of Sections 103 of the General Corporation Law of the State of Delaware, does hereby certify that pursuant to the authority vested in the Board of Directors of the Company (the "Board of Directors") by the Certificate of Incorporation of the Company, the Board of Directors on December 12, 2021, duly adopted the following resolution creating a series of 150,000 shares of Preferred Stock designated as "Series A-1 Junior Participating Preferred Stock":

RESOLVED, that pursuant to the authority vested in the Board of Directors of this Company in accordance with the provisions of its Certificate of Incorporation of the Company, a series of Preferred Stock of the Company be and it hereby is created, and that the designation and amount thereof and the voting powers, preferences and relative, participating, optional and other special rights of the shares of such series, and the qualifications, limitations or restrictions thereof are as follows:

1. Designation and Amount. The shares of such series shall be designated as "Series A-1 Junior Participating Preferred Stock" and the number of shares constituting such series shall be 150,000. Such number of shares may be increased or decreased by resolution of the Board of Directors; *provided, however*, that no decrease shall reduce the number of shares of Series A-1 Junior Participating Preferred Stock to less than the number of shares then issued and outstanding plus the number of shares issuable upon exercise of outstanding rights, options or warrants or upon conversion of outstanding securities issued by the Company.

2. Dividends and Distributions. (A) Subject to the prior and superior rights of the holders of any shares of any series of preferred stock ranking prior and superior to the Series A-1 Junior Participating Preferred Stock with respect to dividends, the holders of shares of Series A-1 Junior Participating Preferred Stock, in preference to the shares of Common Stock, par value \$0.01 per share, of the Company (the "Common Stock"), and any other stock of the Company junior to the Series A-1 Junior Participating Preferred Stock with respect to dividends, shall be entitled to receive, when, as and if declared by the Board of Directors out of funds legally available for the purpose, quarterly dividends payable in cash on March 15, June 15,

September 15 and December 15 in each year (each such date being referred to herein as a “Quarterly Dividend Payment Date”), commencing on the first Quarterly Dividend Payment Date after the first issuance of a share or fraction of a share of Series A-1 Junior Participating Preferred Stock, in an amount per share (rounded to the nearest cent) equal to, subject to the provision for adjustment hereinafter set forth, 1,000 times the aggregate per share amount of all cash dividends, and 1,000 times the aggregate per share amount (payable in kind) of all non-cash dividends or other distributions other than a dividend payable in shares of Common Stock or a subdivision of the outstanding shares of Common Stock (by reclassification or otherwise), declared on the Common Stock since the immediately preceding Quarterly Dividend Payment Date, or, with respect to the first Quarterly Dividend Payment Date, since the first issuance of any share or fraction of a share of Series A-1 Junior Participating Preferred Stock. If the Company shall at any time after December 13, 2021 (the “Rights Declaration Date”) (i) declare or pay any dividend on Common Stock payable in shares of Common Stock, (ii) subdivide the outstanding Common Stock into a larger number of shares, or (iii) combine the outstanding Common Stock into a smaller number of shares, then in each such case the amount to which holders of shares of Series A-1 Junior Participating Preferred Stock were entitled immediately prior to such shall be adjusted by multiplying such amount by a fraction the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

(B) The Company shall declare a dividend or distribution on the Series A-1 Junior Participating Preferred Stock as provided in Section 2(A) above immediately after it declares a dividend or distribution on the Common Stock (other than a dividend payable in shares of Common Stock).

(C) Dividends shall begin to accrue and be cumulative on outstanding shares of Series A-1 Junior Participating Preferred Stock from the Quarterly Dividend Payment Date next preceding the date of issue of such shares of Series A-1 Junior Participating Preferred Stock, unless the date of issue of such shares is prior to the record date for the first Quarterly Dividend Payment Date, in which case dividends on such shares shall begin to accrue from the date of issue of such shares, or unless the date of issue is a Quarterly Dividend Payment Date or is a date after the record date for the determination of holders of shares of Series A-1 Junior Participating Preferred Stock entitled to receive a quarterly dividend and before such Quarterly Dividend Payment Date, in either of which events such dividends shall begin to accrue and be cumulative from such Quarterly Dividend Payment Date. Accrued but unpaid dividends shall not bear interest. Dividends paid on the shares of Series A-1 Junior Participating Preferred Stock in an amount less than the total amount of such dividends at the time accrued and payable on such shares shall be allocated pro rata on a share-by-share basis among all such shares at the time outstanding. The Board of Directors may fix a record date for the determination of holders of shares of Series A-1 Junior Participating Preferred Stock entitled to receive payment of a dividend or distribution declared thereon, which record date shall be no more than 60 days prior to the date fixed for the payment thereof.

3. Voting Rights. In addition to any other voting rights required by law, the holders of shares of Series A-1 Junior Participating Preferred Stock shall have only the following voting rights:

(A) Subject to the provision for adjustment hereinafter set forth, each share of Series A-1 Junior Participating Preferred Stock shall entitle the holder thereof to 1,000 votes on all matters submitted to a vote of the stockholders of the Company, and each fractional share of Series A-1 Junior Participating Preferred Stock shall entitle the holder thereof to a pro rata fractional vote. If the Company shall at any time after the Rights Declaration Date (i) declare any dividend on Common Stock payable in shares of Common Stock, (ii) subdivide the outstanding Common Stock into a larger number of shares or (iii) combine the outstanding Common Stock into a smaller number of shares, then in each such case the number of votes per share to which holders of shares of Series A-1 Junior Participating Preferred Stock were entitled immediately prior to such event shall be adjusted by multiplying such number by a fraction the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

(B) Subject to Section 10 and except as otherwise provided herein or by law, the holders of shares of Series A-1 Junior Participating Preferred Stock and the holders of shares of Common Stock shall vote together as one class on all matters submitted to a vote of stockholders of the Company.

(C) Except as set forth herein, holders of Series A-1 Junior Participating Preferred Stock shall have no special voting rights and their consent shall not be required (except to the extent they are entitled to vote with holders of Common Stock as set forth herein) for taking any corporate action.

4. Certain Restrictions. (A) Whenever quarterly dividends or other dividends or distributions payable on the Series A-1 Junior Participating Preferred Stock as provided in Section 2 are in arrears, thereafter and until all accrued and unpaid dividends and distributions, whether or not declared, on shares of Series A-1 Junior Participating Preferred Stock outstanding shall have been paid in full or set aside for payment, the Company shall not:

(i) declare or pay dividends on, make any other distributions on, or redeem or purchase or otherwise acquire for consideration any shares of stock ranking junior (either as to dividends or upon liquidation, dissolution or winding up) to the Series A-1 Junior Participating Preferred Stock;

(ii) declare or pay dividends on or make any other distributions on any shares of stock ranking on a parity (either as to dividends or upon liquidation, dissolution or winding up) with the Series A-1 Junior Participating Preferred Stock, except dividends paid ratably on the Series A-1 Junior Participating Preferred Stock and all such parity stock on which dividends are payable or in arrears in proportion to the total amounts to which the holders of all such shares are then entitled;

(iii) redeem or purchase or otherwise acquire for consideration shares of any stock ranking on a parity (either as to dividends or upon liquidation, dissolution or winding up) with the Series A-1 Junior Participating Preferred Stock; *provided* that the Company may at any time redeem, purchase or otherwise acquire shares of any such parity stock (a) in exchange for shares of any stock of the Company ranking junior (either as to dividends or upon dissolution, liquidation or winding up) to the Series A-1 Junior Participating Preferred Stock or (b) held by employees of the Company or a subsidiary of the Company upon the termination of their employment with the Company or a subsidiary of the Company; or

(iv) purchase or otherwise acquire for consideration any shares of Series A-1 Junior Participating Preferred Stock, or any shares of stock ranking on a parity with the Series A-1 Junior Participating Preferred Stock, except in accordance with a purchase offer made in writing or by publication (as determined by the Board of Directors) to all holders of such shares upon such terms as the Board of Directors, after consideration of the respective annual dividend rates and other relative rights and preferences of the respective series and classes, shall determine in good faith will result in fair and equitable treatment among the respective series or classes.

(B) The Company shall not permit any subsidiary of the Company to purchase or otherwise acquire for consideration any shares of stock of the Company unless the Company could, under Section 4(A), purchase or otherwise acquire such shares at such time and in such manner.

5. Reacquired Shares. Any shares of Series A-1 Junior Participating Preferred Stock purchased or otherwise acquired by the Company in any manner whatsoever shall be cancelled promptly after the acquisition thereof and may not be reissued as shares of such series. The Company shall thereafter take all such action as may be necessary to retire such shares, whereupon such shares shall become authorized but unissued shares of Preferred Stock that may be reissued as part of a new series of Preferred Stock to be created by resolution or resolutions of the Board of Directors, subject to the conditions and restrictions on issuance set forth in the Certificate of Incorporation of the Company.

6. Liquidation, Dissolution or Winding Up. (A) Upon any liquidation (voluntary or otherwise), dissolution or winding up of the Company, no distribution shall be made to the holders of shares of stock ranking junior (either as to dividends or upon liquidation, dissolution or winding up) to the Series A-1 Junior Participating Preferred Stock unless, prior thereto, the holders of shares of Series A-1 Junior Participating Preferred Stock shall have received an amount equal to \$1,000 per share of Series A-1 Junior Participating Preferred Stock, plus an amount equal to accrued and unpaid dividends and distributions thereon, whether or not declared, to the date of such payment (the "Series A-1 Liquidation Preference"). Following the payment of the full amount of the Series A-1 Liquidation Preference, no additional distributions shall be made to the holders of shares of Series A-1 Junior Participating Preferred Stock unless, prior thereto, the holders of shares of Common Stock shall have received an amount per share (the "Common Adjustment") equal to the quotient obtained by dividing (i) the Series A-1 Liquidation Preference by (ii) 1,000 (as appropriately adjusted as set forth in Section 6(C) below to reflect such events as stock splits, stock dividends and recapitalizations with respect to the Common Stock) (such number in clause (ii), the "Adjustment Number"). Following the payment of the full amount of the Series A-1 Liquidation Preference and the Common Adjustment in respect of all outstanding shares of Series A-1 Junior Participating Preferred Stock and Common Stock, respectively, holders of Series A-1 Junior Participating Preferred Stock and holders of shares of Common Stock shall receive their ratable and proportionate share of the remaining assets to be distributed in the ratio of the Adjustment Number to one with respect to such Preferred Stock and Common Stock, on a per share basis, respectively.

(B) If, however, there are not sufficient assets available to permit payment in full of the Series A-1 Liquidation Preference and the liquidation preferences of all other series of preferred stock, if any, that rank on a parity with the Series A-1 Junior Participating Preferred Stock, then such remaining assets shall be distributed ratably to the holders of such parity shares in proportion to their respective liquidation preferences. If, however, there are not sufficient assets available to permit payment in full of the Common Adjustment, then such remaining assets shall be distributed ratably to the holders of Common Stock.

(C) If the Company shall at any time after the Rights Declaration Date (i) declare any dividend on Common Stock payable in shares of Common Stock, (ii) subdivide the outstanding Common Stock into a larger number of shares or (iii) combine the outstanding Common Stock into a smaller number of shares, through a reverse stock split of otherwise, then in each such case the Adjustment Number in effect immediately prior to such event shall be adjusted by multiplying such Adjustment Number by a fraction the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

7. Consolidation, Merger, etc. If the Company shall enter into any consolidation, merger, combination or other transaction in which the shares of Common Stock are exchanged for or changed into other stock or securities, cash or any other property, then in any such case the shares of Series A-1 Junior Participating Preferred Stock shall at the same time be similarly exchanged or changed in an amount per share (subject to the provision for adjustment hereinafter set forth) equal to 1,000 times the aggregate amount of stock, securities, cash and any other property (payable in kind), as the case may be, into which or for which each share of Common Stock is changed or exchanged. If the Company shall at any time after the Rights Declaration Date (i) declare any dividend on Common Stock payable in shares of Common Stock, (ii) subdivide the outstanding Common Stock into a larger number of shares or (iii) combine the outstanding Common Stock into a smaller number of shares, then in each such case the amount set forth in the preceding sentence with respect to the exchange or change of shares of Series A-1 Junior Participating Preferred Stock shall be adjusted by multiplying such amount by a fraction the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

8. No Redemption. The shares of Series A-1 Junior Participating Preferred Stock shall not be redeemable; *provided; however,* that, subject to Section 4, the Company may acquire shares of Series A-1 Junior Participating Preferred Stock in any other manner permitted by law, the provisions hereof or the Certificate of Incorporation or By-laws of the Company.

9. Rank. The Series A-1 Junior Participating Preferred Stock shall rank junior with respect to payment of dividends and on liquidation to all other series of the Company's preferred stock outstanding on the date hereof and to all such other series that may be issued after the date hereof except to the extent that any such other series specifically provides that it shall rank junior to the Series A-1 Junior Participating Preferred Stock.

10. Amendment. The Certificate of Incorporation of the Company shall not be amended in any manner (whether by merger or otherwise) that would materially alter or change the powers, preferences or special rights of the Series A-1 Junior Participating Preferred Stock so as to affect them adversely without the affirmative vote of the holders of a majority of the outstanding shares of Series A-1 Junior Participating Preferred Stock, voting separately as a class.

11. Fractional Shares. Series A-1 Junior Participating Preferred Stock may be issued in fractions of a share that shall entitle the holder, in proportion to such holder's fractional shares, to exercise voting rights, to receive dividends thereon, and to participate in any distribution of assets and to have the benefit of all other rights of holders of Series A-1 Junior Participating Preferred Stock. In lieu of fractional shares, the Company, prior to the first issuance of a share or a fraction of a share of Series A-1 Junior Participating Preferred Stock, may elect (a) to make a cash payment as provided in that certain Rights Agreement, dated as of December 13, 2021, between the Company and American Stock Transfer & Trust Company, LLC, as Rights Agent (as it may be amended, supplemented or otherwise modified from time to time, the "Rights Agreement") for fractions of a share other than any integral multiple of one one-thousandths of a share (as such fraction may be adjusted as provided in the Rights Agreement) or (b) to issue depository receipts evidencing such authorized fraction of a share of Series A-1 Junior Participating Preferred Stock pursuant to an appropriate agreement between the Company and a depository selected by the Company; *provided, however*, that such agreement shall provide that the holders of such depository receipts shall have all the rights, privileges and preferences to which they are entitled as holders of the Series A-1 Junior Participating Preferred Stock.

IN WITNESS WHEREOF, Magnachip Semiconductor Corporation affirms the foregoing as true and has caused this Certificate to be duly executed by the authorized officers below as of this 13th day of December, 2021.

RIGHTS AGREEMENT

AGREEMENT (as amended, supplemented or otherwise modified from time to time, the "Agreement"), dated as of December 13, 2021, by and between Magnachip Semiconductor Corporation., a Delaware corporation (the "Company"), and American Stock Transfer & Trust Company, LLC, a New York limited liability trust company, as rights agent (the "Rights Agent"). Capitalized terms not defined elsewhere in this Agreement shall have the meanings ascribed to them in Section 1 herein.

WITNESSETH

WHEREAS, the Board of Directors of the Company (the "Board of Directors") authorized and declared a dividend of one preferred share purchase right (a "Right") for each share of Common Stock outstanding at the close of business on December 23, 2021 (the "Record Date") and has authorized the issuance, upon the terms and subject to the conditions hereinafter set forth, of one Right in respect of each share of Common Stock issued after the Record Date and before the earlier of the Distribution Date and the Expiration Date, each Right representing the right to purchase, upon the terms and subject to the conditions hereinafter set forth, one one-thousandth of a share of Preferred Stock;

NOW, THEREFORE, the parties hereto agree as follows:

SECTION 1. Definitions. The following terms, as used herein, have the following meanings:

"Acquiring Person" means any Person who or which, together with all Affiliates and Associates of such Person, is the Beneficial Owner of 12.5% or more of the shares of Common Stock then outstanding, but shall not include:

(a) a Passive Institutional Investor, so long as such Person is not the Beneficial Owner of 20% or more of the shares of Common Stock of the Company then outstanding, but subject to the provisions in the definition of Passive Institutional Investor below;

(b) Exempt Persons; or

(c) (i) any Person who is not a Passive Institutional Investor and who beneficially owns, each as of the date hereof, 12.5% or more of the Common Stock then outstanding and (ii) any Person who is a Passive Institutional Investor and who beneficially owns, each as of the date hereof, 20% or more of the Common Stock then outstanding, unless such Person shall, after the date hereof increase its Beneficial Ownership of the Common Stock (other than pursuant to a dividend or distribution paid or made by the Company on the outstanding shares of Common Stock in shares of Common Stock or pursuant to a split, subdivision or other reclassification of the outstanding shares of Common Stock) to an amount equal to or greater than the greater of (A) 12.5% (in the case of a Person who is not then a Passive Institutional Investor) or 20% (in the case of a Person who is a Passive Institutional Investor) and (B) the sum of (x) the lowest Beneficial Ownership of such Person as a percentage of the outstanding Common Stock as of any time from and after the date hereof plus (y) 1.0%.

Notwithstanding the foregoing, no Person shall become an Acquiring Person:

(i) as the result of an acquisition of Common Stock by the Company that, by reducing the number of shares of Common Stock outstanding, increases the proportionate number of shares of Common Stock beneficially owned by such Person to 12.5% (20% in the case of a Passive Institutional Investor) or more of the Common Stock then outstanding; *provided, however*, that, if a Person becomes the Beneficial Owner of 12.5% (20% in the case of a Passive Institutional Investor) or more of the Common Stock then outstanding by reason of share purchases by the Company and shall, after such share purchases by the Company, become the Beneficial Owner of any additional shares of Common Stock (other than pursuant to a dividend or distribution paid or made by the Company on the outstanding shares of Common Stock in shares of Common Stock or pursuant to a split, subdivision or other reclassification of the outstanding shares of Common Stock), then such Person shall be deemed to be an Acquiring Person; and

(ii) if the Board of Directors determines in good faith that such Person who would otherwise be an Acquiring Person has become such inadvertently and such Person divests itself, as promptly as practicable (as determined by the Board of Directors), of Beneficial Ownership of a sufficient number of shares of Common Stock, so that such Person would no longer be an Acquiring Person, then such Person shall not be deemed to be an Acquiring Person for the purposes of this Agreement. For the avoidance of doubt, if it is determined by the Board of Directors that any Person may avoid being an Acquiring Person by effecting any divestiture as described in this clause (ii), then such Person shall not be considered to become an Acquiring Person until the date that the Board of Directors determines in good faith that such divestiture has not occurred as promptly as practicable.

“Affiliate” and “Associate” have the respective meanings ascribed to such terms in Rule 12b-2 under the Exchange Act.

A Person shall be deemed the “Beneficial Owner” of, and shall be deemed to have “Beneficial Ownership” of and to “Beneficially Own”, any securities that:

(a) such Person or any of its Affiliates or Associates, directly or indirectly, beneficially owns (as determined pursuant to Rules 13d-3 and 13d-5 under the Exchange Act);

(b) such Person or any of its Affiliates or Associates, directly or indirectly, has:

(i) the right or obligation to acquire (whether such right is exercisable, or obligation required to be performed, immediately or only upon the occurrence of certain events or the passage of time or both) pursuant to any agreement, arrangement or understanding (other than customary agreements with and between underwriters and selling group members with respect to a bona fide

public offering of securities), or upon the exercise of conversion rights, exchange rights, rights, warrants, options or otherwise; *provided, however*, that a Person shall not be deemed the Beneficial Owner of, or to Beneficially Own, (A) securities solely because they have been tendered pursuant to a tender or exchange offer made by or on behalf of such Person or any of such Person's Affiliates or Associates until such tendered securities are accepted for purchase or exchange thereunder or cease to be subject to withdrawal by the tendering securityholder, (B) securities that such Person has a right to acquire upon the exercise or exchange of Rights at any time prior to the time that any Person becomes an Acquiring Person, (C) securities issuable upon the exercise or exchange of Rights from and after the time that any Person becomes an Acquiring Person if such Rights were acquired by such first Person or any of such first Person's Affiliates or Associates prior to the Distribution Date or pursuant to Section 3(a) or Section 22 hereof ("Original Rights") or pursuant to Sections 11(a), (i) or 11(o) with respect to an adjustment to Original Rights or (D) Common Stock issuable upon the exercise of options to purchase Common Stock, if such options are issued pursuant to an employment or consulting agreement, arrangement or understanding or an employee benefit plan of the Company or any Subsidiary of the Company and have an exercise price per share of Common Stock that is greater than the closing price of the Common Stock as determined pursuant to Section 11(d)(i) on any Trading Day, until such options are exercised in exchange for Common Stock, in which event the holder will be deemed to have Beneficial Ownership of such Common Stock; or

(ii) the right to vote (whether such right is exercisable immediately or only upon the occurrence of certain events or the passage of time or both) pursuant to any agreement, arrangement or understanding; *provided* that a Person shall not be deemed the "Beneficial Owner" or to "Beneficially Own" any security under this clause (ii) as a result of an agreement, arrangement or understanding to vote such security if such agreement, arrangement or understanding (A) arises solely from a revocable proxy or consent given to such Person in response to a public proxy or consent solicitation made pursuant to, and in accordance with, the applicable rules and regulations under the Exchange Act, (B) is not also then reportable by such Person on Schedule 13D under the Exchange Act (or any comparable or successor report) and (C) does not constitute a trust, proxy, power of attorney or other device with the purpose or effect of allowing two or more persons, acting in concert, to avoid being deemed Beneficial Owners of such security or otherwise avoid the status of Acquiring Person under the terms of this Agreement or as part of a plan or scheme to evade the reporting obligations under Schedule 13D or Sections 13(d) or 13(g) of the Exchange Act;

(c) are beneficially owned, directly or indirectly, by any other Person (or any Affiliate of Associate thereof) and with respect to which such Person or any of its Affiliates or Associates has any agreement, arrangement or understanding (other than customary agreements with and between underwriters and selling group members with respect to a bona fide public offering of securities) (i) for the purpose of acquiring,

holding, voting (except pursuant to a revocable proxy or consent as described in the proviso to clause (b)(ii) immediately above) or disposing of any such securities or (ii) to cooperate in obtaining, changing or influencing control of the issuer of such securities;

(d) are the subject of the reference securities for or that underlie any Synthetic Long Positions held by such Person or such Person's Affiliates or Associates, which Synthetic Long Positions are disclosed pursuant to a Schedule 13D or Schedule 13G under the Exchange Act; or

(e) are the subject of the reference securities for or that underlie any Synthetic Long Positions held by such Person or such Person's Affiliates or Associates, if such Synthetic Long Positions are not disclosed pursuant to a Schedule 13D or Schedule 13G under the Exchange Act, if and only if the Board of Directors determines that such Person shall be deemed to be the Beneficial Owner of, and to Beneficially Own, the Common Stock in respect of such Synthetic Long Positions.

The number of shares of Common Stock deemed Beneficially Owned by a Person in respect of any Synthetic Long Position pursuant to clauses (d) and (e) above shall be the greater of the notional or other number of shares of Common Stock specified (x) in a filing by such Person or any of such Person's Affiliates or Associates with the Securities and Exchange Commission or (y) in the documentation evidencing the Synthetic Long Position as being subject to be acquired upon the exercise or settlement of the applicable right or derivative or as the basis upon which the value or settlement amount of such right or derivative, or the opportunity of the holder of such right or derivative to profit or share in any profit, is to be calculated in whole or in part. If no such number of shares of Common Stock is specified in any filing or documentation, then the number of shares of Common Stock deemed Beneficially Owned by a Person in respect of any Synthetic Long Position shall be as determined by the Board of Directors in good faith to be the number of shares of Common Stock to which the Synthetic Long Position relates.

Notwithstanding anything in this definition of Beneficial Ownership to the contrary, the phrase "then outstanding," when used with reference to a Person's Beneficial Ownership of securities of the Company, shall mean the number of such securities then issued and outstanding together with the number of such securities not then actually issued and outstanding which are issuable by the Company and which such Person would be deemed to Beneficially Own hereunder. The number of securities not then actually issued and outstanding shall not be deemed to be outstanding for the purpose of computing the percentage of outstanding Common Stock owned by any other Person or the Company.

SECTION 2. Appointment of Rights Agent. The Company hereby appoints the Rights Agent to act as agent for the Company and the holders of the Rights in accordance with the express terms and conditions hereof (and no implied terms and conditions), and the Rights Agent hereby accepts such appointment. The Company may from time to time appoint such co-rights agents as it may deem necessary or desirable. If the Company appoints one or more co-rights agents, the respective duties of the Rights Agent and any co-rights agents shall be as the Company shall determine.

SECTION 3. Issuance of Right Certificates.

(a) Prior to the Distribution Date, (i) the Rights will be evidenced (unless earlier expired, redeemed or terminated) by the certificates for the Common Stock (or, in the case of uncertificated shares of Common Stock, by the book-entry account that evidences record ownership of such shares) and not by separate Right Certificates and the registered holders of the Common Stock shall be deemed to be the registered holders of the associated Rights, and (ii) the Rights will be transferable only in connection with the transfer of the underlying shares of Common Stock. Until the Distribution Date, the surrender for transfer of any certificate for Common Stock (or the effectuation of a book-entry transfer of shares of Common Stock) shall constitute the surrender for transfer of the Rights associated with the Common Stock evidenced thereby. As soon as practicable after the Record Date, the Company will send a summary of the Rights substantially in the form of Exhibit C hereto, by first-class, postage prepaid mail, to each record holder of the Common Stock as of the close of business on the Record Date at the address of such holder shown on the records of the Company or on the registry books of the transfer agent for the Common Stock, as appropriate.

(b) As soon as practicable after the Company has notified the Rights Agent of the occurrence of the Distribution Date, the Rights Agent will send, by first-class, insured, postage prepaid mail, to each record holder of the Common Stock as of the close of business on the Distribution Date (other than any acquiring Person or any Associate or Affiliate of an Acquiring

Person), at the address of such holder shown on the records of the Company or on the registry books of the transfer agent for the Common Stock, as appropriate, one or more Right Certificates evidencing one Right (subject to adjustment as provided herein) for each share of Common Stock so held. If an adjustment in the number of Rights per share of Common Stock has been made pursuant to Section 11(o), the Company shall, at the time of distribution of the Right Certificates, make the necessary and appropriate rounding adjustments (in accordance with Section 14(a)) so that Right Certificates representing only whole numbers of Rights are distributed and cash is paid in lieu of any fractional Rights. From and after the Distribution Date, the Rights will be evidenced solely by such Right Certificates. Notwithstanding any other provisions hereof, the Company and the Rights Agent may amend this Agreement to provide for uncertificated Rights in addition to or in place of Rights evidenced by Right Certificates.

(c) Rights shall, without any further action, be issued in respect of all shares of Common Stock outstanding as of the Record Date or issued (on original issuance or out of treasury) after the Record Date but prior to the earlier of the Distribution Date and the Expiration Date. In addition, in connection with the issuance or sale of shares of Common Stock following the Distribution Date and prior to the Expiration Date, the Company (i) shall, with respect to shares of Common Stock so issued or sold (x) pursuant to the exercise of stock options or under any employee plan or arrangement or (y) upon the exercise, conversion or exchange of other securities issued by the Company prior to the Distribution Date and (ii) may, in any other case, if deemed necessary or appropriate by the Board of Directors, issue Right Certificates representing the appropriate number of Rights in connection with such issuance or sale; *provided* that no such Right Certificate shall be issued if, and to the extent that, (i) the Company shall be advised by counsel that such issuance would create a significant risk of material adverse tax consequences to the Company or the Person to whom such Right Certificate would be issued or (ii) appropriate adjustment shall otherwise have been made in lieu of the issuance thereof; *provided further* that no such Right Certificate shall be issued to an Acquiring Person or an Affiliate or Associate of an Acquiring Person.

(d) Certificates for the Common Stock issued after the Record Date but prior to the earlier of the Distribution Date and the Expiration Date shall have impressed on, printed on, written on or otherwise affixed to them the following legend:

This certificate also evidences certain Rights as set forth in a Rights Agreement between Magnachip Semiconductor Corporation (the “Company”) and American Stock Transfer & Trust Company, LLC, dated as of December 13, 2021 and as amended from time to time (the “Rights Agreement”), the terms of which are hereby incorporated herein by reference and a copy of which is on file at the principal executive offices of the Company. The Company will mail to the holder of this certificate a copy of the Rights Agreement without charge promptly after receipt of a written request therefor. Under certain circumstances, as set forth in the Rights Agreement, such Rights may be evidenced by separate certificates and no longer be evidenced by this certificate, may be redeemed or exchanged or may expire. As set forth in the Rights Agreement, Rights issued to, or Beneficially Owned by, any Person who is, was or becomes an Acquiring Person or an Affiliate or Associate thereof (as such terms are defined in the Rights Agreement), whether currently Beneficially Owned by or on behalf of such Person or by any subsequent holder, may be null and void.

In the case of Common Stock held in uncertificated form, the Company shall cause the confirmation and account statements sent to holders of Common Stock in book-entry form (including upon any transfer or exchange of Common Stock) after the Record Date but before the earlier of the Distribution Date and the Expiration Date to bear a legend substantially in the following form:

The registration in the share register of Magnachip Semiconductor Corporation (the "Company") of the shares of common stock to which this initial transaction or subsequent periodic statement relates also evidences and entitles the holder thereof to certain Rights set forth in a Rights Agreement between the Company and American Stock Transfer & Trust Company, LLC, dated as of December 13, 2021 and as amended from time to time (the "Rights Agreement"), the terms of which are hereby incorporated herein by reference and a copy of which is on file at the principal executive offices of the Company. The Company will mail to the holder of the shares of common stock to which this statement relates a copy of the Rights Agreement without charge promptly after receipt of a written request therefor. Under certain circumstances, as set forth in the Rights Agreement, such Rights may be evidenced by separate certificates and no longer be evidenced by the shares to which this registration in the share register relates, may be redeemed or exchanged or may expire. As set forth in the Rights Agreement, Rights issued to, or Beneficially Owned by, any Person who is, was or becomes an Acquiring Person or an Affiliate or Associate thereof (as such terms are defined in the Rights Agreement), whether currently Beneficially Owned by or on behalf of such Person or by any subsequent holder, may be null and void.

(e) Notwithstanding Section 3(d), neither the omission of a legend nor the inclusion of a legend that makes reference to a rights agreement other than this Agreement shall affect the enforceability of any part of this Agreement or the rights of any holder of Rights.

SECTION 4. Form of Right Certificates. The certificates evidencing the Rights (and the forms of assignment, election to purchase and certificates to be printed on the reverse thereof) (the "Right Certificates") shall be substantially in the form of Exhibit B hereto and may have such marks of identification or designation and such legends, summaries or endorsements printed thereon as the Company may deem appropriate and as are not inconsistent with the provisions of this Agreement, or as may be required to comply with any applicable law, rule or regulation or with any rule or regulation of any stock exchange on which the Rights may from time to time be listed, or to conform to customary usage.

SECTION 5. Countersignature and Registration.

(a) The Right Certificates shall be executed on behalf of the Company by its Chairman, Chief Executive Officer, President, any Vice President, Treasurer, Chief Financial Officer, Secretary or any Assistant Secretary, either manually or by facsimile signature, and shall have affixed thereto the Company's seal or a facsimile thereof which shall be attested by the

Secretary or an Assistant Secretary of the Company, either manually or by facsimile signature. The Right Certificates shall be, either manually or by facsimile, countersigned by the Rights Agent and shall not be valid for any purpose unless so countersigned. If any officer of the Company whose manual or facsimile signature is affixed to the Right Certificates ceases to be such officer of the Company before countersignature by the Rights Agent and issuance and delivery by the Company, such Right Certificates may, nevertheless, be countersigned by the Rights Agent and issued and delivered with the same force and effect as though the Person who signed such Right Certificates had not ceased to be such officer of the Company. Any Right Certificate may be signed on behalf of the Company by any Person who, at the actual date of the execution of such Right Certificate, shall be a proper officer of the Company to sign such Right Certificate, although at the date of the execution of this Agreement any such Person was not such an officer.

(b) After the Distribution Date, the Rights Agent will keep or cause to be kept, at its principal office or offices designated as the place for surrender of Right Certificates upon exercise, transfer or exchange, books for registration and transfer of the Right Certificates. Such books shall show with respect to each Right Certificate the name and address of the registered holder thereof, the number of Rights indicated on the certificate and the certificate number.

SECTION 6. Transfer and Exchange of Right Certificates; Mutilated, Destroyed, Lost or Stolen Right Certificates.

(a) At any time after the Distribution Date and prior to the Expiration Date, any Right Certificate or Right Certificates (other than Right Certificates representing Rights that have become null and void pursuant to Section 7(d) or that have been exchanged pursuant to Section 24) may, upon the terms and subject to the conditions set forth below in this Section 6(a), be transferred or exchanged for another Right Certificate or Right Certificates evidencing a like number of Rights as the Right Certificate or Right Certificates surrendered. Any registered holder desiring to transfer or exchange any Right Certificate or Right Certificates shall surrender such Right Certificate or Right Certificates (with, in the case of a transfer, the form of assignment and certificate on the reverse side thereof duly executed) to the Rights Agent at the principal office or offices of the Rights Agent designated for such purpose. Neither the Rights Agent nor the Company shall be obligated to take any action whatsoever with respect to the transfer of any such surrendered Right Certificate or Right Certificates until the registered holder of the Rights has complied with the requirements of Section 7(e). Upon satisfaction of the foregoing requirements, the Rights Agent shall, subject to Sections 7(d), 14 and 24, countersign and deliver to the Person entitled thereto a Right Certificate or Right Certificates, as the case may be, as so requested. The Company may require payment of a sum sufficient to cover any transfer tax or other governmental charge that may be imposed in connection with any transfer or exchange of Right Certificates.

(b) At any time after the Distribution Date and prior to the Expiration Date, upon receipt by the Company and the Rights Agent of evidence reasonably satisfactory to them of the loss, theft, destruction or mutilation of a Right Certificate, and, in case of loss, theft or destruction, of indemnity or security reasonably satisfactory to them, and, at the Company's request, reimbursement to the Company and the Rights Agent of all reasonable expenses incidental thereto, and upon surrender to the Rights Agent and cancellation of the Right Certificate if mutilated, the Company will issue and deliver a new Right Certificate of like tenor to the Rights Agent for countersignature and delivery to the registered holder in lieu of the Right Certificate so lost, stolen, destroyed or mutilated.

SECTION 7. Exercise of Rights; Purchase Price; Expiration Date of Rights.

(a) The Rights shall be exercisable by the registered holder thereof (except as otherwise provided herein, including Sections 7(d), 7(e), 9(c), 11(a) and 24) in whole or in part at any time after the Distribution Date and prior to the Expiration Date upon surrender of the Right Certificate, with the form of election to purchase, if applicable, and the certificate on the reverse side thereof duly executed, to the Rights Agent at the principal office or offices of the Rights Agent designated for such purpose, together with payment (in lawful money of the United States of America by certified check or bank draft payable to the order of the Company) of the aggregate Purchase Price with respect to the Rights then to be exercised and an amount equal to any applicable transfer tax or other governmental charge, in each case, if applicable.

(b) Upon satisfaction of the requirements of Section 7(a) and subject to Section 7(e) and 20(k), the Rights Agent shall thereupon promptly (i) (A) requisition from any transfer agent of the Preferred Stock (or make available, if the Rights Agent is the transfer agent therefor) certificates for the total number of one one-thousandths of a share of Preferred Stock to be purchased or exchanged, as applicable (and the Company hereby irrevocably authorizes its transfer agent to comply with all such requests), or (B) if the Company shall have elected to deposit the shares of Preferred Stock issuable upon exercise of the Rights with a depositary agent, requisition from the depositary agent depositary receipts representing such number of one one-thousandths of a share of Preferred Stock as are to be purchased or exchanged, as applicable (in which case certificates for the shares of Preferred Stock represented by such receipts shall be deposited by the transfer agent with the depositary agent and the Company hereby directs the depositary agent to comply with such request), (ii) requisition from the Company the amount of cash, if any, to be paid in lieu of issuance of fractional shares in accordance with Section 14 and (iii) after receipt of such certificates or depositary receipts and cash, if any, cause the same to be delivered to or upon the order of the registered holder of such Right so exercised (with such certificates or receipts registered in such name or names as may be designated by such holder). If the Company is obligated to deliver Common Stock, other securities or assets pursuant to this Agreement, the Company will make all arrangements necessary so that such other securities and assets are available for delivery by the Rights Agent, if and when appropriate.

(c) If the registered holder of any Right Certificate shall exercise less than all the Rights evidenced thereby, a new Right Certificate evidencing the number of Rights remaining unexercised shall be issued by the Rights Agent and delivered to, or upon the order of, the registered holder of such Right Certificate, registered in such name or names as may be designated by such holder, subject to the provisions of Section 14.

(d) Notwithstanding anything in this Agreement to the contrary, from and after the first occurrence of a Section 11(a)(ii) Event, any Rights Beneficially Owned by (i) an Acquiring Person, (ii) a transferee of an Acquiring Person who becomes a transferee after the Acquiring Person becomes such or (iii) a transferee of an Acquiring Person who becomes a transferee prior to or concurrently with the Acquiring Person becoming such and receives such Rights pursuant

to either (A) a transfer (whether or not for consideration) from the Acquiring Person to holders of equity interests in such Acquiring Person or to any Person with whom such Acquiring Person has any continuing agreement, arrangement or understanding regarding the transferred Rights or (B) a transfer that the Board of Directors determines is part of a plan, arrangement or understanding that has as a primary purpose or effect the avoidance of this Section 7(d), shall become null and void without any further action, and no holder of such Rights shall have any rights whatsoever with respect to such Rights, whether under any provision of this Agreement or otherwise. The Company shall use all reasonable efforts to insure that the provisions of this Section 7(d) are complied with, but shall have no liability to any holder of Rights or other Person as a result of its failure to make any determinations with respect to an Acquiring Person or its Affiliates and Associates or any transferee of any of them hereunder.

(e) Notwithstanding anything in this Agreement to the contrary, neither the Rights Agent nor the Company shall be obligated to undertake any action with respect to a registered holder of Rights upon the occurrence of any purported transfer pursuant to Section 6 or exercise pursuant to this Section 7 unless such registered holder (i) shall have completed and signed the certificate contained in the form of assignment or election to purchase, as the case may be, set forth on the reverse side of the Right Certificate surrendered for such transfer or exercise, as the case may be, (ii) shall not have indicated an affirmative response to clause 1 or 2 thereof and (iii) shall have provided such additional evidence of the identity of the Beneficial Owner (or former Beneficial Owner) or Affiliates or Associates thereof as the Company shall reasonably request.

SECTION 8. Cancellation and Destruction of Right Certificates. All Right Certificates surrendered for exercise, transfer or exchange shall, and any Right Certificates representing Rights that become null and void pursuant to Section 7(d) surrendered for any purpose shall, if surrendered to the Company or to any of its agents, be delivered to the Rights Agent for cancellation or in cancelled form, or, if surrendered to the Rights Agent, shall be cancelled by it, and no Right Certificates shall be issued in lieu thereof except as expressly permitted by this Agreement. The Company shall deliver to the Rights Agent for cancellation, and the Rights Agent shall cancel, any other Right Certificate purchased or acquired by the Company otherwise than upon the exercise thereof. The Rights Agent shall deliver all cancelled Right Certificates to the Company, or shall, at the written request of the Company, destroy such cancelled Right Certificates, and in such case shall deliver a certificate of destruction thereof to the Company. Subject to applicable law and regulation, the Rights Agent shall maintain in a retrievable database electronic records of all canceled or destroyed Rights Certificates which have been canceled or destroyed by the Rights Agent. The Rights Agent shall maintain such electronic records for the term of this Agreement and any additional time period required by applicable law and regulation or in accordance with the Rights Agent's retention policy then in effect. Upon written request of the Company (and at the expense of the Company), the Rights Agent shall provide to the Company or its designee copies of such electronic records relating to Rights Certificates canceled or destroyed by the Rights Agent and shall certify to the Company the accuracy of such records.

SECTION 9. Reservation and Availability of Capital Stock.

(a) The Company covenants and agrees that it will cause to be reserved and kept available a number of shares of Preferred Stock that are authorized but not outstanding or otherwise reserved for issuance sufficient to permit the exercise in full of all outstanding Rights as provided in this Agreement.

(b) So long as the Preferred Stock and, after a Section 11(a)(ii) Event, Common Stock or other securities issuable upon the exercise of Rights that may be listed on any national securities exchange, the Company shall use its best efforts to cause, from and after such time as the Rights become exercisable, all securities reserved for such issuance to be listed on any such exchange upon official notice of issuance upon such exercise.

(c) The Company shall use its best efforts (i) to file, as soon as practicable following the earliest date after the occurrence of a Section 11(a)(ii) Event as of which the consideration to be delivered by the Company upon exercise of the Rights has been determined in accordance with Section 11(a)(iii), or as soon as is required by law following the Distribution Date, as the case may be, a registration statement under the Securities Act with respect to the securities issuable upon exercise of the Rights, (ii) to cause such registration statement to become effective as soon as practicable after such filing and (iii) to cause such registration statement to remain effective (with a prospectus at all times meeting the requirements of the Securities Act) until the earlier of (A) the date as of which the Rights are no longer exercisable for such securities and (B) the Expiration Date. The Company will also take such action as may be appropriate under, or to ensure compliance with, the securities or blue sky laws of the various states in connection with the exercisability of the Rights. The Company may temporarily suspend, for a period of time not to exceed 120 days after the date set forth in Section 9(c), (i), the exercisability of the Rights in order to prepare and file such registration statement and permit it to become effective. Upon any such suspension, the Company shall issue a public announcement stating that the exercisability of the Rights has been temporarily suspended, as well as a public announcement at such time as the suspension is no longer in effect. Notwithstanding any such provision of this Agreement to the contrary, the Rights shall not be exercisable for securities in any jurisdiction if the requisite qualification in such jurisdiction shall not have been obtained, such exercise therefor shall not be permitted under applicable law or a registration statement in respect of such securities shall not have been declared effective.

(d) The Company covenants and agrees that it will take all such action as may be necessary to insure that all one one-thousandths of a share of Preferred Stock or other securities issuable upon the exercise of Rights shall, at the time of delivery of the certificates for such securities (subject to payment of the Purchase Price), be duly and validly authorized and issued and fully paid and nonassessable.

(e) The Company further covenants and agrees that it will pay when due and payable any and all federal and state transfer taxes and other governmental charges that may be payable in respect of the issuance or delivery of the Right Certificates and of any certificates for Preferred Stock, Common Stock or other securities upon the exercise or exchange of Rights (or, if such securities are uncertificated, the registration of such securities on the stock transfer books of the Company). The Company shall not, however, be required to pay any transfer tax or other governmental charge that may be payable in respect of any transfer involved in the issuance or delivery of any Right Certificates or of any certificates for Preferred Stock, Common Stock or

other securities to a Person other than the registered holder of the applicable Rights so exercised, and prior to any such transfer, issuance or delivery, any such tax or other governmental charge shall have been paid by the holder of such Rights or it shall have been established to the Company's satisfaction that no such tax or other governmental charge is due.

SECTION 10. Preferred Stock Record Date. Each Person (other than the Company) in whose name any certificate for Preferred Stock (or Common Stock or other securities, as the case may be) is issued upon the exercise of Rights shall for all purposes be deemed to have become the holder of record of such Preferred Stock (or Common Stock or other securities, as the case may be) represented thereby on, and such certificate shall be dated, the date upon which the Right Certificate evidencing such Rights was duly surrendered and payment of the Purchase Price (and any transfer taxes or other governmental charges) was made; *provided* that if the date of such surrender and payment is a date upon which the transfer books of the Company relating to the Preferred Stock (or Common Stock or other securities, as the case may be) are closed, such Person shall be deemed to have become the record holder of such shares on, and such certificate shall be dated, the next succeeding Business Day on which the applicable transfer books of the Company are open. Prior to the exercise thereof, the registered holder of any Rights shall not be entitled to any rights of a stockholder of the Company with respect to shares for which the Rights shall be exercisable, including the right to vote or to receive dividends or other distributions, and shall not be entitled to receive any notice of any proceedings of the Company except as provided herein.

SECTION 11. Adjustment of Purchase Price, Number and Kind of Shares or Number of Rights.

(a) (i) If the Company shall at any time after the date of this Agreement (A) pay a dividend on the Preferred Stock payable in shares of Preferred Stock, (B) subdivide the outstanding Preferred Stock into a greater number of shares, (C) combine the outstanding Preferred Stock into a smaller number of shares or (D) issue any shares of its capital stock in a reclassification of the Preferred Stock (including any such reclassification in connection with a consolidation or merger involving the Company), the Purchase Price in effect immediately prior to the record date for such dividend or the effective date of such subdivision, combination or reclassification, and the number and kind of shares of Preferred Stock or other capital stock issuable on such date shall be proportionately adjusted so that each holder of a Right shall (except as otherwise provided herein, including Section 7(d)) thereafter be entitled to receive, upon exercise thereof at the Purchase Price in effect immediately prior to such date, the aggregate number and kind of shares of Preferred Stock or other capital stock, as the case may be, which, if such Right had been exercised immediately prior to such date and at a time when the applicable transfer books of the Company were open, such holder would have been entitled to receive upon such exercise and by virtue of such dividend, subdivision, combination or reclassification; *provided, however*, that in no event shall such adjusted Purchase Price be less than the aggregate par value of the shares of capital stock of the Company issuable upon the exercise of one Right. If an event occurs that requires an adjustment under both this Section 11(a)(i) and Section 11(a)(ii), the adjustment provided for in this Section 11(a)(i) shall be in addition to, and shall be made prior to, any adjustment required pursuant to Section 11(a)(ii).

(ii) At any time after the date of this Agreement, upon any Person, alone or together with its Affiliates and Associates, becoming an Acquiring Person (a "Section 11(a)(ii) Event"), subject to Section 24 hereof, proper provision shall promptly be made so that each holder of a Right shall (except as otherwise provided herein, including Section 7(d)) thereafter be entitled to receive, upon exercise thereof at the Purchase Price in effect immediately prior to the first occurrence of a Section 11(a)(ii) Event, in lieu of Preferred Stock, such number of duly authorized, validly issued, fully paid and nonassessable shares of Common Stock of the Company (such shares being referred to herein as the "Adjustment Shares") as shall be equal to the result obtained by dividing

(x) the product obtained by multiplying the Purchase Price in effect immediately prior to the first occurrence of a Section 11(a)(ii) Event by the number of one one-thousandths of a share of Preferred Stock for which a Right was exercisable immediately prior to such first occurrence (such product being thereafter referred to as the "Purchase Price" for each Right and for all purposes of this Agreement) by

(y) 50% of the current market price (determined pursuant to Section 11(d)(i)) per share of Common Stock on the date of such first occurrence;

provided that if the transaction that would otherwise give rise to the foregoing adjustment is also subject to the provisions of Section 13, then only the provisions of Section 13 shall apply and no adjustment shall be made pursuant to this Section 11(a)(ii).

(iii) If the number of shares of Common Stock that are authorized by the Company's Certificate of Incorporation but not outstanding or reserved for issuance other than upon exercise of the Rights is not sufficient to permit the exercise in full of the Rights in accordance with Section 11(a)(ii), the Company shall, with respect to each Right, make adequate provision to substitute for the Adjustment Shares, upon payment of the Purchase Price then in effect, (A) (to the extent available) Common Stock and then, (B) (to the extent available) other equity securities of the Company that are essentially equivalent to shares of Common Stock in respect to dividend, liquidation and voting rights (such securities being referred to herein as "common stock equivalents") and then, if necessary, (C) other equity or debt securities of the Company, cash or other assets, a reduction in the Purchase Price or any combination of the foregoing, having an aggregate value (determined by the Board of Directors based upon the advice of a nationally recognized investment banking firm) equal to the value of the Adjustment Shares; *provided* that (x) the Company may, and (y) if the Company shall not have made adequate provision as required above to deliver value within 30 days following the first occurrence of a Section 11(a)(ii) Event (the "Section 11(a)(ii) Trigger Date"), then the Company shall be obligated to deliver, upon the surrender for exercise of a Right and without requiring payment of the Purchase Price, Common Stock (to the extent available) and then, if necessary, cash, which shares and cash have an aggregate value equal to the excess of the value of the Adjustment Shares over the Purchase Price. If, upon the occurrence of a Section 11(a)(ii) Event, the Board of Directors shall determine in good faith that it is likely that sufficient additional shares of Common Stock could be

authorized for issuance upon exercise in full of the Rights, the 30 day period set forth above may be extended to the extent necessary, but not more than 90 days after the Section 11(a)(ii) Trigger Date, in order that the Company may seek stockholder approval for the authorization of such additional shares (such period, as it may be extended, the “Substitution Period”). To the extent that the Company determines that some action is to be taken pursuant to the first or second sentences of this Section 11(a)(iii), the Company (X) shall provide, subject to Section 7(d), that such action shall apply uniformly to all outstanding Rights and (Y) may suspend the exercisability of the Rights until the expiration of the Substitution Period in order to decide the appropriate form and value of any consideration to be delivered as referred to in such sentence. If any such suspension occurs, the Company shall issue a public announcement stating that the exercisability of the Rights has been temporarily suspended, as well as a public announcement at such time as the suspension is no longer in effect. For purposes of this Section 11(a)(iii), the per share value of the Common Stock shall be the current market price per share of Common Stock (as determined pursuant to Section 11(d)) on the Section 11(a)(ii) Trigger Date; any common stock equivalent shall be deemed to have the same value as the Common Stock on such date; and the value of other securities or assets shall be determined pursuant to Section 11(d)(iii).

(b) If the Company fixes a record date for the issuance of rights, options or warrants to all holders of Preferred Stock entitling them to subscribe for or purchase (for a period expiring within 45 calendar days after such record date) Preferred Stock (or securities having the same rights, privileges and preferences as the shares of Preferred Stock (“preferred stock equivalent”) or securities convertible into or exercisable for Preferred Stock (or preferred stock equivalent) at a price per share of Preferred Stock (or preferred stock equivalent) (in each case, taking account of any conversion or exercise price) less than the current market price (as determined pursuant to Section 11(d)) per share of Preferred Stock on such record date, the Purchase Price to be in effect after such record date shall be determined by multiplying the Purchase Price in effect immediately prior to such date by a fraction, the numerator of which shall be the sum of the number of shares of Preferred Stock outstanding on such record date, plus the number of shares of Preferred Stock which the aggregate price (taking account of any conversion or exercise price) of the total number of shares of Preferred Stock (and any preferred stock equivalent) so to be offered would purchase at such current market price and the denominator of which shall be the sum of the number of shares of Preferred Stock outstanding on such record date plus the number of additional shares of Preferred Stock (and any preferred stock equivalent) so to be offered; *provided, however*, that in no event shall such adjusted Purchase Price be less than the aggregate par value of the shares of capital stock of the Company issuable upon exercise of one Right. If such subscription price may be paid by delivery of consideration part or all of which shall be in a form other than cash, the value of such consideration shall be as determined in good faith by the Board of Directors, whose determination shall be described in a statement filed with the Rights Agent and shall be conclusive for all purposes. Shares of Preferred Stock owned by or held for the account of the Company shall not be deemed outstanding for the purpose of any such computation. Such adjustment shall be made successively whenever such a record date is fixed, and if such rights, options or warrants are not so issued, the Purchase Price shall be adjusted to be the Purchase Price that would then be in effect if such record date had not been fixed.

(c) If the Company fixes a record date for the making of a distribution to all holders of Preferred Stock (including any such distribution made in connection with a consolidation or merger involving the Company) of evidences of indebtedness, equity securities other than Preferred Stock, assets (other than a regular periodic cash dividend or a dividend payable in Preferred Stock) or rights, options or warrants (excluding those referred to in Section 11(b)), the Purchase Price to be in effect after such record date shall be determined by multiplying the Purchase Price in effect immediately prior to such record date by a fraction, the numerator of which shall be the current market price (as determined pursuant to Section 11(d)) per share of Preferred Stock on such record date, less the value (as determined pursuant to Section 11(d)(iii)) of such evidences of indebtedness, equity securities, assets, rights, options or warrants so to be distributed with respect to one share of Preferred Stock and the denominator of which shall be such current market price per share of Preferred Stock; *provided, however*, that in no event shall such adjusted Purchase Price be less than the aggregate par value of the shares of capital stock of the Company issuable upon exercise of one Right. Such adjustment shall be made successively whenever such a record date is fixed, and if such distribution is not so made, the Purchase Price shall be adjusted to be the Purchase Price that would then be in effect if such record date had not been fixed.

(d) (i) For the purpose of any computation hereunder other than computations made pursuant to Section 11(a)(iii) or Section 14, the “current market price” per share of Common Stock on any date shall be deemed to be the average of the daily closing prices per share of such Common Stock for the 30 consecutive Trading Days immediately prior to such date; for purposes of computations made pursuant to Section 11(a)(iii), the “current market price” per share of Common Stock on any date shall be deemed to be the average of the daily closing prices per share of such Common Stock for the ten consecutive Trading Days immediately following such date; and for purposes of computations made pursuant to Section 14, the “current market price” per share of Common Stock for any Trading Day shall be deemed to be the closing price per share of Common Stock for such Trading Day; *provided* that if the current market price per share of the Common Stock is determined during a period following the announcement by the issuer of such Common Stock of (A) a dividend or distribution on such Common Stock payable in shares of such Common Stock or securities exercisable for or convertible into shares of such Common Stock (other than the Rights) or (B) any subdivision, combination or reclassification of such Common Stock, and prior to the expiration of the requisite 30 Trading Day or ten Trading Day period, as set forth above, after the ex-dividend date for such dividend or distribution, or the record date for such subdivision, combination or reclassification, then, and in each such case, the “current market price” shall be properly adjusted to take into account ex-dividend trading. The closing price for each day shall be the last sale price, regular way, or, in case no such sale takes place on such day, the average of the closing bid and asked prices, regular way, in either case as reported in the principal consolidated transaction reporting system with respect to securities listed or admitted to trading on the New York Stock Exchange or, if the shares of Common Stock are not listed or admitted to trading on the New York Stock Exchange, on the principal national securities exchange on which the shares of Common Stock are listed or admitted to trading or, if the shares of Common Stock are not listed or admitted to trading on any national securities exchange, the last quoted price or, if not so quoted, the average of the high bid and low asked prices in the over-the-counter market, as

reported by the National Association of Securities Dealers, Inc. Automated Quotation System (“NASDAQ”) or such other system then in use or, if on any such date the shares of Common Stock are not quoted by any such organization, the average of the closing bid and asked prices as furnished by a professional market maker making a market in the Common Stock selected by the Board of Directors. If on any such date no market maker is making a market in the Common Stock, the fair value of such shares on such date as determined in good faith by the Board of Directors (or, if at the time of such determination there is an Acquiring Person, by a nationally recognized investment banking firm selected by the Board of Directors), which determination shall be described in a statement filed with the Rights Agent and shall be conclusive for all purposes.

(ii) For the purpose of any computation hereunder, the “current market price” per share of Preferred Stock shall be determined in the same manner as set forth above for the Common Stock in Section 11(d)(i) (other than the last sentence thereof). If the current market price per share of Preferred Stock cannot be determined in such manner, the “current market price” per share of Preferred Stock shall be conclusively deemed to be an amount equal to 1,000 (as such number may be appropriately adjusted for such events as stock splits, stock dividends and recapitalizations with respect to the Common Stock occurring after the date of this Agreement) multiplied by the current market price per share of Common Stock (as determined pursuant to Section 11(d)(i) (other than the last sentence thereof)). If neither the Common Stock nor the Preferred Stock is publicly held or so listed or traded, the “current market price” per share of the Preferred Stock shall be determined in the same manner as set forth in the last sentence of Section 11(d)(i). For all purposes of this Agreement, the “current market price” of one one-thousandth of a share of Preferred Stock shall be equal to the “current market price” of one share of Preferred Stock divided by 1,000.

(iii) For the purpose of any computation hereunder, the value of any securities or assets other than Common Stock or Preferred Stock shall be the fair value as determined in good faith by the Board of Directors, or, if at the time of such determination there is an Acquiring Person, by a nationally recognized investment banking firm selected by the Board of Directors, which determination shall be described in a statement filed with the Rights Agent and shall be conclusive for all purposes.

(e) Anything herein to the contrary notwithstanding, no adjustment in the Purchase Price shall be required unless such adjustment would require an increase or decrease of at least 1% in the Purchase Price; *provided* that any adjustments that by reason of this Section 11(e) are not required to be made shall be carried forward and taken into account in any subsequent adjustment. All calculations under this Section 11 shall be made to the nearest cent or to the nearest ten-thousandth of a share of Common Stock or other share or one-millionth of a share of Preferred Stock, as the case may be.

(f) If at any time, as a result of an adjustment made pursuant to Section 11(a)(ii) or Section 13(a), the holder of any Right shall be entitled to receive upon exercise of such Right any shares of capital stock other than Preferred Stock, thereafter the Purchase Price and the number of such other shares so receivable upon exercise of any Right shall be subject to adjustment from time to time in a manner and on terms as nearly equivalent as practicable to the provisions with respect to the Preferred Stock contained in Section 11, and the provisions of Sections 7, 9, 10, 13 and 14 with respect to the Preferred Stock shall apply on like terms to any such other shares.

(g) All Rights originally issued by the Company subsequent to any adjustment made hereunder shall evidence the right to purchase, at the Purchase Price then in effect, the then applicable number of one one-thousandth of a share of Preferred Stock and other capital stock of the Company issuable from time to time hereunder upon exercise of the Rights, all subject to further adjustment as provided herein.

(h) Unless the Company shall have exercised its election as provided in Section 11(i), upon each adjustment of the Purchase Price as a result of the calculations made in Sections 11(b) and 11(c), each Right outstanding immediately prior to the making of such adjustment shall thereafter evidence the right to purchase, at the adjusted Purchase Price, that number of one one-thousandths of a share of Preferred Stock (calculated to the nearest one-millionth) obtained by (i) multiplying (x) the number of one one-thousandths of a share of Preferred Stock for which a Right was exercisable immediately prior to this adjustment by (y) the Purchase Price in effect immediately prior to such adjustment of the Purchase Price and (ii) dividing the product so obtained by the Purchase Price in effect immediately after such adjustment of the Purchase Price.

(i) The Company may elect on or after the date of any adjustment of the Purchase Price to adjust the number of Rights, in lieu of any adjustment in the number of one one-thousandths of a share of Preferred Stock issuable upon the exercise of a Right. Each of the Rights outstanding after such adjustment of the number of Rights shall be exercisable for the number of one one-thousandths of a share of Preferred Stock for which such Right was exercisable immediately prior to such adjustment. Each Right held of record prior to such adjustment of the number of Rights shall become that number of Rights (calculated to the nearest ten-thousandth) obtained by dividing the Purchase Price in effect immediately prior to adjustment of the Purchase Price by the Purchase Price in effect immediately after adjustment of the Purchase Price. The Company shall make a public announcement of its election to adjust the number of Rights, indicating the record date for the adjustment, and, if known at the time, the amount of the adjustment to be made. This record date may be the date on which the Purchase Price is adjusted or any day thereafter, but, if the Right Certificates have been issued, shall be at least ten days after the date of the public announcement. If Right Certificates have been issued, upon each adjustment of the number of Rights pursuant to this Section 11(i), the Company shall, as promptly as practicable, cause to be distributed to holders of record of Right Certificates on such record date Right Certificates evidencing, subject to Section 14, the additional Rights to which such holders shall be entitled as a result of such adjustment, or, at the option of the Company, shall cause to be distributed to such holders of record in substitution and replacement for the Right Certificates held by such holders prior to the date of adjustment, and upon surrender thereof, if required by the Company, new Right Certificates evidencing all the Rights to which such holders shall be entitled after such adjustment. Right Certificates so to be distributed shall be issued, executed and countersigned in the manner provided for herein (and may bear, at the option of the Company, the adjusted Purchase Price) and shall be registered in the names of the holders of record of Right Certificates on the record date specified in the public announcement.

(j) Irrespective of any adjustment or change in the Purchase Price or the number of one one-thousandths of a share of Preferred Stock issuable upon the exercise of the Rights, the Right Certificates theretofore and thereafter issued may continue to express the Purchase Price per one one-thousandths of a share and the number of shares that were expressed in the initial Right Certificates issued hereunder.

(k) Before taking any action that would cause an adjustment reducing the Purchase Price below the par value, if any, of the number of one one-thousandths of a share of Preferred Stock issuable upon exercise of the Rights, the Company shall take any corporate action that may, in the opinion of its counsel, be necessary in order that the Company may validly and legally issue fully paid and nonassessable such number of one one-thousandths of a share of Preferred Stock at such adjusted Purchase Price.

(l) In any case in which this Section 11 shall require that an adjustment in the Purchase Price be made effective as of a record date for a specified event, the Company may elect to defer until the occurrence of such event the issuance to the holder of any Right exercised after such record date the number of one one-thousandths of a share of Preferred Stock or other capital stock or securities of the Company, if any, issuable upon such exercise over and above the number of one one-thousandths of a share of Preferred Stock or other capital stock or securities of the Company, if any, issuable upon such exercise on the basis of the Purchase Price in effect prior to such adjustment; *provided* that the Company shall deliver to such holder a due bill or other appropriate instrument evidencing such holder's right to receive such additional shares or securities upon the occurrence of the event requiring such adjustment.

(m) Anything in this Section 11 to the contrary notwithstanding, the Company shall be entitled to make such adjustments in the Purchase Price, in addition to those adjustments expressly required by this Section 11, as and to the extent that it, in its sole discretion, shall determine to be advisable in order that any consolidation or subdivision of the Preferred Stock, issuance wholly for cash of any Preferred Stock at less than the current market price, issuance wholly for cash of Preferred Stock or securities that by their terms are convertible into or exercisable for Preferred Stock, dividends on Preferred Stock payable in Preferred Stock or issuance of rights, options or warrants referred to in this Section 11, hereafter made by the Company to the holders of its Preferred Stock, shall not be taxable to such holders.

(n) The Company covenants and agrees that after the Distribution Date, it will not, except as permitted by Sections 23, 24 and 27, take (or permit any Subsidiary to take) any action if at the time such action is taken it is reasonably foreseeable that such action will substantially diminish or otherwise eliminate the benefits intended to be afforded by the Rights.

(o) Notwithstanding anything in this Agreement to the contrary, if at any time after the date hereof and prior to the Distribution Date the Company shall (i) pay a dividend on the outstanding shares of Common Stock payable in shares of Common Stock, (ii) subdivide the outstanding Common Stock into a larger number of shares or (iii) combine the outstanding Common Stock into a smaller number of shares, the number of Rights associated with each share of Common Stock then outstanding, or issued or delivered thereafter as contemplated by Section 3(c), shall be proportionately adjusted so that the number of Rights thereafter associated with each share of Common Stock following any such event shall equal the result obtained by

multiplying the number of Rights associated with each share of Common Stock immediately prior to such event by a fraction the numerator of which shall be the total number of shares of Common Stock outstanding immediately prior to the occurrence of the event and the denominator of which shall be the total number of shares of Common Stock outstanding immediately following the occurrence of such event.

SECTION 12. Certificate of Adjusted Purchase Price or Number of Shares. Whenever an adjustment is made as provided in Sections 11 and 13, the Company shall (a) promptly prepare a certificate setting forth such adjustment and a brief statement of the facts accounting for such adjustment, (b) promptly file with the Rights Agent and with each transfer agent for the Preferred Stock and the Common Stock a copy of such certificate and (c) mail a brief summary thereof to each holder of a Right (or, if prior to the Distribution Date, to each holder of shares of Common Stock) in the manner set forth in Section 26. The Rights Agent shall be fully protected in relying on any such certificate and on any adjustment therein contained.

SECTION 13. Consolidation, Merger or Sale or Transfer of Assets or Earning Power. (a) If, after the occurrence of a Section 11(a)(ii) Event, directly or indirectly,

(x) the Company shall consolidate with, merge into, or otherwise combine with, any other Person, and the Company shall not be the continuing or surviving corporation of such consolidation, merger or combination;

(y) any Person shall merge into, or otherwise combine with, the Company, and the Company shall be the continuing or surviving corporation of such merger or combination and, in connection with such merger or combination, all or part of the outstanding shares of Common Stock shall be changed into or exchanged for other stock or securities of the Company or any other Person, cash or any other property; or

(z) the Company or one or more of its Subsidiaries shall sell or otherwise transfer, in one transaction or a series of related transactions, assets or earning power aggregating more than 50% of the assets or earning power of the Company and its Subsidiaries, taken as a whole, to any other Person or Persons (other than the Company or one or more wholly owned Subsidiaries of the Company),

then, and in each such case, proper provision shall promptly be made so that,

(i) each holder of a Right (except as otherwise provided herein, including pursuant to Section 7(d)) shall thereafter be entitled to receive, upon exercise thereof at the Purchase Price in effect immediately before the first occurrence of any Triggering Event, such number of duly authorized, validly issued, fully paid and nonassessable shares of freely tradable Common Stock of the Principal Party, not subject to any rights of call or first refusal, liens, encumbrances or other claims, as shall be equal to the result obtained by dividing:

(A) the product obtained by multiplying the Purchase Price in effect immediately before the first occurrence of any Triggering Event by the number of one one-thousandths of a share of Preferred Stock for which a Right was exercisable immediately before the occurrence of any Triggering Event (such product being thereafter referred to as the “Purchase Price” for each Right and for all purposes of this Agreement), by

(B) 50% of the current market price (determined pursuant to Section 11(d)(i)) per share of the Common Stock of such Principal Party on the date of consummation of such consolidation, merger, combination, sale or transfer;

(ii) the Principal Party shall thereafter be liable for, and shall assume, by virtue of such consolidation, merger, combination, sale or transfer, all the obligations and duties of the Company pursuant to this Agreement;

(iii) the term “Company” shall thereafter be deemed to refer to such Principal Party (except for purposes of the definition of “Common Stock” herein), it being specifically intended that the provisions of Section 11 shall apply only to such Principal Party following the first occurrence of a Section 13 Event; and

(iv) such Principal Party shall take such steps (including the authorization and reservation of a sufficient number of shares of its Common Stock to permit exercise of all outstanding Rights in accordance with this Section 13(a)) in connection with the consummation of any such transaction as may be necessary to assure that the provisions hereof shall thereafter be applicable, as nearly as reasonably may be, in relation to the shares of its Common Stock thereafter deliverable upon the exercise of the Rights.

(b) “Principal Party” means,

(i) in the case of any transaction described in Sections 13(a)(x) or (y), (1) the Person that is the issuer of the securities into which the shares of Common Stock are converted in such merger or consolidation, or, if there is more than one such issuer, the issuer of the shares of Common Stock of which have the greatest aggregate market value of shares outstanding, or (2) if no securities are so issued, (x) the Person that is the other party to the merger, if such Person survives said merger, or, if there is more than one such Person, the Person the Common Stock of which has the greatest aggregate market value of shares outstanding or (y) if the Person that is the other party to the merger does not survive the merger, the Person that does survive the merger (including the Company if it survives) or (z) the Person resulting from the consolidation; and

(ii) in the case of any transaction described in Section 13(a)(z), the Person that is the party receiving the greatest portion of the assets or earning power transferred pursuant to such transaction or transactions, or, if each Person that is a party to such transaction or transactions receives the same portion of the assets or earning power so transferred or if the Person receiving the greatest portion of the assets or earning power cannot be determined, whichever of such Persons is the issuer of Common Stock having the greatest aggregate market value of shares outstanding;

provided that in any such case, (A) if the Common Stock of such Person is not at such time and has not been continuously over the preceding 12-month period registered under Section 12 of the Exchange Act, and such Person is a direct or indirect Subsidiary of another Person the Common Stock of which is and has been so registered, "Principal Party" shall refer to such other Person; (B) if such Person is a Subsidiary, directly or indirectly, of more than one Person, the Common Stocks of two or more of which are and have been so registered, "Principal Party" shall refer to whichever of such Persons is the issuer of the Common Stock having the greatest aggregate market value; or (C) if such Person is owned, directly or indirectly, by a joint venture formed by two or more Persons that are not owned, directly or indirectly, by the same Person, the rules set forth in clauses (A) and (B) above shall apply to each of the owners having an interest in the venture as if the Person owned by the joint venture was a Subsidiary of both or all of such joint venturers, and the Principal Party in each such case shall bear the obligations set forth in this Section 13 in the same ratio as its interest in such Person bears to the total of such interests.

(c) The Company shall not consummate any such consolidation, merger, combination, sale or transfer unless the Principal Party shall have a sufficient number of authorized shares of its Common Stock that are not outstanding or otherwise reserved for issuance to permit the exercise in full of the Rights in accordance with this Section 13 and unless prior thereto the Company and such Principal Party shall have executed and delivered to the Rights Agent a supplemental agreement providing for the terms set forth in Sections 13(a) and 13(b) and providing that, as soon as practicable after the date of any consolidation, merger, combination, sale or transfer mentioned in Section 13(a), the Principal Party, at its own expense, shall:

(i) prepare and file a registration statement under the Securities Act with respect to the Rights and the securities issuable upon exercise of the Rights, and will use its best efforts to cause such registration statement (A) to become effective as soon as practicable after such filing and (B) to remain effective (with a prospectus at all times meeting the requirements of the Securities Act) until the Expiration Date; and

(ii) deliver to holders of the Rights historical financial statements for the Principal Party and each of its Affiliates that comply in all respects with the requirements for registration on Form 10 under the Exchange Act.

The Company covenants and agrees that it shall not enter into any transaction similar to a Section 13 Event if at the time of or immediately after such consolidation, merger, sale, transfer or other transaction there are any rights, warrants or other instruments or securities outstanding or agreements in effect that would substantially diminish or otherwise eliminate the benefits intended to be afforded by the Rights.

(d) The provisions of this Section 13 shall similarly apply to successive mergers, consolidations, combinations, sales or other transfers. If any Section 13 Event shall occur at any time after the occurrence of a Section 11(a)(ii) Event, the Rights that have not theretofore been exercised shall thereafter become exercisable in the manner described in Section 13(a).

SECTION 14. Fractional Rights and Fractional Shares.

(a) The Company shall not be required to issue fractions of Rights, except prior to the Distribution Date as provided in Section 11(o), or to distribute Right Certificates that evidence fractional Rights. In lieu of any such fractional Rights, the Company shall pay to the registered holders of the Rights with regard to which such fractional Rights would otherwise be issuable an amount in cash equal to the same fraction of the current market price of a whole Right. For purposes of this Section 14(a), the current market price of a whole Right shall be the closing price of a Right for the Trading Day immediately prior to the date on which such fractional Rights would otherwise have been issuable. The closing price of a Right for any day shall be the last sale price, regular way, or, in case no such sale takes place on such day, the average of the closing bid and asked prices, regular way, in either case as reported in the principal consolidated transaction reporting system with respect to securities listed or admitted to trading on the New York Stock Exchange or, if the Rights are not listed or admitted to trading on the New York Stock Exchange, on the principal national securities exchange on which the Rights are listed or admitted to trading or, if the Rights are not listed or admitted to trading on any national securities exchange, the last quoted price, or, if not so quoted, the average of the high bid and low asked prices in the over-the-counter market, as reported by NASDAQ or such other system then in use or, if on any such date the Rights are not quoted by any such organization, the average of the closing bid and asked prices as furnished by a professional market maker making a market in the Rights selected by the Board of Directors. If on any such date no such market maker is making a market in the Rights, the current market price of the Rights on such date shall be as determined in good faith by the Board of Directors, or, if at the time of such determination there is an Acquiring Person, by a nationally recognized investment banking firm selected by the Board of Directors, which determination shall be described in a statement filed with the Rights Agent and shall be conclusive for all purposes.

(b) The Company shall not be required to issue fractions of shares of Preferred Stock (other than fractions that are multiples of one one-thousandths of a share of Preferred Stock) upon exercise of the Rights or to distribute certificates that evidence fractional shares of Preferred Stock (other than fractions that are multiples of one one-thousandth of a share of Preferred Stock). Fractions of shares of Preferred Stock in multiples of one one-thousandth of a share of Preferred Stock may, at the election of the Company, be evidenced by depositary receipts; *provided, however*, that holders of such depositary receipts shall have all of the designations and the powers, preferences and rights, and the qualifications, limitations and restrictions to which they are entitled as beneficial owners of the Preferred Stock represented by such depositary receipts. In lieu of any such fractional shares that are not multiples of one one-thousandth of a share of Preferred Stock, the Company shall pay to the registered holders of Rights at the time such Rights are exercised as herein provided an amount in cash equal to the same fraction of the current market price of one one-thousandth of a share of Preferred Stock. For purposes of this Section 14(b), the current market price of one one-thousandth of a share of Preferred Stock shall be one one-thousandth of the closing price of a share of Preferred Stock (as determined pursuant to Section 11(d)(ii)) for the Trading Day immediately prior to the date of such exercise.

(c) Following the occurrence of any Triggering Event or upon any exchange pursuant to Section 24, the Company shall not be required to issue fractions of shares of Common Stock upon exercise of the Rights or to distribute certificates that evidence fractional shares of Common Stock. In lieu of fractional shares of Common Stock, the Company shall pay to the registered holders of Rights at the time such Rights are exercised or exchanged as herein provided an amount in cash equal to the same fraction of the current market price of a share of Common Stock. For purposes of this Section 14(c), the current market price of a share of Common Stock shall be the closing price of a share of Common Stock (as determined pursuant to Section 11(d)(i)) for the Trading Day immediately prior to the date of such exercise or exchange.

(d) The holder of a Right by the acceptance of the Right expressly waives his right to receive any fractional Rights or any fractional shares of Preferred Stock or Common Stock upon exercise of a Right except as permitted by this Section 14.

SECTION 15. Rights of Action. All rights of action in respect of this Agreement, other than rights of action vested in the Rights Agent under Sections 18 and 20, are vested in the respective registered holders of the Rights (and, prior to the Distribution Date, the registered holders of shares of Common Stock); and any registered holder of any Rights (or, prior to the Distribution Date, of any shares of Common Stock), without the consent of the Rights Agent or of the holder of any other Right (or, prior to the Distribution Date, of any shares of Common Stock), may, in his own behalf and for his own benefit, enforce, and may institute and maintain any suit, action or proceeding against the Company to enforce, or otherwise act in respect of, his right to exercise the Rights evidenced by such Right Certificate in the manner provided in such Right Certificate and in this Agreement. Without limiting the foregoing or any remedies available to the holders of Rights, it is specifically acknowledged that the holders of Rights would not have an adequate remedy at law for any breach of this Agreement and will be entitled to specific performance of the obligations under, and injunctive relief against actual or threatened violations of the obligations of, any Person subject to this Agreement. Notwithstanding anything in this Agreement to the contrary, neither the Company nor the Rights Agent shall have any liability to any holder of a Right or other Person as a result of the Company's or the Rights Agent's inability to perform any of its obligations under this Agreement by reason of any preliminary or permanent injunction or other order, judgment decree or ruling (whether interlocutory or final) issued by a court of competent jurisdiction or by a governmental, regulatory, self-regulatory or administrative agency or commission, or any statute, rule, regulation or executive order promulgated or enacted by any governmental authority, prohibiting or otherwise restraining performance of such obligation.

SECTION 16. Agreement of Right Holders. Every holder of a Right by accepting the same consents and agrees with the Company and the Rights Agent and with every other holder of a Right that:

(a) prior to the Distribution Date, the Rights will be transferable only in connection with the transfer of Common Stock;

(b) as of and after the Distribution Date, the Rights are transferable only on the registry books of the Rights Agent upon surrender of the Rights Certificate (or the effectuation of a book-entry transfer of uncertificated Rights, if any) at the principal office or offices of the Rights Agent designated for such purposes, duly endorsed or accompanied by a proper instrument of transfer and with the appropriate forms and certificates fully executed;

(c) subject to Sections 6 and 7, the Company and the Rights Agent may deem and treat the Person in whose name a Right (or, prior to the Distribution Date, the associated Common Stock certificate or uncertificated share of Common Stock) is registered as the absolute owner thereof and of the Right Certificate evidencing such Right (notwithstanding any notations of ownership or writing on the Right Certificate or the certificate representing shares of Common Stock made by anyone other than the Company or the Rights Agent) for all purposes whatsoever, and neither the Company nor the Rights Agent, subject to the last sentence of Section 7(d), shall be affected by any notice to the contrary; and

(d) notwithstanding anything in this Agreement to the contrary, neither the Company nor the Rights Agent shall have any liability to any holder of a Right or other Person as a result of its inability to perform any of its obligations under this Agreement by reason of any preliminary or permanent injunction or other order, decree or ruling issued by a court of competent jurisdiction or by a governmental, regulatory or administrative agency or commission, or any statute, rule, regulation or executive order promulgated or enacted by any governmental authority prohibiting or otherwise restraining performance of such obligation; *provided* that the Company must use its best efforts to have any such order, decree or ruling lifted or otherwise overturned as soon as possible.

SECTION 17. Right Holder Not Deemed a Stockholder. No holder, as such, of any Right shall be entitled to vote, receive dividends or be deemed for any purpose the holder of the shares of capital stock or other securities of the Company that may at any time be issuable on the exercise of such Rights, nor shall anything contained herein or in any Right Certificate be construed to confer upon the holder of any Right, as such, any of the rights of a stockholder of the Company or any right to vote for the election of directors or upon any matter submitted to stockholders at any meeting thereof, or to give or withhold consent to any corporate action, or to receive notice of meetings or other actions affecting stockholders (except as provided in Section 26), or to receive dividends or subscription rights, or otherwise, until such Rights shall have been exercised in accordance with the provisions hereof and then only to the extent otherwise entitled thereto.

SECTION 18. Concerning the Rights Agent.

(a) The Company agrees to pay to the Rights Agent reasonable compensation for all services rendered by it hereunder and, from time to time, on demand of the Rights Agent, its reasonable expenses and counsel fees and other disbursements incurred in the execution or administration of this Agreement and the exercise and performance of its duties hereunder. The Company also agrees to indemnify the Rights Agent for, and to hold it harmless against, any loss, liability or expense, incurred without gross negligence, bad faith or willful misconduct on the part of the Rights Agent, for anything done or omitted by the Rights Agent in connection with the administration of this Agreement or the exercise or performance of its duties hereunder, including the costs and expenses of defending against any claim of liability.

(b) The Rights Agent shall be protected and shall incur no liability for or in respect of any action taken, suffered or omitted by it in connection with the administration of this Agreement or the exercise or performance of its duties hereunder in reliance upon any Right Certificate or certificate for Common Stock or for other securities of the Company, instrument of assignment or transfer, power of attorney, endorsement, affidavit, letter, notice, instruction, direction, consent, certificate, statement, or other paper or document believed by it to be genuine and to be signed, executed and, where necessary, verified or acknowledged, by the proper Person or Persons.

SECTION 19. Merger or Consolidation or Change of Name of Rights Agent.

(a) Any Person into which the Rights Agent or any successor Rights Agent may be merged or with which it may be consolidated, or any Person resulting from any merger or consolidation to which the Rights Agent or any successor Rights Agent shall be a party, or any Person succeeding to the corporate trust or stock transfer business of the Rights Agent or any successor Rights Agent, shall be the successor to the Rights Agent, under this Agreement without the execution or filing of any paper or any further act on the part of any of the parties hereto; *provided* that such Person would be eligible for appointment as a successor Rights Agent under the provisions of Section 21. If at the time such successor Rights Agent shall succeed to the agency created by this Agreement, any of the Right Certificates shall have been countersigned but not delivered, any such successor Rights Agent may adopt the countersignature of a predecessor Rights Agent and deliver such Right Certificates so countersigned; and if at that time any of the Right Certificates shall not have been countersigned, any successor Rights Agent may countersign such Right Certificates either in the name of the predecessor Rights Agent or in the name of the successor Rights Agent; and in all such cases such Right Certificates shall have the full force provided in the Right Certificates and in this Agreement.

(b) If at any time the name of the Rights Agent shall be changed and at such time any of the Right Certificates shall have been countersigned but not delivered, the Rights Agent may adopt the countersignature under its prior name and deliver Right Certificates so countersigned; and if at that time any of the Right Certificates shall not have been countersigned, the Rights Agent may countersign such Right Certificates either in its prior name or in its changed name; and in all such cases such Right Certificates shall have the full force provided in the Right Certificates and in this Agreement.

SECTION 20. Duties of Rights Agent. The Rights Agent undertakes the duties and obligations imposed by this Agreement upon the following terms and conditions, by all of which the Company and the holders of Rights, by their acceptance thereof, shall be bound:

(a) The Rights Agent may consult with legal counsel (who may be legal counsel for the Company), and the opinion of such counsel shall be full and complete authorization and protection to the Rights Agent as to any action taken or omitted by it in good faith and in accordance with such opinion.

(b) Whenever in the performance of its duties under this Agreement the Rights Agent shall deem it necessary or desirable that any fact or matter (including the identity of any Acquiring Person and the determination of the current market price of any security) be proved or established by the Company prior to taking, suffering or omitting

to take any action hereunder, such fact or matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a certificate signed by the Chairman, Chief Executive Officer, President, any Vice President, Treasurer, Chief Financial Officer, Secretary or any Assistant Secretary of the Company and delivered to the Rights Agent; and such certificate shall be full authorization to the Rights Agent for any action taken, suffered or omitted in good faith by it under the provisions of this Agreement in reliance upon such certificate.

(c) The Rights Agent shall be liable hereunder only for its own gross negligence, bad faith or willful misconduct.

(d) The Rights Agent shall not be liable for or by reason of any of the statements of fact or recitals contained in this Agreement or in the Right Certificates (except its countersignature thereof) or be required to verify the same, but all such statements and recitals are and shall be deemed to have been made by the Company only.

(e) The Rights Agent shall not be under any responsibility in respect of the validity of this Agreement or the execution and delivery hereof (except the due execution hereof by the Rights Agent) or in respect of the validity or execution of any Right Certificate (except its countersignature thereof); nor shall it be responsible for any breach by the Company of any covenant or condition contained in this Agreement or in any Right Certificate; nor shall it be responsible for any change in the exercisability of the Rights (including the Rights becoming null and void pursuant to Section 7(d)) or any adjustment in the terms of the Rights (including the manner, method or amount thereof) provided for in Sections 3, 11, 13, 23 or 24, or the ascertaining of the existence of facts that would require any such adjustment (except with respect to the exercise of Rights evidenced by Right Certificates after actual notice of any such adjustment); nor shall it by any act hereunder be deemed to make any representation or warranty as to the authorization or reservation of any shares of Common Stock or Preferred Stock to be issued pursuant to this Agreement or any Right Certificate or as to whether any shares of Common Stock or Preferred Stock will, when issued, be duly authorized, validly issued, fully paid and nonassessable.

(f) The Company agrees that it will perform, execute, acknowledge and deliver or cause to be performed, executed, acknowledged and delivered all such further and other acts, instruments and assurances as may reasonably be required by the Rights Agent for the carrying out or performing by the Rights Agent of the provisions of this Agreement.

(g) The Rights Agent is hereby authorized and directed to accept instructions with respect to the performance of its duties hereunder from the Chairman, Chief Executive Officer, President, any Vice President, Treasurer, Chief Financial Officer, Secretary or any Assistant Secretary of the Company, and to apply to such officers for advice or instructions in connection with its duties, and it shall not be liable for any action taken, suffered or omitted to be taken by it in good faith in accordance with instructions of any such officer.

(h) The Rights Agent and any stockholder, director, officer or employee of the Rights Agent may buy, sell or deal in any of the Rights or other securities of the Company or become pecuniarily interested in any transaction in which the Company may be interested, or contract with or lend money to the Company or otherwise act as fully and freely as though it were not the Rights Agent under this Agreement. Nothing herein shall preclude the Rights Agent from acting in any other capacity for the Company or for any other Person.

(i) The Rights Agent may execute and exercise any of the rights or powers hereby vested in it or perform any duty hereunder either itself or by or through its attorneys or agents, and the Rights Agent shall not be answerable or accountable for any act, default, neglect or misconduct of any such attorneys or agents or for any loss to the Company or to any holders of Rights resulting from any such act, default, neglect or misconduct; *provided* that reasonable care was exercised in the selection and continued employment thereof.

(j) No provision of this Agreement shall require the Rights Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of its rights if there shall be reasonable grounds for believing that repayment of such funds or adequate indemnification against such risk or liability is not reasonably assured to it.

(k) If, with respect to any Right Certificate surrendered to the Rights Agent for exercise or transfer, the certificate attached to the form of assignment or form of election to purchase, as the cases may be, has either not been completed or indicates an affirmative response to clause 1 or 2 thereof, the Rights Agent shall not take any further action with respect to such requested exercise or transfer without first consulting with the Company.

SECTION 21. Change of Rights Agent. The Rights Agent or any successor Rights Agent may resign and be discharged from its duties under this Agreement upon 30 days' notice in writing to the Company pursuant to the requirements of Section 26 and to each transfer agent of the Common Stock and Preferred Stock by registered or certified mail, and, subsequent to the Distribution Date, to the holders of the Rights by first-class mail. The Company may remove the Rights Agent or any successor Rights Agent upon 30 days' notice in writing pursuant to the requirements of Section 26 and to each transfer agent of the Common Stock and Preferred Stock by registered or certified mail, and, subsequent to the Distribution Date, to the holders of the Rights by first-class mail. If the Rights Agent shall resign or be removed or shall otherwise become incapable of acting, the Company shall appoint a successor to the Rights Agent. If the Company shall fail to make such appointment within 30 days after giving notice of such removal or after it has been notified in writing of such resignation or incapacity by the resigning or incapacitated Rights Agent or by the holder of a Right (who shall, with such notice, submit his Right Certificate or evidence of uncertificated Rights, as applicable, for inspection by the Company), then the registered holder of any Right may apply to any court of competent jurisdiction for the appointment of a new Rights Agent. Any successor Rights Agent, whether appointed by the Company or by such a court, shall be (a) a Person organized and doing business under the laws of the United States or of any state of the United States, in good standing, having

a principal office in the State of New York, that is authorized under such laws to exercise stock transfer or corporate trust powers and is subject to supervision or examination by federal or state authority and that has at the time of its appointment as Rights Agent a combined capital and surplus of at least \$50,000,000 or (b) an Affiliate of such Person. After appointment, the successor Rights Agent shall be vested with the same powers, rights, duties and responsibilities as if it had been originally named as Rights Agent without further act or deed. The predecessor Rights Agent shall deliver and transfer to the successor Rights Agent any property at the time held by it hereunder, and execute and deliver any further assurance, conveyance, act or deed necessary for the purpose. Not later than the effective date of any such appointment, the Company shall file notice thereof in writing with the predecessor Rights Agent and each transfer agent of the Common Stock and the Preferred Stock, and, subsequent to the Distribution Date, mail a notice thereof in writing to the registered holders of the Rights. Failure to give any notice provided for in this Section 21, or any defect therein, shall not affect the legality or validity of the resignation or removal of the Rights Agent or the appointment of the successor Rights Agent, as the case may be.

SECTION 22. Issuance of New Right Certificates. Notwithstanding any of the provisions of this Agreement or of the Rights to the contrary, the Company may, at its option, issue from time to time new Right Certificates evidencing Rights in such form as may be approved by its Board of Directors to reflect any adjustment or change in the Purchase Price and the number or kind or class of shares of stock issuable upon exercise of the Rights made in accordance with the provisions of this Agreement.

SECTION 23. Redemption.

(a) At any time before the occurrence of a Section 11(a)(ii) Event, the Board of Directors may, at its option, redeem all but not less than all of the then outstanding Rights at a redemption price of \$0.001 per Right, as such amount may be appropriately adjusted to reflect any stock split, stock dividend or similar transaction occurring in respect of the Common Stock after the date hereof (such redemption price being hereinafter referred to as the "Redemption Price"). Such redemption of the Rights may be made effective at such time, on such basis and with such conditions, if any, as the Board of Directors of the Company in its sole discretion may establish. The Redemption Price shall be payable, at the option of the Company, in cash, shares of Common Stock or such other form of consideration as the Board of Directors of the Company shall determine.

(b) Immediately upon the effectiveness of a redemption of Rights pursuant to Section 23(a) and without any further action and without any notice, the right to exercise the Rights will terminate and thereafter the only right of the holders of Rights shall be to receive the Redemption Price for each Right so held. The Company shall promptly thereafter give notice of such redemption to the Rights Agent and the holders of the Rights in the manner set forth in Section 26; *provided* that the failure to give, or any defect in, such notice shall not affect the validity of such redemption. Any notice that is mailed in the manner herein provided shall be deemed given, whether or not the holder receives the notice. Each such notice of redemption will state the method by which the payment of the Redemption Price will be made. Neither the Company nor any of its Affiliates or Associates may redeem, acquire, exchange or purchase for value any Rights at any time in any manner other than that specifically set forth in Sections 23 or 24, and other than in connection with the purchase, acquisition or redemption of shares of Common Stock prior to the Distribution Date.

SECTION 24. Exchange.

(a) At any time on or after the occurrence of a Section 11(a)(ii) Event, the Board of Directors may, at its option, exchange all or part of the then outstanding and exercisable Rights (which shall not include Rights that have become null and void pursuant to Section 7(d)) for shares of Common Stock at an exchange ratio of one share of Common Stock per Right, appropriately adjusted to reflect any stock split, stock dividend or similar transaction occurring after the date hereof (such exchange ratio being hereinafter referred to as the “Exchange Ratio”). Notwithstanding the foregoing, the Board of Directors shall not be empowered to effect such exchange at any time after an Acquiring Person becomes the beneficial owner of more than 50% of the shares of Common Stock then outstanding. The exchange of the Rights by the Board of Directors may be made effective at such time, on such basis and with such conditions as the Board of Directors in its sole discretion may establish. Without limiting the preceding sentence, the Board of Directors may (i) in lieu of issuing shares of Common Stock or any other securities contemplated by this Section 24 to the Persons entitled thereto in connection with the exchange (such Persons, the “Exchange Recipients,” and such shares and other securities, together with any dividends or distributions made on such shares or other securities, the “Exchange Property”), issue, transfer or deposit the Exchange Property to or into a trust or other entity that may hold such Exchange Property for the benefit of the Exchange Recipients (*provided* that such trust or other entity may not be controlled by the Company or any of its Affiliates or Associates, and *provided further* that the trustee or similar fiduciary of the trust or other entity shall attempt to distribute the Exchange Property to the Exchange Recipients as promptly as practicable), (ii) permit such trust or other entity to exercise all of the rights that a stockholder of record would possess with respect to any shares deposited in such trust or entity and (iii) impose such procedures as are necessary to verify that the Exchange Recipients are not Acquiring Persons or Affiliates or Associates of Acquiring Persons as of any time periods established by the Board of Directors or such trust or entity. In the event the Board of Directors determines, before the Distribution Date, to effect an exchange, the Board of Directors may delay the occurrence of the Distribution Date to such time as the Board of Directors deems advisable; *provided* that the Distribution Date must occur no later than 20 days after the Stock Acquisition Date.

(b) Immediately upon the effectiveness of the action of the Board of Directors ordering an exchange of any Rights pursuant to Section 24(a) and without any further action and without any notice, the right to exercise such Rights will terminate and thereafter the only right of a holder of such Rights shall be to receive that number of shares of Common Stock (or such other consideration contemplated by Section 24(c) below) equal to the number of such Rights held by such holder multiplied by the Exchange Ratio. The Company shall promptly thereafter give notice of such exchange to the Rights Agent and the holders of the Rights to be exchanged in the manner set forth in Section 26; *provided* that the failure to give, or any defect in, such notice shall not affect the validity of such exchange. Any notice that is mailed in the manner herein provided shall be deemed given, whether or not the holder receives the notice. Each such notice of exchange will state the method by which the exchange of the shares of Common Stock (or such other consideration) for Rights will be effected and, in the event of any partial exchange, the number of Rights that will be exchanged. Any partial exchange shall be effected pro rata based on the number of Rights (other than Rights that have become null and void pursuant to Section 7(d)) held by each holder of Rights.

(c) In any exchange pursuant to this Section 24, the Company, at its option, may substitute (i) common stock equivalents (as defined in Section 11(a)(iii)(B)) for shares of Common Stock exchangeable for Rights, at the initial rate of one common stock equivalent for each share of Common Stock, as appropriately adjusted to reflect adjustments in dividend, liquidation and voting rights of common stock equivalents pursuant to the terms thereof, so that each common stock equivalent delivered in lieu of each share of Common Stock shall have essentially the same dividend, liquidation and voting rights as one share of Common Stock or (ii) other equity securities of the Company having an aggregate value equal to the value of the Common Stock that otherwise would have been issuable pursuant to Section 24(a). For purposes of this Section 24(c), the value of a share of Common Stock shall be determined pursuant to Section 11(d)(iii).

SECTION 25. Notice of Proposed Actions.

(a) If the Company shall propose, at any time after the Distribution Date, (i) to pay any dividend payable in stock of any class to the holders of Preferred Stock or to make any other distribution to the holders of Preferred Stock (other than a regular quarterly cash dividend), (ii) to offer to the holders of its Preferred Stock rights or warrants to subscribe for or to purchase any additional shares of Preferred Stock or shares of stock of any class or any other securities, rights or options, (iii) to effect any reclassification of its Preferred Stock (other than a reclassification involving only the subdivision or combination of outstanding shares of Preferred Stock), (iv) to effect any consolidation or merger with any other Person, or to effect or to permit one or more of its Subsidiaries to effect any sale or other transfer, in one transaction or a series of related transactions, of assets or earning power aggregating more than 50% of the assets or earning power of the Company and its Subsidiaries, taken as a whole, to any other Person or Persons, (v) to effect the liquidation, dissolution or winding up of the Company or (vi) to declare or pay any dividend on the Common Stock payable in Common Stock or to effect a subdivision, combination or consolidation of the Common Stock (by reclassification or otherwise than by payment of dividends in Common Stock), then, in each such case, the Company shall give to each holder of a Right, to the extent feasible and in accordance with Section 26, a notice of such proposed action, which shall specify the record date for the purposes of any such dividend, distribution or offering of rights or warrants, or the date on which any such reclassification, consolidation, merger, sale, transfer, liquidation, dissolution, winding up, subdivision, combination, consolidation or reclassification is to take place and the date of participation therein by the holders of Common Stock or Preferred Stock, if any such date is to be fixed, and such notice shall be so given in the case of any action covered by Section 25(a)(i) or 25(a)(ii) above at least 10 days prior to the record date for determining holders of the Preferred Stock entitled to participate in such dividend, distribution or offering, and in the case of any such other action, at least 10 days prior to the date of the taking of such proposed action or the date of participation therein by the holders of Common Stock or Preferred Stock, whichever shall be the earlier. The failure to give notice required by this Section 25 or any defect therein shall not affect the legality or validity of the action taken by the Company or the vote upon any such action.

(b) Notwithstanding anything in this Agreement to the contrary, prior to the Distribution Date, a public filing by the Company with the Securities and Exchange Commission shall constitute sufficient notice to the holders of securities of the Company, including the Rights, for purposes of this Agreement, and no other notice need be given to such holders.

(c) If a Triggering Event shall occur, then, in any such case, (i) the Company shall as soon as practicable thereafter give to each holder of a Right, in accordance with Section 26, a notice of the occurrence of such event, which shall specify the event and the consequences of the event to holders of Rights under Sections 11(a)(ii) or 13, as the case may be, and (ii) all references in Section 25(a) to Preferred Stock shall be deemed thereafter to refer to Common Stock or other capital stock, as the case may be.

SECTION 27. Supplements and Amendments. For so long as the Rights are redeemable, the Company may, and the Rights Agent shall, if the Company so directs, supplement or amend any provision of this Agreement in any respect without the approval of any holders of Rights. At any time when the Rights are no longer redeemable, the Company may, and the Rights Agent shall if the Company so directs, supplement or amend this Agreement without the approval of any holders of Rights; *provided* that no such supplement or amendment may (a) adversely affect the interests of the holders of Rights as such (other than an Acquiring Person or an Affiliate or Associate of an Acquiring Person or any other holder of Rights that have become null and void pursuant to Section 7(d)), (b) cause this Agreement again to become amendable other than in accordance with this sentence or (c) cause the Rights again to become redeemable. Upon the delivery of a certificate from an appropriate officer of the Company that states that the proposed supplement or amendment is in compliance with the terms of this Section 27, the Rights Agent shall execute such supplement or amendment.

SECTION 28. Successors. All the covenants and provisions of this Agreement by or for the benefit of the Company or the Rights Agent shall bind and inure to the benefit of their respective successors and assigns hereunder.

SECTION 29. Determinations and Actions by the Board of Directors, etc. The Board of Directors shall have the exclusive power and authority to administer this Agreement and to exercise all rights and powers specifically granted to the Board of Directors or to the Company, or as may be necessary or advisable in the administration of this Agreement, including the right and power to (a) interpret the provisions of this Agreement and (b) make all determinations deemed necessary or advisable for the administration of this Agreement (including a determination to redeem or exchange or not to redeem or exchange the Rights or to amend the Agreement). All such actions, calculations, interpretations and determinations (including, for purposes of clause (y) below, all omissions with respect to the foregoing) that are done or made by the Board of Directors in good faith shall (x) be final, conclusive and binding on the Company, the Rights Agent, the holders of the Rights and all other parties and (y) not subject the Board of Directors to any liability to the holders of the Common Stock or the Rights.

SECTION 30. Benefits of this Agreement. Nothing in this Agreement shall be construed to give to any Person other than the Company, the Rights Agent and the registered holders of the Rights (and, prior to the Distribution Date, the Common Stock) any legal or equitable right, remedy or claim under this Agreement. This Agreement shall be for the sole and exclusive benefit of the Company, the Rights Agent and the registered holders of the Rights (and, prior to the Distribution Date, the Common Stock).

SECTION 31. Interpretation. The words “hereof”, “herein” and “hereunder” and words of similar import, when used in this Agreement, refer to this Agreement as a whole and not to any particular provision of this Agreement. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. **FORM OF CERTIFICATE OF DESIGNATION
OF
SERIES A-1 JUNIOR PARTICIPATING PREFERRED STOCK
OF
MAGNACHIP SEMICONDUCTOR CORPORATION**

Pursuant to Section 151 of the General Corporation Law of the State of Delaware

Magnachip Semiconductor Corporation, a Delaware corporation (the "Company"), pursuant to the provisions of Sections 103 of the General Corporation Law of the State of Delaware, does hereby certify that pursuant to the authority vested in the Board of Directors of the Company (the "Board of Directors") by the Certificate of Incorporation of the Company, the Board of Directors on December 12, 2021, duly adopted the following resolution creating a series of 150,000 shares of Preferred Stock designated as "Series A-1 Junior Participating Preferred Stock":

RESOLVED, that pursuant to the authority vested in the Board of Directors of this Company in accordance with the provisions of its Certificate of Incorporation of the Company, a series of Preferred Stock of the Company be and it hereby is created, and that the designation and amount thereof and the voting powers, preferences and relative, participating, optional and other special rights of the shares of such series, and the qualifications, limitations or restrictions thereof are as follows:

1. Designation and Amount. The shares of such series shall be designated as "Series A-1 Junior Participating Preferred Stock" and the number of shares constituting such series shall be 150,000. Such number of shares may be increased or decreased by resolution of the Board of Directors; *provided, however*, that no decrease shall reduce the number of shares of Series A-1 Junior Participating Preferred Stock to less than the number of shares then issued and outstanding plus the number of shares issuable upon exercise of outstanding rights, options or warrants or upon conversion of outstanding securities issued by the Company.

2. Dividends and Distributions. (A) Subject to the prior and superior rights of the holders of any shares of any series of preferred stock ranking prior and superior to the Series A-1 Junior Participating Preferred Stock with respect to dividends, the holders of shares of Series A-1 Junior Participating Preferred Stock, in preference to the shares of Common Stock, par value \$0.01 per share, of the Company (the "Common Stock"), and any other stock of the Company junior to the Series A-1 Junior Participating Preferred Stock with respect to dividends, shall be entitled to receive, when, as and if declared by the Board of Directors out of funds legally available for the purpose, quarterly dividends payable in cash on March 15, June 15,

September 15 and December 15 in each year (each such date being referred to herein as a “Quarterly Dividend Payment Date”), commencing on the first Quarterly Dividend Payment Date after the first issuance of a share or fraction of a share of Series A-1 Junior Participating Preferred Stock, in an amount per share (rounded to the nearest cent) equal to, subject to the provision for adjustment hereinafter set forth, 1,000 times the aggregate per share amount of all cash dividends, and 1,000 times the aggregate per share amount (payable in kind) of all non-cash dividends or other distributions other than a dividend payable in shares of Common Stock or a subdivision of the outstanding shares of Common Stock (by reclassification or otherwise), declared on the Common Stock since the immediately preceding Quarterly Dividend Payment Date, or, with respect to the first Quarterly Dividend Payment Date, since the first issuance of any share or fraction of a share of Series A-1 Junior Participating Preferred Stock. If the Company shall at any time after December 13, 2021 (the “Rights Declaration Date”) (i) declare or pay any dividend on Common Stock payable in shares of Common Stock, (ii) subdivide the outstanding Common Stock into a larger number of shares, or (iii) combine the outstanding Common Stock into a smaller number of shares, then in each such case the amount to which holders of shares of Series A-1 Junior Participating Preferred Stock were entitled immediately prior to such shall be adjusted by multiplying such amount by a fraction the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

(B) The Company shall declare a dividend or distribution on the Series A-1 Junior Participating Preferred Stock as provided in Section 2(A) above immediately after it declares a dividend or distribution on the Common Stock (other than a dividend payable in shares of Common Stock).

(C) Dividends shall begin to accrue and be cumulative on outstanding shares of Series A-1 Junior Participating Preferred Stock from the Quarterly Dividend Payment Date next preceding the date of issue of such shares of Series A-1 Junior Participating Preferred Stock, unless the date of issue of such shares is prior to the record date for the first Quarterly Dividend Payment Date, in which case dividends on such shares shall begin to accrue from the date of issue of such shares, or unless the date of issue is a Quarterly Dividend Payment Date or is a date after the record date for the determination of holders of shares of Series A-1 Junior Participating Preferred Stock entitled to receive a quarterly dividend and before such Quarterly Dividend Payment Date, in either of which events such dividends shall begin to accrue and be cumulative from such Quarterly Dividend Payment Date. Accrued but unpaid dividends shall not bear interest. Dividends paid on the shares of Series A-1 Junior Participating Preferred Stock in an amount less than the total amount of such dividends at the time accrued and payable on such shares shall be allocated pro rata on a share-by-share basis among all such shares at the time outstanding. The Board of Directors may fix a record date for the determination of holders of shares of Series A-1 Junior Participating Preferred Stock entitled to receive payment of a dividend or distribution declared thereon, which record date shall be no more than 60 days prior to the date fixed for the payment thereof.

3. Voting Rights. In addition to any other voting rights required by law, the holders of shares of Series A-1 Junior Participating Preferred Stock shall have only the following voting rights:

(A) Subject to the provision for adjustment hereinafter set forth, each share of Series A-1 Junior Participating Preferred Stock shall entitle the holder thereof to 1,000 votes on all matters submitted to a vote of the stockholders of the Company, and each fractional share of Series A-1 Junior Participating Preferred Stock shall entitle the holder thereof to a pro rata fractional vote. If the Company shall at any time after the Rights Declaration Date (i) declare any dividend on Common Stock payable in shares of Common Stock, (ii) subdivide the outstanding Common Stock into a larger number of shares or (iii) combine the outstanding Common Stock into a smaller number of shares, then in each such case the number of votes per share to which holders of shares of Series A-1 Junior Participating Preferred Stock were entitled immediately prior to such event shall be adjusted by multiplying such number by a fraction the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

(B) Subject to Section 10 and except as otherwise provided herein or by law, the holders of shares of Series A-1 Junior Participating Preferred Stock and the holders of shares of Common Stock shall vote together as one class on all matters submitted to a vote of stockholders of the Company.

(C) Except as set forth herein, holders of Series A-1 Junior Participating Preferred Stock shall have no special voting rights and their consent shall not be required (except to the extent they are entitled to vote with holders of Common Stock as set forth herein) for taking any corporate action.

4. Certain Restrictions. (A) Whenever quarterly dividends or other dividends or distributions payable on the Series A-1 Junior Participating Preferred Stock as provided in Section 2 are in arrears, thereafter and until all accrued and unpaid dividends and distributions, whether or not declared, on shares of Series A-1 Junior Participating Preferred Stock outstanding shall have been paid in full or set aside for payment, the Company shall not:

(i) declare or pay dividends on, make any other distributions on, or redeem or purchase or otherwise acquire for consideration any shares of stock ranking junior (either as to dividends or upon liquidation, dissolution or winding up) to the Series A-1 Junior Participating Preferred Stock;

(ii) declare or pay dividends on or make any other distributions on any shares of stock ranking on a parity (either as to dividends or upon liquidation, dissolution or winding up) with the Series A-1 Junior Participating Preferred Stock, except dividends paid ratably on the Series A-1 Junior Participating Preferred Stock and all such parity stock on which dividends are payable or in arrears in proportion to the total amounts to which the holders of all such shares are then entitled;

(iii) redeem or purchase or otherwise acquire for consideration shares of any stock ranking on a parity (either as to dividends or upon liquidation, dissolution or winding up) with the Series A-1 Junior Participating Preferred Stock; *provided* that the Company may at any time redeem, purchase or otherwise acquire shares of any such parity stock (a) in exchange for shares of any stock of the Company ranking junior (either as to dividends or upon dissolution, liquidation or winding up) to the Series A-1 Junior Participating Preferred Stock or (b) held by employees of the Company or a subsidiary of the Company upon the termination of their employment with the Company or a subsidiary of the Company; or

(iv) purchase or otherwise acquire for consideration any shares of Series A-1 Junior Participating Preferred Stock, or any shares of stock ranking on a parity with the Series A-1 Junior Participating Preferred Stock, except in accordance with a purchase offer made in writing or by publication (as determined by the Board of Directors) to all holders of such shares upon such terms as the Board of Directors, after consideration of the respective annual dividend rates and other relative rights and preferences of the respective series and classes, shall determine in good faith will result in fair and equitable treatment among the respective series or classes.

(B) The Company shall not permit any subsidiary of the Company to purchase or otherwise acquire for consideration any shares of stock of the Company unless the Company could, under Section 4(A), purchase or otherwise acquire such shares at such time and in such manner.

5. Reacquired Shares. Any shares of Series A-1 Junior Participating Preferred Stock purchased or otherwise acquired by the Company in any manner whatsoever shall be cancelled promptly after the acquisition thereof and may not be reissued as shares of such series. The Company shall thereafter take all such action as may be necessary to retire such shares, whereupon such shares shall become authorized but unissued shares of Preferred Stock that may be reissued as part of a new series of Preferred Stock to be created by resolution or resolutions of the Board of Directors, subject to the conditions and restrictions on issuance set forth in the Certificate of Incorporation of the Company.

6. Liquidation, Dissolution or Winding Up. (A) Upon any liquidation (voluntary or otherwise), dissolution or winding up of the Company, no distribution shall be made to the holders of shares of stock ranking junior (either as to dividends or upon liquidation, dissolution or winding up) to the Series A-1 Junior Participating Preferred Stock unless, prior thereto, the holders of shares of Series A-1 Junior Participating Preferred Stock shall have received an amount equal to \$1,000 per share of Series A-1 Junior Participating Preferred Stock, plus an amount equal to accrued and unpaid dividends and distributions thereon, whether or not declared, to the date of such payment (the "Series A-1 Liquidation Preference"). Following the payment of the full amount of the Series A-1 Liquidation Preference, no additional distributions shall be made to the holders of shares of Series A-1 Junior Participating Preferred Stock unless, prior thereto, the holders of shares of Common Stock shall have received an amount per share (the "Common Adjustment") equal to the quotient obtained by dividing (i) the Series A-1 Liquidation Preference by (ii) 1,000 (as appropriately adjusted as set forth in Section 6(C) below to reflect such events as stock splits, stock dividends and recapitalizations with respect to the Common Stock) (such number in clause (ii), the "Adjustment Number"). Following the payment of the full amount of the Series A-1 Liquidation Preference and the Common Adjustment in respect of all outstanding shares of Series A-1 Junior Participating Preferred Stock and Common Stock, respectively, holders of Series A-1 Junior Participating Preferred Stock and holders of shares of Common Stock shall receive their ratable and proportionate share of the remaining assets to be distributed in the ratio of the Adjustment Number to one with respect to such Preferred Stock and Common Stock, on a per share basis, respectively.

(B) If, however, there are not sufficient assets available to permit payment in full of the Series A-1 Liquidation Preference and the liquidation preferences of all other series of preferred stock, if any, that rank on a parity with the Series A-1 Junior Participating Preferred Stock, then such remaining assets shall be distributed ratably to the holders of such parity shares in proportion to their respective liquidation preferences. If, however, there are not sufficient assets available to permit payment in full of the Common Adjustment, then such remaining assets shall be distributed ratably to the holders of Common Stock.

(C) If the Company shall at any time after the Rights Declaration Date (i) declare any dividend on Common Stock payable in shares of Common Stock, (ii) subdivide the outstanding Common Stock into a larger number of shares or (iii) combine the outstanding Common Stock into a smaller number of shares, through a reverse stock split of otherwise, then in each such case the Adjustment Number in effect immediately prior to such event shall be adjusted by multiplying such Adjustment Number by a fraction the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

7. Consolidation, Merger, etc. If the Company shall enter into any consolidation, merger, combination or other transaction in which the shares of Common Stock are exchanged for or changed into other stock or securities, cash or any other property, then in any such case the shares of Series A-1 Junior Participating Preferred Stock shall at the same time be similarly exchanged or changed in an amount per share (subject to the provision for adjustment hereinafter set forth) equal to 1,000 times the aggregate amount of stock, securities, cash and any other property (payable in kind), as the case may be, into which or for which each share of Common Stock is changed or exchanged. If the Company shall at any time after the Rights Declaration Date (i) declare any dividend on Common Stock payable in shares of Common Stock, (ii) subdivide the outstanding Common Stock into a larger number of shares or (iii) combine the outstanding Common Stock into a smaller number of shares, then in each such case the amount set forth in the preceding sentence with respect to the exchange or change of shares of Series A-1 Junior Participating Preferred Stock shall be adjusted by multiplying such amount by a fraction the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

8. No Redemption. The shares of Series A-1 Junior Participating Preferred Stock shall not be redeemable; *provided; however,* that, subject to Section 4, the Company may acquire shares of Series A-1 Junior Participating Preferred Stock in any other manner permitted by law, the provisions hereof or the Certificate of Incorporation or By-laws of the Company.

9. Rank. The Series A-1 Junior Participating Preferred Stock shall rank junior with respect to payment of dividends and on liquidation to all other series of the Company's preferred stock outstanding on the date hereof and to all such other series that may be issued after the date hereof except to the extent that any such other series specifically provides that it shall rank junior to the Series A-1 Junior Participating Preferred Stock.

10. Amendment. The Certificate of Incorporation of the Company shall not be amended in any manner (whether by merger or otherwise) that would materially alter or change the powers, preferences or special rights of the Series A-1 Junior Participating Preferred Stock so as to affect them adversely without the affirmative vote of the holders of a majority of the outstanding shares of Series A-1 Junior Participating Preferred Stock, voting separately as a class.

11. Fractional Shares. Series A-1 Junior Participating Preferred Stock may be issued in fractions of a share that shall entitle the holder, in proportion to such holder's fractional shares, to exercise voting rights, to receive dividends thereon, and to participate in any distribution of assets and to have the benefit of all other rights of holders of Series A-1 Junior Participating Preferred Stock. In lieu of fractional shares, the Company, prior to the first issuance of a share or a fraction of a share of Series A-1 Junior Participating Preferred Stock, may elect (a) to make a cash payment as provided in that certain Rights Agreement, dated as of December 13, 2021, between the Company and American Stock Transfer & Trust Company, LLC, as Rights Agent (as it may be amended, supplemented or otherwise modified from time to time, the "Rights Agreement") for fractions of a share other than any integral multiple of one one-thousandths of a share (as such fraction may be adjusted as provided in the Rights Agreement) or (b) to issue depository receipts evidencing such authorized fraction of a share of Series A-1 Junior Participating Preferred Stock pursuant to an appropriate agreement between the Company and a depository selected by the Company; *provided, however*, that such agreement shall provide that the holders of such depository receipts shall have all the rights, privileges and preferences to which they are entitled as holders of the Series A-1 Junior Participating Preferred Stock.

IN WITNESS WHEREOF, Magnachip Semiconductor Corporation affirms the foregoing as true and has caused this Certificate to be duly executed by the authorized officers below as of this _____ day of _____, 20____.

Terms used herein and not otherwise defined herein have the meanings assigned to them in the Rights Agreement.

The number of Rights evidenced by this Right Certificate (and the number and kind of securities and other property issuable upon exercise of each Right) and the Purchase Price set forth above are as of [_____], and may have been or in the future be adjusted as a result of the occurrence of certain events, as more fully provided in the Rights Agreement.

Upon the occurrence of a Section 11(a)(ii) Event, if the Rights evidenced by this Right Certificate are Beneficially Owned by (a) an Acquiring Person or an Associate or Affiliate of an Acquiring Person, (b) a transferee of an Acquiring Person (or any such Associate or Affiliate) who becomes a transferee after the Acquiring Person becomes such or (c) under certain circumstances specified in the Rights Agreement, a transferee of an Acquiring Person (or any such Associate or Affiliate) who becomes a transferee prior to or concurrently with the Acquiring Person becoming such, such Rights shall become null and void, and no holder hereof shall have any right with respect to such Rights from and after the occurrence of such Section 11(a)(ii) Event.

This Right Certificate is subject to all of the terms, provisions and conditions of the Rights Agreement, which terms, provisions and conditions are hereby incorporated herein by reference and made a part hereof and to which Rights Agreement reference is hereby made for a full description of the rights, limitations of rights, obligations, duties and immunities hereunder of the Rights Agent, the Company and the holders of the Right Certificates, which limitations of rights include the temporary suspension of the exercisability of such Rights under the specific circumstances set forth in the Rights Agreement. In the event of any conflict or inconsistency between the terms of this Right Certificate and the Rights Agreement, the terms of the Rights Agreement shall exclusively govern and control.

Upon surrender at the principal office or offices of the Rights Agent designated for such purpose and subject to the terms and conditions set forth in the Rights Agreement, any Right Certificate or Right Certificates may be transferred or exchanged for another Right Certificate or Right Certificates evidencing a like number of Rights as the Right Certificate or Right Certificates surrendered.

Subject to the provisions of the Rights Agreement, the Board of Directors may, at its option,

(a) at any time before the occurrence of a Section 11(a)(ii) Event, redeem all but not less than all the then outstanding Rights at a redemption price of \$0.001 per Right, subject to adjustment pursuant to the terms of the Rights Agreement; or

(b) at any time on or after the occurrence of a Section 11(a)(ii) Event (but before such Person becomes the beneficial owner of 50% or more of the shares of Common Stock then outstanding), exchange all or part of the then outstanding Rights (other than Rights held by the Acquiring Person and certain related Persons) for shares of Common Stock at an exchange ratio of one share of Common Stock per Right or, upon circumstances set forth in the Rights Agreement, other equity securities of the Company. If the Rights shall be exchanged in part, the holder of this Right Certificate shall be entitled to receive upon surrender hereof another Right Certificate or Right Certificates for the number of whole Rights not exchanged.

No fractional shares of Preferred Stock are required to be issued upon the exercise of any Right or Rights evidenced hereby (other than fractions that are multiples of one one-thousandth of a share of Preferred Stock, that may, at the election of the Company, be evidenced by depositary receipts), but in lieu thereof a cash payment will be made, as provided in the Rights Agreement. If this Right Certificate shall be exercised in part, the holder shall be entitled to receive upon surrender hereof another Right Certificate or Right Certificates for the number of whole Rights not exercised.

No holder of this Right Certificate, in such capacity, shall be entitled to vote, receive dividends or be deemed for any purpose the holder of the shares of capital stock or other securities of the Company that may at any time be issuable on the exercise hereof, nor shall anything contained in the Rights Agreement or herein be construed to confer upon the holder hereof, as such, any of the rights of a stockholder of the Company or any right to vote for the election of directors or upon any matter submitted to stockholders at any meeting thereof, or to give or withhold consent to any corporate action, or to receive notice of meetings or other actions affecting stockholders (except as provided in the Rights Agreement), or to receive dividends or subscription rights, or otherwise, until the Right or Rights evidenced by this Right Certificate shall have been exercised as provided in the Rights Agreement (and then only to the extent otherwise entitled thereto).

This Right Certificate shall not be valid or obligatory for any purpose until it shall have been countersigned by the Rights Agent.

IN WITNESS WHEREOF, the Company has caused this instrument to be duly executed under its corporate seal by its authorized officers.

MAGNACHIP SEMICONDUCTOR CORPORATION
STOCKHOLDER RIGHTS PLAN

Summary of Terms

Form of Security

The Board of Directors has declared a dividend of one preferred stock purchase right for each outstanding share of the Company's Common Stock, par value \$0.01 share (the "Common Stock"), payable to holders of record as of the close of business on December 23, 2021 (each a "Right" and collectively, the "Rights").

Transfer

Prior to the Distribution Date,¹ the Rights will be evidenced by the certificates for Common Stock (or, for uncertificated shares of Common Stock, by the book-entry account that evidences ownership of such shares), and will be transferred with the Common Stock, and the registered holders of the Common Stock will be deemed to be the registered holders of the Rights.

After the Distribution Date, the Rights Agent will mail separate certificates evidencing the Rights to each record holder of the Common Stock as of the close of business on the Distribution Date.

¹ Distribution Date means the earlier of:

- (1) the close of business on the tenth day after the first public announcement by the Company or an Acquiring Person (as defined below) that an Acquiring Person has become such (or, if the Board of Directors elects on or before such tenth day to effect an exchange (as summarized below), such later date as the Board of Directors determines that is not more than twenty days after the first public announcement that an Acquiring Person has become such); and
- (2) the close of business on the tenth business day (or such later date as the Board may designate before an event triggering the flip-in (as summarized below) occurs) after the date of the commencement of, or public announcement of the intent of any person to commence, a tender or exchange offer that would, if consummated, result in such person becoming an Acquiring Person;

provided, that the Distribution Date shall in no event be prior to the Record Date.

Exercise

Prior to the Distribution Date, the Rights will not be exercisable.

After the Distribution Date, each Right will be exercisable to purchase, for \$80 (the “Purchase Price”), one one-thousandth of a share of Series A-1 Junior Participating Preferred Stock, par value \$0.01 per share, of the Company (the “Preferred Stock”).

Preferred Stock

Shares of Preferred Stock purchasable upon exercise of the Rights will not be redeemable. Each share of Preferred Stock will be entitled to an aggregate dividend of 1,000 times the dividend declared per share of Common Stock. In the event of liquidation, the holders of Preferred Stock will be entitled to a minimum preferential liquidation payment of \$1,000.00 per share but will be entitled to an aggregate payment of 1,000 times the payment made per share of Common Stock. Each share of Preferred Stock will have 1,000 votes, voting together with the shares of Common Stock. In the event of any merger, consolidation or other transaction in which Common Stock is exchanged, each share of Preferred Stock will be entitled to receive 1,000 times the amount received per share of Common Stock. These rights are protected by customary anti-dilution provisions.

Because of the nature of the Preferred Stock dividend, liquidation and voting rights, the value of one one-thousandth of a share of Preferred Stock purchasable upon exercise of each Right should approximate the value of one share of Common Stock. The Preferred Stock would rank junior to any other series of the Company’s preferred stock.

Flip-In

If any person or group of affiliated or associated persons (an “Acquiring Person”) becomes the “Beneficial Owner” (as defined in the Rights Agreement) of 12.5% (20% in the case of a Passive Institutional Investor²) or more of the Common Stock after the date of the Rights Agreement (other than as a result of repurchases of stock by the Company or certain inadvertent actions and excluding certain holders of more than 12.5% (20% in the case of a Passive Institutional Investor) of the outstanding Common Stock as of the date of the Rights Agreement who do not acquire any additional shares of

² “Passive Institutional Investor” is defined generally as any person who has reported beneficial ownership of shares of Common Stock on Schedule 13G under the Securities Exchange Act of 1934.

Common Stock exceeding 1% of the then outstanding Common Stock, then, after the Distribution Date, each Right (other than Rights Beneficially Owned by the Acquiring Person and certain affiliated or associated persons) will entitle the holder to purchase, for the Purchase Price, a number of shares of the Common Stock (or, under certain circumstances set forth in the Rights Agreement, cash, property or other securities) having a market value of twice the Purchase Price.

When calculating a person's or group of affiliated or associated persons' "Beneficial Ownership" to determine whether such person or group has become an Acquiring Person, if the person or any of that person's affiliates or associates holds any option, warrant, convertible security, stock appreciation right or other contractual right or derivative with an exercise or conversion privilege or a settlement payment or mechanism at a price related to, or a value determined in reference to, Common Stock and that increases in value as the value of Common Stock increases or that provides the holder with an opportunity to profit from any increase in the value of Common Stock (a "Synthetic Long Position"), then that person shall be deemed to Beneficially Own the Common Stock that is the subject of (i) any Synthetic Long Position that is disclosed pursuant to a Schedule 13D or Schedule 13G under the Exchange Act; and (ii) any Synthetic Long Position if not so disclosed on a Schedule 13D or Schedule 13G, if and only if the Board determines that such person shall be deemed to Beneficially Own the Common Stock in respect of such Synthetic Long Position.

Flip-Over

If, after any person has become an Acquiring Person, (1) the Company is involved in a merger or other business combination in which the Company is not the surviving corporation or its Common Stock is exchanged for other securities or assets or (2) the Company or one or more of its subsidiaries sell or otherwise transfer assets or earning power aggregating more than 50% of the assets or earning power of the Company and its subsidiaries, taken as a whole, then each Right (other than Rights Beneficially Owned by the Acquiring Person and certain affiliated persons) will entitle the holder to purchase, for the Purchase Price, a number of shares of common stock of the other party to such business combination or sale (or in certain circumstances, an affiliate) having a market value of twice the Purchase Price.

<i>Exchange</i>	At any time on or after a Person has become an Acquiring Person (but before any person becomes the beneficial owner of more than 50% of the outstanding Common Stock), the Board of Directors may exchange all or part of the Rights (other than the Rights Beneficially Owned by the Acquiring Person and certain affiliated and associated persons) for shares of Common Stock at an exchange ratio of one share of Common Stock per Right (or, under certain circumstances set forth in the Rights Agreement, other equity securities with a value equal to such shares of Common Stock).
<i>Redemption</i>	The Board of Directors may redeem all of the Rights at a price of \$0.001 per Right at any time before a Person has become an Acquiring Person.
<i>Expiration</i>	The Rights will expire on December 12, 2022 unless earlier exchanged or redeemed.
<i>Amendments</i>	For so long as the Rights are redeemable, the Rights Agreement may be amended in any respect. At any time after the Rights are no longer redeemable, the Rights Agreement may be amended by the Board of Directors in any respect that does not (i) adversely affect the Rights holders (other than any Acquiring Person and certain affiliated or associated persons or any other holder of Rights that have become null and void upon being Beneficially Owned by Acquiring Person or its affiliates and associates), (ii) cause the Rights Agreement again to become amendable other than in accordance with this paragraph or (iii) cause the Rights again to become redeemable.
<i>Voting Rights</i>	Rights holders, in such capacity, have no rights as a stockholder of the Company, including no right to vote and no right to receive dividends.
<i>Anti-dilution Provisions</i>	The Rights Agreement includes anti-dilution provisions designed to prevent efforts to diminish the efficacy of the Rights.
<i>Taxes</i>	While the dividend of the Rights will not be taxable to stockholders or to the Company, stockholders or the Company may, depending upon the circumstances, recognize taxable income if the Rights become exercisable as set forth above.

A copy of the Rights Agreement has been filed with the Securities and Exchange Commission as an Exhibit to a Registration Statement on Form 8-A. A copy of the Rights Agreement is available free of charge from the Company. This summary description of the Rights does not purport to be complete and is qualified in its entirety by reference to the Rights Agreement.

known or unknown, mature or unmatured, contingent or fixed, liquidated or unliquidated, or accrued or unaccrued, in connection with, arising out of or relating to the Merger Agreement, the Equity Commitment Letter, any of the Investor Commitment Letters or any of the transactions contemplated thereby, including (i) any Claim that the Company is entitled to the Parent Termination Fee or any Damages for or in connection with any breach or failure to perform under the Merger Agreement, the Equity Commitment Letter or any of the Investor Commitment Letters or in respect of any oral or written representation made or alleged to have been made in connection herewith or therewith, (ii) any events, matters, causes, things, acts, omissions, disclosures or communications related to the Merger Agreement or the transactions contemplated thereby and (iii) any events, matters, causes, things, acts, omissions, disclosures or communications related to the termination of the Merger Agreement, the Equity Commitment Letter or any of the Investor Commitment Letters or the negotiation of this Agreement (the claims released pursuant to this Section 6.a (subject to the following proviso), the "Company Released Claims"); provided, that the foregoing shall not release, or limit the rights or obligations of, Wise Road or any Parent Related Party under (x) this Agreement (including the obligation to pay the Parent Initial Fee and the Remaining Parent Fee), (y) the Confidentiality Agreements or (z) any agreements entered into following the Termination Effective Time. b. *Parent Related Party Release.* Effective as of the date hereof, to the fullest extent permitted by Law, each of Wise Road and Parent, for and on behalf of itself and each of the other Parent Related Parties, hereby knowingly, voluntarily and irrevocably fully releases and forever discharges the Company Related Parties from any and all Claims, in each case, whether known or unknown, mature or unmatured, contingent or fixed, liquidated or unliquidated, or accrued or unaccrued, in connection with, arising out of or relating to the Merger Agreement or the transactions contemplated thereby, including (i) any Claim that Parent is entitled to the Company Termination Fee or any Damages for or in connection with any breach or failure to perform under the Merger Agreement or in respect of any oral or written representation made or alleged to have been made in connection herewith or therewith, (ii) any events, matters, causes, things, acts, omissions, disclosures or communications related to the Merger Agreement or the transactions contemplated thereby and (iii) any events, matters, causes, things, acts, omissions, disclosures or communications related to the termination of the Merger Agreement or the negotiation of this Agreement (the claims released pursuant to this Section 6.b (subject to the following proviso), the "Parent Released Claims" and, together with the Company Released Claims, the "Released Claims"); provided, that the foregoing shall not release, or limit the rights or obligations of, any Company Related Party under (x) this Agreement, (y) the Confidentiality Agreements or (z) any agreements entered into following the date hereof. A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

7. **Publicity.** Promptly following the execution and delivery of this Agreement, the Company shall issue a press release and/or other public statement announcing, among other things, the execution of this Agreement and the Company agrees to consult with Parent (and take Parent's views into account) with respect to the portions of such press release and public statement that relate to this Agreement or the termination of the Merger Agreement, the Equity Commitment Letter, the Investor Commitment Letters and/or the transactions contemplated by any of the foregoing, before issuing any such press release or public statement. Following the issuance of such initial press release and/or public statement, neither Parent nor the Company shall issue any other press release or make any other public statement prior to consulting with the other Party, except to the extent required by applicable Law or the Applicable Exchange requirements, in which case that Party shall use its reasonable best efforts to consult with the other Party before issuing any such release or making any such public statement. Notwithstanding the foregoing, without the prior consent of the other Party, (a) the Company may communicate with customers, vendors, suppliers, financial analysts, investors and media representatives in a manner consistent with its past practice in compliance with applicable Law and (b) either the Company or Parent may disseminate the information included in a press release or other document previously approved for external distribution by Parent (in the case of the Company) or the Company (in the case of Parent).

8. **Non-Disparagement.** Effective as of the Termination Effective Time, except as required by applicable Law, or in connection with any Claim not prohibited hereby, no Party shall, directly or indirectly, make any public statements or any private statements to third parties (in each case, oral or written) that would reasonably be understood as disparaging the business or conduct of any other Party or any of such Party's Affiliates.

9. **Representations and Warranties.** Each Party represents and warrants to the other Parties that: (i) such Party has all requisite power and authority to enter into this Agreement and to take the actions contemplated hereby; (ii) the execution and delivery of this Agreement and the actions contemplated hereby have been duly authorized by all necessary corporate or other action on the part of such Party; and (iii) this Agreement has been duly executed and delivered by such Party and, assuming the due authorization, execution and delivery by the other Parties, constitutes a legal, valid and binding obligation of such, enforceable against such Party in accordance with its terms, subject to the Enforceability Exceptions.

10. **Further Assurances.** Each Party shall cooperate with each other Party in the taking of all actions necessary, proper or advisable under this Agreement and applicable Laws to effectuate the transactions contemplated by this Agreement. Without limiting the generality of the foregoing, the Parties shall cooperate with each other in connection with the withdrawal of any applications to or termination of proceedings before any Governmental Authority (including a Requesting Authority), in each case to the extent applicable, in connection with the transactions contemplated by the Merger Agreement.

11. **Failure to Pay Parent Initial Fee or Deliver Amended Standby Letter of Credit.** If the Company has not been able to confirm: (a) receipt in its account of the full amount of the Parent Initial Fee by the Parent Initial Fee Deadline or (b) receipt of the original fully executed Amended Standby Letter of Credit by the SBLC Deadline, then, in each case, the Company shall thereafter have the right to notify any Governmental Authority that the terms and conditions of this Agreement in respect of the mutual termination of the Merger Agreement have not been satisfied and that the Merger Agreement remains in full force and effect subject to the terms hereof. Unless and until the Company has confirmed receipt of the full amount of the Parent Initial Fee and receipt of the original fully executed Amended Standby Letter of Credit, the Merger Agreement shall not be terminated and

shall remain in full force and effect; provided, however, that, notwithstanding anything to the contrary set forth herein or in the Merger Agreement: (i) if the Merger Agreement is terminated under any circumstance other than pursuant to Section 1 of this Agreement and the Company has already received the Parent Initial Fee pursuant to this Agreement, then (x) the amount of the Parent Initial Fee shall be deducted from any Parent Termination Fee due by Parent to the Company pursuant to the terms of the Merger Agreement and (y) the Remaining Parent Fee shall not be due or payable pursuant to this Agreement to the extent it would result in the Company receiving, in the aggregate, an amount in excess of \$70,200,000 under this Agreement and the Merger Agreement; (ii) if the Merger Agreement is terminated under any circumstance other than pursuant to Section 1 of this Agreement and the Company has not already received the Parent Initial Fee pursuant to this Agreement, then neither the Parent Initial Fee nor the Remaining Parent Fee shall be due or payable pursuant to this Agreement to the extent it would result in the Company receiving, in the aggregate, an amount in excess of \$70,200,000 under this Agreement and the Merger Agreement; (iii) from and after the date hereof, in no event shall Parent be entitled to terminate the Merger Agreement unilaterally without the prior written consent of the Company; and (iv) from and after the date of this Agreement, none of the Company, Parent or Merger Sub shall be bound by, or otherwise be required to comply with, any of the covenants applicable to it set forth in Article V (*Covenants*) of the Merger Agreement, other than, (A) with respect to Parent, Section 5.11 (*Fees and Expenses*) and Section 5.15(d) (*Financing Cooperation*), and (B) with respect to the Company, Section 5.11 (*Fees and Expenses*). For the avoidance of doubt, the Parties acknowledge and agree that the Confidentiality Agreements remain in full force and effect in accordance with their respective terms and Parent, for and on behalf of itself, Merger Sub and the Sponsor, hereby agrees to be bound by the terms and provisions of the Confidentiality Agreements applicable to Wise Road.

12. Entire Agreement; No Third-Party Beneficiaries. This Agreement, the Confidentiality Agreements and, until the Effective Termination Time, the Merger Agreement, constitute the entire agreement of the Parties with respect to the subject matter hereof, and supersede all other prior agreements and understandings, both written and oral, among the Parties, or any of them, with respect to the subject matter hereof and thereof. Each Party acknowledges and agrees that (a) each of the Company Related Parties and Parent Related Parties are express third party beneficiaries of the releases and covenants not to sue contained in Section 6 of this Agreement and are entitled to enforce their rights under such sections to the same extent that such Persons could enforce such rights if they were a party to this Agreement, and (b) the Sponsor and each of the Investors are express third party beneficiaries of the provisions contained in Section 5 of this Agreement and are entitled to enforce their rights under such section to the same extent that such Persons could enforce such rights if they were a party to this Agreement. Except as provided in the preceding sentence, there are no third party beneficiaries to this Agreement, and this Agreement is not otherwise intended to and shall not otherwise confer upon any person other than the Parties any rights or remedies hereunder.

13. Governing Law; Consent to Jurisdiction.

a. This Agreement, and any dispute, claim, legal action, suit, proceeding or controversy arising out of or relating hereto, shall be governed by, and construed in accordance with, the Law of the State of Delaware, without regard to conflict of law principles (whether of the State of Delaware or any other jurisdiction) that would cause the application of the Laws of any jurisdiction other than the State of Delaware.

b. The Parties hereby agree that in order to obtain prompt and expeditious resolution of all disputes arising out of or relating to this Agreement, including the existence, validity, interpretation or performance of this Agreement or the transactions contemplated by this Agreement (including, for the avoidance of doubt, any claim arising out of or related to the Parties' relationship, rights, duties and obligations hereunder, whether based on contract, tort or statute, and the substantive or procedural arbitrability of any claim hereunder), all such disputes shall be exclusively resolved by final and binding arbitration under the Delaware Rapid Arbitration Act (the "DRAA", 10 Del. C. § 5801 et seq.) and the Delaware Rapid Arbitration Rules promulgated thereunder by the Supreme Court of the State of Delaware ("Rules") in effect at the time of the date of delivery of the notice of arbitration, except as modified herein.

c. The arbitral panel shall consist of three arbitrators (the “Tribunal”). The situs of the arbitration shall be the State of Delaware, although the evidentiary and other proceedings shall be conducted in New York (Manhattan), New York. The Tribunal may conduct proceedings in other locations if necessary for the taking of evidence. The language of the arbitration proceedings, and of the arbitral award, shall be the English language. The Parties agree that (A) the claimant(s) and respondent(s) shall each appoint one arbitrator within twenty (20) days of the date of delivery of the notice of arbitration; and (B) the two party-appointed arbitrators shall appoint the third arbitrator, who shall serve as the chair of the Tribunal, within twenty (20) days from the date of the appointment of the second arbitrator. Each member of the Tribunal must be a former judge of the Delaware Supreme Court and/or Delaware Court of Chancery; provided, that in the event a former Delaware judge is unavailable to serve as arbitrator for one or more of the positions on the Tribunal, then the Parties shall submit a petition for the appointment of one or more arbitrators (as needed to complete the three-member Tribunal) to the Court of Chancery of the State of Delaware under Section 5805 of the DRAA. Any arbitrator not timely appointed as provided in clause (A) or (B) of this Section 13.c shall be appointed by the Delaware Court of Chancery in accordance with Section 5805 of the DRAA. In the event that the Tribunal retains counsel in consultation with the Parties under Section 5806 of the DRAA, then such counsel shall be impartial and shall be knowledgeable about and experienced with the practice of law and have had at least fifteen (15) years of legal experience in the area of mergers and acquisitions or complex commercial transactions. Only the Court of Chancery of the State of Delaware shall have the power and authority to appoint a new arbitrator in the event any arbitrator becomes unable to continue as arbitrator for any reason.

d. The arbitration shall be deemed commenced when the claimant(s) deliver a notice of arbitration to all of the respondents in the manner provided for notices in Section 15. The Parties agree that the preliminary conference shall be no later than ten days after the constitution of the Tribunal. The Parties agree that any service or written communication (including, the answer, any reply or exchange of information) under the DRAA or the Rules shall be made in a manner provided by Section 15 of this Agreement, or as otherwise agreed by the Parties. In connection with any arbitration proceeding hereunder, the Tribunal shall allow reasonable requests for the production of documents relevant to the dispute and permit the taking of depositions limited to not more than five persons on each side and for not more than six hours in total for the deposition of each such person. Where reasonably necessary, depositions may be taken by videoconference or other telephonic means, or in the jurisdiction where a witness resides or regularly transacts business. The Tribunal may seek to compel the production of evidence from non-parties to the fullest extent permitted by applicable Law. The arbitration hearing shall be limited to one day, if the Tribunal deems such limitation appropriate, and provided, that the Tribunal, where it considers it appropriate in order to provide any Party with a full and fair opportunity to be heard, may require a hearing be held over the course of more than one day, and shall be conducted as soon as reasonably practicable after the constitution of the Tribunal, as determined by the Tribunal.

e. For the purposes of DRAA § 5808(b), and all other purposes, the Tribunal shall issue its final award as promptly as practicable taking into account the nature of the claims and any other facts or circumstances the Tribunal deems relevant, but in no event later than 60 calendar days after the close of the arbitration hearing. The Parties agree that the Tribunal may extend any deadline set forth in Section 13.d and Section 13.e if, in its own discretion, more time is needed in light of the nature of the claims and the relevant facts and circumstances. The Tribunal is authorized to award monetary damages and to grant specific performance of this Agreement and other injunctive relief, including interim relief pending the final award. The parties hereto shall bear their own costs incurred in connection with the arbitration and share equally the fees and expenses of the Tribunal and the costs of administration.

f. Nothing in this Section 13 shall prevent a Party from seeking provisional, interim or conservatory measures from any court of competent jurisdiction at any time if any such Party believes in good faith that it will suffer irreparable injury before the Tribunal has been appointed or before the Tribunal has had time to render a final award. Any such request by a Party to a court for provisional, interim or conservatory measures shall not be deemed incompatible with the agreement to arbitrate in this Section 13, the DRAA or a waiver of the right to arbitrate.

g. The arbitral award shall be final and non-appealable. Judgment upon the arbitral award may be entered and enforced in any court of competent jurisdiction. The Parties hereby agree to waive any claim that this agreement to arbitrate is not valid under the Laws of the U.S., any foreign country or any international agreement.

h. For the avoidance of doubt, and in furtherance of Section 13.a, the Parties hereby acknowledge and agree that any legal proceeding conducted under this Section 13 shall be governed by or construed under the laws of the State of Delaware, without regard to principles of conflict of laws and regardless of whether the laws of the State of Delaware govern the Parties' other rights, remedies, liabilities, powers and duties.

14. Specific Performance. The Parties agree that irreparable damage would occur if any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the Parties shall be entitled to an injunction or injunctions, specific performance or other equitable relief to prevent or cure breaches or threatened breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement, this being in addition to any other remedy at law or in equity, and the Parties hereby waive any requirement for the posting of any bond or similar collateral in connection therewith. Each Party agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief on the basis that (a) the other Parties have an adequate remedy at law or (b) an award of specific performance is not an appropriate remedy for any reason at law or equity.

No Party may assign either this Agreement or any of its rights, interests, or obligations hereunder without the prior written approval of the other Parties. 17. Severability. Upon such determination that any term or other provision is invalid, illegal, or incapable of being enforced, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible.

The Parties agree that they have been represented by counsel during the negotiation and execution of this Agreement and, therefore, waive the application of any Law, holding or rule of construction providing that ambiguities in an agreement or other document will be construed against the Party drafting such agreement or document.

Press Release

Magnachip and Wise Road Capital Announce Withdrawal of CFIUS Filing and Mutual Termination of Merger Agreement

- Magnachip adopts limited-duration shareholder rights plan

SEOUL, South Korea, December 13, 2021 — Magnachip Semiconductor Corporation (“Magnachip Corp.” or the “Company”) (NYSE: MX), the U.S. (Delaware) parent of Magnachip Semiconductor, Ltd., and South Dearborn Limited, a company incorporated in the Cayman Islands, and Michigan Merger Sub, Inc., a Delaware corporation, which are investment vehicles established by Wise Road Capital LTD and certain of its limited partners (“Wise Road”), today announced that they received permission from the Committee on Foreign Investment in the United States (“CFIUS”) to withdraw their joint CFIUS filing in relation to their proposed transaction (the “Merger”) and will be terminating their previously announced definitive merger agreement.

This course of action resulted from the inability of the parties, despite months of effort, to obtain CFIUS’s approval for the Merger. In connection with the termination of the merger agreement, South Dearborn will pay the Company a termination fee of \$70.2 million, of which \$51 million will be paid promptly and \$19.2 million will be deferred up to March 31, 2022. In connection with the termination of the merger agreement, the parties will be releasing each other from all obligations with respect to the proposed merger transaction as well as from any claims arising out of or relating to the merger agreement.

The Company also intends to have Magnachip Semiconductor, Ltd., the Korean operating subsidiary of the Company, withdraw its application concerning the Merger that had been submitted to the Korean Ministry of Trade, Industry and Energy under Article 11-2 of the Act on Prevention of Divulgence and Protection of Industrial Technology.

“While we are disappointed by the termination of our merger agreement, we are confident that Magnachip remains well positioned to create value for our shareholders as an independent public company,” said YJ Kim, Magnachip’s Chief Executive Officer. “This outcome does not impact the sound long term fundamentals of our business and our ability to accelerate our MX 3.0 strategy. In fact, over the past eight months our team has continued to advance our previously announced 2020-2023 plans for sustainable and profitable growth. We will share further details about the plan progress on a call that will be scheduled for January 6th, 2022. I would like to thank our customers for their ongoing trust and Magnachip’s employees for their commitment to delivering industry-leading products.”

Magnachip Semiconductor, VPLEX 15F, 501 Teheran-ro, Gangnam-gu, Seoul, South Korea 06168

Magnachip's Board of Directors (the "Board") is actively engaged in determining the best way to return and enhance value to shareholders. Accordingly, in order to allow adequate time to evaluate all options, the Board has adopted a limited-duration shareholder rights plan (the "Rights Plan") and declared a distribution of one right ("Right") for each outstanding share of common stock. The Rights Plan is effective immediately and will expire on December 12, 2022, unless earlier redeemed, exchanged or amended. The record date for the Rights distribution is December 23, 2021. The Rights will generally become exercisable only if any person or group acquires 12.5% (or 20% in the case of a passive institutional investor) or more of the Company's outstanding common stock (the "triggering percentage"). If a person or group acquires the Company's outstanding common stock in an amount above the triggering percentage, each Right will entitle its holder (other than the acquirer(s)) to purchase for \$80, a number of shares of the Company's common stock having a market value of twice such price. Alternatively, in the event the Rights become exercisable, the Board may elect to exchange one share of the Company's common stock for each outstanding Right (other than Rights owned by the acquirer(s)). In addition, if the Company is acquired in a merger or other business combination transaction after a person or group acquires 12.5% (or 20% in the case of a passive institutional investor) or more of the Company's outstanding common stock, the Rights would entitle the Company's stockholders, other than the acquirer, the opportunity to purchase for each share of common stock owned, \$80 worth of shares of the other party's common stock having a market value of twice such price.

The Rights Plan is designed to enable all shareholders to realize the long-term value of their investment in the Company and has been adopted to protect all shareholders from opportunistic efforts to obtain control of the Company, without appropriately compensating the Company's shareholders, following termination of the Merger while the Board evaluates go-forward options for the Company. The Rights Plan was not adopted in response to any specific effort to obtain control of the Company. The plan does not prevent the Board from considering or accepting an offer to acquire the Company, however, if the Board believes that such action is fair, advisable and in the best interest of shareholders of the Company as a whole.

A copy of the Rights Plan and a summary of its terms will be filed on a Form 8-K with the Securities and Exchange Commission.

In addition, in light of the termination of the Merger, the Company will be holding a 2022 Annual Meeting, the details of which will be provided as soon as practicable.
